

Cotton Option Checks Are Received Tuesday

Inspector Lauds School; Grants \$2228 State Funds

Local School Rates High According To State Inspector

Stating that the report from the local schools were among the best he had encountered this year, the State Inspector last week gave his official approval of conditions and standards being maintained in both high school and grammar school.

Translating his approval into practical terms, he stated that the school had met requirements in such a manner that an additional \$2228 will be granted from state funds.

Chief among the requirements of the State Department of Education is an attendance of at least 70 per cent. O'Donnell schools were given a rating of 100. The inspector recommended the purchase of more library and playground equipment, with special attention to grammar school necessities.

He will return in March or April to check for credits in affiliation.

The inspector also pointed out that all teachers already in the school system having two years of college work will be permitted to remain in that system provided they do 18 semester hours additional work within the next three years. This work may be done by correspondence.

Friday, Feb. 2, Sign-Up Day for Corn-Hog Contracts

Friday, February 2 has been designated as sign up day for the farmers of Lynn county who desire to sign a Corn-Hog contract, according to V. F. Jones, county agent.

Mr. Jones states that all the necessary forms to be filled out have been distributed with the exception of the preliminary work sheet and these are expected to be available within a few more days, and any one who does not have the work sheet and expects to sign a Corn-Hog contract call at the county agents office or at the office of C. J. Beach in O'Donnell to obtain one of these sheets as they are necessary before the contract can be signed.

The farmer that fills out all the forms and brings them to a general meeting of all signers in the county at the Court House in Tahoka Friday, February 2, and this signed contract entitles the contract signer to one vote on election of community committee members. Mr. Jones states that every man who can possibly carry his necessary forms filled out, come to the court house in Tahoka in the morning of February 2 and there will be men available to assist the farmer in filling out his forms. The meeting of the contract signers will be held in the District court room at 3:30 p. m. of that day. This is not the last day in which Corn-Hog contracts may be signed, but it is hoped that every man who can possibly carry his necessary forms filled out, will sign a contract by that day.

Miss Busby Returns From Sanitarium

Miss Alice Busby, daughter of Mr. and Mrs. L. L. Busby and head of the piano department in the local schools was brought home Monday from the Lubbock Sanitarium where she underwent major surgery because of a tumor which was removed by the operation and the trip home, she was reported to be much improved Wednesday morning.

The index joins with other friends in the hope that she may soon be fully recovered.

Five Plow-Up Checks Received Here Tuesday

Five delayed plow-up cotton checks were received Tuesday by county agent V. F. Jones, he stated during a brief stay in O'Donnell that afternoon. One other is still unaccounted for, he said.

Out of these checks belongs to G. C. Watson, another to E. M. Rudd, and another to Mr. Marey. Mr. Jones could not recall to whom the other two were made.

To The Voters Of Lynn County

I desire to place my candidacy for the office of County Superintendent before you, asking to be elected strictly upon my qualifications as one who knows the work and can render a service in preparing boys and girls for future citizenship.

I have been connected with the O'Donnell Public Schools for seven years, serving as principal of the grammar school for five years, and served as county superintendent of Dawson county three years.

At this experience fits me for the position I ask, and if elected, I will earnestly and faithfully strive to make an efficient official, fitly relying the confidence and trust of the electorate.

Soliciting your vote upon this basis and asking of you a fair and impartial consideration, I will be content with your decision.

Sincerely yours,
 Mrs. Paul Gooch.

Attendance Holding Up Second Semester

As the second semester of the current school term swept under way this week, superintendent E. E. Gilbreath states that he is more than pleased with the work of students and teachers, and with attendance.

Registration for the second term was completed the first of the week, and enrollment showed a total of 140 students in high school and 280 in grammar school, which brings the number of students only three under the scholastic census reports for 1931-1932.

Farm Mortgage Bill Finally Passed

Washington, Jan. 26.—The House Friday completed congressional action on the administration bill to put a full federal guarantee behind farm mortgages.

With less than ten minutes discussion and without a roll call vote, the House adopted a conference report settling differences with the Senate which had already accepted the compromise.

The bill now goes to President Roosevelt for signature.

Cattle Being Shipped From Lynn County

That Lynn county cattle are affording a source of revenue is amply borne out by shipping records. Mr. Ed Cook has been taking his prime steers to Ft. Worth by truck. Some of his calves are selling here at top prices. One 750-pound cow brought \$2 one hundred; five 754-pound heifers brought \$4.50; and 870-pound steers brought \$4.50, and one 1,115 pound cow brought \$4.50.

Dave Childers, foreman of the T-Bar ranch, stated last week that 24 cars of calves have been shipped recently from the ranch to Kansas, where they will be fed for market. Also, 300 steers were placed on stock at Slaton recently. Mr. Childers added that the T-Bar range is in good condition, and is unusually well-stocked this year.

