GRINDING
Is our business, and we certainly
believe in tending to it. For this
reason, our work is always
satisfactory and our feeds
always the best.
We have at all times freshly
ground corn meal. Try some of
it next time, and you'll always
be a customer.
We buy maize and wheat. See
us before you sell.
**JOHN A. MINOR

Healthy: "Don't you think that sea
travel is broadening?"
Seaside: "I'll say! It's bringing out
things I never knew I had in me."

"Bobbie, you seem very fond of
the druggist's little boy. Why is it?"
"He can get all the pills he wants
for our ailments."

We wonder if it's a good omen,
that 1932 rhymes with blue but 1933
rhymes with prosperity.

In SOCIETY

**Miss Stephens and
Dick Tune Wed**

A pretty ceremony solemnized
Sunday at the Methodist parsonage
at Lovington, N. M., united Miss
Lou Stephens and Dick Tune in
marriage. Oil D. Harris, who com-
panied the couple was the only wit-
ness.

After a short motor trip, Mr. and
Mrs. Tune returned to O'Donnell,
and are now Mr. home in their apart-
ment in the John Earles residence.

Mrs. Tune is the daughter of Mr.
and Mrs. George L. Stephens, prom-
inent in this and Borden counties for
more than nine years. She has been
one of the most popular young ladies
in her community since she came
from school in Snyder two years ago
and is admired and esteemed by a
wide circle of friends.

The groom is personally acquaint-
ed with practically every resident
in the O'Donnell territory, having
lived here for a number of years with
his parents, Mr. and Mrs. T. R. Tune.

Since his graduation from the local
high school, he has had charge of the
meat department of the B & O Cash
store. His association with the public
has won scores of friends.

The Index joins with the commu-
nity in extending hearty congratula-
tions and best wishes to these fine
young people.

**Former O'Donnell Girl
Married At Big Spring**

Miss Ina D. Everett, daughter of
Mr. and Mrs. Harvey Everett and
Wink and grand-daughter of Mr.
and Mrs. J. Y. Everett, was married
Sunday evening to Mr. L. W. Smith
the ring ceremony being read by the
groom's father in the altar of the
East Fourth Baptist church at Big
Spring.

The candle-lit church, with the altar
banked with masses of greenery
and blooming plants, formed an im-
pressive setting for the simple and
impressive ceremony. Pre-nuptial
songs were rendered by a sister of
the groom, while another sister play-
ed the Bridal Chorus as processional
and the Wedding March as recessional.
The wedding party was preceded
by a tiny relative of the groom, light-
ing the way to the altar with two
tapers. Following her were two little
girls, dressed in bouffant frocks of
pink and blue organdy, carrying the
pillow on which the couple knelt to
receive the benediction.

Miss Walter Connell, godmother of
the bride, was matron of honor. Mrs.
Naymon Everett was junior mat-
ron with three intimate friends of
the bride. Miss Beverly Walls of
Lamesa was maid of honor, and Miss
Alice Joy Bowlin was bridesmaid.
All members of the wedding party
wore ankle length organdie frocks
in rainbow color.

The bride, who entered with and
was given in marriage by her brother
J. Y. Everett, Jr., wore white satin
made princess style, with train of
satin inset with lace. Her flowers
were bride's roses showered with val-
ley lilies.

Immediately after the ceremony,
an informal reception was held at
the home of the groom's parents.

For her traveling gown, Mrs. Smith
chose beige sheer crepe suit banded
with fox fur, to be worn with white
and white accessories. As she de-
scended the stairs, she followed the
tradition of throwing her bouquet,
which was caught by Miss Bowlin.

After a motor trip to Chicago, Mr.
and Mrs. Smith will be at home at
Big Spring.

**Engagement Is
Announced at Lamesa**

Announcement has been made at
Lamesa of the engagement and ap-
proaching marriage of Miss Arlene
Conkline and Manuel Medley of Santa
Rosa, N. M., the marriage to take
place this week in Lamesa.

Mr. Medley was formerly employ-
ed at Whitsett Drug store, and both
young people have many friends who
extend best wishes for their happi-
ness.

**Shower Wednesday
For Mrs. Pugh**

Mrs. Joe Pugh, who before her re-
cent marriage was Miss Oleta Mc-
Carley, was honored last Wednesday
afternoon when friends surprised her
with a miscellaneous shower at the
home of Mrs. McConal.

At the end of games and contests
Misses Billie B. McConal and Leona
Holman brought a telegram to the
bride, announcing the arrival of a
package for her. This package proved
to contain a number of lovely and
appropriate gifts, which were much
appreciated by the honoree.

McCarley: Misses Kimmie Lee Pearce
Bennie McCarley, Grace Hasley, Mo-
dene McLaurin, Leona Holman, Bea-
trice James, Nina Paulk, Margaret
Miller, Mildred Goddard, Treva
Payne, Bernice Johnson and Connie
McConal.

**Slumber Party is
Enjoyed Wednesday**

Misses Foy and Flavil Heathington
were hostesses last Wednesday
evening when they entertained a few
friends at a slumber party at the
home of their parents, Mr. and Mrs.
W. R. Heathington.

Games and music were enjoyed
until midnight when ice cream and
cake were served. Ghost stories and
stunts completed the night's fun.

**Y. W. A. Elects Officers
At Social Monday**

Young ladies of the Baptist church
were guests Monday afternoon of the
W. M. S. at a pleasant social hour
during which time a Y. W. A. was
organized.

Officers were elected as follows:
President, Ruth Marie Howard; vice
president, Verma Mae Anderson; sec-
retary, Iva Dimple Hancock; treas-
urer, Wynona Huff.

