\$2 And \$2.50 Per Year

Don Richardson, Student At SW New Mexico U. and Football Star

Crops Look Good

Monday afternoon a cotton shower netted 73-100 inches of sky juice. The fall was generally up to an inch west of here and was accompanied by small hail covering an estimated 10 Sections. Stones ranged from pea size to slightly larger and did an estimated 10 percent damage to cotton. Area hit was that of Mrs. Beatrice McLaurin, A. F. Allen extending in a narrow strip to west.

Generally the cotton looks the best in five years and late feed looks good. Early feed is being used as pasture for feeder cattle. Many cotton pickers are coming in from mid-Texas. This year it will not be unusual for instances of dry land cotton making a bale to an acre depending on the fall of "shot-gun" showers.

Our genial J. P. Judge Brunett processed 3 Latins for disturbing the peace fined \$119.50 each, a Negro, simple drunk, \$24.50 and a Latin drunk fined \$24.50.

Mayor Jimmy Hash suffered an injured foot when he turned it on a rock.

YOUNG HOMEMAKERS TAKE CONVENTION HONORS

The O'Donnell Young Homemakers attended the Area II Young Homemakers Convention Saturday, in Brownfield.

Mrs. Wildring Edwards, Texas Tech, presented a program on "The Joy of Being a Woman."

The O'Donnell Chapter won the award for being the Outstanding New Chapter of the Area and also the Publicity Award.

Miss Katie Garrett, the Chapter Little Sister candidate, won the Area's Little Sister award.

The Chapter will compete in Austin, Texas at the state Young Homemakers Convention for the Publicity Award, Little Sister Award, and Outstanding New Chapter Award.

Mrs. Gala Hohn, from the local Chapter, was elected as the Area II Vice president for the coming year.

There were 13 members attending the convention, and Mr. and Mrs. Warren Smith, Mrs. Jack Minter, and Miss Katie Garrett were special guests.

FAIR IS BIG SUCCESS

The 1965 O'Donnell Community Fair was closed Saturday evening and termed as a success. Harold John, General Superintendent, reported a record turnout to view the affair. Friday was the largest day attendance-wise. All departments reported very high interest.

The flower division took home the trophy for neatest division. Mrs. A. F. Allen, O'Donnell Young Homemaker, and Mrs. J. C. Swinney were heads of that department.

As the Fair drew to a close there was much talk of improvement to come for the 1966 fair. Next year the directors plan to issue more advance publicity, have Friday set aside for the elementary grades to view the fair, then Saturday to be the "Big Day" with pie eating and watermelon eating contests. The children will again have a turtle race, and bubble gum blowing contest.

Door prizes this year were donated by merchants: O'Donnell Electric — Corning Ware — Carey Line. Texas Electric Service Co. — Student Lamp — Monte Barton and J. D. Stuart.

Lyntegar Electric — Electric Skillet — Zane Harris.

FHA BEGINS SCHOOL YEAR

Miss Becky Brunette, new president of the FHA, presided over the first meeting of the year. Katie Garrett presented the program by sharing with the members what she learned at the national FHA convention in Philadelphia, Penna.

FHA activities for the month of September include O'Donnell and Lamesa Fair exhibits, Foster Child Adoption, in which the club has adopted a foreign child to correspond with, and to send a minimum of \$30 for care of the child each year.

Other activities are an Elderly Person Adoption and a Kidnap Breakfast for the Freshmen.

The Club parents elected are Mr. and Mrs. Horace Brunette. The Advisory Council includes Mrs. J. W. Gardenhire, Mrs. Floyd Thompson, Mrs. Max Kennedy and Mr. Jerry Rowan. Steve Gary is the club sweetheart and Lisa Barnes and David Kennedy are mascots.

The local FHA is proud of Katie Garrett who won the Area II FHA Little Sister Award with the Young Homemakers organization and will be able to compete in the contest at Austin in January.

Lloyd Richardson's father and mother spent last week with the Richardsons here. Mrs. Richardson is recovering from surgery.

Mr. and Mrs. Isaac Ledbetter visited at Colorado City Saturday.

