Court judge dies Monday

Funeral services were held Wednesday for Titus Mitchell, Wichita Falls attorney who since 1966 has served as corporation court judge for Iowa Park.

Mitchell, 51, died Monday in a Wichita Falls hospital.

City Administrator Gene Britton said he was talking with two other Wichita Falls attorneys about taking over the post here, both on a temporary and appointive basis.

Mitchell also was under contract with the city of Iowa Park to serve as its legal representative in collecting delinquent taxes. He also had served at one time as city attorney here.

He was a native of Bowie.

NAME SAVING-School officials and a demolition crew made an effort to save the name stone which crowned the old W.F. George High School here. With the aid of a mammoth crane supplied by Barbour Trucking Co. the landmark successfully was removed in four sections. The task took about an hour.

Council, board meetings are set

Regular meetings of the city council and school board will be held Monday and Tuesday, respectively, of next week.

Though final agendas are not required for either group until Friday, both had some items already scheduled to be brought up.

Among those items to be heard at the city meeting Monday, in the Texas Electric Service building, are:

- *Equalization board report and closing of the tax rolls;
- *Ordinance levying the taxes for 1976-77;
- *Rip Smith to appear before council;
- *F.M. Wilson to appear before council, subject closing portion of Third Street, as recommended by the Planning and Zoning Commission;
- *Actual use report on revenue sharing for the past year;
- *Minutes from the first meeting of the Parks Board.

At Tuesday's school board meeting will be the 1976-77 budget hearing and resignations and elections of school personnel.

To be held at the school administration building, the meeting is to start at 7:30 p.m.

Supt. Faris Nowell said the final budget was not completed as of presstime, but would be by the meeting night. Among those resigning is Greg Miller, junior high band director, who has accepted a teaching position at Roscoe. Several teachers and coaches, who have already been hired, must be approved by the board.

Junior high annuals to be issued Friday

Junior High annuals will be given out Friday from 7 to 9 p.m. at Texas Electric Reddy Room. Students who do not pick up their annuals at this time will receive them after school starts.

Regina Sargent, editor, stated that there would be a few extra annuals this year to be sold.

Police handle heavy caseload

Iowa Park police underwent one of the heaviest caseload weeks in the past number of months, as reports were filed ranging from catching juveniles in the swimming pool during closed hours to burglary and fraud by prescription.

Some \$1,400 in cash, checks and charge tickets were stolen Monday night from the E&S Exxon Station on East Highway.

According to the report filed by investigators, someone knocked out two windows on the east side of the building to gain entry, and fed two packages of sandwich meat to the watch dog inside to keep it occupied. Wrappers from two packages were found inside.

A bank bag was taken from its hidden location containing \$408 in

cash and change, \$191 in checks and \$701 in credit tickets. Bag, checks and tickets were later found in the parking lot of Kidd's Texaco on Johnson Road, but the money was missing.

About 6:20 p.m. last Thursday, a young woman identified as Debbie W. Smith received 40 Percodan tablets with a prescription supposedly signed by a Wichita Falls physician, from Settle Drug. The next morning, when the doctor was in his office, A.K. Settle telephoned him and learned that the prescription was apparently a forgery.

At 3:56 Friday morning, two 13-year-old Iowa Park boys were discovered at the Bicentennial Swimming Pool by patrolling officers. One was inside the fence and the

other outside. They explained they had been out walking and had wanted a soft drink from the pool's concession machine.

One of the youths was expelled from the pool four days later for fighting with another boy, causing a disturbance.

Attempts were made to gain entry into two school buildings, but both apparently were thwarted.

Patrolling officers found the door glass of the cosmetology and office vocations building at the high school campus broken while making their rounds Friday morning. Entry was not successful due to the locked door, however.

Tuesday, an 18-inch hole cut in a screen of the Bradford Elementary cafeteria window was discovered by

officers, but entry also was not gained.

Courtney Worthington, 600 E. Bank, told police Saturday of his discovery. Sometime between July 9 and that day someone had gained entry to his trailer house, plugged the bath tub and turned on water. Heavy damage was sustained by the bathroom and master bedroom floors.

Officers found the floor of the Davis Wash House flooded about 1 a.m. Tuesday, after someone had damaged a bathroom fixture, causing it to flood.

Mrs. Ed. Kissner, 805 E. Cash, told police that Carl Kissner had loaned a stereo to a friend who lived in a trailer park, and two weeks later the "friend" had moved to Missouri, taking the \$100 unit with him.

GARAGE SALES POPULAR

No business like junk business

By Lewis Simmons

GARAGE SALE--Thursday through Saturday. Clothing, bicycle, toys, dishes, furniture, stereo and lots of miscellaneous.

Those words are as tempting to some folks as popcorn at the picture show.

It's a small wonder somebody hasn't written a song, "There's No Business Like Junk Business." Redd Foxx of television's "Sanford and Son" could sing it.

An informal, unscientific survey conducted by The Leader uncovered the two primary reasons people go to garage sales: it's a good excuse to get out of the house, and there are some

fantastic bargains to be found.

Equally enticing is the opportunity to dicker over prices, a practice that has drifted into oblivion among modern merchants, save the tourist tempting markets of Juarez, Mexico.

Only at a garage sale, or its big brother the flea market, can buyers walk away with the satisfaction that they paid less than what the price tag quoted.

"You can go to garage sales just like you are. You don't have to dress up," said Bertha Weaver, a veteran garage sale shopper.

And you don't even have to have a garage to have a garage sale. The front yard serves the purpose just

fine.

Just set up a few card tables, string up some wire between two trees to hang up clothes and you're in business.

"My garage is full. Besides, it's really cooler out here," said Cleo Lewis, sipping ice water under a big shade tree as customers traipsed across her yard.

"Thursday is always a big day because people get the paper the minute it comes out," Mrs. Jerry Padgett allowed.

The classified advertising section of a newspaper is the garage sale shopper's road map.

Mrs. Padgett was quick to point out that the junk items sell the quickest. The first item she sold last week was a toy donkey with its ears missing.

"One person's trash is another person's treasure," Betty Haswell quipped.

Marsha Eaton, who was making the rounds with two other ladies and a car load of kids, said she goes to garage sales for the bargains to be found.

