## Bank Statement Shows Improved Conditions

Our readers are called to the quarterly report of the Commercial National Bank of which appears in this issue. While good statements are made for this time of the year, the particular one is especially

noted that loans and discounts are in the amount of \$1,000,000 as compared with only \$500,000 in the report which was made on July 11. This is not to be taken as an indication, however, that the bank has not been paid. J. Shoemaker Jr., cashier of the bank, has been paid off already and much of the amount of the report is in this space in this report.

It is cleared up before the first of the year, and is all well secured. There has been a decided increase, as can be readily seen. In July we carried the amount of \$71,000 in the present report which is the total of \$104,867.84. It is remembered that the local weather the storm of the day

## Losers Lose Game

### Seminole Monday

All forecasts and expectations of the Seminole game were made on Monday, and defeated in their own field. The game was made in the last three weeks after both teams had

played indifferent football, due to the extreme cold. The Eagles made more first downs than the enemy's zone seven, more than they were three

Monday seemed to be an off day, and none of them had any chance to carry the ball. Early in the second half it was only the breaks could be made. DeBusk had a touchdown, booting the ball

into the goal line, and a steady drive by the Eagles into scoring distance. At the crucial play, a fumble gave the Seminole the chance they needed, and a player recovered.

It was a difficult one for several players and players alike. Several football fans braved the cold snow, and stood through the bitterest to their own discom-

fort every minute that a touch-down could be made. Occasionally it snowed, and sleet would obscure the field.

This defeat was the first which the team have suffered on Johnson road. It was a distinct disappointment, but was not specially important in district championship, as it

was a scheduled conference game. It had already defeated Memphis in the southern half championship, and will play Morton here next week for district honors. Further de-

termining this game will be announced next week's Index.

Mr. Walter McLaughlin were made City last Sunday.

## Pep Squad Stages Clever Minstrel Show

A fair-sized audience thoroughly enjoyed the ladies' minstrel show staged at the high school auditorium Friday evening by members of the Pep Squad. As we reported last week, the girls were playing the parts of the Ladies' Aid, and were apparently trying to add to their treasury to send help to the 'pore heathen.'

All reports from those who attended indicate that the girls were well coached and suited to their respective roles. Proceeds were hardly as much as had been hoped, but were fair.

## What Do You Think?

Editor's Note: This letter was called to our attention by a local business man, who had received it from one of our subscribers, and was so amusing to him that we are hereby passing it along. We can give the name on request.

My Dear Friend:  
I beg leave to inform you that the present shattered condition of my bank account makes it impossible to send you a check in response to your request for a remittance.

The state of my present financial condition is due to the effect of Federal Laws, State Laws, County Laws, Corporation Laws, By-Laws, Broder-in-Laws, Mother-in-Laws, and Out-laws, that have been foisted upon an unsuspecting public. Through these various laws I have been held up, walked on, set on, sandbagged, battered and squeezed until I do not know where I am, what I am, or why I am.

These laws compel me to pay a merchant tax, capital stock tax, excess tax, income tax, state auto tax, city auto tax, gas tax, light tax, road tax, cigar tax, amusement tax, cigarette tax, street tax, real tax, school tax, Surtax, Surtax, and carpet tax.

In addition to these taxes I am required to contribute to every society and organization that the inventive mind of man can organize. To the society of John the Baptist, the Women's Relief, the Navy League, the Children's Home Fund, the Policemen's Benefit, the Dorcas Society, the Y. M. C. A. and Y. W. C. A., the Boy Scouts, the Jewish Relief, the North East Relief, the Gold diggers home. Also every dog, cat, and human hospital and every charitable institution in town, the Red Cross, the Black Cross, the Purple Cross and the Double Cross.

The Government has so governed the business that I do not know who owns it. I am suspected, expected, inspected, disrespected, examined, re-examined, informed, requested, commanded, remanded, expelled and compelled, until all I know is that I am supposed to provide an inexhaustible supply of money for every known desire or hope of the human race, and because I refuse to donate all I have and go out to beg, borrow or steal more money to give away, I am cursed, discussed, boycotted, talked to, talked about, lied to, lied about, held up, held down, and knocked down and robbed, until I am nearly ruined, so the only reason I am clinging on to life now is to see what in the Hell is coming next.

