44th year No. 5 O'Donnell, Lynn County, Texas, Friday, SEPTEMBER 21, 1966 2 and \$2.50 per year

Local Eagles Lose To Seagraves

The Seagraves Eagles opened their quest for the District 5-A crown in Seagraves Friday night by rambling over the O'Donnell Eagles, 36-6.

Seagraves amassed 439 yards, total offense while holding O'Donnell to 114.

Fullback Mike Bagley scored on an 11-yard run in the first quarter but Dennis McKinzie's run for the extra points was stopped. Seagraves widened the gap to 12-0 in the second period on a 1-yard run by halfback Terry Cummings. Clarence Law's pass to Cummings for the extra points failed to connect.

Seagraves scored again in the third quarter, this time on an 8-yard run by Cummings. McKinzie ran the extra points for a 20-0 lead.

O'Donnell got its touchdown on a 1-yard run by quarterback Steve Gary in the third. The run for extra points failed and the score stood at 20-6.

In the final quarter, Law passed to end Tim Blair 22 yards for one touchdown and fullback Mike Swearingen scored another from one yard out. Melvin Francis ran the extra points both times.

O'Donnell Meets Sudan Tonight

O'Donnell Eagles run up against another tough one this Friday when they journey to Sudan to meet the Hornets in a non-conference go. Sudan is undefeated and has beaten both Plains and Seagraves of District 5-A.

The Lynn County Eagles lost to the Gaines County Eagles at Seagraves 36 to 6 in their District 5-A opener.

Seagraves' Fullback Mike Bagley ran 11 yards to score in the first quarter, HB Terry Cummings went one yard in the second, and the half ended 12-0. In the third, Cummings ran 8 yards to score, Dennis McKinzie ran the extra points. O'Donnell's score came in the same period as QB Steve Gary went one yard on a keeper. In the final quarter, End Tim Blair scored on a 22 yard pass, and FB Mike Swearingen on a one-yard buck, and Melvin Francis ran the extra points twice.

O'Donnell had one potential touchdown nullified when an official ruled the runner stepped on the sideline upfield.

The O'Donnell Fire Department answered two calls last week. One was a car fire of Weldon Hancock where wires were burned on the engine. Also a call to Dempsey gin with only minor damage.

Mr. and Mrs. J. D. Jordan of Cisco visited her sister, Mr. and Mrs. Gum Minton last week.

Some 30c change was taken one night last week at Jackson's store, Deputy Watts investigated.

PLAINS "B" TEAM EKES OUT O'DONNELL

On their home field the Plains Cowboy B team took an early lead over the Eagle B team as a result of a safety against O'Donnell.

Plains managed a touchdown against the Eagles in the last of the first quarter. The extra points brought the score to 10-0 at the end of the first quarter.

The Eagles held the "Pokes" until the middle of the second quarter when Plains ran the ball over for the touchdown and extra points. At the half the score stood 18-0.

O'Donnell came on strong to score in the first of the third quarter with a 50 yard pass from quarterback Doroteo Yzaguirre to end Mike Harris. In the same quarter Plains was able to run two touchdowns with both extra points counting.

Both the Eagles and Cowboys were scoreless in the fourth quarter.

Final score was Plains 34, O'Donnell 6.

End Mike Harris suffered a broken arm on the last play of the game.

PTA Meeting Set For Tuesday

The PTA will hold its regular October meeting next Tuesday night, October 25, at 7:30.

After the regular business meeting, the program chairman, Mrs. Pete Woolam, will introduce the program, which will be a panel discussion entitled "Youth in the Space Age." The panel will consist of two students, two parents, and two teachers and the discussion will be moderated by Mrs. Margaret Noble. The panel members are to be: Terri Taylor, Ronny Jordan, Homer Hardberger, Mrs. Julian Pirtle, Mrs. Lillian McCord and Mrs. Roscoe Trostle.

The PTA urges everybody to attend. A special invitation is issued to High School students. The program planned should be both interesting and beneficial to students as well as parents.

