44 YEAR NO 4 O'Donnell, Lynn County, Texas, Friday, FRIDAY OCTOBER 7, 1966 2 and \$2.50 per year

Jal Here Friday

Jal, N. M., Plays At O'Donnell

O'Donnell Eagles entertain a strong Jal, New Mexico, team to- night at 8:00 before opening the 1966 5-A conference season next week at Seagraves.

Jal lost to Tularosa last week 33 to 7, but previously had de- feated Lovington 12 to 6 and Wink 33 to 0.

O'Donnell lost a heart breaker at Hermleigh last Friday 22 to 14, but still is having its best season in several years. After losing the opener to Meadow 14 to 6, the Eagles won over Ropesville 26-0 and Lorenzo 6-0.

Hermleigh scored first on a 26- yard pass and ran the conversion for an 8-0 lead, which was cut to 8-6 very quickly when O'Donnell's Joe Lopez broke through the middle and ran 92 yards to score.

O'Donnell tied the score 14-14 in the fourth quarter when Ronnie Barnes returned a punt 46 yards to the goal line and Joe Lopez ran the conversion. But Hermleigh, on a last play desper- ation pass, scored the final TD and then passed for the two-point conversion to make the final score 22-14.

Voter May Begin Registration Now

No longer will Texas citizens pay poll taxes as a qualification for voting in national, state, or local elections.

But, all citizens eligible must now register between October 1, 1966, and no later than January 31, 1967, in order to vote in any election during the coming year.

Registration is free and may be done by mail on securing a pre- scribed form at the office of the County Tax Assessor and Collec- tor, George McCracken. Regis- trant must sign his name to the blank, together with necessary in- formation as to age, residence, etc.

Other qualifications for voting remain the same as under the old poll tax system. A voter must have lived in the state at least one year, in the county at least six months.

In Lynn county, a county not having a city of 10,000 or more people, overage citizens do not have to register. This means a person over 60 years of age on January 1, 1965, does not have to register to vote next year.

Mr. McCracken suggests that citizens register to vote when they begin paying property taxes dur- ing October.

FHA Happenings In September

This month our F.H.A. started off with our regular monthly meeting, September 12. At this meeting we gave out our year- books to the girls who are in F.H.A. this year.

Paula Beach and Linda Vestal did a very good job on our fair booth this year. With the theme "Charlie Brown" we won first at O'Donnell and second at Lamesa.

September 24, our new fresh- men were given a special break- fast. The F.H.A. upper classmen went and got the freshmen out of bed and brought them to the kidnap breakfast. The made hats out of kitchen utensils. First place winner was Barbara Roberts; second, Penny Jones; third, Joyleen Anderson.

September 27: Forty-one of the F.H.A. girls went to the Lubbock fair. Some went to the show and the rest chose their own places to go.

The F.H.A. has done a lot this month and hopes to do more in the months to come.—Mary Rich- ards, 5th vice president.

Mrs. Sam Hester of Ballinger and Red Hester from San Angelo are visiting in the home of Mr. and Mrs. Pete McMillan.

Rotary News

The O'Donnell Rotary Club met Tuesday with President Wayne Noland presiding. Visiting Rotar- ians were Oscar Crain of Lubbock, N. H. Price and Bowers Purcell of Lamesa and H. B. McCord, Sr., Warren Embree, Harold Roberts, Emil Prohl, Garland Thornton, and Fred McGinty of Tahoka.

Miss Suzanne Morrison, charm- ing daughter of Rotarian and Mrs. Ben Morrison, brought to the Rotary luncheon another very im- portant and interesting program of the O'Donnell Schools. Suzanne is a member of the National Hon- or Society, was a delegate to the Law Officer Youth Conference.

This Youth Program which is con- ducted by and for the youth of Texas is playing a very important part in trying to stop the delin- quency rate in Texas. The very important part, of course, is the seriousness in which Texas youth are working on the problems of their friends and trying to find ways to aid them with their prob- lems. The O'Donnell Rotary Club offers congratulations to the O'Donnell School System on its backing of this very worthwhile program.

