For the Best Interests of O'Donnell and Lynn County

Students Receive Payment Per Student

Payment on the state appropriation was made to the schools of Lynn county this morning. The sum of \$3.00 per pupil, the sum of \$2,562.15, was paid by County Superintendent Tunnell.

Payment per pupil this year is \$3.00. Superintendent E. E. Tunnell, here on December 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, will determine what schools are standardized and the state aid that may be available to each school qualifying for the aid.

CLUB MET
FARRINGTON
The Farrington club was held Wednesday afternoon in the East Fifth Street. Street won high score with 50 and Mrs. Floyd won second.

The salad plate was served. Those mentioned and mentioned were Mesdames Caldwell, Hervey, J. T. Middleton, Sterling, George Oates, and slightly. Denhire will be hostess.

Red Cross Donors

Rollin McCord, Lynn County Roll Call chairman, recently received the following telegram from Governor W. Lee O'Daniel.

"Your chapter's success in present Red Cross Roll Call will be a definite contribution to National Defense and will reflect our national solidarity at this crucial period. A great active membership in Texas is essential. Please carry on until the membership invitation in Red Cross is extended to every adult citizen."

Rainfall Totaling Inch Falls Here

Rainfall amounting to about one inch fell in O'Donnell proper over a period extending from Saturday and ending Sunday night.

The showers were intermittent, and fell slowly, leading many to believe that more rain had fallen than the recorded inch. Cold winds prevailed here over the week, but readings never reached the freezing stage.

The precipitation was one of the most beneficial that has fallen here this year.

'This Land of Ours' Coming Tuesday

Every one of us has at some time or another had the desire to take a trip throughout our great land to view its many places of beauty and interest. But very few of us ever realize our ambition—we either can't afford it or we haven't the time.

O'Donnell Motor Parts, your Minneapolis-Moline Dealer, is now inviting you to take this trip with him free or charge by seeing "This Land of Ours", a free movie production which your MM Dealer is showing at O'Donnell, Texas, on Tuesday, December 3rd, 10:30 a. m., at the Rex Theatre.

"This Land of Ours" takes you through our beautiful national parks, shows you our beautiful mountains, lakes and waterfalls, and takes you to such points of interest as the World's Fair, our largest industrial cities, the great iron mines of Northern Minnesota, and many points of historical interest.

In addition, "This Land of Ours" gives you an insight into farming methods in all parts of our country and shows Minneapolis-Moline modern tractors and farm machines at work on all types of farms. All scenery in "This Land of Ours", is in its natural beauty, since the movie is in full natural color. It has sound and musical accompaniment, and a guide explains all points of interest.

This is a show you'll want your whole family to enjoy. It's free to all farmers.

See the picture of dual tire farming. See the demonstration of ten tractors in the field all day Tuesday, December 3rd, beginning at 10:30 a. m.

TUESDAY CLUB MET FOR WEEKLY PARTY

Mrs. Pauline Campbell was hostess to members and guests of the Tuesday Bridge Club in her home this week.

In bridge games Miss Thelma Palmer was awarded high score prize, also bingo and Mrs. C. L. Hafer won consolation.

A delicious refreshment plate with coffee was served at the tea hour.

Mrs. B. J. Boyd and Miss Claire Ruth Nichols played substitute hands.

Members present included Mesdames J. Mack Noble, Guy Bradley, C. L. Hafer, Charles Hoffman, Newell Hughes, E. T. Wells, Marshall Whitsett, Harvie Jordan and Miss Thelma Palmer.

Mrs. C. L. Hafer will be hostess next week.

HARMONY SCHOOL GAVE DINNER

The Harmony School served a delicious dinner at the school house Wednesday which was enjoyed by patrons and pupils.

Mr. Tate Everett, who is the butcher at the Co-op Locker is in the hospital in Amarillo.

Roy Line is working in his place.

NOTICE...

The accounts of Dr. J. W. Davis and Dr. W. C. Hill are payable to Mr. Schumaker, First National Bank of O'Donnell.

Total of 27,662 Bales Ginned Prior Nov. 14

Late cotton census reports by special Agent E. W. Holloway show that Lynn county has ginned 27,662 bales up to November 14 in comparison with 53,825 in the same length of time in 1939.

TEA SHOWER GIVEN RECENT BRIDE

Mrs. Sterling Bearden, the former Miss Hope Shook was honoree for a shower of lovely appointments last Friday in the Bowlin home.

Members of the honoree's Sunday School Class, Mrs. J. P. Bowlin and Mrs. Ora Blocker were hosts.

Miss Claire Ruth Nichols received guests and Mrs. Edwina Harris presided at the guest book.

Serving spiced tea and fruit cake to guests were Mrs. Hervey Gardenhire and Mrs. Johnnie Billingsley. Little Nancy Gail Everett and Gary Sherrill dressed as bride and groom presented the gifts.

About forty guests called.

Mrs. Johnnie Billingsley and young son recently went to Brownwood to join Mr. Billingsley there to make their home.

Mrs. L. T. Brewer spent several days last week visiting in Shallowater with Mr. and Mrs. J. W. Gardenhire.

Mr. and Mrs. John A. Edwards and four daughters spent Thanksgiving Day in Canyon with Mrs. Edwards' sister.

Mr. and Mrs. Major Rodgers and Charles of Levelland visited here last week.

THANKS

Mrs. Hamp Thompson had the PRESS sent to her brother, Norman Barber, Los Angeles this week.

Mrs. Hafford Smith was shopping in Lamesa Friday.

Mr. and Mrs. Harlin Austin of Hobbs, visited in the Henry Harris home last week.

