IOWA PARK, TEXAS

Capacity crowd expected for Hawk-Bulldog clash

There will probably be standing room only tomorrow night at Burkburnett's Bulldog Stadium, when Iowa Park renews its oldest rivalry.

The two teams have been playing each other longer than either has played anyone else on their present season's schedule. And it has always been a heated, close rivalry.

Coach Pat Tone may be somewhat hampered in his efforts to guide the Hawks to their first conference win in two years, however. His team has been hit hard with injuries and book problems.

When the ball is kicked off at 8 p.m. Friday, Coach Tone just may be without the services of three starters, and maybe more.

Guard Ervin Beisch and tackle Kevin Hamilton are still nursing injuries from last week's district opener against Stephenville. Beisch suffered a head injury for the second consecutive game, and Hamilton is still unable to run because of a knee injury.

Another guard, Sam Forman, also had a knee hurt in the game but reportedly is working out.

Center and placekicker Bobby Collins missed both the Azle and Stephenville game because of grades. He was joined on the sidelines against the Yellow Jackets by quarterback David Wright, via the same route.

Eligibility due to grades is established each Friday, and neither will know until tomorrow whether he can play.

Iowa Park goes into the Bulldog

pen with a 1-3 season record, while Burkburnett is boasting a 2-2 poster. The only team both teams have faced this year was Hirschi, and the Huskies won them both by a three-point margin: 3-0 over Iowa Park and 24-21 over Burk.

Burkburnett's 46-14 win over Clyde didn't raise many eyebrows, but that 26-25 decision over Duncan, and losing only 7-0 last week to state-ranked Brownwood did.

Iowa Park was the only team Burkburnett defeated last year. The Dogs won 24-0 over the Hawks, and then went on to lose seven and tie two. The Hawks were 0-10 at the same time.

Gone is runningback David Ray, who got the Dogs rolling against the Hawks last fall. But his brother, Marty, is the big gun in the Orange and Black backfield this season, moved there from the end slot.

The starting offensive line includes David Nix, 150; Mark Brinkley, 218; Herb Wall, 190; Matt Horn, 160; Robert Kennedy, 166; Harvey

Hoalson, 221; and Philip Andrews, 170. The backs are Jimmy Thomas, 150; Ray, 173; Charlie Lewis, 170; and Brett Patty, 177.

On the five-man defensive line are Harold Rich, 200; Mike Penn, 160; Carl Hattaway, 204; Donnie Pruitt, 220; and Scotty Arthur, 172. Linebackers are Ray and Doug Odle, 180; cornerbacks, Keith Hobert, 172; Scott Tucker, 145; and safeties, Patty, 177, Joe Horn, 164.

Iowa Park has beaten Burkburnett only twice in the five years the Hawks have been in Class AAA with the Bulldogs. They lost 24-0 last year, but won 34-8 and 17-14 in 1974 and 1973 respectively. Burk beat the Hawks 12-6 in the initial year of 1971, and did it again 21-14 in '72.

The last two years Iowa Park was in Class AA, the Mean Green took measure of the Bulldogs 44-7 (1969) and 7-0 (1970).

WINTER ON THE WAY—With temperatures dipping down into the 40s at night, signs of winter's debut were abundant this week. Van Hedrick, left, and Brian Todd

donned coats and caps before braving the early morning chill. The two youngsters are students at Kidwell Elementary.

Revenue sharing money to be increased to city

General federal revenue sharing payments to the City of Iowa Park have steadily increased during the past few years, and it appears renewed legislation will continue the

trend.

Current legislation, inaugurated by the Nixon Administration in 1971, is due to expire in December.

However, Congress extended the revenue sharing program for 3 1/2 years before it adjourned earlier this month.

U.S. Sen. Lloyd Bentsen, a member of the Senate Finance Committee, has disclosed figures that indicate Iowa Park will receive a substantial increase in recycled tax dollars under renewed legislation.

Iowa Park will receive \$56,376 annually under the new program, Bentsen said.

That compares to \$47,852 Iowa Park received in 1976, and \$35,069 received in 1975, said Gene Britton, Iowa Park city administrator.

As of the end of the last fiscal year, June 30, the City of Iowa Park had received \$167,303 since federal revenue sharing's implementation, Britton said.

This week the city received a check for \$13,512 and expects to receive a similar check in December, the city administrator explained.

Combined with revenue sharing

already received, the city is expected to have received \$194,327 for the duration of the current program.

That compares to \$204,474 the city stands to receive during the next 3 1/2 years under renewed legislation, according to information supplied by Bentsen.

Britton said Wednesday he has not seen the renewed legislation, therefore, he is unaware of the formula used to determine Iowa Park's expected receipts.

Britton also is unaware of what "strings" may be attached to the new legislation.

However, Britton is familiar with current legislation and commented on its impact on Iowa Park.

"Any income a city can get is greatly appreciated and needed."

"But personally, I feel the federal government placed too many restrictions on what money can be spent on," Britton said.

Ideally, Britton would like to have the money delivered without any restrictions imposed by Washington. But he allowed current legislation is better than the old categorical grants which forced governmental entities to apply for specific programs.

Spending restrictions on federal revenue sharing "really haven't put us in any bind," he added.

Britton said it would be better if the federal government did not collect the taxes used to supply federal revenue sharing.

Voicing feelings similar to those aired by county and municipal officials throughout the country, Britton said it would be better to leave the tax money at home.

As it now stands, the federal government collects the money from taxpayers in cities and counties, then reimburses the local governmental entities.

Britton said it would be better if the city collected the taxes and was allowed to spend the money absent

any federal restrictions.

Federal revenue sharing money has been spent on items the city would have had to finance anyway, Britton said, such as \$1,000 incurred last week for garbage equipment repairs.

Broken down into five broad categories, the city has spent \$167,303 in federal revenue sharing since the program began in 1971.

Expenditures include \$59,725 for public safety which includes construction of a new fire station; \$52,921 for financial administration; \$2,774 for general government; \$1,804 for environmental protection which includes garbage collection equipment; and \$33,584 for water systems improvements including the installation of new water lines.

The new budget adopted by the Iowa Park City Council calls for federal revenue sharing expenditures totaling \$50,000 during the coming year, Britton explained.

Budgeted expenditures include \$33,000 for a new garbage truck, \$5,500 for a new police cruiser, \$5,800 for a new dump truck, \$5,760 for city ordinance codification and other smaller purchases.

The city also "borrowed" some federal revenue sharing to help finance operations of other departments in the face of deficit spending.

Otherwise, the city would have been forced to seek bank financing with accompanying interest rates, Britton said.

Britton indicated the city could survive without federal revenue sharing, but it would be difficult.

Swedberg resigns

Veteran policeman Gene Swedberg tendered his resignation to the city effective Friday of last week.

Swedberg, at the same time, submitted a Letter to the Editor to the Leader, in which he listed several of his reasons for quitting. He alleged irregularities within the department.