Band Enjoys Dallas Fair Trip

Sunday, October 9, the Eagle Band left O'Donnell for Dallas. In Fort Worth, the band visited a city park for lunch and church services. The afternoon was spent at "Six Flags Over Texas." Six Flags was a very exciting experience for the students and adults.

On Monday, the Eagle Band was one of the first bands to reach the State Fair. The morning was spent visiting the exhibits and the Midway. One experience everyone thoroughly enjoyed was the "Wax Museum." In the wax museum, Pres. Kennedy, Pres. Johnson, and Lee Oswald were exhibited.

In the afternoon, the Eagle Band performed on the stage provided by the Mobil Oil Company. The band played various popular and hit tunes of the day, adding several marches.

In the evening the Eagle Band performed in the State Fair "Torchlight Parade." Attired in their beautiful black and gold uniforms, "The Pride of the Big O" was very outstanding. The band played the school fight songs, "Eagles Fight," and "Anchors Aweigh" to the delight of one hundred thousand spectators.

Monday evening the band dined at the Zuider Zee restaurant, one of Dallas' more elite restaurants.

Tuesday morning the trek back to Eagleland began. At 9, the band visited Granbury, with a concert for the students in Granbury Jr. and Sr. High School. The Granbury Band gave the Eagle Band a coke party following the program.

Our band represented O'Donnell in a superior fashion. We were very proud to have had this opportunity to represent O'Donnell. This would not have been possible without the support from you, the citizens of O'Donnell. Again, the Band says "Thank you, we enjoyed the trip."

School Homecoming Is Friday Oct. 28th

Plans Set For Homecoming

The ex-students of O'Donnell High School have declared a homecoming day set for Friday, October 28.

Activities will begin with a pep rally at the school gym at 3:15 p. m. A banquet for all ex-students and teachers will begin at 5:30 in the cafeteria honoring the class of 1941. The speaker is to be former coach and principal of O'Donnell High, "Red" Conger, of Vanderbilt, Texas.

At 7:30 o'clock Friday night, the O'Donnell Eagles will host the Plains Cowboys in a conference game at Johnson's Field.

Special events for the honor class will include a social hour at Maggie's at 3:45 p. m., and a coffee after the game in the home of Mr. and Mrs. C. R. Burleson. All ex-students are invited to attend the coffee following the game to be held in the Community Center in O'Donnell.

Wayne Clayton is president of the ex-students, Ralph Gary is vice president, and Mrs. Jack Minter is secretary-treasurer.

Leaders Important To Girl Scouting

Look around you at the Girl Scouts in O'Donnell. Aren't you proud of them? They are sharing with millions of other girls in the profoundly important spiritual, educational, and social experiences of Girl Scouting. Girl Scouts share a sense of community responsibility that extends beyond the borders of their own town, to their country, and even the world.

We owe a big vote of thanks to our adult volunteer workers for their support and especially to our troop leaders who give so freely of their time and efforts. Our troop leaders for 1966-67 are: Brownie Troop, Mrs. Charlie Beckham and Mrs. Cecil Kizer. Junior Troop, Mrs. Howard Owens and Mrs. Noel Caswell. Cadette Troop, Mrs. Pete Woolam, Mrs. Harold Barrett and Mrs. W. A. Cook.

Senior Troop, Mrs. J. W. Gardenhire and Mrs. C. R. Burleson.

Mr. and Mrs. Roscoe Rogers of Monument, N. M., visited Mr. and Mrs. Frankie Cook Sunday.

Mr. and Mrs. T. H. Andy Anderson of Levelland visited Mr. and Mrs. E. C. Harris Sunday.

Mr. and Mrs. Dallas Vaughn hunted elk last week in northern New Mexico.

Fund Necessary In Scout Program

It is fund raising time in O'Donnell for the Girl Scouts. The Girl Scouts have become so integral a part of our American way of life that it is difficult to imagine O'Donnell without them, and yet it is a truism that the things we value most we are likely to take for granted. We too easily assume that the training our youngsters get through Girl Scouting will continue to be provided for them—whether or not we give the program our active support.

