DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

Mean Green looks to opener tonight

When the Iowa Park Hawks travel to Lawton, Okla. for tonight's battle, they will be one of the few Texas teams opening the 1976 season a night early.

The Hawks meet Lawton High's Wolverines at Cameron College stadium at 8 p.m.

This is the opening weekend for Texas high school football teams, and few of them play on Thursday nights. Because three high schools and the college team all use the same synthetic turf stadium at Lawton, some games have to be played on Thursday night due to scheduling.

Tickets for the game will remain on sale at Iowa Park High principal's office until 4 p.m. today. Adult tickets, all general admission, are \$2 here or at the gate. Student tickets are \$1 here, or \$2 at the gate, according to Bob Dawson, principal.

The stadium is located at the intersection of 38th and Gore. Dawson suggested the easiest way to reach it is by staying on the toll road until you reach the Gore Exit, and then following that street straight to the stadium.

This will be the rubber match between the Hawks and the Wolverines. Iowa Park won the first meeting 19-8 in a drenching rainfall, at Lawton. Here last year, the Wolverines edged the Hawks 12-0.

Lawton is always known for having large linemen and very fast backs. The school is the equivalent with a Texas AAAA size school.

This will be the first regular season game for Iowa Park under new head coach Pat Tone, who took over after the Hawks suffered a 0-10 season last year. That was the first winless season for a Hawk football team since 1957.

Tone would have preferred to have gone into tonight's game with two pre-season scrimmages for experience, but it was another Lawton team, Eisenhower, that failed to meet its obligation for a scrimmage two weeks ago.

The 1976 edition of Mean Green will be considerably different than that which lost to Lawton High last year in several respects.

First of all, there are 23 seniors on this year's team, most of whom were on the team last year, but without experience. Secondly, there is an entirely new look in formations, both offensively and defensively, than the Wolverines had scouted for the 1975 bout.

Tone figures a lot of questions were answered in Friday's scrimmage here against Bowie's Jackrabbits. He says the future of this season might well be indicated by tonight's opener.

1976 Iowa Park Varsity Hawks

Phone increase sought not as high for Iowa Park

Should a rate increase filed yesterday with the Public Utility Commission by Southwestern Bell Telephone Company be approved, the new rates in Iowa Park would not be raised as much as they would in other cities, according to Gary Cook, local manager.

The request is for an increase in telephone rates in the state that would produce \$298.3 million in additional annual new operating revenues and expense savings.

Overall, the state increase is 18 percent, while in Iowa Park the

increase amounts to only four percent, Cook said.

State-wide, the request includes new rates which would result in \$217.8 million in additional annual revenues before taxes and \$26.5 million in expense savings as a result of a directory assistance charge. There already is a directory charge here, but different from the one sought in the new application.

Cook explained that the local rate increase is less because city governments have approved increases as requested, while cities in other parts of the state, where increases have not been granted, will experience increases as high as 300 percent, if approved.

The most recent rate increase in Iowa Park was in January.

Here's how Southwestern Bell's proposed statewide rate increase would affect basic monthly rates in Iowa Park, using current rates first and proposed rates second:

One party residence, \$7.75, \$8.15;
One party business, \$21.00, \$21.80;
Two party residence, \$5.50, \$5.85;
Four party residence, \$6.50, \$6.50;
Four party business, \$14.50, \$17.45;
Residence extension, \$1.35, \$1.50;
Business extension, \$2.00, \$2.25.

Southwestern Bell has proposed that all locations it serves in Texas be placed in one of 10 rate groups. These proposed rates are for group 5, same as Wichita Falls.

In placing customers into groups, the differential which has existed between Iowa Park and Wichita Falls phone patrons would be eliminated, raising Wichita Falls rates to as high as they are in Iowa Park.

The rate groups are based on the total telephone numbers in service within the local calling area. Rate group 5 includes the range of 30,001 to \$60,000 total telephone numbers. The state request action was taken on the first day the state commission had regulatory authority over telephone rates in Texas.

Doyle Rogers, vice president for Southwestern Bell in Texas, said, "Our earnings situation in Texas is such that we must seek prompt rate relief if we are going to continue to meet the growing demand for new service and maintain the high quality of existing service."

The request the company made to the commission also contained these major points:

-An increase in local monthly rates for business and residential customers in 488 cities served by the company;

-An increase in long distance rates for calls within the state;

-An increase in coin telephone rates;

-An increase in one-time service connection, moves and change charges;

-A uniform charge throughout the state for calls to directory assistance.

The uniform rate structure for the state puts the following cities in the same rate group as Iowa Park, meaning their rates would be the same as local rates:

Abilene, Alamo-Pharr-San Juan, Burkburnett, China, Edinburg, Fannett, Galveston, Henrietta, Lindale-Swan, Longview, Los Fresnos, McAllen, Midland, Mission, Odessa, Owentown, Port Arthur, Port Bolivar, Sabine Pass, Spring, Texas City-La Marque, Tomball, Tyler, Westbury and Wichita Falls.

Rates for one-party residence vary from \$7.25 in group 1 (which includes Chillicothe, Childress and towns about that size), to \$11.50 in Houston.

"Inflation forces us into a position that left us no choice but to ask the Commission for increased revenues," Rogers said. "For example, wages on our intrastate operation last year amounted to \$442.9 million. In 1971 this expenditure was \$236.2 million.

THURSDAY, SEPTEMBER 2, 1976
IOWA PARK, WICHITA COUNTY, TEXAS 76367

VOL. VII, NO. 52 15 CENTS

County commissioners hold key to election

Even if Wichita County Commissioners decide to accept all the signatures of qualified voters appearing on petitions to force a wet vote here, it appears the wet movement will have just barely collected enough names.

An election for off-premise consumption liquor sales in Iowa Park and JP Precinct 3 is being sought by the Spirit of '76 Committee headed by Leigh Holder of Iowa Park.

Jerry Padgett, deputy county

clerk, said petitions submitted by the committee contained the names of 411 qualified voters.

However, five of those persons have requested their names be withdrawn from the petitions.

If the five affidavits to have names withdrawn are accepted by Wichita County Commissioners, it would bring down the total of qualified signers to 406—the exact number of signatures needed to force the election according to liberal interpretation of the election law.

If Wichita County Commissioners decide to follow a more stringent interpretation of the law, the number of signatures acceptable would be far less than the number required.

Signatures that fulfill the more strict phase of Article 666-32 of Vernon's Penal Code would total only 274, Padgett said.

Padgett said Wichita County Clerk's Office would present two certificates to the commissioner's court when it convenes at 10 a.m. Sept. 13 to decide the issue.

Affidavits to have the five names withdrawn also will be presented to the commissioners.

If the commissioners decide to accept the affidavits and abide by the more liberal translation of the law, the Spirit of '76 Committee will have won its battle for an election only by a slim count.

On the other hand, the commissioners may decide to follow the law to the letter which would make the petitions fall substantially short of the goal.

Long-time teacher to be reunion speaker

Miss Ethyle Kidwell, a long-time teacher and principal in the Iowa Park School System and a noted educator of the area, will be the keynote speaker at the Iowa Park High School Alumni and Ex-Student reunion banquet Sept. 25, according to a release by officers of the

association.

A reception is scheduled for 5:30 p.m. at the high school cafeteria on Sept. 25 to precede the banquet at 7 p.m. Letters have been mailed to out of town ex-students inviting them to attend homecoming activities, but ex-students in the immediate area are being notified by word of mouth and the news media to cut down on expenses.

A special invitation is being extended this year to husbands and wives of ex-students of Iowa Park High School and to all former and present teachers. Special recognition is also being planned for the classes of 1916, '26, '36, '46, '56, '66 and '76.

A registration booth will be set up at Hawk Stadium Sept. 24 when the Iowa Park Hawks play the Azle Hornets where ex-students can register.

Officers of the Iowa Park High School Alumni Association are: Bob Birk, president; Harrel Sullivan, 1st vice president; Kenneth Sullivan, 2nd vice president; Ruth Dorris Gard, treasurer; Norma Shook Beall, secretary; Jo Ellis Patterson, corresponding secretary; and Gayle Cannedy Gafford, reporter.

