Tuesday — sausage, green beans buttered potatoes, hot rolls, butter jelly, milk
Wednesday — barbecued beef pizza beans, sour pickle, pear half with jelly, bread, milk

Speaks At Rotary

The O'Donnell Rotary Club met Tuesday in its regular meeting with president Noble Rumbro presiding. Visiting Rotarians were Walter Mathis and Dean Taylor of Tahoka, J B Claiborne, Owen Taylor, Bernie Holt and Ernest Rhodes of Lamesa. Guests were Bud Besire, Bill Snell, J W Gardshire and Silas Russ. Art Dodd, band director of the school, spoke on Community Cooperation and Ransom Gallowsky spoke on the proposed road bond issue to be voted on next week. A number of Rotarians, among them, President Rumbro, are planning to attend a one day institute in Lubbock Oct. 29th. The purpose of institute is to promote a better understanding of Rotary. Also a group from the local club plan to attend the Inter-City meet that is sponsored by the Lubbock clubs at Coliseum.

SMART SAVERS

HAIL, RAIN HITS TOWN, AREA

Sunny skies Monday were a welcomed sight to farmers as rainy, dismal weather for the past five days slowed the harvest to a dead halt. Rainfall totaled 2.50 inches with fields soaked and many roads difficult to travel.

At about 10:15 p. m. Wednesday night a savage hail storm swept in from the south and southwest battering the area from O. K. community northeast thru O'Donnell covering a strip some 8 miles by 3 miles. Hail averaged the size of golf balls with isolated stones as large as hen eggs. The storm lasted about 7 minutes and left an estimated \$100,000.00 in damages to roofs according to local insurance agents.

A Loud Roar

Moments before the hail hit there was a roar like a freight train — and then the stoning began. There was only slight wind and little rain. As the cloud moved north by northeast the sky became clear and stars were shining to west. The cloud towered several thousand feet and looked much like pictures of atom boom clouds.

Trees, Flowers Hit

Trees and flowers were severely damaged. For an hour afterwards the ground was covered with hail. Shingle roofs largely escaped damage because the shingles were wet. Composition roofs over a few year of age were near a total loss. Nearly every tar and paper commercial roof in business section was a total loss. Damage to cotton is estimated at another \$100,000.00 and not covered by insurance. Damage to grade of area cotton by rain may be as much as one grade due to stains. However the general rains in the fall are good for next year's crops.

Mrs. R. E. Golightly has returned from a ten day visit with Mr. and Mrs. Kenneth Golightly at Carlsbad and Mr and Mrs. R E Golightly and Mr and Mrs. Doyle Golightly at Odessa.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912 AS AMENDED BY THE ACTS OF MARCH 3, 1933 AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF

O'Donnell Index Press published weekly at O'Donnell, Texas for October 1, 1959.

1. The names and addresses of the publisher, editor, managing editor, and business managers are: O. G. Smith, Jr., Box 546, O'Donnell, Texas.

The owner is: O. G. Smith, Jr., Box 546, O'Donnell, Texas

3. The known bondholders, mortgagees and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages or other securities are: none.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed thru the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was 863.

O. G. Smith, Jr., Sworn to and subscribed before me this 1st day of October, 1959. Seal T. J. Yandell

Coahoma Plays Here Friday

Stanton's highly rated Buffaloes built up a 30 point cushion in the first two periods and then coasted to rack up their 5th win — a 36 to 6 win over the O'Donnell Eagles at Stanton last Friday nite.

End Norman Donaldson and Buzzy Brewer were the big guns on the Buff team. David Besire climaxed a 70 yard drive in 3rd period for the Eagles' lone tally. The Stanton club is unbeaten and untied while the locals have a 2-2-1 record.

Some 200 Eagle fans braved the rain to see the game Friday nite. The Eagle Band did not play at half time due to rain.

The Stanton first line team is one of the best Class A teams in West Texas. The Buffs should easily win their district. Stanton's pass attack was beautiful. Although the Eagles should not feel badly about the score, the fact remains that the Eagles play better ball at practice than they did the first half at Stanton.

Farmers may soon be using electronics. Don't look for electronics to take over the plowing and milking jobs just yet but it may perform an even more vexing chore — the complicated brainwork necessary in modern agriculture.

