## Petition filed to remove Gilmore from council

Legal action has been taken to remove Bill Gilmore from his elected position as Iowa Park city alderman. A "quo warranto" was signed by Texas Attorney General Mark White Monday in Austin which will, in effect, require Gilmore to show cause why he should not be removed from his council seat after having been found guilty of a felony. The action may not be necessary, however, because the beleaguered Gilmore faces sentencing at 1:30 p.m. Monday in federal court on another felony charge to which he has pleaded guilty. The first public announcement of the quo warranto was made during Monday night's city council meeting, when city attorney Roger Lee informed the council that any votes in which Gilmore's vote was a deciding factor was "... at very least in question." Lee said the quo warranto had been signed by himself, District Attorney Tim Eysen, an assistant state attorney general and by the attorney general. Recognizing Chapter V, Section 1, Art. 1.05 of the election code which prohibits any convicted felon from seeking or being appointed to a public office, unless pardoned or full rights of citizenship restored by other official action, the legal petition will require Gilmore to show by what authority he should be allowed to remain in office. Eysen explained that the action would, in effect, "make law" in that the law prohibits a convicted felon from seeking office but no where states that a convicted felon can continue holding office, if a conviction comes after having been elected to office. The hearing will be held in 30th

district court by Judge Calvin Ashley, but no date has yet been filed, Eysen said. The petition was filed after a 10-day appeal period had expired, following Gilmore's plea of guilty in district court to a charge of theft, for which he received a five-year probated sentence and fined \$2,500 by Dist. Judge Temple Driver. Lee explained the petition was withheld the 10-day period, during which time Gilmore could have appealed the case, which becomes final after that time. It was on the basis of that felony conviction that the petition was filed, and not on the federal felony case to which Gilmore also pleaded guilty but has not yet received sentence. After Lee's announcement of the quo warranto, Mrs. Gilmore, who was also in the audience, asked who instigated the action. Lee told her the "... petition was signed by an assistant attorney general in Austin, District Attorney Tim Eysen and me." Mrs. Gilmore then asked Lee if there was any coincidence the attorney general signed the petition that day (before the council meeting), and Lee replied "It was not by coincidence." Gilmore is to receive sentence Monday in federal court from Judge Eldon Mahon on a charge of mail fraud, aiding and abetting. Originally indicted on 10 counts of mail fraud by a federal grand jury, the charge to which he pleaded guilty was the result of a plea bargain. Maximum penalty in the case is five years in prison and a fine of \$1,000. In a federal case, when a person pleads guilty as result of plea bargaining, the sentencing by the judge is final. There is no appeal

allowed, the Leader was told by Judge Mahon. For the second time in two weeks, the Iowa Park city council has named Billy Hamilton chief of police. Meeting Monday night in the high school auditorium because council chambers could not hold the audience of some 150 persons, aldermen voted 3-2 to appoint Hamilton head of the police department. The second vote on the appointment was required after the June 28 appointment was held in abeyance when mayor pro tem Johnny Coker filed for reconsideration. Acting with the knowledge that the vote might once more be nullified, aldermen Bill Gilmore, Bud Thompson and Herman Mahler voted as they did June 28, to appoint Hamilton. Coker and George Hammonds voted against the appointment. Prior to reconsideration of the appointment, Roger Lee, city attorney, informed council members that earlier that day legal action had been initiated to remove Gilmore from the council and any vote in which Gilmore's was a deciding count could be discounted. A 46-minute executive session was held by the council before the vote was held. Attending the closed discussion with council members

were the city attorney, Hamilton and his legal representative, Mike Payne. Explaining to the audience the activities which had led up to the reconsideration vote, Mayor Charlie Lee said he had not known of Coker's intentions to file the letter when he left town, but was informed by telephone after arrival in Iowa. When told by Coker of his intentions, Lee said he was "... in agreement 100 percent to call for reconsideration." As a side comment to Alderman Mahler, who was quoted in the Wichita Falls newspaper that Lee wanted to keep his hands clean and left town prior to Coker's action, Lee said the "... trip wasn't all pleasure and I will give you a written report if you desire." After Lee's calling for discussion on the appointment, Hammonds made it known his reason for wanting to name Capt. Robert Dean was primarily based on the council's appointment of him as acting chief after Charlie Whittingstall's retirement. Hammonds was referring to the May 24 meeting of the council when Dean's nomination as acting chief was made by Gilmore, seconded by Thompson and passed unanimously. It was Gilmore's motion June 28 to elevate Hamilton over Dean as chief. Before calling for the vote, Lee urged the council to delay any decision, pointing out that eight applications had been received from applicants for the position as result of state-wide advertising. When no indication was offered the council wanted to wait, Lee called for the vote. After counting the show of hands, the mayor said, "This is an adequate number, since it only takes a majority to name Billy Hamilton as chief of police." A loud applause arose from the audience, and Hamilton stood with arms outstretched, acknowledging victory.

repealed prohibition of driving on two city lake dams, and providing for temporary occupancy of travel trailers in residential areas. No action was taken, however, on a proposal to discontinue allowing discounts for early payment of city taxes. Membership of the park board was made unlimited, with a minimum number of seven, but provides now for a member of the Recreational Activities Center board to be an ex-officio park board member. At the request of council members at the previous meeting, an ordinance was drafted which lifted a ban on vehicle driving on all city lake dams. Members tempered the ordinance to continue restriction of vehicles on Gordon Lake dam, but permits traffic on the dams at Lake Iowa Park and Lake Buffalo. In his message to the council, Steve Morath, city administrator, pointed out "You should be advised that allowing vehicular traffic on the dams is contrary to the recommendations of the Texas Department of Water Resources. This state agency will be

inspecting the City's dams in the near future and could require corrective action if sufficient damage is found due to vehicular traffic." Hammonds pointed out that four-wheel vehicles and motorcycles were already climbing the sides of the dams to get on them, creating more erosion than he felt would be caused by opening the dams to traffic. Concerning occupancy of travel trailers in residential areas, aldermen added to the ordinance the definition of "temporary" would be a maximum of 14 days out of a 30-day period. All three ordinances were approved by unanimous votes. On the proposal to discontinue discounting early tax payments, Thompson said senior citizens and others on fixed incomes should not be included, and action on the proposal was tabled. In a letter to the city, tax collector Bill Steger had pointed out the city had discounted \$50,946 over the five years the policy had been observed. Last year's discount was the greatest since it began in 1977, when \$12,632 was discounted.

