Paula Sherrill, daughter of Mr. and Mrs. Gus Sherrill, is ill in Methodist hospital.

Mrs. Nancy Mott is ill in the Lubbock hospital.

LITTLE LEAGUE OPENS HERE MAY 1st

Spring training is underway in the O'Donnell Little League. According to League President, B. B. Vestal, there were 93 boys registered for L. L. play. All of the boys registered will have an opportunity to play ball. There will be four major teams and two minors. The majors are:

Braves — Sponsored by Line's Grocery and Cleo Smith Lumber Co. Managed by Odie Line and E. E. Bates.

Cubs — Sponsored by Woolam Co. Managed by Hal Singleton and Bill Dorman.

Giants — Sponsored by Wells Co. Managed by We'don Hancock and Ken Pearson.

Yankees — Sponsored by Mansell Bros. and Dr. Noble Rumbo. Managed by Wayne Mott and Roger Doss.

Minors are —

Red Sox — Managed by Hal Singleton and Oscar Farlow.

Cards — Managed by Homer Hardberger and G. W. Jones.

Preparation is being made for a parade and program on opening day, Monday, May 1st at 5 p. m. with a double header ball game kicking off the season. There will be a 20 game season divided in half with 10 games in each half. The winner of the first half will play the winner of the second half a 3 game series to determine the champion at close of the season on July 6th.

O'DONNELL INDEX PRESS

39th year, no. 33 O'DONNELL, LYNN COUNTY, TEXAS, Wed. April 19, 1961 \$2 And \$2.50 Per Year

Paving Plans Given By City

The approval of the street improvement bonds in the recent election provided the City with funds to proceed with a street improvement and development program. A total of \$40,000 was included in the bond issue for this purpose with approximately \$15,000 to be used for repair and seal coating of existing streets and \$25,000 to be used to pay the City's share of the cost of approximately 40 blocks of new street paving.

The new street paving will consist of a six inch caliche base course, a triple asphalt surface treatment with a concrete curb and gutter on each side. Present streets were constructed with a 6 inch base course and a double asphalt surface treatment without curb and gutter. The curb and gutter serves a number of purposes, principally it improves the drainage, reduces the cost of future maintenance, facilitates street sweeping operations and of course, improves the appearance of the street.

Preliminary engineering has indicated that it will be necessary to pave Hohn Street from 5th to 9th St. from Hohn to Small, and Small st. from 7th to 10th in order to improve drainage in and around the downtown area. These streets total ten blocks. Detailed engineering studies could possibly vary the above streets.

The remaining thirty blocks to be included in the program will be those streets on which a majority of the abutting property owners have indicated a desire to pave and who are willing to pay their share of the cost of paving. At present the Council has not decided on the method to be used for the property owners to indicate their desire to pave. Several methods are under study among them being:

1. By petition in which some interested property owner could pick up a petition form at the City Hall and secure the signatures of those property owners on his street who desire paving.
2. By letting a civic club circulate petitions and securing the signatures of those people desiring paving.
3. By mailing out cards or letters to each property owner with return cards for the property owners to indicate their desire and
4. By placing a map at City Hall and let interested property owners come by City Hall.

It is not the intent of the Council to force paving on anyone but to make available the means for paving those streets on which a majority of the property owners want the paving.

State law requires that the City pay at least 10 percent of the cost of street improvements in an assessment program such as planned in the City, exclusive of the cost of the abutting curb and gutter. The cost of the remaining 90 percent, including the full cost of the abutting curb and gutter, may be assessed to the abutting property owner. State law also provides that such assessment against a homestead is not collectible unless the property owner voluntarily agrees to the assessment.

Present cost of pavement indicates the improvements may cost between \$3.75 to \$4.25 per foot to the abutting property owners. Payment of the assessment may be made in four payments, one upon completion of the work and three annual payments with the unpaid principal bearing interest at 7.5 percent. The cost may also be paid in full upon completion of the paving.

On those streets which are presently paved and a majority of the property owners indicate a desire to improve the street, as much of the existing base course will be salvaged as possible in order to reduce cost. The amount to be salvaged will depend on whether the existing paving will fit in with the drainage scheme. Due to the time required to meet legal requirements, the assessment program paving could not be started and completed this year. Therefore it is anticipated that bids will be received this fall and the contract allowed to install the curb and gutter and base course during the winter with the surface course being constructed next spring.

The new paving program needs to be developed quickly so that those existing paved streets, which will not be included in the new paving program may be designated for repair and seal coating this summer. Existing paved streets, which will be improved, will be temporarily repaired.

Mr. and Mrs. Stanley Elliott visited her parents at Ropes Sunday afternoon.

Mr. and Mrs. Claude Morris Jr. and Martha Ann of Big Spring visited his father here Sunday.

