

◆ News in brief ◆

Trustees to meet Tuesday

Iowa Park school trustees will move up their regular meeting date by a week, to 7:30 p.m. Tuesday. Supt. Harold Cowley said the change was necessary due to a conflict of scheduled events. Trustees will hear a report on specifications to have the new high school gym re-roofed; discuss a bonus

for teachers; hire personnel for the West Wichita Co-op at Electra; and hear reports from principals, vocational counselors and placement officer.

Other items could be added to the meeting's because deadline for agenda completion is not until tomorrow.

Band entered in marching contest

Iowa Park's Hawk Marching Band will compete in the University Interscholastic League marching contest Wednesday in Wichita Falls Memorial Stadium. The band is to perform at 1:30 p.m. The marching contest is the first of

three events for bands competing for the coveted UIL sweepstakes award. The other two, which are held in the spring, are concert and sightreading. A band must earn a division one rating in each of the three competitions to earn sweepstakes.

Kidwell Halloween Carnival Saturday

The Kidwell P.T.A. Halloween Carnival will be held between 6 and 9 p.m. Saturday. Booths will be set up for entertainment and a costume contest will be held for children through 10 years of age. The regular monthly meeting was held Tuesday with Mrs. Jimmie

Kasperek presiding. Rev. George Topper, pastor of First United Methodist Church, gave the devotion.

The program entitled "October Celebration" was presented by the first grade students of Mrs. Bauer and Mrs. Schell.

Face-painting service offered

Epsilon Eta chapter of Epsilon Sigma Alpha will conduct the annual Face Painting at the A.S.C.S. building from 12:30 to 5:30 p.m. Saturday.

All trick or treat youngsters are

invited to challenge the artists with their desires for a small fee of \$1.50 per face. All proceeds will go to the park funds for purchase of playground equipment or trees.

FFA members selling fruit, sausage

Members of the Iowa Park Future Farmers of America Chapter are holding their annual fund-raising project, selling orders for sausage and fruit, according to Gina Duncan, chapter president.

The sausage is available in patties

or links, designed for freezer storage. Oranges, grapefruit and apples are the fruit being sold for delivery before Christmas.

Orders can be placed by telephoning 592-9052.

Christmas parade slated Dec. 5

The fifth annual Wichita County Christmas Parade will be held Saturday, Dec. 5.

Sponsored by the Iowa Park Chamber of Commerce, individuals,

businesses and organizations are encouraged to enter.

Individuals interested in helping organize the parade or enter are asked to contact the Chamber, 592-5441, or Carla Key, 592-2304.

Voting polls will open at 7 a.m. Tuesday all over the state, as Texans are asked to cast their opinions on seven amendments to the state's constitution. Polls will close at 7 p.m.

Iowa Park area residents will be voting in six polls, depending on which voting precinct their residence is located.

Precinct 32 voters will go to the county agriculture building; precinct 33 at Faith Baptist Church; precinct 34 at West Wichita Co-op Building (at the Valley View school campus); precinct 35 at Kamay Assembly of God Church; precinct 60 at Valley Farms Community House; and precinct 42 at City View School.

Only amendment number four has drawn much comment, pro and con, on the state level. The amendment would provide for part of the excess revenues to go into a fund for water projects.

An organization entitled "Water for Texas" boasts leaders composed of mayors and civic leaders from all reaches of the state, with Austin mayor Carole McClellan as chairman. Officials of the organization are from such far reaching cities as Amarillo, Houston, El Paso and Jacksonville.

Recently, two large organizations have publicly announced opposition to the amendment. They are the AFL-CIO union and the Texas State Teachers Association, both with memberships state-wide.

One organization, Texas Farm Bureau, has come out in strong support of amendment five. The organization indicates exemption from tax of livestock and poultry will help hold down the cost of food bills.

The seven amendments include: No. 1 To authorize cities, towns and other taxing units to encourage redevelopment of certain areas through property tax relief and issuance of bonds and notes.

No. 2 - Authorizing the land commissioner to issue patents for certain public free fund land held in good faith at least 50 years as of Nov. 15, 1981.

No. 3 - To allow the legislature to

grant a state finance management committee power to manage the expenditure of certain appropriated funds.

No. 4 - Authorizing use of portion of excess revenues of the state for water development, and use of state credit, not in excess of \$500 million to guarantee bonds of cities, counties

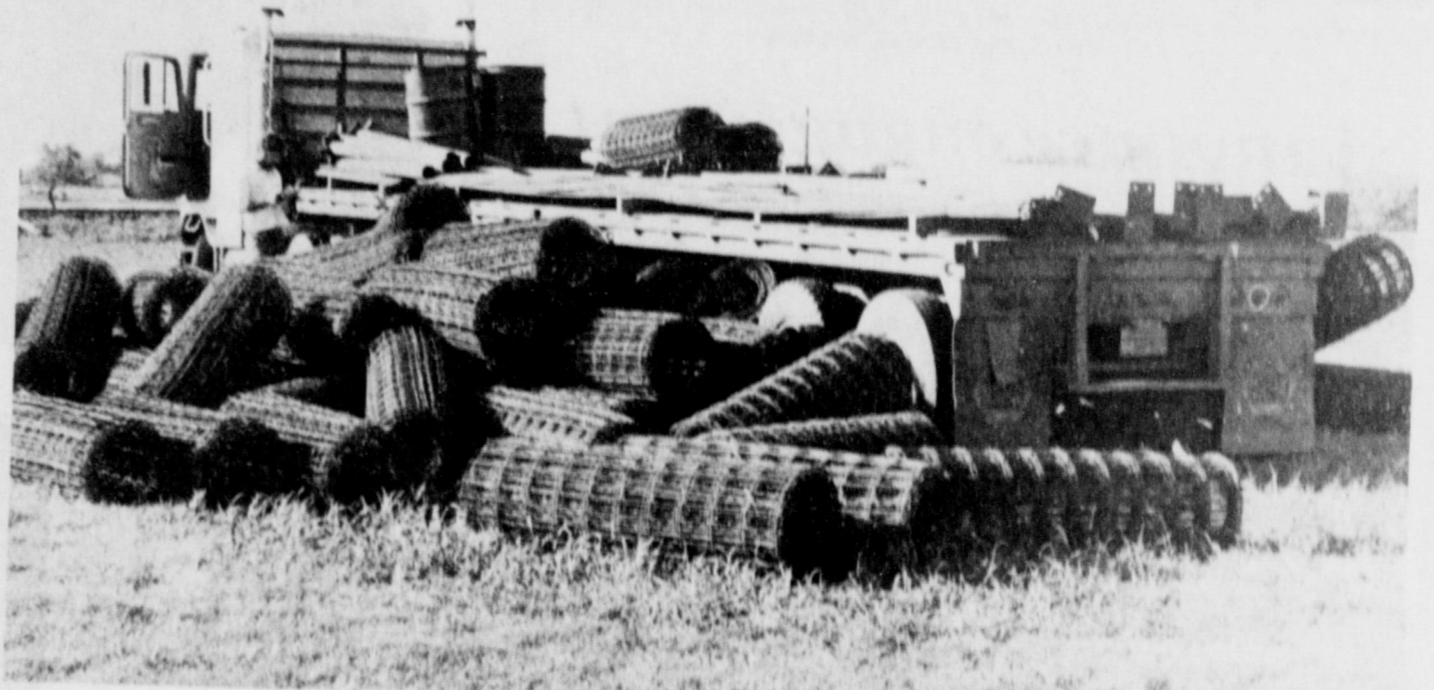

and towns in such projects, as increasing the interest rate that may be paid on previously approved but unissued state bonds and authorizing subdivision to provide property tax relief for owners of residence homesteads and changing certain property tax administrative procedures. a program to retire state bonds.

No. 5 - To provide for inclusion of livestock and poultry with farm products as exempt from taxation.

No. 6 - Authorizing a political

No. 7 - Authorizing the issuance of additional bonds to finance the veterans' land program and increasing maximum interest rates allowed on program bonds.

Texans to vote Tuesday on constitution changes

CONSTRUCTION TO BEGIN - First load of steel for construction of Wal-Mart, on the old fair grounds, arrived early Monday morning and was unloaded. Work crews are

said to be on site next week to prepare the land for construction. T.A. Pritchard Co. of Dallas is the general contractor.

IOWA PARK LEADER

25 Cents

Vol. 13, No. 8 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, OCTOBER 29, 1981

New postal rates Monday

New rates for first class postage go into effect Monday, but there are some other changes to follow, according to Lee McQuerry, Iowa Park postmaster.

Effective Monday, the price of a stamp for a first class letter raises two cents, to 20-cents. And a post card increases from 12-cents to 13-cents.

The volume of mail handled by the local post office has been high during the past two weeks. But that has primarily been third class advertising materials.

However, McQuerry is expecting an extra heavy load of first class mail this weekend, as individuals and primarily businesses get their mailings in before the deadline.

Mail deposited at the post office before the pick-up hour, which is

posted, Sunday will be handled at the old rate.

Another change that was to go into effect Monday, but offices were given a 30-day grace period to implement, is delivering mail the way it is addressed.

Persons with post office boxes will find that the forwarding of mail to or from the box will change, after the grace period.

If you continue to use your street address on your mail even though you have requested that all or part of your mail be permanently delivered to a post office box or caller service number, you will receive your mail at the street address.

If you continue to use a box, even though you have requested that all or part of your mail be permanently delivered to a street

address, you will receive it at the street address.

The policy was implemented to save money for the service by discontinuing to use a permanent request for delivery to alternate locations.

Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

Rainfall for week..... .24
Total for month..... 7.78
Total for year..... 28.68
Total last year..... 21.22

WAITING FOR SATURDAY - Three individuals remain patiently in the yard of Raymond Copening, 1014 Van Horn, waiting for the arrival of Halloween. They will be there to

greet trick or treaters, but early arrivals can see them before then if they venture into the eerie neighborhood.

Hawk-Lion matchup appears to be even

Vernon's Lions, who will host the Hawks in a Dist. 3-AAA game at 8 p.m. tomorrow, have been a thorn in Iowa Park's side the past six years.

Not since the 1974 season have the Hawks won over Vernon.

Vernon will go into the game with a better record than Iowa Park, having won three and lost four this season, and standing 1-1 in district play. The Hawks have but one victory to their credit in seven outings, and are still looking for a win against a conference opponent.

But, according to Vernon's score

against Mineral Wells, the Lions and Hawks may be pretty well matched.

Vernon edged Mineral Wells 13-12, while the Rams edged the Hawks 9-0.

Not since the 1974 edition of Mean Green humbled the Lions 28-0 has Iowa Park defeated Vernon. That year the Hawks finished the season 8-2.

In the succeeding years, Vernon has won 21-0, 28-7, 40-0, 42-0, 20-6 and 21-7.

