## J. B. (Buster) Roberts Seeks Dawson Co. Sheriff's Position

The Index has been authorized to announce the candidacy of J. B. (Buster) Roberts of Welch as a candidate for sheriff of Dawson County. He is the present commissioner of Precinct 3 being his first term.

Mr. Roberts has been a resident of Dawson County for 31 years and he is 42 years of age. He is married and has a family.

Mr. Roberts said that he will make every effort to see the voters before the primary but in the event he misses seeing you, he earnestly solicits your consideration. If elected, he further stated, he pledges full co-operation with city officers and all other law enforcement agencies.

## Second Harmony 'Lecture' Set For Saturday

Saturday has been set as the date for the election of the Harmony school district and the O'Donnell school district on the proposal of consolidation of the two school districts. This is the second election of the two independent schools as the first election failed.

Nearly a 10 per cent vote will be cast at Harmony as the issue has aroused wide interest in that community.

The Fire Department has recently painted their truck a glowing red and the job looks swell. The members sanded the body and then F. F. Jones and Eris Miller painted it. The truck is now equipped to fight small fires away from a source of water.

## MR. CAMERON, FRIEND OF THE TOWN; DIES AT LAMESA

O'Donnell was deeply sorrowful to learn of the passing of our respected friend, Charles Cameron of the Texas Electric Service at Lamesa Sunday morning. The funeral was Monday morning. Mr. Cameron died of a heart attack at the age of 60. He was supervisor of O'Donnell and Lamesa service. It was large due to his efforts and that of Mr. Blumshield of Big Spring that we have today our excellent street lights. He will be long remembered as a civic leader and a welder of good will for his company. Besides that, he was a prince among men.

There will be a public installation of officers of the Eastern Star next Monday night; the public is cordially invited.

Hoot and Roy Allen Gibson, Shag Garrett, Willie Gates, L D Hamilton J T Middleton, Jr and others whose names we missed enjoyed a fishing trip at San Angelo last week.

Messrs. Yandell and Allen visited their son and daughter at Wichita Falls last week; Mrs. Yandell had been ill.

Mr and Mrs. Andy Anderson of Brownfield were the Sunday guests of Mr. and Mrs. H L Cathey.

Mr and Mrs. J C Harris and baby of Brownfield visited their folks here last Tuesday.

Mr and Mrs. A Z Sewell spent Friday and Saturday at Olton visiting relatives.

Mrs. C D Childress, Elton, Pat, and Mike visited Mr and Mrs. Elzo McMillan at Plains Saturday.

Mrs. Lloyd Williamson of Tyler visited her daughter and family. Mr and Mrs. Calvin Pugh Wednesday of this week and Norma Jean, who has been in school here returned to Tyler with her mother.

Mrs. Dean Howell has returned to Duncan, Okla. after visiting her parents, Mr and Mrs. Didk Goughly and Mrs. Kitty Howell and Mrs. Ethel Coley of Wichita Falls and Burk Burnett returned to their homes with Mrs. Howell.

Rev and Mrs. Hale and Mrs. O. C Smith Sr attended the Baptist Workers Council of the Brownfield Association at Gomez last Thursday.

## NAZARENES TO HOLD BIBLE SCHOOL

The local Church of the Nazarene will sponsor a vacation Bible School, May 24 thru 28. The school will convene each morning at 8:15 a. m. and close at 11:30. All children of O'Donnell and surrounding vicinity are invited. Mrs. C. C. Calhoun will be the director.

## FIELD SEEDS: Good, Bad and Worse. Saul's Feed andSeed Store

The reports from Mrs. R T Peek, who recently underwent surgery, are quite encouraging. She is able to sit up some and probably will be home shortly.

Mrs. J. H. Halcomb of Lubbock is visiting her daughter, Mrs. Sid Jones and family.

FIELD SEEDS: Good, Bad and Worse. Saul's Feed andSeed Store. Dr. J E Johnson left by plane Saturday for Georgia to be with a sister who is quite ill.