New Text Books Ordered This Week

At the regular meeting of the school board Thursday evening of last week, it was voted to purchase approximately \$100 worth of new books for the school.

These books have already been ordered, and will probably be received here sometime this week.

Ginnings Reveal Slight Increase

Washington, Jan. 23.—Cotton of the growth of 1933 ginned prior to January 16 was reported today by the census bureau to have totaled 12,588,762 running bales, including 592,054 round bales counted as half bales and 6,792 bales of American-Egyptian, and exclusive of linters.

To that date a year ago ginnings totaled 12,414,899 running bales, including 666,036 round bales and 7,402 bales of American-Egyptian.

Texas ginnings were set at 4,190,174 bales.

Ridiculous to the Sublime

Lynn County Sends Men To Cotton Meet

County Judge W. E. Smith, county agent V. F. Jones, commissioner W. D. McLaurin, Otto Thomas, I. M. Draper, R. L. Littlepage, Louis Shambek, and J. B. Ray represented Lynn county when a meeting was held at Anson last week asking modification of certain rules governing the cotton acreage reduction.

Around three hundred delegates were present at the meeting, it was reported by the local committee.

The principal protest was against the rule requiring that a farmer had to make as much as 100 pounds of lint per acre before he was eligible for the 1934 plan. Lynn county, of course, is hardly affected by this ruling, since the greater majority of our farmers have made much more than that, but it was felt by our representatives that cotton folks should stick together.

Home Ec Inspector Was Here Thursday

Miss Sybil Thomas, state home economics inspector, visited the local school Thursday of last week, and was much pleased with progress of the department under the supervision of Miss Jessie Walker.

The department has been among the outstanding ones in its class for the past two years, and the continuance of this record is indeed gratifying to school authorities.

Elder Kercheville To Preach Here Sunday

Attention of our readers is again called to an announcement made last week concerning the preaching date of Elder W. A. Kercheville, who is to conduct services at the Church of Christ, Sunday, February 4.

Elder Kercheville will be most pleasantly remembered by scores of friends here, and his services are expected to be well attended.

Preaching Services At South Side Baptist

We are asked to announce that Rev. Burroughs of Lou will preach at the local South Side Baptist church at eleven o'clock next Sunday morning, and that the public is cordially invited to come and hear him.

Bro. Burroughs is a stranger to most of our people, but he comes to us highly spoken of, and it is believed that his message will be well worth the time. Come out and hear him.

Womack Lose Pet

Mr. and Mrs. H. R. Womack have this week received many marks of sympathy from their friends who have learned of the death of their valuable Persian cat, Booga. The sagacious animal was the friend and favorite of school children of the town, all of whom knew and loved him. Less than a year old, Booga had endeared himself to the Womack family by his intelligence and through his affection for Mrs. Womack; so that his loss is felt very keenly.

Miss Iva Dimple Hancock Left Friday

Miss Iva Dimple Hancock left Friday last week for Denton, where she will enroll in the freshman class at C. I. A.

Mrs. L. N. Nichols is spending the week in Plainview with their daughter Mrs. Casey and family, having accompanied them home Sunday.

Northwest Texas Methodist To Hold Extension Meetings

Northwest Texas Methodists will have two "Kingdom Extension" meetings to attend in February. Rev. W. M. Pearce, presiding elder of the Lubbock district announces.

Dates are February 5 at Sweetwater and February 6 at Amarillo. Bishop Arthur Moore, presiding bishop of the Pacific coast conference and also of Oklahoma and Bishop H. A. Boaz of Houston, who presides over Texas conferences are to attend. There may be other bishops in attendance, Dr. Pearce said.

Ministers and laymen of the Abilene, Sweetwater, Lubbock and Stamford districts are expected to attend the Sweetwater session and those of the Plainview, Amarillo, Glarendon, and Perryton districts the Amarillo session.

"Because Lubbock is about half way between the two towns," Dr. Pearce pointed out, "some may want to attend the Amarillo meeting while others would prefer the Sweetwater meeting."

"Bishop Moore, who was elected a bishop in 1930, is to give the main address at both meetings. Bishop Boaz will preside."

Dates For Annual Dairy Show Set For April 16-19

Dates for the sixth annual Panhandle-Plains Dairy Show were set at a meeting of the board of directors at Plainview Thursday afternoon. Officers of the show also were selected. A change was made in the dates, the third week in April being named, April 16 to 19.

George P. Grout, Panhandle, president, presided over the session, held in the Hilton Hotel. A later date than previous years was decided on when breeders pointed out that the later date would enable them to run less risk of bad weather earlier in the month.

