EAGLES' SCREAMS

Seventh Grade: We had a very
enjoyable time this week end, as we
had a lovely picnic in the country.
We are all studying hard this week,
getting ready for exams.
Sixth Grade: Mrs. N. T. Singleton
gave us an Easter egg hunt Friday
afternoon. Hilman Maxwell found
the prize egg, and was given an East-
er rabbit. We are all working hard
for six weeks' exams, and hope to
make a good record.
High Sixth arithmetic honor roll:
James Bowlin, Lennie Crane, Lendon
Russell, and Lloyd Shoemaker. Buck
Preston made the honor roll for the
Low Sixth.
Fifth Grade: We started on our
six weeks' examinations Tuesday
morning. On Friday morning Mrs.
McLendon gave us an Easter egg
hunt and served ice cream for re-
freshments. We enjoyed it very much
and wish to express our appreciation
to Mrs. McLendon.
Fourth Grade spelling honor roll:
Josephine Simpson, Lena Mae Sim-
pleton, and Daniel Foster.
Second Grade: We enjoyed our
Easter Egg hunt very much last Fri-
day. Nelda Harrison found the prize
egg, and was given a basket of eggs
and an Easter chick. We are making
a bird book this month.
Mrs. Ruby Sanders of Sweetwater
is the guest this week of her sister,
Mrs. John Fritz, and Mr. Fritz.

*** Wells Weekly Splash ***

Sylvia Aldridge, Editor
Audine Jordan won county cham-
pionship in girls' tennis singles. We
are very proud of her.
Our baseball team visited New
Moore last Wednesday, and defeated
that team by a score of 15-4.
Fifth and Sixth Grades made some
attractive Easter baskets last week,
and the fifth grade room was at-
tractively decorated for Easter.
Both these grades have been mak-
ing History posters for their rooms.
Wells Choral club won first place
in the rural division at county meet
last week.
Mary Smith and Alta Mae Simp-
son won second place in spelling at
county meet.
High school students are to have a
picnic this week. We will report it
next week.

The Blue Darter

Edited by Students of Joe Bailey
School
*R. L. Tyler - Editor in chief.
*Mary Frances Brewer - Associate
Editor.
Charlie Beckham - Sports Editor,
Juanita Williams - Girls' Sports.
Beatrice Beckham - Joke editor.
The Blue Darter boys and girls
have a new croquet set and a new
football. Blue Darter boys practiced
hard for the county meet events,
and we are very proud of the record
they made last week.
In Eighth Grade Literature the fol-
lowing pupils were exempt from tak-
ing examinations last week: Beatrice
Beckham, Juanita Williams, Mary
Frances Brewer and R. L. Tyler. R.
L. was also exempt in history.
In the seventh grade, Lucy Cook,
Charlie Beckham, and Erma Eaker,
are on the honor roll.
Sports
Charlie Beckham
Lucy Cook and Johnnie Faye Mur-
ray defeated the O'Donnell girls in

tennis and went to the county meet.
The boys were defeated by the O'-
Donnell team.
Most of our pupils attended county
meet both weeks.
Mrs. H. C. Hunt has as her guests
this week her mother and niece from
Seagraves.

**CONOCO INTRODUCES
A Remarkable new MOTOR OIL**

Its lower consumption and greater protection to motors
proved by the most convincing test ever made!

THIS new oil has a tremendously increased "film strength"—
and a penetrative oiliness to always protect your motor. The
"Hidden Quart" never leaves a dry spot or a bearing without
lubrication—it resists dilution—and eliminates much trouble
caused by carbon and sludge.

The process which gives these exclusive new features is pro-
tected by recent U. S. patents. Conoco refines a high quality
paraffin base oil and then adds the extra oiliness that is ab-
solutely necessary to obtain the protection and low consump-
tion every motorist should demand.

**New and Improved Conoco Germ Pro-
cessed Motor Oil excels in the most
convincing test ever made, under the
supervision of the AAA Contest Board.**

Presenting New and Improved Conoco Germ Pro-
cessed Motor Oil you are furnished facts of performance.
You will at once be convinced of the direct value
of this new oil. A test so dramatic, so honest, that it will
go down in history!

This test was held at the Indianapolis Motor Speed-
way. The Contest Board of the American Automobile
Association supervised all details, thus assuring an
unbiased opinion. Six new regular stock cars were delivered
direct to them. They were tested and measured each to obtain
an equal condition in all.