## Miller commissioned DPS trooper

Ronnie D. Miller of Iowa Park has been commissioned as a trooper with the Texas Department of Public Safety. Miller received his commission as a

state of Texas law enforcement officer from Colonel Jim Adams, DPS director, in a graduation ceremony at DPS headquarters in Austin. Miller completed a challenging

18-week training program at the DPS Academy. The intensive course, recognized as one of the best programs of its kind in the U.S., included instruction in traffic law enforcement, accident investigation, the Texas Code of Criminal Procedure, firearms training, first aid, narcotics identification and other subjects related to law enforcement. "Besides being trained to carry out police duties in a highly proficient manner, these officers have been taught to be responsive to the law enforcement needs of a community and its citizens," said Colonel Adams. "But their foremost duty is to faithfully serve the citizens of Texas." Trooper Miller, 29, has been assigned to the Highway Patrol Service and will be stationed at Nocona. Trooper Miller is the son of Mr. and Mrs. Willie C. Miller of Gunter. He was a member of the Iowa Park Police Department prior to enrolling in the academy.

## Nine locals attending state FFA convention

Wednesday afternoon was a big day for two members of the Iowa Park chapter of Future Farmers of America. Billy Wachsmann was recognized as one of the Area Four members receiving the Lone Star Farmers degree, and James Cowley competed for the state public speaking crown. The pair, along with six other members and an advisor are attending the 54th annual Texas FFA convention in Fort Worth, which began Sunday and ends tomorrow. Wachsmann is among 1,729 receiving the state degree. All

recipients from this area were presented during yesterday afternoon's session. Cowley competed with nine others in the public speaking contest. Besides cash awards, the first place speaker advances to the national convention contest this fall. Sponsored by Production Credit Associations of Texas, first and second place state winners receive \$300 and \$200 respectively. Cowley's topic is "Water -- Man's Destiny." Voting delegates from the local chapter are Tracy Taylor, Misty Hicks and Scott Young. Others attending include Derrick Crompton, Rowdy Robertson, Kim Williams and Billy Johnson, advisor. Keynote speaker for yesterday's general session was Charles Stenholm, U.S. Representative from the 17th district. Scholarships and awards will be presented today. Stars Over Texas awards program will be the highlight of this evening's program. The new state president will be elected tomorrow, as well as the new state sweetheart.

## News in brief

### MuleSkinner tourney starts tonight

The third annual MuleSkinners' Slow Pitch Tournament will get underway at Burnett Field this evening. Play will be tonight, Friday evening, all day Saturday and

continue Sunday until the champion is decided. The local service organization will have the concession stand open to the public and will be serving brisquet sandwiches.

### Tractor pull starts tomorrow

The annual tractor pull sponsored by Wichita County Young Farmers is slated Friday and Saturday at the rodeo arena on FM 369.

Competition will be held for modified tractors and four-wheel-drive trucks. Tickets are \$6 for adults and \$3 for children, and box seats are available.

### Work session set at soccer field

A working session will be held at 9 a.m. Saturday at the David Kinsey Soccer Field, according to Larry Ware, commissioner.

Coaches, parents and interested parties are encouraged to help, Ware said.

### Footballers must obtain physicals

Iowa Park High School and Junior High football players are reminded by David Baugh, head football coach, that they have until

Aug. 1 to obtain their physicals. Baugh said forms for the physicals are available at Park Clinic or at the field house.

## Billfold containing \$500 taken from livingroom

Glenn A. Lambert Jr., 108 W. Chestnut, told police someone entered his home between 11 p.m. Friday and 9 a.m. Saturday, and removed his billfold containing \$500. Lambert told police Monday that he had left his pants containing the billfold lying on the livingroom couch. The front door was unlocked. Besides the money, which was in denominations of \$10 and \$20 bills, the billfold held his drivers license and two credit cards. Another \$500 loss was the taking of two window air conditioners from 416 and 418 E. Diamond recently. Connie Rowell, who made the report, said a window was also broken and a screen damaged.

Considerable damage was inflicted in a criminal mischief case reported Thursday by Linda Boren, 710 W. Texas. She told police someone during the previous evening had forced their way into the house, breaking the lock on a door. The impact apparently knocked numerous trophies off shelves on the wall, breaking them. The culprit cut the mattress and two pillows in two separate bedrooms and jerked the telephone from the wall. Two bicycles were reportedly taken Wednesday night from in front of the garage at 1303 Westridge. Kay Kinnett set the loss at \$284.

# Attwood, Hutson wedding officiated by uncles

Two uncles of the bride, Rev. Paul A. Kuykendall, pastor of the Byers Assembly of God Church, and Rev. Jarrell Kuykendall, an evangelist, were the officiants for a double-ring ceremony June 28 when Miss Rhonda Kay Attwood and Scott Ray Hutson repeated their wedding vows. The Kamay Assembly of God Church was the scene of the wedding.

Parents of the bride are Mr. and Mrs. Virgle L. Kuykendall of Electra, and the groom's parents are Mr. and Mrs. Roy T. Hutson of Iowa Park.

The altar decorations consisted of a brass archway trimmed with greenery and flowers and brass heart-shaped candelabra.

Miss Kathy Kuykendall, pianist and vocalist, presented "The Way We Are" for a prelude number, and "You Light Up My Life" during the ceremony. She and her mother, Mrs. J.D. Kuykendall sang "The Lord's Prayer" at the close of the service. The pianist played the wedding marches of tradition for the entrance and exit of the wedding party.

The bride was given in marriage by her parents. She wore a formal white

MRS. SCOTT RAMSEY HUTSON

satin gown enriched with Chantilly lace. The lace trim bordered the Queen Anne neckline of the high-waisted bodice and cuffed the long sheer bishop sleeves. A wide lace sash threaded with narrow satin ribbon encircled the waistline. The lace added interest to the full skirt in wide panels in both front and back and bordered the hemline and chapel train.

The lace was repeated in her Juliet cap that held her fingertip veil bordered with wide lace. She carried a cascade-style bouquet of apricot and white silk roses and daisies accented with matching silk ribbon streamers.

Mrs. Fred Smith and Miss Lori Hutson had the roles of matron of honor and bridesmaid, respectively, in the wedding. They wore apricot silk gowns overlaid with matching lace, white picture hats and carried nosegays formed of the same flowers in the bride's bouquet.

Melissa Marriott, the train bearer, and Rebekah Kuykendall, the flower girl, were dressed like the attendants. The former wore a wrist corsage and the latter carried a basket of apricot and white silk flowers.

Adam Marriott, the ring bearer, David Hutson, best man, Wayne Attwood, groomsman, James Kuykendall and Mike Kent, ushers, were attired in spice tuxedos and apricot shirts. The groom chose an all-white tuxedo.