13 Liquor Cases Filed

Deputy Sheriff Frank Lindsey reported 13 liquor law violations with in the month of which number 7 were for illegal sales, 2 for illegal possession and four for transporting. 8 of the above cases have dragn \$3100 fines plus court costs and five more cases are pending. Mr. Lindsey also reported the arrest of a Latin American over week end for disturbing the peace. As a whole the fall harvest has gone off without too much law violations.

In a traffic mishap Monday afternoon west of town Harold Payne received a broken leg when the passenger car he was driving collided with a pickup of Latin Americans on a farm to market road west of town.

The "O" Club's drive for funds to erect an electric score board for Johnson Field is progressing well, according to club president, Bill Snellgrove. There is a chance that the board will be erected by Friday nite but it is sure to be up by the following Friday.

Also the club is paying for, and it will be installed by Friday nite, a new public address system so that folks on both sides of the field can hear the game perfectly.

Up for the Friday game with Coahoma will be new rubber 10 yd. markers.

All home conference games will be filmed by the "O" Club. The films are valuable to the coaches in studying the game.

The Club meets each Friday nite at 7:30 at school auditorium. Some 20 members were present at the last meeting.

Mr and Mrs. Jack Brown (nee Miss Lillie Reynolds) are the proud parents of a fine daughter weighing 5 lb 11 oz born Sept. 30. She is named Teri.

Mrs. Shag Garrett spent several days last week in a Lamesa hospital

Note's a tune that makes everybody glad

Taxes Are Now Payable

Statements have been mailed for school, city and state and county taxes. State and county taxes carry a 3 percent discount if paid in October, 2 percent in November, and 1 percent in October. Poll taxes are \$1.75 for each poll tax desired. Any person 60 years of age on or before last Jan. 1st are exempt.

School Tax Collector Tom Yandell reported school taxes coming in well for this time of year.

Mr and Mrs J J Whirley visited Mr and Mrs. M P Dorn and Mrs. M J Whirley at Colorado City Sunday

L W Barton won the door prize at Ellis Chevrolet Show Day last Friday.

Mr and Mrs. L E Brownlow of Lamesa visited in Holland Simpson home Sunday.

Mr and Mrs. Bobby Hill and son Ronnie and Mr and Mrs. Carl Labitz of Odessa have been visiting with their parents, Mr and Mrs. Carl Sanders.

CONTINUED NOISE MAY INJURE HEARING

Noise has been described as unwanted sound. In other words, noise is generally unpleasant yhle sound (music, children's laughter) is pleasant.

However, noise can also be dangerous. It has been estimated that there are about one million people in the nation who have hearing losses as a result of high noise in their place of employment.

It has been estimated that 20 to 30 percent of adult employees suffer a significant hearing loss. Many of these hearing defects are not readily detectable in a verbal interview. If a person is to be exposed to certain levels of noise regularly, safeguards must be taken. If a worker is exposed day after day to noise falling between the 300 to 1200 cycle bands, with a sound level of 85 decibels, then noise level control and periodic tests of hearing loss should be maintained.

The more the octave band levels exceed 85 decibels, the more urgent is need for a hearing conservation program. Each rise of three decibels means the sound level has doubled. Eighty five decibels of sound is the noise comparable to riding inside a sedan with the windows open in city traffic.

PULLING RATE GIVEN

Wage finding effective Sept. 30th for Borden county, cotton first pulling dryland \$1.75 per 100 lbs

List Given For City Civic Center Shower

- Following are items suggested as shower gifts for the new community center. The shower will be November 1st.

 - 3 long handle basting spoons
 - 4 paring knives
 - 3 butcher knives
 - 1 wall can opener
 - 1 paper towel rack
 - 3 aluminum pitchers
 - 1 tea strainer
 - 3 big skillets
 - 3 large sauce pans, stainless steel, or heavy aluminum
 - 2 large cookie sheets
 - 1 large tea kettle
 - 2 2 gal. crocks
 - 1 electric portable mixer
 - 1 set mixing bowls
 - 1 serving cart
 - 6 serving trays
 - 1 canister set with salt and pepper shaker
 - 1 garbage can
 - 3 plastic wastebaskets

FFA CHAPTER HERE WINS ELECTRIC AWARD

The O'Donnell Chapter of FFA won the Texas Electric Service Co. award of \$150 for their progress and study of farm electrification. Leroy Olsak made the presentation at assembly in the High School last Wednesday. Ackerly won second place for an award of \$25. This is O'Donnell's 3rd year to win the award. The award is based on such achievements as repairs of electrical equipment, rewiring homes for convenience outlets, building chicken, lamb and pig brooders, class demonstrations and many other projects. Each project qualified for points. The most unique project of the local FFA is an electrical lamb exerciser built by Ken Moore. The exerciser is simply pens built in a circle with a common circular movable floor. As the floor revolves around its center the pens remain stationary, and if the lamb wants to remain upright re must run, thus getting his mile per day exercise. The money that the chapter won will go toward the expense of sending boys to the FFA convention at Kansas City this month.

