Town Enters Third Big Week Of Harvest

Harvest Is Rapid

In the third big week of the current harvest, the city gins reported a total of 4791 bales ginned to 8 a. m. Tuesday compared with 2825 bales ginned to the same time last week or a net gain of 1956 for the week. Due to showers Friday which netted 1-2 inch of moisture, there was reduced ginning over the week end. It is now estimated that the crop is 30 percent complete. Ginning over the trade area is estimated at a total of 7500 bales.

Good Business

The weekend saw another tip-top business period with some 2,000 farm hands adding to business activity. Tired business people Monday morning agreed that "it was a pretty good fall."

Many farmers have "pulled" over for the first time and are expecting a second pulling. Production is generally much better than at first estimated.

SPANISH LANGUAGE SERVICES SUNDAY AT BERRY FLAT

At 2 p. m. Sunday afternoon of Sunday, Oct. 10th there will be church services in Spanish at Berry Flat Baptist Church with services conducted by a Spanish-speaking preacher. Farmers are invited to bring their Spanish-speaking farm hands, according to Harlan Williams of that community.

CHILDREN DISEASE IS CUT

Chances of today's school age children--5 through 19--of dying of disease have been cut by two-thirds in the past 15 years, a State Health Department statistical summary shows.

This, including accidents, the reading' writin' rithmitic set has three times as much chance of living to collect high school diplomas than had the class of '38.

State Health Officer Henry A. Holle attributes healthier school life in 1954 to improved environment at home and school, immunization and vaccination programs, improved drug therapy, and education of the lay public on the importance of disease prevention.

One of every 594 school-age children in 1938 died of disease. By 1953 the ratio had been cut to one in 1785.

Parents of Texas one and three-quarter million schoolastics are the easier knowing that 1953 diphtheria death rates have been reduced to one-third, of the 1938 rate, influenza and pneumonia to one-sixth, scarlet fever to one-third, and malaria and typhoid fever to a flat zero.

Car Mishap Near Here

Saturday evening a car of four local young people escaped any injury of importance when the late model Mercury car driven by Junior Decker of here was hit on the side by another car coming out Highway 87 from the Rock Crusher road 5 miles south of town. It was said the car entering from the rural road did not stop, although this information is not official with the Index. The youths, two in number, in the other car were not from here.

Eagles Meet Stanton Here Friday Nite

Eagles Are Improving

Friday nite at Johnson's Field the O'Donnell Eagles will be hosts to the Stanton team in a district opener. Stanton is a favorite to win the district flag race this year having a team composed large of lettermen. Although the Eagles have been faded in the first three non-conference games of the season, the local team is improving with each game and it is an almost certain fact that fans will see a heads-up, good game of ball... and an Eagle victory may be the result.

Fans are urged to support the local team by their attendance at home games as this is the most certain way of showing our coach and our team that we are behind them.

Borden Co. Has Good Prospects For Loop Title

Last Thursday the Junior High of Borden County Schools nipped Klondike 18 to 12 and Friday nite, in the first game of the conference, the Gail eleven nipped Courtney 34 to 6. The next game is Oct. 15th at Ackery and this game could determine the conference winner, according to Harlan Williams of Berry Flat.

Bennie W Edwards Wins At Pecos

Bennie W. Edwards, local FFA boy showed the Grand Champion Eye and Ram at the Pelos show. He received two gold cups as well as cash prizes. Total winnings include four first prizes, 3 second places and one third place.

An error was made by FFA reporter in listing new officers last week. Wallace Thompson is the new sentinel instead of Tony Amaro as reported. Tony was runner up.

May Snider is the FFA Sweetheart for the school year.

The local chapter now has a membership of 35.

Baptists To Hear Speaker

Rev. O. D. Welch of the Central Baptist Church of Wichita Falls will preach Sunday Oct. 10th at First Baptist Church in view of a call to this church. Three visiting preachers will speak here prior to a call, according to Bill Seligrove, a member of that church. A large number of the members is requested during this visitation.

STATE REP. GILLIAM TELLS ROTARY OF AMENDMENTS

The O'Donnell Rotary Club met Tuesday with visiting Rotarians, Edwin Forrest and John Carroll of Lubbock. R. B. Beaver of Farmersville, Carl Roundtree, Clyde Brannon and J. B. Clairborne of Lamesa, Jo Gilliam and Murphy May of Brownfield, and J. C. Harris of Tahoka. Local guests were Homer Hardberger, B. M. Haymes and J. V. Burdett.

Rep. Gilliam of Brownfield gave a brief talk on the constitutional amendments to be voted on in November. Edwin Forrest of Lubbock extended an invitation to the local club to attend the inter-city meet at Lubbock, Oct. 13th. Many of the O'Donnell club plan to hear International President Herb Taylor speak.

SHOWER HONORS BRIDE

About forty guests met in the home of Mr. and Mrs. F. M. Page here Thursday honoring Mr. and Mrs. Ed Miller of Tahoka. Mrs. Miller, nee Miss Pearl Cooley, and Mr. Miller were wed Sept. 7th. They are making their home in Tahoka where Ed is employed by a gin. Many nice gifts were received by the couple.

Guests included parents and relatives of the young people and friends from the local Church of the Nazarene of which the bride is a member. Hostesses for the shower were Mrs. John McGregor, Mrs. Emily Pace, Mrs. John Eaker, Mrs. Jack Pischel and Miss Betty Durham, all from here.