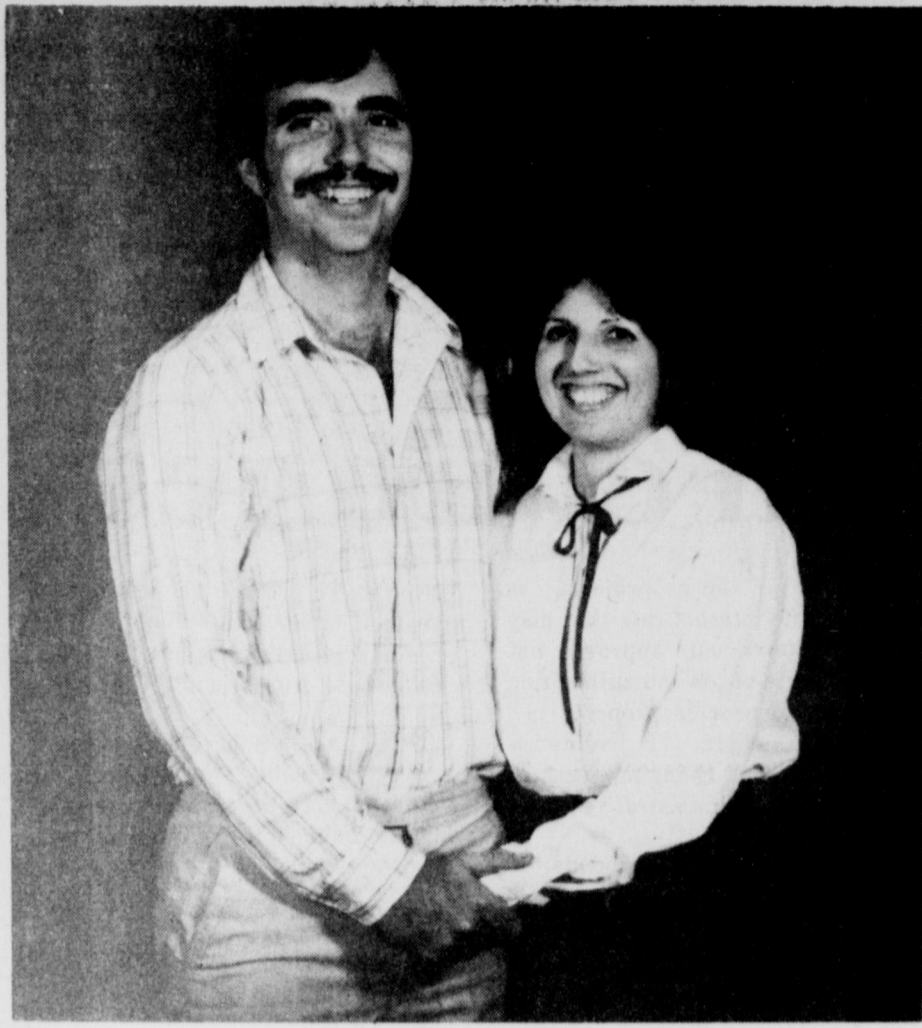

Vernon's lone loss in the district was to co-leader Hirschi, 23-7.

Both the Lions and Hawks have

had their injury problems through the season. Vernon lost nose guard Steve McKay in its 23-0 loss to Amarillo Caprock. He was replaced by Anthony Wooley, who coach Leo Brittain says is improving and doing a good job.

Also, quarterback Roy Stolle has been hampered by an ankle injury, and he and Brittain's son, Brent, alternated at that position last week.

None of the Hawks sustained any injuries last week against Graham, and the Mean Green is expected to be healthy for the contest.

JAY MEUX and LINDA WATTS

Announce engagement

Mr. and Mrs. Elmer Watts of Burkburnett announce the engagement of their daughter, Linda Ann, and John (Jay) Whitton Meux, son of Dr. and Mrs. John W. Meux.

The wedding will be solemnized Jan. 9, in Chapel Two at Sheppard AFB.

Miss Watts was graduated from Burkburnett High School and received a bachelor of secretarial science degree from Midwestern State University, where she was a member and president of Alpha Chi and an officer in Cap and Gown. She is presently employed by Ingersoll Rand Co.

The prospective groom was graduated from Iowa Park High School and Midwestern State University. He attended the University of Texas Law School and is presently doing graduate work in

In feature roll

Carrie Cole, daughter of Mr. and Mrs. Bob Cole, a student at Texas Tech, played Adele, one of the lead roles in the opera Die Fledermaus performed last week at the Lubbock Civic Center.

computer science at North Texas State University in Denton. A member of Sigma Phi Sigma and Alpha Chi, he has been named Who's Who In American Colleges and Universities.

Seek volunteers as teacher aides

A volunteer aid program to assist Kidwell Elementary teachers is being sponsored by the Kidwell P-TA in cooperation with the Iowa Park schools. The program will get underway Nov. 9.

Mrs. Jimmie Kasperek, president of Kidwell P-TA, stated that community volunteers, not only parents but others who might be interested, are needed to share in the education program for the children.

A training session is scheduled from 9 a.m. until noon at the Texas Electric Reddy Room. Pat Watkins, coordinator for School Volunteers, Region Nine Education Service Center, will present the program.

Mrs. Kasperek explained that anyone may participate in the program. Last years program was a big success with both teachers and parents.

Couple reenacts wedding performed 9 years earlier

Fulfilling a desire to repeat the vows they recited Oct. 15, 1972, in a small wedding which took place in the home of Mr. and Mrs. Dewayne Williams, Mr. and Mrs. Dale Williams renewed their vows Oct. 15 in a ceremony performed at the Assembly of God Church.

Rev. Roy Don Stewart, pastor of Faith Tabernacle in Holliday, who performed the ceremony for the couple nine years ago, was the officiant for the service while the couple stood before a brass archway trimmed with greenery and apricot silk bows. Church pews for family members were marked by apricot silk bows.

Wedding music was furnished by Danny Bynum, pianist, who played "Three Times a Lady," "Colour My World," "A Time for Us," "Endless Love" for prelude music and the traditional marches.

For the wedding, Mrs. Williams chose a formal candlelight organza gown over net and peau de soie richly trimmed with reembrodered Alencon lace sprinkled with pearls, which

formed the long sleeves, deep yoke in both front and back and high collar. The full skirt gently touched with lace appliques swirled into a round chapel train.

Her candlelight illusion blusher and waist length veils were attached to a smart straw hat covered with illusion. She carried a cascade style bouquet of candlelight silk roses, pastel blue and apricot rosebuds on top of her husband's late grandmother's Bible.

Mrs. Jeff Hensley took part in the wedding as matron of honor. She wore a pastel blue organza gown. A wide ruffle framed the off-the-shoulder neckline and a hemline flounce provided special skirt interest. Mrs. Wayne Lollis of Wichita Falls, the bridesmaid, wore an apricot lace gown styled identically to the honor matron's gown. Each carried long stemmed candlelight silk roses touched with pastel blue and apricot silk ribbons.

The couple's children, Melody and Cody Williams, participated in the wedding as flower girl and ring bearer, respectively. She wore a long

floral print candlelight organza dress set apart with a ruffled yoke and tiers of ruffles on the skirt above the hemline. She carried silk rosebuds in shades of candlelight, pastel blue and apricot in a white basket. He wore a navy blue jacket and light blue pants and carried the rings on a heart-shaped candlelight silk pillow trimmed in lace.

The groom wore a silver western suit and candlelight silk rosebuds for a boutonniere. His attendants, Wayne Lollis, the best man, and Dickie Noll of Electra, the groomsman, wore navy blue western suits.

Wedding guests registered in the church foyer at a small glass-topped brass table holding the book and feather pen.

The reception following the wedding was held in Texas Electric Reddy Room. Assistants were Mmes. Dewayne Williams, Barbara Gertsner, Lee Cokendaulpher; Misses Lesa Stringer, Shawna Stringer, sisters of the bride, and April Williams.

The refreshment table was covered with candlelight lace. The focal point

of interest was the three-tiered candlelight-iced cake decorated with frosting apricot roses and light blue sweetpeas. Two sets of clear dividers separated the first and second tiers ornamented with clear miniature bells and doves, and the top tier held the traditional bride and groom.

Other table appointments were two bud vases holding silk roses in the chosen shades and the crystal punch service.

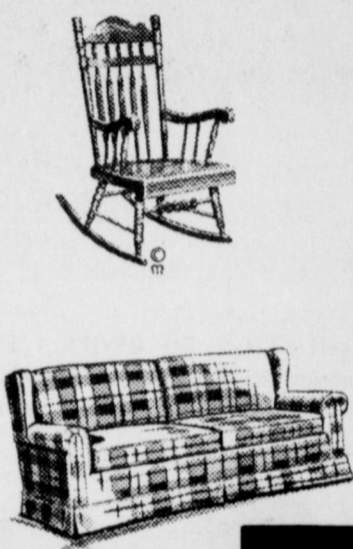

Mr. and Mrs. Wm. Stringer of Oklahoma City, parents of the bride, were out-of-town guests.

Degrees presented

The highlight of the Iowa Park FFA chapter meeting Tuesday night was the presentation of the Greenhands and Chapter Farmer degrees.

Thirty second-year students received the Chapter Farmer degree and 40 first-year students received the Greenhand degree.

Copper Breaks State Park is Amity Study Club topic

For the observance of the Texas Heritage program, the Amity Study Club emphasized the Wild Flowers and Wild Life division of the department in the program for the meeting held Tuesday evening in the home of Mrs. Joe Ward. Mrs. Leo Thames was co-hostess.

Members answered roll call by showing pictures and giving interesting facts about Texas wild life.

Mrs. Earnie Reusch presented an interesting and informative slide presentation with narration on Copper Breaks State Park in the Rolling Plains of Hardeman County, placing particular emphasis on the Juniper Ridge Nature Trail.

She described the park as a mixed prairie region originally supporting extensive grasslands with shrubs and

trees mostly along rocky breaks, canyons and stream damages. She stated, however, that past land use and exploitation has resulted in invasion of mesquite, redberry juniper, lotebrush and prickly pear on the once open grassland.

As she directed attention to the Juniper Ridge Nature Trail, Mrs. Reusch showed slides of some of the beautiful wild flowers in the park which included feather plume, lotebrush, mormon tea, Jeff Davis cactus, agarita, devil's pincushion, skunkbush sumac, honey mesquite and others.

Mrs. Philip Welch read two poems from "Friend Gift," "I Dare You to Try It" and "Laughter" for the meditation.

Mrs. Don Rice presided during the business. Three new members, Mmes. Charlie Brown, Eddie Chambers and James Edwards, were introduced.

The next meeting will be a joint meeting with the 23 Study Club and Philia Study Club Nov. 16 at Texas Electric Reddy Room.

TAMMY WASHBURN

KYLE CHEEK

Students recognized

The Opti-Mrs. Club that honored an outstanding high school student of the month for several years has expanded the program to include outstanding students of the junior high school during the current school year.

Tammy Washburn, daughter of Rev. and Mrs. Larry Washburn, was named the Outstanding Junior High School Student for September. She is a first-year member of the choir where she sings alto, a three-year member of the band where she plays the flute and is drum major this year.

She is a three-year member of the basketball team and a mile runner in track two years.

Tammy won the Randy Kuehler Band Award in 1980. She is a two-year honor roll student and achieved the highest grade average in history and English when she was in the sixth grade. She was selected for All-Star Girls Team for Little Dribblers.