In O'Donnell, there are more than 60 registered Girl Scouts, ages seven through 17. Together with their approximately 2 3/4 million sister Scouts throughout the United States, they are preparing for the larger responsibilities of a adult citizenship through this program of fun, service and training in democracy. To finance this program through the coming year, the Girl Scouts in the O'Donnell neighborhood must raise their annual quota by October 31. This will be done through personal solicitation by adult volunteers. Your contribution to the Girl Scouts will help maintain its present program as well as add the services of professional staff, services of a council in training, program and camping, and to expand this program so that even more girls can participate.

Give and give generously with the knowledge that you are helping where it counts most — the young people on whom the future depends.

Quote— "Girl Scouts believe in the future of America; as contributing members of their communities, they belong; and they build for a bright and happy future — for themselves for their communities, and for their country."—Dwight D. Eisenhower.

Entre Nous Club In Recent Meeting

The Entre Nous Study Club met recently in the home of Mrs. Hal Singleton III. It was the first night meeting. Mrs. Bill Barnes served as co-hostess for the meeting.

Mr. Clark Woolridge, marriage counselor from Lubbock, spoke to the group on marriage and its problems.

Refreshments of orange cake, orange punch, coffee, nuts and mints was served to 14 members and two guests. Orange and gold mums completed the decor.

Attending market were Ellie Smith, Mavis McKinney, Mrs. Willie Smylie and Mrs. Dick Barton.

FOR SALE, to be moved: 24 ft. square house, frame. C. Gillespie 10-28.

Harmon Watts Is New Deputy Here

Harmon Watts of Lubbock is our new deputy sheriff living in the house across the street north of Horace Brunette. His phone number will run later. Mr. Watts is married and has three children of which one is in first grade and one in 2nd grade. The family attend the Assembly of God church. He has had three years experience at Abernathy.

Harmon is one of the most personable men we know. Make him feel at home.

First Baptist Plan Stewardship Revival

The First Baptist Church will hold a Stewardship Revival Friday through Sunday with Dr. Rathaal, evangelist, as the speaker. He has conducted revivals in ten states as well as Japan and Latin America.

This is a rare chance to hear an inspired speaker. Rev. Partain is the local friendly pastor.

1946 Study Club Has Program On Safety

The 1946 Study Club of O'Donnell met Oct. 12 in the home of Mrs. Carr Spraberry for a safety program. Mrs. Sam Nelms presented "Crusade Against Accidents" in the home, and Mrs. Joe Beckham gave a most informative talk on "Could Your Driving Jeopardize Your Life?"

Mrs. Willie White was voted in as a new member. Twenty members and one visitor, Mrs. Ross Smith, were present.

The next meeting will be on Oct. 26th in the home of Mrs. Harvey Line.

Mrs. C. A. Lacy, reporter.

JUNIOR SCOUTS MEET

Junior Scout Troop No. 74 met after school Wednesday, Oct. 12. We walked to the City Park for our cook-out. The hot-dogs and koolaid were enjoyed by all. Our next meeting will be Oct. 19.

Voter May Begin Registration Now

No longer will Texas citizens pay poll taxes as a qualification for voting in national, state, or local elections.

But, all citizens eligible must now register between October 1, 1966, and no later than January 31, 1967, in order to vote in any election during the coming year.

Registration is free and may be done by mail on securing a prescribed form at the office of the County Tax Assessor and Collector, George McCracken. Registrant must sign his name to the blank, together with necessary information as to age, residence, etc.

Other qualifications for voting remain the same as under the old poll tax system. A voter must

have lived in the state at least one year, in the county at least six months.

In Lynn county, a county not having a city of 10,000 or more people, overage citizens do not have to register. This means a person over 60 years of age on January 1, 1965, does not have to register to vote next year.

Mr. McCracken suggests that citizens register to vote when they begin paying property taxes during October.

