

**Look Who's New**

Congratulations to Mr. and Mrs. Hollis Swinney on the arrival last Tuesday in a Lubbock hospital of a fine 8 lb 5 oz. son named Clark Ellis. Grandparents are Mr. and Mrs. John Ellis and Mrs. Vera Etter.

**JACKPOT AT \$520**

The name of Mrs. P. A. Mansell was called Saturday afternoon in the Trades Day drawing for a 5 percent ticket but she was not present. Next Saturday the drawing will be at or near Lott Pharmacy and the Jackpot will be worth \$520. A fifty percent ticket would give the lucky winner \$260.

Saturday's crowd was smaller than usual due, likely to cold weather.

**LOCAL PASTOR LEAVES**

Rev. and Mrs. J. L. Mayhall left this past week end for their home at Bowie. For the past year or so he was pastor of the local Church of the Nazarene but recently retired. The Mayhalls made a great number of friends during their pastorate here.

Dr. and Mrs. Carl Page and family of Dimmitt visited their parents here last week.

Constable Cleve Bairrington arrested two drunks last week and Dep. Sheriff Son Guinn arrested a speeder on highway doing 80 mph, according to J. P. Horace Brunette.

A revival will open at the local Baptist Church Feb. 24th.

Mr. and Mrs. James Lemons have moved to the farm home of Mutt Gilliam just south of town.

**A FAIR DEAL**

In 1956 O'Donnell answered 8 rural fires and Tahoka answered 12 in Lynn County. The Commissioners Court allots \$1200 for fire calls in the county. Each fire was worth \$60 and O'Donnell will receive \$480 for the calls, according to Mrs. Beatrice McLaurin, Commissioner, Pct. 3. The same arrangement is in effect for 1957. Both O'Donnell and Tahoka fire departments requested the above division of funds according to use.

Dawson county does not allow O'Donnell any money for answering a fire call.

To date no fire calls have been made in Borden County but it is thought that county would pay if the need ever arises.

## Over 30 Numbers To Be On Show

### Best Show In History Is Planned

Friday nite Jan. 25th will be one of the highlights of the year in way of local talent when Joe Burkett's Variety Show will be staged at the high school auditorium beginning at 7:30. Admission will be \$1.00 and 60c and every cent of money taken in will go to March of Dimes.

Mr. Burkett said there would be 25 to 30 musical and comedy acts on the program. Entertainers from here as well as Post, Wilson, Tahoka, Slaton and Lamesa will make this program one to long remember. Again this year, as he was last year, Jay "Cuckleburr" Drennen of KSEL, Lubbock, will be the master of ceremonies.

For the first time in our history, a potential enemy now has the means to make an atomic bomb attack on any city in Canada or the States.

### IN OUR TOWN

A big clock ticks busily on the corner in our town; but no one stands idly and watches our lives go by — We are a town, and each person in our town must hold out a helping hand.

We are concerned with each life that God has placed here. Our children must have a chance to run and play and know the world as a happy place.

The little boy down the street needs some new braces and the little girl up the street needs surgery. There are half of our children in grade school that have not had had their polio vaccine.

We are fighting to wipe out polio.

Did we try?

Does our town have a heart?

— Mrs. Mary Beckham.

## School Census Is Being Taken

Means \$78 Per Child

January is the month set aside for census taking. Every child who will be 6 and under 18 years of age on September 1st, 1957 and who are residents of this district on the First of February 1957 should be taken on the census for O'Donnell Independent School District. This includes youngsters in or out of school, married or single.

Our per capita funds (\$78 per pupil) is determined by the census roll. It is therefore important that every child of school age be reported on this count.

The school is very interested in enrolling every beginner on this early count. During the summer our homemaking girls will conduct a short preschool for these beginners. Also there will be a pre registration early in May for all beginners. Parents and beginners will be invited to attend this introduction to the first grade.

If you have children or know of children that have not been taken on the census roll, contact any teacher or Mrs. Etter at the school.

**DIVORCE AND REMARRIAGE NO. 2**

From last week's examination of Matthew 19:3-9 we learn that one of the scriptural reasons for divorce and remarriage was fornication, or unfaithfulness on the part of one of the marriage partners. The second, and only other reason for divorce and remarriage, is abandonment of the Christian marriage partner by a non-Christian.