Chief Charles Beaver was given an opportunity to read the letter prior to publication today and offered an opportunity to respond. He declined, however, telling Publisher Bob Hamilton "I would not stoop to answer any of those charges, because they are untrue."

Beaver pointed out all of the alleged irregularities took place before his being named chief except two, and the remaining were false. He did not elaborate for publication.

Swedberg twice served as temporary chief of the department, first following the resignation of and then between the death of L.D. Jones and the naming of Beaver.

He had challenged the city council the second time for not naming him chief, charging civil rights had been violated. He was represented by legal council before the city fathers.

UW report set for Wednesday

Iowa Park United Way campaign division leaders will meet Wednesday in the Texas Electric Reddy Room at 2 p.m. for a local report meeting prior to the general report meeting Thursday in Wichita Falls, Wayne House, Iowa Park UW Campaign Chairman said.

Following a local meeting Monday, House expressed optimism about Iowa Park's role in the overall campaign. "The contributions are coming in. We still have about 75 per cent of our packets out, so we know that when they've all been returned

it's all going to work out all right." House explained "Our citizens know about the Campfire Girls, Boy Scouts, Senior Citizens, Red Cross, Day Care Centers and the other agencies that the United Way funding covers, and we're very fortunate to have the services of these agencies so near to us."

At a general report meeting held last week in Wichita Falls it was reported that one-fourth of the goal for the 1976 United Way Campaign had been raised.

The total amount reported in from

Burkburnett, Wichita Falls and Iowa Park was \$246,201.

The goal for the campaign which ends Nov. 3 is \$983,803.

Schleider, President of the Downtown Lions Club will add his remarks.

Opening night entertainment will be provided by Everett Geis and the J-Bar Ranch Hands. Wednesday night beginning at 8 p.m., dancers from a 13-county area, members of the Red River Valley Square and Round Dancers

Association and Area Callers Association will provide two hours of square dancing. At 8 p.m. Thursday, master of ceremonies Jerry Vandiver will introduce an evening of gospel singing featuring the Ozark Quartet, the Kinsmen, the Evangeliers and the Calvary Gospel Singers.

Climaxing the five-day County Fair will be two fiddlers contests. Friday night fiddlers ages 0-64 will compete for prizes between the hours of 6 and 10 p.m. Saturday evening's competition will be strictly for those over 65, beginning at 8 p.m. sharp. These fiddlers will be accompanied by Clint Cozart and the Rhythm Kings each evening. Friday

and Saturday afternoon, Hank Snow and the Promenaders will present a unique show ... square dancing horses.

The County Fair committee has contacted the Gene Ledel Shows of Fort Worth to bring the carnival-type rides to the Fair. Ledel has one of the top shows of its kind in the country. They have provided entertainment at the Heart of Texas Fair in Waco, the Great Plains Fair in Lubbock, the State Fair in Dallas, and many others. The midway area will be comprised of games of skill operated entirely by members of local Lions Clubs, and all proceeds from the midway will be used to support local projects involving crippled children, hearing and sight conservation programs and other charities.

Swine Flu clinic workers sought

Volunteer workers are needed to help operate a free Swine Flu clinic here later this month.

Persons interested in helping with the clinic should contact Sandra Collier, Iowa Park volunteer chairman, at 592-5482.

She said the clinic will need about 16 volunteer workers.

Part of a nationwide campaign to combat an expected Swine Flu epidemic this winter, the free clinic here is tentatively scheduled for Oct. 23 and 24, she said.

Site of the clinic will be at Kidwell Elementary.

Dudley-Hicks nuptials performed in home setting

Nuptial rites of simple dignity were performed Saturday afternoon to unite Miss Diana Lea Dudley and Michael Carlton Hicks. The ceremony took place in the home of the bride's brother-in-law and sister, Mr. and Mrs. Ray Mayo, Route Two,

Wichita Falls with relatives and friends witnessing the double-ring recitation of marriage lines by the daughter of Mrs. Jean Dudley and Don M. Dudley Sr. of Austin and the son of Mr. and Mrs. H.C. Hicks of Iowa Park.

The Rev. Kenneth Flowers, pastor of First Baptist Church in Iowa Park, was the officiating minister for the ceremony in a nuptial space before the French doors in the living room where decorations featured wicker baskets filled with rust and gold mums, candelabra and a white wrought-iron gazebo holding white doves.

Recorded wedding selections provided the musical setting.

The bride was presented in marriage by her father. She wore a formal empire gown of white organza over peau de soie enhanced with seed pearls, Venise lace and daisy motifs. Cascades of lace accented theuffed bishop sleeves, sabrina neckline, high-rise waistline encircled with a white velvet sash and the full skirt that extended into a chapel train. Her Venise lace-bordered waistlength illusion veil fell from a Camelot cap trimmed with pearls. White roses, stephanotis and baby's breath were attractively arranged in the cascade bouquet carried by the bride and the observance of bridal traditions added interest to the costume.

Mrs. Don M. Dudley, Jr. of Wichita Falls, sister-in-law of the bride, participated in the wedding as matron of honor. She wore a rust polyester crepe halter gown topped with a matching sheer cape and carried a single bronze mum tied with gold ribbon.

The groom wore a white tuxedo trimmed with black velvet and a white ruffled shirt. His best man was

MRS. MICHAEL CARLTON HICKS

Charles Segler of Wichita Falls.

The newlyweds were honored at a reception following the wedding.

The bride's table was covered with gold linen overlaid with white net accented with swags caught up with miniature nosegays of autumn flowers. An arrangement of gold and bronze mums and statice flanked by gold candles in silver holders formed the centerpiece. The extremities were marked with the

wedding cake and crystal and silver services. The all-white two-tiered cake was distinguished with frosting roses and white doves, Grecian pillars and a top ornament of white doves and wedding bells.

The groom's table was laid with beige linen and held a bouquet of fall flowers and the chocolate-iced cake decorated with a cluster of gold grapes.

Reception assistants were Mmes. T.G. Bunch, Maggie Gonzales, Bill Crow and Johnny Hudson; Misses Gina Lively, Melanie Lile, Gayle Marak, Linda Ham and Jackie Pierce.

The bride was graduated from Rider High School and attended Concordia Lutheran College and Midwestern State University. She is employed at White's Home Office. The groom was graduated from Iowa Park High School and attended Clarendon Junior College. He is employed by Southwestern Bell Telephone Co. The couple took a short wedding trip to Dallas and are now at home 5224 Professional Drive in Wichita Falls.

Out of town wedding guests were Messrs. and Mmes. Lester Ervin of Crane, Billy Dan Lively, Midland, Arthur Hicks, Godley and Mrs. Rosie Hicks, Austin.

Driving parents urged to be safe

Expressing concern over lack of observation of traffic and safety rules, letters were sent to parents of Kidwell Elementary pupils by the Parent-Teacher Association recently.