The reception was given by the bride's parents in the church annex.

The bride's table was covered with a floor length apricot linen cloth set apart with top drapes caught with matching silk ribbon bows. The table was appointed with a floral centerpiece of apricot and white silk roses and daisies, baby's breath and stephanotis, the sheet cake decorated in the chosen colors and topped with a bride and groom, and silver punch service. Refreshments were served by Mrs. Jane Lewis and Mrs. Jim Marriott.

Mrs. Laurence McLemore and Mrs. Jerry Standiford served the chocolate cake decorated with marzipan fruit and coffee from a silver service at the groom table laid with dark beige polyester.

Miss Deborah McLemore assisted wedding guests with registering at a table covered with white lace over

apricot holding the book, an apricot candle, and a wicker basket filled with net bags filled with rice for guests to shower the newlyweds with as they left the reception.

The bride and groom were graduated from Iowa Park High School and are employed at PPG. They will live in the Valley View community.

Parents of the couple hosted the rehearsal dinner at the home of the bride's parents.

Mr. and Mrs. Raymond Pierce of New Albany, Ind. grandparents of the bride, were special out-of-town guests. Others from New Albany were Misses Lusadia Mifflin and Debbie Pierce. Guests from Sellersburg, Ind. were Mr. and Mrs. Terry Standiford and Mr. and Mrs. Gary Pierce.

Mr. and Mrs. Robert Ritter of Burkburnett announce the birth of Garrett Michael, an eight pound, three ounce son, born July 1. He has one sister, Erin Nichole, 19 months of age. Mrs. Ritter is the former Debbie McCreary.

Grandparents are Mr. and Mrs. Kenneth McCreary of Iowa Park and Mr. and Mrs. Jim Ritter of Vernon. Great-grandparents are Mr. and Mrs. Melvin McCreary of Iowa Park, Mrs. Mary Ann Wyatt of Wichita Falls, Mr. and Mrs. Otto Fluhman of Vernon and Mrs. L.M. Ritter of Minden, La.

## New officers, pin presented

New officers were installed and an unusual membership tenure pin presented Friday night when the Noon Lions Club held an informal meeting at the Richard Hill home.

Installed were James Edwards president, Keith Aulds vice president, Richard Hill secretary, John Sibley treasurer, Bob Hamilton Lion tamer, and Bill Steger taitwister.

Lester Brooks was presented his tenure pin for having been a member 45 years, an unusual length of time, according to Bob Hamilton, who made the presentation and installed officers.

Members' wives were also present for the covered dish dinner.

## Members attend district meet

Eleven members of Epsilon Eta chapter attended the District VI Epsilon Sigma Alpha meeting at Arlington Saturday and Sunday.

Mrs. Bill Hrcncirik, a member of Epsilon Eta, is serving as district president and presided during the business session. Other district officers from the chapter include Mmes. Phil McDonald, coordinator; David Parkey, corresponding secretary; and Steve Turner, yearbook chairman.

Awards received by the local chapter at the meeting were: Atta-Girl, the only award given by the state president for 100 percent participation, and the Gold Link education award. The chapter also placed first in rush outline and third in chapter history.

Other members who attended the district meeting were Mmes. Bud Mercer, Larry Whitaker, Bill Vanek, Roy Johnson, Darrell Gunderson and Larry Motl.

## Gillen, Goetze wedding held Saturday in Corsicana

JAY HARALSON and KIM CABLE

### Former resident's wedding date set

Mr. and Mrs. Bobby Cable of Nocona announce the engagement and forthcoming marriage of their daughter, Kim Denise, and Jay Lynn Haralson, son of Mr. and Mrs. Jess G. Haralson of Nocona, former residents of Iowa Park.

The bride-to-be was graduated from Nocona High School and is currently employed at Gibsons in Bowie. Her fiancé, who attended schools in Iowa Park, was also graduated from Nocona High School and is currently self-employed in ranching.

The wedding will take place July 30 in the Pecan and Sanders Street Church of Christ in Bowie.

### TOPS meets

Ten TOPS Club members weighed in for the Monday night meeting. Mrs. Pauline Steele was the ideal KOPS for the week and Mrs. Roland Putman was TOPS queen.

For the program, Mrs. Putman read the "Vanderbilt Univ. Weight Loss Plann" by Martin Kathahn, Ph.D.

It was announced that a six-weeks contest "Fly High" would start next week.

### CORRECTION

The date of the wedding for Miss Tessy Johnson and John Cole Jr. was omitted in last week's announcement. The ceremony will take place Saturday, July 31, at the Highland Heights Baptist Church in Wichita Falls.

Miss Lyndall Rose Gillen, daughter of Mr. and Mrs. Loyd A. Gillen of Barry, and Larry John Goetze, son of Mr. and Mrs. Oscar J. Goetze of Iowa Park, were married Saturday evening in the Wesley United Methodist Church in Corsicana. Rev. Bill Grisham, pastor, directed the exchange of the double-ring vows.

The wedding decorations featured spiral candelabra wrapped with greenery at altar extremities, a large central arrangement of spring flowers, and twin floor palms. Family pews were marked with satin bows.

Mrs. Bill Grisham, pianist, furnished the prelude music and wedding marches. During the ceremony vocal numbers were provided by Jay Ryman, Matt Morris, Kevin Woodall and Johnny Morris, who sang "Annie's Song" and "Dream On."

The bride's father, wearing a chocolate western cut tuxedo,

### Donation report given to class

Sixteen members of the Friendship Class of First Baptist Church met Monday evening in the home of Mrs. M.E. Goforth for the monthly meeting. Mrs. V.I. Woodfin served as co-hostess.

During the business directed by Mrs. D.H. Ford, Mrs. Elmer Singleton, community service chairman, reported that class members had given approximately \$225 worth of clothing to the Salvation Army during June. It was voted to make a monetary contribution and for each member to contribute food items to the emergency food pantry sponsored by the Iowa Park Ministerial Alliance for the July project.

Mrs. E.T. Patterson gave a devotional talk on "Burdens" for the program, and Mrs. Ruth Hill was in charge of the recreational period.

MRS. LARRY JOHN GOETZE

presented her in marriage. She wore a striking gown of Belgian Schiffl lace designed with a beaded bodice, long fitted sleeves that terminated in petal point cuffs, an empire waist that swept to back fullness, and a chapel length train encircled with crystal pleating.

She wore a fingertip illusion mantilla veil bordered with lace, and carried a bridal bouquet of sonia roses and ivory carnations.