Walter W. Evans, Hale county agent, was named general supervisor of the show. Two Lubbock men, E. N. McClain, assistant county agent, and Roy C. Mowery, associate professor of animal husbandry at Texas Tech, were named superintendents, the former of the Jersey department and the latter of the vocational and 4-H centers.

Other superintendents named were: W. H. Upehrich, Canyon, superintendent of the Holstein department, W. T. Magee, Levelland, Gurnsey department; E. W. Thomas, Dimmitt, production; D. A. Adam, Amberst, dairy calf club judging; Mrs. Julia E. Kelley, Plainview dairy products.

Mr. Owen Davis, who visited relatives and looked after business interests here last week returned home Sunday. He is living at Quemada, N. M.

Mr. and Mrs. John R. Mayo had as their guest last week end their nephew, J. T. Owens of Lubbock.

Mr. and Mrs. Harvey Jordan of Loop have been guests this week of her parents, Mr. and Mrs. J. P. Bowlin.

Master Weldon Hancock, older son of Mr. and Mrs. Homer Hancock, is ill this week with diphtheria. Raymond Eldon, his small brother, is practically recovered from the disease.

Farmers Sign Contracts; Federal Control Looms

Though we were unable to secure a definite number of contracts signed by Lynn county farmers who are cooperating in the 1934 cotton acreage reduction campaign, county agent V. F. Jones said last week that it was apparently going over almost 100 per cent.

As the campaign is underway, the department of agriculture is sending out questionnaires to cotton farmers to learn their sentiment toward more specific acreage reduction control, and what form it should take. This questionnaire will be mailed to approximately 50,000 farmers in all the cotton growing states. In addition it asks the opinion of each individual on what percentage of farmers in each community favor such a plan and whether they would favor a restriction in the number of bales each farmer would be allowed to produce, or prefer a tax on all cotton ginned or sold, with an exemption for the average production permitted to those who cooperate voluntarily in adjustment programs.

Senator Bankhead several days ago advocated, or introduced a plan whereby farmers would be licensed to gin a certain number of bales. This plan has been somewhat modified during the past few days to one whereby a tax ranging from 10 cents a pound upward will be placed on all cotton sold above the allotted amount for each farm. Under this tax plan, the secretary of agriculture would estimate the market demand for cotton each year, and a certain number of bales would be allotted each farm on the basis of previous production or estimated production. If all the acreage were planted to cotton, all cotton sold in excess of the allotment would be taxed at a prohibitive rate.

Aside from the fact that Senator Bankhead's plan apparently lacks constitutionality and consonance with democratic principles it is a sure fire method of controlling the output of cotton. The weakness in the present control is that it does not work 100 per cent and leaves the way open for growing a huge crop—just as happened in 1933 in spite of acreage reduction.

\$43,000 Received By 189 Farmers

One hundred and eighty-nine cotton option checks, amounting to approximately \$43,000 were received Tuesday at the office of county agent V. F. Jones. This is the first payment on option cotton received by Lynn county farmers.

Mr. Jones stated Tuesday afternoon that every man who has received a card notifying him that his check has arrived, just as soon as it reaches the office, and he asks that you do not call at the office for your check unless you have received this card.

This week seven stenographers are busy in the office, trying to care for the clerical work incident to the acreage reduction campaign, and this work has been seriously hindered by requests from individuals that their checks be locked up.

It is expected that additional option money will be received within the next week, but this is no official statement. Mr. Jones further stated that every farmer who pooled his option cotton must sign a 1934-5 acreage reduction contract, or be ineligible to sign such a contract before the check can be delivered.

O'Donnell Contracts Slow

Mr. Jones said Tuesday afternoon that he has been somewhat surprised and disappointed at the slowness with which reduction contracts came in from O'Donnell. He was unable to say whether or not the government will allow an extension of the reduction contract, or be ineligible to sign such a contract before the check can be delivered.

Mr. Jones said Tuesday afternoon that he has been somewhat surprised and disappointed at the slowness with which reduction contracts came in from O'Donnell. He was unable to say whether or not the government will allow an extension of the reduction contract, or be ineligible to sign such a contract before the check can be delivered.

J. B. Miller In Race for County Superintendent

I wish to take this means of announcing my candidacy for the office of County Superintendent of Public Instruction.

I came to this section of the state in 1922, having previously taught in the schools of Denton county for two years. For the past twelve years with the exception of one year spent in Alabama, I have been teaching in the schools of Lynn county and the adjacent county of Garza. The first two of these years were spent as principal of the public school, the next four as superintendent of the Southland school, and the past five years as principal of the New Lynn school of this county.

