

IOWA PARK LEADER

25 Cents

Vol. 15, No. 35 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, MAY 17, 1984

LIFESAVERS REWARDED - David King, left, and Michael Dozier, Emergency Medical Technicians with the Iowa Park Volunteer Fire Department, received plaques from Wichita County Commissioners' Court Tuesday evening. They were credited with saving a woman's life March 8 when she was injured in a head-on collision. "You performed this lifesaving job with professionalism," stated Sidney Smith, county emergency coordinator. Presentation was made by Gordon Griffith, Precinct 3 Commissioner.

New graduation plan in effect next fall

This year's eighth graders, who will be the graduation class of 1988, will be the first class to attend all four years in Iowa Park High School under the requirements recently passed by the Texas Legislature (HB 246) and adopted by the local school board.

Students may choose two different courses of study or plans of graduation, according to Principal Bob Dawson.

The First Plan would require a student to have 15 required credits plus at least 10 electives. A student choosing this plan could get a total of 13 elective credits by enrolling in seven periods per day all four years.

Plan one requires 25 credits for graduation, while Plan Two, the Advanced Plan, requires 26 credits and a slightly different academic load.

The major differences in Plan One and Plan Two are:

- * Students graduating under Plan One could substitute English IV for Academic English IV.
- * Students, who qualify, could take Correlated Language Arts in place of English I, II, III and IV. Correlated Language Arts is a Remedial English.
- * Students, who qualify, could fulfill their math credits by taking

Alexander facing hearing to revoke parole from pen

Iowa Parkan Ricky Dean Alexander is awaiting a hearing to revoke his parole from state prison after being charged with aggravated assault and driving while intoxicated.

He is being held in county jail and not permitted to post bond until the hearing is held. No date has been set for the hearing, according to his parole officer yesterday.

Alexander's charge of aggravated assault resulted from an incident May 7 that began at Mary's Pastime Lounge, 1430 Old Iowa Park Road in Wichita Falls.

According to the complaint filed against him, Alexander was fighting with an individual in the lounge parking lot. The individual Jimmy Moses, got on his motorcycle and left the area. Alexander followed in his car and in the 900 block of N. Broad rammed into the rear wheel of the motorcycle, causing Moses to fall and be injured.

Alexander returned to the bar on Old Iowa Park Road, where he was taken into custody in the parking lot

by a Wichita Falls policeman and charged with DWI.

The aggravated assault charge was filed after he had been taken to jail for DWI and released on bond.

Iowa Park police, at the request of the Wichita Falls department, took Alexander into custody at 2:36 p.m. last Wednesday at 903 Lincoln.

He was taken before Justice of the Peace R.L. Stewart, who placed him under a \$10,000 bond. However, the parole department issued a hold on him, negating release on the bond.

His parole officer said yesterday, if the parole is revoked, Alexander will be returned to prison to continue serving his sentence for burglary of a building. His sentence was to last until February of 1988 prior to the "administrative parole."

Whether additional jail time will result from the aggravated assault charge will depend on whether the charge will be taken to court. Alexander has an option, according to his parole officer, of whether to stand for the hearing or voluntarily submit to being returned to prison.

Stolen motorcycles, boat recovered by authorities

Two motorcycles stolen from Lawton and a local motorboat were returned during the past week to their owners.

Don Beavers of Lawton told police he had found two three-wheel motorcycles in a local garage. After confirming the theft report with Oklahoma authorities, police asked George Van Dee for permission to look in his garage at 412 W. Poe.

Numbers on both the vehicles matched those reported by Oklahoma authorities, and they were turned over to him to transport to his home.

No charges have been filed by Lawton authorities against Van Dee, who reportedly explained he had purchased them from another person.

Tuesday, a boat, motor and trailer were reported missing at 5:23 a.m. by James Burks, 722 W. Alameda. Wednesday morning, a pilot checking oil lines notified county authorities of a boat in a pasture west of town, but

out of sight from a road.

Sheriff's deputies found the boat and trailer about half a mile west of Old Electra Road and it was returned to Burks. However, the 1978 Mercury 70 HP motor is still missing.

HOME BURGLARIZED

Police are investigating the burglary of 521 W. Alameda reported Tuesday by Ken Gilmore, in which he reported the loss of \$4,630 in cash and jewelry.

Listed as missing were three men's diamond rings and one lady's diamond ring, \$750 in assorted bills of \$10, \$20 and \$50; 26 - \$2 bills; 10 Anthony dollar coins and 38 silver dollar coins.

Mark Allen Swanson was arrested at 11:30 p.m. Friday and charged with driving while intoxicated and driving while license suspended. He was given a breathalyzer test at Wichita Falls Police Department and turned over to Wichita County for detention.

Six students receive scholarships

Highlighting the annual awards assembly Tuesday at Iowa Park High School was the presentation of six scholarships and announcement of graduating class valedictorian and salutatorian.

Susan Streich is the class valedictorian and Mike Bean the salutatorian.

Scholarships awarded included: Bean, the Bob Cole Scholarship; Dana Trantham, Carl King Scholarships; Sonya Herrell, Ricky Alsup Scholarship; Michelle Evans, Student Council Scholarship; Lisa Sefcik, Army Scholarship for athletics, and Paula Mashburn, Opti-Mrs. Scholarship.

Three of the scholarships are memorials in memory of two educators and a former graduate.

Cole was an elementary principal.

King was vocational counselor and Alsup, son of junior high principal and Mrs. Jimmy Alsup, the former graduate.

The Optimist Club annually awards savings bonds to the outstanding vocational students. They included Darwin Scheffe, Jimmy Voyles for auto mechanics, Brenda Knight for cosmetology, Barry Harper for building trades and Robby Marston for auto body.

Coaches of the various spring sports announced their respective outstanding athletes. They included:

Girls Basketball - Lisa Sefcik, most valuable player; Lisa Holloway, rebound;

Boys Basketball - Robert Harper, free throw; Lee Birk, rebound;

Girls Track - Lisa Sefcik, outstanding athlete (third consecu-

tive year);

Boys Track - Phillip Davis and Charles Perry;

Baseball - Van Hedrick, most valuable player and highest batting average; Dale Hayley, golden glove award; Rocky Martin, hustler award; Intramurals - Lisa Selby and Jeff Brookshire.

ASSEMBLY WEDNESDAY

A second assembly was held yesterday, at which the Best All-Around students were announced. Who's Who awards announced and the various teams and organizations made presentation of awards received during the year to the school.

Best All-Around, presented to Susan Streich and Craig Whisnand, is selected by the faculty and administration each year on the basis of academics, participation, character and leadership.

Who's Who recipients for the year

include: Amy Silvers, accounting; Rowdy Robertson, agriculture; Foy Whitaker, art; Lisa Sefcik, girls athletics; Bobby Halady, boys athletics; James Pendergrass, auto body; Brian Fulfer, auto mechanics; Bryan Fowler and Teresa Caldwell, band; Eddie Collins and Scott Davis, biology.

Also, Barry Harper, building trades; Cathy Downes, chemistry; Craig Whisnand and Bryan Fowler, choir; Robin Rutledge, cosmetology; Susan Streich and Jan Hale, English; Paula Mashburn, government; Becky Barbe, home economics; Mike Bean and Caroline Patterson, math; Sandy Feix, horticulture; Cyndi Brown, girls PE; Andy Billingsly, boys PE.

And, Kristi Wood, Spanish; Lana Swan, typing; Becky Martin, computer science; Robby Marston, drafting; Caroline Patterson, VOE and Donald and Ronald Young, physics.

Fourth Street track get council approval

City Aldermen Monday took a step toward opening Fourth Street all the way to West Highway and approved purchase of a new fire truck.

Council members also approved a committee to study a proposal for the city to participate in operation of a municipal golf course and told architects they liked what they saw for Phase Two of city hall remodeling.

Administrator James Barrington was given the green light to negotiate for the sale of the "Overbey House" it is purchasing in the 900 block of West Highway.

Several years ago the city purchased the house and land that blocks connection of Fourth between Van Horn and West Highway, with an eye on eventually removing the structure and completing the street.