A letter from the John Bowns of Australia tells of the leafing of the willow trees showing a touch of Spring. The Bowns re- cently showed the O'Donnell slides to a group of Gosford peo- ple. Among the guests were peo- ple from Esperance, Western Australia who have been farming at Esperance for two years. The guests thought the O'Donnell com- munity and surrounding territory was similar to the farming of Western Australia.

Thought for the week: "We may not pass this way again. Therefore, any good that we can do, or any kindness we can show, let us do it now. For we may not pass this way again."

SCOUT NEWS

Marc Eason, 17 year old Scout from Ralls, has been named president of Region 9 at the National Conference at Indiana University. Marc will fly to Baylor University in November to help in the plan- ning for next year's conference which will be at Baylor.

Two past Rotary District Gov- ernors who have been guests in O'Donnell, will aid in the planning for next year's work of the Quannah Parker District. They are Jimmy Wilson, Jr. and Burnett Roberts.

A five mile hike was taken by part of Troop 789 recently. These hikes are required for the Boy Scout's awards. Each time a Scout achieves a goal, not only has he advanced in Scouting, but also in character building.

Boy Scout Troop 789 reminds O'Donnell that Columbus Day, October 12, is another Flag Day in America, and to remember to help keep O'Donnell a nice place to live. Troop 789 is sponsored by the O'Donnell Rotary Club. Lanny Brewer is Scoutmaster.

FISH ATTEND BREAKFAST

No, the Martians were not land- ing. It was just Fish initiations going to the FHA Kidnap Break- fast at the Home Economics build- ing Saturday morning.

As the initiated entered they had to recite parts of the hand- book to the State Degree candi- dates. Inside they had to sing both FHA songs and repeat the creed to the upper classmen who had kidnapped them.

Terri Lu Taylor, president, and Carrie Line, chairman, welcomed the Fish. For entertainment for the Fish Sharon Dempsey did a dialogue.

Then the Freshmen modeled the hats they had made of kitchen utensils. First prize for the contest hat went to Barbara Roberts; second prize to Joylene Anderson; and third prize to Penny Jones.

Ronnie Bairrington of the Navy stationed at Corpus Christ spent the weekend at home.

Public Auction Sale Saturday

Young Farmers Will Hold Farm Equipment Sale

O'Donnell Young Farmers are sponsoring a benefit farm equip- ment sale this Saturday beginning at 10:30 a. m. on the Farmers Co-op gin yard with Ken Bozeman as auctioneer.

Hermleigh 22, O'Donnell 14. Just about everything used on the farm, from tractors to hand tools, according to Harold Sanders and Tommy Gardenhire, who are in charge of the sale, will be sold. Consignments are welcomed from anyone at regular commission.

Young Homemakers will operate a concessions stand at which drinks and sandwiches will be available.

Funds raised by the Young Farmers will be used to start a scholarship fund to help some outstanding agriculture student attend college.

LAST WEEK'S SCORES

Tahoka 20, Slaton 14. Sudan 12, Seagraves 8. Plains 13, Bovina 8.

Mrs. S. G. Sherrill, wife of Rev. Sherrill of Abernathy, died last Wednesday and services were at Abernathy where the family re- sided. She was the sister-in-law of Ivan Sherrill of here.

Douglas Johnson of Andrews is the new meat manager at Block- ers. Jackie Wheat moved to Tahoka where he is market manager at Piggly Wiggly.

Bobby Cox recently resigned as deputy sheriff here since taking that position last spring. He re- signed to devote his time to farm- ing. Bobby made an efficient offi- cer—one of the best. New deputy is Ewell Roberts of Abernathy who began work here Monday.

Gail Coyotes Blast Dawson Bu 49 To 16

The Gail Coyotes slew the Daw- son Drangons, 42 to 16 at Gail Friday night in 8-man warfare.

Here is how the Gail scoring went: Dale Kite, 30-yard TD pass from Don Nunnally; two extra points on Hendley to Kite pass; 10-yard TD pass from Hendley to Kite; no extras; Tony Isaacs, 8- yard run for TD; no extras; Nun- nally, 41-yard TD run. Pass, Hend- ley to Kite for two extras; Nun- nally to Isaacs, 35-yard TD pass; Hendley to Smith pass for two extras; Isaacs, 10-yard TD run; no extras.