Mr. and Mrs. Guy Bradley and Miss Thelma Palmer attended the Plainview-Westerners game in Lubbock Thursday.

Mrs. C. L. Hafer and Mrs. J. Mack Noble were shopping in Lubbock Wednesday.

Rotary Secures Noted Speaker January Date

Sent direct from International Rotary headquarters, one of the nation's foremost speakers will be in O'Donnell one day during the early part of January, according to J. Mack Noble, local club secretary.

Three programs, featuring Dr. Charles E. Barker, will be sponsored during the day by the Rotary club. He is scheduled to address the club, High school student body and an assembly of citizens in a special night meeting.

O'Donnell is one of seven clubs out of 55 clubs in the district to secure Dr. Barker.

Dr. Charles E. Barker, internationally famous lecturer, physical culturist, and Rotarian, of Grand Rapids, Michigan, will be sent here that day by Rotary International or talks before the Rotary Club, High School students, and a mass meeting of citizens.

Dr. Barker will talk to the Rotary Club on "Rotary By-Products," to the High School students on "How to Make the Most Out of Life," and to citizens and students in a night mass meeting on "The Most Important Job in the World."

That he is an interesting talker and in demand for many occasions is evidenced by the fact that Dr. Barker has delivered 11,500 addresses to 4,200,000 adults and 3,700,000 high school and college students during his career. From 1913 to 1919 he was a Y. M. C. A. lecturer under sponsorship of its International committee, and was on the Redpath Chautauqua platform for many years. He is author of the now famous lecture, "A Father's Responsibility to His Son," delivered at Salt Lake City in 1919 which brought requests for its repetition from cities throughout the nation.

ANNOUNCE DAUGHTER'S BIRTH

Mr. and Mrs. Joe Whigham of Avoca announce the birth of a daughter Nov. 25.

The Whigham's are former residents of O'Donnell and this is their second daughter.

COFFEE TO HONOR MISS MOORE

Mrs. Ben Moore Sr. and Mrs. Ben Moore Jr. are giving a coffee today (Friday) honoring Miss Oleta Moore, daughter of Mr. and Mrs. Ben Moore Sr.

Your Mail
 Get your mail on a rural route. Want your letters sent out? You'd better stamp them instead of leaving pennies in your mail box. For many years the Post Office Department has been getting rural patrons to get their own mail just as is required by city patrons, but without measure of success. On November 15, the U. S. Official Post Office contained the following information to facilitate the collection and dispatch of mail matter on rural routes, particularly during the impending holiday season, all first- and third-class mail matter deposited in rural letter boxes for collection by the carrier should have stamps affixed at the proper rate of postage.
 Many carriers, as a matter of accommodation, stamp mail for patrons who occasionally run out of stamps and leave pennies in the boxes, but there are some patrons who simply refuse to keep stamps on hand and practically always expect the carriers to lick stamps for them. These are ones the above order is intended to reach. When carriers return to the post office after each trip they naturally give preference to mail already stamped in seeing that it gets out on time and later, when they have time, they put stamps on letters left in the

boxes with pennies. Thus such letters could be delayed as much as a whole day in being sent out. Hence if you are a rural patron and really want your mail sent out on the first train or bus, stamp it yourself and you can depend on it that you'll get better service.

Warning Is Given On Diphtheria
 In view of the fact that this is the season that brings most throat afflictions, we cannot overlook the diphtheria hazards.
 Protect your child from the tragedy of death or injury to health that diphtheria can bring. Diphtheria is a disease caused by a germ which is passed from one person to another by kissing, coughing, sneez-

ing, or by handling the same articles. Sometimes the germs may get into

milk and be carried to a person whom it can infect, but usually the disease is "caught" from a person ill with diphtheria, or a person who is carrying germs without signs of the disease.

Diphtheria is usually a disease of the nose, throat, or windpipe. The infection may be mistaken for a simple sore throat and only a doctor can be sure it is diphtheria.

Diphtheria is a killing disease. It kills infants and small children. It can kill these children in two ways: either by choking a child to death—for the membrane of diphtheria in the throat is as deadly as a strangling hand—or, the poisons it produces can attack the heart, so that a child, who is to all appearances well and ready to get about, may collapse when he begins to run and play. Diphtheria can also produce paralysis of the muscles of swallowing, which may also lead to death.

About 90% of all deaths from this disease occur before the age of five years. It may be too late to protect the child adequately if the parent waits until time to go to school. Every infant should be protected against diphtheria the first year of life. This practice will wipe out this disease.

Medical science has given your physician a method of safeguarding your children from diphtheria this safe and simple way—before it might be too late.

Your local Health Service is prepared to give this protection to any child whose parents are not financially able to pay a private physician.

Ice Cold Fishing. "Nice" Cold Parking for Hours.
But mere moments starting the engine!

How Winter OIL-PLATING maintains needed lubricant in advance... for Safe Quick Starts

Your Winter oil ought to flow fast from the bottom of your engine to all inner surfaces—a total area bigger than a windshield, but tough for the oil to reach. And that's why many stop depending on fast flow alone, as they learn that their engines can be OIL-PLATED to lubricate "faster than instantly" at every Winter start. Simply changing to Conoco Germ Processed oil

brings your engine OIL-PLATING, which can't be late getting started, because it's always PLATED UP where needed, before you even step out of the house.

The extra man-made substance in Germ Processed oil—patented—bonds OIL-PLATING to engine parts lastingly. It stays there. And lubricant couldn't be prompter in smoothing the way for precious parts, instead of letting them grind. At Your Mileage Merchant's Conoco station today, change to this long-lasting oil that OIL-PLATES. Continental Oil Company
