

THE O'DONNELL INDEX

VOLUME XI O'DONNELL, LYNN COUNTY, TEXAS, THURSDAY, NOVEMBER 16, 1933 NUMBER 8

Local Football Fans Expect Fast Game Here Friday

Eagles To Meet Andrews Here Friday

With team and coach optimistic and ready for the fray, the Eagles of O'Donnell High School is scheduled to meet the Andrews eleven on Friday afternoon at 3:30.

Not much dope is available on the Andrews team, but they have always been scrappers, so local fans are expecting a real battle. The Eagles are priming for the encounter, and are taking no chances with the invaders. A comparatively new offense will be used by the Eagles that afternoon, this plan being used on the idea that the line is strong enough to hold the defense in order to give more attention to the fast and tricky offensive planned.

Health Department Warns Against Diphtheria

Acting with authority and through the suggestion of the State Health Department, Dr. A. W. Thompson, local physician, issues the warning this week that there are more than 700 cases of diphtheria among school children in this state, and that the epidemic appears to be spreading.

Receive Facial Burns In Gas Oven Blast

Mayor and Mrs. W. S. Cathey each received painful, though fortunately not serious burns about their faces and heads last Friday morning when a burner in the oven of their gas range exploded.

Red & White Dealers To Meet At Abilene

On Monday and Tuesday of next week, Red & White dealers from five southwestern states will hold their annual convention in Abilene. Just how many representatives of local stores will be able to attend had not been decided as we go to press.

Officer Makes Raids On Booze Plants

Deputy sheriff John Johnson made three successful raids in 24 hours last week, and confiscated three batches of bootleg liquor.

Urge Hunters To Spare Birds In Critical Year for Duck

The hunting season that opens today will be a critical time for waterfowl and the sport of wild-fowling, according to the Bureau of Biological Survey, U. S. Department of Agriculture.

During the present emergency, the Biological Survey urges every sportsman to be moderate in shooting, to see that the kill is made chiefly from the more abundant species, and to encourage the same practices among others.

The Bureau also urges gunners to retrieve all crippled birds. At least 7,500,000 birds, it is estimated, are crippled and lost annually—a serious decrease in the stock of breeding birds without any resulting benefit, except to the creatures that prey on the unfortunate cripples.

For several years, say Survey officials, our waterfowl have been in a bad plight, and the present situation is almost as serious as the 1931 emergency that led to a one month season and induced the President to issue a proclamation in behalf of the birds.

Overshooting, declare officials of the Bureau, is one of the chief causes of the decrease in waterfowl and the only one that can be remedied immediately. Obviously, they state, the first thing to be done is to reduce the kill in order to make sure of saving a satisfactory breeding stock.

With a breeding stock provided for we should proceed at once, say the biologists, to carry out the program already undertaken to restore water areas, to set aside sanctuaries, and through research, to find what ever practical means there may be to increase the production of ducks and geese by helping them against their enemies, and by preventing the losses occasioned by disease. All these things, they point out, will be of the greatest benefit ultimately, but most of them require time measured in years as well as adequate financial support.

Nazarene Church Prepares To Close Out Year's Work

In keeping with the regular annual program of the Churches of the Nazarene throughout the nation, the local Church of the Nazarene is preparing to close out the year's work before the pastor, Mrs. Pearl Keeton, goes to assembly at Cisco on November 28.

It is with much pleasure that the pastor will be able to make a glowing report at Assembly. Several days ago a campaign was inaugurated to raise funds to balance the budget, the necessary sum being \$34. Various members of the church took envelopes to fill in this work, and to the joy of the membership, when the contributions were counted, the sum of \$57.50 was found. Some years ago the ladies had pieced a quilt, and Mrs. Keeton suggested that this be given to the most successful campaigner. Mrs. Mary Herman's envelope contained \$25, and the quilt was accordingly given to her.

School Taxes Are Being Paid Here

According to reports from W. E. Singleton, treasurer of the school board, tax collections during the month have been most pleasing. While the total amount paid in has not reached an astounding sum, the board is pleased to note that all property owners are interested in the present campaign, and that a majority of the taxes paid so far have been from home folks rather than from out of town corporations.

A Gate Indoors Is Worth Two Outdoors

High School Planning Home-Coming Nov. 24

O'Donnell High School has planned a home-coming and reunion of graduates and ex-students on Friday of next week, November 24. Teachers and students have arranged a day full of interesting and enjoyable features and all ex-students are cordially urged to come and enjoy them.