"Things aren't priced too high at garage sales," Mrs. Lewis added. "You get good items," she said, pointing to a boy's double knit sports jacket marked \$4.

"It's a good thing. Saves money for you and helps the feller who bought it in the first place but can't use it any more," Mrs. Lewis said.

In fact, there are very few items

that can't be found at garage sales--providing the buyer has the time, patience and a tank of gasoline.

A veteran buyer can make the rounds with \$5 and cart off enough stuff to fill a wheel barrow.

And contrary to popular misconception, it's not only women who go to garage sales.

There's not a male newspaper reporter around who could have passed up that notebook priced at two bits.

Johnston-Blaylock nuptials recited here Friday night

Miss Dena Gaye Johnston, daughter of Mr. and Mrs. Melvin J. Johnston, Route Two, Iowa Park became the bride of Mikel Tobias Blaylock, son of Mr. and Mrs. Perry Blaylock of Wichita Falls in a ceremony Friday at seven o'clock in the evening performed in the First Christian Church. The Rev. Keith D. Pierce, pastor, was the officiant for the double-ring nuptials.

Vows were exchanged before a large pedestal arrangement of yellow and white gladioli backgrounded by the altar table holding single white candles burning in gold holders. In the

foreground of the rostrum stood seven-branched white wrought-iron candelabra appointed with white satin bows holding slender white candles. Family pews were marked with yellow satin bows on leather leaf greenery.

Nuptial music was provided by Mrs. B.G. House, organist, and Mrs. Jerry Thomas, soloist. For the pre-nuptial music, the organist presented "Our Wedding Prayer", "The Prayer Perfect", "These Praying Hands", "God's Greatest Gift" and "Oh, Promise Me". She accompanied Mrs. Thomas for her selections,

"The Wedding Song" and "The Lord's Prayer" and played the traditional wedding marches by Wagner and Lohengrin.

Given in marriage for both parents by her father, the bride wore a formal gown of white bridal satin designed with an Empire waist, long sleeves and full skirt that formed a chapel train. Her full length mantilla veil was worn by her sisters, two of her attendants, to complete their wedding ensembles. She carried a bouquet of yellow and white daisies and carnations showered with baby's breath and dainty white satin ribbons.

The bride wore her mother's diamond necklace for "something old", her veil was the "something borrowed" and her garter was "something blue". Before leaving the church after the minister had introduced the couple as Mr. and Mrs. Mike Blaylock, they paused by their mothers to present them with yellow roses snuggled in the bride's bouquet.

Mrs. Gary Stevens of Tyler, sister of the bride, was matron of honor. Mrs. Chester Lockard of Wichita Falls, another sister, and Mrs. Patricia Tatom of Wichita Falls, sister of the groom, were bridesmaids. They were attired in identically styled long yellow glossy satin gowns set apart with sleeveless Empire waists. They wore smart yellow picture hats and carried single long-stemmed white carnations centered with yellow mums.

Little Miss Tracy Thompson of Wichita Falls, the flower girl, wore a yellow daisy print frock and a snug bonnet and carried yellow and white daisies in a white basket. Walking by her side down the aisle to the altar was Donald Stevens of Wichita Falls, the ring

bearer, clad in a white tuxedo and yellow shirt.

The groom chose an all white tuxedo trimmed in black velvet with which he wore a white ruffled shirt also trimmed in black. The best man, groomsmen, ushers and candlelighter wore yellow tuxedo jackets and shirts with black trousers.

Gary Stevens of Tyler was best man. Charles Lockard and Kelly Stevens were groomsmen and the ushers were Michael Phillips and Charles Bosley. Timothy Tatom, nephew of the groom, lighted the candles.

Mothers of the bride and groom wore white gardenias with their formal costumes. Mrs. Johnston wore a green crepe dress and Mrs. Blaylock chose a two-piece flowered jersey in almond and brown tones.

The bride was graduated from Iowa Park High School where she belonged to A Cappella Choir, Student Council and Thespians. She attended Midwestern State

University and is employed at First Wichita National Bank. The groom, a graduate of Wichita Falls High School, attended Texas State Technical Institute at Waco and is employed as timekeeper by Daniel Construction Co.

The wedding reception was given by the bride's parents in the Fellowship Hall of the church where yellow and white colors lent inspiration for decorations.

The long refreshment table was draped to the floor with yellow chiffon over yellow taffeta graced with a narrow self-ruffle around the top. A tall five-branched antique silver candelabrum holding white candles and the bride's lovely bouquet formed the centerpiece. The three-tiered cake at one extremity claimed special attention in the table setting. Decorated with soft yellow confections roses, white scrolls and garlands, the third tier was raised by Grecian pillars to provide space for a miniature bridal

couple to stand on the second layer. Yellow satin bells outlined with pearls and filled with lilies of the valley adorned the top of the confection. Crystal serving pieces were additional table appointments.

The round table where guests registered in the bride's book featured a cloth like the one on the refreshment table, a basket of white and yellow daisies, chrysanthemums and phlox tied with a yellow and white checked bow, and feather pen. Miss Gisele Farmer presided at the table.

Mrs. Jake Massey, Mrs. Elwood Johnston, Miss Carolyn Hallford served refreshments to the guests. Assistants were Mrs. Pat Kenedy and Miss Denise White.

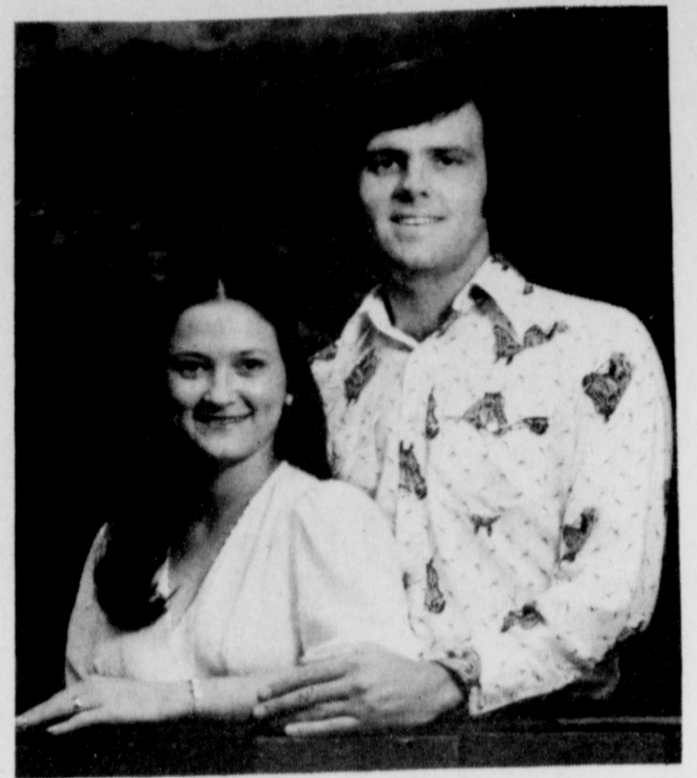

The bride's traveling ensemble for their wedding trip to San Antonio consisted of apricot pants, tank top and sheer blouse. They will live in Wichita Falls.