The price for the catered meal will be \$3. Reservations and checks are to be sent to the Chamber of Commerce, Box 416 by Sept. 22. Checks should be made payable to IPHS Alumni Association.

Red tape delays swine flu shots

The county-wide vaccination program to combat Swine Flu initially was scheduled to begin in Iowa Park in late August, but bureaucratic red tape may push the implementation date as far back as October.

"We have not received any official notice as to when the vaccine will be delivered here," said Jo Demock, chief of nursing for Wichita County Health Unit which is overseeing the program in Wichita County.

Mrs. Demock said there was a possibility the vaccine would be delivered in mid-September, allowing the program to be implemented in Iowa Park in October.

"We hope the vaccine will be here before too long, or else it won't do us much good," Mrs. Demock said.

The program is visualized to combat an expected Swine Flu epidemic this winter; however, Mrs.

Demock fears flu season may arrive before the vaccine arrives.

Mrs. Lynn Darden, volunteer chairman for a 12-county region, said workers to man free clinics have been contacted.

"We will be ready as soon as the vaccine arrives," Mrs. Darden said.

Carol Nutt, coordinator for volunteer workers in Wichita County, said, "We're at a standstill until we know the specific date for the program to be implemented."

She said persons interested in helping man the free clinic could contact the Community Volunteer and Referral Office in Wichita Falls at 766-4369.

Although specifics to the program's implementation in Iowa Park have not been finalized, she indicated the free clinic here probably would be set up in one of the public schools here.

Mrs. Demock said the program initially had been delayed over a question of liability for drug companies manufacturing the vaccine.

That issue has been settled, but other bureaucratic problems are expected to hamper the program for several more weeks, Mrs. Demock explained.

Under the original plan, senior citizens were to be vaccinated first, followed by the vaccination of younger generations.

There is a possibility that all age groups will be vaccinated simultaneously, Mrs. Demock allowed.

The vaccination program will not be compulsory, she said, but the shots will be free to any one attending the free clinics.

Vaccine also will be made available to private physicians, who will not charge patients for the vaccine but may charge for the office call, she said.

HEAVY RAINS Monday made shoppers bring out their umbrellas, as Iowa Park received between two and four inches of rain over the weekend. Gutters ran full of rain most of Monday afternoon over the city.

Guyette-Gill wedding held Saturday in Wichita Falls

Miss Teresa Doreen Guyette, daughter of Mr. and Mrs. Frank Guyette, became the bride of Robert Gill, son of Mr. and Mrs. R. Gill of Sun Valley, Calif. Saturday evening in a ceremony performed at the Sacred Heart Catholic Church in Wichita Falls. Father Richard Judge was the officiant for the double-ring exchange of vows.

The wedding decorations featured arrangements of orchid gladioli and candelabra.

Mrs. Steve Bishop, a friend of the bride's mother, was soloist and Charlie Wetherbee was organist for the wedding.

The bride's father gave her in marriage. She was attired in an ivory crepe gown with lace trim and a chapel train. Her illusion full length veil was held by a lace caplet and she carried a bouquet of lilacs to complete her costume.

The attendants dresses were made by Mrs. Brian Weed, aunt of the bride.

Miss Marie Hubner, the maid of honor, wore an orchid flocked crepe gown, a matching caplet trimmed with tulle and carried a bouquet of mixed green flowers. Miss Vonda Davis and Miss Yvonne Guyette, sister of the bride, were bridesmaids and wore green

flocked crepe dresses, matching caplets and carried mixed flowers in shades of orchid. Lisa Weed, the bride's cousin, served as flower girl. She was dressed in an orchid frock with a headpiece in the same color. She carried a basket of mixed flowers.

Cecil Gilmore was best

man for the groom. Groomsmen were Russell Guyette, brother of the bride, and Brian Weed, her uncle.

The bride, a graduate of Iowa Park High School, is employed at Wood Convalescent Center. The groom was graduated from high

school at Sun Valley, Calif. and works for Iowa Park Air Conditioning.

The reception was held at the Elks Lodge where the Herman Echols Trio furnished music.

The refreshment table held a bouquet of orchid and green flowers and the cake emphasized the same decor. Mrs. Ruben Miller and Mrs. Robert Andrews presided at the table during the evening.

To make the occasion complete, Mr. L. Curtis, the bride's uncle, called from England to congratulate the couple and to wish them a long and happy wedded life.

Out-of-town guests were Mr. and Mrs. T. Rotache of Nocona.

The rehearsal dinner was held at Luby's Cafeteria in Wichita Falls.

The couple will live in Wichita Falls.

Kidwell P-TA meets Tuesday

The Kidwell P-TA will hold the first meeting of the school year Tuesday at 7:30 p.m. in the school cafeteria. Mrs. Earl McCoy, president, will be in charge.

The P-TA officers and chairmen and faculty will be introduced during the open house meeting. Refreshments will be served and a baby sitter will be provided.

MRS. ROBERT GILL

Mrs. Holman hosts tea

Members of Alpha Epsilon Omicron chapter of Beta Sigma Phi held a Beginning Day Tea Sunday afternoon in the home of Mrs. Danny Holman.

Mrs. Bobby Attwood, president, conducted the business and appointed chairmen. It was voted to sell caramel apples at the Whoop-T-Do Sept. 25. LaVonne Stogner was appointed scrapbook chairman.

Mrs. Wilbur Garrels and Mrs. Holman were named to the social committee. A letter of thanks was read from KIDZ acknowledging the chapter's contributions.

A Back-to-School Rush Party will be held Tuesday at Mrs. Bill Veal's when secret pals will be revealed.

Others present were Mmes. Robert Firster, Ron Fullerton, and Richard Scott.

Durham-Boyle vows read in Faith Baptist Church

The double-ring wedding ceremony for Miss Glenda Kay Durham and Richard Dale Boyle was solemnized Saturday evening in Faith Baptist Church. The bride is the daughter of Mr. and Mrs. Glenn Durham of Iowa Park and the groom is the son of Mr. and Mrs. Tim Boyle of Herman, Minn.

Officiating at the ceremony was the Rev. Vernon Lewis. The couple was united in a setting featuring basket arrangements of blue gladioli and white daisies on pedestals flanked by spiral

candelabra holding tall tapers. Branched candelabra in the background provided further illumination.

Mrs. Vernon Lewis, organist, and Miss Joyce Long of Fergus Falls, Minn., soloist, were the wedding musicians. Mrs. Lewis presented traditional prelude selections and marches and Miss Long played guitar accompaniment for her John Denver solos, "Follow Me" and "For Baby."

Given in marriage by her father, the bride wore a floor length gown of white crepe

and a chapel bridal net veil made by her mother. The empire bodice of the gown was accented with a Chantilly lace yoke framed with a ruffle beaded with pearls in both front and back. Adding further distinction to the costume was the embroidered lace encircling the midriff and cascading in rows down either side of the skirt in front. The chapel length veil and blusher edged in wide Chantilly lace fell from a lace tiara. The bridal bouquet was a traditional cascade of

white carnations and English ivy centered with a white orchid that was later lifted for the bride's going away corsage.

The maid of honor, Miss Debbie Coble of Burkburnett, matron of honor, Mrs. Gary Loyd of Iowa Park, and bridesmaids, Miss Bonnie Boyle of Fergus Falls, Minn., sister of the groom, and Mrs. Donald Durham of Wichita Falls, sister-in-law of the bride, wore long halter dresses of baby blue silk flocced with pink flowers topped with sheer ruffled

jackets that tied in soft bows in front. Each attendant carried a nosegay of blue-tinted white carnations and English ivy.

Serving as best man was Jim Boyle of Herman, Minn., brother of the groom. Groomsmen and ushers were Bob Boyle, Osseo, Minn., Donald Durham of Wichita Falls and David Durham of Iowa Park, brothers of the bride. The groom wore a white tuxedo with blue shirt and the attendants wore light blue tuxedos and blue-ruffled white shirts.

The bride was graduated from Iowa Park High School and is employed at Pauline's Beauty Shop. The groom, a graduate of high school at Herman, Minn., and Northwestern Electronics Institute, is in the U.S. Air Force and is currently stationed at Sheppard AFB.