Six brands of motor oil, of the same S. A. E. grade,
were used. Five of them, all purchased by the AAA on the
open market, were nationally known, widely recog-
nized leaders. The other one was New and Improved
Conoco Germ Processed Motor Oil. All cars were then
carefully broken in for 2500 miles. Five quarts, a new
and complete fill, were put in each car and the crank-
cases sealed. Then the real battle for supremacy began.
The cars were driven for as long as the motors continued
to operate.

Here are the results: Oil No. 4 quit at 1713.2 miles;
Oil No. 6 quit at 1764.4 miles; Oil No. 5 wrecked the
motor at 1815.9; Oil No. 1 ceased its lubricative pro-
tection at 2266.8 miles; and Oil No. 3 at 3318.8 miles.

New and Improved Conoco Germ Processed Motor
Oil carried on a total of 4720 miles! Over three thousand
miles farther than the first oil to go out, and over four-
teen hundred miles farther than the final oil of the five!

It is the Germ Processing principle, only used by
Conoco, that won the test. This "Hidden Quart" that
lubricates all parts at all times—that stays up in your
motor and never drains away. Drive into a Conoco Sta-
tion or Dealer for a fill. You are getting the most in
lubrication value that money can buy.

Warning TO NEW CAR OWNERS...
Some car manufacturers are using new types of
bearings which will stand greater pressures and
temperatures, resulting from increased power
and speed. New and Improved Conoco Germ
Processed Motor Oil has been extensively
tested on these new bearings. The results show
that it gives them greater protection against
damage than heavy weight mineral oils now
on the market.
Protect your new car by using the motor oil
you can buy here!

1 The Representatives of the Contest Board of the AAA who supervised every detail of the test.

2 Five quarts of each brand of oil were carefully put in the cars by AAA officials.

3 The official sealing of crankcases after final fill of the quarts.

4 These were new motors before the test. They were wrecked to prove to you how to protect yours.

 Little Laura Ann Ellis is somewhat improved this week, but is still seriously ill.

ITINERARY FOR HOME DEMONSTRATION AGENT

Following is the itinerary for Miss Sylvia Robb, county home demonstration agent for the first two weeks of April:
 Monday: Morning, office, afternoon, Grassland.
 Tuesday: Morning, New Lynn 4-H; afternoon New Lynn women.
 Wednesday: Morning Draw 4-H; afternoon Edith women.
 Thursday: Morning Wells 4-H; afternoon Wells women.
 Friday: Morning, Southward 4-H; afternoon, Southward women.
 Saturday: Office.
 Monday: Morning Office; afternoon, Petty women.
 Tuesday: Morning, Morgan 4-H; afternoon, Petty women.
 Wednesday: Morning, Grassland 4-H; afternoon Tahoka women.
 Thursday: Morning, T-Bar 4-H; afternoon T-Bar women.
 Friday: Morning, Joe Stokes 4-H; afternoon, New Home women.
 Saturday: Morning, office; afternoon, County Council.

CARD OF THANKS

These words could never express the heartfelt gratitude we feel for the many deeds and words of kindness bestowed upon us by our neighbors and friends at the tragic death of our beloved one.
 Only your sympathy and love enabled us to endure the shock and grief, and nothing was left undone or unsaid which could have been of any help to us. May God's blessings be with each of you.
 Mr. and Mrs. J. C. McCarley.
 Mr. and Mrs. Carl Alexander.

 Mr. and Mrs. A. K. McCarley and family.

Wife's Society

Family Dinner Celebrates Birthdays

Mr. and Mrs. E. G. Stokes, prominent residents of this part of the country for a number of years, were highly surprised last Sunday when their children and grand children held a surprise birthday dinner for them at their home west of town.

The guests assembled immediately after church and drove to the Stokes home. Here, in a bedroom, was a beautiful array of gifts the most unique being a quilt whose blocks bore the names of the children and grand-children of the honorees.

A complete turkey dinner was served in the dining room, all table appointments and decorations carrying out a Easter motif. In the center was a three-tiered birthday cake with 142 pink, blue and green candles, 75 for Mr. Stokes and 67 for Mrs. Stokes.

Those present were Mr. and Mrs. N. W. Stokes and children, Mrs. W. P. Covert of Lamesa, Mr. and Mrs. John Stokes and children, A. H. Stokes and family, Mr. and Mrs. R. L. Stokes and children, Jim Stokes, Miss Leona Stokes, Mrs. C. A. Holm, J. W. Jardenhiser, Mrs. Cecil Walker and daughter, Mrs. J. E. Logston, and the honorees.