The football game with Tahoka in the afternoon will be the climax of the occasion, while other events will be of interest during the day. Don't miss this chance to come out and renew your school spirit and at the same time root for the Eagles as they battle the Tahoka gridsters.

For some years O'Donnell has not had a re-union of any kind for ex-students, and this year the sponsors of the occasion are anxious to have every one of them out to help create an interest in school affairs and to give everyone a chance to see all his schoolmates again.

Mary Jo Gates Is Honor Club Member

Reports sent to the Index last week from the office of W. T. S. C. at Canyon are that Miss Mary Jo Gates has recently been initiated into membership in the Lloyd Green Scholarship Society at the college, having attained senior membership in that organization.

This is one of the highest honors which can be awarded a student of the college, and one of which Miss Mary Jo can be justly proud. As a student in the high school here, she was an outstanding scholar, so that her scholastic honors are no surprise to her many friends here.

Fire Department Sponsoring Clean-Up Campaign

Under the auspices of the Fire Department and the direct supervision of Fire Marshall Grady Gantt, an intensive clean-up campaign is under way here this week.

Local merchants and business men contributed funds by popular subscription Monday morning, and a sum to pay one man a week's wages was raised in a few hours. All weeds, trash and fire hazards will be cleared away by this man, so that the business district will be much safer as well as more attractive.

Mrs. Geoffrey Holman Undergoes Operation

News was received here Monday night that Mrs. Geoffrey Holman, a daughter-in-law of Mr. and Mrs. E. D. Holman and also a former O'Donnell girl, was in a Lubbock sanitarium recovering from an appendectomy performed there early Monday morning.

OES To Hold Special Service November 23

We are asked to announce that the O'Donnell chapter of the Order of the Eastern Star will hold the Robert Morris Memorial service at the hall next Thursday evening, November 23. All members of the chapter, as well as all members of the Masonic Order, are cordially urged to be present.

Football Boys' Play To Be Staged Friday

Due to inclement weather and other hindrances, so many people who were anxious to see "Auntie Up", the comedy drama sponsored by the football team when it was presented two weeks ago were unable to be present that the cast has been urged to stage this clever play again.

According to popular demand, the actors have been rehearsing this week, and the play will be presented again in the high school auditorium Friday evening of this week. A small admission fee will be charged, proceeds to go to defraying expenses of the football team.

The cast has gone to no little trouble and inconvenience in thus arranging a second presentation of this laughable comedy, and the support and interest of patrons of the school district is urged.

Immediately after the play, there will be a meeting of graduates and ex-students of the high school. All those eligible are urged to be present, as a number of highly important and interesting projects are to be discussed.

Broken Needle Buried In Lady's Hand

An exceedingly painful accident occurred to Mrs. C. M. Thompson Friday of last week when a needle was broken in the fleshy part of her right hand as she was washing.

The needle was in a garment that was being rubbed on the washboard, and was buried in the ball of the thumb.

She was taken to the office of a local physician for treatment, and the needle was cut out. The wound has been very sore and painful, but we understand that Mrs. Thompson is recovering nicely.

Miss Ida Small Dies At Tahoka

Of wide interest to all Lynn county residents was the sad news of the death last Tuesday of Miss Ida Small of Tahoka. Death came at an early hour Tuesday morning in a Lubbock sanitarium where she had been taken for treatment for typhoid fever.

Funeral services were conducted at the Methodist church at Tahoka Tuesday afternoon of last week. The daughter of Mr. and Mrs. G. W. Small, Miss Ida was widely known throughout Lynn county and West Texas. She was the first girl born in Lynn county after its organization, and had spent most of her life in Tahoka.

Henderson-Boone Gin Has Dangerous Fire

Fire originating from matches in a bale of cotton broke out in the gin stands at Henderson-Boone gin shortly before noon Tuesday, and the plant was seriously damaged as a result.

The fireboys were on the job in plenty of time to keep the blaze under control, but it was necessary to use so much water that some damage resulted from that source.

Highway Construction Now Offering Employment

Baldwin's Store Launches Money-Saving Sale

Attention of our readers is directed to the page ad from Baldwin's store this week, announcing the opening tomorrow of their Money-Saving Sale.

