McNatt, introduced by Rose and Lamesa. Alto Barnes guest of Chas. Cabool. McNatt, introduced by Rose and Lamesa. Alto Barnes guest of Chas. Cabool. McNatt, introduced by Rose and Lamesa. Alto Barnes guest of Chas. Cabool.

## Dr. C. P. Tate Of Lubbock Buried Here Sunday

Funeral services for Dr. C. P. Tate, 73-year old physician of Lubbock, were held here Sunday afternoon, and burial made in the local cemetery. The Rev. H. L. Gantz, pastor of the First Christian church of Lubbock, officiated. Death occurred early Saturday.

## First Man Drafted By Lynn Board

TAHOKA, March 13—(Special)—Chester Loy Huff, Tahoka, Route 1, was the first man drafted into service in the Selective Service program in Lynn county. His order number in Lynn county, was No. 7, Ernest Harrison Hornbuckle, Wilson, Route 2, with order No. 7, was the second man drafted. These men, with one transfer from San Marcos and three volunteers, filled the call for March 10, Monday, and were sent direct to Fort. Bliss, near El Paso.

## Annual Play On Friday, April 11 Seniors To Give

"Getting Ira Married," a comedy-drama in three acts, will be presented by members of the Senior class at the High School auditorium on Friday night, March 11, 8 o'clock. An admission of 15c and 25c will be made. Jack Snodgrass, High school teacher, is to produce the play. The cast chosen is as follows: Hiram, Bart Anderson. Harvey, Melvin Boothe. Elvira, Doris Nell. Rose, June Gibson. Mrs. Goodrich, Mary Francis. John Chadwick, Weldon Hancock. Millie, Margie Buchanan. Loretta, Emma Jo Hinkle. Ira, Edward Teeter. Cary, J. V. Burdette. The play chosen by the Seniors is considered one of the finest, cleanest comedies available for schools, and is certain to please. Plenty of time for practice is to be taken by the cast in order that each member may be "letter-perfect."

## City Bakery Now In New Location; Is Opposite Postoffice

Removal of the City Bakery to its new location across the street from the post office was made Monday and better service may be expected, so says Walter Teeter owner. Since assuming ownership of the bakery, Mr. Teeter and his family have built the business up and many persons formerly buying out-of-town products have switched to the local product.

## "Better Vision" Week Observed Over Nation

This week is Better Vision Week over the entire United States, and Dr. J. M. Harrington, Lamesa Optometrist, is cooperating. In an ad in this issue of the Press, he is calling to the value of eyesight and urging people of this section to have their eyes examined this week. The week opens Tuesday and runs through the entire week. Look up his ad in this issue.

**BOUGHT GREENWOOD HOME**  
Mr. and Mrs. John Vermillion have recently bought the D. A. Greenwood home in the north part of the city.

**THANKS . . .**  
The Press thanks J. M. Christopher, city for his recent renewal and to W. W. Williams, city, for subscriptions to his daughters, Mrs. B. G. Flatt and Mrs. O. C. Blackwelder both of Ontario, California.

**FROM CALIFORNIA**  
Mrs. W. W. Hancock returned recently from a visit in Los Angeles, with her daughter, Mrs. Carl Richter and Mr. Richter. "There was plenty of rain in the state of California" reported Mrs. Hancock.

## Three Councilmen To Be Chosen In Election April 8

Three councilmen to fill expired terms will be chosen here on Tuesday April 8, when the city election is held, according to Mayor B. M. Haymes. Councilmen whose terms expire are C. H. Mansell, John Earles and C. H. Doak. All of these men have given length of office-holding has proved good service to the city, and their that voters appreciated the fact. Two members will be selected for the school board of the O'Donnell Independent district on Saturday, April 5. The terms of Ed Singleton and W. H. Harris expire.