The rehearsal dinner was hosted by the groom's parents Wednesday evening in the home of Mrs. Lila Tatom in Iowa Park, who was assisted by Mrs. Jack Hodges in serving the meal.

Yellow and white checked gingham cloths and yellow and white daisies arranged in replicas of old-fashioned water pitchers and bowls characterized the table where the prospective bride and groom sat in the dining area and the quartet tables set up in the "room of yesteryear".

In the latter room completely furnished with furniture of an earlier period, bouquets of daisies were used on top of the old wood range, in an old straw hat banded with yellow and white checked gingham on the television and on the fireplace mantel. On either side of the hearth were end tables centered with bouquets of yellow and white strawflowers.

Decorations in the living room were highlighted with an antique brass pot and crystal basket filled with daisies.

"I'm trying to use less electricity this summer, so why is my bill still higher?"

UNDERSTANDING YOUR ELECTRIC BILL

We know your electric bill is probably higher this summer—a lot higher—than it was last year. Even though you're making an honest effort to conserve electricity by doing things like turning lights off, raising your air conditioning thermostat and checking filters regularly.

A higher electric bill isn't much of a reward for that kind of effort. But, we want you to understand the reasons for it, and why it's important to continue using electric energy wisely.

The main reason for higher bills is that it's costing more to make electricity. Our rates had to be increased early this year.

On top of that, fuel costs have gone up—although Texas Electric has been able to keep these increases to a minimum.

We'll continue doing everything we can to keep increases in your electric bills as low as possible. But it's just as important that you keep conserving electricity as much as you can.

For a free copy of our newest booklet on how to save electricity, give us a call. Or request one on the comment portion of your bill.

Tutcher-Duerson wedding vows repeated

The Rev. Benny A. Boyd of Wichita Falls was the officiating minister for a noon wedding Saturday in the Lake Oak Shores Club House at Lake Nocoona uniting in marriage Miss Marilyn Susan Tutcher and Michael Lee Duerson.

The couple's parents are Mrs. Willard Frye of Wichita Falls and Tillman Tutcher of San Antonio and Mr. and Mrs. Donald L. Duerson of Iowa Park.

For the wedding, the club house was decorated in bouquets of daisies and mums in the shades of yellow and rust and the couple stood before double arrangements of large white daisies and mums for the recitation of their vows.

The bride's father gave her in marriage. She wore a floral A-line full length halter-top dress and wore a wide brim white straw hat banded with rust and white lace ribbon. She carried a basket of daisies and baby's breath.

Miss Nancy McKinley was maid of honor and Mrs. Billy Whitson was bridesmaid. They wore long floral dresses emphasizing the yellow and rust colors and carried white daisies tied with yellow ribbons.

Don Duerson, father of

the groom, was his best man and Ronnie Duerson, his brother served as groomsman.

The bride, a graduate of Burkburnett High School, is employed by Bethania Hospital, and the groom, who was graduated from Iowa Park High School, is employed by Wichita Falls Builders Supply Co.

The parents of the couples hosted the reception in the Oak Shores Club House following the wedding. The bride's and groom's tables were covered with yellow lace and the cakes were the center on interest. The

three-tiered bride's cake was decorated with yellow and white accents and topped with white doves and the same kind of birds were used on the chocolate groom's cake. Each table held a crystal punch service.

Reception assistants were Misses Vicki Spitzack of Fort Worth, Staci McKinley, Sherrie Tutcher and Mrs. Steve Dethridge.

The bride's grandmother, Mrs. W.B. Popham of Wichita Falls, and Miss Carla Morris of Hurst secured signatures of guests at a table laid with yellow chiffon and lace holding a

bud vase of small daisies and baby's breath to harmonize with the yellow and rust bride's book.

Following the reception, the groom's parents were hosts at dinner, boating and swimming and at a breakfast Sunday morning for all family and friends who spent the night.

Out-of-town guests were Messrs. and Mmes. Dale Spitzack of Fort Worth, Larry Frezon of Lawton, Okla., Paul Morris of Hurst, J.H. Johnson of Houston, Roy Popham of Dallas, Richard Popham and Robert Popham of Austin and Mrs. Mary Tutcher of San Antonio.

LIBRARY NEWS

Several of the new books at the Iowa Park Library will be of special interest to nursing students and others interested in the profession, according to Mary Bludnick, librarian.