BRIDE ELECT HONORED

Miss Sherry Singleton was honored with a bridal shower Tuesday afternoon from 3 to 5 in the home of Mrs. Noble Rumbro. Hostesses included a number of friends.

Mr and Mrs. Lloyd R. Williams and family of Muleshoe visited in the Elbert Morgan home Sunday

Class of '34 To Be Honored

The Ex-Student Homecoming will be November 6th with the class of 1934 being the Honored Class. We are printing a list of their names, so if anyone knows the correct address please call Mrs. Wendel Edwards or Mrs. J T Middleton, Jr. Also if you know of any other ex-student or teacher, we would like their address. Our present mailing

SCHOOL EVENTS TO COME

- Oct. 5 — Co. Teachers meet at Tahoka at 7:30
- Oct. 7 — Senior Pictures
- Oct. 9 — Coahoma here — end of first 6 weeks
- Oct. 13 — So. Assembly, PTA meeting.
- Oct. 15 — Plains B here, bonfire at 7:30
- Oct. 16 — Sundown here
- Oct. 19 — FFA meet
- Oct. 22 — Sundown B there
- Oct. 23 — Plains there
- Oct. 29 — Seagraves B here
- Oct. 30 — Frenship there (Yea, Eagles — Let's GO)

PTA Members Needed

We would like to see each parent and teacher a member of one of the most worthwhile organizations of our community, the PTA. The membership drive is in full swing — come on and join us. Our school is what we make it — therefore let's do our best. There will be a prize given to each school that secures the most members by October 13th. Turn in your dues to the teacher, room mother chairman or membership committee. Let's all get behind this drive and put it over the top. Will see you at PTA Oct. 13th — Membership Chairman

The 17th nationwide agricultural census will be taken during the months of October and November. The information to be gained from the census will have a vital influence on future planning of agricultural programs and activities.

Can profits be made from livestock feeding this fall and winter? It's a hard question to answer because of the difference in price for various classes of livestock and the variation in costs in producing a pound of gain.

ON DISPLAY! TODAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY!

DISTINCTIVE! SATISFYING! ENDURING! SUPERB! SPIRITED! JOYFUL!

ELEGANT! QUIET! SMOOTH! LUXURIOUS! ENDURING! SUPERB! SPIRITED! JOYFUL!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design —with so much that's new and different the other ones can only hope to come close. It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line. Freshly shaped contours rake back from the unified rear grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes... and that's to drop in on your dealer and drive one!

See your local authorized Chevrolet dealer

Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but *three new lines* of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View worth more for every Point of Value!
2. The 1960 Falcon—The New-size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme! And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas. To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond-Lustre Finish that never needs waxing . . . aluminum mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

FORD DIVISION, Ford Motor Company.

Introducing the New-Size Ford . . . the 1960 Ford *Falcon*

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminum mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

