

O'Donnell Business Men Endorse NRA

While messages continue to pour in from Washington from all parts of the country today, indicating that the bill has lined up solidly behind the President's Emergency Re-employment Campaign, the local committee is receiving pledges of 100 percent support from the citizenry of this community.

Formative plans for actively cooperating in the President's move for employment were adopted at a civic meeting held at the city hall last Wednesday evening when business men and merchants gathered to discuss the matter out.

Earlier in the week practically every business house in town signed up and agreed to open their stores at 7:30 and close at 7:00 through the week, remaining open until Saturday. Dry goods merchants adopted the same hours, and drug stores will remain open, because of pre-arrangements, until 9:00 o'clock through the week.

In a few instances details are still to be worked out, but for the most part local business men seem to have the idea well in mind, and the situation well in hand.

"America has gone to war," said Mrs. S. C. Cathey, chairman of the local organization of the National Recovery Administration drive. "Yes, that is exactly what has happened. We are at war against a crisis and a man who is an enemy as ever attempted to middle Old Glory. Just think for a moment of the suffering and death that have come from this frightful depression of the last four years."

"We simply must get our people back to work," continued Mrs. Cathey, and this present drive will do it. Here in O'Donnell we hear words of praise and encouragement on every side, and those who have studied the situation and realize that they are graveable and economically sound.

"I am glad to see the two plans for the adoption of the industrial codes and the so-called blanket code. Very briefly, the situation may be explained in this way: In order to build up the nation's buying power to keep pace with the increasing commodity prices, there must be a schedule re-employment program for the near future, but right now."

President Roosevelt, acting under the Industrial Recovery Act, first entrusted to General Hugh S. Johnson the organization of the vast task of working out acceptable codes. This work has been progressing rapidly and satisfactorily. There is order to speed things up still more and get men back to work more quickly throughout the nation.

"The mass buying power to keep pace with increasing commodity prices, President Roosevelt has inaugurated the blanket code. This code falls fully into line with the plan of the National Recovery Administration. Substantially all concerns employing two or more persons are asked to join up with the President in a covenant to maintain wages at least at a certain minimum and to restrict working hours with certain limitations."

"Every employer who signs this solemn agreement with the President of the United States will immediately be given the right to display the N. R. emblem in his place of business and in his merchandise, too, if he desires."

"This will notify the public just what places of business have fallen in line with this tremendous national patriotic movement and all such firms are, of course, entitled to the same loyal consideration from the general public that we wish to see theirs receive."

"The members of our local organization here in O'Donnell have taken off our coats, rolled up our sleeves and we have pledged the Administration in Washington to work to the end of our ability to get every man and woman working who is O'Donnell back to work before many more weeks."

Plans Indicate Best School Term In History of School

News of the decision of the Board of Education last week that O'Donnell's school will open strictly on schedule has been greeted with the utmost enthusiasm on the part of patrons and students alike. Just at present the board has made no announcement as to predictions that the term will be briefly interrupted during the harvest season.

Formal notification from the State Department early in July that another half credit affiliation had been received here also has been a source of much gratification. This brings the total number of credits up to 24, said Superintendent E. E. Gilbreath Tuesday morning. Mr. Gilbreath will be connected with the school for the third term next year, having served as principal for two years.

Other members of the faculty are: Fletcher Johnson, principal; Mrs. H. A. Lattimore, English; Miss Marena Harf, History; Miss Jessie A. Walker of Lubbock, Home Economics; T. R. Harrison, Coach. The grammar school faculty will be headed by Mrs. Paul Gooch, who is teaching her sixth consecutive year in the O'Donnell school. Under her supervision will be Mrs. C. H. Westmoreland, primary; Miss Christine Millwee, second; Miss Irene Jordan, third grade; Miss Irene Gandy, fourth grade; Mrs. E. E. Gilbreath, fifth grade; and Miss Louise Anderson, sixth grade. It will be noted that the high school faculty has three new members, Misses Jeff and Walker and Mr. Harrison. Miss Huff is well known to everyone in this territory having graduated from the local high school and also having headed the State Arts department last year.

Miss Walker comes to O'Donnell highly recommended as does Mr. Harrison. In grammar school, only Mrs. Westmoreland is a new comer, but she has made her own mark in the past many years and has been so closely associated with the work of the Parent-Teachers Association and other community activities that she will take her place with the veterans.

Other members of the faculty have served O'Donnell well and faithfully during past years, and there is no need for the Index to enlarge upon the efficiency and ability of their efforts. The school speaks for itself.

The Fine Arts department, piano and expression, are in the capable hands of Miss Alice Berley and Audrey Faye Bailey of Lubbock. Both of these young ladies are well acquainted here, and their success are confidently expected to be of major importance to the success of the school year.

Superintendent Gilbreath will likely call a meeting of the faculty shortly before the opening date, September 4, and at that time a number of new plans will be worked out.

Scholastic shows as taken this year show a decline, now totaling only 379 as compared with last year's total of 424. The per centage of tonnage of the school is announced by the State Board of Education last week entitles O'Donnell to approximately \$6,000 state funds for coming term. Six dollars per capita comes from last year, or remains still due of approximately \$2,500. The board stated last week that the deficit will be made up but gave no definite time.

Further arrangements concerning school matters will be made from time to time through this month. The Index takes this opportunity to say that any time these columns can be beneficial to the school, they are cordially opened. This publication is behind the school to the limit, and we believe most heartily in the success of the coming term.

Local Team To Play In Dawson Tournament

The O'Donnell baseball team will play in an opening double-header Sunday when the annual Dawson County baseball tournament begins at Lamesa.

The game will be played with the Lamesa Legionnaires, and is expected to be one of the best games of the entire tournament, which will continue through ten days.

There are nine teams in the contest, and teams which are automatically eliminated. A number of local people are planning to attend the game Sunday.

Local Boy Makes Good In Forestry Service

News received recently from Trust Hobdy, who is stationed with the Citizens Conservation Club at Magdalena, N. M., indicates that he is reflecting much credit on his family and home town.