Teacher's Marriage Is Announced

Mr. and Mrs. J. D. Walker of Lubbock announce the marriage of their daughter, Miss Jessie A. Walker, to Mr. J. C. Bateman of Celina, the ceremony being performed in Dallas on February 24 with Rev. Henry May pastor of the First Christian church, officiating.

Mrs. Bateman is a graduate of Texas Technological college and is now head of the Home Economics department in the local high school. Her agreeable personality and her efficiency have made her popular among students and patrons alike, and news of her marriage was received here with much interest.

Mrs. Bateman is a former student of North Texas Teacher's College and of the University of Texas, at the latter institution pledging Theta Xi fraternity. He is connected with the U. S. Department of Agriculture.

Miss Frances Scott And Golden Simmons Are Married Saturday

Of interest to O'Donnell people was the marriage of Miss Frances Scott and Mr. Golden Simmons, which took place Saturday evening. Mr. and Mrs. Simmons have not yet returned from a honeymoon trip, so that full details cannot be given this week. However, friends are of the opinion that the ceremony was performed in Brownfield, and that they are now in New Mexico vacation points.

The bride is the charming and accomplished daughter of Mr. and Mrs. M. A. Scott. She has made her home in O'Donnell for almost ten years, graduating from the local high school with the class of 1931. She was active in scholastic affairs during her school days, and has been one of the most popular members of the younger social set since her graduation.

The groom is a son of Mr. and Mrs. W. E. Simmons, and is likewise well and favorably known throughout the territory.
 Both young people are admired and liked by a wide circle of friends, all of whom join in extending best wishes for a long and happy life together.

Celia Ann Welch Has Birthday Party

Little Miss Celia Ann Welch, daughter of Mr. and Mrs. Paul Welch, celebrated her third birthday Monday afternoon with a party at the home of her parents.

Assisted by her small sister, Cynthia Lynn, the honoree received her guests with all due dignity and seriousness, but the dignity of the occasion was forgotten when it was time to open the many dainty packages.

Games interesting to the extremely youthful party were enjoyed for several hours, and at tea time refreshments of ice cream and cake were served. Gaily colored balloons were party favors.

Those present were John Ellen, Corky and Peggy Beach, Freddie Joe Eubanks, Billy and Jean Hodges, Bobbie and Billie Spradlin, Sally Jean

Nichols, Berta Mae and H. M. De-Busk, Ruth, Jack, Alice Nell, and Eunice Walker, Ronnie and Joyce Williams, Cynthia Lynn and Celia Ann Welch.

Mrs. Welch was assisted in entertaining by Miss Spradlin, L. N. Nichols, Jean Nichols, and Miss Claire Ruth Nichols.

Needle Club Meets With Mrs. Adams

Mrs. Roy Adams, assisted by Miss Mary Adams, was hostess last Thursday afternoon to members of the Needle Club when they met at her home in the New Moore community.

Music and darning were enjoyed by all, with a pleasant social hour and chat to help the sewing along.
 The Club will meet next Thursday with Mrs. Guthrie Thompson.

Delicious pie and hot chocolate topped with whipped cream were served to Miss A. L. Nelson, Olan Blair, Maudie Thomas, W. A. Holt, Gene Eider, Jimmy Penland, W. M. Nelson, J. W. Nelson, Fred Buchanan, E. J. Manard, Frank Berry, Ted Rogers, J. W. Pendleton, Peacher Loggers, Guthrie Thompson.

H. D. Club To Meet With Mrs. Wheeler

We are asked to remind all ladies interested in home demonstration work that the local club will meet Tuesday afternoon, April 3, at the home of Mrs. F. G. Wheeler.

An interesting program is being prepared, and everyone is urged to be present at 2:30.

Editorial
 As previously stated at the beginning of this series of articles, what is said in this column does not apply to any particular school or community but is common to a large number.

All over the State of Texas Saturday evening people are coming together to gather the pollen to select their school boards. In some communities this event is the big excitement of the year and is the climax to much campaigning. In a large percent of the schools the people are divided on the school management and at election times a merry fight for the power of control is waged. This is a deplorable situation when the men and women of a school district can not get together on the one thing they have in their neighborhood that is for their common good. It is a shame that the grown-ups have to put such an example of citizenship before the younger folks of our country. It is disgusting to note how some of the men who have been elected to the school boards put on airs as though he bore a senatorship. The authority in the hands of such a person is like putting a knife in the hands of a monkey, you never know how and when he is going to use it. I have known men of such progressive movements in communities simply because he felt that his authority was being disregarded. I have known school boards to sit up all night meeting teachers seemingly because they enjoyed their position of board member.