October Set As ZIP Code Month

Residents in the O'Donnell trade territory will be offered an opportunity to ZIP Code their mailing lists during the month of October, it was announced today.

President Johnson has proclaimed Oct. 10-15 as ZIP Code Week, to promote greater usage of ZIP Code.

In rural areas and cities where the ZIP Code assigned, only an out-of-town card will be placed in your city or rural boxes since all local addresses will have the same ZIP Code number.

This is a good time to get the ZIP Codes missing from your mailing lists. "This Christmas, ZIP Codes will be as important as shipping and mailing early for the efficient and on-time delivery of the record-breaking avalanche of mail expected in the pre-holiday weeks."

After filling in the street number, city and state, the cards are to be mailed or brought back to the Post Office. Post Office personnel will add the proper ZIP Codes and return the cards back to you.

Postmaster General O'Brien announced May 19 that steps were being taken to make ZIP Codes more accessible to the mailing public. The present program resulted from a search for the most

effective method to get the codes in the hands of private mailers. A recent poll found earlier this year that about half the population is using ZIP Code. The remaining half cited the reason for not using ZIP Code was that they did not know the ZIP Codes for the people to whom they write.

Previously, the Post Office Department has embarked upon an extensive effort to help volume mailers convert their lists to ZIP Code. This poll strengthened our conviction that the public generally is ready and willing to cooperate with business mailers who will be pre-sorting their second and third-class mail after Jan. 1, 1967. Mr. O'Brien said, "I am convinced that the 'ZIP-A-List' project will go a long way toward accomplishing our goal of ready availability of the proper ZIP Codes in the home." Out of town cards will be printed in red ink. Addresses which cannot be ZIP Coded because of insufficient or improper addresses will be forwarded to the city indicated on the card, if legible, and the codes will be added there.

Only addresses, not names of who you are writing to should be listed on the cards. ZIP Codes represent delivery areas for the postal service, not individuals.

F.F.A. Receives Electric Award

The O'Donnell F.F.A. Chapter was presented the Texas Electric Service Company, Big Spring Division, First Place Award of \$150.00 on Farm Electrification Projects by W. B. Mitchell, O'Donnell manager for Texas Electric. Dwight Crawford, O'Donnell FFA President, said the money would be used to send Greg Reed and Eddie Joe Moore to the National FFA Convention in Kansas City on October 12th.

The O'Donnell chapter has won the award for a total of nine times for their outstanding projects on farm electrification.

Greg Reed also received an individual cash award of \$50.00 as a first award in the Texas FFA Electric Award Program in area 2. This program is sponsored by Texas Electric Service Company and eleven other electric utility companies operating in Texas.

Pesticide Use Warning Given

The wise use of pesticides inside your home is your personal responsibility says County Home Demonstration Agent Ann Duncan.

When actually using pesticides inside the house, be sure to read the label first, and understand all of the information. Use only the amount called for on the label. Provide adequate ventilation. Don't let the children help. Keep them away from where you are mixing or using a pesticide. Put the family pets outside while you are spraying and take their food and water dishes with them. Remove birds, bird cages, aquariums and fish bowls.

Take everything out of the dish cabinets, shelves and cupboards before you spray. Wait until the spray dries and then cover the shelves with clean paper or foil before you put things back. Never allow pesticides to get on food, dishes, pots or pans. Never spray the insides of a refrigerator or oven.

Pesticide products designed for use in the home are not automatically safe. It's how you handle them that makes their use safe or unsafe in your home, says Miss Duncan.

Keep home-type pesticides in locked-safe storage before and after their use. These pesticide products—and other potentially poisonous products—can be dangerous unless they are safely locked away.

ELLIE'S is glad to reopen her Christmas Club effective now. Here's how it works. Your sales slip will be stamped "Christmas Club" and you will receive 5 percent credit on merchandise purchased through December 24, 1966.

Say if you have \$100 in sales slips stamped "Christmas Club" you have paid for in advance a \$5 item in the store or you may use it in part payment on a purchase.