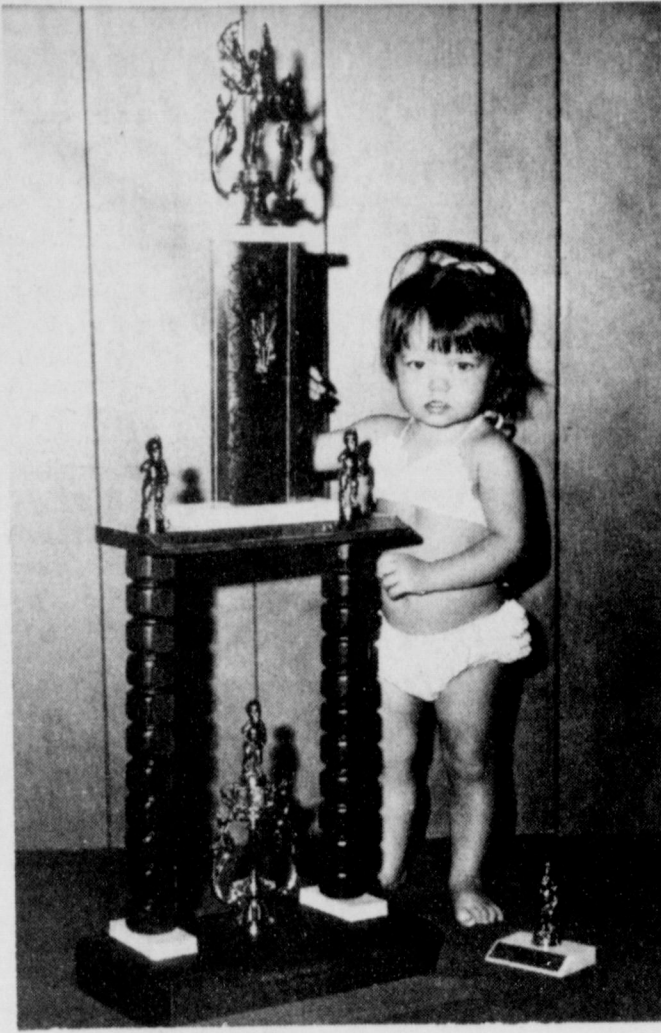

These include: Professional Career Examination Series, Medical-Surgical Nursing, Nursing Comprehensive Exam, Review-Horemis and Matamors and Mosley's Comprehensive Review of Nursing.

Other new books are Motors and Engines and How They Work by Harvey Weiss and CB Radio Operators' Guide by Robert M. Brown and Paul L. Dor Weiler.

Senior Citizens

Nine members of Senior Citizens and one guest, Mrs. S.T. Buzzard, were present for the Senior Citizens luncheon Monday. Games provided entertainment during the afternoon.

Members attending were Mr. and Mrs. J.A. Berg, Mmes. Shirley Trimm, Myrtle Travis, Hester Hofer, Nell Sisk, Cleo Hines, R.L. Good and Ed Hayes.

SUPREME PRINCESS Angela Harris, one year and four months old daughter of Mr. and Mrs. George Harris, was named Supreme Princess in the 1976 Baby Pageant and Diaper Derby conducted by the Pythian Sisters Lone Star Temple at Memorial Auditorium recently. She was first place beauty winner and first runner up for Little Miss Wichita Falls.

Mr. and Mrs. Tommy Birdett of Wichita Falls announce the birth of a daughter, Cynthia Ann, July 8. She weighed seven pounds, five and one half ounces. She has a sister, Katherine Melissa (Lisa) who is two years old.

The grandparents are Mr. and Mrs. Bob Birdett of Iowa Park and Mr. and Mrs. Henry D. Gore, Sr. of Carrizo Springs. Great-grandparents are Mrs. Marie Birdett and Mrs. Ethel Coen of Wichita Falls, Mrs. J.M. Gore of Olney and Mrs. Martha Wise of Abilene.

VOE students needing jobs

Mrs. Bennie Medlinger, coordinator for Vocational Office Education, has stated that she needs several training stations for VOE students in office or clerical work.

The students will need to work 15 hours per week, either morning or afternoon, and Mrs. Medlinger will be able to get student learners permits which will enable employers to pay sub-minimum wages, approximately \$1.75 per hour.

For further information, call Mrs. Medlinger at the Iowa Park High School, 592-2144.

Mrs. LaVerne Slaughter is announcing the engagement of her daughter, Lea Ann, to William Anthony Bennett, son of Mr. and Mrs. Allan W. Bennett.

The couple will repeat vows November 27th at Faith Baptist Church.

Miss Slaughter is a 1973 graduate of Iowa Park High School. During her senior year, she received the Sterling Silver Homemaking Award, FHA outstanding member award, and Who's Who Among American High Schools.

She is currently a senior Family Relations Home Economics major at Texas Tech University where she is a candidate for December graduation. While at Tech, she has served as president of the Home Economics Council, secretary of the American Home Economics Association and state historian of the Texas Home Economics Association.

Miss Slaughter is also a member of National Council of Family Relations, Texas Tech Board of College Councils and Techans. She is the recipient of the Margaret W. Weeks scholarship given by the Texas Tech Home Economics Alumni and is employed by Pillow Talk in Lubbock.

The future groom was also graduated from Iowa Park High School in 1973 where he was active in marching and stage bands and choir. During his senior year, he was in the All-Senior Honor Band at East Texas State University. He was graduated from Aeronautical Technical Institute in Wichita Falls, and has his second class Federal Communication Commission license. He has a degree in Avionics Electronics and is currently employed as an electronics technician at Texas Instruments in Lubbock.

Grandparents of the couple are Mr. and Mrs. H.L. Payton and Mr. and Mrs. Carl Sullivan of Iowa Park, Mrs. T.A. Allison of Wichita Falls, G.V. Slaughter of Yucca Valley, Calif. and Mrs. Henrietta Bennett of St. Petersburg, Fla.

As I See It....

by BOB HAMILTON

Well, it's back to the drawing board for a presidential candidate who fits the bill for us conservatives.

Someone apparently led Ronald Reagan astray with some fatal advice, when the former California governor chose to name Sen. Richard Schweiker of Pennsylvania as his running mate.

The move was obvious: to attract the uncommitted Republican delegates from that state, and to offer a broader based appeal to the public.

But the base was too broad, for most conservatives.

Schweiker is just left of those who write all the policy manuals for HEW, HUD, Democratic Party and the AFL-CIO. He is a carbon copy of George McGovern.

To a conservative, Reagan's action amounts to the biggest political blunder in the nation's history. He might have been forgiven for spitting on the flag, cursing motherhood and praising abortion, but naming an ultra liberal as his running mate just drove the nail in his political coffin.

For those of us who had not given serious consideration to Gerald Ford, we've got to go back and make some detailed study into his conservatism leanings. And, of course, we want to know who his running mate will be as well.

Jimmy Carter's hands are tied with his party's platform. If he lives up to his pledge and works for the enactment of the platform, the

Band practice

Pre-school band will be held for all Iowa Park High Hawk band students Aug. 9-13. Freshman and new band students will attend from 9 a.m. to 12 noon and 9th through the 12th grade band students will attend from 6 p.m. to 9 p.m.