Yours very truly,

**Hon. Tom Garrard Is Appointed Attorney**

Hon. Tom Garrard of Tahoka has been offered the post of attorney for Lynn county, according to word received here, but whether or not he will accept the office has not been made known, or we have received no announcement of his acceptance.

He will succeed Truett Smith, who was recently named by Governor Allison as district attorney for the 16th judicial district, replacing G. H. Nelson when he was elected senator.

Mr. Garrard is well known throughout this territory as a barrister of unusual ability and integrity, and his acceptance of the post offered him would be a benefit to the county. The Index, along with all of Lynn county sincerely hopes that he may see fit to do so.

**Armistice Day Is Observed Quietly**

Armistice Day, the seventeenth anniversary of cessation of hostilities of the World War, was quietly celebrated in O'Donnell Monday. No formal program or plan had been outlined locally, many of our people going elsewhere for their celebration.

Stores remained open all day, due to the unexpected bad weather which brought crowds of the business men here about Saturday business, and all of them were fairly busy all day.

A good crowd attended the football game between the Eagles and the Seminole squad, braving the sleet and snow to see the fight, and scores of these fans rushed home for a hot dinner and then went to Lamesa or Lubbock for more football.

The sale of Buddy Poppies as sponsored by the ladies of the Auxiliary of the Fern Allen post of the American Legion had been planned for Monday, but due to the inclement weather, it was decided not to push it further. No special meeting was planned by either the Legion Post or the Auxiliary.

Mr. and Mrs. B. L. Davis and Miss Nell Bowyer were in Lubbock Sunday.

## Roosting High

## First Snow, Sleet Falls Here Nov. 11th

The first snow and sleet of the winter fell here Sunday night and Monday morning, following several days of spring-like weather.

Heavy mist and scattered showers the latter part of last week had held up the harvest over the South Plains and the forestate of winter weather was decidedly not welcomed as anxious farmers wondered how the cold and damp would effect their feed and cotton, still in the fields.

Local merchants had hoped to close their places of business Monday to observe the annual celebration of Armistice Day, but throngs of Mexicans, as well as their employers, began crowding into town at an early hour, and by ten o'clock the streets and stores were so filled that it was deemed best to stay open.

Store forces were cut down during the football game so that some of the employees might see the game, but the inclement weather prevented much of a celebration.

Soon after noon the clouds broke, and brilliant sunshine began thawing out the piles of sleet, so it seems that the South Plains is to be treated to an exhibition of sleight-of-hand tricks on the part of the weather man for several weeks now.

**Hon. Tom Garrard Is Appointed Attorney**

**Pastor's Sister Taken To Lubbock Hospital**

Mrs. Jewel Rogers, sister of Mrs. Pearl Kretz, was taken to a Lubbock sanitarium Monday, and will undergo major surgery this week. Operation was necessary for the correction of a number of complications.

As no adverse reports have come back from the hospital, it is believed that she is doing nicely.

## Senior Carnival Realizes Nice Sum

While proceeds were hardly as large as had been hoped, the Senior Class realized a fair sum of money from their carnival, or Jastbo Jubilee which was held at the Oddfellow's Hall Saturday night.

Members of the class and their sponsor, Miss Gilbert, wish to express their thanks and appreciation to the public for the cooperation which was shown.

C. L. Davis, Mrs. B. L. Davis, and Miss Nell Bowyer were in Lubbock on Tuesday. Mr. Davis is undergoing treatment from a physician there.

## W. M. Hamilton Taken To Lubbock Hospital

W. M. Hamilton, father of Lem Hamilton, Mrs. Ben Young, and Mary and A. C. Hamilton, was taken to a Lubbock sanitarium at an early hour Tuesday morning, suffering from severe hemorrhages of the stomach.

As we go to press, we have heard nothing further from him, hence cannot say whether or not surgery was thought necessary, or what was the diagnosis of surgeons at Lubbock.

The Index joins with other friends in the sincere hope that he may soon be fully recovered.

## Index Bargain Rates Include Daily Papers

We are continuing the annual Fall special subscription rate on the Index and are also offering a number of attractive club rates with daily papers of the state.

Several of our subscribers have mentioned sending these clubs as Christmas gifts, and we agree with them that this will be a good idea. One lady is sending the Abilene Morning News to her father, who lives near that city, and at the same time renewing her own subscription to the Index.

Naturally, when you make use of such club rates, your Index subscription is marked up from the expiration date which appears on your address label. For instance, Mr. Bert Adams dropped in Saturday and used our club rate with the Lubbock Morning paper.