In the seventh chapter of the I Corinthian letter the apostle Paul sets forth certain inspired precepts with regard to marriage and the marriage relationship. In 7:8,9 he gives instructions to the unmarried. He advises them not to marry, and he gives this reason for this bit of advice: "I think therefore that this is good by reason of the distress that is upon us, namely, that it is good for a man to be as he is. Art thou loosed from a wife? seek not a wife" (1 Cor. 7:26, 27.) In 7:10, 11 he gives instructions to the man and wife who are Christians. "But unto the married I give charge, yea not I, but the Lord, That the wife depart not from her husband (but should she depart, let her remain unmarried, or else be reconciled to her husband); and that the husband love not his wife." This passage reveals that a man and wife who are Christians have no scriptural right to remarry. They must either remain unmarried or be reconciled.

In 7:12-15 Paul gives instructions to the Christian who is married to a non-Christian. "If any brother hath an unbelieving wife, and she is content to dwell with him, let him not leave her. . . Yet if the unbelieving departeth, let him (or her) depart; the brother or sister is not under bondage in such cases. . ." The Christian man and wife is under bondage not to be remarried, but to be reconciled. The Christian partner who is forsaken by the unbeliever is "not under bondage;" therefore, the inference is that the forsaken Christian is free to remarry. It is to be noticed that the Christian partner is not to take the initiative in bringing about a separation. The Christian must remain married to the unbeliever as long as the unbeliever is content to dwell with him.

These are the only scriptural reasons for divorce and remarriage, and the man and woman who desires to be well-pleasing unto God will abide by them.

**BILL TO HELP DROUTH AREA IS PROPOSED**

Rep. George Mahon of the 19th Texas District, has joined with several other Texas Congressmen and Senators in introducing legislation in the new session of Congress designed to bring early assistance to drouth-stricken areas of Texas and the Southwest. The proposal as worked out and presented was termed a "two-fold approach to the drouth problem."

The bill was described in the floor of the house by Rep. Bob Poage of Waco, chairman of the House Committee on Agriculture, as calling for immediate assistance to farmers and ranchers in the wide area of Texas and the Southwest who are in desperate need of help. Mahon and Poage pointed out that the prime purpose of the bill would require the Department of Agriculture to make payments to land owners who will agree to defer the use of their depleted pasture lands for periods of not less than 12 months. The program would become effective immediately and would continue over a period of three years after the drouth is broken. Mr. Mahon explained that the present crisis could well become a permanent condition unless steps were taken to give the parched pasture land a chance to recover.

Another feature of the bill would instruct the Secretary of Agriculture to assist in providing protein feed concentrates such as cottonseed cake. Members of the group said they felt the cake was needed immediately to maintain the range herds of the southwest and that type program would be cheaper and more effective than the hay or grain program now being carried out. "This bill would enable the stricken areas to take the steps which they know to be sound from a conservation standpoint but which they cannot afford to take in the absence of some Government program," the lawmakers explained.

# Got 5 minutes for fun?

That's all the time it takes to fall in love with Ford's spunkier V-8 power, its smooth as velvet ride, its easier-than-ever-handling

Love at first sight! That's the case with thousands of folks all over America. And why not? Those Ford Custom models are over 16 distinguished feet long. Those Fairlane models over 17 elegant feet long. And those lower, longer, sleeker lines! No wonder Ford's years-ahead styling sweeps you right off your feet.

But if you aren't sold on looks alone, remember Ford's beauty is more than skin-deep. And a 5-minute Action Test will prove it. Inside you'll find oceans of space to stretch out in. Breath-taking color schemes. Luxurious upholstery. And thanks to new "Inner Ford"

advances, you'll discover the smoothest riding, easiest handling low-priced car ever.

And of course, you'll find new, snappier power to go with Ford's out-of-this-world ride. It's the same exact brand of get-up-and-go that powered the '57 Ford to 458 national and international power-endurance records at Bonneville Salt Flats, Utah. And there's more of this skedaddle right through Ford's entire V-8\* and Six lines. What's more, with a whole host of engineering advances, you can expect traditional Ford economy at its finest.

You bet! 5 minutes in the new kind of Ford and you'll want to drive it home. Why not visit your Ford Dealer's today. You have nothing to lose but your heart.
