Eagles Play Tahoka Here Friday Nite

EAGLES ARE FAVORITES

Friday nite at Johnson Field the "dream game" of the year will be reeled off as the Eagles play the Tahoka Bulldogs for Lynn County championship. Both teams in 5-A district are out, or nearly out, of district title hopes, but the Lynn Co. game is always the best of year. Last Friday nite Tahoka showed a surprising strength in holding Wink to a low score. A capacity crowd is expected. We pick the Eagles by 2 TD's

Last Friday nite the visiting Plains Cowboys outlasted the O'Donnell Eagles 34 to 18 in District 5-A play. Scores were made by Charles Burleson, Wendell White and Jesse Lopez. The Eagles played a fine game and their passing attack was very effective. Playing a especially good game was Rex Graves.

Ronnie Hendricks of Plains gave a one-man show taking 4 TD's during the game.

Lions To Have Pancake Supper Friday Nite

Hollis Swinney, Chairman of the Pancake Supper sponsored by the O'Donnell Lions Club, said this week that tickets are available from any member of the Lions Club for 60c each. There will be pancakes, meat, coffee, milk and all the extras for the meal. The price includes all you can eat. The supper will be in the High School Cafeteria from 5 to 7 p. m. on Nov. 2nd just preceding the same with Tahoka. Proceeds from the supper will be used for worthy charitable causes. Be sure and get your tickets from any member of the Lions Club.

GIRL SCOUT DRIVE OPENS NEXT MONDAY

WHEREAS, 1962 marks the first half century of service to our country by Girl Scouts of the USA. WHEREAS, Sixty Scouts and adults in O'Donnell are celebrating this proud event along with the rest of the three and half million members of the largest girl's organization in the world. WHEREAS, these young women and the adult volunteers who help them, strive daily to fulfill the Girl Scout Promise and Laws: to do their duty to God and Country and to help other people at all times. AND WHEREAS, those members of our community who work with and support the Girl Scouts are among our finest citizens. Now, therefore I, L. J. Hash, as Mayor, do hereby proclaim November as the beginning of the drive for funds to support the Girl Scouts in our community. I call on all citizens to support the Girl Scouts of O'Donnell with their dollars and their appreciation of the splendid program for better citizenship that the Girl Scouts offers to all.

PLANT A PEACE ROSE --

The 1946 Study Club would like to ask a favor of the people of O'Donnell and the surrounding area. We would like for every home, be it renter or owner to plant one or more PEACE ROSES this coming year. The PEACE ROSE is inexpensive now. It is a hardy rose and one that is very beautiful. Sometimes it has a beige color with a touch of pink or rose. Sometimes it is a pale yellow with the touch of pink or rose. Some blooms will measure five to six inches across. Even if the bloom happens to be small, it is still lovely. The PEACE ROSE symbolizes the much needed PEACE in a troubled world. Some rose growers like to plant roses in the fall while others like to plant them in the spring. Whichever way you prefer, the 1946 Study Club asks you to plant one or more Peace Roses. If you are planning on waiting until spring, then be thinking about the place you are going to plant this lovely rose.

General Election Is Tuesday

The General Election is less than a week away. It is an election held in a time of national crisis. The eyes of the Kremlin will be upon Texas and every state in the nation, and we cannot get away from our responsibility to vote. One question the rulers of Soviet Russia, of communist-ruled China, of Cuba and the other satellite slave states will be keenly interested in is: are Americans going to use fully the privilege of voting that is one of the rights that only free men enjoy? A half hearted turnout of voters will spell political apathy.

So we say: study your opposing candidates' ability, integrity and their platforms. Go to the polls next Tuesday as well informed as you can make yourself.

School Menu

- Wednesday: meat loaf, blackeye peas, buttered corn, jello salad, hot rolls, butter, milk.
- Thursday: baked ham, creamed potatoes, green peas, celery stick, peanut butter cookies, rolls, butter, milk.
- Friday: fish sticks, cheese and macaroni, green beans, beet pickles, apple pie, corn bread, butter, milk.
- Monday: tomatoe and sliced cheese, pork and beans, buttered spinach, cake square, corn bread, butter, milk.
- Tuesday: meat pattie, buttered potatoes, blackeye peas, tomato lettuce salad, sliced peaches, hot rolls, butter, milk.

INSECT STINGS CAN BE SERIOUS

Arthropod envenomization is a technical phrase meaning injury produced by the bites or stings of, or contact with, certain kinds of insects and insect-relatives such as spiders, scorpions, ticks and mites. Such injuries or reactions, vary from person to person and are the results of toxin or poison gaining entry to the body. They range from mild responses to the toxin to severe allergic reactions and death.

In recent years more and more individuals have shown moderate to severe to fatal reactions as a direct result of insect stings and bites causing this public health problem to take on added interest among physicians and scientists.

Death caused by insect stings is not new. An ancient Egyptian ruler, King Menes, died of a wasp sting in 2642 B. C. Sensitivity to bee stings was reported in the United States in 1811.

As a result of repeated exposure to the stings or bites of certain insects, individuals may develop an extreme sensitivity to these venoms. In such persons the sting or bite of a single insect may suffice to cause a severe allergic reaction and death.