Much time and thought has gone into this sale, which comes at the most opportune time for residents of our territory. There are scores of attractive specials listed in the ad, but Mr. Baldwin states that only a few of their prices could be listed because every item in the store has been marked down for this event.

Extra clerks have been added to the staff, so that quick and efficient service will be available. Don't fail to visit the store and buy your winter clothes at the lowest prices consistent with high quality.

Pastor Attends Convention of Texas Baptist At Ft. Worth

Rev. L. S. Jenkins, accompanied by Mrs. Jenkins and Billy Wayne, returned Saturday from Fort Worth where they attended General Convention of Texas Baptists.

Rev. Jenkins said Monday that this was without doubt the most outstanding meeting in years, with more interest, better attendance, and better reports than for years.

Nationally known religious leaders were present to speak and advise, so that the convention was educational as well as spiritual. Rev. Jenkins said feelingly that he had derived untold benefit from the messages and contacts he enjoyed while there.

County Agents Attend State Meeting Last Week

Miss El Fleda Harrison, county home demonstration agent, and Mr. Joe Williams, emergency county farm agent, returned Sunday from College Station where they attended a special meeting called by O. B. Martin of the extension service.

The purpose of the meeting was to thoroughly acquaint these agents with all details of farm relief work, especially as it affects cotton, wheat, hogs, dairying, and other farm activities. Experts from the government's agricultural adjustment administration were the chief speakers and instructors.

Miss Harrison hopes to be able to begin meat canning at the RFC kitchens sometime next week, according to statements just prior to her departure for College Station.

Mr. Williams has been appointed district agent for the crop reduction business, being at Tahoka two days, at Lamesa two days, and at Brownfield two days each week.

Methodist Pastor Is Moved To Borger

Coming as a surprise to the majority of the church members and to the community, Rev. W. R. Burnett, pastor of the Methodist church for the past two years was sent to fill the Borger pastorate at the close of the conference year. Appointments were read at Clarendon Sunday night of this week at the closing session of Annual conference of the Methodist church.

Rev. G. M. Montgomery comes to O'Donnell from Idalou, and will be the local pastor for the coming year. He comes with a long and successful record as a pastor, and it is sincerely believed that he will be much liked and respected here.

Rev. and Mrs. Barnett have won the affection and friendship of the entire community during their two-year stay in O'Donnell, and though Rev. Montgomery and his family will be cordially welcomed, the departure of the Burnetts is sincerely regretted.

Rev. Montgomery will deliver his opening sermon here at the eleven o'clock hour Sunday. Every church member is urged, and the public is cordially invited to be present and welcome him.

Local Men Leave On Deer Hunt

At least two parties of O'Donnell men left Tuesday and Wednesday for the deer country, with the avowed intention of bringing back their full number.

W. S. Cathey In Charge Of Employment; Completion Expected This Winter

Mayor W. S. Cathey opened the Tahoka office of the Panhandle Construction Co., at Tahoka last week, and stated Monday that construction work is expected to begin today (Thursday) on that sector from Tahoka north to the Lubbock county line.

Mr. Cathey's office is located on the second floor of the First National Bank building. He said Monday that employment will be afforded to a large number of men and teams, and that the payroll will be a nice one.

Fences and telephone lines were moved back last week, with a surveying crew still on the job. The first grading is to be done near Tahoka beginning at the first turn north of town, Mr. Cathey said, and will proceed northwestward. The present highway will be abandoned at the first turn, the new road bed to go northwest to join and follow the present route to the Lubbock county line.

Mr. Cathey states that grading and drainage structures will be completed by early spring.

George Baker Injured When Kicked By Cow

George Baker, 12, of the Wells community was brought to the office of a local physician Sunday night for emergency treatment for a gash in his upper lip, caused by a cow's kick. The young man was going about his evening duties at the barn, and the cow became unruly, with the resulting injury to her young master.

He returned for further treatment Tuesday, and is recovering as rapidly as could be expected. It is feared however, that the gash will leave a permanent scar.

Duncan Child Undergoes Slight Operation

The six-year old daughter of Mr. and Mrs. A. H. Duncan who live on the Luttrell place southeast of town was brought to the office of a local physician Friday for an operation to remove a ring from her finger.

The little girl had worn the ring during the night, and her finger had swelled so that the ring itself was buried in the flesh. The wound had become infected and was filled with pus, so that she was suffering great pain.