The city still owes some \$18,000 on the property, which until recently it has rented. An agreement with the lien holder must be reached before the house can be sold for movement, or the city must pay the balance before work can be done.

Barrington was told if he can secure the required permission from the lien holder, the council was ready to dismantle the house for movement or dismantling.

Aldermen agreed that a 1954 model fire truck needs to be replaced with a new unit, using \$12,500 given by the county in federal revenue sharing funds to assist in the purchase.

Danny Skinner, representing the fire department volunteers, said members would like to purchase a 1,500-gallon capacity tanker that could be used as a "first response" unit which would be capable of fighting fires as well as hauling water for grassfires.

Cost of the new unit would be approximately \$60,000, with delivery as long as six months away. The city is to advertise for bids on a new unit as soon as specification plans are ready.

GOLF COURSE

Developer Rip Smith told the

council his approach to have a private country club had failed because not enough residents were interested in financing his proposed course northwest of town.

He asked that a committee be appointed to work out details of how the city might participate, suggesting one point being the city provide the pipeline from the sewer treatment plant to the course area, instead of sharing the cost as originally planned.

The course would be open to the public. A portion of the green fees would be used to repay the city's expenses.

Appointed to the committee were aldermen Lita Watson and Johnny Coker, Barrington, Wayne House, Keith Aulds and Smith. Their preliminary findings are to be reported at the next council meeting, May 28.

Architects Charles Harper and Ralph Perkins displayed two drawings of plans which might be used for renovation of city hall. Both included additional floor space to be used if the city reaches an agreement with the school to handle tax collections for both entities.

Estimates of the work, with an alternate on one plan for additional space, ranged from \$87,842 to \$115,000, but the council generally agreed the middle estimate of \$97,850 was more to members' liking.

The middle plan would add approximately 600 square feet of space. All plans included a drive-through window on the south side where citizens could pay their

Continued on page 4

News in Brief

Choirs present concert tonight

The junior high and high school choirs will present their annual Spring Concert at 7:30 tonight in the high school auditorium.

The choirs will present music from their UIL Sweepstakes contest programs, as well as lighthearted contemporary music.

Featured will be a trio composed of Georgia Alsup, Cindy Harper, and Susan Streich, the boys' quartet with Bryan Fowler, Tim Norris, Craig Whisnand, and Jay Yeakley, and solos by Paula Mashburn and Craig Whisnand.

Admission is \$1 for persons 12 and over.

Meeting Monday to support UIL plan

All persons concerned about the "Perot committee" recommendations which could affect extracurricular activities of students, and also a proposal to appoint state school board members, are being asked to attend a meeting at 7 p.m. Monday in the football fieldhouse on Iowa Park High campus.

David Baugh, head football coach and athletic director, is asking all booster club members who support

athletics, choir, band and other such activities, to attend. He also invites all others who may not be members of such organizations but share their interests and concerns, to attend.

"The proposals would throw UIL competition back to the levels of the 1930s, eliminating competition beyond the bidistrict level," he mentioned as his reason for calling the meeting.

Wheels of Fortune Bike Ride Saturday

The second annual Wheels of Fortune Bicycle Ride sponsored by the Rotary Club will be held Saturday.

To begin at Rotary Park, a block west of Bradford Elementary, riders

will select routes ranging from one to 100 miles.

Registration is \$10, half of which will go to charity. Each entrant will receive a T-shirt, refreshments, fruit and candy.

Reynolds, Friday vows exchanged in Wichita Falls

Miss Andrea Denise Reynolds and Daryl Wayne Friday repeated their matrimonial vows in an impressive double-ring ceremony performed Friday evening at the Faith Baptist Church in Wichita Falls by Rev. Robert Hughes. The bride is the daughter of Mr. and Mrs. Charles R. Reynolds of Wichita Falls and the groom is the son of Mr. and Mrs. Charles Friday of Iowa Park.

The bride walked down the aisle with her father who presented her in marriage in a cloud of lovely lace and frills wearing an exquisitely styled gown designed with a Chantilly lace bodice and white silk organza skirt. The off-shoulder neckline of the bodice that dipped at the waistline was defined with two wide ruffles of lace and the long tight sleeves terminated in points at the wrists. The skirt was especially attractive with a wide hemline scalloped lace flounce and a detachable train of multiple lace ruffles.

She wore a complementary white picture hat bordered with scalloped illusion drifted to fingertip length in the back. She carried a striking long cascade bouquet composed of white sweetheart roses, bachelor buttons, gypsophila and stephanotis, peach roses and baby's breath with white lace and satin streamers accented with apricot petals, and kept bridal traditions.

The altar was centered with an archway entwined with boxwood greenery trimmed with peach silk bows at the top. Soft lighting was provided by candles in heart-shaped candelabra accented with peach silk bows on either side of the archway. Four brass markers held candles in hurricane globes atop the pews where family members sat.

Miss Jan Driver, pianist, presented prelude selections and played "Your Song" while the mothers were being ushered and seated. She accompanied Miss Leah Bates and Randy Bilyeu for a duet rendition of "Just You and I", and the later sang "The Lord's Prayer" after the exchange of rings. The pianist included the traditional wedding marches in her offerings.

MRS. DARYL WAYNE FRIDAY

Miss Karen White of Corpus Christi had the role of maid of honor in the wedding. She wore a fashionable sheer sherbet green gown designed with the popular spaghetti straps bordered with off-the-shoulder lace ruffles, fitted bodice, waistline sash that tied in a back bow, an intriguing skirt featuring tiers of lace overlaid with scalloped sheer.

She wore a sprig of baby's breath in her hair and carried a white lace fan tied at the base with peach, mint green and white silk streamers and covered with a flowery silk ornamentation of peach roses, white daisies and roses.

The bridesmaids were Mrs. Eddie Watson of Burkburnett, Mrs. Mike

Hopper of Iowa Park, sister of the groom, and Miss Diane King of Wichita Falls. Their gowns, hair pieces and fans were identical to those of the maid of honor.

The groom's nieces, Shawna and Amber Wheeler took part in the wedding as flower girls. They were attired in white accordion pleated cotton frocks patterned with short sleeves and mint green sashes, and carried flowers in the bride's colors in miniature white baskets.

David Friday, the groom's nephew, dressed like the male attendants, carried the white satin ring pillow.

The groom wore an all-white tuxedo with tails and a boutonniere formed of three tiny peach rosebuds and baby's breath. The male members of the wedding party wore silver gray tuxedos with matching bow ties and cummerbunds.

Charles Friday served as best man for his son. The groomsmen and ushers were Farley Friday, brother of the groom, David Reynolds and Mike Hopper.

During the service, the bride presented her mother and the groom's mother with single peach roses. Both wore street-length double knit dresses and corsages of peach roses, baby's breath and picot ribbon. Mrs. Reynolds' dress was sky blue and Mrs. Friday's dress was orchid.

The wedding reception was given by the bride's parents in the Fellowship Hall of the church where a picture of the bride in her wedding gown was displayed on an easel.

Reception assistants were Miss Laura Wagner and Miss Sheila Hassler, who presided at the refreshment table, and Miss Janet

ERNEST HOLLAND and THERESA THOMPSON

Couple sets May date

Mr. and Mrs. C.L. Thompson are announcing the forthcoming marriage of their daughter, Theresa Kay, and Ernest Paul Holland, son of Mr. and Mrs. Kenneth Holland of Wichita Falls. The wedding will take place May 25 at the First United Methodist Church.

Miss Thompson was graduated from Iowa Park High School in 1983 and is a freshman at Midwestern State Univ. The groom-elect, a senior at MSU, was graduated from Iowa Park High School in 1979. He is a member of Phi Sigma Kappa fraternity.

Reynolds, who sat at the wedding book table, both tables attractively covered with peach taffeta.

The refreshment table was appointed in excellent taste. Its distinctive quality was seen in the centerpiece formed of the bride's bouquet encircled with the attendants' fans, and the three-tiered cake decorated with cascading roses in the bride's colors set above a splashing fountain. The silver punch service, napkins and accessories added the finishing touches to the decorative style.

The groom's parents hosted the rehearsal dinner Thursday evening at the Branding Iron in Wichita Falls.

