## News Briefs

### Easter egg hunts set Saturday

Two Easter egg hunts will be held in Iowa Park, both starting at 1:30 p.m., and are open to the public.

The Evening Lions Club will have 4,000 eggs and eight prize eggs at the parking lot south of Hawk Stadium. Three different age groups will have separate hunt areas.

A second hunt will be held at the Tom Burnett Memorial Library. Children should take their own individually-wrapped candy eggs that will be hidden, and also have with them a basket or sack for the eggs they find.

### Schools to dismiss early for Easter

Iowa Park schools will dismiss two hours earlier than usual Friday for the Easter weekend, according to Supt. Glen Mitchell.

The original school calendar called for no classes to be held Monday, but that no longer is the case. Supt. Mitchell said that holiday was used as a "bad weather" makeup day, so students will return to classes at the regular hour April 4.

### Time changes Saturday night

The nation changes to Daylight Savings Time Saturday night, so residents should set their clocks ahead one hour before going to bed.

"Spring Forward" is the term used to remember how to set one's clock for the time change this time of the year. Those going to bed at 10 Saturday night will want to move the hands to 11.

### Fund to benefit cancer patient

A special fund has been established at the banks here and in Holliday to help defray medical and other related expenses of David Ross, who is suffering from cancer.

The "David Ross Fund" was established this week by Grady Graves, the current mayor of Holliday who coached "Red Hoss" while he was an outstanding Iowa Park Hawk football player.

### Horticulture students to sell plants

The annual plant sale of Iowa Park High School horticulture students will be held Saturday at the school greenhouse, according to George Brandt, teacher.

Students will sell their hanging baskets and annual bedding plants, as well as tomato, pepper, geranium and solvia plants.

Brandt added that the vocational agriculture department is offering free bedding straw, used during the recent project show, on a first-come, first-serve basis. Brandt can be contacted by calling 592-9052.

### Good Friday service is scheduled

A joint Good Friday service will be held at 12-noon Friday at the First United Methodist Church, sponsored by the Iowa Park Ministerial Alliance.

Special services have been held throughout the week preceding Easter at Faith Baptist Church, First Baptist Church, Lakeview Church of God and First United Methodist Church.

**NEW IOWA PARK SKYLINE** - As workmen begin repairing almost every roof in Iowa Park, the skyline is changing to the jagged appearance of bundled shingles awaiting the workers' attention. More than 1,000 home and business

roofs were heavily damaged by the March 1 hailstorm, and unemployed construction workers from Texas and Oklahoma have converged on the area. Construction company spokesmen estimate all the roofs will not be repaired until fall.

## Price of mail increases this weekend

The price of mailing a letter goes up this weekend.

As of Sunday, a 25-cent stamp must be used to mail a letter. Similar increases have been put on all other postage, from a card to second class newspapers.

New 25-cent stamps have not yet been printed, so a special stamp without the amount will be used until the printing is done. This is the same as was done temporarily when postage went to 22-cents.

## Trustees to continue policy of paying employee insurance

School trustees Thursday night approved a motion to pay the increase in employee health insurance premiums, and a proposal to purchase materials for a new swine barn to be built at the school's agriculture farm.

Contracts also were extended to the teaching staff for next year.

Employee health insurance rates through Blue Cross/Blue Shield have increased from \$42.87 to \$60.36 per month, trustees were told.

The school provides coverage for the 150 employees of the district, but employees pay for coverage of their family members.

Coverage of employees has remained \$79,738 for each of the past three years. But that will now rise to \$112,209.

Supt. Glen Mitchell, after explaining the policy was the lowest cost for similar coverage of all companies studied, suggested employees might pay \$10 of the \$17.49 monthly increase.

However, the cost-sharing suggestion was rejected by board members, who voted unanimously to pay the entire increase.

Cost of materials to construct a

40-pen swine barn is estimated at \$16,928, according to George Brandt, one of the Vocational Agriculture instructors.

To be built by volunteer labor of Wichita County Young Farmer and FFA Booster Club members, as well as teachers and students, a savings of 60 to 70 percent would be realized, board chairman Jimmy Howell pointed out.