ROTARY NEWS

The O'Donnell Rotary Club met Tuesday with President Truet Hodnett presiding. Visiting Rotarians were Bowers Purcell, Joe Spikes, Noble Price, Stansel Clements, Matt McCall, Guy Weekes, Gordon McGuire, Robert Wade, Hulon Bolch, and Ken Archer of Lamesa and Binie White, Wilton Payne, J. M. Small Harold Roberts, W. G. Thornton Jr., and Pete Hegi of Tahoka Kenneth Pearson was a guest.

Africa, a land of unrest, was the theme of the program for the luncheon. Rev. M. Thomas, Southern Baptist Missionary to Africa presented a very interesting picture of this land that is under the shadow of the Hammer and Sickle and also under the shadow of the Cross, and is largely dependent on the action of the Free World as to which triumphs. Rev. Thomas also gave Tribalism, Materialism, Communism, and Nationalism as contributing factors to the African unrest. Rev. Thomas as the Evangelist for the Revival of the First Baptist Church.

The Rotary family Riek Veemar of Holland write that Holland had a very wet summer and needs some sunny days. The Veemar family will vacation on the Isle Ischia.

The John Bowen family write from Australia that the Flowe Festival and Fete were very successful. Many floral displays of orchids were shown.

Thought for the week: "Worth while things require sacrifice."

New Cotton Variety Tests Are Planned

Dr. G. N. Stroman, developer of 1517 Acala cotton varieties, has joined the farmer-owned Growers Seed Association of Lubbock to carry out an extensive cotton research program for the Plains, Rolling Plains and Southwestern Oklahoma, according to George Babcock, manager.

He will strive to incorporate some of the Acala varieties' good fiber qualities and added length into cotton varieties that can be grown successfully by Plains area farmers.

Dr. Stroman is world renowned for his cotton breeding research. He is a graduate of Texas A&MU, received his doctorate from U. of Wisconsin, is a former professor of agronomy at New Mexico State U., carried out cotton breeding research in Peru, and has since continued his research program at Las Cruces, N. M.

His goal is to produce varieties to produce a fiber with a staple length of 31-32 to 1 1/2 inch adaptable to Plains harvesting methods and having a Poppel strength test of at least 9000 pounds per square inch and a micronaire range of 3.7 to 4.4.

Jim Williams Named Vice President At Area Young Farmers Convention

Young Farmers and Young Homemakers from Area II chapters attended the annual convention held at Brownfield Saturday and two men from Lynn county chapters were named to area offices.

Jimmy Williams of the Tahoka chapter is the new vice president and R. L. Dulin of the New Home chapter is reporter. President this year is Stanley White of Wondyke; secretary James Deane of Fluvanna; and treasurer, Dor Walker of Stamford.

The O'Donnell Young Farmers received two awards following the banquet that night attended by 300 young farmers and young homemakers, second for outstanding publicity and second for attendance, which was 99 percent at the convention.

Wilmer Smith of New Home was the speaker at the afternoon program for Young Farmers and talked of the future of cotton and future of the young farmer in the cotton belt. He told the men that farmers should place more emphasis on the quality of cotton they grew rather than on the quantity. About 200 men heard Mr. Smith's speech.

The "Morton Symphonies" provided entertainment at the banquet before awards were presented. Recipients of the awards and those giving the awards follow:

Outstanding new chapter, Fisher county, Goodpasture Grain and Milling Co.

Outstanding chapter, Fluvanna; second, Terry county, Pioneer Gas Company of Brownfield.

Publicity, Terry county; second, O'Donnell, Lyntegar Electric Co. operative.

Outstanding Young Farmer, Weldon Mason of Terry county; second, Ray Herring of Fluvanna, Texas Electric Service Co.

Most Attendance, Fluvanna (100 percent); second, O'Donnell (96 percent); Ezell T. Grain Co.

The Lynn county Young Farmer chapters had about 20 members and guests attending the event.

In addition to the awards O'Donnell chapter of Young Farmers ranked third in chapter accomplishments, and Jack Minter was recognized as a top contender for the outstanding young farmer of Area II, according to Harold Hohn.

Plans are being made by the chapters to attend the State convention in Austin in January, 1966.

1939 STUDY CLUB HAS FIRST MEETING OF NEW CLUB YEAR

The 1939 Study Club met in the home of Mrs. John Etter, the president, at 9 a. m. on Wednesday, Sept. 15. Mrs. Etter presided and gave a welcome address. Mrs. E. T. Wells presented and reviewed the new yearbooks.

