Rotary Governor Addresses Local Rotary Club

Earl Wilbur of Dalhart, governor of the Rotary district of this area, addressed the local Rotary club during his official visit. The local club is one of 46 Rotary clubs in this district.

Speaking of the global growth of Rotary, he said, "Rotary is the pioneer of the service clubs and today numbers more than 12,400 clubs with a combined membership of nearly 600,000 business and professional men. Spread throughout 133 countries in all parts of the world, Rotary clubs meet everyday of the week and conduct activities to improve their communities, aid youth, elevate business standards, and further international friendship and understanding."

The district governor also conferred with Wayne Noland, local Rotary club president, and Truett Adnett, club secretary, on matters of club administration and plans for future service activities.

Referring to the program of Richard L. Evans of Salt Lake City, Utah, president of Rotary International for 1966-67, the Rotary governor said, "President Evans has urged Rotarians everywhere to be concerned with youth, employment and education, health, safety, and respect for law as a broad community-action program, and to acquire friendships and personal contacts in many parts of the world for the development of international points of view in general and the welfare of youth across national boundaries in particular."

During his visit the Rotary official was given additional information on some of the local Rotary club's activities, including some of the Community Projects and the many International Contacts around the world.

Concerning the activities of this Rotary district, he outlined the district's projects of the International Contacts and the importance of the contacts in a closing world. "Service will always be important in this fast growing world," Governor Earl Wilbur said.

YOUNG FARMERS MEET

John Saleh, local attorney, was guest speaker at the monthly meeting Thursday night of the Dorrill Young Farmers.

Mr. Saleh explained the amendment to the Constitution of the State of Texas which are to be held on in the November 8th election.

Eleven members and the chaplain, James Reed, attended the meeting. One new member, Steve Stevens, joined the organization. Refreshments were served by the O'Donnell Young Home-makers.

ELLA ASKEU was crowned homecoming queen Friday night during ceremonies at the game between the O'Donnell Eagles and Plains Cowboys. The new queen, crowned by Katie Garwood, last year's queen, is the daughter of Mrs. and Mrs. Ber-

Harvest Festival And PTA Game Nite Dates Set

The annual school Harvest Festival will be held Nov. 21 at 7:30 in the school auditorium with an hour chock full of talent events followed by the coronation of the Harvest queen.

Tickets are 75c and 50c and will be dropped into a box on entering as a vote for the queen. Candidates by classes are:

Freshman—Rhoda Payne
Sophomore—Mary Moore
Junior—Cathy Woolam
Senior—Cathy Franklin

Master of ceremonies will be the President of Student Council Dwight Crawford.

The school always stages an excellent talent show. Lickly, on the program will be a high school colored jazz piano player—worth the price of admission alone. A list of talent events will run next week, if available.

Also of special interest will be the annual PTA game nite Nov. 18th at the school's cafeteria. Students 1st thru 7th grades will sponsor, rather help, in this event. Tickets are 50 cents. Plan now to attend. More next week.

BANK DEPOSITS UP

Local bank deposits as of Friday were at \$1,925,000 and peaking toward \$2 million. Loans are down to \$700,000 and falling each day although the harvest has hardly begun. For cotton, money is beginning to circulate.

Christmas Seal Campaign Set

Mrs. Lillian McCord, nurse of O'Donnell School, and Mrs. Jim Burkett, president of O'Donnell Young Homemakers, represented O'Donnell at the Kick-Off campaign for the 1966 Christmas seals at the West Texas Tuberculosis Association board of directors meeting in Lubbock last Saturday afternoon.

The program was a panel discussion of public relations with such authorities as Dr. Wm. Ross of Texas Tech.; Dorothy Boren of Shoprite Foods; Bill Turner, editor of Olton Enterprise; Tanner Lane of the Avalanche Journal; Bob Nash of KFYO; and Duncan Ellison of KLBK.

Dr. John Selby, president of WTTA, gave a brief informative talk on how well volunteers of WTTA believed in their purpose and of the hazard of tuberculosis in our society. Tuberculosis can be stopped with proper funds and the sale of Christmas seals is their major fund-raising campaign.

Tahoka Takes O'Donnell 52-7

TAHOKA (Special)—The Tahoka Bulldogs scored in every quarter here Friday night to down O'Donnell, 52-7, as Doyle Schneider scored 28 points.

Schneider took a three-yard pass from Mitchell Williams for 3 and then kicked the first four extra points. Later Mike Chandler went five for a touchdown.

