Good Rains Fall

Rains Offer Crop Hopes

Well...it did rain...not exactly a drouth-breaker...but a nice rain, at any rate.

A thunder storm Sunday drifting in out of the west netted 65-100ths inches locally according to weatherman Ben Moore. A shower Sunday afternoon of the shot-gun variety is included in the above. A brief shower last week resulted in 10-100ths inches.

Sunday nite's moisture was of a general nature with nearly all geographical parts of the area receiving from 1-4th to 1 inch. Most of the area averaged 3-4ths inches with Borden County averaging 1-2 inch. Farmers to South have enough moisture to plant as they caught a nice rain last week. Much of Wells and New Moore are expected to plant but the immediate area to the north, east and west are in the doubtful column for moisture. Conditions look favorable for another early rain.

CONGRATS, DR. PAGE

Carl Page's shining hour will come this month at the University of Texas College of Medicine in Galveston when he graduates as a Doctor of Medicine. O'Donnell is so very proud of Carl. He will intern at San Antonio. His father, Pete Page and Mrs. Page as well as other relatives will attend the exercises.

FOR SALE: Sudan seed, Harold Mires etc 5-11

Mr. and Mrs. Alton Hobdy and family spent Mother's Day here.

A number of Mrs. Bob Golightly's children spent Mother's Day with her.

Mental Disorders Are A Major Problem

Mental disorders today represent a major public health problem. Nearly fifty per cent of all hospital beds are occupied by patients with mental illness, declares Dr. Henry A. Hollie, State Health Officer.

But it is estimated that in addition to these, at least one in ten in the general population is suffering from an emotional illness sufficient to disable to interfere with work and family life. Both severe and minor mental illness appear to stem from organic causes, psychological causes, or a combination of the two.

Much progress has been made in reducing the amount of mental illness due to organic disorders. At one time, 10 per cent of mental hospital beds in the south were occupied by patients whose mental illness was due to pellagra. Today, with improved understanding of nutrition, such cases are almost un-

Folks You Know

Mr. and Mrs. Bobby Joe Proctor of Denver City are the proud parents of a fine baby girl born April 26th at Denver City weighing 7 pounds and named Vickie Jo. Grandparents here are Mr. and Mrs. Joe Proctor.

Mrs. Joe Proctor and Ronnie visited her new granddaughter in Denver City last week.

Mrs. S. A. Alley of Albuquerque N. M. is visiting in the Proctor home.

Card Of Thanks

I would like to thank my many dear friends for the beautiful flowers, cards, and calls during my recent illness.

MYRTA BROWN

Mrs. R. C. Proctor returned home Monday from visiting her daughter Mrs. H. B. Blackwelder in Artesia.

M. Sgt. and Mrs. Jack Summers of Air Force visited his parents Mr. and Mrs. Dick Simpson. He has recently returned from Germany after two year's duty there.

Mrs. X. L. Sherrill of Burleson visited her parents, Mr. and Mrs. U. C. Rains here last week.

W. C. "Puny" Rains of Army stationed in Missouri visited his parents here last week.

Mr. and Mrs. Pete Edgerton of Wichita, Kan. visited home folks here last week.

Mr. and Mrs. Tom Brewer are taking the baths at Christoval.

Mr. and Mrs. C. E. Suthphen of Andrews spent the week end with their daughter, Mr. and Mrs. James Reed and family.

Mrs. Harvey McKee was taken to a Lamesa hospital Saturday nite.

Mrs. Clemmie Cumble of Amarillo was week end guest in the home of her daughter, Mr. and Mrs. Don Mansell.

J. J. Hodnett had surgery at a Lamesa hospital Sunday.

Clarence Brock is doing fine after recently suffering a very mild stroke.

Week end guests of Mrs. R. E. Golightly were her children and families, Mr. and Mrs. R. E. Golightly Jr. of Odessa, Mrs. Elmer Burks of Uvalde, Mrs. D.A. Howell and Mrs. Kenneth Golightly of Carlsbad, N. M.

C. R. Burleson, Jake Burkett, Hal Singleton, and C. L. Taylor are fishing at Lake Whitney.

Mr. and Mrs. Jimmy Shook, son of Mr. and Mrs. Jeff Shook, are moving to Roger to make their home.

Mr. and Mrs. J.T. Middleton Jr. had Sunday dinner with Charles Mc Laurin at Lamesa.

