M. E. Church to Help Raise Fund

Rev. Joseph K. Kiefer, pastor of the Methodist Episcopal Church, South, of O'Donnell, has announced that $200.00 is a minimum quota to exist within the parish for the cause of the superintendent and board of education. The part for the entire church in this movement is $50.00, and if none from which to be used for the purchase of the land and improvements, 100 members of the church have already sent in their contributions. The church real estate is the property of the church and will be sold at public auction. The town of O'Donnell is being taken in charge by the widow and orphans, many of whom are still in school and are dependent on the funds for their support.

The State engineer in charge of the work for the aged and infirm ministers, the church is at last thoroughly

Build Lumber Yard

Work on the new lumber yard is being pushed rapidly toward the completion of the yard. According to reports received from the yard, the total cost of the yard will be approximately $2500.00. The yard will be located on the north side of the square. The yard will be supplied with the necessary equipment and will be open for business daily.

Cotton Season

Cotton season closes today with the last bale of cotton sold for the season. The cotton was ginned by the A. E. Taff, of O'Donnell, and sold to the cotton gin at the O'Donnell Gin. The gin is located at the county line and is owned by the O'Donnell Gin Company. The gin is operated by Mr. R. E. Taff, who has been in the cotton ginning business for many years.

MEN AND MONEY

Make This Bank Secure

There are two ways of measuring the strength and standing of a bank. In the first place, amount of reserves—capital and surplus—gives financial strength. In the second place—and perhaps even more important—are the officers and directors. They give the bank character, determine and execute its policies.

Saving is the Road to Success

Chamber of Commerce Meets with Electric Manager

O. S. Greer of San Antonio, manager of the Texas Power and Light Company, was having a tour of the state and met with the Chamber of Commerce in regard to the extension of an electric light and power line from Lubbock to this city. Mr. Greer made a statement from the office of the Texas Power Company, and said that the extension of the Texas Power Company would not interfere with any other company which was now operating in the area. Mr. Greer then gave the Chamber of Commerce a list of the towns which would be affected by the extension of the line.

Three-Inch Snow

The area west of the South Plains is being visited by a snowstorm, and the snow is expected to continue throughout the week. The snow is expected to amount to approximately 10 inches in the area west of the South Plains. The snow is expected to continue throughout the week.

E. Mansell, this week lied Mrs. C. H. Mansell is a member of Mansell Bros., the store he built himself as a rapid business. He saw a town grow as he established the store. The store is now a part of the city that is better than San Angelo. Members of the family inhabiting the store will feel one having written from it.

The editor was unable to last Saturday by the arrival of Mrs. Kellogg, born San Angelo. The lady's services will be valuable in keeping the office for the public assistance. Mrs. Kellogg has had several years experience in doing work of this kind. It is known that she will love the Plains country better than San Angelo, the readers of the Index will see boosting articles from her pen.

For an ordinary community, those victories would have been sufficient, but for Wells, no. The crowning victory came when Wells defeated T Bar in a spelling match. We appreciate the cooperation of the community in these events.

Wells is a live and growing community. We have Sunday school every Sunday at 10:30 o'clock and preaching every third Sunday. The Rev. Henderson preached both morning and evening Sunday, February 15th.

Sunday evening a singing was held at the home of Mr. and Mrs. John McLaurin.

Wells school has 67 pupils in actual attendance.

News Letter from Wells School

This interesting letter was unavoidably crowded out last week.

Friday certainly was a gala day for Wells community. In response to a challenge from the T Bar school, two games of basketball were played, one with the boys and one with the girls. The Wells girls defeated T Bar girls 12 to 10 and the Wells boys defeated T Bar boys 11 to 10. This makes the second time T Bar has lost to Wells.

For an ordinary community, these victories would have been sufficient, but for Wells, no. The crowning victory came when Wells defeated T Bar in a spelling match. We appreciate the cooperation of the community in these events.

Band Is Backed by Business Men

There will be music in the air this evening when the O'Donnell band goes marching down the streets. The boys have been practicing every night and are ready to show their best to the public. The instrumentation of the band is very harmonious and the boys are making good progress. The business men have agreed to take care of the instrument case and all the members are furnishing their own instruments to no thing left to do but not and be in time for a few songs this week or whenever the supply runs short.

Texas Items

The Attorney General has announced at the recent session of the Fort Worth bar, and will now give it to the nation. To that effect, the following is published in the Austin American:

"The Railroad Commission has announced that it will now give the people of the state an opportunity to elect a new set of commissioners for the next term of office. The present set of commissioners will expire at the close of the term, and the people of the state are now being asked to vote for one who will be acceptable to the majority of the people of the state."

75% of disease avoided through internal cleanliness

Why run the risk of sickness? Keep clean internally. When you are arrigular, poison forms in the accumulated waste. These poisons, absorbed by the blood, attack all parts of the body. The first results, headache, biliousness, a feeling of "inflammation," etc., serve as warnings of a greater danger. If this intestinal poisoning continues unchecked, you become the victim of some serious organic disease.

Laxatives Aggravate Constipation

Laxatives and cathartics do not overcome constipation, may cause nausea, but by their continued use tend only to aggravate the condition and often lead to permanent injury.

When Physicians Favor Lubrication

Medical science, through knowledge of the intestinal tract gained by X-ray observation, has found at last in lubricative means of overcoming constipation. The gentle lubricant, Nujo, penetrates and softens the hard food waste and thus allows its passage through and out of the body. Thus Nujo brings internal cleanliness.

Not a Medicine

Nujo is used in leading hospitals and is prescribed by physicians throughout the world. Nujo is not a medicine or laxative and cannot gripe.

Get rid of constipation and be relieved by adjusting the habit of internal cleanliness. Take Nujo as regularly as you brush your teeth or wash your face. For sale at all druggists.