Miss Connie Barnes of Tyler was maid of honor and Miss Rhettta Gillen of Emhouse, cousin of the bride, was bridesmaid. They wore empire-waisted gowns of apricot taffeta

overlaid with ivory French lace, and each carried one long stemmed sonia rose tied with ivory lace ribbon.

La Raena Curry of Barry, the flower girl, wore an ivory Chantilly lace frock made with short puffed sleeves. Jeff Hancock of Malone, the ring bearer, was clad in a chocolate western cut tuxedo and ivory shirt.

The groom wore a western cut ivory tuxedo, and the masculine participants wore ivory jackets and toast trousers.

Bill England of Iowa Park was best man, and Jay Foster of Hubbard was groomsman. Duties of ushering and seating guests were assigned to Rodney Prince of Lewisville, Dick Elliott of Stephenville, and Mike White of Wichita Falls, the last two also served as candlelighters.

The wedding was followed by a reception given by the bride's parents in the Fellowship Hall of the church. The bride's table was centered with her bouquet, and the groom's table held a three-branched candelabrum.

Miss Johnita Gillen presided at the wedding guest book. Reception assistants were Misses Lynelle Issa, Vicky Goetze, Marsha Foster and Paula Crawford.

The groom's parents were hosts for the rehearsal dinner held at K-Bob's.

Following a wedding trip to San Antonio, the couple will live in Hubbard where both are teachers in the public school system. The bride was graduated from Blooming Grove High School and received Bachelor of Science and Master of Arts degrees

from Baylor Univ. The groom was graduated from Iowa Park High School and from Tarleton State Univ. with a Bachelor of Science degree.

When the couple left on their wedding trip, the bride was wearing a prairie skirt and white blouse with ruffled neck.

Out-of-town wedding guests were from Corsicana, Wichita Falls, Iowa Park, San Antonio, Electra, Emhouse, Ft. Worth, Arkansas, Hubbard, Houston, Dallas, Hurst and Burkburnett.

## As I See It....

By BOB HAMILTON

Unless you've had the responsibility of chairing a meeting, directing activities and talking in an orderly fashion, you might not appreciate what a difficult job Mayor Charlie Lee had at the Monday night city council meeting.

He did an outstanding job, especially under the circumstances. To some people, if they've got something to say, they are going to say it when they are good and ready. They don't understand "Roberts' Rule of Order" nor do they exercise good manners.

About half a dozen in the audience spoke out without permission from the chair. Some of them appeared to be looking for trouble... the physical kind.

The meeting was charged with emotion. Obviously it had to do with the naming of a police chief and the

legal plight of Alderman Bill Gilmore.

Had the mayor not handled the meeting as he did, I have no doubt it could have gotten completely out of hand, and even wound up with one or more fights.

Lee tolerated a number of comments from the audience though he had not given permission to speak. A few, but not many. And he closed meeting at precisely the right moment, after all items on the agenda had been covered and it became clear that order was about to be forgotten completely.

At one point, a man interrupted a speaker. Another man in the audience told the interrupter to sit down and hear the speaker out. The interrupter said he would listen, "but don't ever tell me to sit down," obviously

challenging the second man.

Lee, who had full right to tell the man to sit down and shut up, chose the term "You are out of order." Rather than inflaming the interrupter's temper, it worked and order was returned.

The situation which prompted the mayor to adjourn the meeting came when a man asked permission to speak, and received it. But as he began, a woman behind him stood and demanded she wanted to speak her peace, and started.

At that point, Mayor Lee called an end to the meeting.

He may not have known it, but the interrupting female was Joyce Wilson, who has been convicted of killing her husband and is free on an appeal bond.

### Agree with editorial

Dear Mr. Hamilton:

Enclosed is a copy of editorial from Wichita Falls Times and Records News (July 7, "Bill Gilmore should resign"), signed by a number of registered voters, which says very well what we believe, and would prefer to see done, to spare our community any more pain and humiliation.

Please see that Mr. Gilmore counts our response in answer to his request that voters reply.

adding a touch of color. Everyone seems to have planted beautiful flowers this year. Next time you drive through another town, notice the houses and yards. You will find few houses with such beautiful flowers, roses and yards. You can't drive down any block in Iowa Park and not find at least a half dozen beautiful yards. It lifts spirits just to see pride like this. Now if only someone responsible would take the time to clean up the store backs in the West 100 block of Iowa Park Road, we would really have the beautiful city we all take pride in. This has been an eyesore in this town long enough. A couple of coats of paint would make all the difference.

### City is pretty

Mr. Editor:

Prior to moving to Iowa Park in August 1981, I looked at many homes. Although Iowa Park was having trouble with water at the time, the selling point was the greeting and friendly attitude toward new people visiting our city. For instance, the constable stopped us and greeted my family to Iowa Park. This was followed by many citizens that

recognized my family as new people (Bud Thompson). With all this my family and myself knew without a doubt that Iowa Park was going to solve the water problem and we wanted to become a citizen of our town.

Citizens, what has happened? Neighbors hardly speak, city councilmen shouting at public meetings. Somewhere we as citizens of Iowa Park need to pull together and solve this problem.

Mayor, councilmen, I humbly beg you to put aside your personal battle. Make good, sound decisions. Decide, as our governing body, what is best for the majority of citizens.

If need be, go back and read the oath of office. Re-evaluate your reasons for wanting to serve as our councilmen. Were you elected to 100 people or majority of citizens?

You were elected because you have sound minds, not because you are a good old boy. Please help us to pull our city back together.

Thank You,  
Edgar L. Casper

### Should resign

Dear Mr. Hamilton,

I appreciate Mr. Gilmore's work on the City Council. But I do think he should resign.

Thank You  
Mrs. Ida Bell Jones

### Reappoint Hamilton

Dear Mr. Hamilton,

I am writing in regards to this position Mr. Billy Hamilton has been put in. As a policeman he did a good job. As a person, he and his family are well respected people.

I have always been told and taught that when a person was voted in that was the way it stood but seems like in our town we have a new system. If so we should not worry about voting, for if they, I mean the higher officials, doesn't approve they can just cancel it out. By all rights and decency Mr. Hamilton should still be the chief of police.

Mrs. T.D. Eaton

### Let's pull together

To the people of Iowa Park:

During this time of great controversy that our town seems to be embroiled in, I would like to point out something entirely irrelevant to the situation at hand. I'm sure everyone could stand a little sunshine now. As I drive through our city, it is so uplifting to see people taking pride in our beautiful town by

## IRS Tax Tips

### SELF-EMPLOYED PEOPLE HAVE SPECIAL TAX CONCERNS

If you're a wage earner, you probably pay most of your federal income tax and social security tax through the convenient, pay-as-you-go tax withholding system.