A delicious re-assembled breakfast was served to eleven members. Favors were corsages made of a ball of cotton and red rose.

The next meeting will be on October 6 at 3:30 p. m. with Mrs. C. H. Tyler as hostess.

The year's theme for the club is "Women of Tomorrow's World" and Mrs. Bradley will speak on Club Women in Viet Nam.

All members are urged to be present.

SUNDAY SCHOOL CLASSES HAVE SOCIAL TUESDAY

The Dorcas and Ruth Sunday School classes met for a social hour in Fellowship Hall of the First Baptist Church Tuesday noon.

A delicious fried chicken dinner was enjoyed by two guests and six members from each class.

The next social will be the second Tuesday in October and all members are urged to attend.

Guests were Mrs. Parnain and Mrs. C. Walker of Brownfield, sister-in-law of Mrs. Yandell.

Mr. and Mrs. Ovis James of Coahoma visited Mr. and Mrs. Freddy James Sunday.

Mr. and Mrs. M. B. Allen visited at Odessa this week end.

Mrs. Ruth Holman has been in a Comanche hospital, but has returned home and is now visiting at Seagraves and Seminole.

ROPING CLUB IN CONTEST AT GAIL

The O'Donnell Roping Club traveled down the caprock Monday night to join the Gail Ropers in a two-calf average rope contest. O'Donnell won the first go-round with a 19 second lead, but Gail took the second go-round. These two groups will meet again Saturday night in the O'Donnell arena.

Come on out—it will be quite exciting and there will be no admission fee!

SCHOOL ANNUALS NOW ON SALE

Sale of the 1966 EAGLE, school annual, began Tuesday, Sept. 7. During this initial sale the price is \$4.25 per copy. After October 1 the books will sell for \$4.75 each. A \$2.00 deposit will reserve an EAGLE with the balance due before delivery of the book.

Because the publisher has set an early date for turning in an exact order for May delivery, no books will be sold after November 15.

A parent who wishes to buy an annual for his child should send the money to school by him. He will be given a receipt by a member of the Annual Staff. Checks should be made payable to the O'Donnell Annual Staff.

To facilitate bookkeeping and to prevent interruptions in the elementary schedule the Staff prefers that elementary students make full payment at the time of the purchase.

Members of the 1966 EAGLE Staff are Clara Autry, Pam Singleton, Donny Seay, Terri Taylor, Jo Ella Askew, and Ronny Jordan. Mrs. Nola Bolch is sponsor.

FOR SALE — 3 bedroom brick home. Double garage, trees, fence, well. Phone 428-3826.

Mr. and Mrs. Bobby Everett and son of San Antonio spent several days last week with their grandparents, Mr. and Mrs. Roy Everett.

Week end visitors in Mr. and Mrs. J. L. Pennington home were Mr. and Mrs. E. N. Pennington and daughter from Wichita Falls, Mr. Bill Autry from here, and Mr. and Mrs. Boyd Pebsworth from Tahoka.

Mrs. B. B. Wise has returned after having foot surgery in a Lubbock hospital last Friday.

Mr. and Mrs. Blain Mitchell were in Brownwood Sunday for the funeral of his grandfather.

"Maybe they'll drop me a card on their trip"

Your friends will know you are "having a wonderful time" on vacation when you use ZIP Code in addressing your cards.

New Board For County Library

Lynn County Library board has been recognized and approved by the Commissioners Court of Lynn County in order that new life may be injected into the project and in order that certain requirements may be met to conform to regulations of Texas State Library.

As a result of the reorganization and official approval by the Court, certain additional benefits may be received from the State Library.

At a recent meeting of people interested in the library, ten directors were proposed and these were approved Monday by the Commissioners Court. They include four old members, Mrs. G. M. Stewart, representing study clubs; Mrs. Gladys M. Stokes, representing business women; Mrs. Madeline Hegi, public schools; and Frank Hill, civic clubs.

New members named to the board include: Stephen Thompson, professional man; W. Garland Thornton, city of Tahoka; George Sealy, New Home; Dan Cook, Wilson; Elvin Ray Moore and Mrs. Guy Bradley, O'Donnell.

The library was started 28 years ago by Phebe K. Warner Club of Tahoka with Mrs. Stewart in charge, and she has been the leading worker for the library ever since.