Mr. and Mrs. Lee Christenberry of Lubbock visited her sister Mr. and Mrs. Wes Caswell Sunday.

Mr. and Mrs. J. D. Stewart and family accompanied Mrs. Shack Blocker to DeKalb and to Sulphur Springs to visit relatives.

Will Smylie of Houston, Jim Smylie of Henderson and Mr. and Mrs. L. W. Kiker of Plainview visited in the home of Mrs. Willie Smylie over the week end.

Mr. and Mrs. Orval Evans visited relatives in Tahoka Sunday.

Alton Sublett and family of Odessa visited his sister Mr. and Mrs. Glen Gibson here Saturday and they visited their parents at Paducah over the week end.

FOLKS YOU KNOW

Weldon Martin attended a state sinners convention in Dallas last week.

Mr. and Mrs. F. G. Brown and family visited relatives in Wilson Sunday. Guests in their home Saturday night were Mr. and Mrs. E. M. Macon.

Carolyn York has the chicken pox.

Mr. and Mrs. Harold Hall and children of Brownfield and Mr. and Mrs. Bobby McGlaun and children of Tahoka visited their parents Mr. and Mrs. Cleon Eason over the week end.

The local MYP group attended an area MYP meeting Sunday night at Lubbock.

Jeff Shook filled the pulpit Sunday night at Draw Methodist Church.

Mr. and Mrs. H. R. Stinson of Big Spring visited her parents Mr. and Mrs. E. A. Wright Sunday.

Warren Smither, president of the O'Donnell PTA, Mrs. Ivan Line, vice president, Mrs. S. M. Clayton Jr., program chairman and the membership chairman, Mrs. Kenneth Pearson attended a PTA officers training school at Lubbock Tuesday.

Honor Roll

Following is the Junior High honor roll for the fifth six weeks:

5th grade — A roll — Gary Bates.

B roll — Mary Jane Finch, Mike Emerson, Henry Casarez, Mary Ann Richardson, Jim Williams, Janey Santos.

6th grade A roll — LaNita Wood, Virginia Cook, Paula Beach, Roland Barrera, Susie Bairrington, Bonny Jordan, Kerry Van Barnes, Tonia Becham.

B roll — Casey Bounds, Randy Tucker, Kenneth Vestal, Donna Moore, Cathy Franklin, Johnny Dempsey, Carrie Line, Carmen Luna, Jo Ella Askew, Janice Jordan, Suzanne Morrison, Terri Lu Taylor.

7th grade — B roll — Donna Autry, Clara Autry, Donny Seay, Denzal Smith, Mark Ballew, Larry Emerson, Katie Garrett, Harold Bessire, Mike Barnes.

8th grade A roll — Gay Lynn Harris, B roll — Carolyn Simmons, Elaine Clayton, Tim Freer, Derryl Greenlee, Brenda Parker, Sarah Thompson, Sharon Waldrup.

Following is attendance of grades in percentage —

7A, 98.5, 7 B, 95.7, 8 B, 94.8, 6A, 94.5, 6B, 94.3, 5B, 94, 5A, 92.8, 5A, 90.6

MESQUITE - BERRY FLAT NEWS

Mrs. Jerald Edwards visited her parents, Mr. and Mrs. Oscar Telchik last week.

Mr. and Mrs. Junior Rhea and boys are new residents of our community.

Mr. and Mrs. Glenn Kingston and son visited here Sunday.

Mr. and Mrs. Boots Turner visited in Abilene over the week end.

The Borden County Boy Scouts held their Court of Honor and banquet. Badges were awarded to —

Eagle Scouts — Wayne Cooley and Steve Dennis.

Star — Joe Cooley

2nd Class — Tony Isaacs and Don Nunnally.

Tenderfoot — Blaine Turner and Dale Kite

Merit Badges — Steve Dennis, Wayne and Joe Cooley, Bill Nunnally and Brant Payne.

Mr. and Mrs. John Stephens, Steve and Pam visited in Lamesa Sunday.

Mrs. Isaac Ledbetter visited in the home of her sister, Mrs. Hilmer Holmes at Snyder Sunday.

Mr. and Mrs. Bill Williams entertained relatives from Seminole in their home last week.

Mr. and Mrs. E. L. Farmer and children visited her parents Mr. and Mrs. Frank Miller at Gail Sunday.

Mr. and Mrs. Bill Riddle, formerly of here, visited with family and friends here last week.

Speaks At Rotary

The O'Donnell Rotary Club met Tuesday with visiting Rotarians being J. D. McPhaul of Lamesa and Clint Walker and Charles Bragg of Tahoka. Mr. Cassey of the Highway Department of Lubbock was the guest. Glenn Norris and Robert Marcom were student guests. B. B. Vestal told of plans for the coming Little League season. Hugh Lott is program chairman.