Mr. and Mrs. Morgan Jones of Amarillo visited his parents Mr. and Mrs. Sid Jones Sunday.

Thelma Wright of Midland spent the week end with her sister Mr. and Mrs. John Ellis.

Mrs. W. E. Singleton will be hostess to the Thursday Bridge Club this week.

Mrs. H. L. Wood visited her mother at O'Brien and Mrs. L. W. Barton accompanied her to Knox City to visit her mother, Mrs. E. W. Stevens. They also visited with Mr. and Mrs. John Mansell at Rochester over the week end.

Broiler Meeting Is Thursday Nite At School

Need 75,000 Broilers Per Week

Farmers of this area and all others interested in growing broilers on a commercial basis are urged to attend the meeting at the high school auditorium Thursday nite, May 12th at 8 p. m.

Mr. Clary of the Clary Poultry and Egg firm of Lubbock, E. J. Smith, local banker, as well as one or more poultry experts from Texas A. and M. as well as commercial feed men will talk. Movies of commercial production of broilers will be shown. Refreshments will be served.

Mr. Clary and Banker Smith will explain the business and financial aspects of the proposed broiler industry and the other speakers will go into the technical phases of the production.

Mr. Clary currently buys his produce over a wide area and he is striving to encourage a concentrated source of poultry. Mr. Smith's interest lies in seeing a more balanced local economy. The broiler business is not intended to replace the row-crop economy but rather to diversify the farmer's source of income so that not all his "eggs will be in one basket".

The Index's interest in the project that many other industries will follow the broilers if the project grows large enough such as hatcheries, broiler processing plants, deep freeze plants for packaging fryers, feed mixing firms as well as numerous other sidelines. For this reason the merchant has much at stake, and it seems so locally are slow to see the possibilities which lie ahead 10 to 20 years. See you Thursday nite at the school.

Nicely furnished apt. for rent, airconditioned, modern, low rent see Index immediately

Former Local Youths Die Results Of McCamey Fire

Graveside services were held Sunday at McCamey Cemetery for Tommy Rejino, 29, son of L. C. Rejino and Benny Rodrigue, son-in-law of Mr. Rejino. They lived at the T-Bar Community before moving to McCamey about three years ago.

They died at McCamey General Hospital Saturday after suffering of second and third degree burns Friday afternoon.

The fire occurred at Mr. Rejino's farm when two large butane tanks exploded. The fire destroyed their home, four frame houses, a truck, tractor, three four wheel trailers and a large number of sheep, pigs and chickens were killed.

Mr. Rejino was also critically injured and is at the hospital, but is expected to live.

Tommy and Benny attended the local schools here.

A large number of friends and relatives from here attended the funeral.

Mr. and Mrs. Shack Blocker visited their son, Don and family at Kileen and got acquainted with their new grandson.

ALL-DAY FELLOWSHIP AT ASSEMBLY OF GOD CHURCH

There will be an all-day fellowship meeting at the local Assembly of God Thursday, May 12th. The morning service begins at 10:30 and dinner will be served by the ladies at noon. Afternoon services are at 1:30 and nite services at 7:30. Visitors and pastors from 15 or more neighboring towns will be present for the day. The local pastor, Rev. H. C. Louis, extends a most cordial invitation to all of this area to attend.

IN STYLE SHOW

On May 13th Sherry Singleton, Polly Etter, Kay Cabbiness and Dickie Harris will model at the Chamber of Commerce Style Show in Lamesa.

MORE WELLS REPORTED HERE

Jude Taylor recently got another good irrigation well. He already had three wells, mostly 4 inches. Pete Page recently completed a small irrigation well on his farm.

T-B GIN MEETING IS FRIDAY

The annual meeting of the T-Bar Farmers Co-op will be held at the gin office, Friday, May 13th at 8 p. m. according to D. B. McMillan, secretary of that organization. Refreshments will be served.

ART SHOW IS SATURDAY

Mrs. J. G. McGee art pupils will stage an art exhibit all day Saturday, May 14th at Vernie's Beauty Shop. Everyone is invited to view the art work of our local children.

Mr. and Mrs. Donald Street and family of Earth and Mr. and Mrs. N. M. Wyatt of Lubbock visited Mr. and Mrs. B. B. Street last week. Mrs. Wyatt was enroute home from Houston where she has been hospitalized for past 6 weeks.