If you're self-employed, you still have income tax and social security tax obligations, but you don't have the convenience of the withholding system to help you meet those obligations.

Self-employed individuals are required to "pay as they go" just like wage earners, but instead of using the withholding system, self-employed persons file quarterly estimates of their income tax and social security tax liability, and pay their estimated tax four times a year.

Self-employed individuals pay their social security taxes at a different rate than wage earners, too. For the self-employed, social security is paid through the Self-Employment Tax at a rate of 9.35 percent. Wage earners pay social security tax of only 6.7 percent through withholdings, but that amount is matched by the employer. Whether you pay social security tax through wage withholdings or Self-Employment Tax, the

maximum income on which you pay social security is \$32,400.

Estimating requirements and self-employment tax provision apply to those who earn sideline income through self-employment to supplement wage income. Selling home care products in the evening and painting houses on weekends are two examples of part time self-employment income.

The IRS has two free publications that may be useful to you if you're self-employed or contemplating self-employment. Publication 533, "Self-Employment Tax," and Publication 505, "Tax Withholding and Estimated Tax," are available on request. Write: Internal Revenue Service Center, P.O. Box 2924, Austin, TX 78769 and ask for the publications by number.

The Internal Revenue Service along with local colleges and universities also sponsor Small Business Tax Workshops. The seven-hour workshops provide new businesspersons with information on business taxes, employer tax responsibilities and recordkeeping requirements. For information on the dates and locations of the Small Business Tax Workshop in your area, call 1-800-492-4830, extension 1428.

## Your electricity is costing more in 1982 mainly because the fuel to make it is costing more.

This year, we're paying more for fuels we use to make your electricity. This is partly because another low-cost natural gas contract has expired. But mainly it's because the price of all fuels keeps rising.

We don't make a profit on fuel; we charge our customers exactly what we have to pay for fuel. And we show the amount for "fuel" on your bill each month. The chart below shows an approximate increase in your bill this year compared to last year as a result of increasing fuel costs.

If you use (Kilowatt Hours Per Month)	Then your bill will increase about
500 KWH	\$ 5.00
750 KWH	\$ 7.50
1000 KWH	\$10.00
1250 KWH	\$12.50

At Texas Electric, we're trying to hold down fuel costs by using lignite coal — a cheaper fuel. And we're building a plant to use uranium, the lowest priced fuel available to us.

You can help hold down your bill by conserving at home. To learn how, please call us.

 Larry Kingsley, former band director for Iowa Park schools, recently resigned as director at Vernon High School to accept a similar position at Coahoma, a class AAA school.

**Grasshoppers attacking**

**By Don D. Decker County Agent**  
 Grasshoppers are causing problems for some cotton growers in the areas where grassland surrounds cultivated fields. Bobby Stone has lost 30 to 40 acres out of a 200 acre field to grasshoppers. He has sprayed twice with disappointing results. The spray kills these in the field, but new grasshoppers keep migrating from the grassland.

Stone is using a grasshopper bait around the turn rows in an effort to control the migration. His bait mixture includes 100 pounds of wheat bran, 1 1/2 pints of Toxaphene 6E, seven to eight gallons of water, and two gallons of blackstrap molasses. The bait is being placed to intercept the grasshoppers before they can reach the cotton.

Tommy White of Thornberry has had good luck in planting a trap crop around the edges of his cotton adjoining pastureland. He plants one or two drill widths of hybrid sudan around the outside of the cotton. Since grasshoppers prefer grasses over cotton, they stop off at the sudan first. He has the sudan borders sprayed with Sevin XLR for effective control without having to treat the entire field.

Three crops in one year off of the same piece of land was accomplished this past year by Barry and Clarence

Mahler, north of Iowa Park. This feat was located on a 14 acre terrace of the Mahler farm. Barry Mahler says, "If we could do this over the entire farm, we'd be in good shape."

A 45 bushel per acre wheat crop was harvested in June of 1981. David Kearney of Case Equipment Company was wanting to try out a minimum tillage planter. They planted cotton directly into the stubble without even applying a herbicide. The cotton was cultivated one time with a rolling cultivator, and 1/3 bale of cotton was harvested in December of 1981.

Cotton stalks were shredded, the land was plowed, 100 pounds of

18-46-0 was applied, and wheat was drilled in December. This 14 acre terrace was top-dressed with 33 pounds of nitrogen, and 38 bushels of wheat had just been cut. Actually, the three crops were produced over a period of 18 months, but the harvest came in the same year.

This field of 14 acres grossed \$377.50 per acre. After deducting production costs, the field netted a little over \$200 per acre. The question is why not double-crop the entire farm every year? The answer centers on the fact that yields of both crops began declining under a continuous cropping system, mainly due to limited moisture.

# Trustees hire personnel, amend exemption

Finances and personnel dominated Monday night's Holliday School Board meeting, with the hiring of four employees—two temporarily—in addition to amending previous board action concerning homestead exemption to local taxpayers.

### PERSONNEL HIRED

Following an executive session dealing with personnel, trustees returned to an open format to accept the resignation of high school math teacher Gordon Turner.

Hired to replace Turner was Leo Cook, who has previously taught in the Wichita Falls' schools.

Carol Magee, former Hirschi High School principal in Wichita Falls, was hired on a two-year term contract to replace Dan Owen as elementary principal. Owen accepted the superintendent's position during the June board meeting.

"We feel like we have a good person here," Owen said. "He graduated here in 1954, and his mother once served as principal in Holliday."

"We are fortunate to get someone with his (Magee's) background and ability at this time of year," Owen added. Owen further mentioned that Magee has been out of his administrative duties for six months. He will begin here Aug. 1.

Temporary personnel hired were Sam Atkins, science teacher, and Paula Hall. Both were extended contracts only for the 1982-83 school year, substituting for Diane Collins and Donna Case whom trustees gave one year leaves of absence.

### HOMESTEAD EXEMPTION LOWERED

Following a preliminary review of the upcoming year's budget, trustees voted to rescind an earlier action which granted school district taxpayers a 40-percent homestead exemption, and changing it to 30-percent.

The move, according to Owen, was to generate more revenue. The new superintendent further mentioned that the finance committee, consisting of board president Durhl Caussey and trustees Larry Finnell and Alice Carver, will look over remaining portions of the budget to find other cost-saving methods.

