NUMBER 9

## Amateur Night Draws Favorable Comment

Amateur night, sponsored by the O'Donnell High School band on Thursday evening of last week, drew much favorable comment from hundreds of listeners. The band itself won first place and the prize of \$250 by its rendition of a novelty number "Old McDonald Had a Farm," and LaQuita Robinson, little daughter of Mr. and Mrs. Ewell Robinson, placed second with her version of "Little Man, You've Had a Busy Day." Twenty-eight numbers were rendered, displaying a variety of talent in songs and instrumental numbers, readings, and tap-dancing. The two rhythm bands, composed of primary students in striking black and gold costumes, drew a good round of applause.

Proceeds netted by the entertainment will be used to purchase instruments for the band. And speaking of the band, we feel that we are expressing the opinion of school patrons when we say that it has made remarkable progress during the short time Mrs. Burks has been working with it. Individual performances were excellent, and the two numbers given by the group were thoroughly enjoyable.

## BIBLE SCHOOL WILL BE STARTED AT MESQUITE

Elder R. P. Drennon of the Church of Christ will meet residents of the Mesquite community this evening for the purpose of discussing the organization of a regular weekly Bible school. All interested in this work are asked to meet with the group.

In our opinion, no more capable teacher than Bro. Drennon could be found anywhere. In truth, we believe he is competent for any worthwhile enterprise, whether it be church, Boy Scouts, Red Cross, Rotary Club, or what have you.

## Harley Sadler's Show Comes Here Tonight

O'Donnell people and the trade territory are happy to welcome back for a three night engagement, Harley Sadler and his company beginning tonight. Mr. Sadler and his company are considered personal friends and homebodies by all West Texas, and when the big tent goes up, everybody plans to go to the show.

Perhaps no other company in the entire Southwest holds the unique position of the Sadler organization. And this is due to the fact that Mr. Sadler is one hard and fast rule—his shows must be first-class, clean entertainment, fit for the whole family. The way most folks feel toward them is clearly shown by one incident which occurred in our small town.

A "tryin'" size young lady rushed into her mother's room a few nights ago exclaiming delightedly over the fact that a tent show was coming to town. Her mother rather emphatically reminded her that she was not allowed to go to tent shows, or to any show on school nights.

"But Mom," tearfully said the young lady, "this tent is just a tent show; it's Harley Sadler's show!"

"Oh, that's different," said Mom. "Of course we'll all go to Mr. Sadler's show."

And turning to a friend who was much interested, she added: "That's the watching the proceedings with one show I'm never afraid to let my youngster see, whether or not any of the rest of us can go. I know she'll see nothing questionable, and that she'll be well taken care of."

So, Harley and company, we're glad to welcome you to O'Donnell again, and we herewith extend a vote of thanks to the Entertainment for inviting you all to come. The big tent will be well heated and comfortable, and the location just west of the O'Donnell Hotel, assures plenty of parking space. Let's go to the show.

## Pneumonia Is Fatal For Colored Child

Funeral services were conducted here Tuesday morning for Dorothy May Higgins 6-year-old daughter of J. R. and Bertha Higgins, and interment was made in the city cemetery. The child, whose parents came here a little more than a month ago from Bastrop county and have been working on the Elmer LaGrone farm, was taken seriously ill Monday. The parents brought her into O'Donnell about one-thirty Tuesday morning, and a local physician diagnosed her illness as pneumonia. After securing medicines, they started the trip back home. About two miles out of O'Donnell, the little girl gave one gasp and died.

Rev. Smith, pastor of the Macedonia Baptist church, conducted the rites. The Index and the community extend sympathy to the bereaved parents who, strangers in a strange land, have suffered the greatest sorrow for human beings.

## Tahoka Bulldogs To Invade O'Donnell

All plans all preparations, and even all prayers of students and football fans here have been centered this week on the football game of the season which will be played Friday night on Johnson Field when the O'Donnell Eagles and their traditional rivals, the Tahoka Bulldogs, meet for their annual fray.