It was necessary to give her a general anaesthetic, and the ring was cut in two and removed. As the doctor had no further reports, it is supposed that the child is recovering without further trouble.

Wellman Gin Burns Last Thursday

News was received here late Thursday afternoon of the loss by fire of the Harrison-Williams Gin at Wellman about two-thirty that morning. The plant was operated under the management of H. H. Williams.

Origin of the fire has not been determined so far. We understand that the loss was partially covered by insurance. Mr. Williams could not definitely say last week whether or not the plant will be rebuilt this year, but as the season is so far spent, construction will perhaps not begin until next spring. However, this is not definitely settled as yet.

Elder Drennon Fills Appointment Here

Elder R. P. Drennon of Tahoka filled his regular appointment at the Church of Christ here last Lord's Day and conducted two splendid services. His sermon at the evening hour, dealing with relationship of the family and the church was one of the most uplifting and helpful sermons delivered here in some time.

The second Sunday in each month is Elder Drennon's regular day in O'Donnell, and attendance is usually splendid. He sent his announcement to the Index last week, but for some reason we did not receive it until Thursday afternoon, after the paper was in the mail, so that his coming was not announced in these columns. However, we made a note of the day, and will take the responsibility of making the announcement each month until further notice.

Mr. and Mrs. Roy Everett and daughter, Wanda Zell, spent the week end in Lubbock on business and visiting relatives.

**McCarty Infant Dies
After Short Illness**

The entire community was saddened Wednesday by news of the death of the two-month old infant of Mrs. Ray McCartney, who passed away at the home of his parents at an illness of only a few days. The infant's death was the immediate cause of death. Funeral services were conducted at 10 o'clock Thursday afternoon by George Fletcher, in the presence of friends of the family. The child's mother was before her page Miss Jennie Smith, daughter of Mr. and Mrs. Roy D. Smith, so that family was indeed among friends at their loss. The child had resided at O'Donnell from Lometa six weeks ago.

The baby was a strong, happy little fellow to parents and friends, and the sudden illness came Sunday last week. All that medical skill and nursing care could accomplish was but to no avail. The index joins with other friends in extending sympathy to the grief-stricken parents and other relatives.

Bohn SOCIETY

Miss Mary V. Shook and Gus Sherrill Wed

Culminating a romance of some two years, Miss Mary V. Shook and Mr. Gus Sherrill of Draw were quietly married Saturday afternoon at the residence of Rev. W. C. Hart, former pastor and life-long friend of the bride.

These two young people are well-known throughout Lynn county. Mrs. Sherrill is the older daughter of Mr. and Mrs. W. J. Shook, and has spent most of her life in O'Donnell. She graduated from the local high school this June, and was one of the outstanding students during her school days. She has been active for a number of years in church work, having held high offices in Sunday School and Epworth League organizations.

Her wedding dress was a becoming tailored ensemble in brown crepe, with harmonizing accessories. The groom is a member of one of the most prominent families in the Draw community, and is favorably known to a wide circle of friends and acquaintances.

The index joins with other friends in extending congratulations and best wishes to the happy pair.

Attend the ex-students meeting at the high school Friday evening after the play.

Shower Tuesday For Mrs. Weldon Martin

Surprising Mrs. Weldon Martin, who before her marriage two weeks ago was Miss Ruth Edwards, some 30 of her friends here drove to the Martin home Tuesday evening of last week, and showered the newly wed with a miscellaneous assortment of gifts.

A lovely array of china, aluminum and amber glassware, with linens and other necessities for housekeeping were given the bride.

Refreshments of sandwiches and punch were served.

Farewell Reception For Pastor's Family

Members of the Methodist church and friends from other churches of the community joined in an informal reception Wednesday evening honoring Rev. and Mrs. W. R. Burnett, who are leaving today for their new home in Borger.

Love-gifts of all sorts were brought "to remember us by," the whole making a lovely shower for the pastor's family.

H. H. Williams and W. H. Veazey were here from Wellman Saturday night.

Three Lakes

Mona Rae Edwards
Correspondent

There will be church Sunday morning by Brother J. B. Vinson.

Our school will start again Monday as everyone is up with their work in our community Sunday.

John Hickerson of Tahoka was in our community Sunday. Mr. and Mrs. W. E. Sikes, Mrs. H. T. Moore, Clinton and Maxine Sikes visited in Smire Sunday with Mr. and Mrs. Moore.