The letter points out that many parents, either delivering or picking up students before or after school, were creating safety hazards by double parking, parking in street crossing zones, driving too fast and in general being in too much a rush.

Mrs. Bennie Compton, PTA safety chairman, said unless more reasonable attention is given by drivers in school zones and parking lots, a serious injury to some child will be the possible result.

Introducing the Average Billing Plan from Texas Electric.

If you've ever wished the amount of your electric bills could be more consistent every month — instead of changing so much between seasons — here's your chance.

The Average Billing Plan is being provided by Texas Electric to help smooth out the highs and lows that occur in your electric bills. As the name implies, this new plan enables you to pay an "average" rather

than the actual amount used each month. It allows you to pay less during high-use months by paying more during low-use months.

If you'd like a folder that explains the plan in detail, call Texas Electric. Or request one on the comment portion of your electric service bill.

Cook of the Week

Mrs. Garland Lehman

Potatoes - Fried, baked, boiled, creamed, scalloped, au gratin, etc. - probably have as wide variety of uses as any food in America. In view of the present day popularity of the starchy, edible tubers, it is hard to believe that in 1728 they were forbidden by law in Scotland because they were considered an unholy plant of the nightshade family and not mentioned in the Bible.

Mrs. Garland Lehman's recipe for Potato Candy glamorizes the lowly vegetable and upon reading it many people will probably include it in their candy making for the holidays. She, too, must have been thinking of holiday cooking when she shared her recipes for Orange Bread, Mexican Wedding Cookies and Pumpkin Cake with us.

A nine-year resident of Iowa Park, the former Sandra Baltrop of Ralston, is married to the son of Mr. and Mrs. Rex Lehman, who is self-employed in the trucking business. She was graduated from Era High School. She is a member of Grace Baptist Church where she teaches the three and four year olds in Sunday School. She is clothing leader for the Iowa Park 4-H Club and a member of Bradford P.T.A. Her hobbies are cooking, sewing and crafts.

The Lehmans have two children, Kellie Ann, five years old, and Tracy Lynn, 15 months of age.

Kiddie party treats pledges Tuesday

The home of Mrs. Bill Vanek was transformed into a veritable ESA Kiddie Korner Tuesday evening to become the setting for a kiddie party, the first event given to honor pledges of Epsilon Eta chapter of Epsilon Sigma Alpha.

Seven of the nine pledges who were present were Mmes. Allen Gilstrap, Donald Stutsman, Kennie Jones, Gary Frazier, Jean Proulx, Bill Hracirik and Miss Glenda Gentry.

The honored guests and members, attired in children's clothes, entered the Kiddie Korner by way of a path outlined with a variety of stuffed toys and colorful balloons. Upon entering, they were pinned with personalized bibs and each was given a sucker.

The play room featured a profusion of stuffed animals,

and toys that delight the hearts of small ones. Adding gayety to the scene were the bright streamers suspended from the ceiling and around the walls.

Mrs. Don Flowers and Mrs. D.W. Mercer, teachers at the school, directed appropriate games and the story hour and kept the kiddies quiet with a generous supply of suckers.

Refreshments, courtesy of Ray Copening, were banana splits and the kiddies had the thrill of making their own.

The next party feting the pledges and their husbands will be a mystery dinner Oct. 16 at First Christian Church.

Other chapter members present were Miss Alice Turner; Mmes. Tom Venhaus, Raymond Cope, Dalton Bleeker, R.B. Faulkner, Charles Dudley, Roy Johnson, Leon Biddy, Chester Morrison, Greg Clary and Homer Blalock.

Twenty-two members of Iowa Park High School A Cappella Choir took part in an all-day choral activity sponsored by East Texas State University Saturday.

The day's activities included rehearsal time for choral and U.L.L. solos, a concert by the East Texas Chorale and Mesquite High School A Cappella Choir and reached a climax that evening with a concert open to the public. The activities were directed by Charles Nelson, E.T.S.U. choral director.

Iowa Park students attending were: Sherry Dozier, Dee Lynn Smith, Cynthia House, Rhonda Barge, Cheryl Horsky, Sandra Hammack, Elaine Cole, Linda Beall, Inga Brown, Karren Brown, Cindy Francis, Holly Burrell, Becky Lloyd, Becky Horton, Lowery Bartow, Charles Mattis, Mark Stueki, Ricky Blair, Kenny Kieren, Roger Reid, Buteh Sadberry, Kelly Roberts, and Darrell Dick, director.

Girls to camp over weekend

"Doing It The Hard Way" will be the theme for the annual Do-It-Yourself weekend camp for 900 Girl Scouts at Lake Pauline in Quanah Friday through Sunday.

Campers from 11 counties of the NorCenTex Council will spend the weekend demonstrating colonial skills ranging from home remedies to building a log cabin.

Junior, Cadette, and Senior girls may camp overnight. Brownies (first through third grade) may attend either or both days. Parents will be observing the girls camping skills so they may assist during other camping activities.

The closing ceremony at 11 AM Sunday will include awards, patch unveiling and a flag ceremony.

Area Scoutmaster named for national jamboree

Max W. Reece has been selected to serve as Scoutmaster of the North-west Texas Council's, Boy Scouts of America, 40 member contingent to the

1977 National Jamboree to be held at Moraine State Park, Pa., August 3 - 9, according to M.E. Huffman, Jamboree Committee Chairman.

"A National Scout Jamboree is held every four years and the 1977 Jamboree will be attended by some 40,000 Scouts from throughout the free world," Huffman said.

Reece has served as Scoutmaster of Troop 7, sponsored by a Group of Citizens of the Church of Christ in Wichita Falls, since 1971. He is a trust officer at the City National Bank in Wichita Falls. He has completed the Scout Leaders' Wood Badge Training and attended the 1973 National Jamboree with his Scout troop. Reece is also a member of the Wichita Falls Sertoma Club and a board member and secretary of the Texoma Christian Center.

"We are indeed fortunate to recruit a leader of Mr. Reece's calibre and experience to head our contingent, and now looking forward to complimenting the council's contingent with three assistant leaders of equal ability," Huffman said.

The contingent will depart for the National Jamboree by commercial airline from the Dallas/Fort Worth Airport on July 28. Enroute Scouts will spend several days touring Washington, D.C. where they will visit such places as Mount Vernon, the Bureau of Engraving, Federal Bureau of Investigation, Smithsonian Institution, United States Capitol, Supreme Court, Library of Congress, National Archives, National Gallery of Art, Voice of America, Folger Shakespeare Library and Arlington National Cemetery. A visit to an operating steel mill in Pennsylvania has also been planned before the contingent's return to Wichita Falls on Aug. 10.

"Cost of the National Jamboree trip is \$500. Applications may be secured at the Council Service Center, 1901 - 10th Street, Wichita Falls.