Index Photo Contest Is Friday, May 20th

The time is almost at hand for the opening of this newspaper's big Child Photo Contest, and we're urging all of our readers to have their children ready for the big day. Winston B. Lucas of Irving, Texas, will be in O'Donnell on Friday, May 20th from 10 a. m. to 8 p. m. for the purpose of taking pictures in this vicinity. His studio will be located in the O'Donnell Index office. He will also take pictures of a number of business men as well as pictures of members of the senior graduates in their caps and gowns. All pictures taken will appear in the Index.

In addition to having their pictures printed in this newspaper, the children will be competing for \$18.20 in prizes which are being offered for the three best photographs made during the day.

The photographs will be made absolutely free of charge and there is no charge for their publication in the Index. Proofs will be shown and from these you may select the picture of your child which you would like to appear in this newspaper. If you wish extra photographs, they may be purchased but no purchase is necessary in order to have your child's picture printed in the newspaper or in order to compete for the prizes. It is entirely up to you whether you buy pictures or not.

There is no age limit on the contest, and every child's photograph in this section is wanted so that they may all appear in the Index. However, it is necessary that all pictures must be of uniform size so they must be made by Winston B. Lucas on Friday, May 20th.

Pictures of the SENIORS will be made in the morning, if possible. Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper - and make plans now to have those photographs made on Friday May 20th. Tell your friends and neighbors. The more, the merrier!

FREE Moth-proofing with regular cleaning. Free Plastic bag with \$2 order until June 1st. HASH CLEANERS 2r 3x

Mr. and Mrs. Norman Shaw and boys spent week end in Levelland with her sister and family.

Wiley Phillips is home from the hospital in Lamesa.

MRS. SHOULDERS PASSES AWAY

As we go to press Tuesday noon we learn of the passing of Mrs. C. B. Shoulders at a Wichita Falls hospital Sunday nite. Funeral services are not set as to date, but will be at the Church of the Nazarene and interment here.

Mrs. Effie Bazer is visiting in Ft. Worth and South Texas.

Mr. and Mrs. C. C. Casey of Plainview returned Mrs. L. N. Nichols home Sunday.

Mr. and Mrs. R. O. Stark are visiting her parents at Hereford.

Mr. and Mrs. H. E. Wood and boys of Tahoka were guests in the daughter's home, Mr. and Mrs. Elvin Moore Sunday.

Mrs. J. P. Bowlin visited her daughter and family, Mr. and Mrs. Harvey Jordan and sons near Hale Center.

Mr. and Mrs. John Earles and Mrs. Haynie have returned from a visit with relatives in Mississippi.

All of the children of Mr. and Mrs. Ed James were home for Mother's Day.

Mrs. Dorothy Cummings of Big Spring visited her parents Mr. and Mrs. E. A. Wright for Mother's Day.

C. R. Carey, jr. (former Miss Tessie Autry) had major surgery in a Post hospital recently.

Mrs. Elton Pennington of San Angelo is visiting her mother.

NOTICE

Parents of children are reminded that it is unlawful to shoot B-B guns within the City as well as any other type of firearms. In addition to being unlawful, such a practice is dangerous to the general safety of the public especially the children. Please call this matter to the attention of your children.

Within the near future, Dr. Bucy of Lamesa will be here to give anti-rabies shots to cats and dogs and tags will be issued. All small animals not bearing recent dated anti-rabies tags will be subject to be placed in the City pound.

By order of The City of O'Donnell, May 10, 1955.
L. J. HASH, MAYOR

Mr. and Mrs. Mitchell Williams visited friends here Saturday.

MRS. RODGER LINE HONORED

A number of friends honored Mrs. Rodger Line with a bridal shower Thursday afternoon from 3:30 to 5 in the Fellowship Hall of the First Baptist Church.

The room was decorated with spring flowers. Mrs. Kenneth Pearson registered the guests and Mrs. Wayne Carroll and Mrs. Harold Mires served punch and cake from a table covered with a lace cloth with a centerpiece of pink iris. Punch was served from a crystal punch bowl.

Mrs. Carr Sprabrey accompanied Mrs. Ernest Stewart who sang several numbers. Hostesses included Madams: J. A. Edwards of Lamesa, Reba Goddard, R. C. Carroll, Levi Gray, Homer Hardberger, C. A. Doss, Gum Minton, Claude Tomlinson.