All indications are that this will be one of the hardest fought games of this season. Still smarting from last year's defeat, the Bulldogs are coming down with no intention of pulling their punches, and the Eagles are just as determined to maintain their last season victory. School officials discussed changing the game time from Friday night to Friday afternoon, but due to the fact that several merchants in other towns were unable to be away from their business the afternoon, it has definitely been decided to stay with the original schedule of Friday night.

Between-halves performances will be interesting and colorful. Bands and pep squads from both schools have worked out special stunts, and one of the big features of the game will be the coronation of the 1939 Football Queen, Miss Emma Jo Hinkle.

This coronation ceremony has become a tradition in the high school here, and will be attended by all due dignity and pomp.

Don't let anything interfere with your attendance at the game Friday night. Be there to boost the Eagles to win.

## O'Donnell Auto Parts M-M Tractor Agency

Mr. Lloyd Nowell of the O'Donnell Auto Parts announces this week that he will be associated with his father, S. O. Nowell, authorized sales and service agency for Minneapolis-Moline Twin City tractors and will be glad to discuss tractor problems with anyone.

Mr. Nowell has been in business in O'Donnell for some time now, and his standard of complete service and absolute satisfaction is recognized among local people.

He offers three sizes in these tractors, being able to show a model which appears in this issue of the Index he cordially invites you to come in and see the new models and talk over your tractor questions.

## MRS. BOYD'S FATHER TO BE BURIED THURSDAY

Funeral services will be conducted at Lamesa today for J. L. Reeves father of Mrs. B. J. Boyd. Interment will be made in the city cemetery here.

Mr. Reeves died at an early hour Wednesday morning of a heart attack in the home of a daughter in Lamesa.

As we go to press Wednesday at noon, details of his illness and of funeral services are not available. The Index joins with other friends in extending deepest sympathy to Mrs. Boyd and other members of the family.

## New Steam Table B & O Store Installs

Still following the store policy of "always better service for our customers," the B & O Cash Store has this week installed a new piece of equipment in the form of a steam table which will be used to keep meats ready for immediate serving.

A large barbecue oven and four steam-heated compartments for meat loaf, etc. will enable the market department to offer ready-made meals to suit anybody's taste.

The store is also furnishing salads as an added attraction to the new service. Manager B. L. Davis cordially invites everyone to come in and look the new equipment over.

## Ex-Students Dance To Follow Game

Eldon Carroll of the O'Donnell ex-students' Association, announces that arrangements have been completed with Harley Sadler's orchestra to furnish music for the Ex-students' dance which will follow the O'Donnell-Tahoka football game Friday evening. Admission will be \$1 per couple or stag, proceeds to be used in defraying expenses of the affair.

On this occasion ex-students of O'Donnell High School will be hosts to ex-students of Tahoka High School. Because of his own personal interest in the school and the football team Senior Pete Tijerina has graciously offered La Estrella Club for the dance, an offer which has been accepted by the organization in the same spirit in which it was offered.

Officers of the association wish to announce that teachers and parents will be present as chaperons, and that all parents are cordially welcome.

## Quannah Man Buys Local Bakery

In a business transaction completed Monday, W. E. Teeter of Quannah purchased the Mitty-Nice Bakery here, and will take charge this week. Mr. and Mrs. Lloyd, who have made many friends here during their short stay with us, will go to Stamford to make their home.

Mr. Teeter moved his family here Tuesday, occupying the former Vaughn residence near the school grounds. Three of the children will be in school, one boy in the Junior class, another boy in the seventh grade, and a daughter in the sixth grade, and a daughter mainly joins with us in extending a cordial welcome to Mr. and Mrs. Teeter and the family.

### Red Cross Drive Begins Nov. 11

The annual Red Cross membership drive begins over the nation Saturday November 11, and local chairman S. F. Johnson confidently expects O'Donnell to more than meet its quota, as has been the case for the past several years.