When the Rotary Club remodeled the old City Hall into a Boy Scout Hut, space was given for the library. The County and City of Tahoka have helped financially with the project over the years. For a number of years, Mrs. A. J. Kaddatz has been the efficient librarian.

The library now has 10,000 books. Through the summer months 140 to 160 people check out books weekly, and up to 7,000 a year are checked out.

Directors hope to extend the scope of book usage by securing greater interest over the entire county.

Mrs. Rosalyn T. Shamblin, field consultant of Texas State Library, has recently made recommendations which the board hopes to implement in the near future for more extended use of the library, which is free to all Lynn county citizens.

ACREAGE SURVEY STARTING

Postmaster Line announced today that Rural Mail Carriers will begin distributing 1965 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis

WARNS OF SWINDLERS IN HEALTH INSURANCE

Swindlers are already at work, selling "Early Bird" insurance to unsuspecting persons eligible for Social Security Health Insurance benefits, John G. Hutton, Manager of the Lubbock Social Security Office informed the Press today.

Hutton states that no Social Security representative is collecting taxes or moneys for Hospital Insurance benefits or any part of the Social Security System.

Persons impersonating Social Security representatives have already been at work in San Antonio and Dallas, offering Health Insurance protection under Social Security at a cheaper rate for persons who sign up with them immediately rather than at a later date.

WARNING

Children following the City spray machine on bicycles or running, are not only in danger of being hit by passing cars and being caught in machinery of the sprayer, but it could be a health hazard.

Please do not follow the spray machine in the future. — L. J. Hash, Mayor.

New Hunting And Fishing Licenses Due September 1

Austin—One and one-half million "passports to paradise"—that is hunting and fishing licenses—have been put in the mail for distribution to Texas sportsmen. J. Weldon Watson, executive director of the Texas Parks and Wildlife Department, said that a custom first installed last year has been pursued "with substantial refinements." This, he said, means that the licenses were mailed a full three weeks before the September 1 beginning of the new state fiscal year.

Rural Accident Report Made

The Highway Patrol investigated five rural traffic accidents in Lynn county during the month of July, according to Sergeant A. E. Roberts, Patrol Supervisor of this area. These wrecks accounted for one person injured and an estimated property damage of \$2,650.00. The rural traffic accident summary in Lynn county for the first seven months of 1965 shows a total of 34 crashes resulting in two persons killed, 15 persons injured, and an estimated property damage of \$15,943.00.

PRESTIGE PLATES NOW AVAILABLE

Personalized, prestige auto license plates can now be secured on application, accompanied by a \$10.00 fee, through Lynn county tax office and George McCracken, tax assessor and collector. Mr. McCracken has received forms for the application under a new Texas law to help finance the Texas program for tourism, recreation and State parks. The fee for the special privilege is in addition to normal auto registration charges. But, once a person has one of these plates approved he may maintain such permanently on an annual renewal basis. The applicant may submit three choices, each a combination of letters or numbers not to exceed six units. This may be his first name, last name, telephone number, dog's name, or a combination of letters and numerals, so long as such does not conflict with the Texas Highway Department's regular license plate number system or some such name, number or combination already issued to some other person. Mr. McCracken has full detail on the new personalized numbering system.

DID YOU KNOW THAT:
In 1961 the Texas Forest Service launched an extensive program in tree improvement research. It was the first Southern state forestry research. Much credit for financing the program is due units of the forest products industry. A laboratory and greenhouse on the campus of Texas A&M University is the operations center for this program.

Longer Vehicles Due On Roads

The Legislature has seen fit to allow the operation of longer vehicles on Texas highways. These vehicles can be maximum of 65 feet. The present length for a combination of vehicles is 50 feet. The law has been changed as a result of the trucking industry seeking to improve the efficiency and quality of service to the public.

These combinations commonly known as "double-bottoms," although used extensively, are virtually unknown in many areas of the country. Texas has been one of those areas. However, beginning September 1, 1965, we will begin seeing the "big-rigs" on our roads.

Our purpose in this article is to acquaint the motoring public with the fact that the bigger and longer vehicles will be on our roads. And, though we occasionally see a long truck, mobile home, or some oil field equipment on the highway and we need to drive accordingly—these are not too numerous. The "double-bottoms" will be there day and night, especially on our thru highways.