**INCALIFORNIA**  
Mr. and Mrs. S. M. Minton and Mrs. Calvin Fritz and son, Don, are visiting relatives in California.

Mrs. C. L. Hafer and Mrs. E. T. Wells were in Tahoka Wednesday to attend a party.

## Fire Destroys Service Station

Fire, which originated from an exploding kerosene stove, destroyed the Reaves Service station and family dwelling Sunday afternoon at about 2 o'clock. Carl Reaves, manager of the station, said that the family were all outside the building when the fire started. Flames spread so quickly no chance was given to save much merchandise. Reavis says his loss approximately \$1,200, while that of G. H. Greenlee, station building owner, was around \$800.00. No insurance was carried by Reavis, and only a comparatively small amount by Greenlee. Mrs. Steve Anglin has returned from Abilene where she visited her husband. FOUND—Piece of wearing apparel in my car which does not belong to me. Owner may have same by paying for this ad.—Abraca Dabra.

## Jury Fails To Agree On Case Of Child-Slaying

TAHOKA, March 13—(Special)—Judge Louis B. Reed Thursday afternoon issued a transcript on his own motion, calling a new trial of the case against Mrs. Fannie Porter, transferring the case to Post, and setting the date for trial as next Wednesday, March 19, after the jury here failed to agree on a verdict. Judge Reed set out as his reasons for transferring the case, the large number of persons attending the first trial here this week, and the testimony carried by a daily newspaper with subscribers here. He said under the above circumstances, it was his opinion that a fair and impartial jury could not be impaneled for a second trial in this county. If the defense so desires, they can order a sanity hearing on that date, to be heard before the murder charge. It was not known at press time whether or not they would call such a hearing. After deliberating for 23 hours, the jury failed to return a verdict in the case against Mrs. Fannie Lee Porter, 21, accused of murdering her 2 1-2 months old baby, Evelyn Joe, in early January, and was therefore dismissed by Judge Louis B. Reed. The defendant's attorneys pled her not guilty for reasons of insanity, before, at the time of, and after the infanticide, and the vote of the jury was 9 to 3 for acquittal. The jury went out at 12:00 noon Wednesday and was dismissed at 11:00 o'clock Thursday morning. Mrs. Porter, it was charged, administered a caustic, namely Lysol, to her baby, causing its death. The state had introduced evidence by Dr. M. C. Overton of Lubbock Sanitarium, to whom the baby was brought by its father and mother just immediately following its death, possibly en route to the sanitarium. Dr. Overton said he detected the odor of a caustic on the child's breath, and symptoms indicated death by caustics. Witnesses for the defense were physicians, including the defendant's former family doctor, Dr. Sullivan of Denton, and a deposition from Dr. Wilmer L. Allison, psychiatrist of Fort Worth, both of whom expressed the belief the defendant had a permanent mental disease. Dr. J. W. Sinclair also testified.

## Cary Shook Opens New Repair Shop

Cary Shook, experienced in the servicing of John Deere tractors, has opened a John Deere repair shop here. Shook's new business is located in the rear of the Magnolia Service Station. Shook invites you to bring your John Deere tractor repair problems to him.

TAHOKA, March 13—(Special)—George P. W. Goad came up from the last Saturday night, arriving early Sunday morning, and Goad accompanied him back to the same day. They will be an apartment house there the Judge performs his duties as inspector for the State Insurance Commission. Incidentally the stated that he was very much pleased with his new job, and he said he meant it.

**National Defense On The Farm**

National Defense for the many farm families in Lynn County who are cooperating with the Farm Security Administration, doesn't mean digging air raid shelters, carrying gas masks or learning how to shoot members of an invading army, according to Myriene Cannon, home management supervisor for the Farm Security Administration.

"National Defense and home defense to these people," Miss Cannon said, means digging frame gar-

dens, carrying sacks of fertilizer and learning how to shoot and destroy inadequate diets.