The wedding reception was hosted by the bride's parents in the Fellowship Hall of the church. The refreshment table and bride's book table were laid with long white satin cloths.

Decorative appointments on the refreshment table were a floral centerpiece consisting of pink gladioli and daisies, the wedding cake and crystal punch service. The three-tiered white cake was accented with pink and white frosting roses, column dividers and a top ornament featuring a miniature bridal couple attired in formal wedding regalia standing under a sugared bell, the terminating point of a half arch of pink roses, lilies of the valley and poufs of white net.

The focal point of decorative interest on the bride's book table was a bouquet of pink and blue carnations and baby's breath centered with the couple's wedding invitation. Mrs. Mike Young presided at the book.

Reception assistants and houseparty members were Miss Judy Sartor of Plano, Mrs. Jim Boyle of Herman, Minn., Mrs. Larry Balsley and Mrs. Jim Thompson. The bride wore a light blue pantsuit with a navy blue shell and embroidered jacket when the couple left on their wedding trip to Lake Texoma.

Out-of-town wedding guests were Mr. and Mrs. Tim Boyle and Bob Boyle of Herman, Minn., Mr. and Mrs. Truman Teague, Denison, Tex., Mr. and Mrs. Andis Sartor, Bossier City, La., Mr. and Mrs. John Hansen and Jon Neil, Allen, Tex., Mr. and Mrs. James Sartor, Plano, Mrs. Leo Daugherty, Quanah and Roger Boyle, Denver, Colo.

Steve Browns feted on anniversary

Engraved scrolls tied with gold ribbons and wedding bells were given to guests when they registered at a reception Sunday afternoon honoring Mr. and Mrs. Steve Brown on the occasion of their 50th wedding anniversary.

The affair, held in the Fellowship Hall of the Church of God, was hosted by the couple's children and their spouses, Mr. and Mrs. Bobby Fox of Iowa Park, Mr. and Mrs. Leon Goforth

CF volunteers begin Monday

During the week of September 6th, volunteer workers for the Cystic Foundation's 1976 Breath of Life Campaign will be asking for contributions to help millions of children across the nation who suffer from lung-damaging diseases, according to Mrs. George Trammell, chairman of the campaign for the North-East Texas Chapter. The assistant area chairman is Mrs. Johnny Crawford.

"This door-to-door march is part of an annual campaign to raise funds for research to find a cure for the inherited disease cystic fibrosis while improving the care and treatment of children suffering from all lung-damaging diseases," Mrs. Trammell said.

Continuing, she stated "Almost half of the money raised in our local Breath of Life Campaign stays right here in this community to support services for local children with cystic fibrosis and other lung-damaging disease." The other half goes to nationally supported research and care programs.

of Cleveland, Tenn. and Mr. and Mrs. Jerald Brown of Iowa Park. They were assisted by six of the couple's grandchildren, Mrs. Lane Loman of Cleveland, Tenn., Mrs. David Metzger of Fort Worth, Mrs. Gary Galliton, Miss Patricia Brown, Miss Jerri Lynn Brown and Robin Fox of Iowa Park. Their other two grandchildren, Mrs. Raymond Pettitt of Grand Rapids, Mich. and Steve Goforth of Cleveland, Tenn. were unable to attend. They have two great-grandchildren.

Mr. and Mrs. Brown, both native Oklahomans, were married August 28, 1926 at Walters, Okla. They moved to this area in 1929 and lived on a lease near Iowa Park where he was a pumper for an oil company. In 1935, they bought a grocery store and filling station on the Kamay Highway which they operated until 1940 when he became an independent oil operator. He retired in 1970.

Steve and Lottie Brown have been, and still are, two of the pillars in the Church of God. She worked with the late Mr. and Mrs. V.A. Wilson, the founders of the church, during the difficult days of getting it started. He became a member a few years later and they have given their lives in faithful and dedicated service, endeavoring to obey Christ and to carry out his commission. He has served continuously on the church board and she has served as Sunday School teacher and in numerous capacities for 45 years.

Members of the family, the church and friends in the community praised them during the afternoon for consistently exemplifying the spirit of helpfulness and compassion, which ought to characterize the life of every Christian and for striving to always see the best in others and coming to their aid when they were in difficulties.

Speaking for the children and grandchildren of Mr. and Mrs. Brown, Mrs. Fox, their daughter, praised them for the emphasis they had put on stability in family life and a Christian environment conducive to proper development of children. As an example of their devotion to the church, she said that they would not build their own home until the Church of God had a desirable meeting place. She also said that her mother had assumed the responsibility of seeing that the church was immaculate and in order for each service.

Since retirement, one of the Browns most enjoyable hobbies is gardening and the greatest satisfaction they seem to get from it is sharing vegetables with others, particularly people who do not have the opportunity of making gardens.

The Fellowship Hall of the Church of God was tastefully appointed in gold and white decorations for the reception Sunday afternoon. The honored couple headed the receiving line composed of their children and mates.

Mrs. Loman directed signatures of relatives and friends at a round table draped with pure white silk overlaid with white lace. A crystal and gold epergne held a large gold candle adorned with gold wedding bells for the outstanding table attraction.

The refreshment table was gracefully draped with a beautifully designed white satin cloth swagged with smilax, its loveliness bringing out the richness of the

MR. AND MRS. STEVE BROWN

appointments. The dignified center of interest was a gold five-branched candelabrum upholding tall gold candles and a bouquet of gold mums, daisies, leather leaf and baby's breath.

At the terminus points of the table were the gold punch service and the anniversary cake. The three-tiered cake was decorated in a gold and white theme featuring cascading roses on each tier and a duster on the top to hold up "50" in gold numerals.

Mrs. David Metzger, Mrs. Gary Galliton and Miss Patricia Brown served at the refreshment table. Houseparty members were Mmes. Curtis Foreman, T.D. Eaton, Lester Watson, David Johnston and Bill Cook.

An interesting part of the room setting was the "story of your lives" table set up to depict the lives of Mr. and Mrs. Brown and each of the children and families through four different com-

partments filled with pictures.

Out-of-town guests included Mr. and Mrs. Troy Walker, Mr. and Mrs. Jim Dodson, Mrs. Bette Brown Harrell and Mrs. Grace West, all from Lawton, Okla.; Mrs. Clyde Bonner, Hereford, Mrs. Ray Brown, Marlow, Okla., Messrs. and Mmes. Larry Oldham, Canyon, Harvey Love and Mrs. Harold Love, Duncan, Okla., Mrs. Bessie Brown Dowlen, Odessa.

And Mrs. Margaret Lowe and daughters, Mr. and Mrs. Ira Dell Wilson, David Brown and Larry Whatley, all from Dallas; Mr. and Mrs. J.B. Williams, Arlington; Mr. and Mrs. Tom Brown, Mrs. Marvel Shelly and Mr. and Mrs. Guy Fletcher from Walters, Okla. Attending from Wichita Falls were Messrs. and Mmes. Raymond Goforth, Claude Brown, Dee Gilmore, Mrs. Claude Boyles, Mrs. David Gilmore and Jim Slay.

VICKI LYNN PAYNE

Announce engagement

The engagement of Miss Vicki Lynn Payne to Steven Lynn Bjerke is being announced by their parents, Mrs. Alice Payne of Amarillo and N.E. Payne of Dumas and Mr. and Mrs. Harvey Bjerke of Concord, Minnesota.

Miss Payne is a 1973 graduate of Iowa Park High School where she was active in Future Homemakers of America, parliamentarian of Office Education Association, a member of the girls softball team, choir and Rainbow Girls. She is a member of Faith Baptist Church where she has sung in the choir. She is employed by Cryovac in Iowa Park.

The future groom was graduated from West Concord High School in Concord, Minnesota. He was captain of the football and basketball teams, played golf and ran track. He was a member of the Letterman's Athletic Club. He served in the U.S. Air Force from 1967 to 1971 and attained the rank of

sergeant. He is employed as an electrician by Davis Construction Co. in Wichita Falls.

The couple will be married October 9 at 11 o'clock in the morning in the Chapel of the Holy City in the Wichita Mountains.