The new unit would replace one constructed more than 20 years ago. The old unit is impossible to clean, which has contributed to disease of the animals kept there, Brandt said.

A plan to build a similar structure for lambs and steers, at a cost of \$7,524, was put on hold possibly until next year.

Following an executive session that lasted an hour and 49 minutes, trustees accepted resignations of six teachers and aides, and then approved lists of teachers for each campus.

The six resignations included: Jean Baugh and Barbara Kline, Kidwell Elementary; Kristina Hines, Iowa Park High; Darlene Powell, Junior High; Joni Whitis, Bradford Elementary; and Janice Vickers, Junior High special education aide.

On the recommendations of their respective principals, the following campus lists of teachers were approved for next year:

High School - Wendell Allen, Ruby Black, George Brandt, Dennis Brooks, Tim Clark, Diana Collins, George Collins, LaRae Collins, Linda Escue, Olivia Garcia, Jim Gotcher, Linda Gray, Jean Johnson, Terry Johnston, Val Jones, Tim Kaspar, Dean Kirkpatrick and Lorna Klinkerman.

Also, Barry Lucy, Gary Lyles, George Martin, David McCullar, Candice McKee, Greg Miller, Alice Overman, Eldon Patterson, Mary Ress, Earnie Reusch, Carey Roberts, Ray Sefcik, LaRue Slack, Judy Spring, Robert Sumner, Carole Venhaus, Jeanie Wilson and Dick Wineinger.

Junior High - Charles Anderson, Dennis Brooks, Tim Caughern, Danny Clack, Tanya Daume, Terry Davis, Denise Frerich, Kellie Gibson, Bob Gray, Ed Hefli, John Hoelter, Eddie Jones, Mary Kirkpatrick, Meredith Long, Caia McCullar, David McCullar, Janna Monday, Carolyn Richter, Joyce Smith, Mozelle Sullivan, Patsy Todd, Annette Warren, Karen Whisnand, Mark Wil-

son and Dick Wineinger.

Bradford Elementary - Johnna Adams, Denise Alsop, Connie Bennett, Jayna Case, Patricia Coker, Kathryn Cole, Patricia Cravens, Leslie Crumb, Annabeth Dawson, Meri Guyette and Jo Ann Hale.

Also, Carolyn Hancock, Galyia Kasperek, Howard Klinkerman, Karen Lamberth, Beverly McClure, Willa Mitchell, Mary Pike, Keven Robertson, Judy Schneider, Arlene Welch and Jan Yeager.

Kidwell Elementary - Nancy Bauer, Janet Bowling, Debra Brandt, Lee Ann Bryant, Betty Cash, Gayle Cleghorn, Sherry Eckelkamp, Daryl Frazier, Marty Harris, Dianne Hefli, Connie Ginnings and Debbie Gruber.

Also, Vicki Johnson, Janet Martin, Gail Miller, Ann Norris, Barbara Padgett, Dorothy Palmer, Mary Pike, Helen Roberts, Mary Helen Schell, Judy Schenk, Kay Sitgreaves, Linda Rinehart and Judy Silvers.

The school's vehicles received \$10,700 in hail damage from the Mar. 1 storm, even though the six newest buses were not damaged because they are kept in a barn.

Every building except the high school received extensive damage in the storm.

He listed structures with damage as Kidwell Elementary; Bradford Elementary, north-south wing and three portable buildings; Junior High, main building and band hall; tax office and administration building.

The 1988-89 school calendar was approved. It includes commencing classes Sept. 1 and concluding June 2, with classes dismissing Dec. 16 for Christmas and resuming Jan. 3.

Trustees accepted the recommendation of Supt. Mitchell to pay \$1,500 to teachers on Level Two and \$3,000 to Level Three teachers, with payment being made with their May

## Six arrested reported by police during week

In an unusually busy week, Iowa Park police made six arrests, continue to investigate three thefts, and received a report of vandalism.

The first arrest was made Friday, when Larry Norris, 211 Valley, was charged with cruelty to an animal.