The first program will be render-
ed Monday afternoon at four o'clock
at the church. All the girls of the
church are urged to be present, and
others who are not already enrolled
in a similar organization will be
heartily welcomed. Plans are now
being discussed for the group to at-
tend the Y. W. A. houseparty to be
held at Wayland College in the near
future.

**Picnic Pleasant Event
Tuesday Evening**

(Intended for Last Week)

Meeting at the home of Miss Alice
Busby, a gay crowd of young people
enjoyed a delightful picnic and out-
ing Tuesday evening. T.J.F. lake was
selected as the most suitable spot, and
here a bountiful picnic supper
was served.

To complete the evening, a session
of the honorable Kangaroo Court
was held. Judge Randall Gibson pre-
sided, and a gay crowd of young peo-
ple of the court against one Jimmy Mil-
lwee, on a charge of falling to be
a hero. Charles Cathey and Ralph
Beach were counsel for the state and
Wynona Huff and Claxton for the de-
fense.

The state brought out in testimony
from the witness stand that the ac-
cused had signally failed to rally to
the defense of his partner of the
evening when the crowd tossed her
on a blanket, and asked the heaviest
penalty-as punishment. He was found
guilty, sentenced, and made to pay
the penalty then and there.

**PLEA IS SOUNDED
FOR A WOUND FOURTH**

Austin, June 29.—On July Fourth
Texans will celebrate the One Hun-
dred and Fifty-seventh Anniversary
of our National Independence. Thou-
sands of people will lay aside their
business cares and in various ways
celebrate the occasion. The Texas
State Department of Health believes
in this observance but desires that
it be as free from accidents as pos-
sible and have issued a warning in
this connection.

Perhaps it is asking too much of
"Young America" to insist that the
use of blank cartridges, firecrackers
and other dangerous noise makers
be dispensed with, but certainly their
use should be indulged in with great
caution. If an accident should hap-
pen with any of the above articles,
the first thought should be of lock-
jaw or tetanus. Every wound should
be cleaned thoroughly and all foreign
matter removed. Every puncture
or lacerated wound should re-
ceive prompt attention. A doctor
should be consulted at once. Tenu-
ous antitoxin administered if nec-
essary. The use of this serum is a
preventative of lockjaw. Care should
also be use in case of burns.

If swimming is to be a part of
the day's activities, care should be
taken to select a safe place. Of course
pools that have guards are the safe-
est places, but unprotected places
will claim their number of bathers
and those that cannot swim should
be very careful and not venture be-
yond their depth. In case of acci-
dental drowning, artificial respiration
should be started at once and con-
tinued until medical assistance ar-
rives.

According to the vital statistics
records automobile accidents always
show an increase on holidays as

there are more people on the road
on those days. Care should be used
in driving; keep on your side of the
road, give the other fellow a little
more than half the road, have lights
tested and inspect your brakes. If
every one would drive carefully and
practice common courtesy a large
number of accidents and deaths
would be avoided.

**MIDLAND GIVEN A SPECIAL
DAY AT CHICAGO'S FAIR**

Midland, June 24.—July 6 will be
"Midland Day" at the Chicago
World's Fair! Midland will be the
smallest city in the world to be ac-
corded the honor of having a special

day designated, according to Roy A.
O'Neal of the events division of the
fair.

The Century of Progress official
wrote the Midland chamber of com-
merce that ordinarily only cities of
250,000 people or more were honor-
ed with special days. Midland has
fewer than 5,000 people and the hon-
or was given Midland on request of
the Midland chamber of commerce as
a publicity feature.

Customer: "Have you a book called
'Man, the Master of Women?'"
Hardboiled Salesgirl: "Fiction de-
parted the other side, sir."

Miss Oleta Moore returned Sun-
day from Lubbock where she had
been visiting relatives and friends.

The Apostolic revival, which has been conducted for the past several days under the direction of Bro. Bill Brewer, is still in progress here, and is drawing a nice attendance. There have been a number of conversions, and much interest is being taken.
Plans announced to us this week unofficially, are that the meeting is to close Sunday evening, unless further announcements are made. The evangelist and others in charge extend a cordial invitation to the public to attend.
(Note: It was stated last week that Bro. Brewer was conducting a Pentecostal revival, which was a mistake, as he is of the Apostolic faith. We sincerely regret the error.)

EVERY TEXAN INTERESTED IN TEXAS' INDUSTRIAL DEVELOPMENT

Every Texan has a selfish as well as patriotic interest in the industrial development of his home state. No

other forward step means so much economically to Texas citizens, no other development will have more to do with the upbuilding of Texas as a whole.

The farmer will profit from it in the way of better markets. The retailer will advantage from it in the way of more customers and more stable economic conditions. The wholesaler will benefit from the aid to his retail outlets. The professional man will have more clients. Even the manufacturers already here will secure the advantages accruing from more people, more industrial workers more of the "value added by manufacture" staying in Texas to the tremendous increase of the State's spendable income.

Compare the 136,000 industrial wage earners of Texas with the 1,700,000 of New England—relatively of the same size and population. Compare the \$131,000,000 annual industrial payroll of Texas with the \$1,100,000,000 pay roll of New England and think what it would mean to every Texan if the Texas payroll were increased by a billion dollars, its industrial wage earners increased by a million wage-earners.

Texas has the raw materials, the fuels, the transportation, the power, the markets—12,000,000 people are in its possible trade area. It has the ports for foreign business, it has at its door below the Rio Grande a potential and growing market that should be supplied by Texas manufacturers. The more rapid our industrial development and the sooner our ability to supply these and our own increasing demands, the more certain that Texas will dominate this new market by its nearness and its accessibility to existing transportation lines.

Encouraging Texas industry by Texas citizens is a tremendous aid in the accomplishment of such an important objective. Every Texan can think about it."