GAS LIGHTS

AROUND THE PATIO

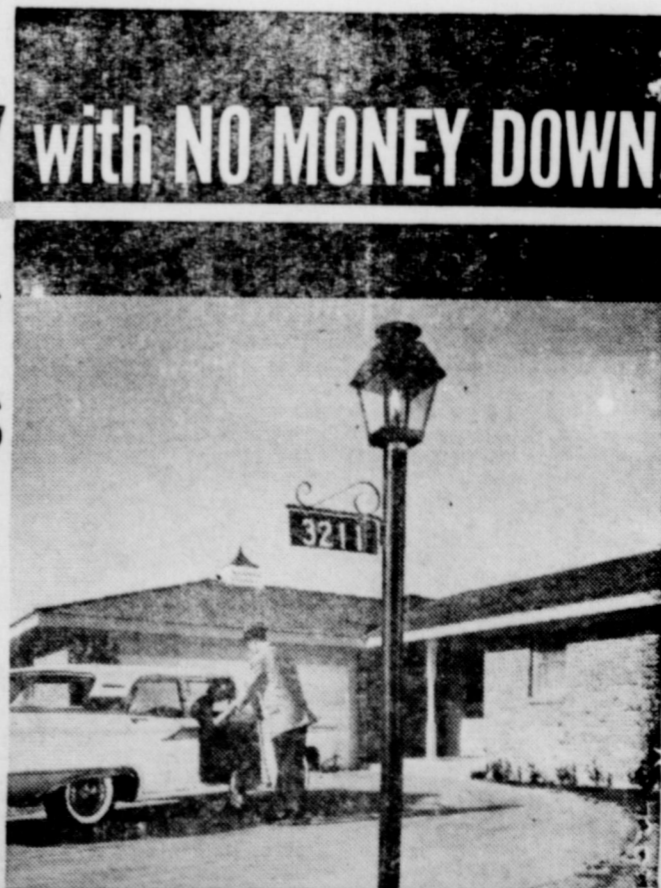

BY THE STEPS

ALONG THE DRIVEWAY

This summer, enjoy sumptuous outdoor dinners with a GAS PATIO BROILER. Produces tantalizing charcoal flavor with none of the mess of charcoal. Cooks faster than charcoal, too, and is so simple to operate that even the children can be assistant chefs. Ask about it.

Time hallowed . . . timeless . . . timely! Gas Lights, sweeping the country with their mellow glow, are all of these. They bring back the charm of the vanished era that bore their name. Yet they reappear, not as period pieces, but as handsomely functional accessories for any home. And their versatility makes them timely, indeed, as people do more and more outdoor living, by night as well as by day. Gas Lights do not attract bugs . . . they welcome guests, warn away trespassers. Wherever the moon is not enough, a Gas Light belongs! Get details from Pioneer Natural Gas Company, tomorrow.

 Wage finding effective Sept. 30th for Borden county, cotton first pulling dryland \$1.75 per 100 lbs
 Mr and Mrs. L. E. Brownlow of Lamesa visited in Holland Simpson home Sunday.

Mr and Mrs. Bobby Hill and son Ronnie and Mr and Mrs. Carl Labitz of Odessa have been visiting with their parents, Mr and Mrs. Carl Sanders.

Free Speech Issue In Court Proceeding

LINCOLN, Ill.—Free speech the issue here in a contempt court case in which nearly 800 sons faced possible fines and sentences.
 The defendants, many of members of a reform group known as the "Good Government Club of Logan County," were cited in contempt for petitioning Judge Frank M. Bevan to resign a state's attorney in a case involving the prosecutor's friend.

Judge Bevan said the petition contained "odious, defamatory language concerning an official of court." State's Attorney Edward Mills.
 Members of the Good Government Council contended Judge Bevan could not hold them in contempt and said if the prosecution he could sue them in a court.

The case arose when, as a result of action taken by the Good Government Council, Justice of Peace Vincent Jones was charged with illegal diversion of funds collected in overweight trucking tax. Mr. Jones was charged with jury, embezzlement and malfeasance.

The council followed up the petition with a petition asking that Jones, be replaced by a special assistant prosecutor.

WORLD NEIGHBORHOOD

International Kids' Village Peace Inspired

TROGEN, Switzerland—In a Swiss canton of Appenzel, overlooking the Boden See (Lake Constance) and the German shore across the lake, is a new kind of village, an experiment in better international relations through the minds of children.

The International Pestalozzi Children's Village, on the outskirts of the modest village of Trogen, is a temporary home of some 200 children of varying European nationalities. All of them were in need of help when they arrived, many were war orphans.

The village is the outgrowth of the idealism and compassion of Walter Corti, an Italian-speaking Swiss, who not only depicted the ravages of war upon children of belligerent nations, but who did something about it.

Popular Subscriptions
 Corti first suggested a children's village in neutral Switzerland in 1944, while the war was raging. The suggestion was received with enthusiasm by the Swiss.

Thus French children live in French homes, English children in English, and so on. They live as they would in normal homes in their own countries, speaking their mother tongues and studying subjects they would in their schools, with teachers of their nationality.

Joint Activities
 There is a difference, however, in some classes the entire group works together. Recreation and community duties are international. Italian, Greek, German, English children may be playing soccer together while French children teach Finns the French language to a German tune.

Mutual suspicion and distrust were problems when the village first opened. In the immediate postwar days Polish children refused to play with German children, the Finns had a tendency to turn to themselves.

Mr and Mrs. Donald Duff Smyer visited here over week.