She is active in the youth group and enjoys reading, jogging and music. At present, she feels that she would like to attend East Texas State, Midwestern State Univ. or Texas Tech to major in music when she completes her high school education. She would like to be a band director teacher.

Kyle Cheek, son of June Cheek of

Iowa Park and Harley Cheek of Wichita Falls, is the Outstanding Junior High School Student for October.

He plays trombone, tuba, baritone and trumpet in the band of which he is a three-year member. He was a member of the choir in the seventh grade. He has made the Double A honor roll two years and plans to try out for the eighth grade play this year.

Listed among the awards that he has received are: being named to the All-District Band; Number 1 ratings on trombone solo at Olney solo and ensemble and U.L.L. solo; Who's Who in history in seventh grade; member of the junior high jazz band and of the band at Midwestern Band Camp.

He attends Faith Baptist Church. He is playing tennis this year. His hobbies are amateur radio, music, reading and he is a first class ranking Boy Scout. At present, when he is considering his future after high school graduation, he has his eyes on the Univ. of Texas or North Texas State Univ. to major in electronic engineering.

Christmas wreath making is Garden Club program

Mrs. W.A. George conducted a workshop on Christmas wreath making for members of the Iowa Park Garden Club Friday morning in a meeting held at Texas Electric Reddy Room.

She brought one of her own creations for a pattern and each member tried to duplicate it in decorating a straw wreath in western decorations featuring Dutch cut-out cowboys, boots and a map of Texas in the center.

Preceding the workshop, Mrs. Charlie Lee, chaplain, gave the thought for the day, reading a poem by Helen Steiner Rice.

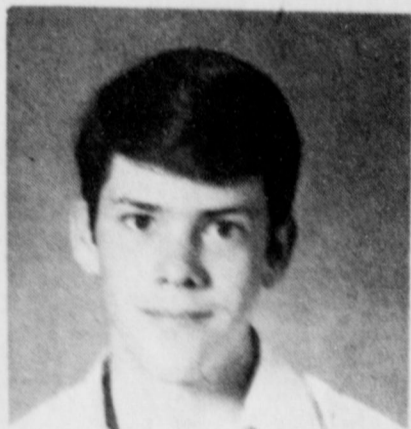

Mrs. George presided for a brief business meeting. Mrs. Thurman Reitz, chairman of the hostess committee for the annual Thanksgiving dinner for members and their husbands and guests, announced that the meal will be served Nov. 13 at the First Presbyterian Church. Each

member was asked to bring a bingo prize for entertainment following the meal.

In response to a letter from Wichita Falls State Hospital asking and making suggestions for Christmas gifts for patients, members agreed to bring the gifts to the Thanksgiving dinner for later delivery to the hospital.

A bake sale was announced for Nov. 24 from 10 a.m. until 2 p.m. at Superfine Grocery and that all money received would be placed in the Iowa Park Library building fund. Thirteen members made reservations to attend the District II, Texas Garden Clubs, Inc., in Graham Nov. 10, which will be an all-day workshop with lectures. Garden clubs of the city will be hostesses and a luncheon will be served.

Twenty-four members and two guests, Mrs. Myrl Cabe Jr. of Loma Alta, and Mrs. Jim Kirkhart, were present.

ERIC BIRK

Opti-Mrs. cite Birk

Eric Birk, son of Mr. and Mrs. Robert (Bob) Birk, has been named the Opti-Mrs. Club's Outstanding Student of Iowa Park High School for October. He is a senior.

A seven-year band member, he is the co-section leader this year. He has played alto saxophone five years and is now playing percussion. He is tenor section leader in the choir where he is serving as vice-president, and has been one of the piano accompanists three years. He has gone to district and region in U.L.L. three years, to Texas Solo and Ensemble three years. He made Division I in District U.L.L. solo. He is a member of National Honor Society.

Listed among the many awards that he has received are: Who's Who in History and most outstanding band student and All-Area band during his junior year. He made Division I rating on piano solo at Texas State Solo and Ensemble contest. He has received superior rating at Baroque and Sonata Festivals for four years; the critic circle rating in the National piano playing auditions for three years. He also won first place in the Mountainview College piano solo competition last year and honorable mention this year.

Eric is a member of the First Presbyterian Church where he is assistant organist and sings tenor in the choir. He has taken private piano lessons nine years and studies under Mrs. Sandra Lewis.

Eric is hoping to have a musical career and would like to attend Baylor University to major in piano performance.

Civilians asked to feed airmen

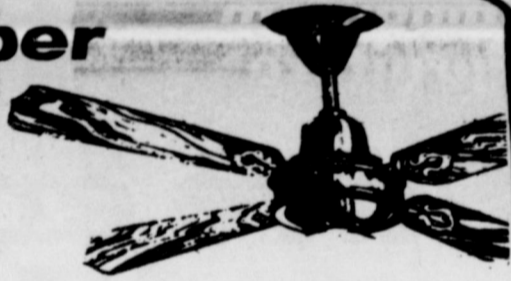

For the fourth consecutive year, the Sheppard Air Force Base Chaplain Division is sponsoring "Operation Thanksgiving." It is designed to give single airmen the opportunity to have the traditional Thanksgiving dinner with a host family from the Sheppard-community area.

The airmen, both permanent party and students, volunteer to spend the holiday with a family and share the warmth of their homes. These people will be assembled at the base Recreation Center at noon Nov. 26.

Each year the program has a larger response. Civilians interested in hosting one or several airmen for Thanksgiving should call Chaplain (Capt.) Marsh Gurr at 851-2246 or 851-2688. All responses need to be made by Nov. 23.

IOWA PARK, TEXAS

Member F.D.I.C.

Letters to the Editor

Dear Mr. Hamilton,
I wrote this letter to ask why Iowa Park focuses all of its attention on football in particular, and doesn't pay any attention to other smaller sports, particularly soccer.

As a coach of a youth soccer team, I have grown to be a big soccer fan. Many Iowa Park kids play soccer as kids, but when they get to high school they have football, track, basketball, and baseball to choose from.

I think that IPHS ought to have a UIL soccer team. Soccer gives more children playing opportunities than any other sport. Size makes no difference at all in soccer. On our team, we have big and little kids alike, and they all get to play. In other sports size and speed are required.

In comparison, soccer is dirt cheap beside football. Soccer expenses include shirt, socks, shoes, shorts, ball and goals. Football expenses are helmets, pads for almost every part of the body, jerseys, pants, shoes, ball, and socks. And the beginning of a soccer program wouldn't require a new field. Soccer games can be played on the football or baseball fields since the field doesn't always have to be the same size. And portable goals could be easily moved on and off the fields.

Soccer players are also less susceptible to injury. Very little physical contact is made. And players

that play other sports will get in better shape playing soccer.

Soccer is more exciting than people who don't watch the game think. A curving shot around a defender, and a player dribbling the ball around defenders, and excellent passing are beautiful things to watch. Also, soccer is longer than football or basketball games. Soccer even has two seasons a year.

Soccer is the most popular game in the world, and promises to be very popular here in the U.S. with more American kids playing soccer than any other sport.

I like football just as much as the next person, and enjoy basketball and baseball thoroughly. Soccer isn't here to replace football, because nothing will ever replace it. All I ask is that soccer get the same level of attention that any other sport gets. Iowa Park should recognize soccer's growing popularity and act accordingly.

Sincerely,
Buck Cargal
IPHS junior

Dear Sir,

I am writing in reference to your recent letters regarding Top of Texas football. I totally agree with the letter from Jackie Young. Any man who takes fifteen to twenty, eight to

twelve year old boys and tries to teach them sportsmanship, rules, regulations, and plays of a game that they have no previous knowledge deserves more than the kind of criticism they have been getting from people who do not have the time, energy or whatever the excuse to do so themselves. These men give at least two hours a day of their time (volunteer, no money involved) to your kids. As far as phone calls I am sure that the friend and relatives of the Top of Texas Football Coaches have received just as many from callers in total outrage of the accusations made. Our Boys have been involved in the sports programs in Iowa Park for four years now and have never been told to cheat or do anything unsportsman like. Most of us parents are grateful for the time these men give our boys. Whether they win or lose. Our boys will remember these men and what they have taught them for years to come and we as parents feel good about that.

Thank you Top of Texas officials and Coaches.

Gene & Jo Williams
Woody & Susan Tigret
P.S. I wonder if you put two teams in the Super Bowl in January that have not won a game all year there would be as big a turn out for the game. Also if Mr. Denton watched some of these same men cry because they did not get to play he must not have let all of them play either.

Dear Mr. Hamilton:

We, the IPHS Student Council would like to thank you for the special publicity that was given our school during our Homecoming activities.

We are proud to have you in our community, knowing your support and help will be there when people need it. It is so hard to express into words our appreciation and we hope our gratitude will always show.

It is only when we have the support and cooperation from people like you that we are able to fully serve you.

Sincerely,
Iowa Park High School
Student Council
Jim Smith, President

buildings when they leave in the evenings.

Whittingstall said six businesses have been found unlocked the first three days of this week.

"We've got enough to keep us busy without this kind of thing," he said. And he mentioned that with Halloween coming up Saturday night, businesses certainly do need to be locked.

Three businesses were found unlocked Sunday morning, two Monday and another Tuesday. But the one found unlocked Tuesday was also unlocked Monday, according to reports.

A carburetor, chrome fuel line and chrome air cleaner were stolen from a boat and automobile parked at Billy James Garage sometime over the weekend. Loss was set at \$250, according to the report.

Lamb places fifth

Tommy Riggins, son of Mr. and Mrs. Harrell Riggins, a sophomore at Iowa Park High School, placed fifth in the light weight division of the suffolk-cross lambs at the Dallas State Fair. There were 85 lambs in his class.

Man charged rape of child

Terry Wayne Wakefield, 22, is free on \$5,000 bond and awaiting action by Wichita County grand jury on a charge of rape of a child.

The former Iowa Parkan who now lists his address as Archer City was arrested last Thursday morning after charges had been filed by a 16-year-old Iowa Park girl.

He was taken before Justice of the Peace Virgil Hill, who set the bond, and then turned over to the Wichita County sheriff's department.

Police were notified the evening of Oct. 20 that the girl had been attacked. She told police she got into a car at Mini Mart to talk with Wakefield, and was taken to a house on South Texowa where she was assaulted at least four times.

Police at first believed some other men were involved, but Wakefield was the only one named and charged.

After the complaint was made known to police, the girl was taken to Wichita General Hospital for tests, which were then sent to the Department of Public Safety for laboratory analysis.

Municipal Court Records

Results of municipal court held here Thursday were:
Robert Ivan Leopold, speeding, \$49.50;
Larry Dale Britt, speeding, \$58.00;
Larry Dale Britt, speeding, \$51.00;
Samuel Lyn Reaves, speeding, \$62.00.

As I See It....

By BOB HAMILTON

I can't find any major reasons why any of the seven constitution amendments shouldn't receive voter approval next Tuesday.

And I totally reject the statements by the AFL-CIO union and the Texas State Teachers Association that amendment four will drive the state taxes higher.