Steve Gary tossed one to Joe Lopez who ran 38 yards and he kicked the point to put O'Donnell on the scoreboard, but Chandler raced four to make it 21-7 at the halftime.

John Tyler scored from six yards in the third period, then Tahoka broke it wide open with 24 points in the last period.

Schielder went over from the five, QB Charlie Brown tossed to Schneider for 27 and later to Wayne Thurman for 16 yards and the score.

With 30 seconds left, Schneider intercepted a pass and ran 78 yard for another score. In all, Tahoka intercepted three passes.

TOWER TAKES STATE AND PLAINS AREA; CARR TAKES LYNN CO. AND O'DONNELL

In moderate voting Tuesday U S Senator Tower won reelection for a second term. Local voting showed Waggoner Carr carrying 156 to 130 with 304 votes cast. Lynn went for Carr 871 to 761 while in Dawson Tower led 1393 to 1013. In Borden Tower led 158 to 123. Tower led the Plains area by 12,000 with Carr dropping his home county of Lubbock. Tower lost his home county of Wichita as well.

Carol Smith, granddaughter of Mr. and Mrs. O. G. Smith is at home at Addison after surgery at Dallas and doing fine.

Gail Rambles Past Garden City, 34-8

GAIL (Special)—Quarterback Don Nunnally passed for four touchdowns and ran for another here Friday night as the Borden County Coyotes trounced the Garden City Bearcats, 34-8.

All of the Coyote scoring came in the first half of the District 3-B eight-man contest before a Dad's Day crowd.

221 People Are X-Rayed In City

The TB X-ray unit X-rayed 221 people in O'Donnell last Thursday. A total of \$200 was donated to the WTTA for this service at the unit. Odie Line, president of the Lion's Club and members of the O'Donnell Young Homemakers very ably assisted the entire day.

**Pesticide Use
Warning Given**

The wise use of pesticides inside your home is your personal responsibility says County Home Demonstration Agent Ann Duncan.

When actually using pesticides inside the house, be sure to read the label first, and understand all of the information. Use only the amount called for on the label. Provide adequate ventilation. Don't let the children help. Keep them away from where you are mixing or using a pesticide. Put the family pets outside while you are spraying and take their food and water dishes with them. Remove birds, bird cages, aquariums and fish bowls.

Take everything out of the dish cabinets, shelves and cupboards before you spray. Wait until the spray dries and then cover the shelves with clean paper or foil before you put things back. Never allow pesticides to get on food, dishes, pots or pans. Never spray the insides of a refrigerator or oven.

Pesticide products designed for use in the home are not automatically safe. It's how you handle them that makes their use safe or unsafe in your home, says Miss Duncan.

Keep home-type pesticides in locked-safe storage before and after their use. These pesticide products—and other potentially poisonous products—can be dangerous unless they are safely locked away.

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion. Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

Manufacturer's suggested retail price for Camaro Sport Coupe (Model 12337) shown above. Price includes Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

That wide stance gives sure-footed handling in a corner while the ride comes out amazingly smooth and silent. That's because we designed the suspension with electronic help. A computer was the guinea pig, not you. Add exclusive rubber-isolated body and drive train and you've got the new Camaro: Corvette excitement with family-car driving comfort.

No longer will Texas citizens
pay poll taxes as a qualification
for voting in national, state, or
local elections.

But, all citizens eligible must
now register between October 1,
1966, and no later than January
31, 1967, in order to vote in any
election during the coming year.

Registration is free and may be
done by mail on securing a pre-
scribed form at the office of the
County Tax Assessor and Collec-
tor, George McCracken. Regis-
trant must sign his name to the
blank, together with necessary in-
formation as to age, residence,
etc.

Other qualifications for voting
remain the same as under the old
poll tax system. A voter must
have lived in the state at least
one year, in the county at least
six months.

In Lynn county, a county not
having a city of 10,000 or more
people, overage citizens do not
have to register. This means a
person over 60 years of age on
January 1, 1965, does not have to
register to vote next year.

Mr. McCracken suggests that
citizens register to vote when they
begin paying property taxes dur-

ELLIE'S is glad to reopen her
Christmas Club effective now.

Here's how it works. Your sales
slip will be stamped "Christmas
Club" and you will receive 5 per-
cent credit on merchandise pur-
chased through December 24,
1966.