Electra nursing home patients have ice cream at Wood Center

One of the highlights of last week's activities for residents at Wood Convalescent Center was when residents from the Electra nursing home were guests at an ice cream and cake social given by ladies of Faith Baptist Church.

Those attending from Electra were Mr. and Mrs. Charlie Golden, Patsy Rawls, Beulah McCracken, Gladys Austin, Sarah Davis, Mary Poindexter, James Robertson, Mrs. Keys, Glendola Reynolds, Elsie Stakley, Clarence Chesney, Marlene Bishop and Rose Puder.

Women from Faith Baptist Church who were responsible for the serving were Mmes. Aillen Thomas from Sherman, Herman Daymude, John Hatfield, E.H. White, Joe Dwyer, Jim Miller, Pat Kagy, Bill Toller, Nina Graves and Larry Balsley.

At the bingo party during the week, the winners were Amma Chesher, Velma Vaughn, Charlie Raglan and

Clara Poe. Refreshments were served by Mrs. G.V. Henderson and Mrs. Rollins

Woodall from the First Christian Church.

The residents covered coat hangers for the arts and crafts work during the week and began a friendship quilt under the direction of Mrs. Lester Watson.

Mrs. Lenore Lane, activity director, attended a meeting of the North Texas Chapter of the Social and Rehabilitation Directors at Quanah.

Three of the residents, Claude Harper, Stanley Hair and Minnie Manning are patients at Bethania Hospital and Artie King is in Wichita General Hospital.

Visitors of Flossie Stovall Sunday were her mother, Mrs. Lillie Loppe, brother and sister-in-law, Mr. and Mrs. Alfred Loppe and sons, Ronnie and Donnie from Brownwood.

Mrs. Lane stated that small flat buttons, embroidery hoops, needles and yarn were needed for the

arts and crafts program. Twenty-five attended the Bible class Saturday and the church service Sunday was conducted by the Church of Christ.

"How is lignite coal helping my electric bill?"

UNDERSTANDING YOUR ELECTRIC BILL

By using lignite coal to generate electricity, Texas Electric will be saving its customers \$44 million in 1976.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that are available have soared in cost.

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

\$86 million
- 42 million
\$44 million

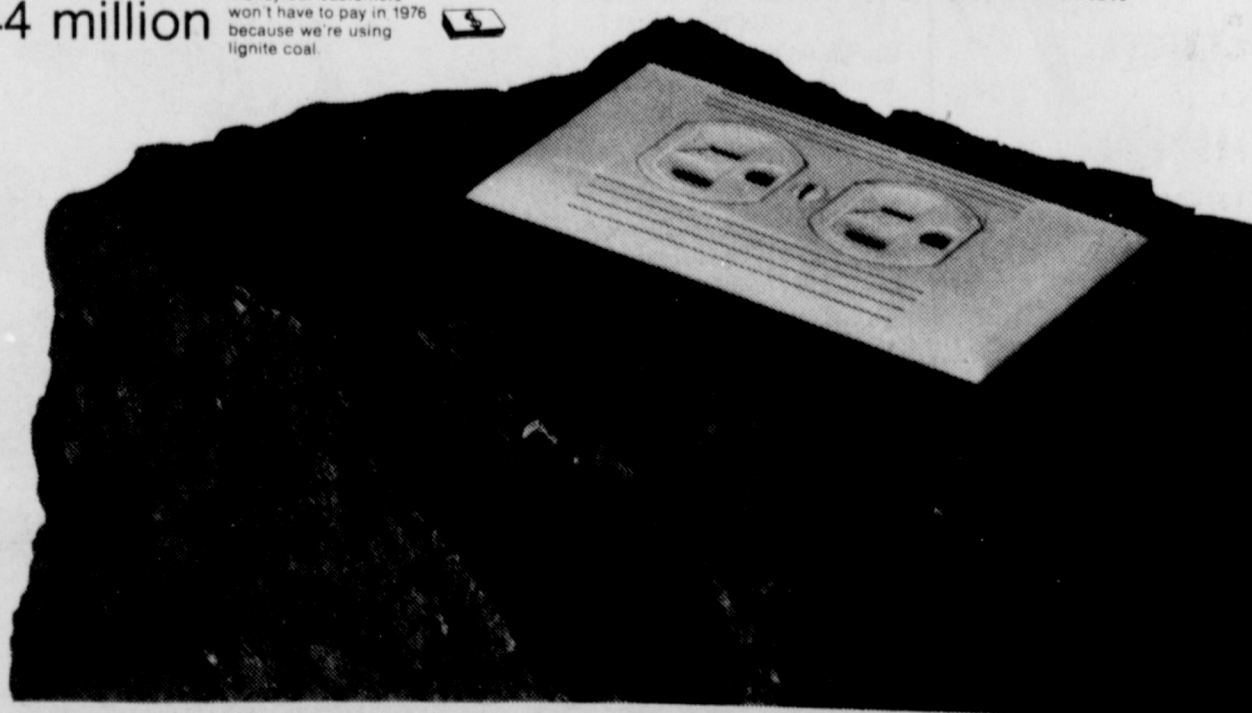

The additional natural gas we would need in 1976 if we weren't using lignite
The cost of lignite and the one-year cost for plants to use it in 1976
Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will increase as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But we will be able to keep increases in your electric bills as low as possible.

W. N. HOUSE, Manager, Phone 592-4149

Letters to the Editor

TO THE PEOPLE OF IOWA PARK:

Those of you that do not know the latest news about the city is: our local patrolmen no longer have CB's in the patrol cars. The word is that it was all brought about by the city administrator and the chief of police or one of the other.

I have yet to talk to a local CB'er or concerned citizen that don't think this is one of the most ridiculous actions that they ever heard of. The local people that cause problems in our

community know where the police are at all times anyway, not because the patrolmen have CB's and will talk on them. At the same time, it is a known fact that when Mr. Smokie is talking and rolling, they do not give their location and of course this deters the burglars.

We feel they should have the right to keep them due to emergencies on local streets and highways. Also, if a citizen needs a policeman immediately, you can bet you can get one faster on the CB. Also, many times directions are given to out-of-towners arriving and cannot otherwise find immediate help.

CB's also take the fear some people have about policemen away and really bring the policemen down to the good-guy level.

We the CBer's would like to plea for the city to reconsider and let our

patrolmen have their radios back. Since a large part of our community own and have interest in two way radios and know other communities, do not handicap their police in this manner we respectfully request to meet with city officials to discuss this matter at their convenience.

Signed:

A \$60,000 building permit issued to the Church of God for construction of an addition to the church, and a permit for a new home, proved to be the bulk of construction activity in Iowa Park during August.

Permits issued by the city hall amounted to \$86,332, bring the year's total to \$637,549.

August of 1975 was a major month, when \$111,942 in permits were issued, making that year's total for the same period \$779,319.

Permits issued during August included:

- Church of God, 501 E. Cash, addition, \$60,000;
- Roy Sawyer, 401 W. Clara, remodeling, \$500;
- Frank W. Young, 1302 Mary Dr., playhouse, \$80;
- S.F. Smith, 1104 W. Cornelia, storage shed, \$300;
- Gene T. Williams, 611 N. Victoria, metal garage and storage, \$4,500;
- Rip Smith, 901 W. Highway, new residence, \$20,352.

WORTH QUOTING

At the community meeting on the new post office Wednesday night the central point on why the Post Office Department is in financial trouble was not discussed.

Ridiculous, unrealistic wage scales of postal employees is at the heart of it. We are not pointing a finger and we are glad our friends with the post office have a good deal but facts are facts.

Outlandish salaries of city workers broke New York and sent one of the most prosperous cities in the world over the hill to the poor house.

A postal official here Wednesday night announced that the pay scale is

\$8.04 an hour and that is only for a 40 hour week. That's \$16,723.20 a year and what they get for overtime would take your hat off.

We have people on the university campus with doctorates who do not make as much as the people who deliver their mail. It's not realistic in comparison to the area's wages and undoubtedly will break the post office department whether a new post office is built in Canyon or not.

And it hasn't improved the service.

TROY MARTIN
Canyon News

A goal of \$4,500 for the United Way Campaign set by Cryovac has been "topped," industry officials said following the final tabulations on Monday.

