

Miss Jeanell Martin Weds

The wedding of Miss Jeanell Martin, daughter of Mr. and Mrs. Weldon Martin of here and Melvin W. Edwards, son of Mr. and Mrs. Hubert Edwards, was solemnized at 3 o'clock Sunday afternoon in the First Methodist Church of Tahoka.

An arch of greenery and white gladioli flanked by candelabra and baskets of white gladioli formed the setting for the double ring ceremony read by Rev. J. B. Stewart. Mrs. Bess Reid played traditional wedding music and accompanied Mrs. Gwen Patterson as she sang "O Promise Me."

The bride, given in marriage by her father, wore an original gown of Dupioni silk over net and taffeta in a soft shade of ivory. Designated with a heart shaped Sabrina neckline highlighted by applique of lace embroidered with iridescent sequins, the fitted bodice has long petal-point sleeves and terminates with a point at the center front waistline. From this stems a circular cut skirt enhanced by scattered appliques of lace embroidered with sequins. The fullness of silk over net and taffeta falls into a small sweep at the back.

Her veil of silk illusion was joined to a plateau cap of shirred lace embroidered with seed pearls. Escaloped lace framed the face. The bride carried a crescent-shaped bouquet of pale blue carnations surrounded by white feathered chrysanthemums and white satin streamers.

Miss Alice Self of Lubbock attended her cousin as maid of honor. Candles were lighted by Mrs. Carolyn Baker of Wilson, sister of the bridegroom, and Miss Paula Kay Edwards, of Wolforth, cousin of the bride. Leroy Edwards of Bronco was his brother's best man and Wayne Martin of Ft. Bragg, N. C., brother of the bride, Jack Tunnell of Amarillo, brother in law of groom, Mason Davidson of Wilson and Darel Burton of Post were ushers.

Yellow roses and white gladioli decorated the church parlor at the reception which followed.

For a wedding trip to New Mexico the bride wore a white wool knit suit with a jeweled collar and blue accessories. The couple will be at home at Tahoka.

A graduate of Tahoka High School, the bride attended a Lubbock business college and is employed by the Tahoka First National Bank. The groom graduated from Wilson High School and has served two years in Army.

LOTT PHARMACY

BE SURE YOU ARE RIGHT

The subversive teaching (Gal. 1:6, 7; 4:10, 11) of those teachers who followed Paul in Galatia was very effective (Gal. 4:17). Although it was right to be zealously affected by teaching (v. 18) these Galatians had made the mistake of accepting error. One must have faith in what he does for God, or it will not please God and hence will be sin. (Heb. 11:6; Rom. 14:23.) But faith in what one does must be based on what God has said in his word, and not merely on what the preacher says. If the preacher preaches the Bible, one's faith can be based on both. In order to know when the preacher preaches the Bible, it is necessary to listen carefully to what he says, study the Bible carefully and then compare the two.

Because people are deeply affected by a teaching does not prove that the teaching is right. Many people believed strongly in Nazism and were zealous in promoting it, but that did not make it right. Paul was a zealous persecutor of Christians, doing it in all good conscience (Acts 22:3, 4; 23:1; 26:9-11; Gal. 1:14) but that did not make it right.

The division in the religious world today proves that many are wrong. Two people cannot differ about what the truth on a subject is and both be right. They may misunderstand each other and both be right, but if there is a real difference both cannot be right. Both may be wrong.

Of course there are honest and sincere people in all churches. Honesty and sincerity are not enough. If so, Paul had no reason to criticize the Galatians, and he himself made a foolish sacrifice when he became a Christian. Nothing, not even listening to good preaching, can take the place of studying God's word and following it. — Gospel Digest.

This sweet, smooth and sassy new Chevy has its own built-in "dollar-saver"—America's favorite six!

Hard to believe it, but this big beauty is a bottom-priced Chevrolet "One-Fifty." It's got Body by Fisher quality written all over it. And it has a peppery, sweet-running "Blue-Flame" six under the hood to

make your gas stops few and far between.

Like all new Chevies, it brings you a very special sureness of control. This is a quality that just can't be measured in dollars and cents. Lots of cars that cost lots more just don't have it. Come in and see how much pleasure we're passing out these days at Chevrolet prices!

Big beauty with small-budget ways!

It's powered by Chevy's famous six

To Make Laundering Lighter... Washdays Brighter...

AUTOMATIC GAS WATER HEATER

* Facts show that "the hotter the water, the whiter the wash." And a modern GAS water heater such as this slim, trim, 1957 RHEEM delivers temperatures high enough to more than meet the most rigid laundering specifications. Add to this the fact that dependable GAS heats water faster than any other fuel — and you've got the best insurance there is for the lightest, whitest launderings that ever came out of a washer!

Smart Moderns go GAS!

AUTOMATIC GAS CLOTHES DRYER

* You've no idea how much lighter your washday load can be, 'til you've tried a work-saving GAS clothes dryer—minus all the lugging, lifting, stooping and stretching that go with old-fashioned line drying. Lightens the load on hubby's pocketbook, too. Did you know that it costs only about \$2.60 a year to dry clothes for a family of four... plus, the fact that GAS drying saves on clothes because it's easier on cloth fibers than outdoor drying. Any wonder, then, why Smart Moderns go GAS?