 **Great News FOR THE World**
A prayer is about to be answered - "Thy Kingdom come. Thy will be done in earth." God's Kingdom will come on this earth when Christ returns. He gave signs of his coming - world wide distress and fear (Luke 21 v. 15-27). The revival of Jewish national life in the land of Israel were among them. These and other signs are being fulfilled now.
1977?
Another year lies ahead. What God has in store we do not know. The kaleidoscope of world events is entralling. Whether it be Entebbe or Soweto, Lebanon or China, the world's communications media bring the news right into our homes. Why then should we not make the best of the greatest medium of all, the God-designed instructor, in which the world and all its peoples are encompassed in the great rolling purpose of God. The Bible is unsurpassable. It is history. It is news. It is prophecy. Above all, it is True.

AN OPEN LETTER TO THE VOTERS OF THE 13th CONGRESSIONAL DISTRICT FROM CONGRESSMAN JACK HIGHTOWER

Two years ago I was elected to Congress by an overwhelming margin against an incumbent Congressman. During the 1974 campaign I refrained from any personal attacks on my opponent.

At that time I made it a point with my volunteers and my staff that they should treat anyone who opposed me with the utmost respect.

I thank all of my friends, supporters and staff for keeping the 1974 campaign on the highest level possible.

Responsiveness of government was a key issue. Our government does a poor job when it compounds our problems with red tape and burdensome regulations. Bureaucratic brush-offs of legitimate requests are very frustrating. I decided to organize my staff in such a way that people could deal at the local level with the bureaucratic maze of the federal agencies.

I promised two years ago that you would be able to call a number in the district and get an answer. When I took office I immediately established district offices in Amarillo, Vernon, and Wichita Falls—staffed by personnel who have been instructed personally to be responsive to the wishes and needs of my constituents. I am pleased that many people have told me they appreciate the work and attitude of my assistants. This is the only way I know to have a responsive Congressional office and I assure you I intend to try to improve this service constantly.

The Postal Service has been a bigger mess than ever since the Nixon Administration reorganized it. This is one reason I have chosen not to flood the mails with political propaganda such as newsletters. My alternative has been to communicate through the news media and to come home to the district at every opportunity for personal contact with constituents. All you ever heard about Washington having an artificial atmosphere is true. It has been my experience that the worst Congressmen are those who rarely come home. I am not going to let that happen to me. My policy is to talk with the people at home to see what they are thinking, and return to Washington and vote their philosophy and interests. I live in the district and commute to Washington.

As many of you know, I am being attacked, broadside, by my opponent in this 1976 campaign. His allegations and innuendos are based upon a misrepresentation of the record. I have voted in my two committees—Agriculture and Small Business—and on the floor in exactly the way I have reported to you and as I promised. My record is conservative by any measure. It is also independent of domination either by the Democratic leadership of the House or the Republican White House. I am neither an obstructionist nor a rubber stamp.

As this Congress adjourns, its overall record is mixed. This Congress has done some things it should not have done and left undone some things it should have done—such as enacting a "sunset" bill to cut down on federal bureaucracies or formulating an effective energy plan. We have been able to enact a bill to provide for prompt payment for the cattleman. We were able to pass a bill to provide for some relief on the estate tax problem which should benefit everyone who wants his or her property to remain in the family. These steps are not enough but they are movement in the right direction.

All of us feel sometimes that our views are not reflected properly in Washington. I would prefer a Congress that holds a tighter rein on spending, but I do not choose the other 434 members of the House. I work with them and try to influence them, but I cannot dictate their votes. I feel my job is to represent you—the people of the 13th District—and I pledge to do my best to represent you well.

Sincerely,
JACK HIGHTOWER

Letters to the Editor

Dear Bob:
 Knowing that quite a few citizens of this City will be wondering why I have resigned and am leaving Law Enforcement after being in it for 26 years I thought that it would only be fair to give a few of the many reasons for my action; I cannot list all so I will only list these few. I can no longer work within a Dep't or a City where gross violations of the law have been committed and hushed up by the Dep't or some of the governing members of the city. An example of this is the Civil Rights being violated of persons being taken into custody or already in custody, the firing of a large caliber handgun by the son of one of the council members in which no action was taken, nor a case report filed or if there was one it went into the files so fast no one saw it, but let one of our citizens sons or daughters do something of this nature and see what happens. We also have various business men within the City who have stated that they would not call this department for assistance in the future because of the actions of the officers when called upon in the past: One example: The owner of a business called and asked for a unit to clear his driveway of teenagers; instead of going to the business and telling the teenagers to clear the drive explaining to them that they were hindering the mans business, the officers came out of their car with clubs in their hands and hollering and acting like they were after felons, rather than our sons and daughters. Another example of why our Dep't is not welcome at a business: A business man requested that an officer stay away from his business during its operating hours because of this officer's conduct upon finding the business open or left in such a manner that access could be gained to the business, even though the owner returned as the officer found the building open. One of our officers took it upon himself to enforce FCC rules that do not even exist when he asked or told a business dealing in Radio Equip not to sell certain items in Iowa Park, when all that needed to be done was for the person desiring these items to drive to Wichita Falls to obtain them. Results: Ill will, loss of business for the owner, and loss of revenue for the city. You might take a look at the personnel left in the Police Dep't, if you do you will find one

officer remaining who lives within the city and one who lives within a surrounding community, the rest are what is known as our sister City Rejects. I would like to also apologize to the ones who voted in the last election for the ones we wanted to run our City, two of them are doing or are trying to do a good job, but the other two we made a mistake, hopefully this can be changed in the next two elections.

To all the people and friends who have supported me I would like to say thank you very much. I will now have joined the rest of the people who worked for me and were my friends and am sorry that they lost their jobs although this is not the reason given. I have no doubt that there will be a reply to this in which I will be accused of just being sore as I was not appointed Chief of Police, but lest they forget I have stated many times previously "I am only interested in a Good Honest Police Dep't" and that is what I have worked for for the past eight years. Again my thanks to all.
 Gideon E. Swedberg

Iowa Park Leader,

I could have waited to bring this (check for subscription renewal) as we will be there, to attend the Wilson Employees Picnic on the 16th of October at Weeks Park and will visit friends there and in Wichita Falls and Iowa Park. And also S.B. Geisert in Amarillo, Texas before returning to Rockdale.

You can tell everyone retirement is Great and I catch and eat Bass when I get ready here, and these bass are no comparison to the ones there.

We enjoy the paper also as to the news of the football games there as we were great supporters of Iowa Park, and the Quarter Back Club. Rockdale is picked number 1 in state in AA bracket.

Bye now,
 Mr. and Mrs. Hensley

Dear Mr. Hamilton:

I wholeheartedly agree with your editorial of September 30, regarding the deterioration of education in our public school systems.