It works like trading stamps and sales slips may be given to a friend.

This is important... The Christmas Club ends at the close of business Christmas Eve. Please do not cash it after that date.

Try it. Our goods are the same low price. You know our prices and know that this is just an extra help to you in holiday buying.

Sales tax is deducted from the deeming value of slips.

J. M. Wood Family Is In State 4-H Spotlight

Station (Spl.)—The J. M. Wood family of Lynn county, O'Donnell, continues to improve standing as one of the families of the state and the state 4-H Club office today listed two members of the family, LaNita Wood, as top winners in the 1966 in clothing and livestock respectively. An older sister, Mrs. Wood, also made 4-H records and other achievements at home are all well-known 4-H workers. Mrs. Wood is volunteer 4-H leader.

Two state winners will each receive an all-expense paid trip to the 1966 National 4-H Club Convention, Chicago, Nov. 27-Dec. 1. The announcement, which was made at the 4-H office, didn't happen very often for the clothing awards.

is Coats & Clark, Inc., a woman Mfg. Company is the swine awards program concerns, in addition to state winners, also medals for county winners and large scholarships for winners. The state winning will be entered for national.

has been a 4-H clothing leader for eight years and tops as a designer and sewer. Her sewing abilities earned considerable money for herself, but for other members as well. Her records that she has made 154 garments and 75 other clothing as part of her

simple gathered skirt to state wardrobe including dresses, fully backed and full length coats, a dress—everything needed on any occasion is the state describes her progress in clothing program. She has been in the county dress contest with 7 blue ribbons; and a red for 5 entries in district revue and twice in the state revue. She was awarded the "Best in Show Award" in the state. The state champion has also been a junior clothing leader for four years; senior lead-

year and has helped the county revue and served as emcee at ceremonies at one time. He has been only one of the 4-H projects. Others include money management, field crops, electric, room and home improvement, gardening, entomology and public speaking. He still finds time to take an active part in church, community affairs. His round achievements are responsible for her being a Gold Star girl in 1964. She has won awards or recognition of the projects con-

and exhibited his first pig when he was 15 is a veteran showman. He has ex-

hibited at major swine shows over the state and has his share of ribbons, banners and other awards as proof of his abilities. His championships include one at the State Fair of Texas. His record totals show that he has fed 43 barrows and has handled 149 head of breeding swine in his very active 6-year 4-H career.

He is a member of the county livestock judging team and by no means has limited his projects to swine. Other projects have in-

VETERANS' LAND BOARD SALE

The Veterans' Land Board will receive sealed bids at the General Land Office, Austin, Texas, until 10:00 o'clock A.M., November 15, 1966, for the sale of 104 tracts of land. 93 tracts offered to eligible Texas Veterans only in Briscoe, Brown, Caldwell, Cameron, Culberson, Deaf Smith, Denton, Dimmit, Gaines, Hidalgo, Hunt, Jasper, Kimble, Lamar, Limestone, Maverick, McCulloch, Medina, Montgomery, Nacogdoches, Newton, Orange, Parker, Reeves, Runnels, Smith, Ward, Webb, Williamson, Winkler, Uvalde & Zavala Counties. 11 tracts offered to non-veterans and eligible Texas Veterans in Erath, Hidalgo, Maverick, Uvalde & Zavala Counties.

Tracts may be financed through the Veterans' Land Program. For information and listing of tracts write to:

JERRY SADLER

cluded milo which he feeds to his hogs, cotton, sheep, beef cattle, electric, safety, and others. He has served as an officer in the Lynn Countywide Club to which he belongs, including its presidency and has had district responsibilities at the district electric camp. He is now vice president of the county council and a junior leader for younger pig club members.

He is active in his church and in high school, plays football, is a member of the band; was an editor on his high school paper and was a member of the Little League All-Stars in 1962-63. His adult leader, Raymond Hancock, describes Kent as a good example of a working 4-H boy; always busy, but not too busy to help others.