FREE Moth-proofing with regular cleaning. Free Plastic bag with \$2 order until June 1st. HASH CLEANERS 2r 3x

Small Town Anything But Slow and Quiet

FARMINGDALE, N. Y. — Some people can't reconcile the idea of a small town with the idea of speed. But when they visit Farmingdale, their conception of a small town as a place of horse-and-buggy slowness is likely to be blasted from their heads by the roar of man's latest symbol of speed—the jet airplane. This is the home of the Thunderjet. And as the home of the Thunderjet, the community must keep pace with the speed of progress that is being made in jet plane performance. Less than 10 years ago the first American-built jet got off the ground, and a 15-minute jet flight was quite a performance. But now Thunderjets are racking up records of more than a thousand combat hours in Korea, they are spanning the Atlantic and Pacific and making double coast-to-coast flights non-stop, carrying heavy loads. Today's single-engine, single-seater Thunderjet can fly faster and higher than many of the multi-engine, multi-manned light bombers of World War II, and they pack a heavy wallop. That is the symbol of speed this home town, often confused as small towns are in public thinking with places of drowsy tranquility, must live up to.

Artists Found Home In Mountain Town

LITTLETON, N. H. — Tucked away on a back country road in this White Mountains community a group of artists have "found a home" for summer activity in New Hampshire and have named it Rock Pool. They have converted and rebuilt old farm buildings into studios and an art shop. During the season skilled instructors demonstrate the arts of ceramic sculpturing, painting, wood-cutting and silver-smithing. The visitors to Rock Pool can watch the entire process of creation. For instance in ceramics the clay is hand shaped, baked in the kiln, glazed and decorated in an individual studio with the most modern and complete equipment. Each artist also holds classes in his own medium and students can learn the art of jewelry making or take a sketching class with a professional model, or "throw" a vase on the electric wheel. A new idea in the art world, each of these artists is self-sufficient. Owner Bill Gordon has long been interested in arts and artists in Boston, and it was his idea to convert Rock Pool into an art center. He provided the lodgings and equipment and then turned the project over to the artists, who, in return, give a percentage of the summer's intake back to make the project self-sufficient. Of his project, Director Gordon declared, "It is inspiring to have this new colony here in New Hampshire, and there couldn't be a more logical spot for an art center than this peaceful and scenic countryside with its natural offerings of beauty to the artist."

Tennessee Bear Ruins Revenuers' Evidence

NASHVILLE—In the Tennessee hills there lives a bear who seems to know bad whisky when he tastes it. While Alcohol Unit agents were waiting to see the owner of a still they had found, the bear lumbered out of the forest and decided to sample the product. He rolled it with his tongue and then smashed it still to pieces.

Can you see, steer, stop safely? ... Check your car ... check accidents

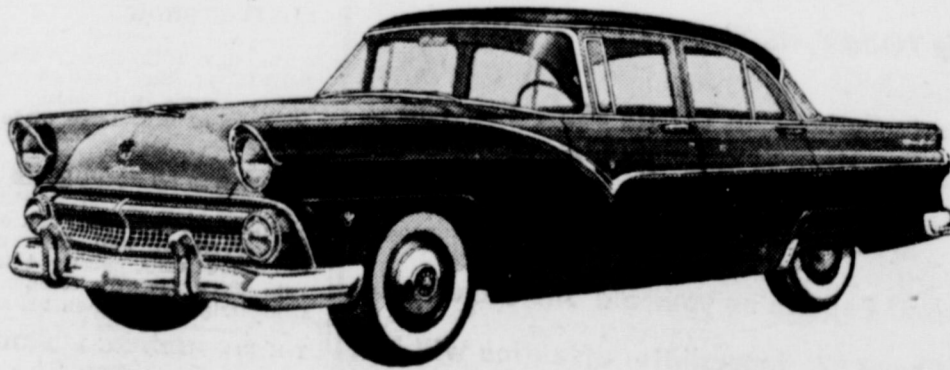

LOOKING FOR MORE VALUE from your motor car dollars? Then, look no more. Ford brings you a wealth of fine-car features that even some of the higher-priced cars can't match.

For example, the chart above shows that in feature after feature Ford gives you everything you have come to expect in a medium-priced car . . . and more. Yet, a Ford Fairlane Town Sedan costs* you less than the lowest-priced comparably equipped 4-door sedan of four popular medium-priced makes.