Dawson scoring was: Ralph Drennan, 3-yard sneak for TD; Mark Jones ran two extras; Dren- nan tunneled 2 yards for TD; he passed to Bruce Schooler for two extras.

O'Donnell Falls To Hermleigh

Hermleigh edged O'Donnell, 22 to 14, in a game played at Herm- leigh Friday night with a spirited last quarter outburst.

Hermleigh tallied first in the second stanza when Danny Peter- son hit Mike Peterson with a 26- yard TD pass. M. Peterson ran the two extra points.

O'Donnell retaliated in the same quarter. Joe Lopez plopping through the middle and going 92 yards for a TD. Point try failed.

Hermleigh got two TD's in the last period and O'Donnell one. QB Tom Chorn ran 70 yards for the first Hermleigh 6-pointer. Point try failed.

Then Ronnie Barnes scampered 46 yards on a punt return for O'Donnell's TD. Lopez ran end for two extras.

On the last play of the tilt, D Peterson hit R. Peterson with a short scoring pass. Chorn passed to M. Peterson for two.

WEEK IS DESIGNATED—Young farmer-Young homemaker week was officially proclaimed in O'Donnell by Mayor Elvin R. Moore, right, pictured above with Harold Sanders of the O'Donnell Young Farmers and Mrs. Frances Burkett of the O'Donnell Young Home-Makers.

School Supper Friday Nite

FHA Tast-T-Supper Planned Friday

The O'Donnell Chapter of the Future Homemakers of America is having a Tast-T-Supper Friday, October 7, at the school cafeteria. This is a supper prepared by the FHA girls from the FHA cook- books. Serving will be from 5:00 until 7:00 p. m., and again after the game. Admission will be \$1.00 for adults and 75 cents for child- ren under 12. states Debbie Askew, corresponding secretary of the chapter.

JUNIOR HIGH OPENS SEASON

The O'Donnell Seventh and Eighth Grades opened their grid- iron season on Thursday, Sept. 15, and have played two games since.

The Junior Eagles were hosts to Sundown in their opener. The O'Donnell Eighth Grade held Sun- down to only one touchdown for a 6-0 final score.

Captains were Louie Amaro, Frank Olivera, and Jerry Franklin. O'Donnell and Sundown Seventh Graders knocked heads in a score- less tie. Neither team was able to advance over the 30-yard line.

Danny Amaro, Rex Childress, and Joe Valdez served as captains.

Tallies At Seagraves

The Eighth Grade, downed 22-8 by Seagraves last Thursday, tal- lied for their first time of the season. Louie Amaro scored on a 2-yard quarterback sneak. Extra points were added by the comple- tion of a pass from Amaro to Billy Wood.

Mike Mensch, Barry Clayton, and Louie Amaro were captains.

Seagraves also took the Seventh Grade game by 38-0. Serving as captains for the game were Monty Barton, Rex Childress, and Danny Amaro.

Mrs. Jeff Shook is taking treatments at Christoval. Faye Slaughter of Utah is visiting here.

Freshmen Have Their Day

Freshman Day on the OHS campus came to a climax when the Freshmen class presented a program to the High School.

Beginning the hour long pro- gram Rhonda Payne, Michael Thompson, Penny Jones, Jay Mid- dieton, and Tonia Dorman did a skit featuring the three pigs and the wolf, with an added attraction, Batman.

Susan Taylor, Penny, and Rhon- da decided to change the action and sang, "Twinkle, Twinkle Lit- tle Star."

To add a touch of romance Dana Emerson proposed to Mike Harris and Ivan Line, only to have both proposals turned down.

The roaring applause to Jay Lane's song showed that the au- dience approved of Jay's talent as a donkey.

annual, began Monday, September 12. Before October 1, the price will be \$4.25 per copy. After October 1 it will be \$4.75. The State sales tax is included in the selling price. A \$2.00 deposit will reserve a copy of the 1967 Eagle, with the balance due before delivery of the book.