Calvin Edwards and Ray Dickerson were in O'Donnell Sunday afternoon. Mona Rae Edwards spent the week end in Wells with Ruby Triplett.

Mr. and Mrs. Weldon Morton of Draw visited Mrs. Morton's parents, Mr. and Mrs. J. W. Edwards this week end.

W. E. Sikes, Lenora, and Clinton Sikes and Mrs. T. M. Ellis were in Lubbock Saturday.

PERSONALS

Attend the ex-students meeting at the high school Friday evening after the play.

Misses Foy and Flavil Heathington who are attending Wayland College at Plainview, spent a short time Sunday with their parents, Mr. and Mrs. W. R. Heathington and friends.

D. A. Stephens and daughter, Miss Lois, spent Sunday here with his sister, Mrs. W. A. Tredway, and family.

FOR SALE OR TRADE: Cows, for young work stock. A. J. Barnes, O'Donnell, Rt. 3.

Jeff Mastick was here from Lubbock Saturday on business.

Five years a 4-H club boy and five years without ever having raised a crop of corn of less than 80 bushels per acre, yet always beaten by some other Washington county club boy in the proud record of defeat at Fred Winkelman of Salem community. But this year it was different, says C. Hohn, county agent. Fred grinded his teeth, raised 186 bushels of corn on two acres and was one of three boys to win a trip to Dallas. Next year he will be club leader for his community.

Master Stanley Cathey spent the week end in Lamesa with his aunt Mrs. Arpie Oliver.

Mrs. Arpie Oliver of Lamesa was here on business a short time Thursday of last week.

Ford Kicks Back; Breaks Owner's Arm

We often hear of car owners kicking their automobiles, but not as often does the car retaliate as seriously as did the Ford roadster owned by H. R. Collins.

Mr. Collins was attempting to start the car to carry away a load of city trash Wednesday, and when the vehicle proved obstinate cranked it with his foot. Just how the accident occurred is still something of a mystery, but it was supposed that he lost his balance and fell against the car breaking his left arm.

He was immediately taken to the office of a local physician for medical attention, and the break is knitting rapidly.

W. C. Cox and family of Stamford spent Friday of last week with his sister, Mrs. Campbell and Dr. Campbell.

Mr. and Mrs. L. W. Smith and his brother Charles, were here from Big Spring this week end. Mrs. Smith will be remembered as Miss Ina B. Everett.

HIGHWAY GARAGE

"This is GAS AND OIL MONEY — BELIEVE IT OR NOT!"

Sally: "Really? Tell me about it, Helen." Helen: "Well, as I use the car most of the time these days and actually buy the oil and gas, Dick thought it a good plan to turn the car budget over to me entirely." Sally: "How does that give you extra money?" Helen: "I have more time than Dick and have learned some surprising things about the cost of car operation. Dick thought oil gas and oil sold at approximately the same price were of equal value. When the motor broke down, he considered it just hard luck and paid the repair bill." Sally: "Isn't it?" Helen: "No! It is poor motor protection. More than half the entire motor wear occurs during the few minutes of starting when the motor is cold. Only one brand of oil—Conoco Green Processed Motor Oil—penetrates the metal so that a portion of it, nearly a quart, stays up in your motor, greatly reducing the wear. So checking back on

DICK TURNED OVER THE CAR BUDGET TO ME —

THEN I GOT GAS THAT GAVE ME MORE MILES AND STARTED EASIER

AND FOUND THAT HIDDEN QUALITY OIL KNEW HOW TO PENETRATE

THE SAVINGS AND BETTER OPERATION OPENED UP EYES—AND GAVE ME MORE TO SPEND ON OTHER THINGS

repair bills that were paid before I changed to Conoco, we've saved a lot of money this last year." Sally: "What about gasoline?" Helen: "To me that choice depended on quick starting—Dick used to choke the car until he was wild. It wasted so much gasoline in cold weather—ran the battery down and the nerves, too. With Conoco Bronze, the motor starts at the first turn and has power galore—goes further on each gallon and is anti-knock also. So you see how I did it?" Sally: "I certainly do, Helen—and I think you're a very clever girl!"