Miss Cannon announced this week that now is the time for farm families to begin raising early gardens—frame gardens—in order that they may have a long and enjoyable season of fresh vegetables chockful of fresh flavor, minerals and vitamins.

"Frame gardens," she said, "have long since passed the experimental stage and the era of doubt in the minds of farm families. Last year there were more than 40 of new frame gardens put in by Farm Security Administration borrower families in Lynn County.

"This year," she continued, "we are in a campaign to try to have a frame garden on every farm where the family is working with Farm Security Administration."

Miss Cannon explained that the frame garden is not intended to replace the old-fashioned regular outdoor garden. The frame garden, however, makes it possible for families to have a sufficient supply of fresh green vegetables long before and long after the usual garden season. She recalled that several families in this county had fresh vegetables from their frame gar-

dens for Christmas dinner.

"Adequate diets aren't the only benefits to be derived from frame gardens," Miss Cannon declared. "Almost everyone knows that food takes the biggest chunk out of the average farm family's budget, just as it represents the biggest item in the budget of the average city family.

"Although a daily diet well-planned and well-cooked is worth a whole medicine cabinet full of pills, good gardens—frame and otherwise—means money in the bank for every family."

When Miss Cannon lauds the farm wives of Lynn County for their enterprising efforts at gardening, she saves a few bouquets for the farm men, too.

"Some of our best helpers in the garden work last year were the farm men because they have come to realize that home gardening is much more than a hobby for the women and children in the family. They were quick to learn that the garden crop is actually one of the chief crops on the farm and an integral part of the family's farm-and-home-plan," Miss Cannon said.

The new supplemental AAA cotton program, which provides for more and bigger gardens in the cotton growing areas, and the Farm Security Administration's Cooperative Purchasing plan for securing garden seeds and supplies at greatly reduced costs in all parts of the country, are expected to mark a new era in farm family garden enterprises this year.

Farm families who wish to join rural America's new crusade of home-defense by digging trenches for frame gardens may obtain complete instructions from the local Farm Security Administration office in the court house at Tahoka, Texas, or from the county representatives of the State Extension Service.

**RETURNED FROM LOCKNEY**

Mrs. R. O. Stark returned Saturday from Olton and Lockney.

She attended funeral services for her grandmother in Plainview Saturday morning.

**Tuberculosis Is Dread Disease**

Austin, March 13.—"Tuberculosis, like cancer, may be called an under cover disease. Its ability to harm and kill is based on the amount of time it has at its disposal to undermine the system before it is discovered. This factor, which only in part can be influenced by public health measures, is one of the biggest stumbling blocks in a further drastic reduction of tuberculosis deaths," states Dr. Geo. W. Cox, State Health Officer.

Formerly, tuberculosis occupied the unenviable position of number one in the cause of death. Through the years it has gradually relinquished its preeminence, and in Texas now is in sixth place. However, between the ages of 14 to 45 it still holds first place. Even at that, this means that during 1939, latest year on which complete Texas mortality figures are available, 3,911 persons in the State were its victims; and this, despite the fact that never before has science been so well equipped to fight tuberculosis successfully as it is today.

The majority of persons suffering with undetected tuberculosis usually have themselves to blame for their ignorance of their illness, because, despite consistent loss of weight, faulty digestion, poor appetite, and loss of strength or the existence of a tired feeling in the afternoon, they fail to bring their condition to the attention of a physician. Not only is early detection the best guarantee of arresting the disease, but it also serves to protect others in the family by removing the dangers surrounding the unrecognized contact case.

Modern tuberculosis treatment in homes and sanatoria has been a boon to thousands and a protection against the disease to thousands more. However, personal cooperation, in the form of taking one's earliest suspicious symptoms to the family doctor for a check-up, needs to be more generally applied if the

fight against this devastator of life is to show marked progress.

The medical profession, public health officials, and lay agencies are doing their best to prove the value of this point upon every one. It is hoped that in the not too distant future it will be more widely accepted.