**Brucellosis Tests  
Set For October 17**

State veterinarians will be here October 17 to re-certify Lynn county in the brucellosis control program. County Agent Bill Griffin has been notified by John H. Wilbur Jr. of the Texas Animal Health Commission.

Lynn county had been certified for a three-year period, and the veterinarians will be here to check for reactors.

Two local cattlemen have reported reactors. Mr. Griffin says. Livestock owners who desire tests may contact Mr. Griffin.

**Pesticide Use  
Warning Given**

The wise use of pesticides inside your home is your personal responsibility says County Home Demonstration Agent Ann Duncan.

When actually using pesticides inside the house, be sure to read the label first, and understand all of the information. Use only the amount called for on the label. Provide adequate ventilation. Don't let the children help. Keep them away from where you are mixing or using a pesticide. Put the family pets outside while you are spraying and take their food and water dishes with them. Remove birds, bird cages, aquariums and fish bowls.

Take everything out of the dish cabinets, shelves and cupboards before you spray. Wait until the spray dries and then cover the shelves with clean paper or foil before you put things back. Never allow pesticides to get on food, dishes, pots or pans. Never spray the insides of a refrigerator or oven.

Pesticide products designed for use in the home are not automatically safe. It's how you handle them that makes their use safe or unsafe in your home, says Miss Duncan.

Keep home-type pesticides in locked-safe storage before and after their use. These pesticide products—and other potentially poisonous products—can be dangerous unless they are safely locked away.

Make sure you've got what it takes...

for your take-it-easy years!

That long awaited fishing trip—that ivy covered "dream house" set back from the road—don't usually come to us right out of the blue. For those "take-it-easy" years it takes a little doing.

Start today by putting a part of your earnings each year into Series E Savings Bonds then, when you retire, this backlog of savings which you have built through the years can be exchanged at no cost for Series H Savings Bonds to provide additional income for the "extras" you've been looking forward to. Why not drop in to see the head of the Savings Bonds Department in your bank today. He'll be glad to tell you about planning for retirement with Savings Bonds.

**SERIES H SAVINGS BONDS**

...safety...liberal yield...guaranteed current income

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.

# County Valuations Increase, Rate Is Reduced To \$1.20

Lynn county tax valuations for state and county purposes have been materially increased, from \$11,810,962 to \$17,106,006, a jump of \$6,295,034, but the county tax rate has been decreased from \$1.90 per \$100 valuation to \$1.20 per \$100 states George McCracken, county tax assessor and collector.

Some taxpayers will have a reduction, but many others will be paying more taxes, all as a result of the re-evaluation study made last year by a firm of experts, McMorries & Co. of Amarillo, under direction of the Lynn County Commissioners Court.

All property owners having a change were notified, and many of them appeared before the equalization board last spring.

However, State of Texas has raised its tax rate from 42 to 47 cents. Water District rate remains at five cents per \$100 valuation, and applies only to property in the north fourth of the county in the High Plains Underground Water District.

Valuations in Lynn county are based on approximately 20 percent of actual value.

In the past, for the most part, improvements have not been considered in valuation of farm land

for tax purposes. Under the re-evaluation program, tax values are being more fairly adjusted by reason of values being set on farm improvements, as well as value of land, irrigated, dry, or pasture.

Since the readjustment of valuations, the county's potential tax take will actually be less, \$205,272.05, because of the reduction in rate from \$1.90 to \$1.20 per \$100 valuation, which reduction was made possible largely by reason of the paving bonds being paid off.

State of Texas' values have been increased from \$9,632,390 to \$14,243,708, less than the total county valuation because of homestead exemptions. The raise in the State rate from 42 to 47 cents will raise total State taxes in Lynn county from \$40,457.81 in 1965 to \$66,949.06 in 1966.

High Plains Underground Water District's tax take increases from \$1,596.24 to \$2,661.60 potential.

### School Events

Oct. 7—F.H.A. Tasting.  
Oct. 10—F.H.A. Meeting.

