O'Donnell School Notes

FROM THE SUPERINTENDENT

The last two weeks have been a time of hard work for the students of O'Donnell. This has been due to the fact that the school is preparing for the annual school play, and the students are busy practicing their lines and scenes.

The play is titled "The Great Adventure" and is based on the story of Robinson Crusoe. The play will be performed on Thursday evening, and the entire school will be involved in some capacity, whether as actors, stage hands, or audience members.

The play is being directed by Mr. Jones, who has taken great care to ensure that all aspects of the production are well executed. The students have been working diligently to prepare themselves for their roles, and there is a sense of excitement and anticipation among the cast and crew.

The staff has been working hard to ensure the success of the play. They have been busy with rehearsals, setting up the stage, and organizing the event.

The play is scheduled to begin at 7:30 PM, and tickets will be available at the door for $5 each. It promises to be an entertaining and engaging performance, not to be missed.

"THE STAIRS OF CONTENTMENT"

The sight of stairs to home ownership is a hope on the steep side. For a few.

In less generality is the sentiment, affection, and feeling of independence that can be obtained in no other way.

We'll be glad to talk the matter over with you and to help you in any way possible.

Start up the Stairs of Contentment today!

To the Patrons of the McDonald-Ely Gin

As the 1924-25 season draws to a close, we take this method of expressing our sincere thanks for the liberal patronage accorded our gin during the past season.

We need every endeavor to give you satisfactory service, and if in any way we failed to do so, we want you to tell us about it. On the other hand, if you are pleased with our method of handling your orders, we would be glad to have you know of it.

We will at once get to work to improve our services in order than ever to handle your business in the most efficient way possible.