After returning from Albuquerque where he underwent an operation for appendicitis, he was placed in the camp infirmary to regain strength. During the time he assisted Major W. V. Pruett, station surgeon, and has been promoted to the medical department under that officer. A substantial increase in salary accompanied the promotion.

Hobdy is now wearing two stripes and the American Red Cross emblem on the sleeves of his uniform. The Index joins with other friends in congratulating him on the promotion and feeling sure that it was merited in every respect.

Duggan Asks For New Congressional Place Next Election

Hon. Arthur P. Duggan, now serving his first term as state Senator of the 30th district is asking promotion at the hands of his constituency, to be Congressman of the new 19th district of Texas which is composed of the following counties: Bailey, York, Lamb, Lamb, Floyd, Crosby, Dickens, King, Haskell, Terry, Lynn, Garz, Kent, Stonewall, Gaines, Dawson, Redwood, Scurry, Andrews, Martin, Howard and Mitchell. This is what is generally termed the South Plains district, as a great deal more than half of both population and area lays about the caprock.

At a State Senator, Mr. Duggan has made a good worker. He is not particularly noted for his windjammer speeches, but a tireless worker whose bills are really made or killed. He has been popular in Lynn and Dawson county heretofore, being one of the high men in the primary last year and defeating Mr. Lockhart in the second.

Mr. Duggan has been on the Plains many years and has been a close student of its vast needs, which are different from any other section of the state. He has always been ready when called upon to go anywhere, anytime, to help out the best interests of the section.

Governor Gives Pete Vaill Parole

Pete Vaill, sentenced to the penitentiary in the district court at Hobbs last September for the theft of a number of tires from the Burleson Grain Company, was granted a general parole by Gov. Miriam Ferguson last Saturday, according to press reports.

Vaill was tried at the September term and was taken to the penitentiary by Sheriff R. L. Parker on November 21, 1932.

He was given a 2 year sentence in the penitentiary. He had therefore served a little more than eight months on his two year sentence.

Vaill was also indicted jointly with Jack Sullivan and Mary Cuban for a \$2,000 theft by the indictment was felony theft by the indictment was \$2,000. The board stated last week that the deficit will be made up but gave no definite time.

Deen Nowlin was foreman of the jury that convicted Vaill on the tire theft indictment.

TWO BUSINESS FIRMS UNITED

South Plains Pipe Line and West Texas Gas Companies Join; Seeking To Increase Operating Efficiency.

Arrangements have been completed whereby the South Plains Pipe Line Company is merged with the West Texas Gas Company, according to an announcement yesterday by R. F. Hinchey, vice president and general manager of the West Texas Gas Company.

The action was taken by the officers of the two companies in order to increase the operating efficiency and effect certain economies for the effort to partly compensate for the several decrease in business," said Mr. Hinchey.

"It is also desired by the officers to restore the investment of the South Plains Pipe Line Company so that there may be a better understanding on the part of our customers and city and town officials as to the costs of both transportation and distribution of gas.

July Heat Mark Set Last Month

July's maximum temperature of 108 degrees was an all-time record for the Lubbock Experiment Station and was an equal to the all-time temperature mark, records of Don L. Jones, superintendent, showed. Minimum was 57 and mean temperature 81.5.

Precipitation was 1.26 inches or .77 inches less than the normal of 2.1 inches. From January 1 to August 1 the rain total was 5.94 inches departure of 4.55 from the normal total of 10.47.

Total evaporation was 9.948 inches an unusually heavy amount although not a record. Total wind run was 3,417 miles with a normal of 4,798 miles. There were 16 clear days, 14 partly cloudy days and one cloudy day. Maximum relative humidity was 72.5 per cent; minimum, 31.8; and mean relative, 49.9 per cent.

Mr. Holloway Operated On At Lubbock Monday

Mr. Holloway, well-known to O'Donnell people, was taken to a Lubbock sanitarium last week, and underwent major surgery Monday morning. He has been seriously ill for several days, and the operation was the last resort.

The Index joins with other friends of the family in the sincere hope that he will soon be completely recovered.

O. E. S. Special Program Scheduled For Friday

The O'Donnell Chapter of the Order of the Eastern Star will meet at 7:30 Friday evening at the hall, for a program of special interest and importance.

Three state officers will be here, and officers of the chapter are especially anxious that there be a good attendance. A social hour will follow the regular work of the evening.

Oil Companies Sign President's NRA Code

The Gulf Refining Company has announced that it has signed the President's blanket code pending the final adoption of the oil industry code.

The District Sales office of the Gulf Refining Company located at Houston, has authorized its agents in all parts of the state to sign the agreement with the President through the local committees.

There are more than 6,000 people employed by the Sales Department of the Gulf Refining Company in Texas, several thousand more employees are affected including the refineries of the Gulf company and the other associated companies including producing and pipe line companies.

Continental Oil Company also announces that it is complying with the President's blanket agreement, and solicits all to use the Blue Eagle emblem in advertising.

Condition of Patients At Hospital Improved

We are indeed glad to report this week that the condition of our hospital patients is uniformly encouraging and favorable.

Mrs. Roy Everett was taken from the hospital to the home of her sister in Lubbock several days ago, and is expected home the last of the week. She will probably be at home when this paper reaches our readers.

Mrs. W. L. Palmer, after several days of unfavorable progress, seems to be much improved today, with both nurses and doctors at the sanitarium giving her reports.

Mrs. W. F. Felts is also doing nicely, and will probably be able to come home within the next few days.

Cowboy Reunion In Gail To Be Staged August 19

A cowboy reunion that will include rodeo events, free barbecue dinner, polo game, baseball game, platform dances and old time fellowship is planned to be held seven miles east of Gail, on Highway 83, Saturday, August 19.

C. C. and W. C. Miller, promoters of the reunion, are inviting cowboys, business men and others interested in the old hospitality of the west to make plans for attending the gathering, which will be an annual affair if it lives up to the expectations this year.