### Social Security Numbers Needed At ASCS Office

If the ASCS county office asks you what your Social Security number is, please don't think you are being singled out for special attention, cautions Wayman Smith, chairman, Agricultural Stabilization and Conservation County Committee. The number is needed by the Internal Revenue for identification purposes in connection with farm program payments.

Many farmers have already filed Form 3435-A with the county office, listing their social security or employer identification number. Requests for the information were mailed last fall to each known producer who receives program payments. Producers who receive direct program payments and who have not yet filed the form, however, are asked to forward the information to the county office by Oct. 1, 1966.

For 1966, ASCS must report to the Internal Revenue Service any sight draft payments of \$600 or more under direct payment pro-

grams. This includes the Agricultural Conservation Program; the feed grain, wheat, and cotton programs; the wool-incentive payment program; and others.

And, beginning January 1, 1967, and each year thereafter, all such sight draft payments made to producers under these programs, will be reported to IRS without regard to the amount. Producers will be advised annually of the program payment reported to IRS, beginning with payments made in 1967.

Identifying numbers are already being used in payment reports

which banks and other paying agencies make to IRS, as required under the Internal Revenue Code. Any questions about this matter should be taken up with the ASC County Committee.

### Way Patrol Reports On Dates

There were two traffic deaths in Lynn County as compared to one in the previous three year average of three, according to Sergeant Robert of the Texas Highway Patrol for this area.

Sergeant stated that 115 deaths in 1965 as compared to 121 in the previous three year average of 118. The number of deaths in 1965 was less than the previous three year average.

Some counties had the same number of deaths in 1965 as the previous three year average. The largest increase in the number of deaths in 1965 over the previous three year average was in Dallas County. The largest decrease in the number of deaths in 1965 over the previous three year average was in McLennan County.

The 1965 death total for the State was 3,028, an increase of 22 over the 1964 all time high of 2,984. The Sergeant stated that with this increase in traffic deaths, it is a challenge which responsible citizen must accept his best to reduce the deaths on our streets and highways.

all local addresses will have the same ZIP Code number.

This is a good time to get the ZIP Codes missing from your mailing lists. "This Christmas, ZIP Codes will be as important as shipping and mailing early for the efficient and on-time delivery of the record-breaking avalanche of mail expected in the pre-holiday weeks."

After filling in the street number, city and state, the cards are to be mailed or brought back to the Post Office. Post Office personnel will add the proper ZIP Codes and return the cards back to you.

Postmaster General O'Brien announced May 19 that steps were being taken to make ZIP Codes

more accessible to the mailing public. The present program resulted from a search for the most effective method to get the codes in the hands of private mailers. A recent poll found earlier this year that about half the population is using ZIP Code. The remaining half cited the reason for not using ZIP Code was that they did not know the ZIP Codes for the people to whom they write.

Previously, the Post Office Department has embarked upon an extensive effort to help volume mailers convert their lists to ZIP Code. This poll strengthened our conviction that the public generally is ready and willing to cooperate with business mailers who

will be pre-sorting their second and third-class mail after Jan. 1, 1967. Mr. O'Brien said, "I am convinced that the 'ZIP-A-List' project will go a long way toward accomplishing our goal of ready availability of the proper ZIP Codes in the home." Out of town cards will be printed in red ink. Addresses which cannot be ZIP Coded because of insufficient or improper addresses will be forwarded to the city indicated on the card, if legible, and the codes will be added there.

Only addresses, not names of who you are writing to should be listed on the cards. ZIP Codes represent delivery areas for the postal service, not individuals.

Pvt. Bob Smith visited his aunt and uncle, Mr. and Mrs. Harold Brumit Friday. Bob, a former O'Donnell student, is on leave after completing Army basic training at Fort Pork, La.

## October Set As ZIP Code Month

Residents in the O'Donnell trade territory will be offered an opportunity to ZIP Code their mailing lists during the month of October, it was announced today.

President Johnson has proclaimed Oct. 10-15 as ZIP Code Week, to promote greater usage of ZIP Code.

In rural areas and cities with one ZIP Code assigned, only an out-of-town card will be placed in your city or rural boxes since