If approved, the state would allocate half the surplus revenue for water-related projects. The money would be used in funding water supply, water quality, conservation, research, sewage treatment and flood control projects for current and long-term needs.

Texans were asked about 15 years ago to vote on a similar proposal, and it was rejected. The reason most offered for voting against it: we had plenty of water to last us for decades and centuries.

Well, according to state sources, last year more than 6.06 trillion gallons of water were required to meet agricultural, industrial and municipal needs. That was 16 percent

more than the state's total dependable water supply.

Projections show that Texas' water needs will increase at the rate of 45.7 billion gallons per year through the year 2000. This means that by the year 2000 the state will need approximately 20 percent more water than we now have in our developed dependable long-term surface water and ground water supplies.

Right here at home, Iowa Park is planning on joining with Wichita Falls to construct a dam near Ringgold, in Montague County. This is the kind of money which would assist in our own project.

Seems to me that using state surplus funds would help hold down our tax increases here at home, rather than raise them.

A spokesman for the AFL-CIO said the amendment would eventually lead to fewer jobs in the state. And the TSTA president, Burnham Robinson, says teacher salaries are historically raised from state surplus money.

Robinson says the state isn't paying enough money now for teacher salaries and existing school programs.

I'd like either of them to explain to me how many jobs are going to be available if and when we run out of water. All the salaries in the world won't help a thirsty employee.

Folks, we turned down a golden opportunity to improve our water sources in this state once before. Let's look a little beyond our situation today, and vote for this one.

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is

a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor or Texas Electric. And when you call, ask about our conservation incentive program.

Graham escapes with 21-14

Based on their season records, Iowa Park wasn't supposed to be much of a match for Graham. But the records didn't indicate what a dogfight fans saw Friday in Hawk Stadium.

Graham, entering the game with a 5-1 season record, had to fight for its life to edge the Hawks, who were 1-5, 21-14.

In fact, it was still anybody's ball game, right up until the final minute of play.

After a scoreless first quarter, Graham jumped out in the lead, 14-0. But the Hawks came roaring back with a touchdown in the same period, and tied the Steers in the third quarter.

As in most athletic contests, there were a couple of strong "ifs" involved, and for Iowa Park, they both came in the final quarter of play.

The first, and major "if," is the question, "Would Iowa Park have gone ahead and scored 'if' the officials had allowed the Hawks a first down on either of two running plays at the Steer 45 yard line?"

The second "if" is whether the Hawks might have scored in the last minute of play "if" they hadn't made some crucial mistakes that stalled their last possession drive?

With the score tied at 14-14, the Hawks were driving from their own 30, and were inches away from a first down at the Steer 45, with two downs to pick it up.

Tailback Jim Smith appeared to have advanced well beyond the line of scrimmage, and the game's films also indicate he did, on the first play. But the ball was placed short of the marker.

On fourth down, quarterback Marc Klinkerman attempted a sneak over center, but again was called short of the marker.

Graham, feeling the momentum shift, used a couple of big runs and connected on two of its three pass completions of the evening to reach the one-yard line. From there, Steer quarterback Rusty Hughes plunged over for the winning score.

That took place with 4:55 still remaining on the scoreboard clock.

It looked like the Hawks were going to score again, when Lynn Fulfer returned the following kickoff from his eight to the Hawk 40. Steve Fairchild picked up a quick 15 yards, and Iowa Park was back at the Steer 45 yard line again.

But Jim Smith never got hold of the next handoff, and Graham covered the ball at that point.

On the next four plays, Graham was unable to pick up a first down, being penalized once on a clipping penalty and again on a motion infraction, and had to punt to the Hawk 31.

Klinkerman passed a 32-yard beauty to Russ Hayley, and S. Fairchild gained another four running. But that was where the bottom dropped out.

With 1:03 still showing on the clock, the Hawks drew a five-yard penalty for movement in the line; Jim Smith lost two on a run attempt and Klinkerman was sacked for a 10-yard loss. Klinkerman, on a fourth down and 23 yards to a first, with 27 seconds remaining in the game, attempted a pass to Fairchild, but missed.

Graham had only to run one play to kill the remaining time.

Steer premier runner Ernie Jackson, the district's defending spring champion, did his thing on the first score of the evening. He broke over left guard and cut back to his right sideline and scampered 74 yards to the end zone with 3:41 remaining in the first half.

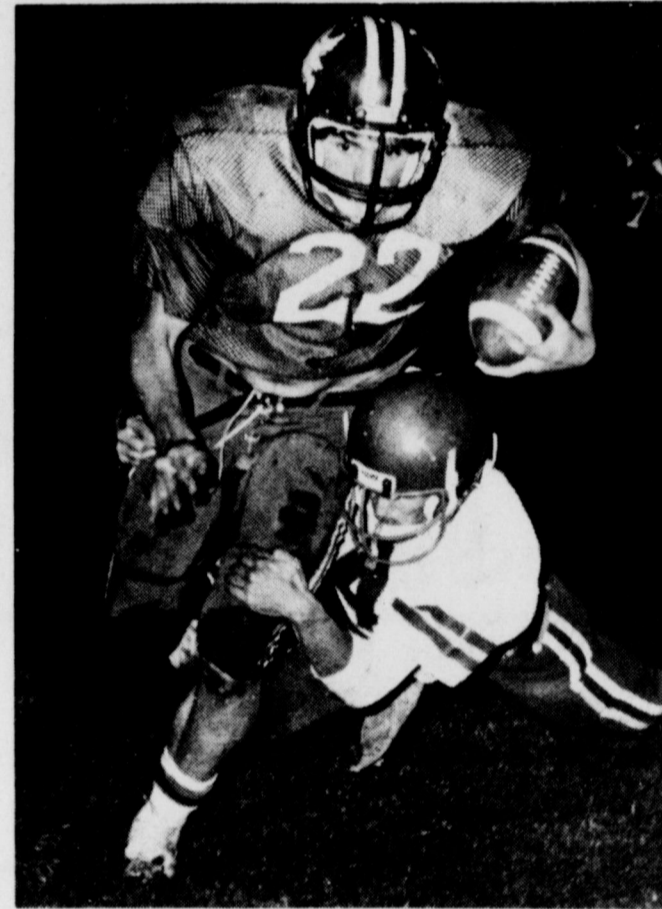

The Steers, two plays after the following kickoff, covered a Klinkerman fumble on the Graham 49, and used six plays to score again, sending Jackson 10 yards around left end. That was with 1:27 remaining in the half.

Iowa Park scored 14 seconds later, according to the clock. Fulfer almost broke on the kickoff return, carrying it to the Steer 42, and drawing a 15-yard penalty on a personal foul when he was tackled. That put the ball on the 27.

Klinkerman hit Hayley on a 27-yard strike, as the rangy receiver crossed the goal line.

The scoreboard clock showed 1:13 remaining when Jeryl Brixey kicked the first of his two extra points for the evening.

Iowa Park mounted a drive that took the ball to the Steer 15 after Don Sidlauskas covered a fumble on the 50 yard line. When that drive fizzled, Graham picked up a first down, and then had to punt.

CHRIS NETHERY SCORED ONCE FOR HAWKS

MAC WEAVER HELPS TACKLE ERIC JACKSON

Jim Smith and Chris Nethery alternated to carry the ball from their own 44 to the Steer 14. Then, Nethery broke through the defensive line about the right guard position, cut to high right, and outran the secondary to the end zone.

That tied the score with 1:20 remaining in the third period.

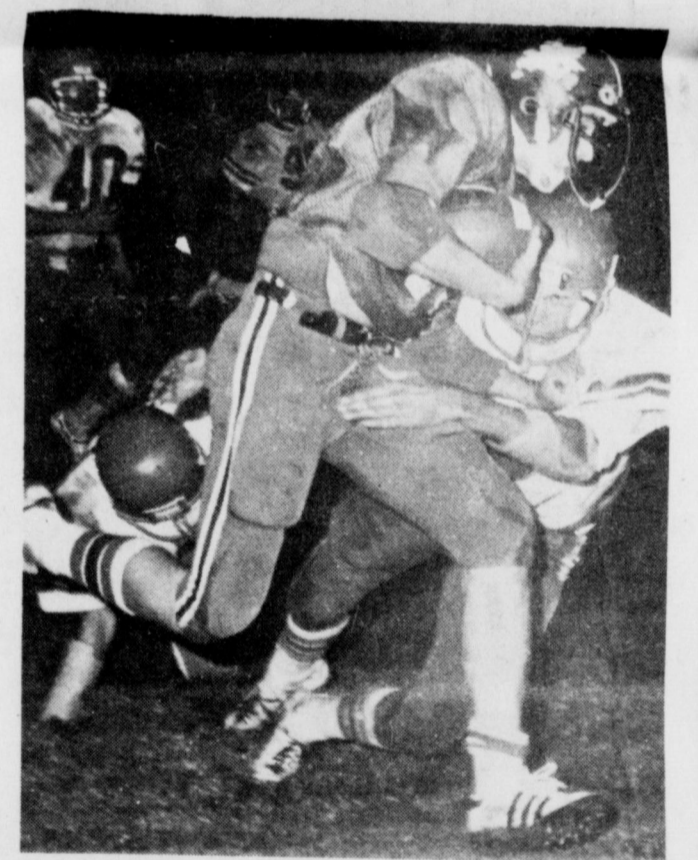

Jim Smith was the leading rusher for the Hawks, accounting for 109 yards on 24 carries. Nethery carried nine times and gained 49 yards.

Steve Fairchild ran a reverse play seven times, and gained 60 yards.

Klinkerman attempted four passes and completed two of them, both to Hayley. Wayne Hodges, who alternates with Klinkerman, was also .55 for the evening in the passing department, completing one of two attempts.

The Hawks are now 1-6 on the season and 0-2 in Dist. 3-AAAA play. Graham is tied with Hirschi for the district lead, both 2-0, and has a 6-1 season record.

Big Red defense keys Pirate loss

The Petrolia Pirates provided Holliday it's most serious challenge of the season Friday night, and the Eagles responded handsomely with a 23-3 win.

Although three games remain in district play for Holliday, Friday's game was THE game of the year for

the Big Red, and the Eagles showed all the signs of a championship calibre team by maintaining their composure throughout the game.

Petrolia's Larry Guice, one of the premier backs in the district the past two years, found the going easy after fielding the opening kickoff. Runs of

17 and 22 yards by Guice and three by Gary Allen put the Pirates in excellent field position at the Eagle 21 before most fans had a chance to check the program's roster.

From the 21, Petrolia managed only five yards in three plays and Kenneth Cates put the first points on the scoreboard with a 33-yard field goal, giving fans on the visitors' side a stab at elation. However it was short-lived.

The Pirates managed two first downs and 47 yards rushing in that drive. From there, the Eagles' stonewall defense played the bully, allowing only 20 yards in the air, minus-three yards rushing the rest of the night, and no first downs.

Rising to the occasion for the Eagles defensively included Joel Mankins, who recorded three interceptions from his safety position, linebacker Joe Chase and Jeff Belcher, and linemen Kevin Blankenship, Harold Parsons, Brad Hardin, Steve Hill and Brian Cunningham.