Purses ranging from \$5 to \$40 are being offered in calf roping, goat roping and wild cow milking contests.

A single admission price will admit to the free barbecue and all of the events on the days program.

Local People Attend Singing Convention

A number of O'Donnell people attended the singing convention held at the court house in Lamesa Sunday and report a wonderful day.

Our girls quartet, composed of Misses Doris and Connie McConal and Margaret and Norma Ruth Vermilion, made one of the hits of the program. Noted singers from all over West Texas were present, and a full day's program was enjoyed to the fullest extent.

Mrs. Baldrige Taken To Hospital Tuesday

Mrs. and Mrs. Lee Baldrige, accompanied by his sister, Mrs. Ben Moore and family, left Tuesday afternoon for Abilene, where it is expected Mrs. Baldrige will undergo major surgery.

She has been in poor health for some time, and it was deemed wise to place her in the hands of specialists without delay. Her sister, Mrs. Anna were to be investigated before a decision was made, so that we cannot say definitely where the operation will be performed, if at all.

The Index joins with other friends in the hope, that should a hospital stay be necessary, Mrs. Baldrige will soon be fully recovered.

"And The Lion And The Lamb"

Well, maybe it wasn't exactly a case of the lion and the lamb, but it was a case of a dog and a young fox lying down together on one of the sidewalks in the business part of town Friday last week.

The antics of the fox had furnished amusement for patrons of Everett's barber shop for several days, and Friday some wag conceived the idea of teaching him to lead. However, the sun was too hot and the fox not eager enough to learn, so the duty was delegated to Corky, a common garden variety dog owned by Herman Whitehead. Much to the surprise of the on-lookers, the lead of the fox was fastened to the collar, and he was obliged to not lead, for the fox expressed his disgust with proceedings by firmly sprawling himself on his belly on the sidewalk—forcibly pushing him up one street and down the other.

Finally, however, Corky had to sit down to rest, and during the respite the sun was too hot and the fox thought just his best of the plan as did the dog. And they promptly retaliated the joke on their tormentors—and went to sleep, the fox's head pillowed on the dog's paws.

Jones Resigns Tuesday; Position at Longview

W. O. W. Jones resigned as manager of Magnolia filling station No. 692 Tuesday afternoon, and Vernon Caswell was immediately checked in to fill the place.

Mr. Jones goes immediately to Longview, where he has accepted a position as accountant and parts man with Mr. Claude Malone. Mrs. Jones will join him which will appear here.

The Index joins with the community in extending best wishes to them in their new home.

Baptist Revival Opens Here Monday Night

The annual summer revival at the First Baptist church opened Monday night, and is getting well under way. Trust Smith of Tahoka addressed an attentive congregation Sunday at eleven o'clock, and Rev. Lawrence Hays, also of Tahoka, was present to take charge Monday evening.

The tabernacle is comfortably seated and well lighted, insuring complete comfort at every service.

Miss Lucille Malone of Plainview, a pianist far above the average in ability, is assisting with the music. If there were no other feature, say those who have heard her, one would be repaid for attending services just to hear her interpretation of gospel music.

A big choir is being organized and directed by R. E. Koy of Tahoka, and everyone who enjoys gospel singing is invited to take part in this feature of the meeting.

The preaching by Rev. Hays is meeting with approval on every hand it having been described as 'just what it should be'. The messages are being well received, and the presence of the Holy Spirit has already been felt.

Some of the subjects to be discussed this week are "The Sin of Unbelief", "Hell", "What Shall I Do To Be Saved?", "The Atonement", and many other vital subjects.

The annual church cordially invites to public to attend.

Grocers Scratch Heads As Tax Is Figured

Along with other dealers in wheat or wheat products, O'Donnell grocers figured and 'stewed' Tuesday as they computed the amount they owed the government because of the production tax.

Imagine, dear readers, figuring the number of ounces in each package of macaroni and spaghetti and cookies and cereals and—all the other items produced from wheat, not to mention the all-important flour. Well, that's just what merchants had to do, and then compute the total according to pounds, figuring along with that the difference between what they had in stock on July 1 and their stock at present, with a few other simple little problems easy to more agile minds but Sarsak's tax is a little different.

It is said to the fact that two and two make four (or is it five?).

At any rate, our grocers did their bit toward making up the processing tax which, still, it is hoped, hike the price of wheat.

Mayor's Home Burned Early Sunday A. M.

The stucco residence occupied by Mayor and Mrs. W. S. Cathey was damaged considerably about three-thirty Sunday morning when a fire broke out in the back bed room. That part of the house, including the furniture, was declared a total loss, damage amounting to approximately \$600.

Mr. and Mrs. Cathey were in Ruidoso at the time, but hastened home as soon as they were notified.

Fire Marshall Grady Gant is of the opinion that the match or cigarette which touched the floor or in a waste basket earlier in the day was the origin of the fire.

The fire department did splendid work in controlling the flames and is the property of J. W. Gtes. Loss was partially covered by insurance.

Nazarene Revival Closed Sunday

The revival which has been in progress at the Church of the Nazarene for the past ten days, closed with the Sunday evening service. Evangelist Lynn delivered a series of strong and impressive sermons which are expected to be of much benefit during the coming months.

Though there were only two additions to the church during the revival season, it is felt that the entire church membership received a blessing through the revival.

The pastor states that all regular services of the church will be held as usual next Sunday, and urges that everyone come and fill his or her place.

Special Service Sunday At Baptist Tabernacle

We are requested to announce that a program of special interest and importance to O'Donnell people will be held at the Baptist Tabernacle Sunday afternoon at 7 o'clock.

Rev. Lawrence Hays of Tahoka will be the principal speaker, and the public is cordially invited and urged to attend this service.

