CHAPTER XI

Morgan drove his aimed blows at the huge jaw.

—and this bravery was a recognition of pain along the center of his lips. Morgan was a man who knew how to thrust his way to the center of a room, to the center of men's attention. He was not a man who would ever have the courage to start a fight, but he knew how to finish one. He pushed himself half erect to come at Herendeen, still on the defensive, still weak.

Morgan's eyes were fixed on Herendeen's hand, which was still on the stove. Both of them were soaked with the soot from the stove, and Morgan could see the blood streaks on Herendeen's hand as he raised it. He watched Herendeen's face, which showed sudden pallor and he knew he was going to break the grip, but Herendeen held on, tightening his grip until Morgan was forced to let go.

Morgan pulled himself up as Herendeen hit the stove. Both of them at the same moment, trying for the kill. Morgan's face was a mask of hatred and pain, from the base of his skull all the way to his heart, which was tough enough to run his luck out. He felt a burst of breath out by the back of the throat, but he was still by the stove, glancing at Herendeen. He was not afraid of Herendeen, he was not afraid of anything. He put his shoulders to the floor but finding no strength to break the grip, he clenched his teeth and held on, willing, needing to answer, all the racket boiling in his head. Morgan drove his aimed blows at the huge jaw.

The front windows clattered, and Morgan saw Herendeen hit the stove. Both of them in the same moment, trying for the kill.

Morgan backed against a hangar door, saw a rack of new Winchesters, and a can of wet good-orange. He put his shoulders to the floor but finding no strength to break the grip, he clenched his teeth and held on, willing, needing to answer, all the racket boiling in his head. Morgan drove his aimed blows at the huge jaw.

He was out of it before Case.

Lesson for August 2

I. Faith Makes Demands.

A. Obedience (Gen. 12:4-6; Heb. 11; 2 Pet. 3:12).

Obedience is a virtue that needs emphasizing to our day. It is an aspect of faith. If you are a member of a Body of Christ, you must notice the fact of obedience to the leader, to the President, to any officer of the church, and also to the Lord. The whole issue of faith is an issue of obedience. Abraham was required to obey and he obeyed. No question of this was raised. If you are not obeying the Word of God, you are not obeying the Lord Jesus Christ, who is the Word of God.

B. Trust (Gen. 12:7-9; Heb. 11; 2 Pet. 3:12).

Trust is another aspect of faith, which is also a virtue of obedience. Faith is a trust in God. Abraham was told by God to go where he did not know. He did not know to whom he was going, he did not know where he was going, he did not know what he was going to do. He was only told: "Go," and he went. And he trusted God to look after him. You must learn to trust God.

C. Protection (Gen. 12:3).

Protection is another aspect of faith which is an aspect of obedience. God promised protection to Abraham. God promises protection to everyone who is in the Body of Christ. When you are in the Body of Christ, you are under the protection of God. You must seek the protection of God.

II. Income from Faith.

A. The Promises of God (Gen. 17:1; Matt. 1:1).

The promises of God are the income of faith. The promises are the means by which God sustains His people. The promises of God are a guarantee of the future.

B. The Assurance of God (Gen. 15:1; Heb. 11:1).

The assurance of God is the income of faith. The assurance of God is the means by which God sustains His people. The assurance of God is a guarantee of the future.

C. The Power of God (Gen. 15:6).

The power of God is the income of faith. The power of God is the means by which God sustains His people. The power of God is a guarantee of the future.

III. Necessity of Faith.

A. In the Beginning of Creation (Gen. 1:1).

In the beginning of creation, faith was necessary. Without faith it is impossible to please God. Without faith it is impossible to experience the promises of God. Without faith it is impossible to receive the assurance of God. Without faith it is impossible to exercise the power of God.

B. In the Beginning of the Church (Acts 13:4-5).

In the beginning of the church, faith was necessary. Without faith it is impossible to please God. Without faith it is impossible to experience the promises of God. Without faith it is impossible to receive the assurance of God. Without faith it is impossible to exercise the power of God.

C. In the Beginning of the Nation (Heb. 11:1).

In the beginning of the nation, faith was necessary. Without faith it is impossible to please God. Without faith it is impossible to experience the promises of God. Without faith it is impossible to receive the assurance of God. Without faith it is impossible to exercise the power of God.

IV. Conclusion.

Faith is the income of the Body of Christ. Faith is the income of the Body of Christ. Faith is the income of the Body of Christ. Without faith it is impossible to please God. Without faith it is impossible to experience the promises of God. Without faith it is impossible to receive the assurance of God. Without faith it is impossible to exercise the power of God.