There has been nothing extraordinary or spectacular about my record in the above schools to which I may refer the voters of the county. I can say, however, that I have never left a school except of my own volition. I feel that I have had a splendid amount of experience in the schools of this immediate section has given me a practical understanding of their problems and some knowledge of their solution. We now have a splendid system of schools in our county, but I feel that there is still some room for improvement. If elected to this office it will be my purpose to inaugurate any or all of the following definite steps which I shall consider to be for the improvement of the schools under my supervision. With the cooperation and assistance of the teachers and patrons of the county I shall endeavor to carry them through to completion.

My present duties at New Lynn will prevent my seeing many of the voters at this time, however, I shall endeavor to be in each one in person before the primary election. Just before that time, any consideration you may give my candidacy, or any influence you may extend in my behalf, will be highly appreciated.

Respectfully,
 J. E. MILLER.

District Singing Convention To Meet Here Sunday

We are asked to announce that the district singing convention will hold its regular meeting with O'Donnell folks Sunday afternoon, at the First Baptist church.

The session will open promptly at two-thirty, and the public is cordially invited to come and take part. If you can't join in the singing, come and enjoy the music.

Smith Asks Final Red Cross Report

All community chairmen of the Red Cross Roll Call in Lynn county are asked by Truett Smith, county roll call chairman, to make their final reports to him at once.

"I believe that our quota of 400 memberships has been reached," Mr. Smith said, "but we must make our report and all the local chairmen have not yet reported to me."

Waller Child Ill At Pride Home

Miss Emily Waller was in the office Tuesday afternoon, and reports that the condition of her seven-year old nephew, Marvin Waller, is still grave, and that physicians offer little hope for his recovery.

The child, the son of Mr. and Mrs. J. B. Waller, has been suffering for several months with a malignant stricture in the intestinal tract.

The many friends of the family join in the sincere hope that he may yet show a decided improvement.

Dr. Cutler Closes Office

Dr. Hall W. Cutler, who has been at his office here three days a week each week since early in the fall, moved his office equipment back to Lamesa Wednesday of this week. He asks that we bid all his friends here good-by for him, and assure them that he has deeply appreciated their friendship and patronage this year. He will be at his old office in the O'Quinn building at Lamesa, and will be happy to see any of his O'Donnell friends and patients.

Highway 9 Work Is Going Forward

Work on grading and drainage structures from Tahoka to the Lubbock county line is going forward at a rapid rate, and those in charge endeavor to have this part of the work done by February 15, Judge W. E. Smith states. It is possible that the topping will be put on very soon after completion of the grade.

Work on the roadway started on that sector of the road which passes through Tahoka, and traffic has been diverted through the west part of the city.

Workmen are busy cutting down trees for the roadway across the west end of the court-house lawn. Many expressions of regret have been heard this week that permission was given for butchering up the beautiful court house lawn.

EAGLES' SCREAMS

Civics Club Organized
The Civics Class of the local high
school has organized itself into a club
with a constitution, officers, and all
parliamentary rules. Officers are:
presidents, Ben Morrison; vice-presi-
dent, Beatrice James; secretary, Con-
nie McCona; treasurer, Garland
Perry; reporter, Margaret Vermillion.
Members of the committee on the
constitution are Georgia Mae Smith,
Charles Tate, Mildred Goddard, Mar-
garet Vermillion, and Frank Davis.
Sponsor Praises Class
The Sophomore reporter gleefully
states that their sponsor, Mr. Harrison,
has recently declared that the
Sophis are getting better day by day.
Well, that's encouraging.
GRAMMAR SCHOOL
Seventh Grade: We have a new
nupt this week, L. J. Howry, of Crane.
We are happy to have him, and to
have J. C. Simpson back with us after
a long absence.
Mrs. Gooch has received a short
letter from one of our classmates, T.
M. Ward, Jr., saying that he is much
improved from his long illness.
The High Seventh section is hav-
ing a contest, and the side which fails
to make a good record on all work

must entertain with a theatre party
for the others on February 23.
Sixth Grade honor roll: Buck Pres-
ton, Rochell Howard, James Howlin
Jr., Melba Ruth Nance, Harvey Lee
McKee, Lendon Russell, Lena Mae
Russell, Hilman Maxwell, Max Har-
ris, Elizabeth Ganit, Lois Perry, C.
R. Burleson, L. E. Robinson, Opal
DeBark, and Lloyd Shoemaker.
SPELLING: Betty Lynn Middleton,
Lendon Russell, Clyde Batte, and
Elizabeth Ganit.
Fourth Grade Honor Roll: Jennie
Mae Shoemaker, Lena Mae Singleton,
Zelma Burdine, Martha Jean Houchin
and Marcella McRae.
Athletics
The girls' basket ball squad is get-
ting in some good work on the new
two division court this week. The
Hancock team gave them a good
trouncing Friday, defeating them by
a score of 24-14, but as our team had
had only three days' practice on the
new court, the score wasn't as bad as
it might have been.
A group of boys ineligible to make
the team have organized their own
squad, to be known as the "Buz-
zards". They had a good game with
OK Tuesday afternoon, defeating
them by a narrow margin.
METHODIST CHURCH
Rev. W. M. Pearce, the Pre-

siding Elder of the Lubbock district will be his first time to preach for us. He will preach Sunday at 11 A. M. This At 2 P. M. he will hold the business session of the quarterly conference. Subject for 7:30 P. M., "The Value of a Man." Geo. W. Montgomery.