I do, however, feel that you overlooked the most obvious and disturbing aspect of the problem, the increasing diversion of funds away from academia and into the field of

athletics. A classic example was seen recently in Iowa Park when trustees voted to increase the athletic budget but voted down funds for improvements to one of our elementary schools.

To increase the number of dedicated teachers in the profession and to upgrade the emphasis on basic academic subjects that you speak of in your editorial requires money. It seems to me that public school funds could better serve their originally intended purpose if applied more to teaching materials and teachers salaries than to an already over-inflated athletic budget.

Sincerely,
 Alan McNally

Dear Bob:

On behalf of myself and the directors of the Chamber of Commerce we wish to thank you for your promotion and excellent coverage of our recent Whoop-T-Do. Your interest and cooperation in this community project is greatly appreciated.

Sincerely,
 Charlie Lee, President

Construction permits issued for home, business addition

Permits to construct a new home and add gasoline sales facilities to a business already under construction were the major construction requests in Iowa Park during September, according to records at city hall.

Permits for September totaled \$64,250, bring the year's total to \$701,799.

This year's total is more than double the same nine months period for 1974, when permits amounted to only \$343,686.

Last year's surpassing of a million dollars in permits was the first time since 1963 for Iowa Park.

Permits issued during September included:

- Texas Sign Co., changing sign at Piggly Wiggly, \$1,200;
- Herman Rains, 829 N. Park, addition of room, \$6,000;
- Rip Smith, No. 27 Surrey, brick residence, \$34,500;

Republican Bob Price of Pampa may have pulled the biggest political boner of his career Monday during a debate in Wichita Falls with Democrat Jack Hightower.

I was neither at the debate nor do I have any direct quotes of what Price said, but from what I understand from fairly reliable sources, I wouldn't have him in political office again if my life depended on it.

Price is a damned liar. He made some remark about all the papers in this area being so heavily influenced by the Democratic party none of us would ever carry anything by or about him, politically.

Price said he couldn't even get an advertisement in the Memphis Democrat.

Again, he is a liar. But he was correct when he said the Wichita Falls Times and Record News was a Democrat newspaper. That's nothing new.

The only time Price has been in Iowa Park during the seven-year existence of the Iowa Park Leader, to my best recollection, was while he

was in office. That "town meeting", held in the agriculture building, was covered by me with both camera and note pad, and reported (Jan. 20, 1972).

The former U.S. representatives said he couldn't get his information in the newspapers. I recall seeing quite a bit of it in other newspapers, but quite frankly what he turned out was of little interest, poorly prepared, and generally too lengthy for smaller newspapers of our size.

During the time he was sending out his weekly newsletter, I had the choice of using them or leaving out news of Iowa Park and the immediate area. I chose the former.

And you want to know something, Mr. Price? Hightower's reports are omitted for most of the same reasons your's were. For that matter, we don't report on the president, unless he comes here.

This newspaper, and most weeklies in the area, is independent politically. We don't pick and chose what party's

representative will be reported. We pick and chose what is worthy and readable, for the available space, to our readers.

As far as trying to get advertisements in area newspapers, for the life of me I cannot remember a request or offering ever from Price or any of his workers or supporters. They never existed.

So, candidate Price, if you can't get your information or facts together any better than you did in Wichita Falls Monday, you don't need to be on my payroll. For anything.

Another thing happened in politics this week I'll never believe.

Sec. of Agriculture Butz was forced to resign over a joke he told about blacks. But that wasn't all of it.

The joke was reportedly overheard by John Dean, of Watergate fame, who told of it to the liberal Rolling Stones magazine, where it was published.

I just, plain can't believe it.

Hawks drop loop to Stephenville 21-6

Stephenville's Yellow Jackets gave the Iowa Park Hawks a lesson in field possession and the kicking game here Friday night.

The Hawks were handed their initial Dist. 4-AAA loss, 21-6, and third defeat of four games for the season.

The kicking game and Hawk miscues gave the visitors field possession through the first three periods of the game. And at the same time, Iowa Park had its back to the wall most of the game.

From the opening kickoff, the Hawks were on the defense and fighting to catch up.

Merriman was taking the place of Bobby Collins, who was ruled ineligible for the game due to his school grades. He not only scooped the ball off the tee, sending it to the Yellow Jacket 46, but drew a five-yard penalty for not waiting for official's whistle permitting the kick.

Then punter Robert Dillard had his problems with distance, sending the ball only 26 yards downfield on his first attempt. Stephenville, starting its second drive from the Jacket 49, scored two plays later.

Only three times in 11 possessions with the ball did the Hawks start a drive from outside their own 25 yard line. Four of those times they were inside their own 10 yard line.

Stephenville, on the other hand, had the ball 11 times, starting drives from Hawk territory four times, and

BEST NIGHT EVER - Senior tailback Randy Blair, 23, had his best night ever as a varsity player Friday against the Stephenville Yellow Jackets. He is shown on one of his 12

carries which produced 40 yards for the evening. Stephenville won the game, however, 21-6, handing the Hawks their first District 4-AAA loss of the season, and dropping their season record to 1-3.

only once deeper in their own territory than the 20 (that was on a pass interception at the 10).

The Yellow Jackets scored first on a 43-yard roll out by quarterback Mark Manley, the second time they had the ball. Manley skirted his right end and raced the distance without being touched.

A minute and 31 seconds later Stephenville scored again, this time on a 48-yard interception return by Manley, giving the visitors a 14-0 lead with 3:23 still remaining in the first quarter.

HAWKS SCORE

Following the second touchdown, the Hawks mounted their only sustain-

ed drive of the evening. Starting from their own 30, they had driven to the Stephenville 10 by the end of the first quarter, and five plays later sent Dillard on a slant play over left tackle the final four yards to score.

A bad snap from center thwarted Kip Fuller's attempt to kick the extra point, but the Hawks were back in the game 6-14, with 10:09 still remaining in the first half.

Stephenville had two more scoring opportunities before the halftime break. A Yellow Jacket recovered a bobbled punt catch by Jim Stevens on the Hawk six,

but a personal foul gave the Hawks possession on their own 21 yard line.

Then, after driving to the Iowa Park 23 with only nine seconds remaining, field goal kicker Ricky DeLoach boomed a 39-yard field goal, only to have it nullified on an off sides penalty. His second attempt failed, as the halftime buzzer sounded.

The Hawks had their backs to the wall again midway in the third stanza, when Stephenville drove to the six yard line where, lacking three yards on fourth down, the Mean Green defense held.

Stephenville's third

touchdown was set up by another interception of a Rex Huckaby pass. The Jackets drove from the Hawk 38 yard line in 12 plays, with DeLoach crossing the right tackle slot in the final three yards.

Iowa Park's last scoring opportunity came with 5:21 remaining on the scoreboard clock, when David Correll covered a Jacket punt reception fumble on Stephenville's 22 yard line. But Stephenville's third interception of the game ended the locals' opportunity at the 10 yard line.