IMMUNIZATIONS WILL WIPE OUT DIPHTHERIA

Diphtheria managed to strike down 95 young Texans in Jan. and Feb., State Health Department records show, despite the fact that measures for controlling it are well-known and effective.

The 1960 toll reached 239. That's 76 cases above the 5-year median, and 63 cases more than were reported during the previous year.

While worrisome to state and local health officials, the 1960 figure is by no means a record, even in recent years, but it is highly significant when individual cases are studied: 164 of the victims had had no immunizing shots whatever and 38 had been inadequately immunized. Only 16 had received the full course of protective shots. Therein lies a basic truth concerning communicable diseases and their control; outbreaks are products of neglected immunizations.

Is diphtheria dangerous? Certain types can be quickly lethal. In some epidemics the death rate may reach as high as 12 percent but it is more hominously two to five percent.

Chamber of Commerce Has Important Meet Set

Monday night is the regular monthly meeting of the O'Donnell Community Chamber of Commerce. The meeting will be at 8 p. m. at the Community House. A number of important subjects will be discussed led by Wayland Taylor, president of the group. Interest is high and the directors are working hard to place a number of projects before the community. All ladies and men are urged to attend. This group is to make Big O a better town. Let us support this group with our time and interest.

SENIOR PLAY GIVEN

The senior play was presented Friday night in the O'Donnell High School Auditorium. The play, "The Roaring Twenties" was enjoyed by a large crowd. The three act play had a cast of 14 seniors. Mrs. Barbara White entertained the audience with a "Charleston" which re-presented the spirit of the play.

SENIORS GIVE SCHOOL A GIFT

Friday morning in an assembly the Senior class of '61 presented their present to the O'Donnell School System. Miss Jo Ann Lacy, class president, presented Supt. John Criner with the keys to a set of glass doors in the front entrance of the High School building.

STEVENS IS NEW SCHOOL GUIDANCE MAN

Ike Stevens has joined the Lynn County staff to assist Mr. Nelson as supervisor of Student Guidance. The county has been eligible for two supervisors but most applicants could not qualify. Mr. Stevens has a B. S. Degree from Mississippi Southern College and a M. A. Degree from Mississippi U. He has served as a teacher, principal and junior college teacher in Southern schools. He resigned a position in the Jacksonville, Florida schools to accept the position in Lynn Co.

Mr. Stevens will serve the four Lynn County schools — Tahoka, O'Donnell, Wilson and New Home.

SHOWS STUDY CLUB FILMS OF RUSSIA

The 1946 Study Club met April 12th at 3:30 p. m. in the home of Mrs. Harvey Line with Mrs. Ralph Knight as co-hostess.

The Club was honored to have for this meeting Sam Richardson of Lamesa. He showed slides of his recent trip thru the Ukraine area of Russia. A discussion period followed and was enjoyed by all. Refreshments were served to 14 members and the guest.

Regional Track Saturday

After winning second place in district track meet, the Eagles will have a number of men in the regional track meet at Lubbock Saturday. Entered are —

The two crack relay teams — 440 relay team of Lopez, Amaro, Jordan and Lavender, and the mile relay of Amaro, Jordan, Lavender and Harris. Lavender and Harris will also be in dash events and Aldridge will be in shot and discus and White in discus and high jump.

For rent — 4 rooms and bath, call Mrs. M. E. Herman at 3314 in Lamesa, Tex.

ON DEAN'S HONOR ROLL

Miss Iris Prescott, daughter of Mr. and Mrs. C. M. Prescott of O'Donnell, was one of the 14 Lubbock Christian College students who qualified for the Dean's Honor Roll for the first nine weeks of the Spring Semester.

Miss Prescott, a sophomore at LCC, had a grade point average of 2.7.

UNEMPLOYMENT BENEFITS ARE EXTENDED FOR AREA

Following intensive training programs in Austin and in District offices throughout Texas, the office of the Texas Employment Commission has announced it will be ready to accept claims from workers who have exhausted their unemployment insurance benefits after June 30, 1960 and who may be eligible to file for extended benefits under a new program which will become effective in Texas April 12.

All workers, including those covered under Texas law and out of state claimants who may have filed against other states, including servicemen and federal employees, may be eligible for additional benefits equal to one half the amount which they received or were entitled to receive before they exhausted their benefit rights.

LOCAL BABY IN SCOTTISH RITE HOSPITAL

Richard Youngblood, 20 month old son of Mr. and Mrs. Joe Youngblood of O'Donnell was admitted on Wednesday, April 5th to the Scottish Rite Hospital for Crippled Children in Dallas, 27 years ago. Scottish Rite Masons founded the hospital, dedicated to an effort to provide a chance at a normal life for the handicapped child. Since 1925, more than 130,000 children have been admitted for treatment to the hospital which is supported by public contributions and bequests.