Johnny Vermillion and W H Harris enjoyed a bit of fishing at Brownwood last week.

Little Terry Hochman has been on the sick list.

The Vacation Bible School of the First Baptist Church will begin Sunday May 30. Plan now to send your children.

The little son of Mr and Mrs. Frankie Cook who was taken to the Lamesa hospital quite ill Saturday, is much better and is home again.

## STUDY CLUB

The 1946 Study Club met at the home of Mrs. Harvey Jordan Tuesday afternoon with the 1939 Study Club as guest. Mrs. Haigze of Tahoka reviewed the book "The Hope of The Earth" and kept her audience entranced with her able and entertaining review. Delicious refreshments were served. The 35 Club presented Mrs. Haigze with a nice silver bowl.

## FIELD SEEDS: Good, Bad and Worse. Saul's Feed andSeed Store

## CONGRATULATIONS

Congratulations to Mr and Mrs. Floyd Thompson on the arrival of a fine baby daughter on May 13th at a Lamesa hospital. The young lady weighed 5 lb 14 oz.

## A PETITION

We the undersigned students of the Harmony School District appeal to the voters of the Harmony School district to send us to the school of our choice which is the O'Donnell School by consolidation with that school.

SIGNED: Pat McKee, Ruthy Davis, Paulteta Fannon, Betty Long, Doris Blair, Freda Snell, Sue Smith, Peggy Pearce, Nancy Franklin, Peggy McKee, David Franklin, Kellas Davis, Dickey Harris, Eldon Gillespie, Katherine Franklin, Anne Franklin, Everlyn Gillespie, Velda Gillespie, Reta Gillespie, Kenneth Smith, Kenneth Fannon, Robert Isaacs, Don Sumrow, Roy Mott, Theo Fultz, Wayne Mott, Jimmie Fultz, Cleo Fultz, Bobby Sumrow, Wanda Cunningham, Margie Locke, Claudean Mott, Joan Mott, Juanita Hernandez, Basilia Hernandez and Jack Houston.

## Tiny Tot Party

On May 12th the Homemaking II class entertained a group of children with a party.

The class little brothers and sisters. They studied child behavior, play for little folks (including games and toys) the daily routine and clothing. Each girl made a garment for a child. The children modeled their dresses and suits at the party. Each child was given a toy and a clown made of an orange, gum drops, marsh-mallows and paper cap as favors. Refreshments were served. Those attending the party were: Gerald Pierce, Patricia Summers, Jackie Taylor, Linda McKee, Betty Locke, Charlene Vermillion.

## Future Homemakers Receive Degrees

Fourteen members of the local Chapter of Future Homemakers of America have completed requirements for their junior Homemakers Degree. It is a high honor to receive this degree and those who receive it may wear a key on their club pins. Those receiving Junior Homemakers degrees were: Betty Dorman, Patricia Etter, Nancy Franklin, Elaine Hohn, Ruth Locke, Pat McKee, Zada Bell, Pierce, Norma Nelms, Joann Rogers, Norma Seely, Inez Summers and Daphene Telchik.

## The G A Girls met Monday afternoon at the First Baptist Church with their mothers as guests.

The ladies of the W M U sponsored this group and presented a number of the girls with arm bands as a reward for learning certain verses of the Bible.

Mrs. Ben Rabin who has been visiting her sister, Mrs. E. Clemage, returned to her home in California Monday. Mr. Hochman drove her to Hobbs where she boarded the train.

## Wed At Denver, Colo.

United in marriage in Denver, Colorado Thursday, May 6th were Harry Merland Nix and Alamarine Nunnally of O'Donnell Route 1. They will make Denver their home.

The groom's home is near Norwood, Colo where he has ranching interests in the Nix Hereford Ranch. He is a student of Denver University.

The bride is the youngest child of Mr. and Mrs. Chas. Nunnally of Mesquite Community and a graduate of Texas Tech. Our Congratulations.

