1946 STUDY CLUB HAS FIRST MEETING

The 1946 Study Club opened the year Sept. 11 with a very colorful brunch in the Community Center.

Ruth Bates, the program chairman, introduced the guests which were the senior girl scouts and their leader.

The program was closed by Pam Singleton, eight girls and three leaders were present.

STUDY CLUB HAS MEETING SEPT. 28

The 1946 Study Club met in the Community House Sept. 28. Hostesses were Mrs. Clyde Edwards, Mrs. J. W. Gardenhire...

Mrs. Lorene Thompson gave an enjoyable talk on beautification of the home and community.

Twenty members were present and were served apple pie and coffee from a table decorated with Fall flowers.

The next meeting will be Oct. 19 in the home of Mrs. Wayne Carroll.

GIRL SCOUTS HOLD NEIGHBORHOOD MEETING

The regular Girl Scout Neighborhood meeting was held October 1 at 9:30 a. m. in the home of Mrs. Pete Woolam.

Those attending were Mesdames J. W. Gardenhire, W. H. Cook, Howard Owens, Jr., W. E. Singleton, Jr., J. D. Stewart, Jr., C. P. Thompson, Jr., J. T. Woolam and James Russell...

Anyone interested in scouting is invited to attend these meetings as they are informative as to what our girls are doing as scouts.

The next meeting will be November 5 at 9:30 a. m. in the home of Mrs. W. E. Singleton, Jr.

JUNIOR GIRL SCOUTS

Troop 74 met Wednesday afternoon in room seven. We discussed what pins we are going to work on. We also selected our troop names.

Mrs. Cook, our leader, has two helpers, Katie Garrett and Libby Cook - Reporter, Elaine Traylor.

Palo Duro Show Met Big Response

Canyon - Final presentation of Palo Duro Canyon Amphitheater's "Thundering Sounds of the West" for this season climaxed an amazing first-run summer theater event.

The seating arrangement planned originally for 1,800 had to be expanded by 350 early in the season and that still wasn't enough.

The cast drawing all this attention was made up entirely of local talent, observed W. M. "Mark" Gosdin, assistant director for the parks of the Texas Parks and Wildlife Department.

Mrs. Herbert Ray and a niece from Seagraves were here visiting Sunday.

JUNIOR FIRE MARSHALS LAUNCH CAMPAIGN

To thousands of school children across the nation "back to school" will also mean back to their roles as Junior Fire Marshals for another year of fire prevention and safety in the home, at school, and at play.

The program is coordinated through Elvin R. Moore of the Moore Ins. Agency, in cooperation with local school and fire department officials.

Among the Junior Fire Marshal's first projects will be a thorough inspection of fire and other safety hazards in their homes. With the aid of a check list, and under the guidance of their parents, the boys and girls will be looking for such common causes of fires and accidents as frayed electrical cords...

Discount Offered On Tax Payments

Lynn county taxpayers may save three percent on state and county taxes by paying these taxes in October...

The deduction will be reduced to two percent for November and to one percent for December. In January, the full price will be applicable...

Texas citizens still pay poll taxes to vote in state, county, city and school district elections. Citizens are reminded that poll tax fees are not included in tax statements mailed out to property owners.

A person may vote in national elections by registering as a voter.

4-H NEEDS YOU

By Benny Barton

If you are between age 9 and 19 years, 4-H needs you as an active club member.

4-H Club work can be as big or as little as you make it. There are many projects to choose from, whatever you are interested in.

County agents, parents, adult leaders and sponsors and donors make 4-H Club work possible for all boys and girls.

Take advantage of the opportunities 4-H offers you. Join a 4-H club during National 4-H Club week.

O'Donnell 4-H Is Observing Week

The O'Donnell 4-H Club is observing National 4-H Club Week along with 94,800 other 4-H Clubs.

In observance of the week 24 club members and six adult leaders attended church services together at O'Donnell Methodist Church last Sunday where they received special recognition by the pastor, Rev. Robert Brown.

Throughout the week special posters will be displayed in various places in Tahoka and O'Donnell by club boys and girls.

At the recent O'Donnell Fair the 4-H Club sponsored the Children's Barnyard, Turtle Race and a bubble gum blowing contest.

Club members set up two exhibits at the Dawson county Fair, the educational exhibit winning a blue ribbon and the agricultural exhibit placing third.

Several members will attend the State Fair at Dallas beginning Oct. 11. LaNita Wood will participate in the State Dress Revue held in conjunction with the fair.

She is one of four winners from District II Dress Revue. Those from O'Donnell who will be exhibiting livestock in the junior division are Randy Bessire, Benge and Jack Williams, Tandy and Benny Barton, Kevin, Billy Jack, Kent and LaNita Wood and Mary Moore.

ROTARY NEWS

The O'Donnell Rotary Club met Tuesday with President Truett Hodnett presiding. Visiting Rotarians were R. B. Snell, Windy Beckham, Wesley Mickey, John Agee, and Owen Taylor of Lamesa. Mrs. J. Gardenhire was a guest.

"Open your eyes to the World around you" was the International Camp Theme of the Scout Cabans recently held in Cuernavaca, Mexico, so reported three very charming young ladies, Misses Jimmy Gay Gardenhire, Libby Cook, and Pam Singleton...

A letter from London tells that many homes are still built on the Anne Hathaway Cottage style. These cottages have the chimney corner similar to the Anne Hathaway Cottage of Stratford-On-Avon.

A magazine from India shows the similarity of the American adds, recipes and love horn columns.

