## Three Elections Set For Next Week

Silas Russ Files In Trustee Election

PETITION PLACES JAKE BURKETT ON BALLOT

Next week three elections are set for the voters of the town and the community as well as the State.

On Tuesday April 2nd the annual City election will be held with three aldermen to be named for a two year term. Seeking re-election are the current aldermen, John Earles, Dub Middleton and Hugh Lott. The election is uncontested.

U. S. Senate Election

On the same day, April 2nd, voters of Texas will name a new Junior Senator to fill the two year unexpired term of Gov. Price Daniel. 22 candidates are in the race but only three of this number are expected to receive important support of the voters. Ralph Yarbrough, John White and Martin Dies are expected to run away with the race. The GOP candidate, Thad Hutchinson, may win if the Demo vote is badly split. The election is one of sudden death with no provision for runoff.

School Election Is April 6th

Saturday, April 6th the annual school trustee election will be held in School Tax Office.

Announced this week as a candidate is Silas Russ, a long-time and prominent farmer of just east of town.

Filed Saturday by petition was the name of Jake Burkett, currently a trustee. Earlier Mr. Burkett said he was not seeking re-election but his fellow board members and other friends prevailed upon him to again offer his services. He is secretary of the Board and has a good attendance record.

Announced two weeks ago is Benny Moore, building contractor.

Two trustees are to be named from the three candidates. Deadline for filing was Tuesday.

FHA ELECTS OFFICERS

HEINZ WEATHER

The weather over the week end was big news locally and over a vast area of the mid-west. The severe cold front hit here late Friday night and really got down to brass tacks by Saturday night when gale winds out of the northwest reached gusts of 80 miles per hour. Traffic was halted Saturday night until mid morning Sunday. Wind blew out a plate glass window at Palmer's grocery and over turned out buildings, damaged roofs and blew down signs. Recorded over the week end were nearly all kinds of weather including wind, hail, sleet, snow, sand, rain and sunshine.

On the brighter side is the fact that moisture in March has totaled 38-100th inches of moisture — not exactly a wet month but March has been bone-dry. Indian sign or no, the spring moisture content of the soil is the best in five years, farmers say.

Rep. George Mahon of the 19th District has reported from Washington that the controversy over the Poage cotton bill will continue for several weeks and that the outcome is uncertain. Dates for further hearings have not been set.

Mr. Mahon said figures prepared by the Department of Agriculture show that if the Poage bill is enacted into law it will cost the 19th Congressional district of Texas 118,000 acres of cotton allotment next year, channeling the acres into East and Central Texas.

This would result from changing the base period for allotments from the previous five years as in the present law to the previous three years, Mahon explained. The Congressman and representatives of the Plains Cotton Growers pointed this out in testimony before the House Committee on Agriculture last week.

One provision of the Poage bill would require the Department of Agriculture to establish a special loan on light spotted cotton. West Texans have been working for a light spot loan program for a long time. The Secretary of Agriculture now has the authority under the present law to establish such a program.

In order to take the light spot issue out of the area of controversy, Mahon has introduced a separate bill which provides for a loan on light spot cotton but which omits the objectionable provisions of the Poage bill.

Mr. Mahon said he would work for a settlement of the controversy which would include elimination of all provisions of the Poage bill which are discriminatory toward West Texas.

The Congressman pointed out that our cotton problems are national in scope and that no good purpose was being served by proposals reopening the cotton allotment fight between East and West Texas.
