

Hold-up Saturday Nets Small Cash Return

Some checks and a small amount of money were made up the haul Saturday morning when looper hijacker held up and robbed N. Saleh as he was going home after business hours. Mr. Saleh had closed the store, the hijacker had closed the store, the hijacker had closed the store...

Absentee Voters are Reminded to Ask For Ballots

More than a month in advance of the time to begin absentee voting, County Clerk H. C. Story calls the attention of voters to the absentee voting in the primary election...

June Is Big Month For Candidates

June, as well as July, is an important month in the political calendar. The last day for filing on primary ballot for state and district offices having passed on Monday...

O'Donnell Team Defeats Post in Sunday Game

One Loper pitched airtight baseball Sunday afternoon to assist his team when they defeated the Post by a score of 9 to 2 on the diamond. Several hundred fans were in the game, which was exciting for anyone.

New Ruling Received On Corn Reduction

County agent V. F. Jones telephoned Tuesday noon, asking that the Index notify all signers of the Corn-hog reduction contracts that there has been a change concerning the restrictions for planting the reduced acreage.

Loans Refinance Farmers Debts In Lynn County

A total of \$834,000 of Federal Land Bank and Land Bank Commission form mortgage loans was made in Lynn county Texas, from June 1, 1933 to May 1, 1934, according to the Farm Credit Administration. Of this total farmers in Lynn county used approximately \$602,300 or 96.2 per cent to refinance their indebtedness. By refinancing, farmers obtained new mortgage loans which they used to repay their old debts.

West Texas Big Place Says Maury Hughes

"Well, I'm learning things about Texas that were left out of the geography," smilingly remarked Maury Hughes Friday afternoon as he chatted with friends here. "The wide open spaces will mean more than just a phrase from a story after you've trekked across the plains a few days. And the amazing tenacity and determination of West Texas farmers are enough to make anybody take off his hat."

Farm Credit Administration

As the Farm Credit Administration rounds out its first year's work, Production Credit Commissioner S. M. Garwood reports that the farmers production credit associations, which were organized last winter and began operations in volume in April have handled about \$44, 500,000 of spring financing. "The associations have advanced \$27,300,000 of this amount," Mr. Garwood said, "and the balance of \$17,200,000 has been allocated to the accounts of borrowers. Most of this balance goes to farmers who are getting their loans in a series of payments during a season, so they will have the money when they need it and meanwhile save on the interest."

D. M. Estes Taken To Christoval For Treatment

D. M. Estes, resident of O'Donnell for a number of years and prominent in Masonic circles throughout the South Plains, was taken to Christoval last night for examination and treatment. Mr. Estes underwent a major operation in Chicago last year and had seemed in excellent health until recently. He was quite ill for some time before going to Christoval. The Index joins with other friends in extending best wishes for his speedy and complete recovery.

Gus D. Owen, 72, Dies at New Lynn

Gus D. Owen, 72 fell dead at the home of his brother in law, J. O. Young, at 7:00 o'clock Saturday evening, in the New Lynn community. Heart trouble was the cause of his death. He was penning chickens when the fatal attack came. Funeral services were conducted from the Methodist church at New Lynn at 3:00 o'clock Sunday afternoon. Rev. H. C. Smith of Tahoka officiating. Burial was in the Tahoka cemetery under the supervision of Harris & Applewhite, funeral directors. Mr. Owen was a native of Mississippi, but had been in Texas a long while. He had been a resident of the New Lynn community since last fall. He leaves a widow, two sons and two daughters to mourn his going. Mrs. Young, at whose home he died, is a sister of Mrs. Owen.

AAA Contract Signer Makes More Money Than Non-signer

Whether the hog processing tax comes out of the farmer or out of the consumer, the farmer who signed the corn-hog contract makes considerably more money than the one who did not sign, declares E. M. Regenbrecht, swine specialist at the Texas A & M college. He bases this statement on the contract benefits and on the current price of hogs. Take two farmers each having 4 sows and marketing an average of 40 hogs of 200-lb weight each year. One signed the contract, the other did not. The one who signed the contract will make \$84 more than the one who did not, assuming the current Ford Worth price of \$3.30 per hundred.