The outstanding work of these 4-H members has been supervised by Lynn County Agent W. B. Griffin and the county home demonstration agents who have served in the county during recent years. Local Adult Leaders Mrs. Marshall Barton and Hancock have given assistance. The top winners give full credit to their leaders for their help but are quick to point out that their family support has been of very great importance.

Fire Prevention Week Oct. 9-15

Observance of National Fire Prevention Week, October 9-15, in Lynn County is being urged by both rural and city fire prevention leaders.

Tahoka Fire Chief Pat Patterson and L. C. Unfred, president of Lynn County Farm Bureau, urge citizens of Lynn County to pay special heed to the observance this year by taking steps to prevent costly fires. "We urge everyone to develop good fire safety habits which include such things as care with matches and smoking, good housekeeping to get rid of rubbish, proper use of electrical fuses, appliances, and extension cords, and a constant general awareness of the ways fires start and how to avoid them," the local fire chief said.

He added that fires killed about 12,000 people and the cost exceeded \$1.76 billion in the United States last year. The local Farm Bureau president said the Fall and Winter months are the most vulnerable times of the year for rural fires. "When fire occurs on farm or rural property, damage is 3 to 6 times greater than in the average city fire", Mr. Unfred said.

Farm Bureau has two programs designed to help curtail fire losses, stated Mr. Unfred. The local organization, in cooperation with the Texas Farm Bureau, sponsors the attendance of local volunteer

firemen at the annual Firemen's Training School each July in College Station. Local fire-fighter sponsored this year was Bobby Hamm of Tahoka. The state and local Farm Bureau organizations also pay \$75 to local fire departments for each call made in rural areas involving fires of Farm Bureau insured property.

In addition to these programs, county Farm Bureaus sponsor a graphic 45-minute fire prevention demonstration presented over one hundred times a year before schools, civic clubs, and other groups by the TFB Safety Department. More than 10,000 dry chemical fire extinguishers have been sold to Farm Bureau members as a continuing program of rural fire protection.

WANTED: PASTURE FOR 100 COWS see JOHN STEPHENS

Social Security Numbers Needed At ASCS Office

If the ASCS county office asks you what your Social Security number is, please don't think you are being singled out for special attention, cautions Wayman Smith, chairman, Agricultural Stabilization and Conservation County Committee. The number is needed by the Internal Revenue for identification purposes in connection with farm program payments.

Many farmers have already filed Form 3435-A with the county office, listing their social security or employer identification number. Requests for the information were mailed last fall to each known producer who receives program payments. Producers who receive direct program payments and who have not yet filed the form, however, are asked to forward the information to the county office by Oct. 1, 1966.

For 1966, ASCS must report to the Internal Revenue Service any sight draft payments of \$600 or more under direct payment programs. This includes the Agricul-

Identifying numbers are already being used in payment reports which banks and other paying agencies make to IRS, as required under the Internal Revenue Code.

For Sale: Underwood Portable Electric Adding Machine J D Stewart at Blockers

Make sure you've got what it takes... for your take-it-easy years!

That long awaited fishing trip—that ivy covered "dream house" set back from the road—don't usually come to us right out of the blue. For those "take-it-easy" years it takes a little doing.

Start today by putting a part of your earnings each year into Series E Savings Bonds then, when you retire, this backlog of savings which you have built through the years can be exchanged at no cost for Series H Savings Bonds to provide additional income for the "extras" you've been looking forward to. Why not drop in to see the head of the Savings Bonds Department in your bank today. He'll be glad to tell you about planning for retirement with Savings Bonds.