Vern Horsky, production manager for the Iowa Park based industry, said "The response to free-will giving which we firmly believe in has been exceptionally good."

"If there were any doubts in the minds of our 117 employees, these were resolved by the group question-and-answer sessions," he added.

Cryovac, manufacturer of plastic meat barrier bags, was one of six businesses selected on a "pilot" basis for the United Way campaign.

Official kickoff will be Sept. 14. The 1976 United Way goal is \$983,803.

**Cryovac employees
top goal for UW**

As I See It....

by BOB HAMILTON

I don't think I've been as proud of a Hawk football team as I was Friday night, since back in 1972. That was when we beat Brownwood 31-20.

The Hawks weren't scrimmaging just another AA ball club. Bowie is a powerhouse, building a program over the past number of years which has put the Jackrabbits in almost as prominent a light as were the Hawks at the turn of the decade.

I'm afraid a lot of people were remembering that weak Bowie team of 1970, when we used everybody but

the waterboys, and still couldn't hold the score to less than 70-0. The '70 club would have had its hands full of this year's edition of the Jackrabbits.

Sure, Iowa Park is a AAA team. But a small one, enrollment wise. Bowie is a big AA enrollment school, as we once were. And as you will recall, a good AA team can play equal to about any AAA team, as we were doing during our heyday.

The Jackrabbits were a much larger team than they appeared in their dark colored uniforms. Down on

the field, you could get a better look, and they were a good-sized club.

Bowie also has been developing a winning tradition of late, and with the Hawks coming off that disastrous 0-10 season, it was good to see them displaying the old Mean Green winning attitude.

The Hawks were not satisfied with that tie in the scrimmage. The players wanted more, but of course time had run out.

My answer to all those who've asked me what I thought of this year's team has been standard. I believe we will have a winning team this year, and that means coming out on the long end of five or more games...very possibly seven or eight.

And who knows, it could be back in the playoffs for the Hawks if everything goes well, a bunch of luck and continued improvement.

For all those winning team followers, get you cars serviced. You just may see what you've missed for a while, tonight at Lawton.

Plans made for homecoming

Initial plans for Iowa Park High School's Homecoming activities were made at a meeting of the Student Council Tuesday afternoon under the direction of Jim Stevens, president.

The group chose "Almost Anything Goes" for the theme of festivities which will be inaugurated Sept. 24 at a parade. Following the game between Azle and Iowa Park, an old-fashioned party will be held in the school cafeteria.

Brian Catlin, vice president of the Student Council, was named chairman of the parade - which will have two divisions, one for the school

floats, cars and entries and one for the town's entries. He urges all organizations and groups to participate in the parade and to notify him as early as possible whether the entry will be a float, car or something else. The group decided to place emphasis on informality in planning for and decorating the entries.

Thieves hit the jackpot during the past week, picking up four citizen band radios, from only two locations.

Between 6:30 and 10:30 p.m. Monday, three radios were taken from the garage of Bob Story, at 709 N. Yosemite. In addition, a steel tool box with tools valued at \$400 was also taken.

Also reported as missing were a garbage can and clothes basket, believed to have been used to haul the loot away from the scene. The radios were valued at over \$300.

A wire or similar instrument was believed used to open a locked door on Al Denton's car Saturday night, while it was parked in his driveway at 521 W. Magnolia.

After gaining entry into the car, thieves took a \$160 CB and made an undetected getaway.

FIRST UNIT OFFENSE MOVES AGAINST BOWIE
Huckaby hands off to Cook, Hamilton, Dyer and Lane block.

Mean Green shows well against good Bowie club

Iowa Park was tied by the highly touted Bowie Jackrabbits on the final play of Friday night's pre-season scrimmage, and both teams wound up with two scores apiece.

The varsity scrimmage capped a triple header session at which several hundred spectators watched the freshmen and junior varsity do battle with the Bowie teams, one after another.

Head Hawk Pat Tone had high praise for his varsity, both speaking to the players and with the public. Though he saw a few rough edges which needed "toning" he admitted the Hawks not only came through, but played even better than he had expected.

Comments among the fans were unanimously those of approval and anticipation of seeing the club under real fire, which they catch

tonight.

The Hawks were tested for the first time of the young season, since they had not been able to scrimmage the previous week. Bowie, on the other hand, had tied with Weatherford's Kangaroos, gaining valuable experience which the Hawks lacked.

And it showed.

Hawk varsity moved the ball well in its first session with the ball, but could drive

no deeper than the 'Rabbit 19. Highlight of that series of plays was Dick Elliott's 30-yard scamper.

On Bowie's first series of plays the Jackrabbits could advance no closer to the Mean Green goal line than the 30.

Between the series of plays by the varsity offenses, the second units saw action against their counterparts.

And when the Hawks first unit returned to the field, the first series experience showed. They not only moved the ball better, but scored twice, both on long runs.

Converted tackle Ray Cook, now seeing offensive action as a fullback, used the speed he showed during track season as a hurdler. He broke for a 30-yard romp, tearing loose from a couple of would-be tacklers.

Blocking by the offensive unit was generally crisp and effective, as was the faking by the backs.

Bowie had to resort to passing in order to gain any ground against the Mean Green first unit defensive platoon.

A pass to the five yard line set up the first score, which was a five-yard plunge over right tackle.

The Jackrabbits drove to the Hawk 14 near the end of the final series. Two big defensive plays set them back, but on third down the ball was advanced back to the 15. Then, on the final play, the Rabbits only completed a 15-yarder to score.