Ray Cook, who had a good first half gaining 56 yards in

11 carries, was never able to break for one of his tailored long runs. He was held to 99 yards in 14 attempts for the night.

Randy Blair was the next leading gainer for Iowa Park, being credited with 40 yards on 12 times with the ball.

Iowa Park's seventh grade defeated their hosts at City View 28-0. Jim Smith scored two touchdowns, while Chris Netheny and Steve Smith each scampered into pay dirt. Steve Smith also scored an extra point.

EDITORIAL

Volleyball spirit good

Our athletic record as a whole was not too outstanding last year, but as for individual sports, volleyball achieved one of the best records. The support for the team was limited because most people were concerned with football or basketball because those seem to be the leading sports in Iowa Park.

It seems that the trend may be changing. There are more spectators this year showing up for the volleyball games, but, more important, the enthusiasm and spirit

has been outstanding.

At a recent game against Vernon, it was noticed that many fans were on their feet cheering. It was noted as one of the most exciting games in a long time.

Fans were excited about the game, and praised the girls for their individual achievement. Spirit in the fans seems to help spark results on the score board. If so, the volleyball teams should have a good year because the fans are there and spirit is high.

Homecoming activities center at Eagle Stadium

Eagle Stadium was the center of attraction during homecoming weekend here offering all kinds of excitement ranging from football to bingo. The weekend activities were kicked off during

pre-game ceremonies Friday night when Sylvia Holton was crowned homecoming queen. A senior at Holliday High School, she is daughter of Mr. and Mrs. Cecil Holton.

The homecoming queen court included Amanda Wood, junior, daughter of Mr. and Mrs. Raymon D. Wood; Lisa Talley, sophomore, daughter of Mr. and Mrs. Don Talley; and Kim Addison, freshman, daughter of Mr. and Mrs. Leon Addison.

When the Eagle Marching Band and other participants cleared the field, the scene was transformed into a gridiron battlefield. Coach Don Lucy's Eagles were ahead by seven at halftime when the field became the site of another

crowning ceremony. Donna Ruth, a junior at Holliday High School, was crowned band sweetheart during halftime festivities. She is the daughter of Mr. and Mrs. Don Ruth. Her court included Bridget Talley, junior, daughter

of Mr. and Mrs. Don Talley; and Tracy Anderson, junior, daughter of Mr. and Mrs. Phil Anderson.

The Eagles came back to soundly defeat Henrietta 26-8 before what was termed as one of the largest football crowds in Holliday in recent years.

Activities at Eagle Stadium were rekindled Saturday afternoon when the HHS seniors sponsored a barbecue and carnival.

More than 1,000 persons feasted on barbecue beef, beans, potato salad, pickles, onions, bread, tea and pie.

Scattered across the gridiron were booths and games ranging from bingo to a country store.

Vickie Flowers and Randy Berryman, both seniors, were named Mr. and Miss Round Up, climaxing the high school's annual Round Up Week festivities.

Other nominees for the Round Up title were Pam Barton and Gary Drummond, juniors; Laurie Maul-

den and Barry Lawson, sophomores; and Sandra Davis and Jody Collier, freshmen.

Teams split doubleheader

Holliday's Top Of Texas football teams traded wins this weekend with Bradford Elementary of Iowa Park. Holliday's midjets defeated Bradford 32-0, while Bradford stopped Holliday 14-0 in pee wee action.

First half of the midjet game was a defensive standoff with Holliday holding a narrow 2-0 edge over Bradford. Only yardage gained by Holliday was 13 yards made by Brad Harmon and a 20-yard aerial attack from Harmon to Kevin Blankenship.

The second half was another story, with Johnny Trainham recovering a Bradford fumble on the opening kick off. Jeff Belcher delivered a 35-yard TD on the following play. Belcher supplied the extra point run.

Mike Parker landed in pay dirt for Holliday on a 32-yard scamper. Belcher made the point after. Parker romped 43 yards for Holliday's next TD, followed by Belcher's extra point run.

After exchanging fumbles, Harmon scored Holliday's final TD on a 26-yard romp.

Belcher, Harmon and Parker combined to give Holliday its 155 yards on the ground, aided by the blocking of Jay Burks, Gil Gilbert, Trainham and Clint Sissom.

Outstanding on defense was Michael Wright, Belcher, Gilbert, Tracy Wood, Lawson and Guy Gilmore. Holliday was 5-10 in the passing category.

Holliday will host Henrietta for Saturday night's action.

Salthouse-Morrow wedding vows are repeated Saturday

A double-ring ceremony was read Saturday evening in the home of the groom's parents, Mr. and Mrs. Claude Morrow in Holliday uniting in marriage Miss Patricia Darlene Salthouse and Gary Dean Morrow.

Parents of the bride are Mr. and Mrs. John Gillum of Wichita Falls.

Gil Peters, minister of the Holliday Church of Christ, officiated the ceremony before the fireplace in the

den featuring a mantel decorated with lighted tapered, yellow stephanotis, greenery and white ribbons. Urns of ivy flanked the hearth.

The bride was given in marriage by her father. She wore a pale yellow Quana gown designed with an Empire waist accented with white lace. She wore a matching Qiana tiara trimmed with seed pearls and carried a bouquet of yellow carnations, baby's breath and lace atop the groom's white heirloom Bible.

Mrs. Judy McClur of Wichita Falls was matron of honor. She was attired in a beige embossed polyester gown trimmed with white and blue lace. Her headpiece was fashioned of blue roses and ribbons and she carried a nosegay of yellow carnations and baby's breath.

Miss Michelle Lea Morrow, niece of the groom, dressed in a yellow frock, carried the rings on a yellow Qiana pillow.

Don Morrow of Wichita Falls was best man. The bride attended schools in Oklahoma and at Electra. A graduate of Holliday High School, the groom served in the U.S. Navy on the aircraft carrier, U.S.S. Enterprise. He is presently employed by PPG Industries.

A reception was held following the wedding. Refreshments were served from a table covered with a yellow net ruffled cloth over white linen. The appointments included a white floral centerpiece, two-tiered cake decorated in yellow and blue, the bride's colors, topped with white satin bells, and the crystal punch service.

Mrs. Darlene Gardner of Iowa Park and Mrs. Tony Perez of Wichita Falls served refreshments to approximately 45 guests from Oklahoma, Wichita Falls, Burkburnett, Iowa Park and Holliday.

Later in the evening, the newlyweds were honored at a party given by PPG employees in the Don Morrow home in Wichita Falls.

Top Windthorst in three games

Holliday's junior high and JV football teams picked up a trio of wins against Windthorst.

Joe Chase returned the opening kickoff 75 yards to give the seventh grade Eagles their first score of a 22-0 victory.

Set up when Chase

intercepted a Windthorst pass, Holliday's Ray Looney completed the second TD drive on a 50-yard run. Looney provided the extra points.