CONOCO

at the sign of the Red Triangle

Full motor protection, especially in cold motor starting, can be found only in Conoco Green Processed (Paraffin Based) Motor Oil because of the extra vitamins, called "The Hidden Quality," stays up in your motor and never drains away.

When planning a trip for business or recreation, write the Conoco Travel Bureau, Denver, Colo., America's largest Free Travel Bureau.

DO IT NOW

Check your medicine cabinet and see that you have plenty of every day medicines that you may need for treatment and prevention of colds, La Grippe, sore throats etc. Do not get caught in the night in need of them. We recommend Nyal and McKesson, both of which have been on the market over fifty years, and are sold under our own money back guarantee.

Mr. and Mrs. L. L. Huddleston of Abilene have been here this week, looking after their farm, paying taxes, and attending to business in general.

Mrs. Waldo McLaurin and T. E. Cathey went to Luna, N. M. Tuesday to bring their uncle and brother, Mr. John Cathey to Lubbock for treatment at a sanitarium there.

"Nothing But The Best"
 O'DONNELL, TEXAS

"EAGLES' SCREAMS"

Seventh Grade: We have had a book inspection this week, all of the books were in good condition and covered.

The High Seventh put on the following Armistice Day program:

1. In Appreciation to the Soldiers—Inez Sharp.
2. In Flander's Field—Mack C. Bradley.
3. The Answer—Eliot Carroll.
4. Catching the Spy—Meady McCracken.
5. Our Roll Call—Trevia Payne.
6. The Lost Battalion—Aris Thompson.

We would like to see all of our parents at P. T. A. Wednesday afternoon, November 15, 1933.

We are very glad to say that two of our pupils won in spelling. They were Gwendolyn Hodges and A. C. Lambert.

Spelling honor roll: Ruby McKibben, Treva Payne, Inez Sharp, Aris Thompson, Meady McCracken, Leta Merle Koeninger, A. C. Lambert, Junior Jenkins, Lois Howard, Gwendolyn Hodges and Myrel Farris.

Sixth Grade: Those in A class in arithmetic are: Mary Jane Goddard, Dee Thompson, Louisa Bean, Opal Debusk, and Elizabeth Gantt.

Fourth Grade Spelling Honor Roll: Pauletta Middleton, Jessie Glynn Pruitt, Jennie Mae Shoemaker, Lena Mae Singleton, Vallina Herman, Helen June Gant, Weldon Haneock, William Edward Singleton, Ollie Fletcher Nelson Fortner, Junior McLaurin, Emma Jo Hinkle, Mary Ellen Gant.

Third Grade: Those making 100 all week in spelling are: Marville Lambert, Margaret Gibbs, Allie Jo Schooler, Raymond Kelley Curtis, Wanda Zell Everett, Elvin Rae Moore, Eloise Shoemaker, Ouida Mell Howard, Tueda Fabanks, Imogene Adams, Ruby Lois Shook, Opal McKibben, Charley Shaw, Charley Reynolds.

Beat Andrews Friday.

DON'T SLEEP ON LEFT SIDE—AFFECTS HEART

If stomach gas prevents sleeping on right side try Adlerika. One dose brings out poisons and relieves gas pressing on heart so you sleep soundly all night. (Corner Drug Store.)

Beat Andrews Friday.

THE RED & WHITE STORES

Money Saving Specials For
Saturday Nov. 18th

One of our regular customers is the young mother of two charming small daughters. We have quoted her opinion of RED & WHITE products and the standard of courtesy and efficiency maintained in all our RED & WHITE stores, but we were much interested recently when she brought her grandmother marketing.

AND HER GRANDMOTHER REMARKED APPROVINGLY AS SHE ENTERED OUR STORE: "WELL, PATTY, I'M GLAD THAT YOU WERE WISE ENOUGH TO BEGIN YOUR HOUSEKEEPING CAREER WITH THE HELP OF RED & WHITE PRODUCTS."

"JUST REMEMBER THAT RED & WHITE STORES ALWAYS CARRY THE BEST OF EVERYTHING . . . AT THE LOWEST PRICES. JOHN'S POCKETBOOK WILL BE SAFE, AND YOUR REPUTATION AS A COOK AND HOME-MAKER WILL BE MADE IF YOU CONSISTENTLY TRADE AT RED & WHITE STORES."

And there you have the secret of the phenomenal success of the RED & WHITE system . . . our products are recognized by smart young moderns and by wise and experienced housekeepers alike.