Summer School Opens Here Monday

Opening enrollment at the proposed summer term of school was rather light said Mr. Fletcher Johnson, in charge of the high school work. Only five high school students reported Monday morning, and eleven grade school students. Mrs. A. W. Gibbs will teach the grade school classes. Mr. Johnson said that unless more high school work was asked, that part of the term would likely be discontinued, as the tuition fee would not pay a teacher's expenses. Further announcement concerning this will be made later in the week.

Cumberland Meeting To Begin Second Sunday in July

R. Q. Dyess of Lubbock in Charge of Music. The revival meeting at the Cumberland Presbyterian church will begin with the eleven o'clock services on the second Sunday in July. Rev. W. H. Chatham, pastor, will do the preaching and Rev. R. Q. Dyess of Lubbock will have charge of the music. Rev. Dyess is a splendid young man who has had charge of the Petersburg church during the past year and under his leadership the church especially the young people, work, has done a splendid work. He has had a wide experience in the field of music and is one of the best bass soloists in the state.

Directors and Officers Elected by Farmers

Plans for repairs and renovations at the Farmer's Gin are to be the chief project of that organization during the summer, according to tentative suggestions set forth at a business meeting recently. Election of a board of directors and of officers was also taken up at this meeting. H. L. Hahn is president, C. B. Morrison, vice president, and W. L. Gardiner secretary. D. J. Bolch and J. T. Fredey are the other members of the board of directors. W. C. Sauls has been manager of the gin for several years, and will supervise all repairs personally. The Farmer's Gin had a most successful operating season this year, and the retiring board of directors extended the appreciation of the organization to Mr. Sauls for his faithful work in its interests.

O'Donnell to Entertain Singing Convention

The district singing convention accepted the invitation of local people to hold the next meeting here in the afternoon of the first Sunday in July, the invitation being accepted at the meeting at Grandview Sunday afternoon. The place and the hour for the meeting here will be announced later. A number of O'Donnell people attended the meeting at Grandview, and several of them took part on the program. The girls quartet composed of Connie and Doris McMillan and Margaret and Ruth Vernon, Mr. and Mrs. C. H. Mansell, Mr. and Mrs. Carey Shook, W. E. Vermillion, and Chas McCullum were among those who attended from here. They reported a fine crowd and some splendid singing.

Masons to Install Officers June 25

Incoming officers of the O'Donnell chapter of the A. F. & A. M. will be installed in a public ceremony at the hall on the evening of June 25th, according to plans now being perfected. A social hour will follow the business session, and all Masons and their families are cordially invited to be present.

Miss Mickie Allen Passed Away Tuesday

As we go to press, funeral services are being conducted at the First Baptist Church at Lamesa for Miss Jessie C. Allen, known to scores of friends as Mickie, who passed away on her twenty fifth birthday. News of her death was received in O'Donnell early Tuesday morning, an hour or two after she had passed away in Lubbock sanitarium. She had been in poor health for several years, and underwent major surgery at Lubbock last Friday in a last effort to regain her strength. Interment was made in the cemetery at Pride Wednesday afternoon. The church at Lamesa was crowded with sorrowing friends there, and many local people were at the graveside at Pride. The daughter of J. P. Allen of Lamesa, formerly of Pride, and the sister-in-law of Chas. Cathey, Mickie was almost as much at home in O'Donnell as she was in Lamesa, and everyone who knew her, loved her. Her beauty of face was joined with sweetness and charm of nature and manner, so that every contact with her was a pleasant one. The Index joins with other friends in extending sympathy to the bereaved family.

Cotton Contract Cuts Were the Rule, Not The Exception

Cutting cotton production figures and cotton adjustment contracts was the rule, not the exception in Texas and everywhere else, according to the State Cotton Review Board. The farmer who feels badly that his first figures giving average five-year production were not accepted by the board, and were reduced by the county committee to put them in line with the county allotment, may feel better if he knows that nearly all farmers took cuts of the similar nature. When all the cotton production figures put by farmers into their contracts were added up it was found that they ran over the county allotments by a rough average of 20 per cent. In some counties the over-run went more than 50 per cent. This does not mean that farmers were dishonest in giving their production figures, the board says, but that farmers had no way of knowing exactly what they had produced for five years. Production figures were of necessity estimates based largely on memory. The same was true of acreage figures. A farmer assumed he had 100 acres in a field but it might have been 90 or 110 acres if actually measured. On the other hand, the Bureau of soil pastures on rented acres. The curacy the total bales produced in Texas every year. The average of this for five years became the Texas allotment. This was apportioned out among counties on the basis of local ginning, cross country ginning taken into account. It was imperative if there was to be a cotton program at that that the total cotton production given by the farmers in their contracts added to that of non-signers not exceed the known totals. That is why cuts were necessary, the Board explains.