## T. J. (Joe) Bovell In Lynn Co. Judge Race

TO THE VOTERS OF LYNN CO.

In announcing as a candidate for the office of County Judge of Lynn County, Texas, I do so with the realization of the duties and responsibilities that go with the office. I shall, if elected, give my very best efforts to discharge such duties and responsibilities.

I moved to Lynn County in 1919 and worked for the County in 1920 to 1922, grading roads. This was the first road grading work done in the County. I have been in business and farming in Lynn County since that time. During the time that I have lived in this County, I served on the City Council of Tahoka for 12 years, part of which time was as Mayor.

I have no criticism to make of anyone in this campaign but seek this office on my own merits, with a desire to render service in the county where I have spent a large part of my life. If elected, I shall seek to carry on the business of this county with the same care that I would conduct my own personal business.

Please consider this a personal solicitation to each of you to consider my candidacy and if you feel that I am the proper person to handle this office for you, I shall appreciate your votes.

I shall try to see all of you personally between now and the primary election and if I should fail to see any of you, it will not be intentional on my part.

I shall appreciate your vote and friendship, and if I can't have both, then let's be friends.

Respectfully Submitted,  
T. J. (Joe) Bovell

Mrs. C. L. Hay of Madisonville Ky. has been visiting her sister Mrs. Hal Singleton Jr and family.

Mrs. E. Clemage and sister and Mr. and Mrs. Louis Hochman visited at Lubbock Sunday.

Mrs. Charles Van Etten and baby of Athens is visiting her sister Mr and Mrs. H J Land.

Mr and Mrs. J T Middleton Sr. and grand daughter Sherry spent Sunday in Lubbock visiting Mr. and Mrs. Louis Thomas and family.

## A WORD FROM THE FIRE DEPARTMENT

The public is cautioned against running over fire hose when equipment is being used. Damage nearly always occur to the hose which is both expensive and oft hard to get.

From hereon there will be a more strict enforcement of the City's \$5.00 fine for those violating the above law.

The public is also cautioned against helping in a fire unless authorized by the Fire Chief. To do so subjects the person to possible injury or death from the fire hazard besides at times hampering the work.

The Fire Department appreciates the splendid cooperation of all. You have been swell to us. AND THANKS.

**The Fire Department**

## Engagement of Miss Gibbs Revealed at Tea

Mrs. Rosa Gibbs of O'Donnell announced the engagement of her daughter, Margaret to Braswell Gilbert at a tea in her home Saturday May 8th.

On the lace tablecloth was a center piece of assorted blue and white flowers, placed above a reflector adorned with white streamers with "Margaret and Brad, June 11th" in blue lettering, revealing the date of the wedding. Presiding at the punch service were Mrs. E. T. Wells and Mrs. Albert Koening of O'Donnell and Mrs. R E Simpson Sr of Lamesa.

The guests were greeted at the door by Mrs. Joe Garner of Anton and Miss Peggie Terral of Lamesa, a bridesmaid. With Miss Gibbs in the receiving line were her mother, Mrs. Rosa Gibbs; her Matron of Honor Mrs. Elmer Sumrow; the groom's mother Mrs. Porter Gilbert and the groom's sister Mrs. Russell Calhoun.

Assisting in greeting the guests were the brides maids Misses Bernice Gilmore, Helen McLeod and Earlene Davis of Lamesa. Other members of the house party were Mrs. Chas. Cathey and Mrs. Irvin Jones.

During the afternoon music was offered by Mrs. Barnard and Mrs. McCall of Lamesa. The wedding will take place in the First Baptist Church in Lamesa.

The bride elect is a graduate of the O'Donnell High School and attended Texas Tech.

Mr. Gilbert is the son of Mr and Mrs. Porter Gilbert of Lamesa and a graduate of Texas Tech and during the war he served in the Navy.