SERIES H SAVINGS BONDS

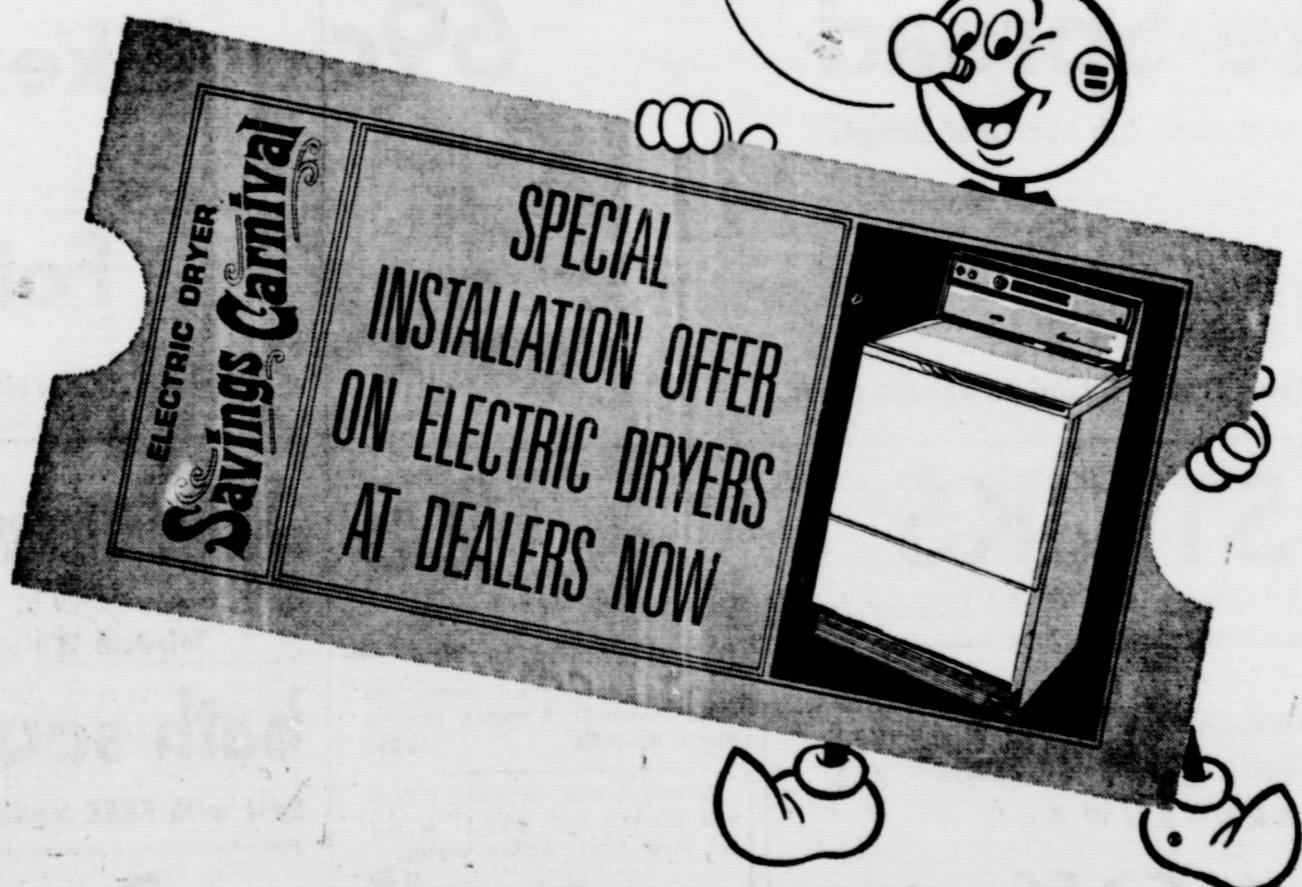

...safety...liberal yield...guaranteed current income

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.

your ticket to a thrifty dryer buy!

See your dealer now and SAVE!

Your dealer can save you money now with his special installation offer on a flameless electric dryer. And that's only part of your savings when you buy electric. You save on initial cost (up to \$40 less than other types). You save on maintenance because an electric dryer has fewer parts. And, of course, you save washday work and weather worries. See your dealer soon. Let him show you how clean, flameless electricity dries clothes better for only about a nickel a load. And get the details of his money-saving installation offer that makes a good buy even better!