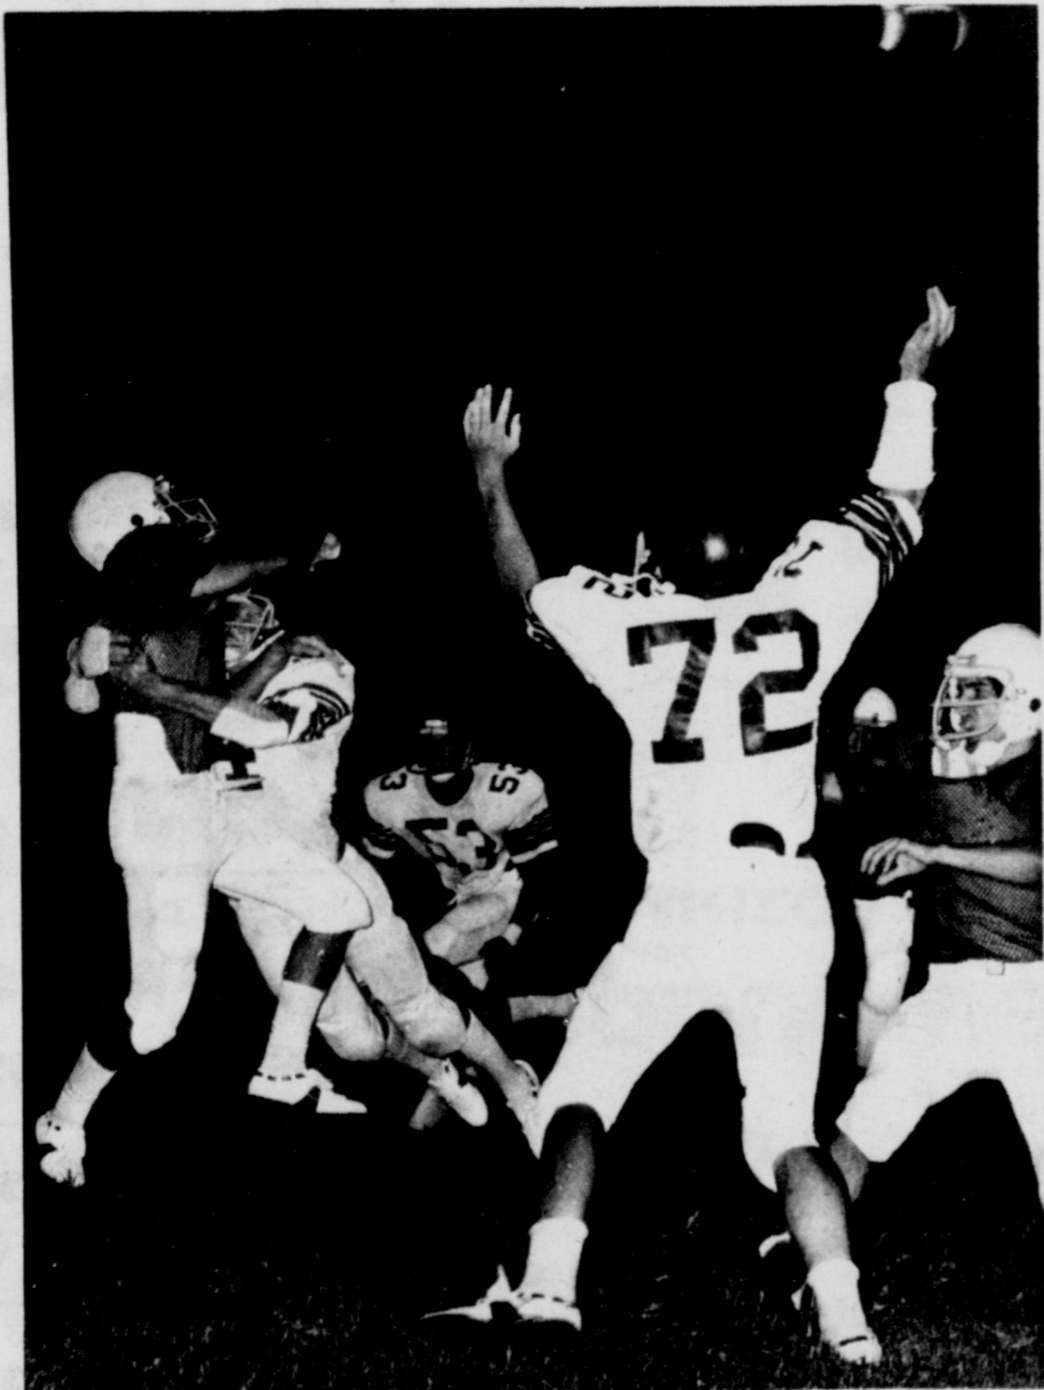

Bowie is not only picked to win its district this year, but is ranked among the top 10 by about every poll yet released, most having the Rabbits in fifth place.

Neither varsity second unit scored, but only because of a dramatic goal line stand by the Hawks.

Bowie had driven to the five yard line, picking up a first down. On fourth down, with the ball almost touching the line, the Hawks held the visitors scoreless.

The Junior Varsity visitors outsourced Iowa Park 3-0, scoring twice on runs and once on a pass. Iowa Park players were scrappy and eager, but blocking held down offensive efforts.

Bowie's freshmen scored almost at will, especially at the first, winding up 5-0 over the hosts.

BOWIE QUARTERBACK GETS PASS AWAY
...but pressure made his aim poor and missed.

NOT MANY YARDS GAINED BY THIS JACKRABBIT
Mattis, Bentley and Catlin put clamps on Bowie runner.

House is UW campaign chairman

Wayne House was announced as 1976 chairman of the United Way campaign in Iowa Park by Bill Steger, steering committee chairman.

Other key chairmen named were Charles Lee and Faris Nowell, Area Vice-Chairmen; Don Flowers, Advance Gifts Chairman and J.B. Barbour, Major Firms Chairman.

In finalizing plans for Iowa Park's initial participation in

the area campaign, House said, "We're proud to be a member of the United Way of the Greater Wichita Falls area, and we feel certain our citizens will show their support through their generous contributions."

Area Vice-Chairmen Charles Lee and Faris Nowell are both veterans of the former United Fund of Iowa Park. Lee, manager of Cryovac ... one of the six area firms selected as "pilot"

businesses by UW, is president of the Chamber of Commerce and the Rotary club.

Nowell, Superintendent of Iowa Park schools, is a past-president of Lions and a member of the Chamber of Commerce.

Both Nowell and Lee emphasized Iowa Park's role in the overall successful completion of the United Way goal. "Our citizens use these agencies and we want to help," they agreed.

Flowers, who will head Advance Gifts for UW, is President of the Iowa Park Retail Merchants Club, President of the State National Bank in Iowa Park and in charge of the

"Muleskinners." Work on the Advance

WAYNE HOUSE

Gifts division will be geared toward new contributors in order to reach the entire community. "Additional efforts will be made with the Advance Gifts division to initiate a good giving base for future years," Flowers said.

Barbour, owner and manager of the Barbour Trucking Company, brings years of experience in working with the Boys Club into his committee, Major Firms. "When you see the good that comes from these agencies covered by the United Way, everyone will want to do more than his share," Barbour stressed.

The official kickoff for the campaign is Sept. 14. Goal

for the 1976 United Way campaign is \$983,803.

Senior Citizens

Thirteen members were present for the Senior Citizens meeting Monday afternoon. It was voted to postpone the monthly covered-dish luncheon until Sept. 13 due to the Labor Day holiday next week.

Those attending were Messrs. and Meses. L.P. Lambert, L.C. Perry, T.M. Clark, Earl Logan; Meses. Myrtle Travis, Gladys Thompson, Shirley Trimm; R.L. Good and Ed Hayes.

GEORGE BOLES, left, receives a certificate and pin for 30 years service, 26 of which have been as a civilian at Sheppard AFB. Making the presentation is Col. Richard Noe, who like Boles resides in the Iowa Park area. Boles is in the Department of Communications and Missiles. Col. Noe is deputy commander of USAF School of Applied Aerospace Sciences. Presentation was made last week.

HERE FRIDAY AT 8 P.M.

Eagles take on Nocona in opener

With two scrimmages under their belts and the District 13-A title to defend, Holliday will begin the 1976 season in earnest Friday night when the Nocona Indians visit Eagle Field.

Kickoff time is set for 8 p.m.

Holliday head coach Don Lucy and his staff of Bill Lee, Walter Lemons, Ralph Klinkerman and Cody West have been directing workouts for almost a month.

Picked by two sports publications to return to District 13-A domination, Lucy said he is taking nothing for granted when the Eagles collide with Nocona Friday night.

Nocona, a Class AA school, will be the first of five foes the Eagles will face before going into district competition.

Nocona is picked to finish in the bottom half of District 10-AA, however, Lucy is expecting some stiff competition from the visiting Indians, who are returning seven starters from last year's lineup.

Holliday also is returning seven starters from last year's regional championship unit. There will be 14 lettermen returning to don the red and white this year.

Among those returning lettermen are all-district picks Randy Berryman, Larry Veal, Bob Gilmore,

Clay Carver and John Ruby. Berryman, who was selected last year as an all-district guard, will be seen in the quarterback position this season.

Lucy is confident in Berryman's ability, maintaining the converted team pilot is strong, quick and a good passer.

All-district running back Bob Gilmore will be back to pace the Eagle backfield. He'll be joined by another veteran, tight end John Ruby.

Leading the Eagles' defensive charge will be guard Larry Veal, tackle Clay Carver and Ruby at linebacker.

Staunch supporters of this year's varsity Eagles will find themselves in rare comfort Friday as they

cheer from the hometown bleachers.

With the regular season schedule running through Nov. 12, the Eagles will play only four regular games at home this year.

The remaining six Friday night gridiron battles will be played away from home.

The first eight games of regular season are slated to begin at 8 p.m., while the last two November contests are set for 7:30 p.m.

Homecoming will be Oct. 1 against Henrietta.

The bottom half of the season will be district competition beginning Oct. 15 with the clash with

Lindsay, followed by contests with Muenster, Archer City, Callisburg and Petrolia.

Regular schedule for the varsity Eagles is as follows:

- Sept. 3--Nocona, h
- Sept. 10--Electra, t
- Sept. 17--Quanah, t
- Sept. 24--Seymour, t
- Oct. 1--Henrietta, h
- Oct. 8--Open
- Oct. 15--Lindsay, h
- Oct. 22--Muenster, t
- Oct. 29--Archer City, h
- Nov. 5--Callisburg, t
- Nov. 12--Petrolia, t

and ninth grade players is scheduled to begin Sept. 9, the first of ten Thursday nights when a fan can see three games for the price of one.

These games are set to begin at 5 p.m.

