FHA Has Busy Half Year

As the Old Year ends and the New Year begins, the members of the Future Home Makers of America look back over a four month period of pleasant activities, helpful experiences and enjoyable memories. A review of our activities presents us with pleasant thoughts.

In September our first activity was to introduce FHA work to the Freshman girls with a Freshman breakfast. The girls wore hats made of items used in the kitchen. Winners in the contest were Marchetta Wood, Jo Ann Lacy and Mary Forbes.

October was a month of FHA happenings. First came the district meeting at Lamesa. About 15 girls attended. Sarah Prather was elected district president and Sue Lott area nominee. In October local FHA officers were installed in a school assembly. In the school's Halloween carnival the chapter had the food booth which netted about \$35.

November brought FHA Week, a tradition of the chapter. The chapter had a very successful week.

Sunday of FHA Week about 40 girls and sponsors attended the First Baptist Church and later dined at Jackson's Drive In cafe. Freshman initiation was Monday with about 35 girls attending. Tuesday the FHA officers presented a program at PTA. Thursday the chapter gave a covered dish banquet honoring their parents. About 100 girls and their parents attended.

In December the honorary members, mothers and fathers and mascots honored the chapter with a caroling party. About 40 attended. After caroling the chapter enjoyed refreshments and a film strip in the home of Mr and Mrs. Forbes. The chapter also decorated the school's Christmas tree and the assembly program.

In the way of projects the local chapter participated in "Families Together", the beautification of the school and baby-sitting for the PTA.

The success of the group during the past four months has depended on the response of the sixty members, the officers: Sarah Prather, Ruthell Jackson, Sue Lott, Sherry Middleton, Patsy Young, Linda Norris, Linnadean Ingle, Norma Yeocham, Mary Forbes and Donna Vestal. Also the chapter's Mother and Father, Mr and Mrs. Forbes, Sweetheart, Neal Shaw, mascots, Tony Ballew and Jay Lane Middleton, the honorary members: Mr and Mrs. Truett Hodnett, Mrs. Naymon Everett, Mrs. Charles Hofman, Mr and Mrs. Pelts, Mrs. Darus Sumrow, Mrs. Clyde Edwards, J T. Middleton, Jr and our sponsor, Mrs. Lester Adams.

With this kind of help, we know that the chapter shall prosper in 1958. Activities yet to come are — the FHA, FFA party, Sweetheart Party, Style Show, Mothers Tea, area and state meetings, and summer camp.

Mrs. L J Barrett was hostess to the 1939 Study Club last Wednesday. New officers were elected and Mrs. P A Mansell is the new president. A salad plate, chocolate cake and coffee were served to 15 members and guest.

V. A. Questions

Q— I have a 100 percent disability rating from VA. Does this mean I could receive VA outpatient treatment for any ailment I might have?

A— No. You may receive outpatient care only for the disability or disabilities which have been adjudged service-connected. Your notification from VA list those specific conditions.

Q— I am considering paying GI insurance premiums once a year in advance. What if I were to die shortly after making my yearly advance payment? Would that money be lost?

A— No. VA would refund to your beneficiaries any money which hasn't been applied to premium payments actually due.

Q— I am a World War 11 veteran and I live in a house I bought with a GI loan. If I were forced to dispose of it after July 25, 1958, for some compelling reason such as health or job transfer, could I get my GI entitlement reinstated?

A— Yes, so long as VA would be relieved of its guaranty liability. You then would be eligible for another GI loan until January 31, 1965, even though the World War 11 GI loan deadline would have passed.

Q— I am the father of a deceased World War 11 veteran, receiving monthly payments under the Survivor Benefits law. In computing my annual income to determine whether I will remain eligible for the payments, do I include just my

net take-home pay or my gross wages including various deductions? I have a small part-time job.

A— You must include your gross salary, including money deducted for such items as taxes and retirement.