Individuals who show severe reactions to insect poisons may be desensitized by appropriate medical treatment.

MR. PRESCOTT SPEAKS AT ROTARY

The O'Donnell Rotary Club met Tuesday and visiting Rotarians were Wayne King, Clyde Brannon, Malcolm Harp, Owen Taylor and Sam Jenkins of Lamesa. Ode Prescott, Minister of O'Donnell Church of Christ, spoke telling of the merit and application of Monroe Doctrine historically and presently. Calvin Partain is program chairman. Homer Hardberger substituted in the absence of Rev. Partain.

School Open House Is This Sunday

O'Donnell Schools has completed most of its building program and will have open house for the public Sunday afternoon, Nov. 4th from 2 to 3:30 p. m.

The public is invited to visit and inspect the new buildings. The tour begins at the elementary school in the east addition which houses the 5th and 6th grades, a set of rest rooms and supply storage, then to the junior high building which houses 7th and 8th grades, library, multipurpose room, teachers workroom, bookroom, offices, restrooms, and supply storage.

The tour will continue to the Vocational - Administration building (the former Junior High building) which houses the vocational agriculture department, the vocational homemaking department, band hall, general storage, restrooms and administrative offices. In addition to the above the high-school restrooms were remodeled and modern fixtures were installed.

There will be refreshments served in the homemaking department by the homemaking girls and the student council will be stationed throughout the buildings to assist the visitors.

It is hoped that the public will visit the new schools and see the improvement and progress being made. Because of the enthusiastic support of the Community, O'Donnell can have pride in the spirit its people have shown in making possible these improvements.

RETIREMENT PLANS SHOULD BE MADE IN ADVANCE

Whether you have decided to retire or not, you should visit the social security office three months before you reach retirement age. The social security representative can help you in many ways. For one thing, he can find out how much your retirement payments will be when you are ready for them. Though he won't give you advice as to when you should retire, he can give you valuable information to help you decide for yourself.

If you have decided to retire, he will help you in claiming retirement benefits for yourself and members of your family who might get benefits on your record. He will help you get whatever proofs are needed to go with your claim. For

example you will probably need proof of your age. He can tell you whether any of the documents you now have will do for proof of age.

You should check with your social security office even if you plan to keep working. You do not have to quit work entirely to get social security. Many people think they do, and are losing social security payments. Some of them depend on neighbors and friends for advice. Often this kind of advice is wrong, and when it is wrong it is usually expensive. Before going to the social security office, it is a good idea to call or write ahead. There may be something you'll need to bring with you. The social security representative can tell you what to bring and the best time to come.

SOMETHING TO DO IN TEXAS

Austin - Critics who feel Texans have little appreciation of the finer things in life might study the new Texas Calendar of Events for fall and winter, released this week by the Travel and Information Division of the Texas Highway Department. More than half the 407 statewide events listed in the 16 page booklet are in the fine arts field—concert, ballets, operas and stage productions.

Leavening is provided by gala festivals such as El Paso's Southwestern Sun Carnival, Tyler's Texas

Rose Festival, Edinburg's Pan American Bronco Days, Mission's Texas Citrus Fiesta and Brownsville's Charro Days. The unexpected is here too - New Braunfels' Sausage Festival, the Hill Country Saenger Festival at Fredericksburg and Corpus Christi's New Years Day Swim. Complimentary calendars are available at Travel and Information Division of State Highway Department, Box 5064, Austin.

NAVY OFFERS POSSIBLE FREE COLLEGE EDUCATION

Designed to supplement the officer output of the Naval Academy, the Naval ROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an ROTC unit. All tuition fees and books are furnished by the Navy and the student receives an annual retainer of \$600 for not more than four years. During the summers the student goes on interesting training cruises as a midshipman. After successfully completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's modern fleets. Immediate challenging assignments to flight training or submarine training will offer varied career potential to those who apply and qualify.

High school seniors and graduates who have reached the 17th anniversary of birth and have not reached the 21st anniversary of birth on June 30, 1963 may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid medical exam early in 1963. From the number of qualified young men remaining in competition, more than 2,000 will be selected to begin their naval careers in college next September. Application forms are available at high schools.

Lions Set Pancake Supper

The Lions Club will meet today (Wednesday) in a regular meeting and final plans were made for the PANCAKE SUPPER to be held just prior to the Tahoka Ball game on Nov. 2nd. All members are urged to attend today's meeting. Claude Morris is president.

This is the season of the year when the tempo of farm activities soar toward their peak. And, points out the Texas Farm and Ranch Safety Council, it is also the season when rural residents should put their best safety practices into use. Tractors and harvesting equipment are rolling, trailers, trucks and farm machinery are using the highways in record numbers and the chances for accidents are multiplied. Be careful and be around to finish the harvest, advises the Council.

CARD OF THANKS

We would like to express our heart felt gratitude to all the kind people who assisted in preparing food, for all the kind words of sympathy in our time of sorrow and bereavement at loss of our mother and grandmother. We sincerely thank everyone for the beautiful flowers. May God bless each and everyone of you. The Family of Mrs. Rachel C. Proctor.