Holliday's first drive ended with Ray Looney scoring on a power sweep to the left from 20 yards out, concluding a 12-play, 68-yard drive late in the first quarter. Mike A. Parker's first-of-three successful point after attempts gave the Eagles a slim 7-3 advantage.

Looney and Chase were responsible for most of the yardage in the first drive, and Chase finished the evening the game's leading rusher with 147 yards in 28 carries, with Looney adding 113 yards in 17 rushes.

Holliday threatened again on its second drive of the night, after Donnie Bridges returned a Pirate punt 32 yards to the Pirate 23. But the Pirates held their ground, forcing the ball over on downs. It was the first of four straight drives by the Eagles which would end the same way.

The next possession for Holliday in the second quarter stalled at the Pirate 38 with Mankins ending two yards shy on a fake punt run.

On the final drive of the first half, Holliday made its way down to the Pirate 10 following Mankin's second interception of the night at the Eagle 42.

From the 10, the Pirates rose to the occasion with their highly-respected defense led by Guice, linebacker Trent Anderson, Jeff Blake, Danny Paschall and Doug Patterson.

After driving to the three yard line in two plays, the Eagles attempted two passes, both falling incomplete to end the drive.

SECOND HALF

Holliday drove 51 yards on its first possession of the second half, only to come up short at the Pirate 18, turning the ball over on downs.

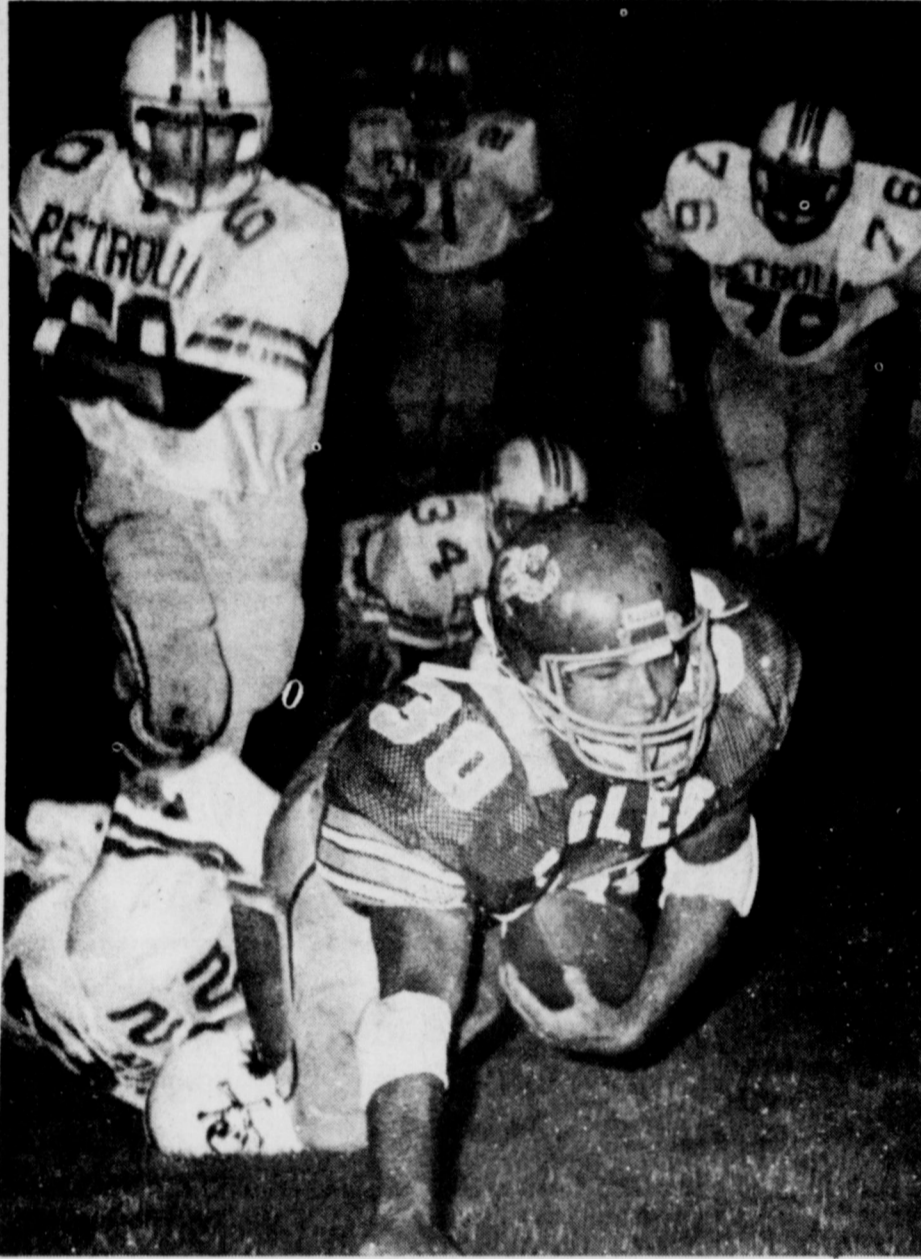

But, after two rushes by the Pirates netted minus-three yards, Guice attempted a screen pass, which Parsons read perfectly, intercepting the aerial at the 16. Two plays later, Looney broke left tackle for a 14-yard touchdown, giving Holliday a 14-3 cushion.

Parker put the Pirates in bad field position with a 35-yard punt to the Pirate 10 early in the fourth quarter. Two plays later, a bad snap sailed over Guice's head, out of the endzone for a safety, giving Holliday a 16-3 lead.

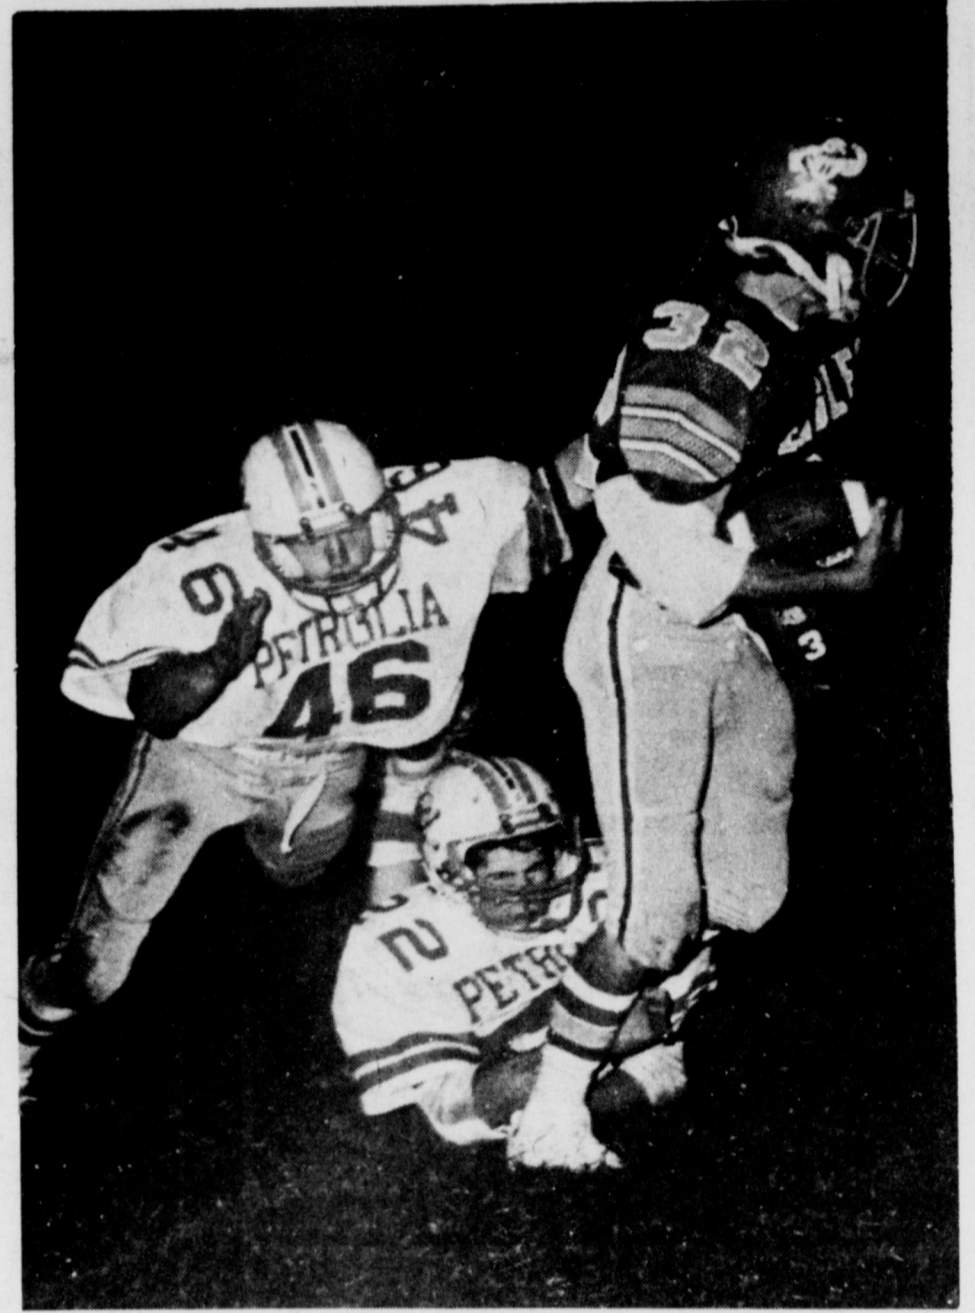

HOLLIDAY	PETROLIA
15	First Downs 2
301	Yards Rushing 44
10	Yards Passing 20

3-34	Punts 4-34
7-60	Penalties 6-52

Petrolia turned the ball over on downs late in the fourth quarter at its 29 after failing to record a first down. Looney, Brad Harmon, Blecher and Chase took turns carrying the ball as the Eagles drove to the Pirate

one-yard-line, where Belcher took it over for the final score of the game. The most important play of the drive next to the score was a nine-yard run by Chase on a fourth-and-seven situation at the 13.

Obituaries

Leonard F. Davis

Leonard F. "Jack" Davis, 79, a resident of Iowa Park since 1942, died Friday in a Wichita Falls hospital.

Services were Sunday afternoon at Tanner-Aulds Funeral Home with Rev. Ken Cole, pastor of Faith Baptist Church, officiating. Burial was in Highland Cemetery.

He was born April 2, 1902, in Falls County. He was a retired oil field driller and a Methodist.

He is survived by a son, L.F. Jr. of Iowa Park; two daughters, Betty Wilson of Borger and Mary Ann McWilliams of Little Rock, Ark.; a brother, John Donald of Ft. Worth; two sisters, Ruby Jenkins of Wichita Falls and Mrs. Lee DeWeese of Lake Dallas; 13 grandchildren and nine great-grandchildren.

Pallbearers were Roy Kent Boutwell, Gary Boutwell, James Ray Wilson, L.F. Davis III, Rodney Davis, Kevin Davis and Jimmy Don Brown.