"Because of so many exemptions, granted at the state level with their approval, many school districts are finding themselves in a bind when

they are not reimbursed by the state for the exemptions they have allowed," said Owen.

In another move to cut expenses, trustees agreed not to increase salaries for teachers at the present time. However, teachers were given an incentive program with trustees tagging on an extra four days of personal leave. If a teacher decides not to use one or more of the personal leave days, he or she will be reimbursed \$75 per remaining day at the end of the school year.

Teachers were allowed only two days per year personal leave in the past, and they now have six. But only four of those days count in the incentive program.

And, although the teachers were not granted raises on a local level, they are anticipating an 11-percent increase in their state base this coming year.

The board also voted to pay up to \$40 for each employee on employee insurance.

### OTHER BUSINESS

Trustees also met with A.G. Reise, Archer County Appraisal District's chief appraiser, discussed water leaks to the high school building and athletic complex, and heard Owen's first report as superintendent.

Reise, who met with Holliday City Council two weeks earlier, came to Monday's meeting with twice as much information dealing with the same subject—their disapproval of the Appraisal District's proposed budget.

While not commenting on whether trustees were "in compliance with the law," by not passing the proposed budget, Reise instead chose to differ with Holliday tax assessor/collector Louis Hodge's claims that neither the city or school has benefited from the Appraisal District.

So far, six entities of the nine composing the Archer County Appraisal District have turned the budget down flat. Megargel I.S.D., Windthorst I.S.D. and Archer City I.S.D. have tabled the action thus far, but Reise told trustees that was an indication they were in approval.

Owen, in his superintendent's report, told trustees leaks remain in the high school building and athletic complex due to inferior construction and design.

The subject of water leaks became top priority last year when the board

agreed to let Larry Ledbetter of Ledbetter Enterprises paint the porous brick walls of the two buildings with a latex sealant. And, for awhile, it seemed to have done the

job. "Larry is in my opinion a victim of circumstances," Owen told the board. "I believe the fault lies in the design and the type of materials used."

## Holiday News

### Chamber sets dues, projects

Holliday Chamber of Commerce, in a recent board of directors meeting, established dues amounts and planned its first project, according to publicity chairman Greg Roberts.

The group of Holliday businessmen and interested citizens decided to place welcoming signs at each end of town along Seymour Highway.

Dues set are: Families, \$36 per year or \$3 per month; businesses \$100

in annual, semi-annual or quarterly payments.

Ben Ezzell of Ezzell Metal Products will make the signs welcoming visitors into Holliday.

The chamber was incorporated last month as a non-profit entity for the purpose of promoting Holliday and attracting businesses and residents to the city.

Billy Jean Sammons is membership chairman.

# Area oil, gas report

A 6,200-ft. developmental well is scheduled to be spudded in the Wilbarger County Regular Field by Burk Royalty of Wichita Falls at a location five miles southeast of Vernon.

The well will be designated as the No. 2 Dockery. It will be situated in a 160-acre drilling unit in the H&TCRR Survey.

Newcastle-based W.L. Langford has filed for permit to drill the No. 6 C.L. Davis, a developmental well to be located three miles northeast of Olney. With projected total depth of 1,200-feet, the well is in a 30-acre lease in Archer County's BBB & CRR Co. Survey.

The No. 2 Griffin has been given a "dry hole" label by W.A. Woods of Holliday. Located 3.5 miles north of Dundee, the well had been spudded 3-31-82. It was located in the Palo Pinto CSL Survey, Archer County, and had reached 1,655-ft. total depth.

Wichita Falls-based K.M. Crenshaw has filed for permit to drill the No. 3 and No. 4 Tribune "Goat", both developmental wells to be located seven miles north northwest of Archer City. With projected total depth of 1,525-feet, the wells are in a 127-acre lease in Archer County's A.T.N.C.L. Survey.

L&H Oil Co. of Wichita Falls has filed for permit to drill the No. 1A, No. 2A, and the No. 3A Cowan & McKinney "D", all these wells are projected 1,600-feet and are developmental wells in the Archer County Regular Field, 10 miles northwest of Archer City. The operations will be in a 160-acre lease in Archer County's R. Carson Survey.

Three 1,600-ft. developmental wells are planned by L&H Oil Company also at a drillsite 10 miles northwest of Archer City, Archer County. The locations are in a 280-acre lease in the R. Carson Survey. Well's designations are the No. 47, No. 48 and the No. 49 J.H. Turbeville Tidal. They are also in the Archer County Regular Field.

Location has been staked for a Hardeman County oil wildcat 10 miles

southeast of Quanah. The explorer well will be known as the No. 1 Bowes. Crawford Energy Inc. of Wichita Falls is the operator.

With projected total depth of 9,200 feet, the Bowes well will be located in an 80-acre drilling unit in Hardeman County's EL&RR Survey.

B&J Operating Company of Wichita Falls has posted initial production figures for the No. 19 Feldman, new oil well in the Wilbarger County Regular Field, four miles west-southwest of Electra.

The well indicated potential for 1 barrel of oil per day on an open choke. With drillsite in a 400-acre lease in Wichita County's H-TCRR County Survey, the well had total drilling depth of 769 feet. It entered the pay horizon at 527 feet and will produce from a set of perforations 527 to 546 feet into the wellbore.

Pumping at the rate of 37 barrels of oil per day, the No. 2 Doyle-Alpha has been completed in the Wichita Regular Field by Cher-Mac Operating of Burkburnett. Located eight miles northeast of Wichita Falls, the well went to total depth of 1252 feet and will produce from an interval 1210 to 1213 feet.

Location is in a 76-acre lease in the G. Wheelwright Survey.

Locations for three new tests in the Wichita Regular Field have been staked by Swanner Properties of Wichita Falls. The wells are designated as the Nos. 8 through 10 Williams and Parker "E." All three carry permit for 1,900-ft. maximum hole, and all are located in a 123-acre lease in the J. McCool Survey, four miles north of Holliday.

Lampley Oil Inc. of Gulfport, Miss., has filed for permits to drill three new oil production tries in the Wichita Regular Field, three miles south of Burkburnett. The three will be known as the Nos. 1, 2 and 6 Preston, all with projected total depths of 2,000 feet. The locations are in a 100-acre lease in Wichita County's D. Mathews Survey.

A 2,900-ft. Wichita County wildcat is scheduled to be spudded four miles west of Iowa Park by Cardinal Energy of Dallas. The explorer well

will be known as the No. 1 May. It will be spudded in a 627-acre lease assembly, with drillsite in the SA&MGRR Survey.

