MYF PLAN AN ACTIVE SUMMER

The Methodist Youth Fellowship meets every Sunday night at 6:30 p. m. Recreation is first on the schedule. Volleyball and directed games make up the playtime. A short worship follows giving inspiration to each young person present. An interesting program is given by a M. Y. F. member. Lastly comes refreshments. Last Sunday night 20 young people enjoyed an inspiring talk from Maria Caswell on "The Challenges of Life". The stress was on the challenges offered by M. Y. F. As a follow-up the duties of MYF officers were given and discussed. As a result the group named five p. o. ram area chairmen. The council consists of: president, Robert Bessire, vice-president, Bobby Jones, secretary-treasurer, Sue Lott, Publicity, Sarah Prather, Christian Outreach, Chairman, J. D. Eynans, Christian Citizenship, chairman, Patsy Cook, Christian Fellowship, Chairman, Lanny Brewer, Christian Witness, Chairman, Ossian Smith, Christian Faith, Chairman, Maria Caswell, Adult leader is Mrs. -ud Bessire.

The new Council will have its first executive meeting Wednesday July 2nd in the Methodist Fellowship Hall at 8 p. m. The MYF offers a challenge to each young person. The group invites you to join their fellow ship and to share their good times.

Film Strip At Wells

"Banderilla" a 45 minute color and sound movie will be shown Saturday night at 8:30 p. m. at Wells Baptist Church. This is a dramatic story of Protestants in Spain and is said to be one of the best Christian films ever made. It is fully documented and forcefully re-acted. The public is cordially invited.

Violent Weather

A thunder storm Saturday netted 55.100ths inches of moisture Saturday. The fall was up to an inch east of town to draw but little or no rain fell elsewhere.

Monday a wall of sand hit the area about 1 p. m. coming in on a weak cool front. Winds were gusty for about 15 minutes and sand burnt some young cotton.

Generally the goose hangs very high and the crop to date has been less expensive than in past years. Cotton chopping needs is at a minimum and insect damage seems less than normal. The crop is growing off well. Rain will be needed shortly especially for the shallow-rooted feed crop.

The demand for housing grows by the day.

Mrs. J. E. Garland of Lamesa, and mother of Mrs. Mack Noble of here, had a brief illness last week and spent three days in a Lamesa hospital. She is at home now and doing fine.

Mrs. L. L. Birdwell will be hostess to the Thursday Bridge Club this week.

Elvin Moore is currently remodeling and enlarging his insurance building.

Elect Judge Sarah T. HUGHES To Supreme Court