Betty Jo Phillips

Services for Betty Jo Phillips, 55, who died Sunday in a San Antonio hospital, were Wednesday morning at Tanner-Aulds Funeral Home. Rev. Jimmy Johnson, pastor of Grace Baptist Church, officiated. Burial was in Perrin Memorial Park in Perrin.

She was born May 20, 1926, near Megargel and had lived in Iowa Park since 1967. She was a member of the Iowa Park Garden Club and First Baptist Church.

She is survived by her husband, Raymond; a son, Johnny F. Johnson of Perrin; a daughter, Judy Blewett of San Antonio; her father, Jesse C. Goodwin of Graham; a brother, Ernest Standridge of Fort Worth; and five grandchildren.

Pallbearers were Brad Blewett, Danny Smith, Steve Standridge, Jerry Vincent, Carl Pemberton and George Hammonds.

Thelma Miller

Services for Thelma Miller, 61, will be at 2 p.m. today at Owens and Brumley Funeral Home in Wichita Falls. Rev. Gene Gordon, pastor of the University Methodist Church, will officiate. Burial will be in the Iowa Park Highland Cemetery.

She was born July 30, 1920 in Iowa Park and was a lifelong resident of the Wichita Falls area. She was employed by Grace's Ladies Apparel.

Survivors include a son, Sandy Kendrick of Odessa; a sister, Tennie Berry of Wichita Falls; four brothers, Ralph Brown of Kermit, Glen Brown of Odessa, Jim Brown of Schertz and Bo Butcher of Iowa Park, and a grandchild.

Carrie B. Wooster

Services for Mrs. Carrie B. Wooster, 78, of Holliday, who died Saturday in a Wichita Falls hospital, were Monday morning at Owens and Brumley Funeral Home.

Rev. Bob Bryan, pastor of the

Holliday First United Methodist Church, officiated. Burial was in Crestview Memorial Park.

She was born Dec. 10, 1902, in Marion, Ind. She was a member of the First United Methodist Church and Order of the Eastern Star Lodge.

Mrs. Wooster is survived by a daughter, Margaret Young of Wichita Falls; a son, Charles, C. Jr. of Wichita Falls; a brother, G.W. Andrew of Alvin; and four grandsons.

J. Pat Wiley

Funeral services for J. Pat Wiley were held Oct. 12 in Meridian, Miss.

A retired attorney, Wiley was a resident of Iowa Park until World War II. His parents owned a drug store at the corner of Cash and Wall.

Survivors include his wife, Bertha Mae, of the home; two daughters, Mrs. Ann Burton of Memphis, Tenn., and Mrs. Jan Miller of Meridian; a son, C. Dan, of Atlanta, Ga.; and two brothers, J.K. of Lubbock and Don C. of Dallas.

Lillie Ethel Parker

Funeral services for Mrs. Lillie Ethel Parker, 80, were held Tuesday at Owens and Brumley Funeral Home in Wichita Falls. Burial was in Crestview Memorial Park.

She was born May 12, 1901, in Jack County and had lived in Wichita Falls for 40 years. She was a member of the University Park Church of the Nazarene.

Survivors include four sons, Bobby Charles and Pat of Wichita Falls, James Ray of San Antonio and Mike of Holliday; three daughters, Joyce Ann Andrews of Wichita Falls, Delois Jean Baugh of Oklahoma City and Emma Jean Neely of Houston; a sister, Effie Taylor of Fort Worth; 29 grandchildren, and 21 great-grandchildren.

Clyde Walkup

Clyde Walkup, 84, a former resident of Iowa Park, died Thursday in a Clay County nursing home.

Graveside services were Monday morning at Frederick, Okla. Memorial Cemetery under direction of Hawkins-Hilliard Funeral Home in Henrietta.

He was born Nov. 4, 1896, in Seymour. He was a retired antique dealer and a Baptist.

Survivors include a daughter, Doris Warren of Houston; two sisters, Laverne Walkup of Roswell, N.M. and Bessie Jones of Houston; three grandchildren and eight great-grandchildren.

Roundup nets \$27,000

Three Texas charities will soon receive \$27,000 from the proceeds of the Budweiser Texas Ranch Roundup, held in Wichita Falls Aug. 21-22, co-sponsored by Budweiser and the three benefiting charities.

The primary recipient, the North Texas Easter Seal Rehabilitation Center in Wichita Falls, will receive \$17,000. Two other charities, the Boys' Ranch in San Angelo and the West Texas Rehabilitation Center in Abilene will receive \$5,000 each.

The North Texas Easter Seal Rehabilitation Center, like the West

Texas Rehabilitation Center, provides outpatient services to children and adults with physical, developmental, communicative and educational limitations. Boys' Ranch provides a home for dependent and neglected boys at its 34-year-old, 963-acre ranch.

"The Roundup was a rousing success. Not only did it generate monies for charity, but it also brought together 12 of Texas' oldest and largest ranches in the biggest, most exciting showdown since High Noon. The ranchers and cowboys had a great time. They gave the spectators a great show, and most importantly, they're raring to come back next year," said Mike McAfee.

After two days of roundup events, such as team branding, team penning, saddle bronc riding and team roping -- all of which emphasized the cowboys' ability to work as a unit -- the Lewis Ranches, headquartered in Clarendon, were named the best ranch in Texas.

CARD OF THANKS

We have been overcome by the outpouring of the love and compassion of friends as they have left nothing undone to show their concern for us and to honor the memory of our precious loved one during his passing. The flowers, calls, visits, offers of assistance and many more things have attested to your concern in a beautiful way. We thank you with all the sincerity that we can command and pray that God will bless each of you abundantly.

The family of Jack Davis

News

The Iowa Park 4-H Club met Monday night at the ASCS building for the monthly meeting. Darin Coffman, president, was in charge.

Terry Taylor gave a slide presentation of her 4-H tour of Washington D.C. for the program. She was recognized for having received the Gold Star award at the 29th annual Wichita County achievement awards banquet.

During the business a Christmas party and pizza party for popcorn sellers were planned.

Iowa Park graduate becomes an Aggie

(EDITOR'S NOTE: The following is an article written by Joe Spruiell, for his English 103 class at Texas A&M Univ. He is the son of Mr. and Mrs. Bill Spruiell.)

When I first came to Texas A&M University, I was scared to death. Here I was going from a high school graduating class of one hundred fifty-three students to a major university of well over 35,000 students. I decided to come to A&M for two reasons. First, my major is Petroleum Engineering and A&M is the best Petroleum Engineering school in the United States. Also, my father is an old Ag and by brother is currently enrolled here at the university. I think A&M is a great school. It has a few problems, as all large universities do, but after five weeks in school I have found the good features far outweigh the bad ones.

I have also found that a motorcycle is a great advantage to an off-campus student. With my motorcycle I can leave to go to class about fifteen minutes before it starts, and get

there in plenty of time. I can also come home between classes when I have only an hour break. Without my motorcycle I would have to drive my car or ride the shuttle bus. Using these alternatives I would have to leave at least forty minutes before my class, and carry my books for the entire day.

Parking is another advantage of riding a motorcycle, especially for an underclassman. If I drove my car I would have to park at least a quarter of a mile from my classes. However, with a motorcycle I can ride it between my classes, and park within fifty yards of each.

With the large student body that A&M has, it also has to have a very large campus. This vast campus can cause problems to an incoming freshman who is not familiar with it. The first few weeks of school most of the freshmen wandered around campus with a Texas A&M map in one hand and a compass in the other.

Along with the big campus, the classes are also extraordinarily large.

The change from a high school class of about thirty to a college class of over three hundred is a frightening experience. These large classes have made me feel lost at times if I don't understand the material very well.

Another frustrating thing that often occurs is having to stand in lines. A&M is not like Iowa Park where I can run to the grocery store and be back in fifteen minutes. Here I have to give myself plenty of time and I can count on standing in a long line. I have had to stand in a line for anything from buying books to getting a stamp out of a stamp machine.

On the other hand, the spirit and tradition of Texas A&M make it a unique school. There is nothing like being in Kyle Field and hearing 35,000 Aggies doing a yell, or seeing all the Aggies swaying in the stands as the band plays "Saw Varsity's Horns Off."

In addition, all Aggies stand throughout the entire game. This tradition was started in 1922 when

the Southwest Conference Champion Aggies were playing Centre College in the Dixie Classic Football game. The underdog Aggie team was outplaying the stronger team, but the first half produced so many injuries for the Aggies that Coach Dana X. Bible called into the stands for King Gill. Gill was a reserve who had left the football team to play basketball. He was spotting players from the stands for Coach Bible. Gill willingly volunteered and suited up. Although he never played, he was the only man on the bench for A&M at the game's end. Texas A&M won 22-14. Gill's readiness to play symbolized the loyalty and spirit of the Aggie fans. That spirit has continued; and today the Aggie student body, known as the twelfth man, remains standing throughout the entire game as a gesture of their loyalty and spirit to the team.

A&M also has a good reputation for graduating well-trained and hard workers. Employees recognize this fact and they often come to A&M to

interview students through the job placement center located here. Because of this good reputation, an Ag's chances of getting a good job are greatly increased.

I am glad I came to A&M. It is a

good school that offers many opportunities. The frustrating moments at Texas A&M seem small when placed up against the good ones. I am proud to be a part of Texas A&M and especially proud to be an Aggie.

Meteorites on display

Meteorites-- are they more than just falling stars?

The Wichita Falls Museum and Art Center, in conjunction with the Department of Geology and Geophysics at Midwestern State University, has put together a small exhibition on meteorites. This exhibit will run from Oct. 10 through Jan. 1.