J.F. Hood, independent operator from Fort Worth, has driven stake for the No. 15 T.J. Waggoner "B", a developmental try in the Wichita Regular Field four miles north of Kamay. Projected total hole is 2,000 feet. Location is in an 80-acre unit in the H. George Survey.

Pumping 14 barrels of oil per day, open choke, the No. 1 Clarence Payton has been finished in the Wichita Regular Field by Whitewing Oil and Gas of Wichita Falls. The new producer is located four miles east of the City of Punkin Center.

Whitewing took the well to 2,075-ft. bottom and perforated for production at 1,732 to 1,750 feet into the hole. The operation is in a 160-acre drilling unit in Block 309 of the Waggoner Colony Subdivision.

Operating out of Wichita Falls, F.T. Johnson Jr. has staked drillsite for an 1,100-ft. developmental try in the Wichita Regular Field two miles south of Electra. Location is in a 240-acre lease in the H&TBRR Survey. The well will be known as the No. 53 Waggoner "AH."

Tom Swanson of Electra has given up holes for making a producing well and has plugged and abandon his No. 5 Lalk Brothers, a wildcat located five miles northeast of Electra.

Spudded last Jan. 2, the well was located in the Waggoner Colony Subdivision Block 272 and bottomed dry at 2,102-ft.

Showing potential to produce 10 barrels of crude per day, pumping open choke, the No. 6 E.W. Bear has been brought on line in the Wichita Regular Field by S.L. Mowrey of Wichita Falls.

Mowrey bottomed the well at 635 feet and perforated for production 566 through 572 feet into the hole. The operation was situated in a 40-acre drilling unit in the BBB&CRR Survey, three miles southeast of Burkburnett.

T&D Oil of Wichita Falls has brought a marginal new producer on line in the Wichita Regular Field three miles southwest of Burkburnett. It is the No. 10 KEBMC, pumping at the rate of three barrels of oil per day, open choke.

The well probed to 269-ft. total depth and will produce from perforations 265 feet to bottomhole. The drillsite is in a 200-acre lease in Wichita County's O. Farrish Survey.

An 1,800-ft. developmental venture is planned in the Wichita Regular Field by S&J Operating of Wichita Falls, seven miles southeast of Electra. It is the No. 20 Murphree Estate, located in a 640-acre lease block in the SA&MGRR Survey.

Texaco has run up the dry hole flag at the No. 5 E.W. Prechel, a

developmental try in the Wichita Regular Field located nine miles west of Burkburnett. With drillsite in the T.E. Hales Survey, the well was spudded March 16 and bottomed dry at 1,798 feet.

S&J Operating has finished two marginal producers in the Wichita County Regular Field 2.5 miles southeast of Electra. The wells are designated as the No. 55 and No. 62 L.P. Douglas "AB." They are in a 246-acre lease block in the L.M. Collins Survey.

Both wells showed ability to pump three barrels of oil per day, open choke. The No. 55 bottomed at 1,900 feet, while the No. 62 went to 1,901-ft. TD. The production intervals will be 1,844 to 1,852 and 902 to 904 feet, respectively.

The No. 1 Park, an 1,800-ft. test in the Wichita County Regular Field, is scheduled for spudding by Burk Drilling Inc. of Burkburnett. Location is in an 11-acre lease in the William P. Dubose Survey, one mile northwest of Burkburnett.

At a location three miles east of Holliday, Camino Corp. of Wichita Falls has finished a new oil producer in the Wichita County Regular Field.

The well is designated as the No. 4 B.F. Dutton "A"; flowing oil at the rate of 13 barrels per day on an open choke.

Location is in an 80-acre lease in the Denton CSL Survey. Bottomed at

1,850-feet, the well will produce from perforations 1,800 to 1,802-feet into the hole.

Wichita Falls-based D.D. Strange has turned in first production figures for its No. 1 Earle Denny, a successful developmental well in Wichita County's Wichita Regular Field.

Flowing oil at the rate of 3 barrels per day, the well was tested on an open choke.

Drillsite was in a 4-acre lease in the H.B. Balch Survey, two miles east of Valley View. The well was taken to a total depth of 1,299-feet after entering the pay zone at 420. Production interval will be 420 to 426-feet into the wellbore.

A 2,000-ft. developmental well is planned by Glenn Scott of Iowa Park at a drillsite four miles east-northeast of Holliday, Wichita County. The location is in an 80-acre lease in the Denton CSL Survey. Well's designation is the No. 1 Larry Grimes. It is in the Wichita County Regular Field.

A new oil producer in the Wichita Regular Field has been finished by W.C. Winfrey. Designated as the No. 29 Perry-Bridwell, the well indicated capacity to produce 3 barrels of oil per day on an open choke.

The location is three miles east of Holliday, in an 85-acre lease in the DCSL Survey, Wichita County.

Bottomed at 700-feet, the well will produce from an interval of perforations 676 to 680-feet into the hole. The pay formation was first encountered at 676-feet.

PART 4

Up to now I've been writing mostly about the negative aspects of contact lenses, especially the soft type just to show you the other side of the coin. However, while many folks still wear the old type hard contact lenses, the new oxygen permeable type lenses (both hard and soft) are much better. Because when oxygen can pass through the lens it gets into the cornea easier with the result that many of the problems associated with the old hard lenses are eliminated, e.g., corneal swelling and blurred vision and other overwear symptoms. And, if soft lenses are properly cleaned and cared for they usually work out very well. The gas permeable hard lenses have many of the advantages of the old hard lenses and the new soft lenses with fewer of their disadvantages, e.g., easy to clean and don't tear like a soft lens.

As to which type of contact lens is best for an individual, a contact lens specialist such as an optometrist or ophthalmologist can best advise a person and can point out the good and bad points of contact lens wearing.

**Robert L. Cole**

Services for Robert L. "Bob" Cole, 56, principal of Kidwell Elementary School who died Saturday in a Wichita Falls hospital, were Monday afternoon at First United Methodist Church. Rev. George Topper, minister, and Rev. Mike Jackson of Dallas, a former minister, officiated. Burial was in Highland Cemetery under direction of Tanner-Aulds Funeral Home.

He was born June 18, 1926, in Vernon, and had lived in Iowa Park since 1971. He was a member of First United Methodist Church where he had served on the church board, and a member of the Rotary Club. He was president of Wichita District of Texas Elementary Principals Association, and a member of Phi Delta Kappa. He was a member of the Community Relations for Sheppard AFB, and Institutional Representative for Troop 38 Boy Scouts of America.