Holliday scored again in the second quarter when Wade Moyer intercepted a Windthorst pass and re-

turned it 20 yards to pay dirt.

Looney scored also on a 15-yard romp, followed by the extra point run by Chase.

Similar to the seventh grade opening TD, Holliday's eighth grade also drew first blood when Billy

Whitney returned the initial kick 65 yards.

Holliday's second touchdown came in the final quarter when Whitney set up the TD on a 30-yard run. Eddie Flowers scored on a 32-yard romp.

Holliday won the eighth grade contest 12-0.

In the junior varsity game, Holliday rolled over Windthorst 14-6.

James Porter, Conray Chase and Jerry Graves combined to provide yardage for Holliday's first TD, a two-yard plunge by Porter.

Windthorst scored in the third period, but Holliday rallied in the final quarter when Chase hit pay dirt from five out.

Graves connected with Kent Lemons to provide the extra points.

Holliday's junior high and JV teams will host Seymour here Thursday with the first game set for 5 p.m.

BEFORE HOMECOMING CROWD

Ruby, Ayres lead Big Red in victory over Henrietta

John Ruby and Lynn Ayres came up with the lion's share of important turnovers that played a substantial part in Holliday's 26-8 homecoming victory over Henrietta Friday night.

Ayres, a junior tailback, scooped up a Bearcat fumble and hauled in two interceptions.

Ruby, recovering well from injuries received in an automobile mishap that had him sidelined the previous week, picked off a stray Bearcat pass and a fumble. He also scored Holliday's first TD.

Ruby and Ayres were not alone in the turnover category, however, as Clay Carver and Randy Berryman also nailed down Henrietta fumbles.

Larry Ayres also intercepted Henrietta, but his effort was nullified by a penalty imposed on the Eagles.

The Friday night victory over Henrietta marked the

Eagles' fifth Class AA victim this season.

Boosting their season record to 5-0, the Eagles performed Friday night before a capacity homecoming crowd that enjoyed a good game, good weather and an array of pretty girls.

The Eagles didn't waste any time getting on the score board.

Taking their second possession 80 yards from pay dirt, the Eagles capped off the drive on a 47-yard TD pass from Berryman to Ruby with 7:08 left in the first quarter.

Berryman's PAT was good, and Holliday was on its way to victory.

The Eagle defense made its first excitement of the night when Carver pegged a Bearcat fumble on the next series of Henrietta downs.

Neither offensive unit was able to move the ball and with less than a minute remaining in the first period one of Berryman's passes

was picked off by a Bearcat defender.

Berryman came out chucking again in the second quarter. One of his passes brought Holliday fans to their feet when a Bearcat defender bobbled his interception effort only to have Ruby emerge with the pigskin giving Holliday one of its 14 first downs of the night.

The remainder of the second quarter was a dismal offensive show, but the defensive units kept the game from dropping to a lull.

A bright spot in the contest came early in the second quarter when Andy Barton zeroed in on a Bearcat running back and knocked the ball loose allowing it to be recovered by Lynn Ayres.

Taking possession at mid-field, Holliday's attempt to move in for the score was foiled on a fourth down situation when Berryman was flagged for intentional

grounding.

Henrietta couldn't move the ball either as they continued to go to the air against Holliday's secondary spearheaded by the Ayres cousins.

On the last play of the half Henrietta went for the bomb, but Larry Ayres had his hands and head in the right place to break up the aerial attempt.

Holliday opened the second half on a sour note, finding the running room scarce and penalties plentiful.

It was Ruby's interception half way through the third period that put Holliday back into control.

The interception was one of those unusual plays that had fans wishing for instant replay. The ball hit the Henrietta receiver square in the chest, and the Rube was there to take it on the rebound.

Holliday couldn't penetrate on the possession, but neither could the Bearcats after taking the punt.

Holliday's second TD was set up when Berryman recovered a Henrietta fumble, then guided the Eagles 30 yards to pay dirt.

With 1:36 left in the third period, the drive was capped off on a one-yard plunge by Bob Gilmore.

Berryman's PAT was blocked.

Two plays later a Henrietta receiver fumbled after a successful catch and Ruby was there to make the

recovery for Holliday.

Gilmore was injured on the play. A painful hip injury kept him out of the remainder of the game.

The third Eagle touchdown was set up when Lynn Ayres intercepted a Bearcat pass just moments into the final period.

Larry Ayres exhibited a good second effort to carry the ball 15 yards into pay dirt with 11:17 remaining in the final period.

Berryman's PAT was good, boosting Holliday's margin to 20-0.

A flurry of flags preceded Henrietta's one touchdown of the night.

Holliday fell heir to the first flag, a roughing the passer call, that nullified Larry Ayres' interception and 20-yard return.

Holliday picked up 25 yards in penalties, aiding Henrietta in their drive that ended on a 26-yard TD pass with 9:30 left on the clock.

Henrietta went for the two-point conversion and succeeded on a pass play.

With Timmy Teafatiller replacing Gilmore in the backfield and Steve Lucy seeing action in the quarterback's post, Holliday's next offensive drive was smothered by a fumble.

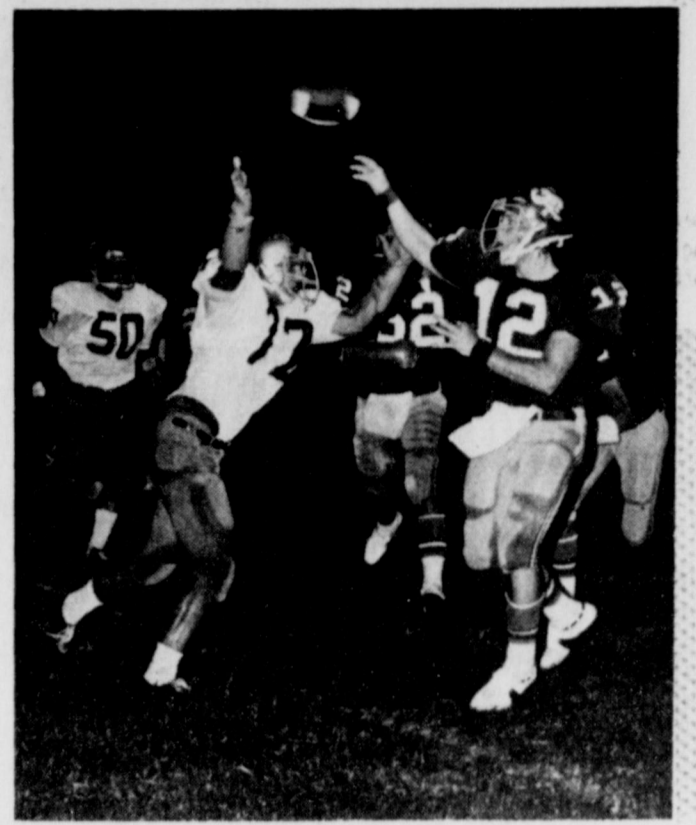

However, Lynn Ayres snatched up another stray Bearcat pass and sent Holliday on its way to another TD.