**ZONE MEETING IN LAMESA TUESDAY**

Members of the W. S. of C. S. of the Methodist Church will go to La-

mesa next Tuesday for a zone meeting.

A luncheon will be served at noon hour and it is expected about ten or twelve will attend here.

Mr. and Mrs. C. L. Hafer Sunday in Tahoka, the guests of Mrs. W. V. McElroy and her family.

**THANKS . . .**

Our thanks to Mrs. Everett Abilene, formerly of this city, for her recent renewal to the P.

**The Unusual Universal 'U'**

The Visionlined Tractor By . . .  
**MINNEAPOLIS - MOLINE**

The new MM Universal "U" has everything to qualify it for leadership—unexcelled power, greater economy, many extra comfort and safety features, and unusual utility. It is built to stand up and deliver sturdy, dependable, economical power on drawbar, belt, power take-off, and power lift season after season.

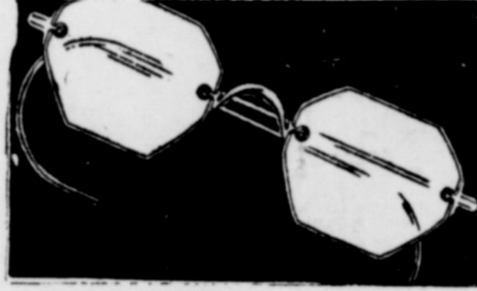

The Universal "U" is a powerful tractor, with rated h. p. of 28 on drawbar and of 38 on belt pulley. But the real story of the value of the Universal "U" lies in its transmission of this great power to many uses. In general utility the Universal "U" has no peer among tractors of its class and type. It excels all others in all round, all season utility on drawbar, belt pulley, power lift and power take-off.

Five forward speeds from 2.5 to 18.5 M. P. H. provide just the right speed for every operation. High road speed of 18.5 M. P. H. adds to the great utility of the Universal "U". It enables hauling harvested crops from the field to the granary, or from the granary to market, at a good speed with safety. It enables moving rapidly from one field to another, or from one farm to another, with great savings in time when time is most valuable.

**W. S. of C. S. MET MONDAY**

For an enjoyable study lesson, members of the W. S. of C. S. met at the Methodist Church Monday. Mrs. C. C. Coffee very capably and interestingly reviewed the first chapter of the book "Jesus and Social Redemption".

Those attending were Mesdames Stark, Everett, Moore, Addison, Atten, Gates, Curtis, McLaurin, Sherrill, Knight, Ballew, Jones, Koeninger, and Coffee. Mrs. Coffee will resume the review next week.

**KONGENIAL KLUB MET WITH MRS. DANIELS**

The green and white color motif was effectively used in party appointments Tuesday when Mrs. Elmer Daniels was hostess to members of her bridge club.

In games Mrs. J. M. Bubany held high, Mrs. Irvin Street, bingo, and Mrs. Farrell Farrington low.

At the tea hour the delectable refreshment course was served from tables covered with cloth using the St. Patrick motif.

Those playing were Mesdames Roy W. Gibson, J. M. Bubany, George Wall, Waldo McLaurin, L. T. Brewer, Farrell Farrington, Irvin Street and the hostess.

Mrs. Gibson will entertain next week.

**Garrard Heads District Drive**

Tom Garrard of Tahoka, prominent in State Democratic activities, has been appointed Chairman of the Nineteenth Congressional District, so State Jackson Day Chairman, George A. Butler of Houston announced today. Mr. Garrard will organize Jackson Day Committees in Lubbock, Lynn, Dawson, Hale and other counties in the district and is now actively at work.

The Jackson Day campaign is for the purpose of raising funds for the Democratic National Committee to pay off the deficit incurred in the campaign of 1940 and to carry on party activities during the current year. Each person contributing \$25 toward the Jackson Day campaign will be given an invitation to attend the annual Texas Jackson Day Din-

ner which this year will be held at the Rice Hotel in Houston, Saturday, March 29th. All Democrats wishing to contribute to their party funds are asked to send their checks either to their District Chairman or direct to State Chairman George A. Butler, 440 Rice Hotel, Houston.

