**Lesson for August 9**

**Lesson: Hebrews 12:1-3**

**Purpose:**
To discuss the concept of suffering and the importance of faith in light of the example set by Jesus Christ.

**Introduction:**

The passage in Hebrews 12:1-3 serves as a powerful reminder of the challenges and hardships that believers face. It encourages us to persevere in faith, even in the face of trials and suffering.

**Text:**

1. Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and the sin which so easily ensnares us, and let us run with patience the race that is set before us.

2. Let us consider therefore how we may stir up one another to love and good works.

3. Not as though I had already attained, or were already perfect: but in every step that progress is made, we should all of us encourage one another, and see that our hearts are right, and our lives truly modeled after the example of Christ.

**Application:**

- **Suffering and Faith:** The passage highlights the importance of faith in the face of suffering. It encourages believers to remain steadfast in their commitment to Christ, even when faced with trials and hardships.

- **Encouragement:** The encouragement to stir one another up to love and good works is a call to action. It reminds us that we are not alone in our struggles and that we can support one another in our spiritual journeys.

- **Perseverance:** The reminder that we are not yet perfect emphasizes the ongoing nature of our faith. It challenges us to continue to grow and to see progress as a positive development in our spiritual lives.

**Conclusion:**

The passage serves as a call to perseverance and encouragement. It reminds us that our faith is a journey, and that we can support one another in our spiritual growth.

**Questions for Discussion:**

- What does it mean to lay aside every weight and sin? What are some examples of weights that believers might carry?

- How can we encourage one another to love and good works?

- Why is it important to see progress in our faith? How can we measure progress in our Christian life?