And, with Ford recognized as the style leader . . . "at home" wherever you may go . . . why pay more?

Feature for feature . . . price for price . . . you can't buy better than Ford.

Graduate May 19**

The eighth grade class of O'Donnell Junior High School will have the closing exercises in the High School Auditorium on Thursday night, May 19, at 8:00 p.m. An interesting presentation of talent will be given by class members.

The grades made during the year have been evaluated and those students having maintained averages in the top 10 percent of the class will address the group. Those students are Maria Caswell, Linda Crouch, Sue Lott, Sarah Prather, and Patsy Young.

Other members of the class will be presented in a variety of numbers.

Barbara Barnett, Nelle Blair, Gunner Clayton, Linda Crouch, Launy Brewer, Maria Caswell, Floyd Davis, Bobbie Lois Gartman, Rodney Harris, Linnadean Ingles, Robbie Johnson, Gloria Line, Jo Ann McCrary, Larry Moore, Pat Polk, Sarah Prather, Ben Richbourg, Janetta Seay, Neal Shaw, Sandra Singleton, David Spraberry, Kent Thompson, Kenneth White, Norma Sue Yoacum, Patsy Young, Reta Arnold, Patsy Cook.

Lloyd Davis, Gerald Dickey, Leonard Dorman, Frances Durham, Billy Edwards, Portia Furlow, David Gary, Joy Johnson, Sue Lott, Richard Miller, Linda Norris, Price Parker, Melvin Proctor, Dortha Rector, Martha Rector, Robbie Roberson, Vada Summers, Edward Sampley, Dorthy Thornton, Donna Vestal, Ray Veach, Charles Weatherford, Hazel Holland, Lauretta Boles.

A final list of graduates is subject to final grades.

A small coastal Bermudagrass nursery on the farm provides a low cost supply of fresh sprigs ready for planting when moisture and labor is available. Once well established, a nursery of one-third of an acre will produce enough sprigs to set 15 to 20 acres.

**Electric
Cooking
Saves You
Time**

..... "Let's go... dinner's in the oven and it'll be ready when I get home"

You'll have more time for shopping, visiting or relaxing when you use an automatic electric range that frees you from oven-tending and pot-watching. Reddy Kilowatt and your electric range make oven-cooking so simple . . . all you do is put food into the oven, set the automatic controls and you're free to go, without a worry. Reddy starts the oven at the pre-set time and turns it off when cooking is done.

Check the other advantages, too, of electric cooking . . . cleanliness, accuracy and economy. They're all yours with modern electric cooking.

See the new electric ranges at your favorite appliance store. Start enjoying the time-saving convenience of clean, modern electric cooking.

**5 BASIC REASONS FOR
PONTIAC'S RECORD-BREAKING SALES**

- PONTIAC COSTS LESS THAN ANY CAR
EQUALLING ITS 200 HORSEPOWER**
If you delight in flashing performance, here's all the reason you need to join the record-breaking thousands who are swinging to Pontiac. The 200 horsepower delivered by the economical Strato-Streak V-8 with the four-barrel carburetor, optional at extra cost, is the highest power ever delivered by a car at Pontiac's price—higher than that of cars costing considerably more. For thrift and thrills it's Pontiac all the way!
- PONTIAC COSTS LESS THAN ANY CAR
EQUALLING ITS LONG WHEELBASE**
Model for model, Pontiac has a longer wheelbase than any car at its price, or any car delivering 200 horsepower . . . 122" or 124", depending on the Pontiac you select. That's size where it really counts—and it's important because a long wheelbase is the reason for Pontiac's smooth, road-leveling ride and the roomy comfort of Pontiac's large, luxurious Body by Fisher—advantages that put Pontiac on a level with far costlier cars for sheer riding pleasure.
- PONTIAC COSTS LESS THAN ANY CAR
EQUALLING ITS LUXURY-CAR STABILITY**
The big, husky Pontiac with rugged X-member frame gives you the safe, solid feel at cruising speeds that motorists have formerly paid high prices to enjoy. And it links this road-holding comfort with ease of control like that of costly sports cars. You travel in superlative comfort in a Pontiac for the lowest price ever placed on such big-car stability.
- PONTIAC'S DISTINCTIVE BEAUTY IS
UNMATCHED AT ANY PRICE**
Pontiac's style and beauty are a perfect match for its colorful performance. Future-fashioned lines, Vogue Two-Toning and Twin-Streaked hood provide dash and glamour unsurpassed by any other car at any price.
- You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes**
Come in and let us fill you in on all the facts and figures. We know you'll be pleased to see how little it costs to enjoy the pride and pleasure of fine-car ownership!