In the past a vehicle combination of this type would have required a permit and would not have been allowed on the road way at night.

Since the picture is changing Texas motorists will need to change some driving habits. Look for these longer and larger vehicles at night.

Naturally your question is, do they "fit" into present day traffic? Let's look at the turning movements of these 65 feet length "double-bottoms." According to Traffic Safety, a National Safety Council publication, the Department of Commerce says that, after tests they ran, the 65 feet combinations have less off-tracking than the 50 feet, five axle tractor semitrailers.

"For a 90 degree turn, such as a city street intersection, the 65 feet 'double' has a track width 2 feet narrower than the 50 feet tractor semitrailer."

Turning on the cloverleaf intersections of the Interstate System, the Department of Commerce tests show the "doubles" are 12 feet narrower than those of the smaller combinations.

Another question, and equally important, is it safe to pass a "double-bottom"? We again refer to the Department of Commerce **ARMY NEEDS PILOTS**

Sgt. Mel Baker, local Army recruiter for this area announced today that the Army Recruiting Station in Lubbock needs applications from young men interested in the Army's flight program.

To be eligible an applicant must be at least 18 years of age and not have reached his 30th birthday at time of enlistment, be able to pass a flight physical, weigh not over 200 pounds and be not over 76 inches nor less than 64 inches in height. All applicants must be high school graduates.

For further information, Sgt. Baker is located at 1010 13th St. in Lubbock or he can be called collect at PO 3-2821.

Persons 17 years of age and under 65 years of age must have the licenses to hunt and fish with some exceptions, explained in the official hunting and fishing digests available shortly at licensed dealers, at Department local offices as well as with game wardens or other departmental personnel.

Historic Mound Near Alto

The home site of a tribe of Caddo Indians who lived about 1000 A.D. near Alto, in Cherokee County, today supports a forest of small trees. This is the site of Texas Forest Service Indian Mound Nursery, located six miles southwest of Alto, along State Highway 21 where it crosses the Neches River.

Only a granite monument atop a 30 feet high, "L" shaped mound testifies to the Indians' having been there. A portion of the mound and surrounding area was excavated in 1940 by the Department of Anthropology of the University of Texas. Although no important artifacts were found, items of pottery, flints and sites of several houses were located. Archaeologists believe the mound was used as a place to worship their sun god. Occasionally, pieces of pottery and flints are unearthed as the area near the mound is cultivated by nursery personnel.

Presence of several constantly flowing springs nearby probably accounts for the Indians' use of the area. Availability of surface waters for irrigation was a major factor in selecting the area as a state tree nursery.

To the citizens of nearby Alto goes a large amount of credit for their part in purchase of the 173 acres in 1940.

The nursery produces tree seedlings for reforestation in Texas. Initial production in 1940 was about 10 million seedlings. Maximum capacity is about 21 million seedlings which are sold to Texas landowners at cost.

Trees are to be used for reforestation and windbreak planting; none are sold for ornamentals or for landscaping.

Supplying tree seedlings for reforestation and windbreak planting is but one of the many ways your Texas Forest Service, now celebrating its 50th Anniversary, performs its obligation to Texans.

BACK TO SCHOOL SPECIAL!

BETTER LIGHT—BETTER SIGHT

STUDENT LAMP

\$9.95
 Only Three-Way Bulb Included

Specifically designed to provide correct light for home study

- Correct height (21") to spread light evenly over work area
- Heavy weighted base resists tipping
- Easy-to-clean plastic shade conceals light source from the eyes
- Three-way bulb may be turned to lower levels when not in use for study
- Diffusing bowl softens light, prevents glare
- Available in choice of attractive color combinations

TWO O'DONNELL YOUTHS ENTER NAVY RECENTLY Sidney Smith, son of Mr. and

Mrs. O. G. Smith, and Charley D. Shaw, son of Mr. and Mrs. Edgar Shaw, both of O'Donnell, were sworn in the Navy at the main Recruiting Station in Albuquerque, N. M. on Monday afternoon, Sept. 13.

The two boys joined under the Navy's "Buddy" program, which allows them to stay together during their basic training, and will return home after seven weeks of training before reporting to their next duty station.

Marion Reneau, Chief Aviation Machinist, is the Navy recruiter for this area.