I maintain that the present plan of school management should be abandoned for more efficient methods. A paid county board member should be appointed whose sole duty it would be to see after the various schools in the county and in this way do away with the small boards who never unanimously agree on any question, whose members are often uneducated, and consequently incapable of intelligently managing school affairs or employing teachers.

Easter Hunt A Great Success

By John Calicote
 Friday afternoon of last week, the students of the higher grades were escorted to the "49" ranch for an Easter Egg hunt. Upon reaching the scene of the hunt, they were told to look for eggs and a very pleasant hour was spent searching for the eggs and prizes. Curtis McMurtrey found the grand prize egg while other prizes were found by Christine Duffern, Manuel Shafer, Clarence Simpson, Albert Korenec, and Wayne Williams. After the hunt was over the group went to Salt Springs where the rest of the afternoon was spent in climbing the walls of the canyons and doing other things that contributed generally to a tired but happy party of school children that arrived home about four thirty in the afternoon.

Keeping A School Room Attractive

By Clarence Simpson
 No pupil likes to sit in a class room strewn with papers and book covered desks. It is the duty of every pupil in the school to see that his particular part of the school room is clean and attractive. No paper should be allowed on the floor and books not in use should be kept out of sight in the desk. Frequently we have visitors and we do not want them to go away with the wrong impression. Be prepared at all times to receive company at school and if company does not come then you may have had

This Seal Is Your Assurance Of EFFICIENT GAS APPLIANCES

"To receive the American Gas Testing Laboratory BLUE STAR approval seal a gas range shall produce no carbon monoxide." In the photograph above, a laboratory chemist is testing the products of combustion of a newly designed gas range.
 Your gas range should be the best designed gas appliance in your home. For a good gas range, to be satisfactory in every respect, must meet more exacting requirements than any other household gas appliance.
 The American Gas Association of which this company is a member, has invested more than one-half million dollars in its Cleveland testing laboratory. Thus facilities have been provided to truly test new gas ranges and all other new gas appliances. The good are separated from the bad, and every approved appliance is REQUIRED to have the BLUE STAR approval seal, illustrated above, affixed to it.
 A gas range or other gas appliance does not necessarily need to be costly in order to be an approved type. Nor can you assume that because a gas appliance is very modern and beautiful in appearance and ever costly it may be. This approval seal represents recognized standards for performance, efficient operation, and substantial and durable construction. Therefore, no gas appliance, at any price, should be purchased that does not have this BLUE STAR affixed to it. When shopping for a new gas appliance, ask the dealer to show you only those appliances which have this approval seal—as this is more important than all other considerations combined.

ON TEXAS FARMS

By W. H. Darrew
Extension Service Editor

Seventeen Wharton county 4-H club boys have marketed 11,074 pounds of beef calves for an average net profit of \$8.50 per calf. The calves got off to a good start in feeding because of being creep fed five or six weeks by F. E. Mick, cattle feeder at Lago, before being placed with the boys.

"We had the cow, and the nursery man wanted her; I wanted shrubs and did not feel that I could buy them, so we traded. I got abelia, nandina, Italian cypress and wax leaf Geranium for foundation planting near the house. I intend to get native shrubs from the woods to complete my yard beautification." So says Mrs. Walter Williams, a home demonstration club member at Chappel Hill in San Augustine county.

Many of the contracted acres in both cotton and corn are to be terraced this year in Llano county. 4-H club boys of Llano high school have a farm level and plan to help farmers run lines.

Terraces 35 feet wide and 24 inches high have been built recently on 800 acres of McCulloch county land as a result of Federal Land Bank requirements. Several thousand acres more will be terraced soon, under county agent supervision because of these requirements.

From 28 cucumber vines Mrs. J. R. Patterson of Holt Home Demonstration Club in Hutchinson county has put on 65 gallons of cured pickles, supplied cucumbers for sandwiches, pickled all the fresh ones the family could eat, and furnished some to neighbors.

There were 4000 head of cattle on feed in Hale county last winter, according to a county agent report.