Shower fetes bride elect

Miss Jackie Compton, who will become the bride of Kris Stone Friday evening in a ceremony performed at the home of her parents, Mr. and Mrs. Michie Compton, was honored at a miscellaneous shower Thursday evening at Texas Electric Reddy Room. Hostesses were Mmes. Mike Leath, Harold Cowley and Ken Bullard.

The rainbow colors were emphasized in decorations and added special appeal to the refreshment table covered with a white crocheted cloth. The centerpieces featured a bouquet of silk flowers in the chosen hues mingled with wedding bells. The colors were repeated in decorations on the cake and in other refreshments and accessories.

Special guests were mothers of the betrothed couple, Mrs. Compton and Mrs. Ed Menanski, and their grandmothers, Mrs. Coy Blagg of Gainesville and Mrs. W.H. Nicholas of Wichita Falls. Mrs. Terry Daniels of

Fellowships meet

The Mary, Rebecca and Ruth Fellowships of First United Methodist Church met Tuesday morning in the home of Mrs. George Topper.

Mrs. James Owens gave the devotion entitled "Mothering Is a Full-Time Job" and closed with a poem by Helen Steiner Rice, "What Is a Mother?"

Mrs. Gene Owens led the program on "Gifts of the Holy Spirit." She was assisted by Mmes. H.W. Carter, Eldon Thompson, David Springer, Topper, Owens, Larry Parks, Vernon Gilbert, S.B. Keeter, Don Owens, Travis Smith and Frank Gossett.

Mrs. Parks conducted the business and announced that the group would tour the Wichita Falls State Hospital next Tuesday.

Refreshments were provided by Mmes. Topper, Otis Gay, George Trammel. Thirty-one members were present.

CARD OF THANKS

I wish to thank all those who have ministered to my needs during my recent surgery and my recuperation at home, through the beautiful cards of encouragement, telephone calls, visits, prayers and flowers. The skills which have been given doctors to alleviate pain and suffering assured me even more that God loves and cares for us. May God

The bride was graduated from S.H. Rider High School. She attended Midwestern State Univ. and is employed at the The Bargain Bin Too. The groom was graduated from Iowa Park High School and is employed by IHR Burglar Alarm System.

When the couple departed for Dallas on their wedding trip, the bride was wearing a pink cotton ruffled dress.

Out-of-town guests in addition to the maid of honor were Messrs. and Mmes. George Newsom, Randy Newsom, and Ed Larson, all of Saginaw.

Gainesville, sister of the bride-elect, and her two children were other out-of-town guests.

TOPS meet

Jan Putman opened the TOPS meeting held Monday night at Texas Electric Reddy Room with the club's pledge and song.

Evelyn Nelson was recognized as a visitor and Effie Fraker of Electra was welcomed as a new member.

Eighteen members weighed in. Peggy Stovall was declared Best TOPS loser and Louise Dodd was named Ideal KOPS for the week. Mrs. Stovall also won the incentive jar.

Louise Helms gave the program on how women can protect themselves. Some of her suggestions included: locking the car doors when in town so as not to be vulnerable at stop lights, and walking on outer edge of sidewalk instead of close to buildings. She also suggested to walk with confidence when walking alone and to refuse to give out information on the telephone to strangers.

Ruth Nelson led the members in the TOPS song to close the meeting.

Teresa Caddell is salutatorian

The daughter of two Iowa Park High graduates has made a name for herself at Crosbyton High School.

Teresa Caddell, daughter of R.L. and Patricia Caddell and granddaughter of Mr. and Mrs. Bert Caddell, 604 N. Wall, is salutatorian of her graduating class, with a four-year grade average of 94.09.

Additionally, she is a winner of the United States Business Education Award, selected from fewer than 10 percent of all Business Education students in the nation. She plans to attend West Texas State Univ.

Mr. and Mrs. Tim Hunter and son, Ky, are announcing the arrival of their daughter and sister, Lindsay Nichole, May 9. She weighed seven pounds and 14 ounces.

The maternal grandparents are Mr. and Mrs. Fletcher B. Lowry of Conway, Ark. and the paternal grandparents are Mr. and Mrs. Alton Hunter of Iowa Park. The great-grandmothers are Mrs. B.H. Alsip of Conway, Ark., Mrs. Ky Hunter of Iowa Park and Mrs. E.Y. Johnson of Munday.

Tasting bee concludes year

The Philia Study Club concluded activities for the year Monday evening at a "tasting bee" supper held in the home of Mrs. Vern Horskys. Each member submitted a favorite recipe, then prepared and served the dishes. The members were seated at tables and served two dishes at a time to discern their preferences and realize which delicacy they were enjoying.

Co-hostesses, Mrs. Dean Maxwell and Mrs. Hank Phillips completed the meal by serving strawberry shortcake and cream cheese chocolate chip pie.

Mrs. Horskys presided over the business meeting and urged members to visit the Tom L. Burnett Memorial Library and see the Mohawk pecan tree that the club purchased recently and was planted by the high school horticulture class. Mrs. Thomas Johnson reported on recommended changes of the executive board, and they were approved by club members.

Mrs. Valer Mae Jones gave the meditation taken from "Words to Live By," which features excerpts from famous people. Her topic dealt with a prayer from Abraham Lincoln and how he claimed strength from the Lord to endure during the Battle of Gettysburg.

Mrs. Horskys installed officers for 1984-86 in a special ceremony where

she used a rainbow and pot of gold as she referred to the colors of the rainbow as the duties of the officers, and the pot of gold as a successful year.

Those installed and colors used to suggest their responsibilities were Mmes. Dean Maxwell, president, green for "go" to keep an organization growing and lively; Leon Biddy, vice president, yellow for "shine" to direct the programs and plan the yearbook; James Rinehart, secretary, orange, to cause her to "think" of something good to write and sweet to remember.

Others installed were Miss Linda Ayres, treasurer, who was given an indigo ribbon, an important color to help complete and make beautiful a picture; Judy Spring, historian, received a blue ribbon symbolizing intense "enthusiasm" for the projects and purposes of the club; Mrs. Jim Medlinger, parliamentarian, was given a violet ribbon representing "beauty" and a cue to see that the meetings are carried on with dignity and honor.

Mrs. Horskys closed the service by reminding the officers that their colors blended together painted a picture of beauty and harmony and that it was their duty to carry out their responsibilities and keep the colors bright so that a pot of gold would truly be found.

Graduation

Continued from page 1

Fundamentals of Math, Consumer Math and Pre-Algebra.

* Two science credits instead of three required for the Advanced Plan.

* No foreign language required for Plan One. Two credits in foreign language are required for the Advanced Plan.

* No computer science required for Plan One, while one credit is required for Advanced Plan.

* No fine arts required for Plan One, but one credit is required for Advanced Plan.

Requirements for Plan One graduation, 25 credits, include the required subjects of: English - four credits, either English I, II, III and IV or Correlated English I, II, III and IV; Mathematics - three credits; Science - two credits; World History - one credit; American History - one credit; Government and The Free Enterprise System - one credit; Health - one credit; Physical Education - two credits.

Total required subjects, 15 credits and 10 elective credits for 25 credits needed for graduation.

Plan Two, Advanced High School Program, requires 26 credits, including: English - English I, II, III and IV (Academic); Mathematics - three credits, Algebra I and II, Algebra II and IV and Geometry; Science - three credits; American History, World History and Government and Free Enterprise System - one credit each; Foreign Language - two credits; Health - one credit; Physical Education - two credits; Fine Arts (music or drama) - one credit; Computer Science - one credit.

Total required subjects for Plan Two is 19 credits with seven credits for electives, amounting to 26 credits.

General requirements for both plans of graduation include:

* Students may earn no more than two credits in Physical Education toward state graduation requirements;

* Students substituting marching band for Physical Education must take and must pass a physical fitness test;

* Athletics may substitute for two credits of Physical Education;

* Marching band may substitute for Physical Education requirements during the first semester of each school year only;

* And all credits for graduation shall be earned in Grades Nine through Twelve.