A dog was taken from Norris' yard to be cared for at the animal shelter, and Norris was released after posting a \$200 bond at the courthouse, according to the police blotter.

James Calvin Pendergrass was picked up Friday on two local warrants, and released after posting a \$181 bond.

Pendergrass was charged with having no proof of vehicle liability insurance and failure to appear in court.

Bryan Wayne McMahon, 17, was taken into custody Sunday evening on a charge of disorderly conduct and failure to identify himself.

Three of the arrests were all for

the same offense, harboring a runaway.

Facing the charge for an offense alleged to have occurred at Woodbriar Apartment No. 603 are Larry Douglas Green, 19, Chad Boyd Patterson, 23, and Lance Britian Farris, 18.

Armed only with a license number, police are searching for a vehicle with four black females that reportedly left Wal-Mart Friday evening without paying for several items of merchandise.

Garry Matthews, 301 W. Pecan, told police someone took a .45 cal. handgun from his vehicle sometime over the weekend.

Woodbriar Apartment No. 812 was found Saturday to have been broken into, but nothing has yet been reported as missing, police said. The case remains under investigation.

Micheal Sellers, 601 W. Louisa, told police Monday evening someone had thrown a bottle and made two large dents in his car.

## City negotiating deal to buy ballfield site

The city council is negotiating to purchase an alternate site for the Senior Little League ballfield, after it became apparent the neighbors of the land being considered were opposed to proposal.

At their meeting Monday, aldermen were told a mail survey of the neighborhood had responded against the proposed location by a 7-1 margin, and also received a petition asking that an alternate site be found.

The site under consideration was the land, a block and a half, purchased by the city between Third and Fourth Streets as a potential site for a community center.

Discussions at the previous two council meetings, about problems of maintaining and scheduling of the Burnett Field, led to consideration of the new site for the youth program.

As some neighbors of the pro-

posed site pointed out, they were not against the Little League program or doing something for the youth, but just didn't want the noise that goes with a field during summer evenings.

Negotiations are underway to buy a tract of land in an area south of Sonic and Harvey's, and aldermen said they were encouraged with the prospects.

Three separate ordinances were approved by the council, but all relate to the building code.

One requires a contractor to display a copy of the building permit issued by city hall at the site. Another increases the minimum fee for a permit to \$10, but will not go into effect until May 1.

The third change requires work being done on a house by a non-resident property owner be done by a licensed contractor.

Definition of a non-resident owner, it was explained, was a house not designated as the owner's residence.

Three resolutions also were approved by the council: two authorize the city administrator to submit applications for a special law enforcement grant and the other for a crime prevention grant.

The third resolution authorizes the administrator to enter into a lease agreement with the Texas Parks and Wildlife Dept. for a boat ramp at Lake Iowa Park. The ramp is to be built when the water level is lowered to permit construction.

As earlier planned, the city will advertise for bids to rebuild most of Third Street with a concrete surface.

After the project was estimated to cost \$230,000, the council decided to break the project into three parts, in order to do as much as available

funds will permit.

The base bid will be to take the work from the south side of Magnolia to Cornelia, including curb and gutter where it does not now exist.

First alternate would be to extend the work all the way to the Access Road, and second alternate would rebuild Magnolia from Third to West Highway.

Bids will also be taken to build a new sewer lift station to replace the one on the south side of US 287 that was installed several years ago at the request of the highway department to serve the rest stops.

The new lift, estimated to cost as much as \$45,000, not including an estimated cost of \$25,000 to bore under the highway for a new sewer line that is intended to serve a portion of northwest part of the city as well as future development in the

area around Lake Iowa Park.

A lengthy list of surplus property proposed for sale at auction was approved by the council, though a date for the sale was not established.

Several of the items have been taken in by the police department, and will be returned to the proper owners if proof of purchase can be established.