CUMBERLAND PRESBYTERIAN CHURCH

Rev. R. Q. Dyess, pastor of the Cumberland Presbyterian church at Petersburg, Texas, will preach at 11 o'clock Sunday at the local Cumberland Presbyterian church. The pastor Rev. W. H. Cheatham, will be in attendance at Presbytery at Lubbock, and will preach the Presbyterial Commission sermon at 11 o'clock.

The pastor will preach at the local church at 8 o'clock Sunday evening. Rev. Dyess will likely sing one or more solos since he is one of the leading bass soloists of the Texas plains, having spent a number of years in concert work.

Sunday school at 10 o'clock. The public is invited to attend all services at this church.

PLAINVIEW

April opened with some pretty weather. Soon will be planting time.

Bill Walker's children are all down with the measles. Also Mr. O'Connors children. Some of the are pretty sick.

Q. M. Heard is in Lubbock hospital again. He is improving the doctors said.

Mr. and Mrs. Holland of this place visited J. H. Isaac and family of Berry Flat Sunday.

Mr. and Mrs. I. T. Truett and son Gene of Key visited Mr. M. J. C. Riley Sunday. Mr. and Mrs. Granval Truett and family of Hancock also visited in the Riley home Sunday.

Mr. and Mrs. John Kourek and children of Berry Flat visited in the E. Q. Smith home Sunday.

Miss Mary Berta Holeman of this place and Wilburn Summers of Berry Flat were married last Wednesday night.

Misses Barnaby and Billie Brandon of New Moore are visiting their sister and family Mrs. Tommie Heard of this place this week.

Jan Parker of Berry Flat was driving around in this community two or three days in the past week.

PERSONALS

Dub Middleton announces that he is good and sore at the Index be-

cause he, entirely by accident, and because we didn't know it, failed to state that he had accompanied Fred Henderson on that fishing trip down in Old Mexico. We sincerely apologize, and further report that Mr. Middleton caught one of the biggest fish that ever came out of Lake Medina. (However, we still say that if he had brought part of that fish to the editor, that said editor would have KNOWN he went fishing.)

Mr. and Mrs. Roy Carpenter of Andrews spent the week end here with her parents, Mr. and Mrs. J. T. Middleton.

Mrs. W. H. Thornhill was sufficiently recovered from her cold to be down Saturday looking after her store.

Mrs. Fay Westmoreland and Miss Thelma Palmer were guests of Miss Lorna Gray Heard of Hobbs' N. M. Friday night and Saturday, attending an exhibit of Miss Heard's primary pupils in that city.

Miss Iva Dimple Hancock, who is a freshman at State College for Women (C. I. A.) spent the Easter holidays here with her parents, Mr. and Mrs. W. W. Hancock.

Extensive repairs and additions are being made at the residence of Mrs. A. J. Warren. Work has been under way several days.

Mrs. Roy Everett and daughter, Wanda Zell, were in Lubbock Saturday.

Mr. Bert E. Lowe of the San Antonio Joint Stock Land Bank was here on business Tuesday morning.

SEWING: Plain or fancy, by a trained and experienced seamstress. Mrs. F. A. Anderson. 1tp.

Miss Leona Stokes visited Mr. and Mrs. Henry McQueen at Lamesa Monday.

Mr. and Mrs. W. L. Gardenhire and son, Billy, are visiting relatives and enjoying a fishing trip at Austin and San Antonio this week.

Miss Wynona Huff, who is attending State Teachers College at Denton, spent the Easter holiday with friends at Bellevue and Mineral Wells.

Mr. and Mrs. G. C. McPherson were in Lamesa on business Wednesday.

Walter Hancock and J. B. Barnett were in Lamesa Wednesday on business.

Messrs. and Mmes. Calvin Fritz and J. C. Christopher were in Slaton Sunday.

Miss Beatrice Gardenhire of Lamesa visited in O'Donnell the first of the week.

L. E. Vaughn of Lamesa was in O'Donnell on business Thursday of last week.

Mr. and Mrs. Marshall Whitsett visited relatives and friends at Munday this week.

C. C. Houchins is seriously ill in a Lubbock sanitarium. We were unable to learn the nature of his illness.

Miss Lela Seales of Lamesa and Orris Seales of Lubbock were week end guests of the C. B. Morrison family.

Hal Singleton, Jr., acted as one of the judges in the bird dog show at Lamesa Monday.

Mr. and Mrs. J. W. McDonald and daughter, Miss Marie, were in Lubbock Tuesday.

Mr. and Mrs. C. H. Doak visited their daughter, Mrs. Major H. Rodgers, and family at Levelland last week.