AWAITING AMBULANCE - Fire Department EMTs administer first aid to Troy Martin, 64, after his car was struck from the rear by another driven by Kevin Leigh Haney. Martin was taken to Wichita General Hospital complaining of neck and back injuries. The wreck occurred at 8:15 a.m. Friday at Park Plaza and West Highway.

CARD OF THANKS

Our hearts are full of thankfulness to so many people for so many things that they have done during the long illness and death of our loved one to make things easier for us to bear. We want to thank Dr. Soell and the other doctors at Park Clinic, the nurses, aides, housekeeper, cooks and administrators at Heritage Manor for their special love and care, the friends and neighbors for their prayers, food and floral offerings.

Special thanks to the Central Christian Church in Wichita Falls and the Iowa Park Church of Christ for the food furnished on the day before and day of the funeral.

May God bless each one who has been so good to us and keep you in his loving care.

The Family of Bill Wright

Obituaries

William T. Wright

Services for William T. Wright, 82, were held Saturday at the Church of Christ with Bill Jones, minister of the Church of Christ in Stratford, Okla., officiating. Burial was in Highland cemetery under direction of Tanner-Aulds Funeral Home.

He was born Dec. 23, 1901, in Jasper, Ala. and had lived in Iowa Park since 1943. He and Opal Inez Combs were married Jan. 18, 1923, in Tahleah, Okla. He was a member of the Church of Christ, and the Masonic Lodge. He retired as a boiler operator from Wichita Falls State Hospital in 1967.

He is survived by his wife; a daughter, Jenita McKee of Iowa Park; two brothers, Lewis of Longview, Wash., and Dewey of Lindsay, Okla.; two sisters, Lois Ando of Emory and Ruth Gensler of Iowa Park; five grandchildren; and six great-grandchildren.

Pallbearers were Henry Brown, Forest Cook, Orange Lester, Jack Vestal, W.B. Shook and Glenn Gwinn.

J.B. Rushing

J.B. "Cub" Rushing, 65, died Saturday in a Wichita Falls hospital. Services were Monday afternoon at Tanner-Aulds Funeral Home with Rev. Wayne Moss, pastor of Calvary Assembly of God Church, officiating. Burial was in Highland Cemetery.

He was born Nov. 23, 1919, in Healdton, Okla. and had lived in Iowa Park since 1957. He was a self-employed auto mechanic and owner of "Cub's Garage" several years.

Survivors include his wife, Bernice; two sons, Darvin and Dale of Ardmore, Okla.; four daughters, Darline Lynch of Ardmore, Mary Ellen Bowman of Wichita Falls, Donna of Baltimore, Md. and Janice of New York; a brother, Charlie of Ardmore; a sister, Sellma Lloyd of Ardmore; nine grandchildren; and two great-grandchildren.

Pallbearers were Danny Spain, Orville Spain, O.N. Newman, Leon Shoemaker, David Parkey, M.D. Cogdell and Bill Guthrie.

Blackerby is DPS officer

Trooper David Wayne Blackerby 26, has recently graduated from the Department of Public Safety Training Academy and assigned to the Highway Patrol Service in Muleshoe.

Trooper Blackerby was among 62 cadets recently commissioned as state troopers in graduation ceremonies in Austin. Trooper Blackerby is a native of Iowa Park and assumes his new duties immediately.

Colonel Jim Adams, DPS director, said he is especially pleased at the quality of people who are entering the law enforcement profession.

"These men and women were carefully selected from a large group of applicants to undergo an intensive 18-week course," Adams said. "They have been trained to uphold the laws of this state in routine as well as difficult law enforcement situations."

"Today's Texas trooper is required to handle many varied tasks in addition to traffic enforcement. The trooper may assist in narcotics arrests, recovery of stolen vehicles and investigation of theft cases. A broad range of law enforcement responsibilities will face the trooper

DAVID BLACKERBY

As I See It....

By BOB HAMILTON

I think it's worth mentioning: Tim Hunter is not only the youngest man ever elected mayor of Iowa Park, but he's now the only mayor whose wife gave birth to a baby while he was in office.

Certainly, I'm not Iowa Park's local historian, but after asking about every oldtimer in town, I think I'm correct in those two claims.

I don't know if David Baugh will have enough room in the field house to hold all those who want to attend his meeting Monday evening.

Baugh is asking everyone who supports UIL activities and school extracurricular competitions to attend the meeting. It's his opinion that the Governor's Select Committee on Education, headed by H. Ross Perot, will overturn the whole appellation if all recommendations are accepted by the legislature.

I'll admit I've not read the proposals the committee has in mind. But from all I've read and heard, it appears time I join others in learning. And if much of what I've read is true, it's time we start acting.

Baugh feels the committee is to recommend all competition be ended at the bi-district level. That's not just sports, folks, all competition!

There's no question some activities take away too much classroom time,

but that can be remedied without such drastic changes. Very few chop off the head of a barking dog when the barks become annoying.

One point brought out by the committee that has really caught my attention is the proposal to change the state school board from an elected position to an appointed position.

Boy, guys like Mark White would really love that one. "Give me more

power and just see what good I can do for you," he and others like him would probably say.

I'll admit the school board elections have taken the back seat to other elective positions in the past. But if we can keep it as is, I pledge to work through the Texas Press Association to better inform the public whenever state school board races are being run.

I'll give you a point to compare. If the legislature approves appointment of state school board members, let's attach a rider on that bill that would permit the county judge to appoint all school board members in his county. See how you'd like that one!

City

Continued from page 1

utility bills without getting out of their cars.

The architects are now to provide more detailed plans for approval.

Council members approved a resolution to contract for ambulance service with a new firm. A similar resolution was approved that morning by county commissioners court and the following day by the Wichita Falls council.

Another resolution approved, proposed by Sheppard AFB officials, would propose the state legislature reinstate requirements for all motorcycle riders to wear safety helmets.

A third resolution considered, and approved, was for the city to designate the Texas Municipal League to study the rate request sought by Southwestern Bell Telephone.

Linda Merrick and David Padgett were appointed to two-year terms on the city's board of adjustments.

Mayor Tim Hunter offered himself as an appointee to the Pease Reservoir Steering Committee, and the council agreed.

Letter to the Editor

Dear Sir:

I am writing to correct an apparent oversight in your article of last week headlined "Local Demos agree with county, state."

While reporting that Ronald Reagan won in Republican presidential primary voting, you failed to report results of local Democratic caucuses held Saturday after the polls closed.

Gary Hart won more delegates than Walter Mondale 15 to 12 in precinct 32; 6 to 5 in 33; 2 to 0 in precinct 53; with Mondale winning 3 to 2 in precinct 60.

This is consistent with overall county totals, but does not agree with state results. Thank-you.

Sincerely,
Matt Curry

the talk of the town

YES, the IOWA PARK LEADER is the talk of the town, because you'll find everything you want or need to know about all that's happening in and around Iowa Park.

Whether you want to know when that club meets, whose engaged to who...to all the sport scores, just open the pages of our newspaper.

Even, if you don't live in Iowa Park, but still want to keep abreast of what's happening back home, this is the best source to get all the news. So, use this order form right away and don't miss out on what is going on.

IOWA PARK LEADER

Former resident is story subject

Opal (Mrs. Kent) Wallace, the former Opal Byrd of Iowa Park, secretary of Welsco Independent School District food services department, was featured in Mid-Valley News the first of May as the W.I.S.D. Employee-of-the-Week.

The news article stated "Her work in the food services department keeps her busy every minute of every day ordering supplies, making bi-weekly payroll reports, keeping accurate records on absenteeism, recording deposits, updating personal files, preparing TEA reports, and keeping the cafeteria managers and employees informed of all changes in the food service procedures. In addition, she handles all correspondence and telephone calls, also purchase orders and maintenance requests."

Mrs. Wallace, the daughter of Mrs. R.E. Byrd of Wichita Falls, and the late Mr. Byrd, was graduated from Iowa Park High School and attended Hardin Junior College, now Midwestern State Univ., two semesters, and took business courses at night school.