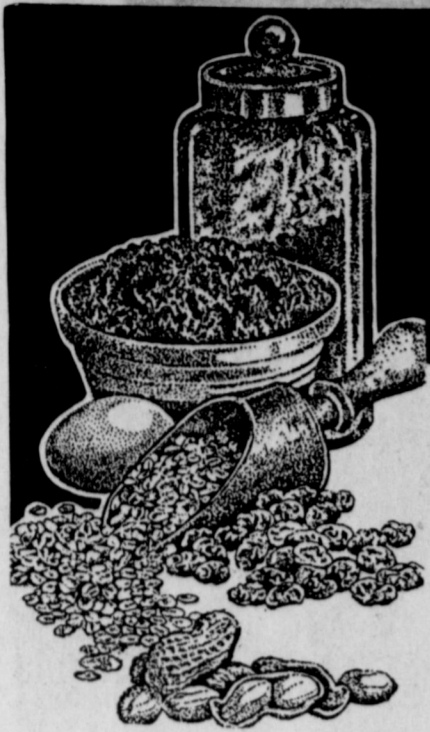

Rev. Patrick Burke, pastor of Christ the King Catholic Church, discussed the possibility of the tennis court area of Pace Park being turned over, either for use or ownership, to build a pavillion on it.

Administrator James Barrington explained that repairs to the asphalt court surface would be more expensive than building new courts, and the city does not plan to do that.

## Movies Thursdays

Weekly movies will be shown at 7 p.m. Thursday nights, free of charge, in the fellowship hall of the First United Methodist Church.

Tonight's movie is "Young Sherlock Holmes," and popcorn and soft drinks will be sold at a nominal cost. Everyone in the community is invited.

It is unusual to find someone who not only enjoys preparing meals and desserts, but also preparing that which goes into the recipes.

This week's Cook of the Week, Shirley (Mrs. Sterling) Browning, is one who just plain enjoys cooking.

Raised on a dairy farm, Mrs. Browning's duties while growing up included mostly outside farm work, leaving no time to learn to cook. So, she didn't learn to cook until she was first married.

That "late bloomer" in the kitchen has since learned to can vegetables and fruits and rarely uses handy mixes for any of her baking, saying her family prefers cakes and such made from scratch.

Shirley said her brother-in-law grows the vegetables she uses in her canning, and she cans them for herself and her husband as well as many members of their family.

"I rarely buy canned food at the grocery store," she said.

Christmas time also keeps Mrs. Browning busy with baking. "All my family requests homemade goodies for Christmas, so about Thanksgiving each year I start my baking, jelly and relish making. Last Christmas, I made seventeen German chocolate cakes as gifts. We do not like the pre-mixed cakes, so all mine are made from scratch," she said.

All this baking prompted her husband to buy a deep freeze strictly for freezing cakes. And yes, she started baking cakes for Easter last Sunday.

The holidays are the busiest time for Shirley, as the entire family relies on her expertise in the kitchen for the holiday meals.

Mrs. Browning is a bookkeeper and dispatcher for her husband's business, Sterling Browning Tank Truck Service. Prior to moving to Iowa Park, she owned and operated a restaurant in Waco.

She was born and raised in Hill County and graduated from Abbott High School.

She has three sons, John Landrum of Hillsboro, Perry Landrum of Hoods and Kevin Landrum of Enid, Okla.; and four grandchildren.

She says she enjoys cooking, canning and reading.

**Lioness members view slides from South Seas**

Mrs. Lois Bradley presented a slide program on New Zealand and Australia Thursday for the evening Lioness Club. She was introduced by Lem Tate.

The high points of interest in the New Zealand slides included the thermal plateau, home of the Maori tribe, their dances and one of their dinners, a deer ranch, huge ancient rocks, ski lift, grass-covered mountains, geysers, deep purple asters, trout streams, waterfalls, National Lake, national orchid show, exotic flowers, sheep shearing, and kaolas feeding on eucalyptus.

**Wreath making workshop held**

Members of the Iowa Park Garden Club learned about making dried flower wreaths in a workshop conducted by Mrs. Don Decker during a regular meeting held Friday at the TU Reddy Room.

Following Mrs. Decker's presentation, each member constructed her own wreath using a straw wreath and dried materials.