## PREACHERS ARE ROLLING ON NEW WHEELS

O'Donnell takes a bow for the first goodwill gesture of its kind that we have heard of. Recently the Ellis, owner of the Chevrolet Agency, proposed to congregations of the Church of Christ, Methodist and Baptist churches that he would furnish 3 new cars for their pastors at list price. In addition John contributed to the fund for all 3. The money was raised and delivered.

Can any town in the County do better than Mine Creek that kind of unselfish GIVING.

## GIVES LAND FOR HOSPITAL

This week the City of O'Donnell donated to the Hospital Block 2 for the building. Restrictions were that the land would revert to the City if the hospital was not built. The City paid for the hospital. This block of land is in the northeast part of town and is bounded by the City for waterwells.

**Sugar Beets Considered Good Crop for Dairymen**

The sugar beet is an important cash crop, according to University of Wisconsin. Years of extensive production prove that the crop blends in well with dairy farming, makes good use of farm manure and leaves the soil loose and friable. Beets seldom are damaged by either late spring or early fall frosts. There are few crops that leave the soil in as good condition. The tops are very valuable feed for cattle and sheep. They may be pastured, partially cured and put into trench silos, or used as silage.

**Three Diseases Take High Toll of Turkeys Heaviest Loss Occurs During Growing Period**

Nearly a third of all turkeys hatched are lost during the growing period. This statement is based on findings of Utah Agricultural college survey. Of considerable importance to a control program is the fact that the three diseases known to be the greatest killers of poult—paratyphoid infection, pullorum disease and infectious sinusitis, which may be transmitted through the egg from parent to the offspring—cause 61 per cent of the brooder loss. If a grower starts with a healthy, vigorous poult, the job of keeping the bird healthy is relatively simple. Thus the first problem for a pro-

Birth of poult at Timmerman farm, Jefferson county, N. Y. Photo shows baby turkey off to a good start.

pective turkey producer is to buy poult from hatcheries that have a reputation for producing healthy poult. As it may be impossible for a single grower to know the poult source, cooperative effort may be helpful in investigating the breeder and hatcher. Proper housing and proper use of brooding equipment are essential to health of the poult. Basis of sanitary procedures is to prevent healthy individuals from coming in contact with the infectious agents of disease. All weak-looking poult should be kept separate from the healthy fowls and strict sanitary practices must be maintained during the brooding period.

**Uncle Sam Says**

Regardless of whether you approve the new look in fashion, every one of my nieces and nephews certainly is in the style with the new look in security. How can you acquire this kind of look? There are two great automatic plans, both sure and convenient: 1. If you work for wages or salary—join the Pay-Roll Savings Plan for buying United States Savings Bonds regularly. This is the only installment bond-buying plan. 2. If you're in business, or a profession, or living on an income—sign up at your bank for the Bond-A-Month Plan.

WHEREAS: You, the members of the Class of 1948, have attained a major milestone in your careers.

NOW, THEREFORE: We, the members of this community, join in extending congratulations and best wishes for the future.

**Neglected Farm Forest Termed Valuable Asset**

The farm woodland is paying off. That long neglected group of trees that stands on the back "forty" and which once was eyed with a resentful attitude because it occupied land that could far better be devoted to grazing, now becomes a definite and valuable asset. It is one that can be quickly converted into cash. To the owner has come the realization that the farm will produce something more than grain, root crops, pasture or dairy products. Trees also are a crop, and a paying crop, even on the poorer types of soil where intensive agriculture is an impossibility.

**Barn Cleaners**

Barn cleaners should have all mechanical parts, of simple design, yet sturdy and easy to control. It is possible to thoroughly clean the average dairy barn by use of mechanical barn cleaners. A clean barn is the first requisite for clean and healthy cows. Installation of a mechanical cleaner, such as illustrated above, will do away with much of the drudgery of this farm operation.

**Insects Launch Early Attack on Vegetables**

With the first reasonably warm days, insects will make their advent. These will be the green worm and lice on cabbage and the Colorado beetles and black fleabeetles on potatoes.