Sale of 3.2 Beer Voted Down Saturday

Local sale of 3.2 beer within the counties was defeated Saturday by the narrow margin of 13 votes. Two hundred and forty five voters were cast, 116 for the legalization, 129 against. The sale of beer was decisively defeated in a similar election held at Wilson on the same date for that purpose. The election appeared to create very little excitement here Saturday. Most of the voting strength was used according to the roll of qualified voters, but there were no demonstrations and no arguments heated enough to cause public attraction.

Mother and Daughter Undergo Operations

Mrs. C. B. Morrison and her daughter, Miss Lucy, are both in Scott & White sanitarium at Texas City, where they are recovering from major surgery. Mr. and Mrs. Morrison, Miss Lucy and Mrs. May Arnold went to Temple last Wednesday. A telegram received Tuesday morning stated that his wife had successfully undergone an operation for the removal of a cancer from her right side, and that Miss Lucy was operated on Wednesday for the removal of a polyp. As we go to press, we have heard nothing further, but it is sincerely hoped that both ladies will soon be fully recovered. Mrs. W. L. Palmer, who is also a patient at the sanitarium, is recovering as rapidly as could be expected but will not be able to come home for several days yet.

Visiting Pastor Here For M. E. Church

We are asked to announce that Rev. Cecil Tule of Lamesa will speak at the eleven o'clock hour Sunday morning at the Methodist church. Sunday at the Methodist church. The local pastor, Rev. Montgomery, will fill the pulpit at the M. E. Church at Lamesa in the absence of their pastor. Rev. Montgomery will be at home again in the evening. Sunday school will meet at the usual time, and the Epworth League will have an interesting program in the evening before preaching.

Legion Post Cares For Veterans Graves

Veterans of the Civil, the Spanish-American, and the World Wars were not forgotten on Memorial Day and the Fern Allen post of the American Legion did its part in paying fitting respect to their memory. Though no public program and ceremony had been planned, several of the members of the Post spent most of the day in cutting weeds and rounding up the graves of these veterans in the city cemetery, and as a final tribute, placed a small American flag on each. Those taking part in this work were commander Hal Lattimore, adjutant R. O. Stark, W. C. Sauls, Guy Bradley, Cliff Lambert, and Paul and Otho McAllister. Mr. Cecil Speck of Lamesa was the guest of friends here Tuesday evening.

**Rural Rehabilitation
Plans Under Way**

Judge B. P. Maddox, county relief administrator, said Thursday that Lynn county will share in the benefits of the recently organized Texas Rural Communities, Inc. Under this plan, Judge Maddox said a survey of land owners of the county has already been made to find those who have tenant houses in need of repair. Rural Communities, Inc. offers to supply \$75 worth of building material, fencing, or other necessities, together with the labor, to put such tenant houses in a livable condition. In return, the landlord must lease the house and five or ten acres to some needy family to be occupied by that family for the coming year.

A. L. Lockwood of Tahoka is chairman of the county committee which must approve the arrangement. County agent V. P. Jones, Miss Saly, county home demonstration agent and H. P. Caveness are associated with Mr. Lockwood in this work. Community committees are to be appointed by the county chairman.

Judge Maddox said Thursday that so far only a few houses have been reported. There are 178 families on the relief rolls of the county, but of this number only approximately 78 are eligible for the Rural Communities plan. Below are listed the plans and specifications of the project.

You will note the following important information and regulations relative to the repair of farm dwellings and premises for occupancy by Relief Roll Families. This applies to both vacant dwellings and those already occupied by families on Relief rolls. The lease, a supply of which will be furnished you in a few days, will constitute a contract between the TEXAS RURAL COMMUNITIES, INC., a corporation acting for the TEXAS RELIEF COMMISSION, and the LANDLORD, and will not be a contract between the landlord and the relief roll occupant.