Local Red Cross headquarters will be at the First National Bank and those in charge of the drive here will have plenty of buttons and cards.

Mr. Johnson accepted his appointment as local chairman early this week, and will be assisted by C. H. Doak, who has ably directed Red Cross activities here for the past several years.

Lynn county's quota has been set at 750 members, said county chairman Rollin McCord Monday evening. Work of the Red Cross needs

Mr. and Mrs. A. H. Koeninger were called last Wednesday to Paradise by news of the death of his father, J. F. Koeninger, who had been seriously ill for several weeks. Funeral services were held at Paradise Thursday. Friends here join in extending sympathy to Mr. Koeninger and other members of the bereaved family.

### JUNIOR CLASS EXTENDS THANKS FOR SUPPORT

We are asked by the Junior class of the high school to express to the public their sincere appreciation of the support and cooperation accorded the class during the recent campaign for football queen. Without this loyal assistance, the class candidate, Emma Jo Hinkle, perhaps would not have been elected. Many thanks are the Juniors.

 Johnson Field, Friday Night

## Coronation Of Football Queen Here Friday

The coronation of the O'Donnell High School Football Queen, Miss Emma Jo Hinkie, will take place at the Tahoka-O'Donnell game Friday November 10, at Johnson Field.

The high school pep squad has planned an unusual program of stunts and drills for this occasion. The pep squad will march on the field in four lines to make their first formation, the double T. Going out of this formation they will begin a flag drill using flags of O'Donnell High School. A Jack O'Lantern Drill, a unique performance displaying the high school colors, will immediately follow the flag drill.

At this point, Elvin Ray Moore will play taps and the ward school rhythm band will be ushered on the field to make other formations with the pep squad.

The Royal Procession, the important feature of the program consisting of the football queen,

her escorts and her attendants, comes on the field and takes its place just in front of the rhythm band and pep squad formations. The actual coronation of the queen will be by the captain of the football team. While in this formation the rhythm band and pep squad will sing "The Eyes of the Eagles."

The same positions are kept on the field by the pep squad and rhythm band and royal attendants while the Tahoka Band, Tahoka pep squad and ex-students of O'Donnell High School march on the field to make other formations. The Tahoka band will furnish some music appropriate to the occasion.

### MISS BILLIE ETTER WILLIS VAUGHN MARRIED

In a quiet ceremony witnessed by only intimate friends, Miss Billie Etter and Mr. Willis Vaughn were married Saturday afternoon at Big Spring. After a short wedding trip to New Mexico, they will be at home on their farm in the Wells community.

This marriage united two of O'Donnell's most popular and prominent young people. Both were stu-

dents in the high school, the groom having been an outstanding athlete, especially on the football field, before his graduation. Mrs. Vaughn has taken an active part in student affairs this year, being a member of the pep squad, of the Eagles' Scream staff, a class officer, and officer of several student organizations.

The best wishes of scores of friends will join ours.

### MISS SKINNER AND HARDIN ISAACS WED

The marriage of Miss Ila D. Skinner and Mr. Hardin Isaacs, which was solemnized last Thursday in the home of Rev. M. E. Roberson, was of much interest to O'Donnell people. Both young people have grown to maturity in this section and have scores of friends.

The bride is the daughter of Mr. and Mrs. W. A. Skinner, and has for the past two years been a student in the local high school. She was a member of the pep squad, numerous clubs and organizations, and is one of the most attractive and popular young ladies of our community. Mr. Isaacs is the son of

Mr. and Mrs. J. H. Isaacs, long-time residents of our territory, and is much esteemed for his many sterling qualities.

For the ceremony, which was witnessed by only a few intimate friends, the bride chose a becoming teal blue tailored ensemble with harmonizing accessories.

They returned Sunday from a short wedding trip, and will be at home on their farm southeast of O'Donnell.

Topsy Miller, who has worked for Mrs. Fred Henderson for several years, was taken to a Lamesa sanitarium Tuesday morning for surgery. She is reported doing nicely.