Bill Hays and family of Ballin ger spent week end with home folks here.

Mrs. Wayne Clayton and son and her mother, Mrs. Stewart, of Chicago, spent Monday in Abilene.

Mrs. Tyler and Mrs. Glea Gibson and children spent Sunday visiting relatives in Lubbock.

Fly Control Important

The Texas State Department of Health urges strict attention to sanitation as a fly control measure. The main sanitation problems responsible for fly production are neglected phases of community clean up, like garbage storage, disposal, animal shelters and insanitary disposal of decaying industrial wastes. Now is a good time to clean up the insanitation around your town and home. Ever time you destroy a breeding place, you stop whole colonies of flies before they can start. Insecticide spraying is effective only after a complete clean-up job and only if sanitary condition are maintained throughout the year.

WRITER SPEAKS TO SCHOOL

J. Frank Norfleet visited the 8th and 7th grades of High School recently telling the students of his experiences some 20 years ago of catching several men who swindled him. His adventure was incorporated into a book "Norfleet" which was published a number of years ago. Reporter

Mr and Mrs. John Larned of Haskell spent week end in home of Mr and Mrs. V. O. Caswell.

Children Under 16 Not X-rayed

Why children under 15 years are being skipped in the community X-ray program to be Nov. 30 was explained by Mr. O'Donnell of the State Department of Health.

"The fact that the free X-ray service is aimed at finding the unknown cases of tuberculosis among children does not mean that children are immune to tuberculosis," Mr. O'Donnell said. "TB can and does strike at any age, and children can develop pulmonary tuberculosis. However, it is much less common among those 15 years of age and under."

"We can be fairly sure that a child who develops TB catches it from an adult, probably one in his immediate family. It seems best to concentrate on finding the hidden cases of TB among the adult population. A child does not inherit TB from his parents, but adults can pass the germs to children as well as to other adults not knowing they have the disease in active form."

TA Meets Next Monday At Cafeteria

The O'Donnell P. T. A. will meet Monday, Oct. 11th at 7:30 in school cafeteria, according to Mrs. J. Bessire. The program will include a talk by Johnny Saleh, local attorney, on "Justice."

Tuesday: cheese on toast, sliced black eye peas, cabbage, tomato, bread, ice cream.

Wednesday: fish, beet, green beans, creamed potatoes, milk, butter, bread, honey.

Thursday: barbecued beef, Eng pea salad, buttered corn, milk bread, cake squares.

Friday: Sausage, fresh onions, plain beans, spinach, corn bread, butter, bread, jello with fruit.

Card of Thanks

We wish to thank the O'Donnell Volunteer Fire Department for their fine work during the burning of our elevator. This was a difficult fire to control and it was due to their prompt and courageous work that no damage was caused to adjacent buildings. We also wish to thank the Tahoka Fire Department and Mr. R. R. Pelts, whose equipment was invaluable in controlling this fire.

The common disease, popularly known as athlete's foot, is said to be the third most common disease seen by skin specialists during the summer, and the fifth most common disorder in winter. It is due to a little mold-like growth or fungus which thrives best where there is moisture and warmth and warmth. Therefore, the feet make an ideal place for the growth of this germ.

"To have athlete's foot, the infection must be gotten either directly or indirectly from someone else," states Dr. Henry A. Hollie, State Health Officer. "The most common places to contract the infection are around shower rooms, baths or bathroom, locker rooms, and other public places where persons go barefoot. And it is probable that at least one-half of all adults suffer from the infection at some time."

The following measures have been suggested for preventing and avoiding recurrent attacks of athlete's foot:

1. After bathing, dry carefully and thoroughly the spaces between

the toes.

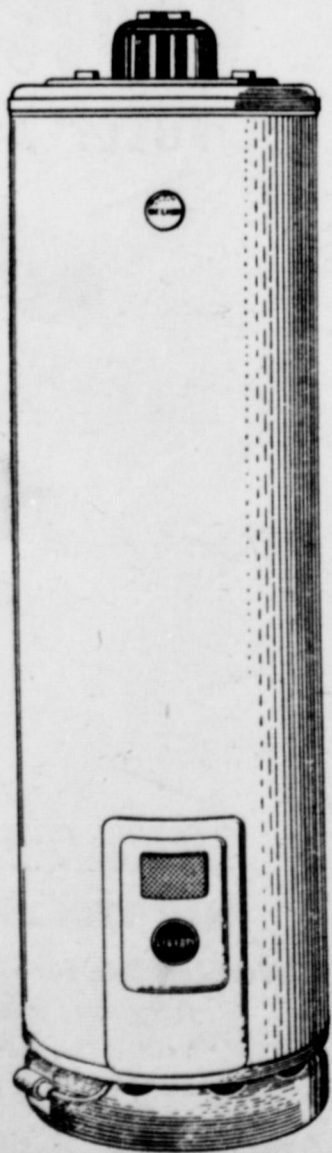

2. Liberally apply a plain, unscented talcum to those areas and sprinkle it freely in socks, stockings, and shoes.

3. Wear properly fitting hose, that are absorbent but not too coarse.

4. Wear shoes that are not too large. They should fit the foot comfortably.