2. No farm dwelling and premises will be leased without the receiving approval of the community Rehabilitation Committee of the community in which same are located, followed by approval of the County Rural Advisory Committee.

3. All work of repairing dwellings and premises occupied or to be occupied by Relief Roll Families shall be a part of a County Work Project. Each man shall be assigned first to work on his own dwelling according to existing rules for work projects.

4. The rules and regulations governing hours and wages for Rural Areas, with which you have already been provided, will apply in repairing and remodeling farm dwellings and premises.

5. General plans and specifications for repairing or remodeling farm dwellings or premises are to be approved by the Division of the Texas Relief Commission. The work division will also supervise and direct the repair work in the manner provided for other work projects.

6. All supervision not otherwise provided for by the Texas Relief Commission and deemed necessary by the work division must be furnished by a local Political Subdivision, organization, or agency.

7. The sum that may be spent for materials for repairs or improvements may vary with conditions and circumstances, but generally speaking should not be in excess of \$75 for any one dwelling and premises, inclusive of a pit privy.

8. The land to be used for producing food and feed for home consumption must be provided by the land lord and covered by the lease. The amount of land shall be in fair ratio to the cost of repairs, but may vary considerably because of soil and climatic conditions, and the particular needs of the occupant.

9. No cash shall be paid the landlord. Repairs to and upkeep of the dwelling and premises is to be in lieu of rent for the years 1934-35.

10. No Relief Roll family shall be placed in a leased residence without

having been finally approved by the county administrator after recommendation and approval of the case Worker, the county Rural Advisory Committee and the Community Rehabilitation Committee.

11. As long as any family is in the relief rolls its sustenance farming operations shall be under the general direction and supervision of the Texas Relief Commission, or any agency designated by it.

12. The Texas Relief Commission will reserve the right to remove the Relief Roll Tenant for cause and replace same with another tenant selected from relief roll clients, as provided for in section 10.

You are respectively urged to give careful study to the above regulations. Each member of your County Rural Advisory Committee, each member of your county relief board and each member of each community Rehabilitation Committee in the county should be furnished a copy of the above information immediately, and also a copy of the lease form as soon as possible, in order that they may become well informed as to the details of this important project that we are now ready to put underway.

J. E. Stanford, Director
Rural Rehabilitation.

**3, 623 STUDENTS IN LYNN
COUNTY OF SCHOOL AGE**

There has been a gain of 11, in the scholastic population of Lynn County this year over last year, according to statistics furnished us by the County Superintendent H. P. Caveness.

While the whole county registers a slight gain, sixteen of the twenty four districts show a decrease, only eight showing an increase. These are Tahoka, O'Donnell, Draw, Grassland, Lakeview, Petty, New Moore and Pride.

Some of the districts show only a slight decrease while the decrease in several of them is relatively heavy. The scholastic population of the entire county is 3,623 against 3,612 of last year.

There are 54 colored scholastics in the county, 29 of whom are in Tahoka.

The figures for the various schools of the county for the years 1934 and 1933 respectively follow:

Tahoka	1934	1933
Wilson	742	673
O'Donnell	425	673
New Home	399	429
Draw	171	173
Lakeview	150	134
Dixie	145	137
Grassland	118	116
Pride	112	85
Morgan	108	121
Petty	108	79
Wells	104	135
New Lynn	102	114
New Moore	100	85
Midway	98	107
Ipe Bailey	100	110
Magnolia	83	97
Redwine	82	111

**MALARIA CASES INCREASING
THIS YEAR IN TEXAS**

According to information reaching the Texas State Department of Health the number of malaria cases is increasing; a sharp turn upward was noted for May. This is directly related to a parallel increase in the number of mosquitoes. The malaria unit reports that not for years have they noticed such large numbers of mosquitoes.

Probably one item that favors this increase is the mild winter and rainfall which leads to many temporary collections of water. Of course the breeding of mosquitoes is not limited to temporary water, but they are the ones that are often the cause of the increase of the mosquito production. They must have water to propagate.

Attention paid to the following and similar points will largely reduce the opportunities for mosquito breeding. Remove all trash from the back yard, including old cans, pails, bottles, and automobile tires and bodies. Clean up the premises.