Mack Wilson
(The Service Station Owner)
Tells...
**"MY CUSTOMERS TALK
ABOUT 'GAS' AND GAS"**
MACK WILSON, the service station owner, discovers
a lot about people in his daily contact with motor-
ists, but one thing he can't understand is the dif-
ference in attitude toward the price of natural gas
and the price of gasoline. He says that over the
period of a few months the price of gasoline will
fluctuate several cents, and there is never a murmur
from his customers, in spite of the fact that gasoline
is the only fuel that operates the common auto-
mobile.
He couldn't understand it because there are several
fuels that people can turn to for general household
purposes. Mack took the trouble to find out why
they continue to use gas. He discovered that they
would use gas if it cost several times the amount
asked because it still would be the best bargain in
fuel. He found, also, that people with automobiles
spend more for gasoline than they do for gas for
cooking and water heating.
You need not be a dealer in gasoline to appreciate
Mack Wilson's attitude on gas rates. Consider gas
for its value and you will recognize it for the bar-
gain it is.

Wife's SOCIETY

Alta Dean Fortner Celebrates Birthday

The seventh birthday of little Miss Dean Fortner was celebrated Sunday afternoon at the home of her parents, Mr. and Mrs. Boyd Fortner, when twenty of her small friends gathered to help her enjoy the occasion.

After admiring the many appropriate gifts, the guests enjoyed group games until five o'clock, when the birthday cake and hot chocolate were served.

Miss Rebekah Schooler and Mr. Joe Garner Married

Culminating a romance of several months duration, the marriage of Miss Rebekah Schooler and Mr. Joe Garner was solemnized Sunday afternoon in the parlors of the Methodist parsonage at Lubbock. Rev. J. O. Barnes, pastor of the First Methodist church there and a friend of the bride's family for a number of years, officiated at the lovely and impressive wedding ceremony.

Mrs. Garner is the only child of Mr. and Mrs. J. L. Schooler of this place, the grand-daughter of Mrs. R. H. Schooler. She spent her childhood in Lubbock, graduating from the local schools with honors, and has grown into a gracious young womanhood among her friends here. Her sunny disposition and her charming manners have endeared her to all who know her. Mr. Garner is the brother of Mrs. J. L. Schooler of this place, and has lived in and near O'Donnell for several years, though he has been at home for some time. He is well-known and esteemed for his many good qualities.

The Index joins with other friends in extending congratulations and best wishes to the happy pair.

Miss Irene Jordan and John Vermillion Wed

Miss Irene Jordan and Mr. John Vermillion were quietly married at five o'clock Saturday evening at Tarrant County Judge W. E. Smith performing the ceremony. After a brief honeymoon the couple returned to O'Donnell Monday.

The bride is the accomplished and active daughter of Mr. and Mrs. D. Edwards, and has taught in the local schools here for the past five years, having charge of the third grade. During these years she has won the respect and affection of every child of the territory. One of the most popular teachers on the faculty of both students and patrons, her influence in the community has always been recognized.

Mr. Vermillion is the son of Mr. and Mrs. W. E. Vermillion, and has lived in O'Donnell for some eight years. He graduated with the class of 1928, and has since that time been employed with the B & O Cash store. The Index joins with the community in extending hearty congratulations and best wishes to Mr. and Mrs. Vermillion.

Mr. and Mrs. J. E. Batte were married Saturday evening, January 25, an eight pound daughter, who will be called Barney Jo, and baby are doing well.

Legion Social Attracts Splendid Attendance

The community social sponsored last Thursday evening by the Ladies Auxiliary and the Fern Allen Post of the American Legion was well attended, and was unanimously declared to be one of the most enjoyable social affairs of this winter.

Some eighty persons were present for games of bridge and forty-two, as well as other pastimes. Many others had bought tickets, but somewhat inclement weather prevented their attendance.

This first social this year met with such enthusiastic response, Commander H. A. Lattimore stated Monday, that plans are already under way for a similar one in the near future.

Party Monday Evening Honors Olin Yandell

Honoring Olin Yandell, who left this week to enter school at Tech, a number of friends were entertained Monday evening at the home of L. J. Hohn.

Forty-two and group games were enjoyed until a late hour when refreshments were served.