LOOK HIGH AND LOW AND YOU'LL GO

A FREE TRIP TO EUROPE

"Operation Gyroscope" is providing thousands of young men throughout the United States the opportunity to see Europe through an enlistment with the U. S. Army's 10th Infantry Division, presently stationed at Fort Riley, Kansas, but scheduled to move to Germany this summer. Men enlisting under this program of "Rotation with Stability" will be assured of a 30-month assignment in Europe followed by at least a 31-month assignment in the United States. For further information concerning "Operation Gyroscope," contact your U. S. Army recruiting Sergeant in O'Donnell at Post Office between noon and 6 p. m. on 1st and 3rd Mondays.

Spare time job for men and women. \$10 daily booking orders for scotch-lite name plates that shine at nite for top of rural mail boxes, also house numbers and door plates. Unlimited field. No sales experience or investment required. Pleasant, interesting work that pays big profits. Ideal for retired persons on pension or fundraising organizations. Free sales outfit. Illuminated Sign Co., 3094 First Avenue, South, Minneapolis, Minn.

Texas farms consume more than twice the electric power today than in 1947. REA which has 217, 698 customers in the state's rural areas will observe its 20th anniversary on May 11.

Sudangrass provides green grazing six to eight weeks after planting. Sudan is an old standby but still the livestockman's best bet for temporary summer grazing. Common and Sweet are the popular varieties grown in Texas.

Punch-line to the year's hottest power story—
Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all

comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel... longer engine life!) And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five... needs less radiator cool-

ant, too. It's the most modern V8 under anybody's hood!

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

No other low-priced car has any—no high-priced car has all—of these great Chevrolet features!

Body by Fisher—Nine engine-drive choices in any model—12-volt electrical system—Anti-Dive braking—Outrigger rear springs—Ball-Race steering—High-Level ventilation—Double-Arch cowl construction.

Combine your new Chevrolet purchase with your vacation plans!
 Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are you'll save a substantial share of your vacation travel costs!

FROM START TO FINISH... You're ahead with GAS

Gas Water Heaters
... cost less to buy
... cost less to install
... cost less to maintain
... cost less to operate

Speed is essential to modern clothes washing! With many automatic washing machines using up to 20 gallons of hot water per washer load, it is important that you have a water heater that will keep up with this demand. Check the sizing chart below and call your plumber or gas appliance dealer and ask him to install an automatic Gas water heater sized to the needs of your family.

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS		
Number Bathrooms	Number Bedrooms	Storage Cap'y Gallons
1	1 OR 2	30
1	3 OR 4	40
2	2 OR 3	40
2	4 OR 5	50
3	3	50
3 OR 4	4 OR 5	75