Mrs. Shag Garrett spent 4 days last week in a Lamesa home.

QUIET REVOLUTION! ON DISPLAY TODAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! TODAY!

TODAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! TODAY!

THE REVOLUTIONARY Corvair
 BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2½ feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your

dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6
 Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM
 Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE
 Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT
 Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR
 Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER
 Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT
 Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION
 There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

*Optional at extra cost

NOTICE OF ELECTION

STATE OF TEXAS: COUNTY OF LYNN: TO THE RESIDENT, QUALIFIED ELECTORS OF THE COUNTY OF LYNN, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Lynn County, Texas, on the 17th day of October, 1959, at the places particularly set forth in the order passed by the Commissioners' Court on the 14th day of September, 1959, which is as follows:

"AN ORDER"

CALLING AN ELECTION ON THE PROPOSITION OF THE ISSUANCE OF \$190,000.00 ROAD BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF.

WHEREAS, there has been presented for the consideration of the court a petition signed by the requisite number of persons praying that an election be held in Lynn County, Texas, on the proposition of the issuance of Road Bonds of said county in the amount of \$190,000.00, and the levy of a tax in payment thereof; and

WHEREAS, the Court has found that said petition is signed by more than fifty (50) of the resident, qualified property taxpayers electors of said County owning taxable property in said County and who have rendered the same for taxation; and

WHEREAS, the amount of bonds to be issued will not exceed one percent of the assessed valuation of real property of said Lynn County;

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF LYNN COUNTY, TEXAS:

That an election be held in Lynn County on the 17th day of October, 1959, which is not less than thirty (30) days from the date of this order, to determine:

Whether or not the bonds of said Lynn County shall be issued in the amount of \$190,000.00, bearing interest at a rate not to exceed four (4) percent per annum,

and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise, in not to exceed Twenty (20) years from the date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or in aid thereof, through out Lynn County, Texas; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity.

2. That said election shall be held under the provisions of Chapter 3 Title 22, Revised Statutes of 1925 as amended by Chapter 16, Acts of the First Called Session of the 39th Legislature.

3. All persons who are legally qualified electors of this State and of this County, and who are resident, qualified property taxpayers electors of this County, owning taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election, and all electors shall vote in the election precinct of their residence.

4. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF"

Each voter shall draw a line through one of the above expressions thus leaving the other as indicating his vote.

5. The said election shall be held at the several polling places in Lynn County, Texas, and the following named persons are hereby appointed as Presiding Judges of said election. Said Presiding Judges are hereby authorized to select such assistants as may be required to assist them in holding said election at the several voting precincts as follows:

Another fresh one...from Pontiac!

The 1960 Catalina Convertible

You find it attractive because of the simplicity of lines, the absence of over-design.

You're drawn to its crisp freedom, its perfect form, its exhilarating freshness.

You'll find it amiably obedient because of Wide-Track Wheels and a thoroughly new suspension system. Wide-Track firms the foundation, stabilizes, balances. A softer suspension makes it responsive, quick and easy to take direction.

Pontiac's Tempest engines for 1960 are more

vigorous than ever. You have a wide choice of V-8 power packages, ranging from the high performance 425 to the economical 425E which prefers regular grade gasoline.

The car, the keys, the catalog, the courtesy—all await you at your Pontiac dealer.

Wide-Track Wheels give you swayless stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.

Most Drinking Starts Before College Days

NEW HAVEN, Conn.—Four out of every five college men who drink began their drinking before entering college, a researcher at Yale University's laboratory of applied physiology reported recently.

Robert Straus, research associate, disclosed for the first time preliminary results of a five-year study into the drinking habits of American college youth. This study was made by Mr. Straus and Sel-den D. Bacon, director of Yale's center of alcohol studies.

Of the American women students who drink, 65 per cent also started drinking before entering college, Mr. Straus said.

"The probability that a young person will drink at all," he continued, "is closely related to the practices of his or her parents."

"Of the men whose parents both drink, 90 per cent are themselves users. However, only half of the men (51 per cent) whose parents both abstain, drink."

"Where both parents are users, 83 per cent of the women drink on occasion. However, when both parents abstain, only 19 per cent of the women students drink."

He declared that parental advice on abstinence seems to be much stronger than advice from either church leaders or teachers.

Family income is a large factor "closely associated with the probability that one will use alcohol. Among those whose family income is under \$2,500, two thirds of the men and only 30 per cent of the women students drink."