Full band rehearsals will be held for two weeks Aug. 9-20 followed by a concert Aug. 20 at 7:00 p.m. in the city park.

The band director, David Mooney, reminds students that it is very necessary for them to attend as many rehearsals as possible to insure a successful year.

extreme liberal views will come into focus. For instance, the party is working for free medical care for everyone which means runaway federal spending, it wants to abolish the right to work amendment which forbids requirement of membership in a union to hold a job, and those who don't or won't take a job should be employed by the federal government (which is about what we have now).

I do appreciate Reagan's naming of his choice before he won the party's nomination, as I have encouraged this for years.

In fact, long ago I called for each nominee to name his entire cabinet choices before the general election. It is obvious that the cabinet heads make more policy decisions than the president, and this would give the voters more of an insight into what they were voting on than we now have.

But if Reagan doesn't drop his original choice for a vice president on his party's ticket, it's for sure he won't have a chance to name a

cabinet, before or after the general election.

Letters to the Editor

This letter is not to stir your emotions but to cause you to see the effect of alcohol in the life of an individual.

I moved, with my young wife and new baby, to Iowa Park many years ago when the town was wet. I was my own boss with no one here to warn me but my precious wife, and I would not listen. I began to go to the joints after work and at night. Only by the grace of God did my wife and baby stay with me. I, in a few words, became a drunk.

I followed construction work, drinking and making my family and everyone about me miserable.

In 1956 I was saved by God's wonderful grace. In 1958 God called me to preach the gospel. I have been privileged to pastor several churches in Texas in the past nineteen years.

The things I have seen in those years have broken my heart and caused me to see the evils of alcohol. Many, many times in the last nineteen years, I have been called into homes where the wife was bruised and beaten, the children scared to death, and a drunken husband was the cause of it all.

I have watched loved ones and friends destroy themselves by the use of alcohol. I saw my own brother-in-law kill himself with drink. My own nephew almost destroyed a great career and a wonderful home, and there are homes even closer than these on the verge of destruction.

Mrs. Trammell is named local CF drive chairman

Mrs. George E. Trammell has been named chairman in Iowa Park for the September Breath of Life Campaign of the Cystic Fibrosis Foundation by William B. Henley Jr., president of the North-East Texas Chapter.

As chairman, Mrs. Trammell will be responsible for recruiting volunteers for a public education program and door-to-door drive.

According to Henley, a Dallas attorney, little more than 10 years ago the Cystic Fibrosis Foundation was working to keep CF youngsters alive long enough to start school. But today, because of earlier diagnosis and advances in research and care, half of these same patients have grown to young adulthood. "It is progress such as this that is supported by volunteering and contributing to the Breath of Life Campaign", he pointed out.

Roberta Peters, internationally known opera star and National Campaign Chairman for the Cystic Fibrosis Foundation urges: "When a CF Breath of Life marcher knocks on your door, give as generously as you are able. Remember that even today, with the improvements research and care have brought, there is no cure for this inherited disease. It is still destroying lungs, digestion and lives."

The Cystic Fibrosis Foundation supports over 100 CF Centers across the nation, five of which are in Texas. These Centers provide diagnosis and treatment for children who have CF and other lung-damaging diseases. The Foundation also finances research to find a cure and improved control for cystic fibrosis, the most serious of the lung-damaging diseases, and to develop better treatment for children suffering from all disorders.

Cystic fibrosis is the number one genetic killer of children. It affects one out of every 1,500 babies born each year and occurs when a child inherits one carrier gene from each parent. The

parents do not have cystic fibrosis, but they are among the 10 million carriers of the gene in the United States.

One goal of Foundation-supported research is a test to detect these carriers. "We don't need more

reasons than these to actively support the Breath of Life Campaign" says Miss Peters.

Obituaries

T.M. Black

Funeral services for T.M. Black, 88, who died at his home Tuesday morning, will be at 10 a.m. today at the Church of Christ with Carl Hecker, minister, officiating. Burial will be in Highland Cemetery under direction of Tanner-Aulds Funeral Home.

Deacons and elders of the church will serve as pallbearers. A former owner and operator of Black's Grocery and Market, he was born April 13, 1888 at Alvord and married Lucy Phillips Aug. 4, 1912 at St. Jo. Following their marriage, he owned and operated a bakery at St. Jo, and later went to work at Muscle Shoals in Alabama where he stayed until after the Armistice was signed at the end of World War I.

Mr. and Mrs. Black moved to Iowa Park in 1919 where they owned and operated the Iowa Park Cafe for the first year. He then became associated with Baxter and Reaves in the grocery business, and later with D.O. and M.L. Smith for about four years. Before

starting Black's Food Market which he operated for 30 years until it was destroyed in a devastating fire April 1, 1958, he worked for Herman Kight and the late Annie Reaves and operated the meat department for Carl Hoffman and Floyd May.

Mr. Black was a deacon of the Church of Christ 40 years and taught a Sunday School class. He was a former city alderman and member of the Chamber of Commerce. A lover of music, he organized a band for Liberty Oil Co. and a male quartet that was in demand to provide entertainment for several years.

Survivors are his wife of the home; a daughter, Mrs. Roy Maddox Jr. of Clinton, Miss.; a daughter-in-law, Mrs. Helena Black of Iowa Park, widow of the couple's son, Willom, who died in 1968; three sisters, Mrs. Johnnie Flippo of Fort Worth, Mrs. Edna J. Christian of Siloam Springs, Ark. and Mrs. Lilly Cox of Longview; three brothers, Joe, Ross and James, all of Fort Worth; six grandchildren and three great-grandchildren.

Hawks to start workouts Monday

Iowa Park Hawk varsity and junior varsity football players will begin two-a-day workouts Monday, according to new head coach Pat Tone.

Athletes were issued shoes and socks yesterday, and are running on their own the balance of the week.

They are to report to the field house Monday at 7 a.m. Following about an hour session inside, Tone said the players would start workouts in shorts.

Freshmen will receive their shoes and shorts Thursday of next week and get their pads the 17th.

Junior high players will receive their equipment the first day of school.

The following Friday, players will get their first taste of contact, as that is the earliest date players are allowed to put on their protective padding, according to the University Interscholastic League rules.