Halsey-Hill Nuptials Performed at Slaton

Miss Millie E. Halsey of Albany and E. L. Hill, editor of the Lynn County News, were married Sunday afternoon at the residence of the bride's aunt, Mrs. Willie Eubanks, in Slaton. Rev. Lawrence Hays, pastor of the First Baptist Church of Tahoka, officiated, using the ring ceremony. The bride and groom left immediately after the ceremony for a short trip.

The groom has been editor and publisher of the News for the past sixteen years, having been previously engaged in the practice of law. He was also owner and publisher of the Roscoe Times for a number of years.

The bride has been engaged in home demonstration work the past six years and has long been recognized as one of the most capable home demonstration agents in the state.—Lynn County News.

Johnny Carrolls Are Making Home Here

Mr. and Mrs. Johnny Carroll, who were married last week by Judge Phillip Yonge at Lamesa, are now at home at the W. W. Williams farm. Mr. Carroll is a nephew of Mr. Williams.

Both young people have scores of friends among the younger set here. Mrs. Carroll is a New Mexico girl but has visited here on a number of occasions.

The Index joins with other friends in extending best wishes for a long and happy married life.

NOTICE

Bro. Bill Brewer asks us to say that his congregation has secured the brick tin-shop building across the street from Cicero Smith Lumber Co. and that services will be held there

regularly Saturday evenings, Sunday at eleven o'clock and again in the evenings, with prayer meeting each Tuesday evening. Everyone is welcome to attend any or all of these services.

CONDUCTS BIBLE SCHOOL AT MULESHOE, TEXAS

R. E. Key of Tahoka reports that he conducted a training course at the First Baptist church at Muleshoe last week, assisted by our former pastor, Rev. L. S. Jenkins, and that the school was highly successful.

Mr. Key added that Rev. and Mrs. Jenkins are very happy in their work at Muleshoe, and that attendance and interest in the affairs of the church has greatly increased during their ministry there.

Mr. and Mrs. M. B. Rowell, who live north of Wells, announce the

birth of a fine 8½ pound daughter on January 21. Mother and baby are doing well.

Mr. and Mrs. J. L. Nelson, who live west of New Moore, are the proud parents of a lovely 9 pound daughter, born January 19.

Born to Mr. and Mrs. Ed McKee on January 11, a 9¼ pound daughter. Mother and baby are doing well. The Index extends apologies to the

young lady for the delay in announcing her arrival among us, but her doctor was out of his office when we went to get the report, and by the next week he just supposed we had already told the world how glad we were to welcome her.

Uncle Jim Cahney has been quite ill this week, but attending physicians report that he seems to be somewhat improved today.

"If you want your money to go 30% farther, here's my advice—"

"Break in new tires at this time because cool roads toughen rubber—cold-cure it. This tires put on now will run about 30% farther than the same tires started off new on hot summer roads. That means you get 30% more mileage plus immediate non-skid safety. At today's low prices, isn't that worth thinking about?"

East Side News

J. H. Yarborough
Correspondent

There has been no report from East Side for several weeks, but all our people have been so busy no one has had time for visiting. Hog-killing and curing of meat have kept everyone interested, especially since the holidays, but now farmers are waiting sufficient moisture to begin the 1934 crop.

Mr. and Mrs. H. L. Brewer are now living four miles east of the place where they have lived for the past 14 years. We regret seeing these fine people move out of our neighborhood, but it won't be far to go see them.

Rev. and Mrs. Bill Brewer and family and Mr. and Mrs. J. H. Yarborough were out at church Sunday night. Bro. Brewer brought the message.

Mr. and Mrs. J. H. Yarborough attended services at the Church of the Nazarene at O'Donnell Sunday morning, and everyone present deeply appreciated the message brought by Mrs. Keeton.

Rev. and Mrs. Bill Brewer will move sometime this week to the place formerly occupied by Mr. and Mrs. "Doodle" Russell, who have moved to the old home place on his father's farm.

PRIDE AND WELCH NEWS

Nita Fortenberry, Correspondent

Mr. Elmer Britt of Amarillo is visiting in Welch this week.

Mrs. C. H. Martin, Mrs. M. L. Youngblood and Miss Ariah Henry were visitors in the Bartlett community Sunday afternoon.

Mr. and Mrs. Glenn Dickerson and children were guests of Mr. and Mrs. E. G. Fortenberry and family Saturday night.

Misses Bonnie Lee Aslin, Nell Shaw and Nellie Aslin spent Sunday with Opal Aslin.

Pride boys played Fairview at Fairview Thursday afternoon, Fairview winning 14 to 10.

Mr. W. P. Dickerson has opened a live stock exchange in Welch.

The Ladies Missionary Society will meet with Mrs. Glenn Dickerson of Welch at three o'clock Monday. All ladies and girls of any denomination have a cordial invitation to attend.