His subscription to the Index does not expire until January 1936, but we are this week marking it up to January, 1937.

Along with these daily paper rates, we can supply you with all the standard magazines, including the McCall's Ladies Home Journal, Redbook, Silver Screen, Pathfinder, etc., at a remarkable saving. A year's subscription to any of these magazines would make a splendid Christmas gift for most any woman. Come in and inquire about them.

We can offer you the following rates:  
Fort Worth Star-Telegram and Index \$5.00  
Including Sunday, add \$1.00 \$6.00  
Abilene Morning News and Index \$4.65  
Lubbock Morning Avalanche and Index \$4.65  
Semi-weekly Farm News and Index \$1.50

(Note: In a previous list this price was stated incorrectly at one dollar, and two subscriptions were taken before the error was caught. Please note this corrected price.)

The Index office is equipped with reception books and mailing cards, for convenience of our readers who wish to take advantage of these offers. Permit us to explain that the Index is supposed to collect a commission on each subscription, but instead of doing this we are giving our readers the benefit of this amount, and including the Index in the price. So if you want to read your hometown paper and your favorite daily for the price of the daily itself, subscribe at the club rates which are now offered. We will send you the Index and any other paper to another address if you prefer. It that way, or you can have the daily sent to yourself and the Index to someone else, just as you see fit.

But these rates will not be in force permanently, so take advantage of them while you can.

## Church Year Is To Close This Week

Bishop Hiram A. Boaz of Fort Worth is to Preside in Sessions; Plainview Plans to Entertain Visitors

Local Methodists will turn their eyes toward Plainview this week when the annual Northwest Texas conference of the Methodist church opens its sessions Wednesday.

Besides the 28 pastors from this district, with retired ministers, there will be some 13 official lay delegates and five alternates. These were chosen at the last district conference.

Delegates will be: O. H. Cline, J. A. Griggs, Lubbock; Mrs. Ed A. Tharp, Brownfield; B. M. Haymes, O'Donnell; J. M. Story, Plains; S. L. Forrest, Lamesa; C. L. Edmondson, Seagraves; L. N. Moore, Meador; C. A. Sanford, Lubbock; J. R. Terrell, Lorenzo; Mrs. W. E. Peterson, Shallowater; W. B. Toone, Brownfield; Rufus Scarborough, Lubbock. Alternates are: R. A. Sims, Brownfield; W. E. Suddarth, Tahoka; Mrs. L. N. Lipscomb, Lubbock; C. A. Duncan, Brownfield; J. F. Courtney, Idalou.

Bishop Hiram Abiff Boaz, Fort Worth, will preside. It will be his sixth consecutive conference in the area.

Thursday morning, November 14, Rev. Cal C. Wright, Colorado, will call the roll as conference secretary. Officers will then be named, including a secretary and the necessary number of assistants. Committees will be named and following will come the usual grind of board reports, conference reports, district reports and church activities.

In the conference there are some 210 ministers, serving 437 congregations. Around 200 laymen are expected to attend, besides a large group of visitors.

Plainview is preparing to care for some 500 out of town people. The Harvard plan will be used. Plainview hosts furnishing food and breakfast. Many from other churches are opening their homes to visitors.

Rev. George W. Montgomery and Mrs. Montgomery have served the O'Donnell charge for the past two years. As pastoral appointments are made by the local church will not know the bishop during the annual conference until Sunday night whether they will return for another year, or whether a new family will be sent.

## A Tax Payer Wants To Know

Has the Board of Education of the O'Donnell Independent School district made any effort to adjust the bonded indebtedness of the district so that taxes can be paid?

THE MAN WHO PAYS THE BILL  
Wants to know why it has been possible for the City of O'Donnell to reduce its bonded indebtedness by approximately fifty per cent, and why the school bonds cannot be reduced in like manner?

This tax payer pays taxes in several school districts, and those he pays in the O'Donnell District are by far the highest in the lot.

THE BILL PAYER  
Wants to know why the school board hasn't done something to adjust this matter?

(Editor's Note: This article was brought to us by one of our subscribers and one of the largest tax payers in the school district, with the request that it be published this week. The same space or as much space as is necessary, will be given to other readers who wish to express their opinions on matters of public interest, and especially to those who wish to explain the school debt situation to tax payers of the district.)