That gives the players a week's workouts before their first pre-schedule scrimmage, which will be either the 19th or 20th of August at Lawton, against

Lawton Ike. The other scrimmage will be a week later against Bowie.

Tone said he was not sure what time afternoon workouts would be held, but said it might be at 5 p.m. for an hour inside, and then hit the grass about 6.

The new mentor said he had no idea how many players he could expect to turn out, explaining he would just have to wait.

Besides not knowing how many players would be back from last year's 0-10 varsity, Tone doesn't know how many who do show up will be ready for practice.

He said he had received word that at least three were recovering from injuries. Bobby Collins received a serious cut on his ankle from a rope while water skiing; Johnny Bentley reportedly lost the end of a finger in a mechanical mishap; and

Kevin Hamilton underwent surgery Tuesday to remove a bone chip from his wrist as

result of a baseball injury last spring. One thing is for sure, Tone

expects to have a representative team, fresh with an entirely new offensive and defensive look, by the season opener against Lawton High on Sept. 2.

The complete varsity schedule is as follows:
 Sept. 2 - Lawton, t
 Sept. 9 - Hirschi, t
 Sept. 17 - open
 Sept. 24 - Azle, h
 Oct. 1 - Stephenville, h
 Oct. 8 - Burkburnett, t
 Oct. 15 - Weatherford, h
 Oct. 22 - Brownwood, t
 Oct. 29 - Mineral Wells, t
 Nov. 5 - Vernon, h
 Nov. 12 - Graham, t

HEAD COACH PAT TONE ...skultalk with new staff.

Tournament dates given

The Iowa Park Tennis Association Tournament will be held August 13, 14, 15

and the deadline for entering will be August 10th, according to the tournament committee. Those interested in participating are urged to join the association now so that they will be eligible.

The entry fees will be \$3 for singles and \$6 for doubles. Balls will be furnished by the association.

The divisions will be: men's and women's, singles 12 under; 13-15; 16-20; and men's and women's open; Doubles: both men and women, 15 under, 16 older, and mixed doubles.

Top of Texas signup slated

The Top of Texas kid football will have sign ups Saturday between 10 a.m. and noon at the county tax office, 220 W. Park, according to Gordon Griffith.

Coaches will be present to sign up the players and to talk to the parents, and players will be given release and medical forms. All players who have not played before must bring their birth certificates to have them verified before the first game which will be Sept. 4.

The league will furnish pants and jerseys for the players.

The age limits are: Pee Wee League - players must be eight years old but cannot be 10 before Sept. 1; Midget League - players must be 10 years old and cannot be 12 years old before Sept. 1.

SHOCKING!

Gardening experts point out that one of the commonest faults is mowing your lawn too seldom. In such cases the grass suffers a much greater shock because so much more is cut off at one time.

Funds available for some youths for swimming

Funds are available to pay swimming fees for underprivileged children to the Bicentennial Swimming Pool, according to City Administrator Gene Britton.

Some \$300 is available through the Department of Health, Education and Welfare (HEW) to be used by eligible children between ages of 8 and 13, Britton said.

Eligibility is basically the same as the plan for free lunches in the public schools, explained the city administrator.

Applications for swim fee assistance are available at the city hall.

TOPS AT CAMP - Ricky Blair, left, and Mark Stucky were the only two musicians attending the West Texas State University band camp at Canyon recently, attended by over 1,200 from some five states, who were named first chair in the honors band. Additionally, both were first chair in the orchestra, and Blair was also chosen for the stage band. Both will be seniors at Iowa Park High this fall.

Option seat sales start

Season football sales for option seat holders only are now open, and will remain on sale until Aug. 31, according to Bob Dawson, high school principal.

Option seat holders are those who contributed in some way to the construction of Hawk Stadium in 1970, and have continued to renew their options each year by purchasing season tickets.

By maintaining their options, the holders are assured of having the same seats each year.

Season tickets will go on sale to the general public between Aug. 31 and Sept. 24, which is the first home game.

With four games here this year, a book of tickets is \$8. Games to be played here include Azle, Stephenville, Weatherford and Vernon.

Tennis players sign Wednesday

All junior high school students interested playing tennis next year are asked to be at the high school tennis courts Wednesday at 8:30 a.m.

The purpose of the meeting, according to Dick Wineinger, tennis coach, will be to determine which students will be placed in the tennis class for junior high.

Farm Bureau queen contest next week

The 1976 Wichita County Farm Bureau Queen Contest and Talent Find will be held Aug. 12 at First United Methodist Church Fellowship Hall in Iowa Park.

Mrs. Carolyn Gary, banking officer with First Wichita Nat'l Bank, Wichita Falls, will serve as mistress of ceremonies. The contest will begin at 8 p.m. Contestants to be judged on appearance, poise and personality are: Amy Ludeke and Cindy Bavousett from Burkburnett; Charla, Debbie, and Janell Dwyer and Lyn Morton from Wichita Falls, and Laura Klinkerman and Patricia Peterson from Iowa Park.

Mrs. Norman Roberts, contest chairman, will be assisted by Mrs. Fred E. Dwyer and Mrs. William Morton.

Winner of the Queen Contest and Talent Find will compete at the district contest to be held Aug. 26 in

the Iowa Park High School auditorium.

1975 Queen Connie Williams of Iowa Park will crown the new queen. A

reception will follow the crowning of 1976 queen. The public is invited, and no admission is charged.

Corporation Court Records

Results of corporation court held here last week were: Benito Guerra, public intoxication, \$25; Homer McDonald, expired inspection sticker, \$10; Patrick Bednorz, wrong or unclear number plates, \$25; Patrick Bednorz, no inspection sticker, \$25; Danny Collazo, speeding, \$18.

18 wrecks are reported

The Texas Highway Patrol investigated 18 accidents on rural highways in Wichita County during the month of June, 1976, according to Sergeant W.R. Gardner, Highway Patrol supervisor of this area.

These crashes resulted in 10 persons injured.

The rural traffic accident summary for this county during the first six months of 1976 shows a total of 99 accidents resulting in four persons killed and 51 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for June, 1976, shows a total of 549 accidents resulting in ten persons killed and 336 injured, as compared to June, 1975, with 572 accidents resulting in 25 persons killed and 355 persons injured. This was 23 less accidents, 15 less killed, and 19 less injured in 1976 at the same period of time.