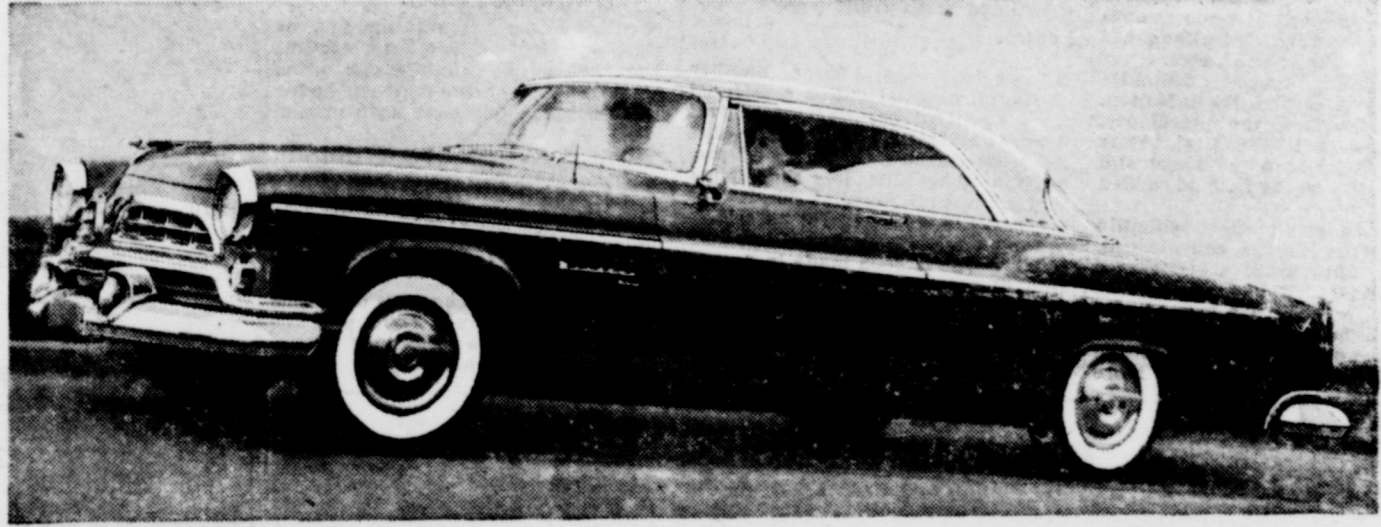

Illustrated above is a Rheem automatic Gas water heater. The Rheem Coppermatic tank is made of a rustproof, corrosion-resistant copper.

Only GAS heats water 3 times faster

Pioneer Natural Gas Company

FUEL FOR A GROWING EMPIRE

Now—come take the "100-Million-Dollar Ride!"

It's an unforgettable experience... just lift up the phone and we'll bring a brand-new Chrysler to your front door!

If you HAVEN'T YET driven America's dazzling new style leader, you've been missing out on a tremendous thrill!

There's so much here to please you... including the world's most powerful type of V-8 engine, the silken-smooth acceleration of PowerFlite fully-automatic Drive, and the one and only Full-time Power Steering. Giant Power Brakes match greater "Stop" power with Chrysler's greater engine power.

And with double-strength Oriflow shock absorbers, you can face up to the roughest roads without a quail.

We're eager for you to experience Chrysler's "100-Million-Dollar Ride" and we'd like to bring a beautiful new Chrysler out to your home... just phone us whenever you wish.

Of course, if it's more convenient, stop in at our showroom. You'll get a hearty welcome any time!

Hope Held For Child Disease

The outlook in the fight against rheumatic fever has improved, but this disease, which begins most often between the ages of five and fifteen, still results in serious heart damage in many cases, declared Dr. Henry A. Hollie, State Health Officer.

Rheumatic fever usually strikes after a nose and throat infection caused by germs of the streptococcus family. An average of three out of one hundred of the commonly called "strep" infections are followed by rheumatic fever.

Sulfonamide and penicillin usually can overcome the infection. But if rheumatic fever develops, strict bed rest is the first resort to ease the load on the heart and to help the patient avoid added infection.

Sometimes sulpha or penicillin may be given to the convalescing patient to help avoid a recurrence of the disease. Repeated attacks of rheumatic fever are more likely to lead to heart damage.

The rheumatic heart condition can involve damage to one or more

of the four valves of the heart or to the heart muscle itself. Rheumatic fever inflames the valves and muscles and when the inflammation subsides, it usually leaves a scar. In about two out of three cases this fever leaves no heart damage, or cases so little injury that the victim can regain active, everyday living. In other cases, modern surgery may help.

No matter how slight an attack of rheumatic fever may seem, the first and most important thing to do is to follow your doctor's advice to the letter.

MENTAL DISORDERS

Continued from front page known. Fifteen years ago, a large number of mental hospital patients suffered from "general paresis," or central nervous system syphilis. Today, due to strides made in control and prevention of syphilis, less than 2 percent of mental hospital admissions are patients with general paresis.

Only since World War II have extensive efforts been made in prevention of mental illness due primarily to psychological factors. Much additional research is needed here, as well as with organic factors. However, recent studies are build-

ing up increasing evidence that early childhood experiences are of vast significance in mental health. Children need constant, warm first three years of life. And in our mothering, especially during their high-speed modern society, they need guidance in the home and in the school in learning to handle their feelings effectively and in building healthy resistance to pressures of daily living.

Just as attention is needed to building strong bodies in children, so is attention needed to building sound minds.

The 1955 wheat crop must meet the minimum requirements of the Federal Food and Drug Administration to be eligible for price support loans or for delivery under price support purchase agreements.