Owens Sells Cattle At  
Ft. Worth Recently

G. D. (Gus) Owens, who lives west  
of town on the Prkbe road, recently  
took a shipment of cattle to market  
at Fort Worth.  
Two 620-pound steers and four  
448-pound calves brought \$2.25 per  
hundred, three 650-pound steers  
brought \$2; two 933-pound cows  
brought \$2.10; four 45-pound calves  
brought \$2.25; eight 478-pound  
yearlings and two 305-pound calves  
brought \$1.75.

Public Is Invited  
To Attend Concert

We are requested to announce that  
the public is invited to attend a  
concert at Lubbock Friday evening  
of this week, the occasion to mark  
the closing of the School of Music  
which has been conducted there by  
V. O. Stamp and Freddie Martin.  
Mr. J. C. H. Mansell, Mrs. Cary  
Shook, Misses Doris and Connie  
McConal, Margaret and Norma Ruth  
Vermillion, and Minnie Faye McMil-  
lan have attended from here and will  
take part on the program.  
The place had not been decided  
when we received the announcement,  
but will be learned within the near  
future. We understand that a num-  
ber of local people are planning to  
attend.

Narrowly Escapes  
Injury in Accident

Narrowly escaping serious injury  
when she fell from the fender of a  
car last Wednesday evening, Miss  
Berle Womack is recovering this  
week from bruises and scratches re-  
ceived from the fall.  
Adding to the danger, she was  
holding a 22 rifle in her hand at the  
time, with the safety released and her  
finger on the trigger.  
Now then, just to explain matters a  
little better, because Miss Wo-  
mack does not make a practice of  
riding around on fenders waving  
deadly weapons, we hasten to say  
that she was a member of a party of  
young people out to shoot rabbits by  
the light of the moon, or that furn-  
ished by the headlights of the car.  
In the excitement of the chase, the  
driver of the car ran down in the  
pit, and the jolt threw the young  
lady from her precarious perch.  
She has NOT gone hunting this  
week.

Donaldson Farm  
Traded for Scurry  
Ranch Property

An item of much interest to Lynn  
county was accidentally omitted in  
last week's issue of the Index, in  
that the 1,120 acre farm formerly  
owned by C. E. Donaldson has been  
traded to W. M. Scott and Son, Sny-  
der, for a 5,300 acre ranch seven  
miles south of Snyder.  
The trade is effective in January  
but Mr. Donaldson has already plac-  
ed 100 head of cattle on the ranch.  
The Donaldson farming interests  
have been of much importance in  
Lynn county for a number of years  
and the many friends of the family  
are regretting that they plan to  
move from our territory.

Revival At Wells  
To Open Friday Night

We are requested to announce that  
the annual summer revival will  
open at Wells Friday evening of this  
week, to continue a week or longer.  
Rev. Hicks will have charge of the  
preaching, and he, with members of  
the church, urge that everyone come  
and take part in the meeting.  
There will be two services daily  
morning service at ten thirty, even-  
ing service at eight.

Mr. and Mrs. C. H. Mansell and  
Mrs. Cary Shook, who are attending  
the School of Music at Lubbock,  
spent the week end at home, return-  
ing to Lubbock Monday.

of sale issued out of the District  
Court of Lynn County, Texas, on a  
judgment rendered in said court on  
the 11th day of October, A. D. 1932,  
in favor of Roy Riddel vs. M. C.  
Hamilton, et al, No. 923 on the docket  
of said court, did upon the 7th day  
of July, A. D. 1933, levy upon the  
following described real estate to  
satisfy said judgment to-wit:  
"All of Section Number Twenty-five  
(25) in Block #12, Cert. No. 178,  
E. L. & RRRR Ry. CO. Surveys in  
Lynn County, Texas,  
containing approximately 640 acres  
of land, more or less, the M. C. V. &  
H. Co. farm, about 7 miles N. W. from  
the town of O'Donnell.  
And on the 5th day of September,  
A. D. 1933, being the first Tuesday  
in said month, between the hours of  
ten o'clock A. M. and four o'clock  
P. M., on said day, at the Courthouse  
door of said County, I will offer for  
sale and will at public auction to the  
highest bidder for cash, all the right,  
title, and interest of the said de-  
fendants in and to said property.  
Witness my hand at Tahoka, Texas,  
this 17th day of July, A. D.  
1933.  
B. L. Parker, Sheriff,  
Lynn County, Texas

M. B. Cathey III In  
Lubbock Hospital

News was received here at noon  
Saturday that M. B. Cathey of Por-  
tales, father of Mayor W. S. Cathey  
and Charles Cathey, was in a Lub-  
bock sanitarium, critically ill.  
He is suffering from several com-  
plications of the digestive tract, and  
is being kept in the hospital for ob-  
servation and treatment. He seemed  
to be somewhat improved Monday,  
but is still in a serious condition.  
The Index joins with others in ex-  
pressing best wishes for his  
speedy and complete recovery.

Mrs. Gleghorn Taken  
To Hospital Sunday

Mrs. Finis Gleghorn was taken to  
a Lubbock sanitarium Sunday for  
examination and treatment for a  
complication of disorders.  
Reports received here Monday  
were that she had undergone a major  
surgery, and was doing as well as  
could be expected. We were unable  
to get in touch with her local physi-  
cian to verify the report of the op-  
eration, but sincerely hope that, if  
such was the case, she is safely out  
of danger.

Red & White Dealers  
To Stage Picnic

Red & White dealers will be hosts  
next Wednesday to their customers  
when a huge picnic and outing will  
be held at Two Draw Lake at Post.  
B. L. Davis and Boss Johnson, lo-  
cal Red & White dealers, will furnish  
details, but ask us to say that all  
their customers are invited to be at  
Two Draw Lake at two o'clock on  
Wednesday next week, ready for a  
good time.