Hundreds attracted to show

Holliday played host to hundreds of artists and art connoisseurs last weekend during the 20th annual Holliday Art Show.

The two-day show, which has become acclaimed as one of the best "little" art shows in the North Texas and Southern Oklahoma area, was climaxed Sunday by a bicentennial program.

Ruby Robertson emceed the program, and Mayor Leo Chappell gave the welcoming address.

Accompanied by Erma Barton on the piano, Pat Holt sang a trio of patriotic songs and was joined by the audience in singing "The Star Spangled Banner."

State Rep.-elect Charles Fennell delivered the keynote, tracing the history of the art show which began under the auspices of Mrs. Barton in 1956.

Mrs. Barton, who continues as chairman of the annual artistic event, began the show as a clothesline operation, Fennell said.

Fennell praised the work of the Holliday Art Committee and applauded the artists, who contributed more than 250 works to the weekend show held in the Holliday school cafeteria.

Kay Lucy presented a dramatic reading about the Liberty Bell and its impact on America.

Jack Lofton, chairman of the Archer County Historical Society, gave a historic talk.

Mrs. Barton and Fennell

presented awards to conclude the program.

The "People's Choice" award went to Nomi Mehan. Milda Debels of Wichita Falls took sweepstakes in the adult division.

Julie Lundin of Chicago was tapped top youth artist at the show.

Pam Rogers of Holliday was first in the children's division.

Margaret Phillis of Wichita Falls was honored as the best novice.

Each received a trophy.

Among the 250 entries, those who received first place ribbons in their divisions included Betty

Dearen, watercolor; Myrtle Bowers, still life; Sharon Crews, graphics; Mrs. Loyd Cokendolpher, contemporaries; and Margaret Phillis, novice.

First place was taken by Ivan Davidson in sculpture; Erma Barton, pastels; Momi Mehan, oil portrait; Mrs. Loyd Cokendolpher, oil landscape; Nilda Debels, oil

still life; Nomi Mehan, acrylics; and Milda Debels, still life.

Other blue ribbon winners were Kim Blankenship, children; Debbie Goodman, needle point; Julie Lundin, ceramics; Mrs. M.A. Erwin, crochet; Mildred White, original crafts; Joyce Brown, miscellaneous; and Pam Rogers, watercolor.

Possible hike in water rates

Holliday City Council is expected to discuss the possibility of hiking water rates here when it meets in regular session at 7 p.m. Tuesday at Holliday City

Hall.

Councilmen also are slated to discuss a new appointment to the city judge's post.

Holliday News

Summer slumbering school to start awakening Monday

Where has summer gone? That will be the question puzzling students, teachers and administrators of the Holliday school system when they begin cranking up next week for another school year.

First item on the agenda is high school registration slated for next Monday through Friday.

Freshmen will report for registration Monday from 9 a.m.-noon and from 1-3 p.m. Sophomores will register Tuesday during the same hours.

Juniors will register Wednesday, again, from 9 a.m.-noon and from 1-3 p.m.

Seniors will register during the same hours on Thursday.

Friday will be reserved for late registration. Any high school students, who failed to register on the day set aside for their class may register on Friday from 9 a.m.-noon and from 1-3 p.m.

Also on Monday, football players will be reporting for two-a-day workouts while band students will begin their pre-school morning practice sessions.

Trustees slate Monday meeting

Holliday school trustees are slated to meet in regular session at 7:30 p.m. Monday at Holliday High School.

At a recent called meeting, the board voted to establish the second Monday of each month as its regular meeting date. Regular time will be 7:30 p.m.

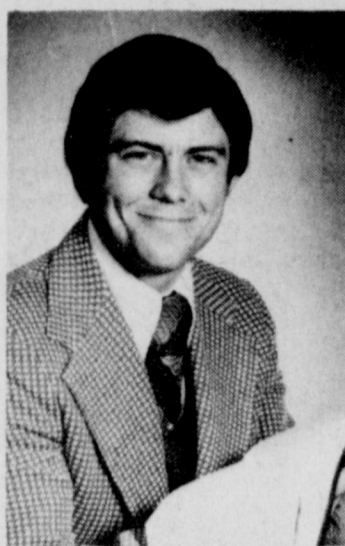

Holliday teachers will report for duty Aug. 16 through Aug. 19 for preparation work days.

Then at 8:15 a.m. Aug. 20 all students in Holliday school will report for enrollment in the old gymnasium.

A teachers work day will follow on Aug. 23.

First day of classes at Holliday is scheduled for 24.

But for those students and teachers who find it disheartening that summer seemed so short-cheer up. The first holiday of the year falls on Sept. 6, two weeks after classes begin, offering a final summer fling during the Labor Day weekend.

REV. DOUG HOOKER

Church slates youth revival

A Youth Revival is scheduled at Faith Baptist Church August 8-11 at 7:30 p.m. each day.

Rev. Doug Hooker, pastor of the First Baptist Church at Chillicothe, will be the preacher, and Dale Miller, music coordinator for Grapevine Public Schools, will be in charge of the music.

Rev. Hooker is a native of Amarillo and has held revivals in this area. He has also served as camp pastor at Chapparral Baptist Encampment.

Dale, son of Mr. and Mrs. Jim Miller, was reared in Iowa Park, having graduated from W.F. George High School in 1969. He attended East Texas State University on a music scholarship,

graduating in May 1973. He has been directing church music since his senior year in high school and is now serving in that capacity at Irving. He is married to the former Nancy Thompson of Bonham and they have one son, Jeff, two and a half years old.

Cook of the Week

There comes a time in the lives of most cooks when they are afflicted with cooking doldrums which calls for something different. This is likely to happen in the preparation of main dishes, vegetables, salads or desserts. When this occurs with desserts which have to look good and taste good, how about trying Mrs. George Harris' Orange Baked Alaska?

The recipe sounds like the dessert must be a culinary masterpiece and the perfect answer to something out of the ordinary. In fact, the Foil Grilled Peppers and Squash Gourmet shared by the young housewife and mother sound like they would have all of one's friends asking for the recipes.