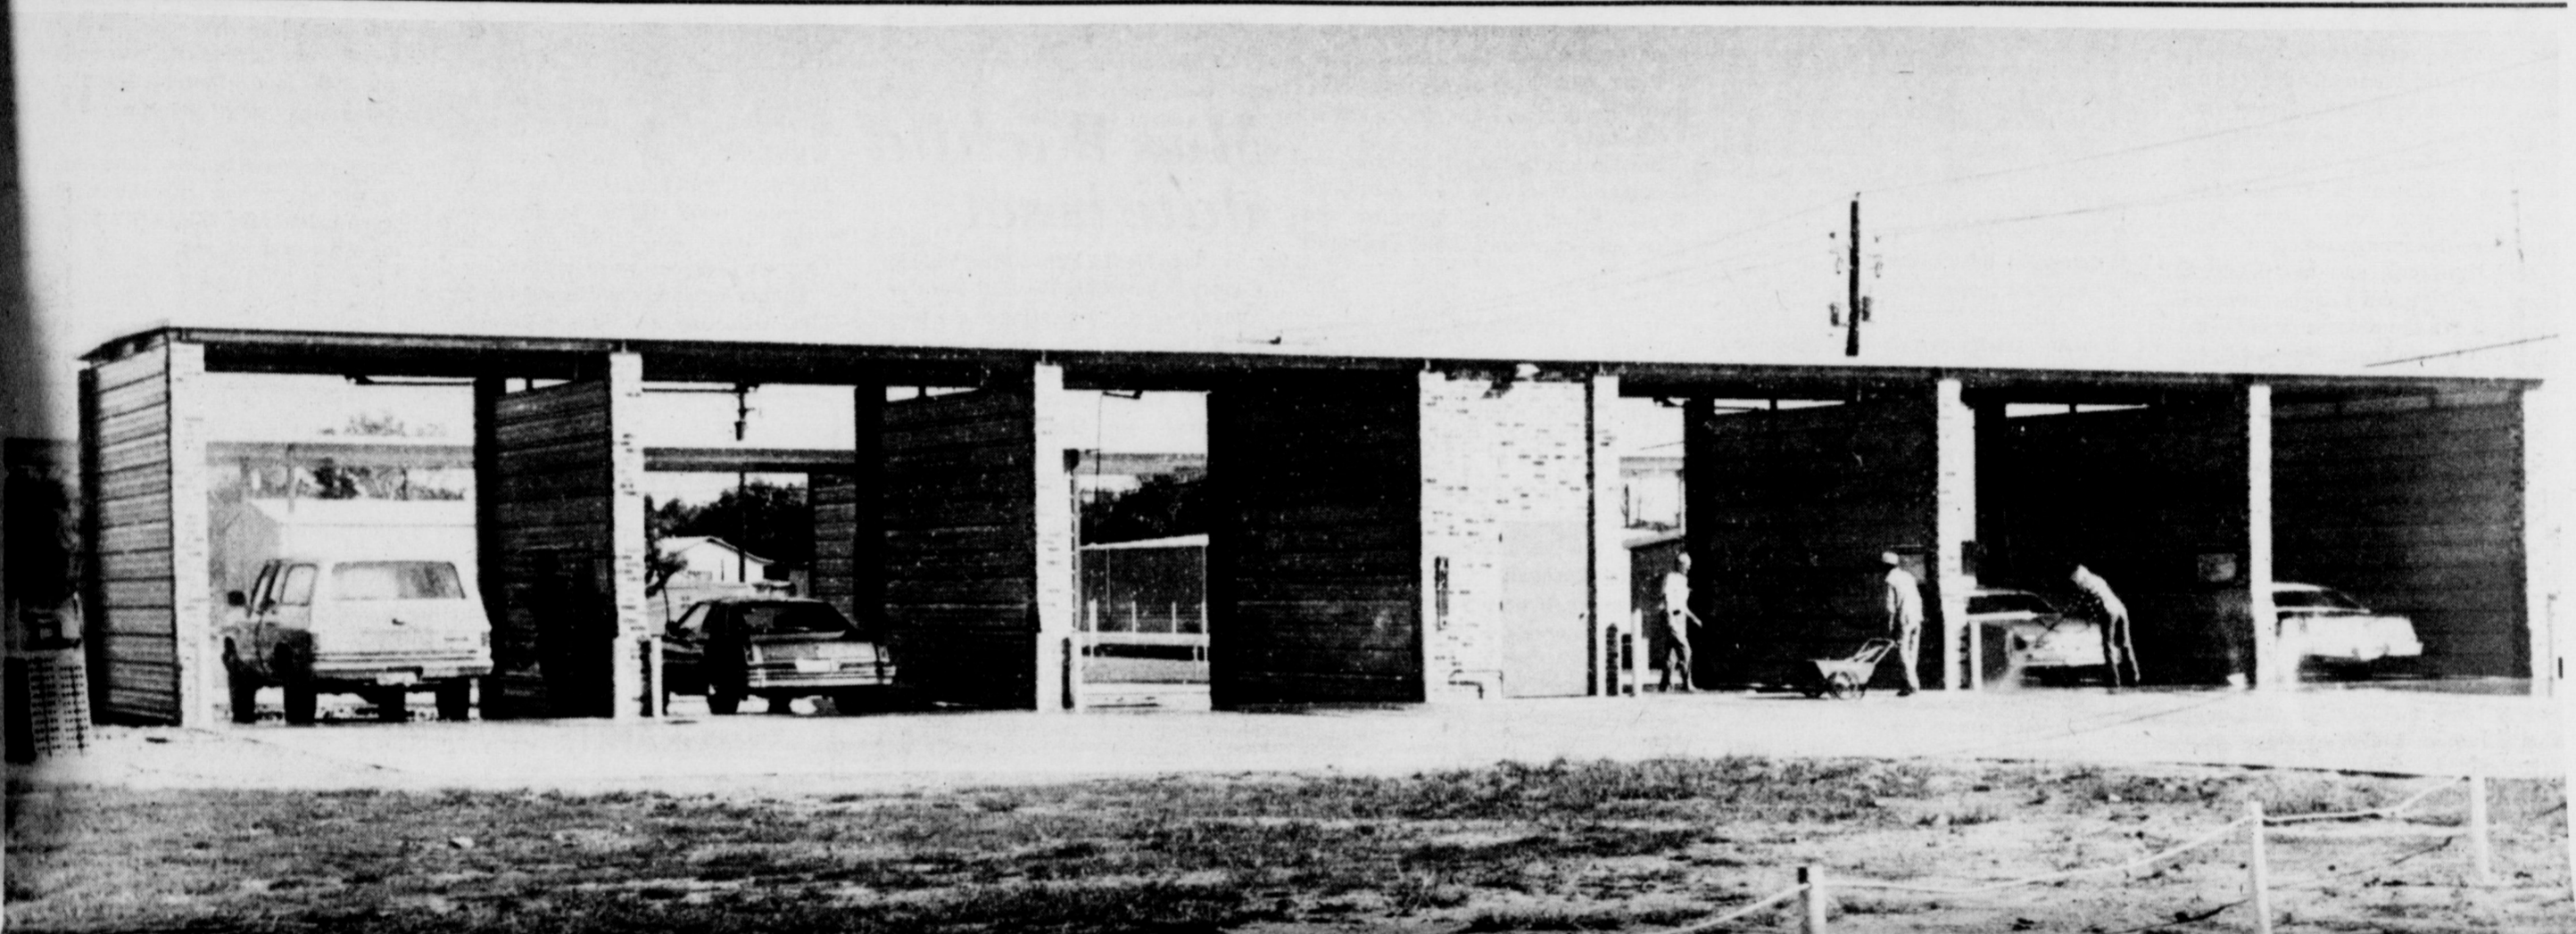

On exhibit are examples of the three basic types of meteorites found throughout the world - Iron, Stony, and Stony Iron meteorites. Also featured is a collection of polished thin sections that were cut from various meteorites found throughout Texas as well as other parts of the

world.

Tektites, which are meteorites composed of a natural glass material, and examples of pseudo-meteorites may also be viewed. Other parts of the exhibit include photographs of lunar rock samples and a map of Texas pinpointing the locations where meteorites have been found.

Also available is a check-list for identifying meteorites found in this area.

The Wichita Falls Museum and Art Center is open 9 a.m. to 4:30 p.m., Monday through Saturday, and to 5 p.m. Sunday. Admission is free.

FOR EAGLE GAME

Directions given fans on how to find Millsap

Holliday's Eagles travel south-east tomorrow night to take on Millsap's Bulldogs, with the Eagles out to extend their winning streak and maintain their firm grip on District 13-AA.

On the map (put out by the State Department of Highways and Public

Transportation), Millsap is non-existent. But the Eagles and fans themselves have seen a team and town with such a name-and they seem to improve with each new season.

After fighting their way out of the

District 13-AA cellar the last couple of years, Millsap's Bulldogs are hoping to cash in on their first .500 season with a current record of 4-3, 2-2 in the district and holding strong at fourth place.

And they are hoping the Eagles come into town tomorrow night as relaxed and over-confident as humanly possible.

In district play last week, Holliday humbled Petrolia 23-3 while Millsap was taking it on the chin from Windthorst 30-6. But the Bulldogs maintained their fourth place spot in district, ahead of the Trojans, Archer City, Nocona and Chico.

The Bulldog's overall strength from six offensive and four defensive returning starters is speed, with the running of ends Steve Finch and Waymon Kruger, and backs Carl Leatherman and Kimmy Johns.

HOW TO GET THERE

If this is your first year to travel to Millsap for a game, do not pull out the official highway travel map, because it doesn't know where Millsap is either.

In order to get there, take 281 south through Jacksboro to Mineral Wells; turn east on 180 at Mineral Wells and go approximately nine miles until you intersect with FM 113. Turn right (south) and you will eventually end up in Millsap.

STATE-RANKED IN BOTH POLLS

Holliday remained in eighth place in the newly-released Associated Press' state top 10 for Class AA, for the second week in a row. Forney and Pilot Point hold the first and second spots, respectively, with Forney receiving 13 first place votes. Holliday received two. Rounding out the top 10 beginning at the third spot is Shiner, Garrison, Tidehaven, Grandview, Pottsboro, (Holliday), Winona and Eastland.

The Harris high school ratings seem considerably more impressed with the Eagles this year, placing them in the number two spot, behind favored Pilot Point.

The Eagles, before last week's game with Petrolia, had a power rating of 152, one point behind Pilot Point. Other teams in the top 10 for Class AA are Garrison (third), Blanco, Plains, Forney, Shiner, Tidehaven, Clarendon and Industrial.

City appoints warden to control animals

Holliday mayor James Cook Monday appointed Allen Monroe the city's new animal control warden, city administrator Jim Hamill said.

According to the city ordinance which concerns animal control (See public notice elsewhere on this page), the warden is to make a complete registry of each animal impounded, and record whether or not the animal is licensed by the city. The owner of each licensed dog which is impounded will receive a notice to inform the owner he has six days from the date of impoundment to redeem the dog.

Passed by the city council in May of

1979, the ordinance was to deal with the stray dog problem, which has traditionally been a problem for the city. However, the city ran into it's own problems keeping an animal control warden employed. The last warden reportedly quit for fear of retaliation from some animal owners.

"We do not plan to begin a strong enforcement of the ordinance," Hamill said Wednesday, "we will give the public a chance to get used to having an animal control warden before we get serious. . . we will concentrate mainly on stray dogs, nuisance complaints and the like for now."

Marching contest slated Wednesday

The Holliday High School Eagle Band enters the first leg of U.I.L. band sweepstakes competition Wednesday when they travel to Memorial Stadium in nearby Wichita Falls for the fall marching contest.

Tom Woody, director, said the band should be on the field around 11:28 a.m. for it's five-minute performance.

Other bands in Holliday's classifi-

cation include Seymour, Archer City, Quanah, Crowell, Munday and Paducah.

The Eagle Band performed in pre-contest festivities Monday night at Memorial Stadium, and Woody was pleased with their performance.

"We received some nice compliments in our critique," Woody said. "I think they will do a fine job."