Cole earned his bachelor's and master's degrees from Texas Tech Univ. and he was principal at Henrietta before coming to Iowa Park. He married Kathryn Weatherford Aug. 23, 1953, at Seminole.

He is survived by his wife; two daughters, Mrs. Carla K. Aston of Dallas and Miss Carrie Cole of Lubbock; a sister, Mrs. Kidy Kleinschmidt of Dallas.

Pallbearers were Dayton Elam, Afton Pike, Harold Cowley, James Ward, Don Rue and James Cowley.

**Mattie Geneva Potts**

Graveside service for Mrs. Mattie Geneva Potts, 72, mother of James Jenkins of Iowa Park, was Wednesday in Crestview Memorial Park in Wichita Falls under direction of Owens and Brumley Funeral Home.

Born May 27, 1910, in Greenville, S.C., she was a resident of Wichita Falls before moving to Bowie 20 years ago.

In addition to the son in Iowa Park, she is survived by another son, Tom Jenkins of Wichita Falls; a daughter, Inez Cason of Bowie; two sisters, Mrs. Wildon Anderson and Mrs. Bertie Landreth, both of Greenville; 10 grandchildren and 10 great-grandchildren.

**Rubye O'Neill**

Services for Mrs. Rubye O'Neill, 76, were Monday morning in Tanner-Aulds Funeral Home. Kale Martin, of the Petrolia Church of Christ, officiated. Burial was in Highland Cemetery.

A native of Cooper, Mrs. O'Neill was born March 15, 1906. She had worked as a cook in a nursing home and was a member of the 10th and Broad Church of Christ in Wichita Falls.

She is survived by a son, Glenn of Fairbanks, Alaska; two daughters, Anne of Abilene and Sarah Whitehead of Wichita Falls; and six grandchildren.

Pallbearers were Mike Robertson, Walt Carender, Dean Simmons, Curtis Simmons, Larry Culipher and W.W. "Bill" Wright.

**Jerry J. Jeter**

Services for Jerry J. Jeter, 54, were held Saturday afternoon at the Wildwood Chapel of Restland Funeral Home in Garland.

He was born March 12, 1928, in Abilene. He was graduated from Canton High School and from Baylor Univ. with a B.A. degree. He was a Navy veteran of World War II. He had lived in Garland 30 years and was manager of a Federal Savings and Loan in Dallas.

He is survived by his wife, Lora; two sons, Joe and Jay of Garland; a daughter, Mrs. Mike Spurlock of Austin; a brother, George of Hewitt; four sisters, Mrs. Carl McKinnon of Iowa Park, Mrs. Keith Vinson and Mrs. Buck Thompson, both of Tyler and Mrs. Andrew Chirico of Levittown, Pa.; and two grandchildren.

Services for Mrs. Florence M. Beavers, 69, who died Tuesday in a Wichita Falls hospital, will be at 2 p.m. today in Tanner-Aulds Funeral Home. Rev. Hal Farnsworth, pastor of First Baptist Church, will officiate. Burial will be in Highland Cemetery.

A native of Muldrow, Okla., Mrs. Beavers was born March 2, 1913. She had resided in Iowa Park since 1913 and was a member of First Baptist Church.

She is survived by her husband, L.B.; three sons, Lonnie J., Billy C. and James D., all of Iowa Park; two brothers, Roy Cole of Azle and Johnny Cole of Iowa Park; a sister, Mrs. Ruth Ely of Tyler; and five grandchildren.

## 63 attend Class of '77 reunion

More than 63 members of Iowa Park High School's Class of 1977 and their dates held their five-year reunion recently at the home of O.N. Newman on Peterson Road.

The group witnessed an aerial show when one of the class members, Tom Pappas, and three other sky jumpers appeared in grand style -- from the air by parachute.

The meal was catered.

Ervin "Butch" Beisch, a fellow classmate who attended the event with his wife, Cindy, was found dead the following week at an area oil lease. According to authorities, Beisch was electrocuted.

Other class members attending were Pat Brown, Tamara Thompson Trotter, Michael and Cindy Jordan, Kenny Kieren, Chi Chi Price Rusk, Tony and Robin (Copeland) Alexander, Kevin Myers, Rick Kirkland, Bob Hodges, Craig and Tammy Shook, Vickie Daymude Cluley, Cindy Riley Barton, Barry and Larry Goin, Cheryl Frederick, Denise Melchiori, Brad and Patricia (Cummings) Costello, and Elaine Cole.

Also, Laura Arredondo Roe, Charlotte Cokrum, Susan Honeycutt Jacobson, Shane Kimbrow, Kim Baca Horn, Steve and Dee Lynn (Smith) Lane, Tammy Rogers York, Michael

Sargent, Bobby Collins, Johnny Bentley, Patty Brown, Tracy Combs Montalve, Lisa McBey McGee, Roger and Raymond Smith, Sherry Dozier Thomas, Sandra Cannadey Grant, Kyle Lemmon, Laura Hubner Woodard, Phyllis Scheffe Huff, Robin Whiteacre Morris, Cathy Baston Kieren, Cathy Griffin, Darla Roberts Blackerby, Dan Williams, Becky Lloyd Hastings, Jim Stevens, Jan Tennant Horton, Carol Buikema, Shanley Griffith, Ray Cook, Pappas, Roger and Cheryl (Horsky) York, Dennis Fisher, Malinda Gilbreath Mills, Beckie Horton Wirmel, Beisch, and Mike Elwell.

### Callaway named visiting minister

Sam Paul Callaway, son of Mr. and Mrs. Paul Callaway, will be the visiting minister at Faith Baptist Church July 18 and 25 while Rev. Ken Cole, pastor, is on vacation.

Sam was graduated from Iowa Park High School and Hardin-Simmons Univ. and is presently attending the Southwestern Baptist Theological Seminary at Fort Worth. His wife is the former Vicki Pierce.

### CARD OF THANKS

We would like to express our many thanks and appreciation for the cards, visits, phone calls, food and flowers during the recent loss of our father and grandfather. We wish to extend special thanks to Rev. Ken Cole for his comfort, consolation and kindness, and to the women of the Faith Baptist Church for the food they prepared and served. It is such a comfort to know that people care. Your thoughtfulness at this time of sorrow will always be remembered. May God richly bless all of you.

**Public Notice**

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

**Notice to El Paso Area Customers**

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

**Notice to Customers of Other Telephone Companies**

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

**Aviso Público**

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

**Aviso a Clientes en la Región de El Paso**

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

**Aviso a los Clientes de Otras Compañías de Teléfono**

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectaría a los clientes de otras compañías de teléfono.
