Scholastic Census Shows Heavy Gain

O. R. McCallum and I. C. Ful- boy have been taking the scholastic census in the independent District the past week and it is said that the work is in good order. The census is taken in order to get a better idea of the need of the school. This year's attendance has been the highest in the history of the school, and the information received from the census will be used as a guide in future years. The census is taken at the end of each school year.

Classmates Surprise Miss Fannie Dell Body

O'Donnell Mecca Citizens Plan to Vote Bonds for Water System

A meeting of citizens was held last week at the school building, and the proposed bond issue for the construction of a water system was discussed. The matter was presented by W. J. Teel, who will act as the chairman of the committee. He stated that the bond issue would provide for the construction of a water system that would supply the entire town. In a personal talk, J. W. Teel said that we might as well make up our minds now, and to wait until the bond issue is taken up. The matter was then adjourned and the meeting was adjourned until next Thursday night when the bond issue will be voted on.

All Set for "Trip Around the World"

At a meeting of the Methodist Missionary Society held last week, final preparations were made for the trip around the world. The committee in charge of the trip has been working hard to make the trip a success. The trip is scheduled to start on May 1st, and will continue until October 1st. The committee will be composed of ten members, including the president, vice-president, secretary, treasurer, and four members at-large.

J. W. Gates in Race for City Marshall

After due consideration of the trials and tribulations he would be subject to should he be selected, J. W. Gates has formed the opinion in his mind that he cannot give the time and effort it will take to be the best possible candidate for city marshal. It was not of Mr. Gates' own volition that he entered the race, but it was an answer to a call from his constituents at a nominating meeting held last Friday night. Mr. Gates served the position so capably and knows the duties of the office as well. The Index asks that you give him your candid consideration when you are selecting your mind as to whom you will vote for at the city election.