Her first working situation was as a receptionist-typist for case workers for the State Department of Public Welfare in Wichita Falls. Later she passed a civil service examination and worked as clerical typist at Sheppard Air Force Base. This is where she met her husband, Kent "Country" Wallace, who was a staff sergeant with the U.S. Air Force, instructing on airplane engines. They were married in 1943 and moved to the Valley in 1945, living at Pharr for one year before moving to Weslaco. She worked for the Pharr Tax Office for a short time, then decided to stay home and raise their children.

Mrs. Wallace started working for WISD in 1966 and her first job was typing curriculum books. Later, she handled the bookkeeping for both food services and athletic depart-

ments and operated the telephone switchboard. She also did secretarial work for the superintendent and designed the WISD time cards, which are still in use.

Opal's husband is self-employed buying juice fruit for Texsun and working with Federal Crop Insurance for the citrus grove owners. Their children, both Baylor Univ. ex-students, are Richard Kent Wallace, vice-president of Central National Bank at Hewitt, and Nancy Prah, who is a teacher at J.B. Little Elementary School in Arlington.

They have one grandson, Andrew Kenneth Prah, five-months-old.

The Wallaces are members of the First Baptist Church where she teaches a group of eighth grade girls. She is a member of TESA, VESA, and WESOP. In previous years, she was a member of the Fireman's Auxiliary, Hub Club, Garden Club and a Girl Scout and Boy Scout leader.

She is the sister of Joyce (Mrs. Donald) Hallum of Iowa Park and Kenneth Ray Byrd of San Francisco, Calif.

OPAL WALLACE

Party to fete eighth graders

The parents of eighth grade graduates will host a party following the graduation ceremony Mar. 24.

The party will be held for graduates only (no dates) at the RAC Center from 9:30 p.m. until 12 p.m. There will be no charge but contributions will be appreciated.

In the food department, cake and punch will be provided but graduates are encouraged to bring snack foods. To make the occasion more enjoyable, the graduates are asked to bring their baby pictures; they can be turned in

to Mrs. Hodges at the cafeteria and picked up after the party.

Parents are urged to attend the party. For more information, call Mrs. Brown, 592-5269, or Janelle Savage, 855-2678.

Finland's literacy rate is over 99 percent.

Club organizes to support choirs

A Booster Club was formed to support Iowa Park High School and Junior High School choirs at an organizational meeting Tuesday night.

Officers elected were: Mrs. Daniel W. Johnson, president; Hal Farnsworth, vice president; Mrs. Charles Brown, secretary; Johnny Coker, treasurer; and Mrs. Coy Clanton, publicity chairman.

The next meeting will be held at 7:30 p.m., June 14 at the high school, and all parents of choir members are invited to attend.

Iris group recognizes local couple for work

The Treasures of Texas Iris Show and regional meeting last weekend in Wichita Falls by the Benson Iris Society was dedicated to Mr. and Mrs. Lester Brooks.

The Iowa Park couple was recognized for contributions to the development and promotion of irises over the past 50 years.

A painting of the Brooks' hybrid Trail Ridge homestead was presented to the couple by Mrs. Earnie Reusch, show chairman.

Ronald Mullin, president of the American Iris Society, was guest speaker at the annual banquet.

Mrs. Brooks won the Horticulture Sweepstakes with the most blue

ribbons. She exhibited the Queen of the Show, a tall bearded variety named Joyce Terry, the first runner-up, Temple Gold, and was awarded the silver tray for best two-year garden clump, Beverly Sills.

Mrs. Reusch and Mrs. James Tate of Quanah tied for the Artistic Design Sweepstakes. Mrs. A.G. Hawkins of Quanah had the Best Arrangement, Bill Parker the Best Floor Display, Mrs. Helen Brown the Best Educational Exhibit, Mrs. Bill Parker the Best Collectible Exhibit, and Carmen Croker of Wichita Falls the Best Youth Arrangement and Youth Artistic Design Sweepstakes.

Approximately 60 people from

Texas, Oklahoma and California registered for the convention, which included a slide film presentation of newer varieties, a judges' training school, the iris show, banquet and tours of five Iowa Park gardens.

Convention co-chairmen were Mmes. Brown and Brooks.

Brooks was given 20 varieties in 1936 while he was superintendent of the Texas A&M Experiment Station here, to grow and test. That was the beginning of a life-long love of the flower.

He has registered 11 varieties of his breeding. Twenty years ago the couple began developing Trail Ridge Farm, just south of the Wichita River

on FM 368, where the couple has continued work with irises.

He served as regional vice president 1969-71, editing the newsletter, and as a garden and show judge numerous years. She has judged some 50 years.

The footprints left on the Moon by Apollo astronauts are expected to remain visible for at least ten million years.

Streich, Fowler receive Music Study Club awards

Two honored guests of the Modern Music Study Club Thursday evening were Susan Streich and Bryan Fowler, high school seniors, the recipients of the Bertha McDonald music awards. Special guests were Mr. and Mrs. Walter Fowler, Bryan's parents, and Mrs. Wayne House, a former president of the club.

The meeting was held in the home of Mrs. John Rentschler for the annual president's program.

To introduce the program, Miss Streich sang "The Green Dog." She was accompanied by Mrs. Michael Sargent, and Bryan furnished his own piano accompaniment for a vocal solo, an original composition, "I Know That You Care."

Mrs. Jimmy Alsop, a new member, provided piano accompaniment for a vocal solo, "Calm As the Night" by Mrs. Kenneth Davis. Mrs. R.G. House and Mrs. Larry Thompson were featured in two organ piano numbers, "Lead Me to Calvary" and "Come Thou Fount of Every Blessing."

To conclude the musical program, Mrs. Sargent, pianist, played "Santitas do Brazil."

Past presidents recognized were Meno, Wayne House, R.G. House, George Pfannen, who served as program leader, James Sewell and Reichenbach. Mrs. Ed Hefel was welcomed as another new member.

Mrs. Pfannen installed new officers using a musical staff for a theme and gave each officer a note to place on the staff as she was installed. Those installed were Miss, Kenneth Davis, president, Michael Sargent, vice president, Keith Aulis, secretary/treasurer, James Sewell, historian, and R.G. House, church director.

The musical talents and accomplishments of Susan and Bryan shared a major part in their being

selected to receive the awards; however, their scholastic and extra-curricular activities were also taken into consideration.

Susan has been in the band for homecoming queen and choir queen for 1983-84. She has served as president of the National Honor Society where she has been a member for two years. She was named the Rotary Club Student-of-the-Month and Outstanding Senior Girl in a project sponsored by the 23 Study Club. She has also served as treasurer of the senior class.

Susan is a member of the Wichita Falls Junior Forum and was a 1984 debutante. She is a member of the First Baptist Church in Wichita Falls seven years, serving as drum major and representative two years. She is a three-year member of A Cappella Choir and has served as reporter and section leader one year. She has belonged to jazz band four years and Chamber Choir two years. She made All-District band two years and All-District Region Choir two years.

Her scholastic awards include Who's Who in biology, chemistry and history, Who's Who Among American High School Students, valedictorian of the 1984 graduating class, and plans to enter Baylor Univ. in the fall to major in business accounting and possibly go into corporate law.

Bryan has a long list of musical interests and accomplishments. In band, he has been a four-year member, section leader three years and class representative two years. He has served as vice president this year. He has been a member of the jazz band four years. He made All-District band three years, and All Region and Area bands two years.

He has been an important part of the choir program in high school for three years and has served as

RECIPIENTS OF MODERN MUSIC STUDY CLUB SCHOLARSHIPS
...Susan Streich and Bryan Fowler.

president of the A Cappella Choir this year. He was a section leader for one year. He is a member of the boys quartet and has performed for many church and club programs. He received Division 2 numerous times on UIL solos and ensembles. He made the All-District Choir and All-Region Choir three years; All Area and All-State two years. He has also belonged to the Chamber Choir two years.

Bryan's abilities are not limited to the field of music. He has been a member of National Honor Society for two years and was named to Who's Who Among American High School Students.

He is a member of the Glee Club of Goodland and has brought musical honor to his church by winning first in Region, State and Third in State Song. In small ensembles, he was first in region and second in state competition. He plays the piano and has composed several pieces.