Put new washers in leaky hydrants screen rain water barrels or oil them regularly. Get some top minnows and place them in lily ponds and cisterns. Look over the gutters and drain spouts and remove trash and straighten up any sagged portion. Change the water in flower vases frequently. If there are low spots in the yard where water stands for days after a rain, either fill or drain these places. In any event before complaint is made about mosquitoes to the health department, be sure that your own place has been tho-

**357 Bales of Cotton
Bought Here Tuesday**

The largest number of bales of cotton bought in a single day this year as far as we have any record was purchased here Tuesday afternoon by C. N. Hoffman when 357 bales exchanged hands.

J. T. Middleton sold 252 bales, Waldo McLaurin 22, the Melton estate 18, and the Schooler estate 65. An average of 12 1-2 cents was paid we understand.

The cotton will be shipped to Galveston, Mr. H. Hoffman said.

ON TEXAS FARMS

By W. H. Darrow

start pastures on rented acres. The county agent says the new Lespedeza sericea grows well in the sandy river bottom soils.

From sales of black walnuts and cakes sold in the home demonstration market in Sulphur Springs, Mrs. D. B. Kirk, home industry demonstrator for Arbaha Club, has bought a pressure cooker and a new stove. She says her market experience has revolutionized her cake making.

The big five ration has made 22.5 per cent more profit above feed cost than other rations used by Baxley county poultry demonstrators. The extra profit for one month was \$6.71 per farmer, the county agent reports.

Yard improvements means, according to Mrs. M. L. Bell, yard demonstrator for Farmer's Valley Home Demonstration Club in Wilbarger county; trees for shade and back ground at side and back of house; smooth unbroken grass lawn; four screen and border plantings; roses and flowers in separate beds in side and back yard; walks for back and front yards and convenient yard service including well equipped wash house, concrete cellar, and sanitary toilet.

Elects Officers Ber is Honored

Regular meeting of the Needlework Society of New Moore, held Thursday at the home of Mrs. W. W. Veasey, officers were elected as follows: President, Mrs. Lehman; Secretary, Mrs. Jack Veasey; Treasurer, Mrs. Kate Ber. It was decided to meet on Monday afternoon, the members to entertain the club in rotation.

At the social hour, Mrs. Ted Veasey was honored at a sunshine luncheon. The gifts as a result of the treatment of the luncheon were served to Mrs. J. W. Veasey, Mrs. Lehman, Jack Rogers, W. T. Brandon, Jack Rogers, W. M. Nelson, E. J. Manning, Berry, Brown, Clyde Tate, J. F. Rogers, Jr., W. A. Yeatts, Pendleton, Ted Rommie Pendleton, Millner, Ray

Veasey was assisted in entertaining by Mrs. Jack Veasey and Mrs. Everett.

Dinner Honors Ber's Birthday

Delayed

Mrs. J. A. Minor and Mrs. J. W. Minn assisted in arranging and serving out a family dinner party on Sunday celebrating the birthday of his father.

Birthdays and Party Saturday

Bob Davenport entertained children last Saturday after a party with a party honoring the birthday of her little daughter Frances Jeanette Gasbwell N. M. Games were played, the birthday cake was cut and served with cream, carrying out a color of pink and white. Walter Gaston assisted her in entertaining.

Angsters Enjoy Dancing Party

Cliff Lambert and his son A. hosts Sunday afternoon to a party of their friends when they made a trip to Lamesa to the

swimming pool. Those enjoying the outing were A. C. and his guests, Mack C. Bradley, James Bowlin, Jr., and Charles and Billy Cathey.

WEIGHT REDUCED FROM 180— TO 137—WONDER SHE SAID

Here's today's story of a woman who knew she carried too much fat and decided the right way to get rid of it—just a few words that wise fat folks should heed—worth reading. "I use Kruschen Salts to reduce. It's wonderful. Take it daily and eat what I want to and still lose fat. I did weigh 180, now, 137. Want to get down to 125." Mrs. Leonard Bass F. Atkinson, Wis. Feb. 6, 1934. When you take one half teaspoonful of Kruschen in a glass of hot water you not only lose in weight but you put healthy activity into your whole body—you feel younger and look it—get it at any drug store in the world.