## 12,609 Bales Of Cotton To Nov. 1st

Cotton census reports show that there were 12,609 bales of cotton ginned in Lynn county from the crop of 1935 prior to November 1 as compared with 12,285 bales ginned to November 1, crop of 1934.

E. W. Holloway, Special Agent, Mmes. C. H. Mansell and Carey Shook were in Lubbock on business Wednesday.

Reports from Lubbock Sanitarium are that Dr. O. H. Shepard is recovering nicely from a complication of appendicitis and pneumonia. He has been in the hospital since Monday last week. Physicians deemed it best not to operate for removal of the appendix just at present.

## Local Stores Receiving Christmas Supplies

Local merchants are daily receiving shipments of Christmas supplies, and for the most part, are placing them on display at once. All indications are that O'Donnell people will be able to check every name on their Christmas lists without leaving town at all.

At Thornhill's Variety, the Christmas Lay-Away plan has already gone into effect, purchasers being able to make their selections, pay a small deposit, and be sure that their gifts will be put away until Christmas, and can pay for them between now and then as convenient. Miss Florence Gray, manager, and the proprietor, Mrs. W. H. Thornhill have made careful selections in their buying this fall, and have a most complete line of toys and novelties, ready-to-wear, and household articles, useful as well as ornamental.

At Davis Drug the display of articles in non-tarnishable antimony is an elaborate one, and the varieties of novelty lamps, smoking stands, etc., is one which would be a credit to any store anywhere. Mr. Davis has made a number of marketing trips, accompanied on several by Mr. DeWitt Knox of the sales force, and the array of gift goods speaks well for their taste.

B. J. Boyd at the Corner Drug recently made a trip to Dallas to lay in Christmas supplies, and the results of the trip can best be judged by looking over the splendid line of gift selections.

These three stores head the list in our trips around the square this week and other stores will be mentioned from time to time during the next few weeks as your reporter makes the rounds.

BUT, we can already see, folks, that our home town merchants will have more Christmas things than our family will have money to buy, so we are planning no shopping expeditions at all this year. In this connection, permit us to again deliver a short sermon on our current text: Patronize your hometown merchants. These men let us have things on credit when times are hard, and at all times sell to us at the lowest price they can, so let's show our appreciation by trading at home.

**Sale of Buddy Poppies Exceeds Expectations**

The annual sale of Buddy Poppies, conducted on Saturday by the Ladies Auxiliary of the Fern Allen Post of the American Legion, far exceeded previous sales for the past several years, states Mrs. Grady Gant, president of the organization, and was far beyond the expectations of the committee.

Using past sales as a basis, official had ordered only 200 poppies for the sale here, and these were sold before the middle of the afternoon. The little girls who were acting as sales ladies went out and gathered up several dozen flowers which had already been sold and secured to sell them again. All committees had not reported as this is being written Saturday afternoon, but it is believed that proceeds will amount to well over \$200.

Mrs. Gant and other officers are highly elated over the response to the sale, and wish to extend their thanks to those who so generously helped to make it a success.

## Uncle Tom Smith Is Buried at Gail Tuesday

Of interest to many of our readers is news of the death of Uncle Tom Smith, father of John L. Bud, Ned Smith, who live east of town. Funeral services were conducted at Gail Tuesday, and interment was made in the cemetery there.

Mr. Smith has been an invalid for several years, suffering from cancer of the stomach. He had been at Little Rock for the past three or four months for treatment, but was growing worse rapidly. The family sent an ambulance from Snyder to bring him home, but he was so much worse that they stopped in Snyder and left him in a hospital there, where death came at an early hour Monday.

While he had not been able to be up or to be in town much, Mr. Smith had many acquaintances and friends, and it is believed that many will grieve with the family in his death.

The Inde joins with them in extending sympathy to the bereaved family.

Mr. and Mrs. C. E. Ray were in Lubbock on business Tuesday.

Howard Scott here with friends.

**BRIDGE PARTY HONORS HOUSE GUEST**

Honoring her mother-in-law, Mrs. R. A. Farrington of Alba, Mrs. Ferrell Farrington was hostess Friday afternoon to a few friends at an informal bridge and tea.

Thanksgiving decorations and appointments were used, with bowls of roses on the mantel and a tall vase of ferns adding a note of color to the living room.

At bridge, Mrs. C. C. Caldwell won high score, and was given a Vantine incense burner. Mrs. Farrington was presented with an oil painting as guest prize, and consolation went to Mrs. C. C. Betty.