During the business session, Mrs. Charles Seets was voted in as a new member.

Mrs. Bill C. Gilmore gave the thought for the day, "The Purpose of a Garden," and roll call was answered with a favorite fragrance.

Twenty-one members attended the meeting, hosted by Mrs. Vernon Gilbert and Mr. A.E. Young. Three guests, Amanda and Emily George, granddaughters of Mrs. W.A. George, and Mrs. Kathleen Hatten, a former member, were present.

Mrs. Dave Davis presented each member with a crocheted rabbit refrigerator magnet.

Mrs. Bradley said that many of the landscape beauties of New Zealand were seen again in Australia. She was particularly impressed with the beaches, both public and private, the sculptured gardens, wildflowers, rock formations, the fiord country, small villages, English courtyard, cricket players, men herding sheep on motorcycles, beautiful shops, rain forest, and glow worm cavern.

Preceding the program, Mrs. Riley Thompson brought the meditation on "The First Thing in the Morning and the Last Thing at Night-Prayer."

**As I See It...**

By BOB HAMILTON

How many names, descriptions of wedding gowns, reports of meetings, stories of births and deaths has Olive Blalock written in her career?

I couldn't begin to answer that one, because only 18 of her years of newspaper reporting have been with the Leader.

She retired last Friday. Olive's work has touched the lives of thousands of Iowa Parkans over the years. Reflecting, one could easily compare her contacts with people with those of the late Doctors Tommy and Gordon Clark.

Her work allowed her to become almost as intimately acquainted with the people as did the Clarks, and others who have similar vocations.

We've shared a close association with "Mrs. B" over these many years, and we'll miss her.

I'm sure you will also.

I'll remind you of a column I did about three weeks ago, when I made the observation that we always have one more cold snap within 10 days of Easter.

Well, yesterday morning, five days before Easter, the low was 30 degrees.

Hopefully, it didn't stay cold long enough to get fruit that survived the freeze we had in early March.

Now, maybe, we can start griping about how hot it is.

For the first time in her life, I can't just pick up a telephone and call our next-to-youngest daughter, Kay, when I want to.

She's now a postal clerk for the U.S. Navy, stationed at Kadena Base

## Does anyone have the answers?

Do you know the answers to these questions? Who am I? Where did I come from? Is this all there is to life? Where am I going? What happens after death? My experiences do not qualify me to give you the answers, but JESUS CHRIST not only has the answers, JESUS IS THE ANSWER!

Please read the life story of Jesus in the gospel of John. After reading John, you will probably come to one of these conclusions: He is a liar, a lunatic, or the Son of God, Lord and Master of our lives.

After reading Jesus' story, call us or drop a note to Box 520. If you would like to learn more about Jesus way from us, we will be glad to give you a friendly warm personal visit and study with you the Lord's Way for our lives. Or perhaps you would desire to study the Bible by yourself in the privacy of your home. We would be happy to enroll you in a free Bible course by mail. The first lesson will be sent immediately when you write or call. There is no cost or obligation. Let us share with you how JESUS CHRIST, THE SON OF GOD, is the answer to every need and question!

# State-ranked Hawks split lopsided outings

Iowa Park's state-ranked Hawk baseballers have been in two lopsided games in their most recent outings, winning one and losing the other.

The Hawks, who are now ranked seventh among the state's Class AAA ball clubs, are now 10-2 on the season.

Iowa Park shut out Henrietta 10-0 Friday, and then was shut out by Burk Burnett Tuesday, 19-0. Both games were on the road.

The Hawks will take on Rider Saturday at Hoskins Field in Wichita Falls, starting at 1 p.m., and Tuesday they will host Frederick at 4 p.m. before opening Dist. 6-AAA play Apr. 8 at Bridgeport.

Tuesday's loss at Burk Burnett was "one of those things that sometimes happens," commented Coach Daryl Frazier.

The first "situation" was in the opening inning when, with two outs and three runs, a called strike ball got past catcher Jimmy Nicholson and the batter reached first safely.

The Bulldogs went on to rack up eight runs in the inning.