Say if you have \$100 in sales
slips stamped "Christmas Club"
you have paid for in advance a
\$5 item in the store or you may
use it in part payment on a pur-
chase.

It works like trading stamps and
sales slips may be given to a
friend.

This is important . . . The
Christmas Club ends at the close
of business Christmas Eve. Please
do not cash it after that date.

Try it. Our goods are the same
low price. You know our prices
and know that this is just an extra
help to you in holiday buying.

Sales tax is deducted from re-
deeming value of slips.

**GIANT SYNTHETICS PRODUCERS
ARE TAKING COTTON'S MARKETS**

HOW CAN 500,000 FARMERS FIGHT BACK?

The Farmers' Answer: 'Expand Research & Promotion'

With huge research and promotion expenditures, synthetic fiber
firms rapidly are taking cotton's markets. As a result, the carryover
is at an all-time record. Acreage is the lowest since 1872—down 80
per cent on the average for 1966.

But farmers have developed a way to fight back. It enables them
to pool their resources to mount a hard-hitting research and promo-
tion program to save cotton markets, acreage, and income.

Self-Help Plan Brings Beltwide Acclaim, Support

The farmer-originated plan gives growers an opportunity to vote,
in a Beltwide referendum, on establishing a uniform assessment of
\$1.00 per bale for expanded research and promotion. Thousands of
growers and 61 cotton organizations have endorsed this approach-
overwhelmingly. The press is praising farmers for their efforts to
help themselves.

We Compliment Cotton Farmers On Their Business Approach

Clearly, the plan is based on hard and sound thinking. All pro-
jects must be initiated by grower trustees elected by cotton producer
organizations. Other provisions give equal assurance of farmer di-
rection and control. Any individual farmer who does not want to
participate can have his money refunded.

We recognize that cotton is the economic lifeblood of our business
and our community. We are happy to offer any assistance we can
give our farmer friends as they work for approval in the referendum.

We Wholeheartedly Endorse Your Plan for GREATER MARKETS, ACREAGE, PROFITS!

AMISH CAPITAL

**This Town Has
 More Buggies
 Than Autos**

ARTHUR, Ill.—On the streets
 you'll find more horses and buggies
 than automobiles. The hitch-rack
 is used every day in the week ex-
 cept Sunday.

For this is the home of one of
 the larger sects of Amish people in
 the country. Approximately 1,500
 Amish live on the farms nearby.
 They are prosperous, friendly,
 and mind their own business.

But strangers stare at them be-
 cause the men are whiskered, wear
 homemade clothing and flat black
 hats. The women dress just as
 severely, and keep their heads cov-
 ered. They dislike the automobile,
 and use the horse exclusively.

Hitch Rack Rules
 Arthur has entire streets where
 the hitch-rack reigns. Signs are
 posted, prohibiting autos to park
 in these areas. The highways near
 Arthur are filled with the black-
 topped buggies of the Amish farm-
 ers.

Strangely the Amish have pre-
 served many Old World traits, and
 yet form a harmonious segment in
 the area surrounding them. For
 although Arthur is known as "Cap-
 ital of Amishland," there has never
 been any friction between these
 people and their non-Amish neigh-
 bors. They are extreme pacifists.

Make Own Clothes
 Mention of the word Amish gen-
 erally brings to mind a vague men-
 tal picture of queer, Quaker-look-
 ing people who ride in horse-drawn
 vehicles and wear plain clothes of
 their own making.

SCOUT NEWS

The Eagle Patrol of Boy Scout Troop 789, led by Patrol Leader Mike Green presented a demonstration in First Aid. First Aid is a very valuable lesson to know.

Some general instructions in First Aid are— (1) Keep injured person warm and quiet. (2) Remain calm—but work quickly. (3) Do not give water or other liquids to unconscious persons. (4) Do not move persons with broken bones until authorized by a doctor or other qualified person or until splints have been applied.

Bleeding from small cuts usually stops quickly, but such injuries can become infected. Apply a mild antiseptic and keep covered with a sterile pad until healing occurs. Seriously injured persons who are bleeding should be kept quiet and placed in a position which will lessen blood loss.

Boy Scout Troop 789 reminds the O'Donnell Citizens to help keep O'Donnell clean. Troop 789 meets on Monday night at 7:30 at the home of Truett Hodnett. Lanny Brewer is Scoutmaster. "—all is well, —God is nigh." TAPS that closes the meeting of Boy Scout Troop 789.