Miss Clara Gene Dillard and Mr. Cersley Coe were visiting in Lamesa Sunday.

Misses Leona and Frances Tatum, Mr. Benson and Vick Metcalf visited Miss Lola Boty of Bartlett Sunday.

Mrs. T. D. Cathey and children, Mrs. Curtis Hanes and son, and Miss Cordie Mae Shepherd were in Brownfield Saturday.

Miss Grace Harville spent the week end with her parents at Woodrow.

Mr. and Mrs. J. E. Cathey went to Brownfield Saturday.

Mr. and Mrs. Lee Outlaw and family went to Lamesa Saturday.

Mrs. Ella Pettitt and family visited her daughter Mrs. Oscar Blackwood in Lamesa Sunday.

Mr. and Mrs. C. A. Vance and son visited Mrs. and Mrs. Bud Simmons Sunday.

Mr. and Mrs. Lottie Tipton visited Mr. and Mrs. Greer Sunday.

Mr. and Mrs. G. W. Lightfoot and family and Mr. and Mrs. C. D. Tipton visited Mr. and Mrs. A. B. Landers at Foster near Brownfield.

Measles, whooping cough and the chicken pox are the unpopular guests of several in the community.

Mesquite News

Miss Almarine Nunnally
Correspondent

Games of basketball were played between Gail and Mesquite at Gail, Friday evening. Boys scores were 39 and 11 in our favor. The outside boys played a game 16 to 3 in our favor. The girls scores were 27 to 15 in their favor. This was the first game the Mesquite girls have lost this year.

Mr. Sterling Bearden had as guests Sunday Messrs. Ocie Bradshaw and Raymond Lamb.

Miss Daphene Lamb had as guest Sunday Miss Ruby Ritchey.

Misses Aline and Almarine Nunnally had as guests Sunday, Misses Mamie Bearden and Iva Lee Bradshaw.

Mr. and Mrs. C. A. Bearden entertained the young folks of this community with a party Saturday night. Everyone reported a nice time.

Mr. and Mrs. C. A. Bearden were guests in the home of Mr. and Mrs. Lawrence Stephens Sunday.

The Young Peoples' Union program will be presented next Sunday night by Group No. 1.

We wish to announce that the Draw League will present a program here the fourth Sunday in February. Everyone invited to come.

Miss Fay Anderson spent the week end with friends near Tahoka.

Miss Louise Edwards spent the week end at her home in O'Donnell.

A party was given at the Bradshaw home Friday night. Everyone reported a nice time.

A. G. Barnard of Lamesa, was here on business Monday. Mr. Barnard is manager of the West Texas Gas Co., there.

B. M. Haynes made a business trip to Lubbock Friday.

Mr. and Mrs. Pat Curtis and family have moved this week to Tahoka, but we refuse to say that they have gone permanently.

Mrs. Odessa Oliver, who has been here several months with her sister, Mrs. Hal Singleton Jr., left Monday for Marfa where she will be secretary of the CWA office.

Lower Freight Rates On Feed For Area

Washington, Jan. 27.—The interstate commerce commission today authorized railroads serving drouth areas in Kansas, Oklahoma, Colorado, New Mexico and Texas to establish reduced rates on feed for livestock and poultry.

The Atchison, Topeka & Santa Fe Railway Company, the Gulf, Colorado and Santa Fe Railway company and the Santa Fe Railway company informed the commission a severe drouth exists in portions of the five states and that unless immediate measures of relief are given, livestock and poultry would die and there would be general suffering.

The commission taking cognizance of the situation authorized the railroads to publish and charge reduced rates on hay, straw, livestock feed and poultry feed when they may be found necessary to points in the stricken area.

WINTER WEATHER SWEEPS SOUTH PLAINS TUESDAY

For the second time this winter real winter weather hit the South Plains Tuesday morning, and by nightfall the mercury was hovering lower than it has this year.

Only one other time this winter has it been cold enough that ice formed on the walks and in the streets and water pipes were frozen.

Though regretting the disagreeable features incident to extremely cold weather, farmers and business men are for the most part very glad indeed to see some winter weather. A mild winter is usually followed by an "insect" summer, according to many of our leading farmers, and prospects of a good hard freeze are decidedly welcome.

PNEUMONIA SECOND AS CAUSE OF DEATH IN TEXAS

Austin, Jan. 31.—Pneumonia is a seasonal disease, in that the incidence and mortality is much increased during wet, cold weather, according to Dr. John W. Brown, State Health Officer. It is more prevalent and serious in towns where contacts with people are more common. Pneumonia is always dangerous but it is especially so to persons in a run down condition. This accounts for the number of cases following illness with some other disease.