Tim Adcock is graduated

Tim Adcock graduated Hardin Simmons Univ. May 5 with a Bachelor of Business Administration degree with major concentration in Accounting. He completed his degree requirements with honors. Tim holds a ranking of 17th out of 220 seniors.

He was a member of Alpha Chi Omega, National Scholastic Honor Society, Treasurer of Alpha Kappa Psi, Intercollegiate Business Fraternity, Lambda Chi Alpha, Psi Chi, National Omega Epsilon, Delta Sigma Epsilon, Omega Kappa, Sigma Alpha Epsilon and Sigma Nu.

His parents, Mr. and Mrs. Arthur W. Adcock, resided here with a luncheon at Western South Steak House in Athens following the commencement exercises.

Tim is employed as a tax accountant for an Athens firm, and is engaged to marry Brandy Throckmorton of Athens, Georgia. Through future life, he will be the father of girls and sons, grade children's books. He also works with the Athens Home Ministry as pastor.

Adcock is already employed in the graduate business school at HSN, and is preparing for his tax specialist

examination through the Internal Revenue Service, as well as working towards becoming a Certified Public Accountant. He is a graduate of Goodland High School.

Schedule for

Recreation Activities Center

New classes in aerobics will begin May 23. Registration will be at 7:30 a.m.

A "summer special" applies to those registering by May 21. Those registering then will receive 1000 extra classes free. This includes the evenings of May 21 and 24 on evenings of May 22 and 23.

A survey is provided for the morning classes.

Registration is made by calling 859-4471 in the afternoon or mailing to 3500 S. Hwy 229 in Park.

AREA OIL & GAS NEWS

A new producer has been brought on line in the Wichita Regular Field, with World Oil Corp. of Dallas as the operator.

Located four miles northwest of Burkburnett, the well is in a 50-acre lease in the Elizabeth Stanley Survey, A-259. It is designated as the No. 6 Mary Ella Goins.

It showed potential to make 64 barrels daily. It bottomed at 1,743 feet and will produce from a perforated interval in the Gunsight Formation, 1,623 to 1,625 feet into the hole.

The well is 150 feet from the west line and 238 feet from the north line of the lease.

The Wichita Regular Field gained a new producer when L&S Drilling Inc. of Wichita Falls completed the No. 7 T.J. Waggoner "EE", four miles north of Kamay.

The well indicated ability to pump at the rate of 12 barrels per day. It was taken to a 1,953-ft. bottom and will produce from perforations 1,901 to 1,903 feet into the wellbore.

The operation is in a 60-acre lease in the M.A. Willis Survey A-547. It is 800 feet from the east line and 500 feet from the north line of the lease.

A 1,950-ft. developmental well is planned by Jimco Oil Co. of Electra at a drillsite seven miles southeast of Electra. The location is in a 40-acre lease in the H. George Survey, A-454. Well's designation is the No. 10 J&J Waggoner "A". It is in the Wichita Regular Field.

The well is 150 feet from the south line and 1,424 feet from the west line of the lease and 1,217 feet from the north line and 1,124 feet from the east line of the survey.

Thompson Pipe & Supply Co. of Wichita Falls has filed for permit to drill the No. 10 T. Holman, a 1,500-ft. developmental well six miles south of Burkburnett. Location is in a 40-acre lease in the Wichita Regular Field, R. Hornsby Survey, A-97.

Location is 150 feet from the east line of the lease and the survey.

Camino Corp. of Wichita Falls has revealed plans to drill a 5,400-ft. developmental well in the KLB Field. The drillsite is within the city limits of Wichita Falls in the David Welch Survey, A-324. The venture has been designated as the No. 1 Beverly Drive.

The well is 467 feet from the east line and 245 feet from the north line of the lease and 467 feet from the east line and 6,000 feet from the north line of the survey.

Finnell Oil Co. of Wichita Falls has filed first production figures on a new oil well in the Wichita Regular Field. The No. 6 Rathke showed potential to make two barrels per day.

The operator has 40 acres leased, with drillsite in the Denton CSL Survey, two miles north of Holliday.

The well will produce from an interval 4,904 to 4,914 feet into the wellbore. Total drilling depth was 4,915 feet.

The well is 330 feet from the north line and 600 feet from the west line of the lease.

The No. 9 Perkins Estate has been fined by Louis F. Kent of Wichita Falls.

It is a developmental well in the Wichita Regular Field, four miles

south of Burkburnett. Drillsite is in a 40-acre lease in the CTRR Survey, A-443.

Daily potential of two barrels was posted with the Railroad Commission. The well went to a 573-ft. bottom. Production will be from perforations 544 to 549 feet into the wellbore.

The well is 650 feet from the east line and 150 feet from the north line of the lease.

Two 1,800-ft. developmental wells are planned by F.T. Felty of Burkburnett at a drillsite three miles southwest of Burkburnett. The location is in a 33-acre lease in the Jessie Mumford Survey, A-604. Well's designations are the Nos. 1 & 2 Charles Prothro. They are in the Wichita Regular Field.

The No. 1 is 150 feet from the north line and 150 feet from the west line of the lease and 150 feet from the north line and 608 feet from the south line of the survey.

The No. 2 well is 150 feet from the north line and 450 feet from the west line of the lease and 150 feet from the north line and 608 feet from the south line of the survey.

R.J. Butts of Iowa Park has filed for permit to drill the No. 10 Warren "A", a 1,900-ft. developmental well ten miles southeast of Burkburnett. Location is in a 130-acre lease in the Wichita Regular Field, Day Land & Cattle Survey, A-714.

The well is 150 feet from the north line and 705 feet from the east line of the lease and the survey.

Cortez Oil Inc. of Wichita Falls has revealed plans to drill a 250-ft. developmental well in the Wichita Regular Field. The operator has 18 acres leased, with drillsite in the J. Rector Survey, A-247, and has designated the venture as the No. 6 Roller Estate "B". Drillsite is five miles southeast of Burkburnett.

Location is 450 feet from the north line and 350 feet from the east line of the lease and the survey.

A 9,000-ft. wildcat well is planned by Tri-Mor Production Co. of Graham at a drillsite two miles northeast of Odell, Wilbarger County. The location is in a 694-acre lease in the H&TCRR Survey, Sec. 2 Blk. 11. Well's designation is the No. 1 Elizabeth Tallant.

The well is 860 feet from the east line and 2,630 feet from the north line of the lease and 1,050 feet from the west line and 10,126 feet from the south line of the survey.

CAG Petroleum Corp. of Dallas has filed for permit to drill the No. 1 Donald Duck Unit, a 6,100-ft. developmental well three miles southeast of Odell. Location is in a 316-acre lease in Wilbarger County's W.A. McKinney Survey, A-1779. The well is in the Bryant-Dobos Field.

Location is 660 feet from the north line and 1,880 feet from the west line of the lease and the survey.

A Vernon-based operator has staked location for the No. 1 Fee "ACC", a developmental well to be located 13 miles south of Harrold. With projected total depth of 5,000 feet, the well is in a 707-acre lease in the Wilbarger Regular Field, H&TCRR Survey, A-1611. The operator is W.T. Waggoner Estate.

The well is 330 feet from the south line and 2,287 feet from the west line

of the lease and 3,106 feet from the south line and 2,287 feet from the west line of the survey.

An 8,500-ft. wildcat well for oil is planned by Simo Oil Corp. of Wichita Falls at a drillsite one-half mile west of Medicine Mounds, Hardeman County. The location is in a 40-acre lease in the W&NWRR Survey, A-514. Well's designation is the No. 1 Mathews-Embry Unit.

The well is 467 feet from the west line and 500 feet from the south line of the lease and 2,487 feet from the south line and 2,196 feet from the east line of the survey.

Detectro Oil Co. of Vernon has filed for permit to drill the No. 1 Thorp, a 9,100-ft. wildcat well five miles north of Chillicothe. Location is in a 160-acre lease in Hardeman County's W&NWRR Survey, A-493.

Location is 467 feet from the east line and 467 feet from the north line of the lease and 1,787 feet from the north line and 2,173 feet from the west line of the survey.

