MILITARY FUNERAL HELD FOR LYNN WAR VETERAN

Funeral services were held Friday afternoon for Milt Campbell of O'Donnell, a veteran of World War II, at the United Methodist Church.

The services were conducted by the local Legionnaires, with full military honors. Milt Campbell was a member of the American Legion.

The local American Legion post held services on Wednesday afternoon for the late Milt Campbell.

The post met at the American Legion hall and proceeded to the United Methodist Church for the funeral services.

The post presented Milt Campbell with full military honors, and the local Legionnaires assisted in the funeral services.

The post will hold a meeting on Tuesday evening to discuss the upcoming activities.

THE WINNAH!

Miss Vergie Luttrell of the Orchid Beauty Shop submitted the name which has been unanimously selected as the most appropriate for this shop under the new management: Mrs. A. J. Barnes and Mrs. J. W. Gates won second and third places. The task of choosing the new name was a difficult one, because so many and such good ones were suggested. We wish to thank everyone who helped us in this important event, and to assure that you will always find a cordial welcome and a personal interest in your wardrobe problems. Abraham Lincoln

THE GREAT EMANCIPATOR

On Monday, February 12, is the anniversary of the birth of Abraham Lincoln, known as the Great Emancipator. In the years since Lincoln's death, there has been a growing appreciation and respect for the greatness of this American of humble birth who served as President during one of the most tragic periods in American history.

Electricity—The Modern Emancipator

Edison's contribution to history came in a much happier period of human existence. Today, electricity is regarded as the "modern emancipator," freeing millions of women from household drudgery, making their days easier and their homes more comfortable.

The freeing of women from unnecessary work wasn't just an accident. Years of planning, work, and investment of many millions of dollars, together with constant labor day and night by thousands of employees, were necessary to bring to your home and other homes the benefits of this economical, useful servant.

Electric Service is one of the smallest items of expense in the average home—averaging only a few cents a day.

Our last day
Is positively Feb. 10
Due to delays in getting our Denver City building ready for occupancy, we have been unable to move on the date first announced. However our O'Donnell store will be temporarily closed on Saturday of this week.

Come in and see the hundreds of bargains
We have already leased the building here for another year, and as soon as the Denver City store is properly under way, we will be back with our O'Donnell friends. We have appreciated your friendship and your patronage during our first stay with you, and will be back with you in the near future.