The germs that cause pneumonia are spread by careless coughers, spitters, sneezers, and the things they thus infect. The first symptoms are usually a severe chill and fever, a

very sick feeling, loss of appetite, rapid breathing, and a heavy sensation in the chest. Sometimes coughing brings up blood from the inflamed lungs. Any of these signs should be the signal for going to bed at once and sending for your doctor.

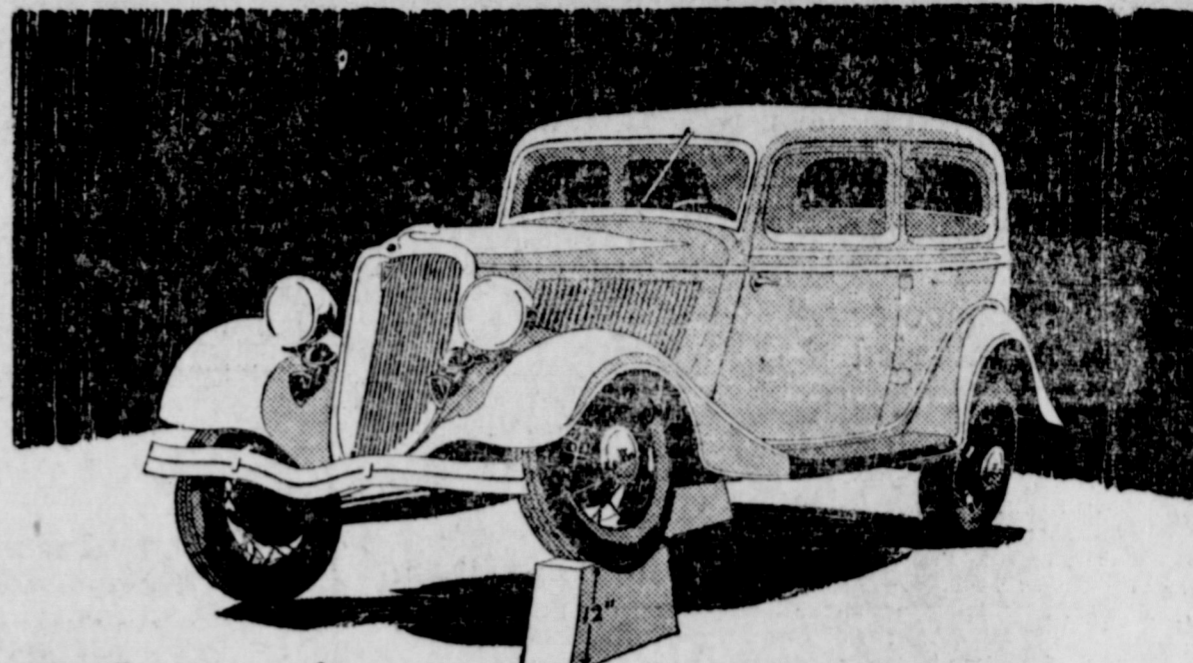

The familiar rules of the prevention of other respiratory diseases apply to pneumonia. These rules should become personal habits and not be put on or off at times of prevalence

or absence of disease. Persons should avoid careless coughers and sneezers even if you have to be rude. Wash your hands thoroughly before each meal. Keep your hands, pencils, money and other such things away from your mouth and nose. Get plenty of fresh air day and night. Exercise and eat in moderation and wear clothing suitable for the weather.

Pneumonia ranks second as a cause of death in Texas, in 1932 almost six

thousand persons died of this disease. It should be remembered that contagious and infectious diseases cannot be decreased or eliminated without the cooperation of the people and that means that people who are sick with contagious or infectious diseases should be isolated and visited as little as possible by relatives and friends.

Mr. and Mrs. C. E. Cabool visited friends in Lamesa Sunday.

Free Action for all 4 wheels

plus the *safety* of a front axle and *comfort* of Cantilever Springs

A great deal of thought is being given today to springs. Various experiments are being tried in an effort to get independent action for an automobile's front wheels.

All of which is simply another tribute to the soundness of Ford engineering and the Ford V-8 for 1934. When you drive this car you get free action not only for the front wheels—but for all 4 wheels.

Ford transverse cantilever springs provide individual suspension for both front and rear axles. In the new Ford these springs have been made more flexible. This type of construction is not experimental and has the advantage of

comfort plus the proved safety of a front axle.

This new Ford combines V-8 power with gasoline economy—20 miles to the gallon at a speed of 45 miles per hour, in exhaustive road runs. It will do 80 miles an hour without difficulty. At 50 or 60 miles per hour it is actually running at ease!

This reserve power means acceleration unequalled by practically any other make of American automobile, regardless of cost. Before you buy any car at any price, drive the new Ford V-8 for 1934.