Plug-and-abandon orders have been issued for the No. 1 Shivers "8", a wildcat venture of Enserch Exploration Inc. of Hardeman County. Spudded 2-23-84, the well had reached 9,261 feet total depth. Drillsite was six miles northwest of Chillicothe.

The well was 693 feet from the east line and 1,123 feet from the south line of the lease.

The No. 15 Hodges "B" has been fined by Joe McDonald of Burkburnett.

It is a developmental well in the Wichita Regular Field. Drillsite is in a 155-acre lease in the H. Balch Survey, A-26. Distance from nearest town was not available.

Daily potential of five barrels was posted with the Railroad Commission. The well went to a 1,833-ft. bottom. Production will be from perforations 1,291 to 1,295 feet into the wellbore.

Tom Swanson of Electra has revealed plans to drill a 2,000-ft. developmental well in the Wichita Regular Field. The operator has 20 acres leased, with drillsite in the H&TBRR Survey, A-136, and has designated the venture as the No. 10 Beaver-Electra. Drillsite is one mile east of Electra.

The well is 150 feet from the north line and 150 feet from the west line of the lease and the survey.

At a location eight miles southeast of Electra, Tom Swanson of Electra has fined a new producer in the Wichita Regular Field.

The well is designated as the No. 46 Burnett "D", pumping at the rate of 18 barrels of oil daily.

Location is in a 140-acre lease in the SA&MGRR Survey, A-271. Bottomed at 2,000 feet, the well will produce from perforations 1,730 to 1,732 feet into the hole.

The well is 499 feet from the south line and 150 feet from the east line of the lease.

Camino Corp. of Wichita Falls has filed first production figures on a new oil well in the Wichita Regular Field. The No. 1 Midamerica Dutton showed potential to make ten barrels of oil per day.

The operator has four acres leased, with drillsite in the DCSL Survey, A-417, eight miles southwest of Wichita Falls.

The well will produce from an interval 1,130 to 1,140 feet into the wellbore. Total drilling depth was 1,202 feet.

The well is 150 feet from the north line and 150 feet from the west line of the lease.

The Wichita Regular Field gained a new producer when Smith Production Co. of Wichita Falls completed the No. 22 Pearl Boyd Estate, 3.5 miles east of Kamay.

The well indicated ability to pump at the rate of nine barrels of oil daily. It was taken to a 776-ft. bottom and will produce from perforations 676 to 690 feet into the hole.

The operation is in a 160-acre lease in the DL&C Survey, A-712.

Blair-Lee Oil Inc. of Wichita Falls has filed for permit to drill the No. 12 Henderson, a 1,850-ft. developmental well three miles northwest of Burkburnett. Location is in an 80-acre lease in the Wichita Regular Field, RRVL Survey.

Location is 440 feet from the west line and 710 feet from the south line of the lease and the survey.

A 1,850-ft. developmental well is planned by J. Frank Hood, Jr. of Arlington at a drillsite ten miles southwest of Iowa Park. The location is in the KWVFL Survey. Well's designation is the No. 1-A Staley Oil Co. It is in the Wichita Regular Field.

The well is 200 feet from the south line and 150 feet from the west line of the lease and 2,400 feet from the north line and 150 feet from the west line of the survey.

A 9,000-ft. wildcat well is planned by Greenwood Industries Inc. of Shreveport at a drillsite 5.5 miles northeast of Quanah. The location is in a 307-acre lease in the HE&WTRR Survey, A-1515. Well's designation is the No. 2 Crawford Energy Cunningham.

The well is 700 feet from the east line and 631 feet from the south line of the lease and the survey.

Phillips Oil Co. of Oklahoma City has filed for permit to drill the No. 1 Brunson "A", an 8,450-ft. wildcat well 2.5 miles southwest of Chillicothe. Location is in a 109-acre lease in Hardeman County's W&NWRR Survey, A-568.

Location is 596 feet from the south line and 1,070 feet from the west line of the lease and the survey.

S.M. Ferguson Inc. of Wichita Falls has revealed plans to drill an 8,300-ft. wildcat well. The operator has 81 acres leased, with drillsite in Hardeman County's H&TCRR Survey, Sec. 66, Blk. 16 and has designated the venture as the No. 2 Thompson. Drillsite is five miles south of Chillicothe.

The well is 850 feet from the south line and 825 feet from the east line of the lease and 850 feet from the south line and 1,190 feet from the west line of the survey.

A new producer has been brought on line in the Jack Regular Field, with Sauder Management Co. of Wichita Falls as the operator.

Located four miles southeast of Fowlkes, the well is in a 155-acre lease in the M.A. Willis Survey, A-547. It is designated as the No. 2 Waggoner "G".

The well demonstrated potential for 40 barrels of oil daily. It bottomed at 1,950 feet and will produce from perforations 1,903 to 1,908 feet into the hole.

The well is 450 feet from the west line and 150 feet from the south line of the lease.

At a location four miles northwest of Burkburnett, World Oil Corp. of Dallas has fined a new oil producer in the Wichita Regular Field.

The well is designated as the No. 5 Mary Ella Goins, pumping at the rate of 28 barrels per day.

Location is in a 50-acre lease in the Elizabeth Stanley Survey, A-259. Bottomed at 1,743 feet the well will produce from perforations 1,623 to 1,625 feet into the hole.

The well is 150 feet from the west line and 238 feet from the north line of the lease.

L&J Oil Co. of Wichita Falls has filed first production figures on two new oil wells in the Wichita Regular Field. The Nos. 26 & 29 C. Birk "C" showed combined potential to make ten barrels per day.

The operator has 679 acres leased, with drillsite in the G.W. Childress Survey, A-31, two miles south of Iowa Park.

The wells will produce from perforations ranging from 758 to 766

feet into the wellbore. Total drilling depths were 800 and 815 feet, respectively.

The No. 26 well is 300 feet from the southwest line and 1,150 feet from the east line of the lease. The No. 29 well is 500 feet from the southwest line and 850 feet from the east line of the lease.

L. Joe Miller and Bobby J. Parker have filed for permit to drill the No. 2 D.G. Parker, a 2,000-ft. developmental well ten miles west of Wichita Falls. Location is in a 160-acre lease in the Wichita Regular Field, Palo Pinto CSL Survey, A-241.

The well is 750 feet from the north line and 1,211 feet from the west line of the lease and the survey.

A 2,000-ft. developmental well is planned by Spruiell Drilling Inc. of Iowa Park at a drillsite three miles south of Electra, Wichita County. The location is in a 144-acre lease in the N.B. Meade Survey, A-535. Well's designation is the No. 17 W.T. Waggoner Estate "G". It is in the Waggoner Field.

The well is 825 feet from the west line and 650 feet from the south line of the lease and 825 feet from the west line and 2,240 feet from the south line of the survey.

Wilbarger County's Bryant-Dobbs Field gained a new producer when CAG Petroleum Corp. of Dallas completed the No. 1 Pluto, 2.5 miles southeast of Odell.

The well indicated ability to pump at the rate of 50 barrels of oil per day. It was taken to a 6,001-ft. bottom and will produce from perforations 5,591 to 5,608 feet into the wellbore.

The operation is in a 160-acre lease in the H&TCRR Survey.

Location is 467 feet from the south line and 1,087 feet from the east line of the lease.

The No. 78 W.R. Piper has been fined by Mobil Producing of Houston.

It is a developmental well in the Wilbarger Regular Field, four miles northwest of Electra. Drillsite is in a 640-acre lease in the H&TCRR Survey, A-782.

Daily potential of four barrels was posted with the Railroad Commission.

Hearing Loss Is Not A Sign Of Old Age.

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest hearing aid Beltone has ever developed will be given absolutely free to anyone requesting it.

It's yours for the asking, so send for it now. It is not a real hearing aid, but it will show you how tiny hearing help can be. The actual aid weighs less than an eighth of an ounce, and it fits completely into the ear canal.

These models are free, so we suggest you write for yours now. Again, there is no cost, and certainly no obligation. Although a hearing aid may not help everyone, more and more people with hearing losses are being helped. For your free sample write today to: Department 00000, Beltone Electronics Corporation, 4201 West Victoria Street, Chicago, IL 60646.