Thought for the week: "Open your eyes to the world around you."

The 1963 version of the Borden County High School Coyotes can do nothing but improve on their 1-9 record of last season. The Coyotes have a new coaching staff this year in Head Coach Jack Aldridge and Assistant Coach Joe Neill.

Passing seems to be the key to a successful campaign this year with Brant Payne handling the quarterback spot and ends Dale Kite and Ricky Cunningham manning the end positions.

Payne has already connected with Cunningham twice and Kite once for TD aeriels in the Coyotes' first two games.

The Coyotes are a young squad this year with only four seniors. Lack of experience will be the main weakness. This will be made up for with a good overall speed and desire.

Leading the defense for the Coyotes is 193 lb. senior guard Larry Wallace and 175 lb. guard David Lansford.

Don Nunnally and Larry Isaacs are the halfbacks with Nunnally the fastest man on the squad. The starting unit is rounded out with Tommy Hancock at center and Kenny Hensley at guard. Wallace is the other guard.

The Coyotes have a 1-1 record thus far this season, defeating Forsan last week 14-3 and losing to Sterling City in the opener 22-6.

The remaining schedule: Sept. 24: Garden City at Gall. Oct. 1: *Sands at Gall. Oct. 8: *Flower Grove there. Oct. 15: *Loop at Gall. Oct. 22: *Wellman there. Oct. 30: *Kiondika at Gall. Nov. 9: *Southland there. Nov. 13: *Dawson there. *Denotes District games.

ROTARY DISTRICT GOVERNOR TO VISIT O'DONNELL CLUB

J. M. (Jimmy) Willson of Floydada, Texas, governor of district 273 of Rotary International, world-wide service organization, arrives here Oct. 4 to visit the local Rotary club, one of the 45 clubs in his district. He is scheduled to address O'Donnell Rotarians at their meeting and will confer with Truett Hodnett, president of the local club, and other club officers on Rotary administrative matters and service activities.

A member and past president of the Rotary Club of Floydada, Mr. J. M. (Jimmy) Willson, Jr. is a building materials merchant. He was appointed district governor for 1964-66 to replace G. C. Jerry Ratcliff of Amarillo who resigned because of illness. He is one of 278 district governors responsible for supervising the activities of more than 12,000 Rotary clubs in 127 countries.

C. Truett Hodnett, president of the local Rotary club, in explaining the purpose of the official's visit, said, "The governor of this district will be here as a counselor and adviser. We will discuss with him our plans for the year and such matters as expansion of membership and ways of further implementing Rotary's program of service. He will also give us here in O'Donnell an insight into the global Rotary organization."

As the acting governor of this Rotary district, Mr. Willson supervises the organization of new clubs in this area. Last year, more than 250 new clubs were organized in 38 countries.

During his term of office, he will hold a conference of all Rotary clubs in his district to further the program of Rotary through fellowship and the discussion of matters relating to district affairs and activities.

Longer Vehicles Due On Roads

The Legislature has seen fit to allow the operation of longer vehicles on Texas highways. These vehicles can be maximum of 65 feet. The present length for a combination of vehicles is 50 feet. The law has been changed as a result of the trucking industry seeking to improve the efficiency and quality of service to the public.

These combinations commonly known as "double-bottoms," although used extensively, are virtually unknown in many areas of the country. Texas has been one of those areas. However, beginning September 1, 1965, we will begin seeing the "big-rigs" on our roads.

Our purpose in this article is to acquaint the motoring public with the fact that the bigger and longer vehicles will be on our roads. And, though we occasionally see a long truck, mobile home, or some oil field equipment on the highway and we need to drive accordingly—these are not too numerous. The "double-bottoms" will be there day and night, especially on our thru highways.

In the past a vehicle combination of this type would have required a permit and would not have been allowed on the roadway at night.

Since the picture is changing, Texas motorists will need to change some driving habits. Look for these longer and larger vehicles at night.

Naturally your question is, can they "fit" into present day traffic? Let's look at the turning movements of these 65 feet length "double-bottoms." According to Traffic Safety, a National Safety Council publication, the Department of Commerce says that, after tests they ran, the 65 feet combinations have less off-tracking than the 50 feet, five-axle tractor semitrailers.

"For a 90 degree turn, such as a city street intersection, the 65 feet 'double' has a track width 2.7 feet narrower than the 50 feet tractor semitrailer."

Turning on the cloverleaf intersections of the Interstate System, the Department of Commerce tests show the "doubles" are 1.2 feet narrower than those of the smaller combinations.

MOURNING DOVE SEASON

AUSTIN—The opening salvo in the 1965 wildlife harvest season will be fired at noon, Wednesday, Sept. 1, in 185 Texas counties.

That time marks the opening of the mourning dove season in the north zone, which covers about three-fifths of the state.

P. B. Uzzell, wildlife coordinator for the Texas Parks and Wildlife Department, said prospects are favorable for substantial numbers of the most popular upland game bird in Texas. He said reports indicate a generally good hatch in

most areas and that food and water conditions have been adequate, except in a few scattered areas.

The opening mourning dove bombardment at noon September 1 will be reinforced within one week by two distinctive shoots. One will be the traditional white-winged dove shoot in Rio Grande Valley counties, September 4-5 and September 11-12. The other will be an experimental season on teal ducks, September 4-12. Special permits, already issued by deadline, are required for the teal hunt, for which there is a four-per day and eight in possession limit after the first day.

NOW! '66 CHEVROLETS

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevelles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevelles in all—and all as new inside as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvair, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.