The cabbage green worm comes shortly in the wake of the familiar white-and-yellow "butterflies" that go bobbing about, dropping eggs as they touch the leaves of the cabbage. This chewing insect is killed by poison; not one of the arsenates, however, but the safe insecticide, rotenone. The best way is dusting, with a strength of three-fourths of 1 per cent of rotenone, as most prepared dusts have. The first application should be made when the "butterflies" first come, then repeated once or twice ten days apart.

Approximately 50 boosters for the 1948 Post Rodeo and Stampede which opens Thursday nite May 29 and lasts thru the Sunday afternoon performance, visited O'Donnell last Thursday and extended a public invitation to attend Evening performances are scheduled for May 29 thru the 22nd. They will be preceded by a colorful parade, in which the new Post School Band will make its first public appearance, and will be followed by a dance in a new pavillion on the grounds.

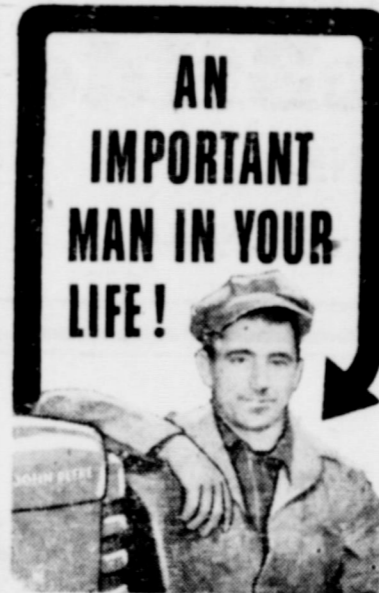

Included among the cowboy club boosters was a bevy of entertainers who presented a short program here. Cowboys and cowgirls of area were invited to enter various contests and the general public was invited to begin the 1948 rodeo season with a visit to Post during May 29 thru 23.

To newspaper people the symbol "30" denotes the end of a story; but more than that, it has taken on a half-mystical aura as a term signifying the ending of anything. And there is another symbol that appears at the bottom of every page of a story except the last. It is simply the word "more."

Your formal education may be completed now. For some of you, undoubtedly it is. That's "30." But a new story is beginning — a yarn of continuing work, an expanding mind and viewpoint, a gathering of experience, responsibilities and increased knowledge. It will have many pages, and at the bottom of every one will be written "more . . . more . . . more . . ."

women who were completely tactful. But haven't you known scores and scores who were not?

You know the kind I mean—men and women who always are saying untactful things that make you unhappy, that fill you with doubts about yourself, that give you moments when you wonder whether there is such a thing as a kindly person in the world.

Tact is without doubt the essence of charm, graciousness and of gentleness. But do you know what it is?

It's merely the perception of what to do or say under delicate or difficult circumstances. That's a definition of tact. But tact is much more than a definition really.

Tact is really a way of life. You can't be tactful unless you are thinking about other people, about what they like, about their rights and feelings more than you think about your own.

The real value of tact in your life is that it relieves tension and glosses over situations that might endanger friendships or cause you to lose self respect in the eyes of other persons. If you have tact, you balance both sides and never willfully offend an other person.

At the risk of appearing untactful let me tell you that no one ever is born with tact, but everyone who ever had it acquired it. And you can acquire it just as easily and just as surely as anyone else can. Do you want to know how?

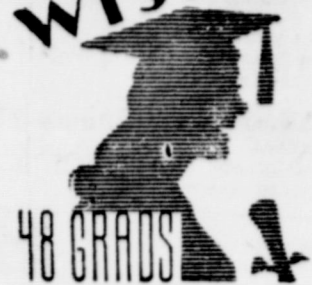

I've already hinted at that earlier yourself. And that's the advice I am going to give you now.

Think of that other person, try to see his viewpoint, try to see what his likes and dislikes are. Ask yourself what you would do if your respective roles were reversed. And then when you express yourself either by word or action, express yourself in usefulness in the way you think he would like you to

As you receive your diploma we would like to say this:

naval appropriations predicted the Communist aggression in Europe and Asia where he traveled extensively for the committee.