**AIR CORPS APPLICANTS NOW AVAILABLE IN DISTRICT**

Major Walter Jessee, Recruiting Officer of the Lubbock District announces large quotas for various assignments in the Army Air Corps. Applicants accepted are given their choice of the following stations: Brooks Field, Texas; Randolph Field, Texas; San Angelo, Texas; Fort Sill, Oklahoma; Lowry Field, Colorado; Salinas, California. Applicants accepted for Air Corps must be high school graduates or be qualified mechanics.

Applicants who are not high school graduates but do have a grade school education have their choice of Signal Corps, San Antonio, Texas; Field Artillery or Cavalry, El Paso, Texas; Field Artillery, Marfa, Texas.

Accepted applicants are forwarded at once, all expenses paid by the Government. All enlistments are for a 3 year period.

Recruiting Offices of the Lubbock District are located at Amarillo, Pampa, Childress and Plainview. Young men interested in any Army career are invited to call or write to any of these offices for full information.

**Farmers Obtained Big Feed Loans**

Farmers obtained nearly 161,000 emergency crop and feed loans in 1940 for a total of \$19,470,625 according to figures released by S. P. Lindsey, Jr., Director of the Emergency Crop and Feed Loan Section of the Farm Credit Administration.

**Calvery's Superior CHICKENS**

Best grade bred-to-lay chicks from flocks that are culled and Blood Tested.

Best Grade Per 100 \$6.95  
Leghorn Pullets per 100 \$12.50  
Cockerels per 100 \$3.25

CALVERY'S HATCHERY Tahoka, Texas

This compares with 139,452 loans made in 1939 for \$15,079,509 or an increase of 15.4 percent in number of loans and 29.1 percent in amount.

The early launching of the loan program in the storm and flood affected areas of the South, together with broadened activity in the Wenatchee-Okanogan district in the Pacific northwest, was the chief factor in the greater volume of loans made in 1940, the director pointed out. These loans are made for short periods to small farmers who cannot obtain loans from other sources for the production of crops or the feeding of livestock.

Although these loans are made only to farmers who cannot obtain adequate short-term financing from regular credit sources, a high percentage of them are being repaid. Mr. Lindsey pointed out. In the entire nation 89 percent of the amount loaned in 1939 for all purposes has been repaid and on the 1939 spring crop loans 90.4 percent has been collected. Over the entire period during which these loans have been made, 1918-1940, approximately 70 percent of the amount loaned has been collected.

As an indication of the active character of unpaid loans made in previous years, farmers made repayments last year of more than \$3,000,000 on 1939 loans and about \$1,328,000 on loans made in 1932 to 1938. Repayments received on loans granted in 1931 and earlier totaled \$322,000.

Texas has repaid 93.58 percent of the money loaned for spring crop production in that State in 1939. The Eastern District of Texas, which comprises 125 counties in East and South Texas, repaid 96.78 percent on these 1939 loans. The Western

District of Texas, which includes the Angelo District and including the Plains, repaid 90.70 percent, and El Paso region, repaid its loans 100 percent.

**WE ARE YOUR Neighbors**

We are the Texas petroleum industry. There are nearly 225,000 of us, living in every section of the State.

With our families, we make up one million Texans, nearly one-sixth of the State's population.

Each of us has his job. Together we represent almost every type of worker.

Some of us live and work in your community. Our children go to school with your children. We trade in your stores, attend your church, pay taxes and vote—as you do—for the betterment of our community and State. We operate an industry which pays 75 million dollars a year in taxes to our State and local governments and our schools.

We are your neighbors.

When you think of the Texas petroleum industry, remember it is made up of people like you and me.