REPORTS FROM H. D. CLUBS By Miss Sylvia Robb, H. D. Agent

Wells Girls Club Finishes Three Dresses
"Attractive dresses help out in personal appearance," says Miss Sylvia Robb.

The Wells 4-H Club met last Thursday. There were three dresses finished, and all the other girls were to have them done by the next meeting.

Most of the gardens have been planted. The members are: Hadeline Marie and Joyce Russell, Lizzie Ma and Georgia Lee Barrett, Allene Gooding, Audine Jordan, Ruby Triplett, Mary Smith, Sylvia Aldridge, Inetha Phipps, Geneva and Gloria Campbell, Nelvena Waldrip, Billie Louise Etter, and our sponsor, Mrs. Etter.

Elsie Bernice Etter will be the Wells delegate to the A & M Short course.

4-H Girl Says She Has Gained Much From Work

Zelma Thrallkill, a 4-H club girl from Grassland reports that when she started her club work she did not know how to sew, or do canning. But now, with the encouragement of the family and the help of the H. D. Agent, she knows how to prepare and serve a balanced diet, how to prepare cook, seal and process fruit, vegetables and meats. She is not afraid to cut or make any kind of an article in clothing. She will assure you one of the most important things about club work is confidence in yourself.

COUNCIL MEETING

The 4-H Clubs of the entire county are expected to attend the Council of the Women's Home Demonstration club Saturday, June 9th, 2:30 P. M. at the court house. All Club girls are to exhibit their 4-H caps and aprons or dresses that they have made as a part of their club work.

STRONGER BUSINESS AND STRONGER BANKS

By F. M. LAW
President American Bankers Association

DURING the crisis when confidence was shattered, bankers were properly concerned in liquidity. Their main thought was to prepare to meet any demand for withdrawal of funds. They were more interested therefore in collecting loans than in making them. For this they cannot be justly blamed. It was a proper procedure. Now that confidence has been so largely restored banks will naturally resume a more normal lending policy. This does not mean they will or should extend loose or unsound credit, but that in the utmost good faith bankers will perform their proper part in recovery by a sympathetic and constructive attitude in the making of sound loans. Nor should commercial banks make capital or long time loans, for the reason that their loans are made from funds derived from deposits payable for the most part on demand.

When the return of confidence is further on its way, business men will find need for credit in making their plans. Then good borrowers, who for the most part have been so conspicuously absent from the market, will return. They will be warmly welcomed by the banks.

Business Men's Fears
Business men have not yet laid all their fears. They worry about what Congress may or may not do. They concern themselves about a trend toward control of business by government. They fear taxes beyond their power to pay. These are real sources of worry and when they are reassured along these lines they will be more inclined to take a fresh look at the future and to make plans to go forward.

As a matter of fact there are tangible evidences of recovery. The Federal Reserve Board officially has stated that prices, wages, business activity and production were back to the highest peak since early in 1931. Commercial failures in the United States are being cut almost in half as compared with the same period last year. It has been reported that the decline in export and import trade was definitely checked in the middle of 1933 and replaced during the last half of the year by a substantial recovery movement.

Among favorable factors is the improved condition of the banks. It is doubtless true that the banking structure of the country has never been in a sounder, stronger and more liquid condition than it is today. My authority for that statement is the Comptroller of the Currency. No longer is there any fear or thought of bank runs. Depositors once more know that their money is safe and the banker, thrice armed in the knowledge of his own strength, is looking forward.

C. L. Davis made a business trip down in Brewster county Monday, returning Wednesday night.

F. M. LAW

Training for Bankers

The American Bankers Association has been active for many years training young men and women in order that they may be duly qualified for the business of banking. Standard courses are furnished with able and experienced teachers. This is done under the direction of the American Institute of Banking Section of the association. Over two hundred chapters, or local banking schools, are in active operation throughout the country and thousands of the younger generation of bankers are being graduated each year. These students are taught not only banking practices and policies, but they are also well grounded in the highest ideals and standards of business ethics. A proposal is now under consideration to establish a central school, which will offer advanced or graduate work to a selective list taken from those who have completed the standard courses—F. M. Law, President American Bankers Association.