ELECTRIC DRYING PAMPERS YOUR CLOTHES

You know it's safe because it's FLAMELESS. You'll like the way your clothes look and feel when they come from your electric dryer. Clean, flameless electric heat pampers your clothes—dries them soft, fluffy and sweet-smelling—never fades colors. And drying temperatures are so precisely-controlled that you can safely dry even the most delicate fabrics. Electric clothes drying pampers you, too. Saves you all the wearisome drudgery of clothesline drying. See your electric appliance dealer soon for a flameless electric clothes dryer that will help you Live Better . . . Electrically.

TEXAS ELECTRIC SERVICE COMPANY

Why is the Ford Galaxie head and shoulders above all the imitators?

And Galaxie, like all Fords, is available with the Thunderbird 292 V-8 engine. Most wear the low-price V-8 class in this year's Mobilgas Economy Run—averaging 21.3 miles per gallon.

Because it's beautifully built to take care of itself!

We're tickled to see so many other cars on to the styling trend started by Thunderbird. They can't copy that Thunderbird luxury and handling. More, Galaxie is the fine car built to take care of itself! For example, you go 30,000 miles without a lubrication. And when you compare price, you find that Galaxie costs several hundred dollars less than some other cars that give you less. Challenging statement? We're here to prove it—today.

Here's how the '61 Ford takes care of itself:
Lubricates itself—You go 30,000 miles between chassis lubrications (which cost only \$4.00 and take about 20 minutes).
Cleans its own oil—You go 4,000 miles between oil changes with Ford's Full-Flow oil filter (which filters better through filters).
Adjusts its own brakes—New Truck Size brakes adjust themselves—automatically.
Guards its own muffler—Ford mufflers are double-wrapped and aluminumized to last three times as long as ordinary mufflers.
Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.
Takes care of its own finish—Just wash and clean Ford's new Diamond Lustre Finish and it will continue to gleam like new. It never needs waxing.

Galaxie

FORBES MOTOR CO.

O'DONNELL, TEXAS

THIS WEEK IN AUSTIN — By Preston Smith, Senator, 29th Senatorial District

The House revenue and taxation committee, 21 busy men looking for ways to raise Texas' needed funds, appears to be considering some sort of a "tax package."

A "package" containing parts of several different tax plans, is usually one of the logical ways to compromise a large group of conflicting tax ideas.

In spite of action here, and in other parts of the state, the general sales tax has not made much headway, it seems, in the House revenue and taxation committee. There are those who say that if the general sales tax were to be voted on by the committee that the idea would be abandoned once and for all.

Even the most optimistic opponents of sales taxes do not seem to have any comparable solution to Texas tax needs. There is not even a dark horse in the running thus far that can shine as favorably as the general sales tax.

In many parts of the state there are citizen's groups supporting sales tax legislation. I have received petitions from the South Plains. Hundreds of people have sent wires and letters.

The major premise of the committee's "package tax" will probably contain a broad based sales tax of the so-called selective field. That is, a tax pointing toward sales of certain merchandise. The popular items such as gasoline, cigarettes and liquor will be the backbone of the proposal, probably. And because the package will not be as broad, nor as deep, as is needed, it will have to be supported by some other revenue measures.

In other business that affects West Texas:

A recommendation that the Board of Water Engineers be reorganized. Coming from Gov. Daniel, the suggestion is before the Legislature, but the three members of the board each has his own idea about how the reorganization should be accomplished.

FARM STORAGE LOAN PROGRAM MODIFIED

Secretary of Agriculture Orville L. Freeman has taken action to modify down-payment provisions of the farm storage facility loan program, reports the USDA. Purpose of the measure, which the President called for in his message to Congress on farm program proposals, is to encourage storage of grain on farms and strengthen activity in farming areas.

The new provisions will enable farmers to borrow up to 95 percent of the outlay for farm storage facilities which costs 40 cents per bushel, or less to build. Previously, loans on these types of structures were limited to 80 percent of the cost.

—For sale — 5 room house and bath, 2 lots on pavement, See Curtis Brandon 1tp

IN A NUT SHELL —

Herewith is an over simplified sketch of the new farm bill which applies to corn and grain sorghum—

1. If any farmer receives price support for any corn or grain sorghum produced by him he must first reduce his AVERAGE TWO YEAR plantings of the commodities by at least 20 percent. However he may reduce his grain acreage by up to 40 percent of the past two years average.

2. Any farmer complying with this reduction program will be guaranteed price support for part or all of the grain produced on the remaining acres planted to grain sorghum or corn.

3. In addition to the above if the farmer places the acreage taken out of grain production to a soil conservation use, he will receive a cash payment per acre for having done so.

The above main points of the program are simple getting AVERAGE ACRE REPORTS for farms will be quite a chore. Some farms do not have a history due to "skip row" farming which according to Index's idea is the best way to farm to save soil from blowing.