Per Capita is Set At  
\$16 for Ensuing Term

The Texas State Board of Educa-  
tion last Monday set the scholastic  
apportionment for 1933-34 at \$16  
per capita, the amount to be paid on  
the basis of 1,570,365 scholastics.  
The amount allotted was the same  
as that appropriated for the current  
term. Of the current appropriation  
however, \$6 remain unexpended, al-  
though it was estimated that \$2 of  
this amount would be liquidated be-  
fore September 1.  
Action of the board followed sev-  
eral hours of argument.  
W. A. Morrison of Cameron urged  
that the board set aside all moneys  
accruing to the available school year  
during the fiscal year to the payment  
of the 1933-34 apportionment in de-  
fiance of a ruling of the attorney  
general's department holding that be-  
fore any of the amount allotted for  
the next year could be paid the unad-  
vised balance on this year's apportionment  
must be liquidated.  
Morrison's recommendation in-  
cluded a proposal that taxes now  
due to the available school fund be  
set aside in a separate balance on the  
1932-33 apportionment. This recom-  
mendation was disregarded and a  
substitute motion to set the apportion-  
ment at \$16 carried six to three.

ON TEXAS FARMS  
By W. H. Darrow  
Extension Service Editor

That a good permanent pasture  
can sometimes be produced in one  
year has been demonstrated by Fritz  
Mueller, Ruterville, Fayette county.  
Planted last February 25th the 12  
acres now has a luxuriant stand of  
yellow clover, white clover, black  
medic and dallis grass on upland prairie.  
County agent says secret of suc-  
cess with dallis grass was that land  
was level terraced, crust broken with  
section harrow, seed broadcast and  
heavy log.

To re-finish and re-furnish her  
bedroom cost Mrs. Ewald Graf, a  
member of Hinds Home Demonstra-  
tion Club in Wilbarger county \$10-  
71. To get the money she asked the  
county agent to help her, call her  
flock of hens. These calls brought  
\$13.42 and the remainder of the  
flock kept on laying the same num-  
ber of eggs as before.

Knox county 4-H club boys have  
insured their 19 baby beef calves  
against death from any cause for  
\$25 at a cost of slightly more than  
\$1.50 per calf.

Foundation patterns not only make  
dresses fit better but save money,  
declare the home demonstration club  
women who are everywhere enthus-  
iastic over this new idea in dress making.  
Mrs. O. P. Ellis of Lynn county il-  
lustrates the testimony of hundreds  
of women when she says she made a  
dress, which she was enabled to make  
at home because of having her own  
individual foundation pattern.

More than 9000 pounds of wool  
was pooled and sold cooperatively  
by Newton county farmers this year  
for 31 cents per pound through the  
Southwest Louisiana Wool Growers

Association.

Five wheat growing demonstra-  
tions reported by the county agent  
of Sherman county produced 7 to 8  
bushels per acre on summer fallowed  
land. The only wheat grown in the  
county was grown on such land, he  
says.

Fort Worth—From 160 feet of  
cucumbers Alma Vass, garden dem-  
onstrator of the Everman 4-H girls  
club, had gathered 222 pounds by  
the last week of June. When she sells  
them on the market she gets two  
cents a pound, but she makes a spe-  
cial of one cent a pound to the  
family for home use. As a part of  
her club work she has been helping  
neighbors can vegetables and fruit  
for winter use. When asked if she  
charged for the service she replied in  
surprise "Oh no, teaching other peo-  
ple to conserve food for winter use  
is part of our regular club work."

Palestine—Due to illness in her  
family Mrs. E. S. Walker, member  
of the Lone Pine Home Demonstra-  
tion Club in Anderson County, was  
unable to get her spring and early  
summer garden planted, but she had  
an orchard of 66 trees including  
peaches, plums, pears and figs. She  
also had 400 berry vines and two  
grapes, so she proceeded to barter  
for vegetables to fill her 1933 food  
budget which called for 350 contain-  
ers for her family of three. By the  
end of June she had secured 158 of  
this number.

Angleton—Brazoria home demon-  
stration club members are beginning  
now to realize that much work has  
to be done to improve their bedrooms  
before the achievement days are  
here, according to Miss Edith Giles,  
Brazoria county home demonstration  
agent. During the slack in the can-  
ning season the women will devote  
most of their time to interior im-  
provement. The report sent in shows  
that 45 rooms (of which 35 are bed-  
rooms, 5 kitchens, and 5 living  
rooms) have already been improved;  
34 rugs, braided and hooked, have  
been finished and others have been  
started; 177 pieces of furniture have  
been refinished; 5 mattress covers  
and 3 mattress pads were reported  
made. Other club members are sav-  
ing feed sacks to make their spring  
and mattress covers. Of other bed  
supplies 35 pieces have been added  
consisting of pillow covers, comforts  
sheets and pillow cases.

Mr. and Mrs. Jimmy Eason of Big  
Spring were guests Sunday of Mr.  
and Mrs. T. A. Wimberly.

Miss Hazel Burk is visiting Mrs.  
Claude Chieir at Big Spring this  
week.

CABOOL GOES SUNDAY  
TO EASTERN MARKET

C. H. Cabool of C. C. Drygoods  
left Sunday for market at St. Louis  
and Kansas City, expecting to be  
away some week or ten days.

He will buy fall and winter mer-  
chandise for the store here.

CHANGE RESIDENCES

Mr. and Mrs. Guy Preston moved  
Tuesday of this week to the bungal-  
ow on Oak street, formerly occu-  
pied by Mr. and Mrs. E. E. Gilbreath.  
Mr. and Mrs. W. R. Gibson have  
moved from their house in the south  
part of town to the stucco bungalow  
owned by W. J. Shook in the east  
part.

Mr. and Mrs. Morris Sanderson  
and family are visiting Raymond  
Sanderson in New Mexico.

Elzie Davis arrived from Quemado  
New Mexico Monday morning, and  
will visit relatives and friends here  
several days.

Mr. and Mrs. E. E. Gilbreath re-  
turned Friday from their vacation  
spent at Corpus Christi and with re-  
latives at Dublin.

Mrs. Arch Procter and daughter,  
Frances, returned Thursday from a  
visit with relatives in Jones county.