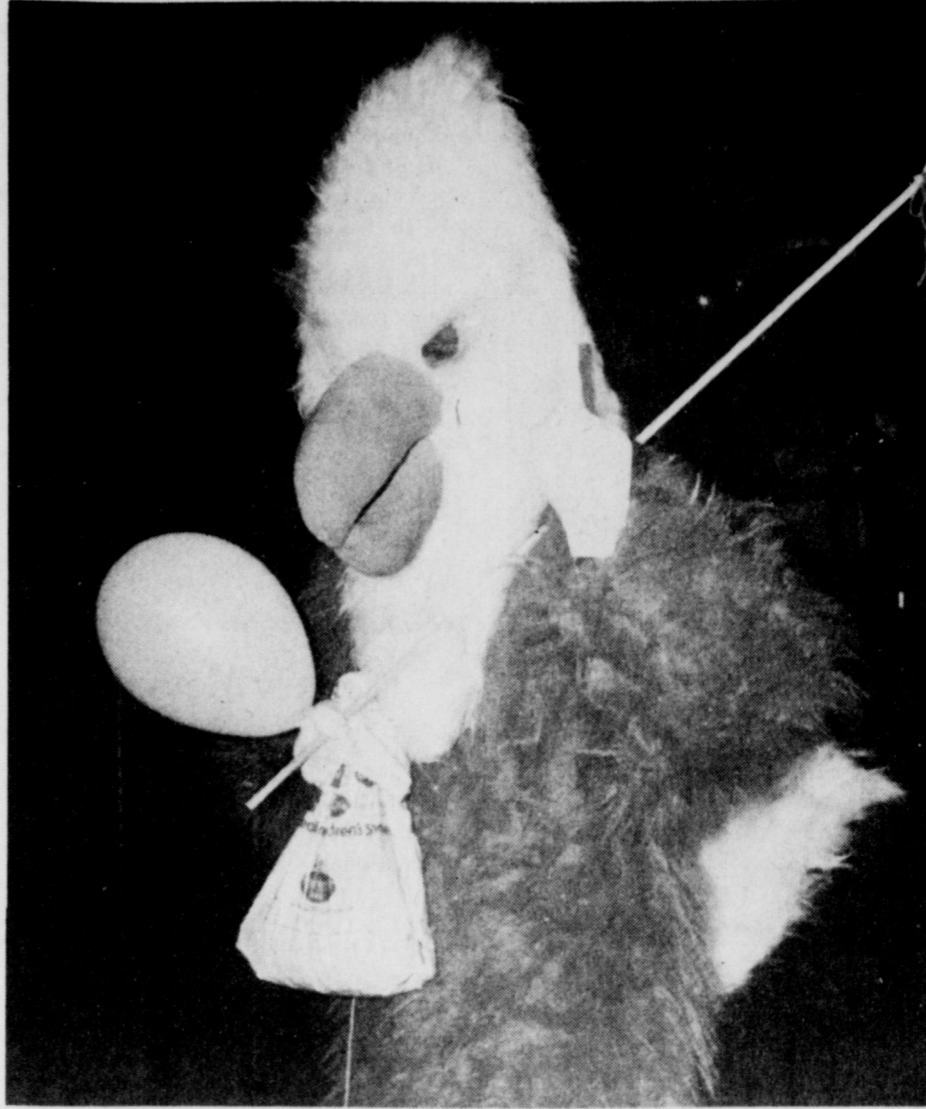

PUBLIC NOTICE

ORDINANCE NO. 79-4

AN ORDINANCE REGULATING THE KEEPING OF DOGS, fowl, AND OTHER LIVESTOCK WITHIN THE CITY OF HOLLIDAY; PROVIDING FOR LICENSING OF DOGS, MAKING THE VIOLATION OF SAID REGULATION AND ORDINANCE A MISDEMEANOR, AND FIXING THE PENALTY FOR VIOLATION IN A SUM NOT TO EXCEED \$200.00; PROVIDING FOR IMPOUNDMENT OF DOGS AND LIVESTOCK FOUND TO BE AT LARGE, AND REPEALING ALL ORDINANCES IN CONFLICT HERewith.

Holliday News

NEW MASCOT appeared on the sidelines of the Eagle-Pirate game Friday in Holliday. Rumor has it the man inside the suit is a former player himself, Jim Ezzell, and most agree the change was for the better.

BOOSTER CLUB MEETING

A meeting of the Holliday Band Club will be held at 7:30 p.m. Monday in the band hall, according to Dyanne Lee. "Everyone is encouraged to attend this important meeting," Mrs. Lee said.

Voters to polls

Holliday voters will vote from 7 a.m. to 7 p.m. Tuesday at the Holliday Community Center in a statewide election dealing with seven proposed amendments to the Texas constitution.

JV, frosh unbeaten

Holliday High School's unbeaten freshman and junior varsity teams host games today at Eagle Stadium, with the freshmen taking on Haskell beginning at 5 p.m., coach Cody West said.

The junior varsity, currently 7-0 for the year, entertains Burkburnett in a game immediately following the freshman's game. The ninth graders are 3-0 this season.

Petrolia was the latest victim of the Eagles' junior varsity, losing 34-0 last Thursday night.

Holliday School Menu

Friday, October 30

LET'S KEEP THE WATER RUNNING IN TEXAS!

In cities and towns all across Texas, local water problems are threatening to erupt into one enormous statewide crisis. Countless communities are facing growing water supply, water treatment, sewage treatment and flood control problems estimated to cost a staggering \$50 billion over the next 25 years. To make matters worse, federal funds for water projects have recently been slashed.

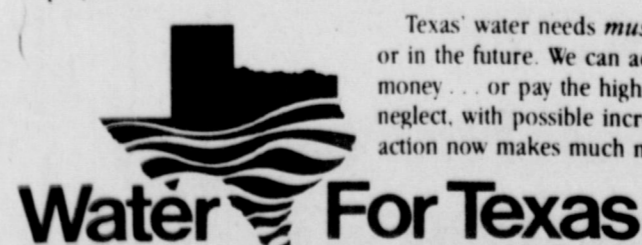

But on November 3, Texans have the opportunity to adopt a plan, already passed by two-thirds of the Legislature, which would harness a portion of our state's budget surplus to help shoulder that heavy local burden.

The plan is proposed Constitutional Amendment No. 4.

Passage of Amendment No. 4 would:

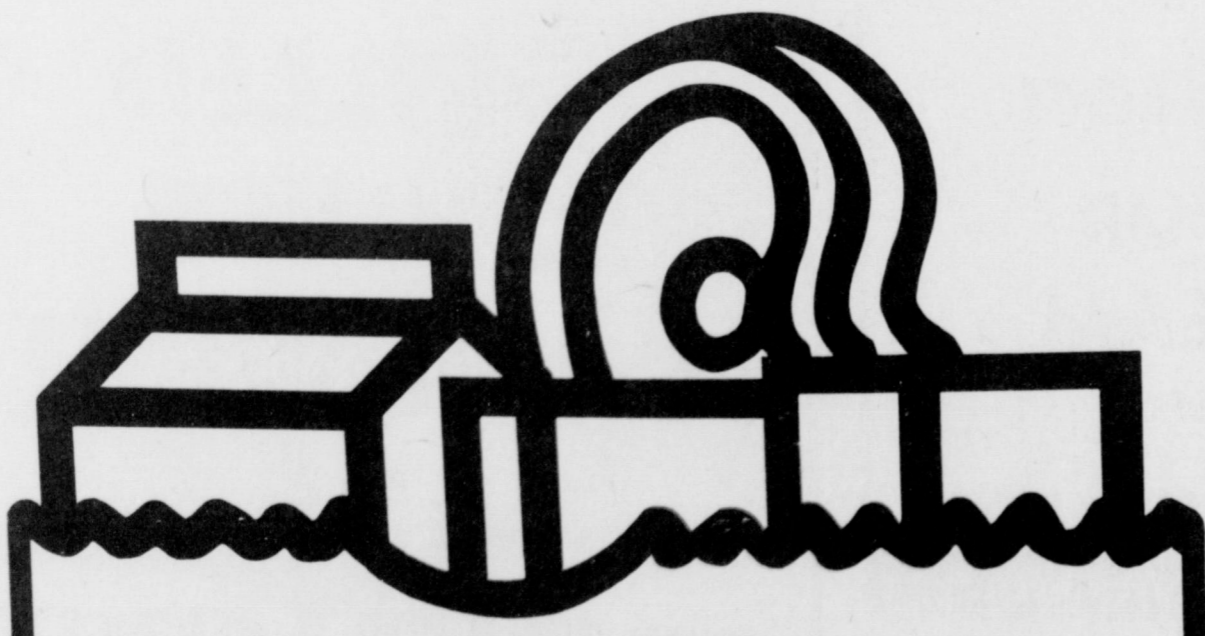

- Make possible the sale of more than \$200 million in authorized and urgently needed state bonds to address a backlog of needed projects.
- Create a loan guaranty program to enable local communities to save millions of dollars in issuing future bonds.
- Begin to build a "nest egg" for the future from a part of the state's budget surplus to assist local governments in financing future water and sewage projects.

Texas' water needs *must* be met, either now or in the future. We can act now, and save money . . . or pay the higher price later for our neglect, with possible increased taxes. Sensible action now makes much more sense for Texas.

Water For Texas
VOTE FOR CONSTITUTIONAL AMENDMENT NO. 4
ON NOVEMBER 3!

Pub. Ad. paid by Water for Texas, 1011 Congress Avenue, Suite 400, Austin, Texas 78701, Phone 512-472-7872

If you're concerned about rising grocery costs, here's something you can do about it.

On November 3, you can make a positive step toward helping hold the line on rising grocery costs.

Proposition 5, one of seven proposed Constitutional Amendments which will be offered on the ballot, would include livestock and poultry with all other farm products as exempt from property (ad valorem) taxes. The effect of passage of this amendment will be to lower production costs for livestock and poultry. In the long run, this will be a positive step we can take to help hold the line on grocery price increases.

For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

VOTE FOR 5.

HELP HOLD THE LINE ON YOUR FOOD COSTS!

NOTICE NOTICE

THE STATE OF TEXAS COUNTY OF WICHITA

In the Name and by the Authority of The State of Texas To: Mrs. Gordon Walker, whose residence is unknown, the respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiffs herein for taxes.

YOU ARE HEREBY NOTIFIED that suit has been brought and is now pending in the Honorable District Court, 89th Judicial District, Wichita County, Texas, wherein The City of Wichita Falls, joined by the Wichita Falls Independent School District, the Wichita Falls Junior College District, and the City of Wichita Falls both for itself, and as successor to all property and assets of any kind of the Wichita County Water Control and Improvement District No. 1, State of Texas and County of Wichita are plaintiffs; and Mrs. Gordon Walker defendant, by the filing by said plaintiffs of a petition on the 17th day of April, 1981 and the file number of said suit being No. 36,039-C and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property to-wit: Lot No. Six (6), Block No. Eight (8), Vista Heights Addition to the City of Wichita Falls, Wichita County, Texas together with interest, penalties, costs, charges and expenses of suit which have accrued and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:

The City of Wichita Falls, \$50.96; Wichita Falls Independent School District, \$58.18; State of Texas, .98; County of Wichita, \$9.31; TOTAL \$119.43.

The names of all taxing units which assess and collect taxes on said property not made party to this suit are None.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to including the day of judgment herein, and the establishment and foreclosure of liens, if any securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit by filing a written answer at or before 10 o'clock a.m. on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 30th day of November, A.D. 1981. (which is the return day of such citation), before the honorable District Court of Wichita County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Wichita Falls, Wichita County, Texas, this 13th day of October, A.D. 1981.

WAYNE WIGGINS
Clerk of the District Courts
Wichita County, Texas
89th Judicial District.