Mrs. Harris, a resident of Iowa Park since October 1976, has a firm conviction that her true career is that of a homemaker, wife and mother. She feels that she and her husband, who is a certified welder for General Mfg. Co., should have a true Christian home for their daughter, Angela, one year and four months of age, and for any other children that they have and to give them love and security.

Mrs. Harris, the former Glenda Hightower, is the daughter of Capt. and Mrs. H.D. Hightower of Corpus Christi. Her father is with the Texas Highway Patrol. She was graduated from Rider High School and worked at Longhorn Chevrolet in Wichita Falls while she was in high school. The couple attend the Western Hills Baptist Church in Wichita Falls where they are members.

ORANGE BAKED ALASKA

1 pint orange sherbet
3 oranges
3 egg whites
1/4 t cream of tartar
1/4 cup sugar
Scoop sherbet into six balls and freeze until very firm. Cut oranges crosswise

in half. Remove fruit and membrane and line each shell with fruit. Chill.

Heat oven to 500°. Prepare meringue. Place orange shells on ungreased baking sheet. Fill each shell with sherbet ball and seal with meringue. Bake 2 to 3 minutes.

FOIL GRILLED PEPPERS

Cut thin slice from stem ends of six medium green peppers; remove all seeds and membranes.

Mix: 1 (15 oz.) can chili beans, drained
1/2 cup whole kernel corn
3/4 cup catsup

Lightly stuff each pepper and wrap in heavy duty foil. Cook on medium coals for 15 to 20 minutes.

SQUASH GOURMET

3 lbs. squash
2 T butter or margarine
1 cup dairy sour cream
1/2 cup finely chopped onion
1 t salt
1/4 t pepper

Cut squash into serving pieces; remove seeds and rinds and cut into cubes. Heat 1 inch salted water, adding 1/2 t salt to 1 cup water, to boiling. Add squash. Cover and heat to boiling. Cook 15 to 20 minutes or until tender. Drain.

SUMMERTIME PICNIC RELISH

1 cup chopped onion

1 cup chopped green pepper
2 T salad oil
4 firm medium tomatoes, peeled and chopped
2 T vinegar
1/2 t salt
1/2 t sugar
1/4 t dry mustard
1/8 t pepper

In large skillet, cook and stir onion and green pepper in oil over medium heat until onion is tender. Stir in remaining ingredients; heat to boiling. Cool. Cover and refrigerate several days.

GOLDEN BAKED CHICKEN

2 chicken breasts, halved
4 t soft butter or margarine
1 to 2 T instant minced onion
1/2 t garlic salt
1/4 t paprika
2 T snipped parsley
Heat oven to 425°. Remove skin from chicken and place in ungreased baking dish. Spread 1 teaspoon butter on each piece; sprinkle with onion, garlic salt and paprika. Bake uncovered 30 to 35 minutes or until tender, then sprinkle with parsley.

FRESH STRAWBERRY PIE

1 - 9 in. pie shell
6 cups strawberries
1 cup sugar
3 T cornstarch
1/2 cup water
Red food coloring
1 pkg. (3 oz.) cream cheese, softened
Bake the pie crust and let cool.
Mash enough strawberries to measure one cup. Stir together sugar and cornstarch. Gradually stir in water and crushed berries.

Cook over medium heat, stirring constantly until mixture thickens and boils. Boil and stir one minute; stir in a few drops of red food coloring, then cool.

Beat cream cheese until smooth; spread on bottom of cooled pie shell. Fill shell with remaining berries; pour berry mixture over top. Chill at least 3 hours. Decorate by putting strawberries on top.

SWCD election slated Aug. 14

An election will be held August 14 at 9 a.m., at the Friberg-Cooper Community House to elect a Director for Subdivision 3 of the Wichita Soil and Water Conservation District.

In general, the boundaries of Subdivision 3 are: U.S. Hwy 287 and the Wichita River on the south, FM Hwy 369 and County Road on the west, Red River on the north and the Clay County Line on the east.

To be eligible to vote in this election, a person must own agricultural land within the Subdivision and reside in the Subdivision. The person must be at least 21 years of age. Both husband and wife are eligible voters.

Fred Dwyer is the current director in Subdivision 3.

Covered dish meal slated

Holliday Booster Club will sponsor a covered dish supper at 8 p.m. Aug. 13 at the Holliday school cafeteria.

The annual fete is a pre-season festivity to the coming football season and is open to the public.

There will be no charge to attend, but each family is asked to bring a covered dish contribution to the community meal.

CANCER WORKERS--State Rep.-elect Charles Fennell of Holliday, left, visits with fellow area delegates Mrs. William Huff of Wichita Falls and Mrs. Ruth Calloway of Jacksboro at the 31st annual meeting of the Texas Division of the American Cancer Society. Fennell is director-at-large of the District 13 American Cancer Society. The annual meeting was held in Dallas.

Eagles pegged as repeaters

The eyes of Texas Football magazine are on Holliday, and the magazine's oddsmakers have the Eagles pegged for a return to District 13-A dominance.

But don't believe everything you read. The same publication has Archer City tailback Danny Alexander listed among

Holliday's returning starters.

Among Holliday's heavy weights to return to the gridiron this fall will be Bob Gilmore, Larry Veal, John Ruby, Clay Carver, Larry Ayres, Lynn Ayres, Gary Dolberry, Clark McDaniel, Andy Barton, Randy Berryman and Danny Mayfield.

Coming off an 11-2 assemblage and Class A regional championship, the magazine has Holliday to finish fifth in the state for the bicentennial season.

From the district competition standpoint, Texas Football sees Holliday on top, trailed by Muenster and

neighboring rival Archer City.

Eagle band meeting set

Pre-school practice for Holliday's marching Eagle band will begin Monday, according to Dwade Reinsch, band director.

Practice sessions will be from 8 a.m. until noon. Reinsch requests that musicians in the eighth grade through seniors report to the practice sessions.

Hodge receives camp citation

Holliday High School senior Jon Hodge was one of four students to receive citations for excellence at a band camp at Texas Tech University at Lubbock. The award was given under the auspices of Kappa Kappa Psi, national honor-

ary band fraternity. About 1,400 students attended the camp.

Hodge, who was tapped outstanding musician at the Midwestern State University band camp earlier in July, is son of Mr. and Mrs. Louis Hodge of Holliday.