When the Hawks went to bat in the second, they loaded the bases and, with no outs, Pete Armstrong hit into the outfield.

Frazier signaled his runners into home when he felt the fielder had missed the attempted catch. The official didn't see it that way, and players started scrambling back to bases.

When the scramble was over, the official ruled no runs, two outs, and tempers flared.

Feeling, after three full innings, that things could get out of hand, Frazier told the official he was forfeiting, and brought his team home.

A forfeit is officially ruled a 7-0 score, but it was reported 18-0 to the Wichita Falls newspaper, Frazier explained.

Billy Kenyon was credited with the loss as pitcher, making his record 4-1 on the season.

Nicholson had a pair of hits in his two at-bats, while Craig Rick-

man was one for three and Jeff Huff was one for two.

Kenyon's fourth win was the game Friday at Henrietta, where he

gave up only one hit while the Hawks were collecting nine.

Kenyon had two hits in three at-bats, scoring twice and collecting

three runs batted in. Nicholson and Huff each were two-for-three at bat.

The game was ended after five full innings, under the 10-run rule.

## Netters hold own in WF tournament

Iowa Park's tennis players showed their talent against strong competition Friday and Saturday in the Wichita Falls Spring Classic, placing fifth in the "B" team division and tying for sixth with Rider in the "C" division.

Host Wichita Falls High won the "B" title with 29 points. Lubbock Monterey followed with 17, Rider 12, Vernon 11, Iowa Park 10, Lubbock Estacado 7, Hirschi 6 and Andrews and Burk Burnett 1 each.

Wichita High also won the "C" division with 20 points. Burk Burnett had 13, Vernon 17, Andrews 11, Hirschi 6 and Iowa Park and Rider 3 each.

Bill Chandler and Darrell Franklin made it all the way to the finals in the "B" boys doubles, event though

Chandler's regular doubles partner is Marc Johnson.

The two Hawks defeated Crosnoe-Sudarshan of Wichita Falls High 6-3, 6-2 in the quarterfinals, and Case-Noel of Vernon 6-2, 3-6, 6-3 in the semifinals before losing 6-2, 4-6, 6-3 in the final to Braun-Bogel of Monterey.

The champions had knocked off Iowa Park's other pair, Chris Blalack and Jeff Bartow, 6-1, 6-1, in the quarterfinal.

Jenny Bowerman defeated Vernon's Kim McManigal 6-4, 6-2 in the quarterfinals before losing 6-3, 6-3 to the eventual "B" girls' singles champion, Ellen Winstead.

Casey Rains lost in the quarterfinal 6-0, 7-6 to Kenneth Johnson of Hirschi in "B" boys singles.

Aaron Smith won the "C" boys singles title when David Lane of Wichita Falls High defaulted in the championship game.

Smith had defeated Burk Burnett's Mike Wagler 6-0, 6-4 and Chad Higgins, also of Burk Burnett, 6-2, 6-2, to earn the title match.

Aaron's twin brother bested

Brian Fox of Burk Burnett 6-2, 6-2, before losing by the same scores to David Lane of Wichita Falls High in the semifinals.

Jason Welch lost 6-0, 6-1 in the "C" boys' singles consolation match to Jonathan Blake of Estacado.

In "C" boys doubles play, Iowa Park's Day-Ashton lost 6-1, 6-1 to Shafer-Works of Wichita Falls, and Kingcade-Booth lost 6-0, 6-0 to Burk Burnett's Phillips-Beasley.

Iowa Park is scheduled to play in the tournament at Burk Burnett Friday and Saturday.

## Sheriff's Report

The Wichita County Sheriff's Department received a report of burglary of a habitation and a report of attempted burglary of a habitation, both occurring on Bell Road, during the past week.

Carolyn Richter reported to deputies that someone had entered her home and taken two television sets and jewelry a week ago Thursday. The items were valued at \$1,478.

Saturday, Robert Largent told deputies that a bedroom window in his home had been broken out with a brick. He said items from a dresser in front of the window had been knocked to the floor.