Banks Repaying Loans From R. F. C.

Although banks and trust companies have been the largest borrowers from the Reconstruction Finance Corporation, they have exceeded all other classes of borrowers in the rapidity of their repayments. Since the inception of the R. F. C. in February, 1932, loans have been authorized by it to 7,869 banking institutions in the amount of \$1,955,000,000. Of this sum \$442,000,000 was not taken by the borrowers, the actual advances being \$1,513,000,000.

Repayments against these advances through April 20, 1934, aggregated \$925,000,000, or about 60 per cent. The ratio of repayments for all classes of borrowers has been only about 37 per cent. These rapid repayments by the banks are taken by competent observers as a strong indication of returning normal financial and banking conditions.

Bankers Finance Scholarships

The American Bankers Association Foundation for Education in Economics has since its establishment in 1925, awarded 254 college loan scholarships, the total loans repaid in that period being \$262,000 and the amount now outstanding \$86,500. The total investments of its funds are \$240,000.

CUMBERLAND PRESBYTERIAN CHURCH NOTICE

The pastor Rev. W. H. Chestham will preach at 11 and 8:30 o'clock Sunday. Sunday school will open at 10 o'clock. A special invitation is given to the public to attend all services at this church.

Mr. and Mrs. N. M. Wyatt and family of Tahoka spent Sunday here with Mr. and Mrs. Boyd Fortner and other relatives.

Geoffrey Holman has been the guest for the last few days of his parents, Mr. and Mrs. E. D. Holman. Mr. and Mrs. C. H. Cabool had as guests last Wednesday night and Thursday her father, Mr. Joe Haidy of Berger, and her sister, Miss Adele, who remained over for a longer visit.

PERSONALS

Mr. and Mrs. Fred Taylor and Josephine and Madeline Morrison spent the week end with relatives in Portales, N. M.

Mr. and Mrs. M. C. Hamilton and James Monroe were here from Lubbock Sunday. James Monroe went to McCaney for a visit with his sister, Mrs. Noel Sikos.

Mrs. Knox Eekols and little son, who have been visiting her parents, Mr. and Mrs. George D. Foster, for several days, returned to their home in McCaney Sunday. They were accompanied by Rundell Foster, who will visit there.

E. E. Teaff and his daughter of Oberlin spent the week end with his sister, Mrs. George D. Foster, and family.

Mmes. B. L. Davis and Naymon Everett were in Tahoka Monday afternoon.

Sheriff B. L. Parker was down from Tahoka on business Monday afternoon.

Miss Margaret Banks of Waco is visiting Mr. and Mrs. H. R. Womack and Miss Merle.

Misses Merle Womack and Ruby Saylor spent Sunday in Lubbock with their brother and sister, Mr. and Mrs. Raymond Womack. They were accompanied home by Mrs. E. H. Womack, who had visited there since last Wednesday.

Mr. and Mrs. E. W. Hester were in Lamesa on business last Wednesday.

Mrs. Frank Shumake was in Lamesa on business Wednesday of last week.

Miss Marie McDonald visited her friends in Lamesa over the week end.

Mrs. C. C. Caldwell and little daughter, Betty Rhea, returned last Friday from Dallas, where they have been for several months because of Betty's health.

Dr. and Mrs. J. F. Campbell, who recently spent several days in the Coryell county at the old Cox homeplace, report that section of the country in good shape as regards to rain and crops. They went by Stamford and took Mrs. Campbell's brother, Clarence Cox, to the reunion Misses Ethel Iris Simpson, Nell Goodloe, Prudence Grant, Rhodia Lou Clark were O'Donnell visitors Tuesday evening.

Raymond Debenport, who is attending West Texas State Teacher's College at Canyon, spent the week end at home with his parents, Mr. and Mrs. Bob Debenport.

Mrs. John Vermillion has enrolled for the summer term at Clifton Junior College.

C. L. Davis and B. L. Davis and W. L. Gardinire visited D. G. Phipps Sunday afternoon.

Ken Gaston and his mother, Mrs. W. L. Gaston of Roswell, N. M. spent last Thursday here with friends and relatives. They went to Ft. Worth from here to visit there.

Mr. and Mrs. Hugh P. Harbert of Lubbock were here on business Tuesday.