"Russia must be stopped," he says, and he hopes the Marshall plan will do it.

"If it fails," he says, "in its purpose to stop Russia and to bring peace to the world then we will have justified this country in applying its full military power to preserve our form of government and way of living. And this is not a job only for government officials but is the job of every man and woman in the nation."

In the opinion of this reporter, backed up by events here and throughout the country, the President's warning before the American Society of Newspaper Editors that his 10-point anti-inflation program was more necessary now than when he first advocated it last November, is timely. The strain on the price structure by tax reduction, foreign aid and increased military expenditures appears to justify the President's premise. The fact remains, however, that the President's program, sound though it may be in principle, stands little chance in this congress for it would entail a peacetime economic regimentation which congress has no intention of considering.

**Strike Settlement**

The scheme hatched up by Speaker Joe Martin, Sen. Styles Bridges and John L. Lewis to settle the coal strike is backfiring. The inside story is that Lewis hatched up his own scheme, met privately with Bridges in advance, talked terms and agreed. Then Lewis gave out his cut and dried plan to Speaker Martin who appeared in the role of peacemaker. They called in Bridges, who already had the plan, and he came up with the agreement.

Beetle Is Voracious Enemy of Potatoes Dusting or Spraying Will Control Menace

Ranking as the most serious threat to the grower of potatoes and other vegetables is the Colorado potato beetle, which is prevalent throughout many areas of the country.

The beetle is yellowish in color, stout bodied, about two-fifths of an inch in length and with wing covers bearing 10 longitudinal stripes. The larva or "slug" is soft-bodied, reddish in color and reaches a maximum size of about three-fifths of an inch in length. Late in June when the potato plants begin to appear above ground, the beetles

attack the foliage and lay their orange-colored eggs on the under side of the leaves.

The eggs hatch in a few days into voracious larvae which, after feeding for about 10 days leave the plants and enter the soil to complete their development. They emerge as adult beetles by the latter part of July. A second brood is produced in August and adults of this generation winter in the soil. Both the larvae and adults are severe defoliators of the plants.

To rid the potatoes, tomatoes, egg plants, peppers, ground cherries and cabbage plants of the Colorado potato beetle, dust or spray with paris green, calcium arsenate or cryolite. Hand picking of the beetles and crushing of the egg masses is effective if done often.

### Letters To Editor

O'Donnell, Texas  
May 17, 1948  
Bragging? Sure, why not?  
The greatest thing about an  
person or community is the spirit  
of that person or community. No  
community ever rose higher than  
the spirit of its citizens. If that  
be true, we have here at O'Donnell  
a great community; at least three

preachers will testify to that  
fact.  
Our church membership is  
scattered over a radius of 16 mil-  
es; we were trying to minister to  
them in old worn out cars. We  
were unable to secure new ones un-  
til our big hearted generous spirit  
ed Chevrolet dealer, Mr. John  
Ellis came to our rescue. He sug-  
gested to our church members and  
other citizens that he would get

three cars for we three preachers at  
list price and with no trade-in,  
then we help the churches pay for  
same.  
Our friends and neighbors re-  
ponded to this suggestion with the  
result that the three of us are on  
wheels again in new Chevrolet  
cars. Or am I just dreaming? I am  
joining the other two pastors in  
saying to all our dear friends  
who had a part in this act of kind-  
ness to us, and to all who would  
have had a part if they could have  
done so: Thank you neighbors and  
friends --- thank you and again  
we thank you. I think I can speak  
for the other two in saying that we  
hope we can stay right here until  
we wear these cars out in serving  
you. Especially do we wish to  
thank Mr. Ellis whose heart is as  
big as these great out of doors here  
in the west; that we all love, J.  
Matt Hale, Pastor, First Baptist  
Church.  
P. S. We are wondering if any  
town in the world large or small  
ever gave three pastors new cars  
at the same time. If so we would  
like to hear from such a town.