Lynn Ayres picked up a quick first down, and then Berryman connected with

Ruby for nine yards.

Berryman scampered 36 yards on a keeper to deliver the final Eagle TD, but his PAT fell short of the uprights.

NARROW ESCAPE--Holliday quarterback Randy Berryman [12] releases a pass moments before being smothered by a Henrietta defender.

Eagles take breather

Holliday Eagles will take a breather from the gridiron grind this weekend before going into conference play.

Sporting a 5-0 season record, the five wins over Class AA teams have put Holliday in the No. 2 spot among Class A schoolboy

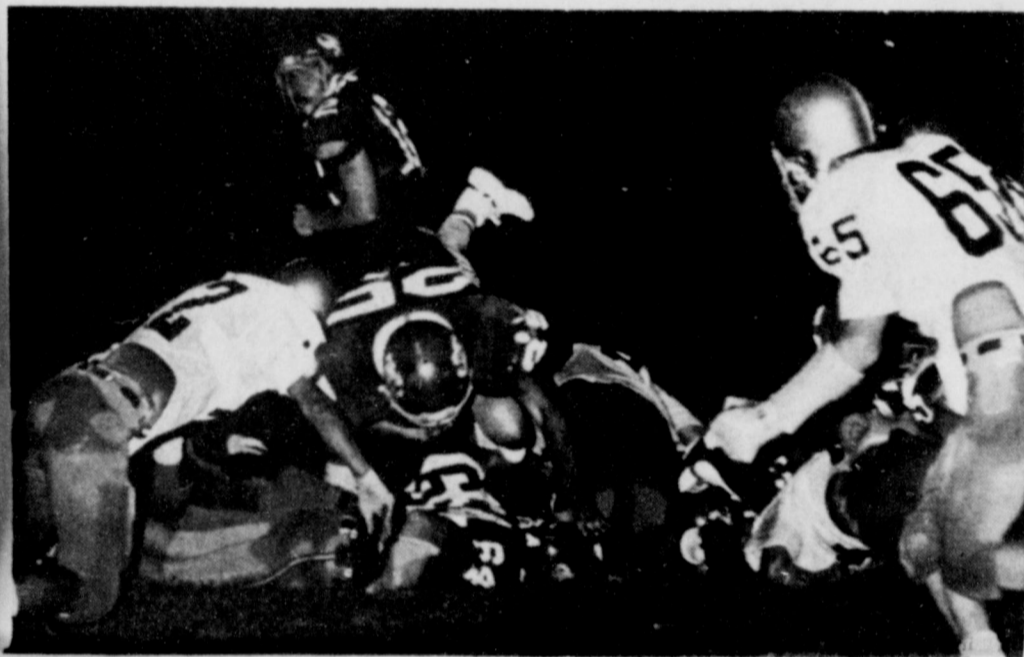

teams in Texas, according to the Associated Press.

Coach Don Lucy's Eagles are the undisputed pick among sportswriters to return to District 13-A domination this year.

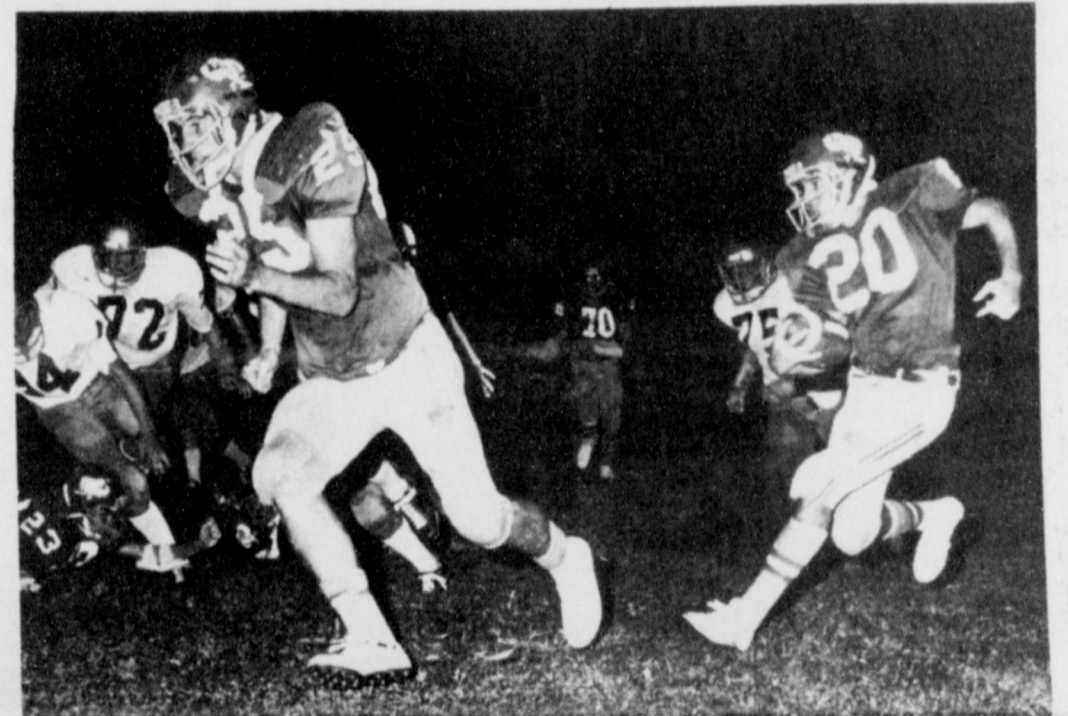

In the wake of this Friday's open date, the

Eagles will begin district competition when they host Lindsay here Oct. 15.

Holliday has racked up a total of 107 points compared to a total of 37 points scored by opponents.

OVER AND IN--Holliday's Bob Gilmore, center, is upended as he plunges into pay dirt for the Eagles' second TD against Henrietta.

COMING THROUGH--Bob Gilmore [25] blazes a trail for Larry Ayres [20] during the homecoming clash here Friday with the Henrietta Bearcats.

Chess topic of speaker

John Chapman presented a program on "The Art and History of Chess" for the Iowa Park Optimist Club meeting Monday night. Included in his presentation were facts about the Wichita Falls Chess Club and the National Federation of Chess.

James Richter, secretary-treasurer, reported on the club's Whoop-T-Do BB shooting booth and announced that the first place trophy winner was Shannon Combs of Burkburnett, son of Mr. and Mrs. Gerald Combs, with Don Sidlaukas, son of Mr. and Mrs. Andrew Sidlaukas receiving second place trophy.

He said both boys shot eight out of 10 targets and when they advanced to the finals Shannon won by a one shot margin. The trophies were designed and furnished by Louis Jewelry.