The schedule is as follows:

- Sept. 9--Electra, t
- Sept. 16--Iowa Park, t
- Sept. 23--Olney, h
- Sept. 30--Windthorst, h
- Oct. 7--Seymour, h
- Oct. 14--Archer City, t
- Burk "B", t
- Oct. 21--Windthorst, t
- Oct. 28--Petrolia, h
- Nov. 4--Archer City, h
- Burk "B", h

JUNIOR HIGH & FRESHMEN
The 1976 season for Holliday's seventh, eighth

FINAL DAYS—The Holliday Eagles were going "full speed" Tuesday in an effort to be in prime shape for Friday night's season opener against Nocona. Coach Walter Lemons was calling the shots during this segment of Tuesday afternoon's workout as head Eagle mentor Don

Lucy takes a backseat view of his Big Red Machine. The Eagles are picked to return this year as District 13-A champions when they go into conference competition against Lindsay, Muenster, Archer City, Callisburg and Petrolia.

YOU TAKE IT—Coach Walter Lemons was at the helm Tuesday afternoon when the Holliday Eagles were putting the final touches on their technique in preparation for Friday night's clash against Nocona. No, don't expect to see Lemons quarterbacking Friday night. Eagle fans can

expect to see Randy Berryman calling the signals this year, and there's a good chance young Steve Lucy will be barking signals some of the time. Friday's 8 p.m. clash against Nocona here will be the first of five outings with AA schools before district play begins.

Party fetes Mrs. Henson

Mrs. Artie Henson was honored with a birthday party last Wednesday at the

home of her son, Mr. and Mrs. Don Henson of Holliday. She was 81.

Holiday guests included Sonny and Allen Henson and Joey Kincaid.

Iowa Park guests were Mr. and Mrs. Delbert Wheeler, Darrell and Darla; Mr. and Mrs. Billy Henson, Becky, Barbara, Belinda and Claude Roy; Mr. and Mrs. Ed Henson, Jimmy and Eddie; and Mr. and Mrs. Larry King, Kyle and Patrick.

Other Iowa Park guests were Mrs. Bobby Logan and Robbie; Maggie Templeman and Eunice Templeman.

Guests from Henrietta were Mr. and Mrs. Perry Wheeler, Melonie, Kimbra and Sherrie.

Lake Arrowhead guests were Mr. and Mrs. Terry Lambeth.

Mrs. Terry Myers, Carlee and Ricky visited from Indiana.

NEW PRINCIPAL—Bill Crabbs, new principal at Holliday High School, was in good spirits this week as the rough edges of a new school year began to smooth out. Shown with Crabbs is Teresa Barton, a high school student office aide. Crabbs and his wife have a 2½ year old daughter. Educated at North Texas State University, Crabbs came to Holliday from Fort Worth where he was assistant principal at Brewer High School.

Holliday School Menu

TUESDAY, September 7
Corn dogs, French fries, pickle slices, pork and beans, milk, bread, cobbler.

WEDNESDAY, September 8
Chicken noodles, peas and carrots, pickled beets, milk, bread, cranberry sauce, cookies.

THURSDAY, September 9
Chili beans, spinach, slaw, cabbage, corn bread, butter, milk, applesauce.

FRIDAY, September 10
Fish sticks, macaroni and cheese, tartar sauce, beans, milk, bread, pudding.

Holliday Happenings

First pep rally of the year will be held at 2:30 p.m. Friday in the old gymnasium at Holliday High School.

Mr. and Mrs. E.D. Smyers of Satanta, Kan., visited friends here last week. Mr. and Mrs. Smyers, formerly of Holliday, plan to return here when he retires.

"Mad Martin" will provide entertainment for a dance after Friday night's football game against Nocona. The dance will be held in the cafeteria.

Holliday City Hall will be closed Monday in obser-

vance of Labor Day, according to City Sec. Evon Carter.

The annual Holliday Cemetery Association meeting is slated for Sept. 20.

Holliday Volunteer Fire Department will participate in a fireman's convention Sept. 12 at Burkburnett.

Classes will not be held Monday in Holliday schools in observance of Labor Day. Classes will resume Tuesday with school running from 8:15 a.m. until 3:45 p.m.

Farabee spending considered low

Senator Ray Farabee is in the lower 25 per cent of the 31 members of the State Senate as to total expenditures for the fiscal year ending Aug. 31, 1975. This was disclosed with the release of the State Audit published last week covering expenses for members of the 64th Legislature.

Senator Farabee stated, "I was pleased to learn of my ranking in regard to expenditures. It is important for those of us in public office to practice what we preach and to set an example with our own budgets by conserving the taxpayers' money."

"At the same time, there is work to be done to serve my constituents in the 30th District which covers 29 counties and is the second largest Senatorial District in the State. I have been able

to see that this work is done in an economical manner with the help of an efficient staff, by avoiding unnecessary travel, and by cutting back on my staff when the Legislature is not in session," Senator Farabee concluded.

During his first term in the Texas Senate, nineteen bills authored by Senator Farabee were passed into law. He served on the Finance Committee, the Natural Resources Committee and the Jurisprudence Committee.

During the interim between sessions, Senator Farabee is serving on the Texas Legislative Council, the Texas Coordinating Commission for State Health and Welfare Services, the Property Tax Study Committee and the Texas Coastal and Marine Council.

LEGAL NOTICE

Dear Parent or Guardian:

The Holliday Independent School serves nutritious lunches every school day. Students may buy lunch for 50 cents for Kindergarten through third grade, and 60 cents for fourth through twelfth grades.

Children from families whose income is at or below levels shown on the attached scale are eligible for free or reduced price meals. The reduced price for lunch is 20 cents. If you have unusually high medical bills, shelter costs in excess of 30 percent of your income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses, your children may still be eligible.

The school children of parents or guardians who become unemployed are eligible for free or reduced-price meals during the period of unemployment to be at or below the levels shown on the scale.

To apply at any time during the year for free meals and reduced priced meals for your children, you may pick up application form at either principal's office. Within three days of receiving your application, the school will let you know whether or not your children are eligible. If you do not agree with the school's decision you have a right to a fair hearing. This can be done by calling or writing Mr. T.D. Whitehead, President of the Board, Box 367, Holliday, Texas 76366, telephone 586-1115.

In certain cases foster children are also eligible for these benefits. If you have foster children living with you and wish to apply for such meals for them, please notify us or indicate it on the application.

All children are treated the same regardless of ability to pay. In the operation of the child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

If we can be of any further assistance or if your family size or income changes during the year, please contact us.

Income Scales for Holliday Schools for free lunches starts at \$3,860, for 1st member of the family and for each member thereafter add \$860. For reduced meals income starts at \$3,680 - 5,730 for 1st member and add \$1,340 for each additional member to determine if your family qualifies.

Sincerely,
Ray Coe, Supt.

College scholarships available to students

College scholarships of \$500 to \$5,000 are available to high school seniors through the General Mills Search for Leaders in Family Living, now in its 23rd year.

Invitations to enroll in the program have been mailed to high schools across the nation. Schools new to the program can write the General Mills Search, P.O. Box 1113, Minneapolis, Minn. 55440, for information.

The 1976 winner of the top \$5,000 scholarship is a boy, the first in the history of the Search. He is Dan McVicar, Broomfield, Colorado.

Enrollment deadline for the 1977 General Mills Search is November 1, 1976.

On Tuesday, Dec. 7, each participating school will administer a 50-minute written examination. Prepared and scored by Science Research Associates, Inc., Chicago, this general knowledge and attitude examination is the first important step of the scholarship program.

From the examination results a General Mills Family Leader of Tomorrow will be chosen for each participating school. School winners are acknowledged with special awards and their examinations are entered in state competition.

Each State Family Leader of Tomorrow receives a \$1,500 college scholarship while every state second-place winner receives a \$500 grant. State winners also earn for their school a 20-volume reference work, "The Annals of America," from Encyclopaedia Britan-

nica Educational Corpora-

tion. State winners will be the guests of General Mills next spring on an expense-paid tour of Williamsburg, Virginia, and Washington, D.C. A special event of the tour is announcement of the All-American Family Leader of Tomorrow, whose scholarship is increased to \$5,000.