Pumpkin pie topped with whipped cream and coffee were served to Misses J. E. Garland of Lamesa, J. Mac Noble Jr., DeWitt Knox, Fred Henderson, C. C. Betty, Marshall Whitsett, and C. C. Caldwell, and to the guest of honor. Tea guests were Misses C. E. Ray and Fay Westmoreland.

**MRS. MIDDLETON HOSTESS TO T. E. L. CLASS**

The regular meeting of the T. E. L. class of the First Baptist Sunday school was held last Friday afternoon at the home of Mrs. J. T. Middleton.

After a social hour of games and contests, refreshments of pumpkin pie topped with whipped cream, and hot chocolate were served to Misses J. W. McDonald, John Earles, Pearce, Foster, Blocker, Loper, Vermillion, Warren, Preston, Harris, and the hostess.

**CONGRESSMAN MAHON NOW IN PHILIPPINE ISLANDS**

According to word received in his Washington office, Congressman Geo. Mahon feels that he is having an unusually profitable trip to the Far East. He arrived in Manila on November 8th with the official United States delegation attending the celebration of the opening of independence for the Philippine Islands. Mr. Mahon is making the trip at the request of President Roosevelt because of his membership on the Insular Affairs Committee of the House.

The trip is giving him a first hand picture of industrial conditions of the Orient. He is particularly interested in studying and observing conditions in the cotton and textile industries and the relationship of these industries to trade between the United States and the countries of the Far East. He feels that the future of the cotton industry, and correspondingly the economic well-being of West Texas and the entire South, depends to a large extent upon world trade and foreign markets, and that developments in the Far East will be focal points of interest in this problem in the next decade. The trade relations and tariff agreements between the United States and the Philippine Islands will have a different aspect after their independence actually begins and this alone constitutes an important problem that must be worked out by Congress.

The trip has afforded Mr. Mahon an opportunity to become more intimately acquainted with such outstanding leaders of Congress as Vice-President Garner and Senator Connally of Texas and Representative Joseph R. Byrnes of Tennessee who is speaker of the House.

The Congressman will return to his home in Colorado on December 20. He will spend the time before Congress convenes again on January 3 making contacts throughout the District. His office in Washington is being kept open by Lloyd Croslin, his secretary, who invites the people of the district to contact him when they feel there is any opportunity for the office to cooperate with them.

**INDEX BARGAIN OFFERS STILL IN FORCE**

The number of inquiries concerning the newspaper bargains as listed in the Index last week have been most gratifying to date. And while there have been scores of our readers who do not yet have the spare money to take advantage of these offers, they have asked how long they will continue. We have talked personally with a number of these, and hereby publicly state that these bargain offers will be in force for several days yet. By using our publishers' discount, we are enabled to offer to our readers several club bargains combining the Index and four dailies in a most attractive price.

In case you have misplaced your price list as we published it last week here they are again:

**LYNN COUNTY FARMERS FAVOR CORN-HOG PROGRAM**

Final tabulations from the office of County Agent V. F. Jones revealed that Lynn county farmers, particularly corn and hog raisers, voted more than three to one for a continuation of the Corn-Hog program as carried out by the A.A.A. during the past two years. Lynn county's vote, states Mr. Jones, was 186 for and 50 against continuing the program.

Corn-Hog contract signers last year and all farmers who have raised either during the current year were eligible to vote in the nation-wide election held two weeks ago. Mr. Jones says, however, that practically all the voters were those men who had previously signed contracts, there being only four non-signers in the county who voted. Reports from the dailies since that time indicate that a large majority of farmers in each state likewise favor a continuation of the program, the heaviest voting, of course, being in the Middle Western States, or the real corn and hog belt.

Mr. Jones states that it is likely that the new contracts will be for a period of four years rather than from year to year as heretofore.

Messrs. Earl Curtis and Dick Tune were here Monday for the football game. Both former O'Donnell residents are now living at Lamesa.

Little Miss Peggy Beach was quite ill most of last week with an attack of flu. We are glad to know that she is somewhat improved today.

J. Mac Noble Jr. and family.

C. L. Davis made a business trip to Lamesa Wednesday.

Mrs. J. E. Garland of Lamesa spent Friday here with her daughter, Mrs.

Mr. and Mrs. C. C. Betty are in Jalisco, New Mexico on business this week.