Mrs. Richard Rippey of Tulsa,  
Okahoma, and Mrs. Gladys Jennings  
of McKenzie, Tenn., were guests a  
short time Monday of Mr. and Mrs.  
B. L. Davis and Mr. and Mrs. C. L.  
Davis.

Mr. and Mrs. Carl Richter were  
down from Hale Center Sunday.

Mrs. Guy McGill and Miss Gladys  
Gibson returned Friday from a visit  
with their sister, Mrs. Earl Lawhart,  
at Miles. Their mother, Mrs. W. E.  
Gibson, is remaining at Christoval  
for treatments. We are indeed glad  
to report that she seems to be much  
improved.

Mr. and Mrs. Harvey Line and  
family returned Thursday from Long-  
view, where they visited her sister,  
Mrs. Claude Malone, Mrs. Rodgers,  
who accompanied them, remained for  
a longer visit with Mrs. Malone and  
family.

Mmes. B. L. Davis and Nymon  
Everett were in Lubbock on business  
Thursday of last week.

# WELLS SOCIETY

## James Bean Has Birthday Party

Celebrating his eighth birthday, James Bean was host Thursday afternoon to a number of friends when entertained with a party at the home of Mrs. Charlie Wells.

Group games of all kinds were engaged for several hours, and then the guests were called into the dining room. A huge birthday cake, decorated with candles, was surrounded by guests, which were opened and admiringly eaten.

Cream was served with the cake to Juanita and Lolita Minor, Nell Mell and Nanelle Howard, Nellie, Clogett, Charles E. and McFar, James and Louisa Bear, and N. T. Singleton, Ruby and Buddy Shook, Melba Har, Elvin Ray Moore, Blewitt Davis, Boy Gibson, Claude Tomlinson, Jr., Reed Yandell, Charise and Austin.

Mrs. Wells was assisted in entertaining by Misses Jewel Bean and Esteline Shaw.

## WELLS HOW SHE TOOK 4 INCHES OFF HIPS 7 INCHES OFF WAIST

In 40 days by taking Kruschen's, Mrs. Helga Blaugh of New York City reduced 26 1/2 lbs.—took 4 inches off hips, 7 inches off waist. She writes: "I haven't gone hungry a moment—feel fine and look 10 years younger."

Get rid of double chins, bulging, ugly rolls of fat on waist and arms SAFELY and without diet—eat at the same time build vigorous health and acquire a clear, bright eyes, energy and vivaciousness—to look younger and feel like a half teaspoonful of Kruschen's in a glass of hot water every morning before breakfast.

The jar lasts 4 weeks and costs a trifle at any drug store the world over. Make sure you get Kruschen's because it's SAFE. Money back just joyfully satisfied.

## COVERED GAS TAXES INCREASE STATE REVENUE

Austin, Texas, Aug. 10.—Comptroller George H. Sheppard's gas tax enforcement "army" of deputies and auditors, created by the legislature last March, recovered record sum of \$330,000 in "missed" gasoline taxes during June, at expense of but \$15,600.

This was the gist of a summary of the activities released to the Texas Roads Association today by J. McKeogh, division chief at the request of the comptroller.

Comptroller Sheppard, elated, saw the figures "proof" that if the state will help, Texas can save the slated \$4,000,000 a year in gas taxes heretofore stolen.

"Consider what this means to the taxpayers," the comptroller said, "means that in February, the month before this new law was passed we headed for a \$2,500,000 loss in annual gas tax revenue; now we have wiped that out and moving at the rate of a \$1,500,000 increase."

"Here's how: the state's gas tax in February was \$207,514 of the same month a year ago, nearly 10 per cent. March was almost as bad. Thousands of cars were being used, and bootleggers were making wild.

"Under this new law, making evasion a felony, went into effect March 1st our staff went to work. In April decrease over 1932 was very small, in May it had been turned into a small increase. These June figures show we collected \$122,370 more tax than in June 1932.

"The motorist nearly always pays his tax at the filling station, where it's passed out to the state or the funder, the highways are being built. So is the taxpayer who must pick up the difference. That's why we're asking the public to look for them."

## WORLD FAIR OFFICER IN RED UNIFORM RUN TO COVER BY TEXAS BULLS

Chicago, Ill., Aug. 4.—Corporal Flavin of the World's Fair force wasn't so sure Friday he could keep the bright red coats off the fair.

Thursday he was walking through grounds when he suddenly had a feeling he was being followed.

Two exhibition bulls, a Texas shorthorn and an Aberdeen Angus, got on his trail and the corporal took to his heels.

When he stopped he was safely on the side of an iron grill of the grand transport building. A moment later the bulls crashed into it, and the fair officer appeared on the scene and led them to their inclosure where the bulls aren't so bright.

John J. E. Garland of Lamesa was absent last week of her daughter, Mrs. J. Mack Noble and Mr. Noble.

## Picnic Saturday Honors Miss Harris

A group of friends gathered Saturday evening at the home of Mr. and Mrs. D. W. Harris for a picnic honoring Miss Eva Harris, of the Lubbock Sanitarium, who is spending her vacation here with homefolks.

The fun of the evening came from toasting biscuits and potatoes over a campfire and otherwise preparing the picnic eats, and in playing games.

Those present were Misses Zada Simmons, Euna Treadway, Evelyn Triplett, Eva Dell Harris Billy Louise Elise Betts, and Eva John Etter, Era and Mabel Harris; Messrs. and Mmes. John Etter, Lamar McLaurin and D. W. Harris; Messrs. Golden Simmons, Andrew Simmons, Otis, O. L., and Oil D. Harris, and Alvis McLaurin.

## CUMBERLAND PRESBYTERIAN CHURCH

Rev. W. H. Cheatham, pastor of the Cumberland Presbyterian church will fill his regular appointment, Sunday.

The public is cordially invited to attend all services at this church.

## PERSONALS

Mr. and Mrs. Fred Henderson are visiting his parents at Quanah.