Second, third and fourth place national winners receive scholarship increases to \$4,000, \$3,000 and \$2,000 respectively.

The General Mills Search, known as the Betty Crocker Search for its first 22 years, is on the advisory list of the National Association of Secondary School Principals.

Holliday News

Enrollment may top 600

Reflecting a steady growth pattern in this area, enrollment in Holliday public schools is expected to top the 600-pupil mark.

Principal Bill Crabbs reported Tuesday a 307 enrollment in junior high

and high schools here. There were 290 students enrolled in Holliday's kindergarten and elementary schools, Principal Dan Owen said Tuesday.

Tuesday's total enrollment figures stood at 597, an

increase of 44 students from the same period last year.

According to Leader files, 553 students enrolled initially for the fall term here in 1975.

At the same time in 1974, total enrollment stood at 541.

New team in town

Notre Dame Knights to play all 'home' games at junior high

Wichita Falls Notre Dame High School will have a home away from home this football season when it adopts the Bobby Gilbreath Stadium here to host visiting teams.

Notre Dame is scheduled to host five games at the stadium here, located on the Iowa Park Junior High School campus.

The Wichita Falls school has never had its own football stadium, and in the past has utilized Coyote Stadium in Wichita Falls.

Coyote Stadium has been dismantled which led to the arrangement for the Knights to play their home games here.

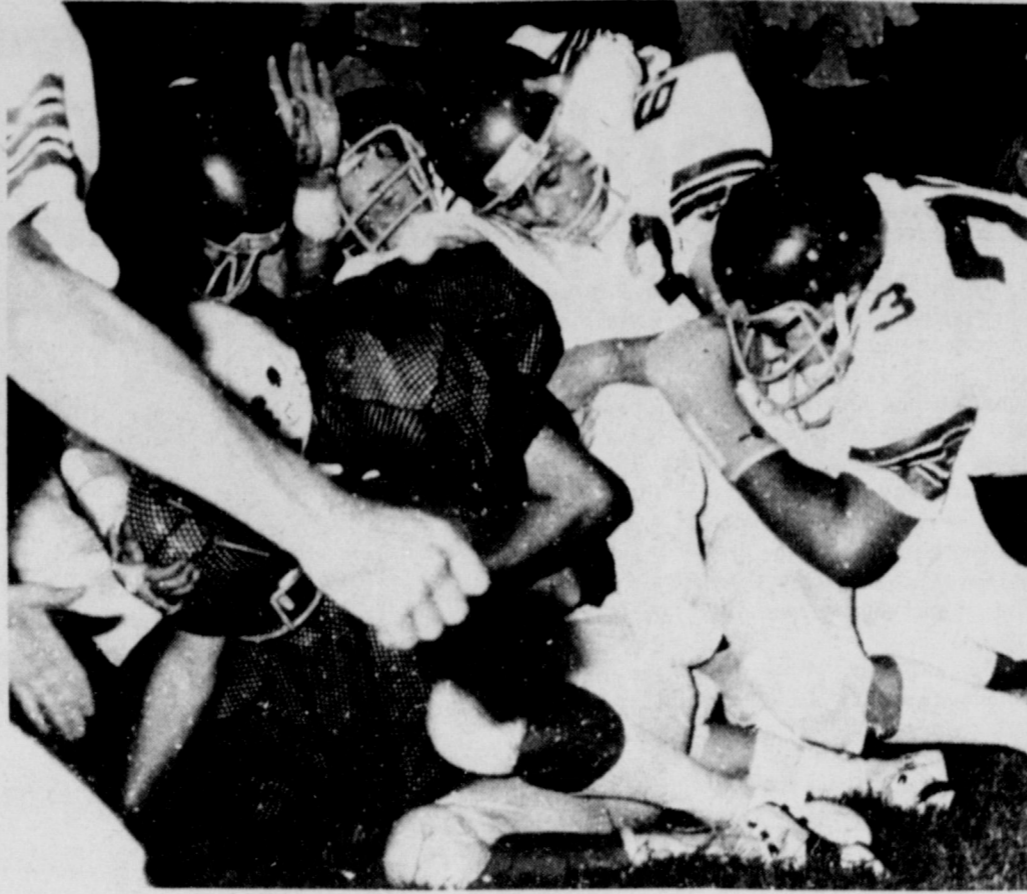

Coach Richard Bohac's Knights are reigning champs of Texas Catholic Inter-scholastic League (TCIL) District 4-A.

The Knights will open the season here at 8 p.m. Friday against Goree.

At 8 p.m. Sept. 17 the Knights will play host to Chillicothe, and at 8 p.m. Oct. 8 the Wichitans will meet Dallas Saint Marks here.

The Knight's homecoming tilt against Lubbock Christ the King is set for 2 p.m. Oct. 30.

The final game to be hosted here by the Knights is slated for 7:30 p.m. Nov. 12 when Notre Dame will face Muenster Sacred Heart.

SECOND UNIT DEFENSE HOLDS BOWIE SCORELESS
Dynamic goal line stand holds 'Rabbit' runner short.

Season tickets open to public

Option seat holders for Iowa Park Hawk football games played at home have through Monday to exercise their options by purchasing season tickets, according to Principal Bob Dawson.

Starting Tuesday, sea-

son tickets for reserved seats will go on sale to the general public at the concession stand in the hallway across from the gymnasium, Dawson said.

With four home games

this season, a book of tickets will cost \$4.

Option seat holders are those persons who contributed to the construction of Hawk Stadium, and have continued to purchase season tickets each year.

52 MSU courses offered

Fall term for courses offered through Midwestern State University's Division of Continuing Education will begin Sept. 13.

In addition to the regular courses, 18 new courses will be offered.

There will be a total of 52 different courses offered.

Courses being offered for the first time this fall include Business Ethics, Advertising, Ballet, Chinese Cooking, On Staying Alive and Save Your Best Friend, Dynamics Human Relations Manage-

ment, Fashion Design, Getting Your Act Together and Indian Cooking.

Other new offerings are National Association of Legal Secretaries Official Course, IRS Tax Seminar, Horticulture Interest Group and Certified Professional Secretary Preparation Seminar and Symposium.

One of the new courses, What Every Young Businessman Needs to Know But Never Bothered to Ask, is especially designed for men. Specifically tailored for women is How to Get More Out of Your Dollar.

Tuition and class meeting times vary for each course. Senior citizens 62 and over will be allowed to register for courses at no tuition charge on a space available basis.

Persons may enroll by writing the Division of Continuing Education, MSU,

Wichita Falls, 76308, or in person in Room 103, Hardin

Administration Building - South on the MSU campus.

Teams open season here

Iowa Park High's Junior Varsity and Freshman teams will taste their first action Saturday, when they host a strong aggregation from Rider High in Wichita Falls.

The Freshmen will play at 10 a.m., followed at 12 noon by the JV bout.

Junior high teams will

host Burk Burnett Tuesday for a doubleheader at the junior high stadium. The Seventh Grade will play at 5:30 p.m., followed at 6:30 by the Eighth Grade.

Boosters slate

Monday meeting

The Hawk Booster Club will hold its second meeting of the young season Monday at 7 p.m. in the high school cafeteria, Jack Stevens, president, announced.

Meetings had previously been scheduled for Tuesday evenings, but this conflicted with junior high games and other regularly scheduled meetings, so the Boosters will revert back to their old meeting night on Mondays.

Besides viewing films made of the Iowa Park vs. Lawton High game, slated to be played tonight, members will vote whether to participate in the Whoop-T-Do later this month, Stevens said.

Band Boosters meet Tuesday

The Band Boosters will hold the first meeting of the year Tuesday at 7 p.m. in the band hall. Robert Wilcox will be the presiding officer.

Highlights of the meeting will be the presentation of the budget and the election of new officers.

All parents of band students are invited to attend the meeting and to join the club.

Iowa Park School Lunch Menu

THURSDAY, September 2
Breakfast - Cereal, plain milk, orange juice.
Lunch - Tacos, meat & cheese sandwich, soup, buttered corn, combination salad, bread slices, butter, chocolate or plain milk, chocolate cream pie, ice cream-jello.