Mr. and Mrs. C. H. Mansell, Mrs. W. E. Vermillion, and Rev. A. Loper represented the First Baptist church at a Worker's Council at the Stanford Valley church Tuesday.

Mrs. Pearl Keeton, pastor of the Church of the Nazarene, attended a conference of preachers of that denomination at Abernathy this week. She expects to be at home in time to fill her regular appointments Sunday.

Mr. and Mrs. B. J. Pruitt and little daughters returned home Sunday from an extended vacation trip in eastern and southern Texas.

Mrs. W. S. Street of Amarillo accompanied by her grandson, Walter B. Word, arrived the last of the week for a visit with her son, Blanton Street, and family.

J. Floyd Jordan was here Monday in the interests of his campaign for election to office of County Superintendent. Mr. Jordan states that the rumor that he would change his race to that of the judges office is entirely without foundation.

Senator Arthur P. Duggan was here Monday greeting friends and visiting around the square.

George Mallon of Colorado, candidate for Congress from this district and strongly backed by District Attorney Nelson, was here last Thursday in the interests of his campaign.

Mr. Phillip Overton, manager of the Maury Hughes for Governor campaign in West Texas, was in O'Donnell a short time Monday noon in the interests of his candidate. Mr. Overton is the son of Dr. Overton at Lubbock, and has many friends throughout this section.

Little Miss Wanda Zell Everett has had 'rosola' this week, but is almost well today.

Mr. and Mrs. Griff McConal moved Monday of this week to the residence occupied this winter by Mr. and Mrs. Harrison, known locally as the Naymon Everett house.

Opal, the little daughter of Mr. and Mrs. W. O. Ratliff, is seriously ill this week with diphtheria.

CHEVROLET

ANNOUNCES SUBSTANTIAL PRICE REDUCTIONS

On all models of Chevrolet passenger cars and trucks

Reductions amount to as much as \$50 on some models

Chevrolet's reduced prices reflect the record-breaking demand that, month after month, is keeping Chevrolet first in sales. In offering these exceptional values, Chevrolet hopes to maintain, during the balance of the year, the high level of employment so necessary to the general program of recovery.

Chevrolet is particularly glad to make this announcement when you can see and judge the Chevrolet at the National Exhibits of General Motors Products. Make it a point to look over these cars. Compare its modern features and new low prices with those of any other low-priced car. Then you will know even more surely than before why we say, "Drive the Chevrolet only 5 miles and you'll never be satisfied with any other low-priced car."

CHEVROLET MOTOR COMPANY, DETROIT, MICHIGAN

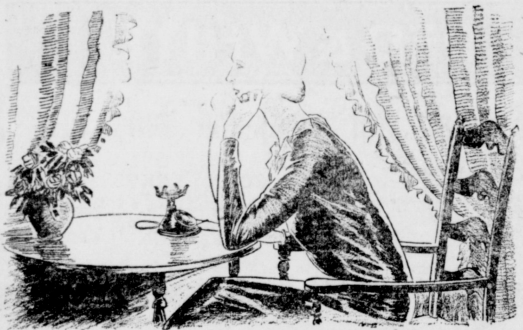

THEY FILL THE EGG BASKET!

YOU want the most eggs and the best quality eggs for your feed money, because you must have profits. That's why so many years and so much effort have been devoted to developing RED CHAIN Feeds. We could make more money for a while selling cheaper feeds, but we know that your profits will build a steady and profitable demand for RED CHAIN Hen Scratch and RED CHAIN Egg Mash.

B. & O. CASH STORE

"I've just bought an ELECTRIC REFRIGERATOR."

"I've just bought an electric refrigerator—I can't afford to take chances with the food my family eats—I want to be sure that it is fresh and wholesome all of the time and that there is no danger of undermining health with food that looks, tastes and smells all right, but which in reality, due to improper refrigeration, is unfit for use."

And so it goes—electric refrigerators by necessity have been built for Texas' climate and will maintain constant temperatures of 50 degrees or less when the thermometer reads 100 in the shade for days on end. When you buy your electric refrigerator you are not experimenting—you know that regardless of how hot the weather may be your food is kept at just the right temperatures all of the time and that it is perfectly safe to eat.