Mr. and Mrs. Irvin Wright spent the week end with relatives in Lovington, N. M. They were accompanied on their return by their niece, Miss Velma Caudill, who will spend a few days with them.

Misses Doris and Connie McConal, who have been attending the School of Music at Lubbock, spent the week end at home with their parents, Mr. and Mrs. Chas. McConal. They returned to Lubbock Monday.

Chas. McConal was in Lubbock on business Monday.

Mr. and Mrs. B. J. Boyd were in Lamesa Wednesday.

R. C. Carroll has recently had a well drilled and equipped with windmill at the rear of his blacksmith shop. The new equipment is now on the job, furnishing ample water for the necessities of the smithy.

Mr. and Mrs. L. N. Nichols and daughter, Miss Claire Ruth, returned Thursday from a three weeks vacation spent in Missouri. They report wonderful corn in some parts of the state, but added that other sections are in need of rain.

Rev. W. L. Henderson left Tuesday for an indefinite visit with relatives and friends at Forest, Miss.

Newman Cuddell of Lovington, N. M., was the guest of friends a few days last week.

W. L. Palmer was in Tahoka on business Monday afternoon.

Mr. and Mrs. Ennis Curtis and family, accompanied by his mother, Mrs. J. B. Curtis, went to Crystal Springs, Little Inn, Joe and the ladies will take the baths and treatments there.

Misses Irma D. Palmer and Alice Busby, accompanied by little Miss Yvonne Westmoreland, went to Tahoka Monday afternoon to meet a college chum of Miss Palmer, en route to her home in North Carolina.

Mr. and Mrs. B. J. Boyd were in Lubbock Sunday afternoon.

Misses Mattie Williams and Chrissy Simmons visited Mr. and Mrs. J. L. Williams in San Angelo Sunday and Monday.

E. M. Heblson was in Tahoka on business Tuesday afternoon.

Mr. and Mrs. Ed James and family left Thursday of last week for a month's vacation at Palacios, their old home.

Mr. and Mrs. W. R. Womack and daughter, Miss Merle, were in Lamesa Sunday.

Mr. and Mrs. Raymond Womack were down from Lubbock Sunday.

Johnnie Rochelle of Tahoka was here on business Tuesday.

Mr. and Mrs. R. O. Stark returned Monday evening from an extended vacation spent in California.

Mack Wilson and Nayman Everett went to Post Tuesday night with the avowed purpose of catching the rest of the fish in the lake.

Miss Edna Merle Parks of Lou has arrived to make her home with her aunt, Mrs. N. T. Singleton, and will attend public school here this term.

## FATHERS 'FATHERS' A NEW ONE

A recent invention of Wendall Fathers, famed for motor car attachments, is the Oral Speedometer which operates with a phonographic attachment.

At 25 miles it remarks: "The City speed limit has been passed. Is there a motorcycle policeman behind you?"

At 35 miles: "Too fast for city driving. We hope you are now in the country."

At 45 miles: "Your car is still under control but watch the car behind the car ahead of you."

At 50 miles: "Your responsibility is increasing. Keep your eyes on the road."

At 60 miles: "Are your insurance premiums paid to date?"

At 70 miles: "You drive—this attachment will do the praying."

At 80 miles: "Probably someone will have this car repaired. If so, we thank you for the sale of another speedometer to replace this one which in a few moments is going to hell along with you."

## 2nd Kid—"Is she mad at him?" 1st Kid—"No, she isn't mad—but she is working up to it."

Rufus—"What would you do Goofus, if you were running a circus and the monkeys all got loose?"

Goofus—"What would I do? I'd get a monkey wrench and tighten them up."

## HIGGINBOTHAM-BARTLETT CO.

Now is the best time to repair and renovate. Prices in building supplies are on the increase. Freshen up your home NOW and save money.

**CONOCO**

**GERM PROCESSED MOTOR OIL**

PARAFFIN BASE

You can have the best lubricant without penalty. The total cost of Conoco Germ Processed Motor Oil is only one-fifth of a cent per mile, very little to pay to protect your car investment.

The exclusive Conoco formula... Germ Process... is used to give it extra oiliness and penetrativeness no other oil has nor can have.

UNTIL WE LEARNED BETTER

Until we learned better, we used to mix wood and steel in our car bodies and wheels.

It was the best way to make bodies—then. But the state of the art has advanced.

Of course, it is more expensive to make an all-steel body than to make a wooden frame and nail steel panels on to it. The better way involves an initial expenditure of several millions of dollars for new dies, which renders a change very costly. Cars, especially large expensive cars which are produced in small volume, cannot afford this, because the dies cost as much for one car as for a million. That alone explains why all-steel bodies are not used in all cars.

But our basic policy from the beginning is to make a good car better, regardless of cost.

For example, when we discarded wood-steel body construction, it was not because we lacked wood. We still have some thousands of acres of the best hard wood in America. Economy would urge us to use up the wood first, and then adopt the better all-steel body. But we decided that quality was more important than expense.

We weighed the reasons, for and against, before we made the change. We could see only one reason for retaining a mixed wood-and-steel body—nailing the metal on, instead of welding an all-steel body into a strong one-piece whole. That reason was, it would be cheaper—for us.

Our reasons for adopting an all-steel body were these: A wood-steel body is not much stronger structurally than its wooden frame. In all American climates, wood construction weakens with age. Every used car lot gives evidence of this. Rain seeps in between joints and the wood decays. A car may have a metal surface, and yet not be of steel construction. Under extreme shock or stress the steel body remains in act—dented perhaps, but not crushed.

Steel does not need wood for strength or protection. Wood is fine for furniture, but not for the high speed vehicles of 1933.

In the Ford body there are no joints to squeak, no seams to crack or leak.

The all-steel body is more expensive—to us, but not to you. By all odds, then, steel bodies seem preferable.

Wheels also have become all-steel. No one argues that an electrically welded one-piece steel wheel, such as the Ford wheel, needs to be "strengthened" by adding wood to it.

The one-piece all-steel body is the strongest, safest, quietest, most durable body made. That is our only reason for making them.

*Henry Ford*

August 7th, 1933

SUMMER HOSPITALITY

SUMMERTIME is the season for informal gathering of friends on the veranda or the lawn. Wine buffets never make a burden of the refreshments for these occasions. With some pleasant and drinkably tempting in glass pitchers and an ample supply of these delicious cakes, the problem is solved.

Small Cakes

1 1/2 cups sifted cake flour  
1/2 teaspoon baking powder  
1/2 cup butter or other shortening  
1/2 cup sugar  
2 eggs, well beaten  
1/2 cup milk  
1 teaspoon lemon juice  
1/2 cup vanilla  
Sift flour once, measure, add baking powder, soda and salt, and again. Beat sugar into beaten egg. Add cream, vanilla, and coconut, and mix until blended. Add flour and mix well. Chill until firm enough to roll. Roll 4 inch thick on slightly floured board. Cut with floured 3-inch cutter. Place far apart on ungreased baking sheet and bake in hot oven (400° F.) 12 to 15 minutes or until done. Makes 2 1/2 dozen jumbles.

Old-Fashioned Jelly Roll

1/2 cup sifted cake flour  
1/2 cup sugar  
1/2 teaspoon cream of tartar  
1/2 cup vanilla  
1 egg  
1 cup sifted flour  
1/2 cup sugar  
1/2 cup vanilla  
1 egg  
1 cup sifted flour  
1/2 cup sugar  
1/2 cup vanilla  
1 egg  
1 cup sifted flour  
1/2 cup sugar  
1/2 cup vanilla  
1 egg

Coconut Cream Jumbles

2 cups sifted cake flour  
1/2 teaspoon cream of tartar  
1/2 cup butter  
1/2 cup sugar  
2 eggs, well beaten  
1/2 cup milk  
1/2 cup vanilla  
1/2 cup coconut  
1/2 cup sugar

Berry Flat News

Adeline Henley Correspondent

Elder Bankhead of Dallas began a revival of the Church of Christ at the Berry Flat school house last Friday night. Large crowds are attending.

Grandpa Adams is very low at this writing. He suffered a stroke of paralysis last Saturday night.

Mr. S. E. (Grandpa) Holloway was carried to Lubbock last Friday night and underwent a major operation. He was still seriously ill Sunday, but probably a little better.

Mrs. Pearl Gleghorn was carried to the Lubbock Sanitarium Saturday night and underwent a major operation Sunday morning. Last reports are that she was doing as well as could be expected.

Elder Bankhead, Mr. and Mrs. Walter Harvey, Mrs. H. L. Henley, and Miss Thelma Parker went to Lubbock Sunday and visited Grandpa Holloway in the sanitarium.

Miss Alma Berry of Amherst is visiting relatives in the community this week.

Bill Holloway of Eastland is here for a few days. He has been visiting his grandfather Holloway, who is in a Lubbock Sanitarium.

Mr. and Mrs. Kourec visited in the Lester Parker home Sunday.

Miss Lillian Harvey visited Miss Mary Stuart Sunday.

Mr. and Mrs. Chas. Nunnally and daughters of Mesquite attended church services Sunday evening.

Quite a large number of people from neighboring communities attended church services Sunday and Sunday night. Each and every one has a hearty welcome.

Farmers are still very busy with their crops.

Mr. Pete Edgerton of O'Donnell attended church services Sunday evening.

Misses Billie Gray and Grace Stuart visited in the Harvey home Sunday evening.

Mesquite News

Miss Allie Nunnally Correspondent

Our ball team played Randall Sunday afternoon. Score was 9-0 in our favor.

Mrs. Turner of San Angelo is visiting her sister, Mrs. C. B. Hayes.

Miss Nonnie Crump of Berry Flat spent Saturday night with Miss Irene Poindester.

Mr. and Mrs. Homer Davis and family are enjoying a vacation at Corpus Christi.

Years Lefty Stephens and Shorty Richey played ball at Lamesa Sunday.

Miss Daphne Lamb had as guests Sunday Misses Manie Boardman, Iva Lee Bradshaw, and Almarine Nunnally.

The farmers of our community are fast completing the work of plowing up their cotton.

Mr. Edgar Telech left Sunday for Strawn where he will visit friends and relatives.

Several of our folks attended revival services at Berry Flat Sunday. Lawrence Gray has returned to Houston to resume his school work.

Miss Olene Stephens and a cousin from Lubbock are on their way to Chicago to attend the World's Fair.

OK NEWS

Miss Josie Riggs Correspondent

Mr. and Mrs. C. E. Emison and family of Tatum, N. M., were the guests of the latter's parents, Mr. and Mrs. J. W. Riggs, the first of the week. They returned a few Thursdays, accompanied by Miss Josie Riggs, who will spend a few weeks with them.

Mr. and Mrs. Clarence Land visited in the Whitaker home Sunday.

Mona Rae Edwards Correspondent

There was a good crowd at church Sunday at both services. It has been decided to postpone our meeting until the fourth Sunday in August, as everyone is so busy.

Mr. and Mrs. Sakes James of O'Donnell spent Sunday with J. C. Sparks and family.

Mr. and Mrs. Wright Edwards and family spent Sunday with J. A. Anderson and family at O'Donnell.

Ruby Triplett of Wells spent the week end with Mona Rae Edwards. Lenora Sikes visited in Comanche county last week.

Elmo Hissell, who has been in Oklahoma for the past month visiting relatives, came home last week.

Walter, Louis, Tony, and Wayne Edwards of Lubbock visited their brothers, Carroll, J. A. and J. Wright Edwards, here last week.

Mr. and Mrs. J. N. Jeffreys and family spent Sunday in Post.

The young folks spent Sunday with Mona Rae and Calvin Edwards.

Most of our people went to the play Friday night and Tuesday night at Wells. Everyone enjoyed it very much.

East Side News