WORM CONTROL FOR GARDENS

 DON DECKER

There is no reason for allowing loopers and other worms to ravage the leaves on cabbage, cauliflower, broccoli, Brussels sprouts and other plants in the garden. Dipel dust, which is available in a one pound shaker can, is very effective in controlling worms.

Mrs. Betty Watson of Iowa Park, used Dipel dust for worm control in her garden, especially on the cabbage type plants. For some reason, cabbages tend to attract worms.

Dipel is a bacteria rather than a toxic chemical. The bacteria spreads a disease among the small worms giving control. There is no harvest restriction. This is a safe material causing no problems to the environment. The disease is not contagious to man.

Dusting once per week during the peak worm season enables Mrs. Watson to harvest cabbage heads free of insect damage.

There is an easier way to mesquite sprout control than carrying a 3 gallon sprayer around on ones back. The results are better too.

Four cc's of Velpar squirted at the base of a mesquite sprout gives good control. This chemical is metered in cc's which calls for carrying only a small quantity of chemical by the applicator.

Elwood Haynes of Punkin Center is treating about 20 acres of mesquite sprouts using Velpar. He carries only a gallon jug of chemical which is equipped with an automatic metering hand gun. Application is easy and fast.

The mode of action of Velpar is through the roots. Rainfall leaches the chemical into the soil where it is picked up by the mesquite roots. A good rain is needed before results can be seen.

Our Diamond Miss Pageants
"Where Every Little Girl is a Queen"
 Our Diamond Miss is a pageant system for everyone - Modeling with Talent optional - for girls ages 2 through 21. A Modeling Queen and Talent Queen is crowned in each age division.
 The contestant crowned "Our Diamond Miss" will be presented a diamond necklace. Preliminary winners advance to State Competition with the chance to win T.V.s, jewelry, savings bonds, and many, many more prizes.
AGE DIVISIONS
 Tiny Miss - 2 to 3 years Young Miss - 10 to 13 years
 Petite Miss - 4 to 6 years Teen Miss - 14 to 16 years
 Junior Miss - 7 to 9 years Elegant Miss - 17 to 21 years
ALSO WORLD OF BABIES MR. or MISS
 Baby Miss/Mr. - 0 to 11 months
 Precious Miss/Mr. - 12 to 18 months
 Darling Miss/Mr. - 19 to 24 months
 A Preliminary Pageant will be held in your area on May 26 at Erma Barton Auditorium in Holliday, Tex.
 To enter your child contact Janet Perry, 592-5358 by May 24.

Tips On Dental Health
RICHARD CARVER, D.D.S.

THE SILVER FILLING

The silver alloy used in dentistry is actually a mixture which changes dimensions with a change in temperature. This causes a change in the area when the tooth meets the filling and must be kept clean for the filling to be successful. Large silver fillings are subject to failure (breaking around the edges and cracking) because of the nature of the mixture. The mixture contains mercury which can also cause a dark stain in the tooth and sometimes in the gum tissue. The dentist has little control over this.

Silver alloy has served mankind well over time and is still widely used to repair decayed and broken teeth. If you look at your silver fillings and find that they are "black", remember that silver tarnishes and needs polishing regularly.

There are other types of materials that may be used such as cast gold alloy for inlays, onlays and crowns. Sometimes, in the interest of appearance, porcelain is fused to the alloy to better match the shade of your teeth. Also there are the new materials called "composites", in shades to match your teeth. These materials can sometimes be used instead of the more expensive crowns, but that is another story. Ask your dentist.

Prepared in the interest of better dental health. **RICHARD CARVER D.D.S., Phone 592-5141.**

Cook of the Week

People like variety in everything, particularly food. This is the season to enjoy the vegetables which offer variety and prove that good eating does not have to be expensive and glamorizing.

Cabbage is one of the oldest and most versatile vegetables and has a lot of members of its family, such as: broccoli, Brussels sprouts, cauliflower, collards, kale and kohlrabi. It was first heard of in the Mediterranean basin, but it has been suggested that it originated in cool northern and central Europe. It is not mentioned in the Bible.

For the Romans, cabbage was in such demand that it was at first too expensive for any but the well-to-do. It was a profitable vegetable for the farmers who gave it special attention, and they seem to have developed most of the many variations on the theme of cabbage which we know today.

Many historical facts and legends are attached to the cabbage. It is said that the Emperor Claudius once convoked the Senate to vote on the question of whether any dish was better than corned beef and cabbage; the Senate, which knew what was expected of it, dutifully decided that none was. In the fourteenth century, the chef to Charles VI of France served cabbage (probably the Senlis variety, which has disappeared) in the first course of a dinner.

According to a legend, the man on the moon was sent there by a child who caught him stealing a cabbage on

Mrs. Allen Trammell

Christmas night. Marcus Porcius admired it so much that he wrote five pages on it and he gave the recipe for the first coleslaw.

Crystal Trammell, the Cook of the Week, is one of Iowa Park's "Newest" newcomers, having moved here with her husband, Allen, who is manager of Sonic, from Tulsa about a month ago. She also works at the drive-in. They have one son, Allen Jr., a year old. Mrs. Trammell was graduated from Purcell, Okla. High School. Her hobbies are golf and bowling.

OKIE-STYLE CABBAGE

- 1 medium head cabbage
- 1 large onion
- 2 slices bacon (chopped)
- 3 T. bacon drippings
- 1/2 tsp. pepper
- 1/2 tsp. salt
- 1/2 to 3/4 cup water

Core and cut cabbage into 8 to 10 slices. Add chopped onion, bacon, water and drippings, add salt and pepper; bring to boil. Cover tightly and simmer over low heat 45 minutes.

MEATBALLS AND NOODLES

- 1 lb. ground beef
- 1 1/2 cup milk

- 2 T chopped onion
 - 1/2 tsp. Worcestershire sauce
 - 1/2 cup bread crumbs
 - 1 egg
 - 1 pkg. noodles
 - 1/2 tsp. salt and pepper
- Combine meat and bread crumbs, 1/2 cup milk, egg, onion and seasonings. Mix lightly. Shape into meatballs, brown and cover; simmer for 10 minutes and drain. Prepare gravy mix as directed, using 1 cup milk. Add gravy to meatballs; simmer another 10 minutes. Cook noodles as directed and serve with meatballs.

COMPANY GREEN BEANS

- 1 can seasoned French-style green beans
 - 1 can cream of mushroom soup
 - 1/2 cup chopped onion
 - 2 slices diced bacon or ham
 - 1/2 cup shredded Cheddar cheese
 - 1 can whole new potatoes
- Drain green beans and potatoes; add undiluted soup, onion, cheese and meat and mix well. Pour into 8-inch baking dish. Cook in 425 degree oven 15 to 20 minutes. If you wish, add 1/2 more shredded cheese and bread crumbs on top.

SHERRY CAKE

- 1 yellow cake mix
 - 1 box instant vanilla pudding
 - 4 eggs
 - 3/4 cup oil
 - 1/2 cup Gallo sherry
 - 1 tsp. vanilla
- Combine all ingredients and mix well. Pour into buttered bundt pan; sprinkle with sugar with cinnamon. Bake in 350 degree oven until done. Icing can be made with sherry instead of milk.

7-UP SALAD

- 2 pkgs. lime Jello
- 2 cups 7-Up
- 2 ozs. crushed pineapple
- 1/4 cup sugar
- 1 pkg. Dream Whip
- 2 sliced bananas
- 2 cups miniature marshmallows

- 2 T flour
 - 1 egg
 - 2 cups hot water
- Melt 2 pkgs. lime Jello in 2 cups hot water; add 2 cups 7-Up; add pineapple, bananas and marshmallows. Refrigerate until completely jelled. Use juice from pineapple and add enough water to make 1 cup, mix with 3/4 cup sugar and 2 tablespoons flour; add egg and mix well. Cook until thick and cool. Prepare Dream Whip and fold into cooked pudding. Spread on top of hardened Jello salad. Sprinkle with chopped nuts, grated cheese or graham cracker crumbs.

Antique Auction

This special benefit antique auction is sponsored by Huff Furniture Galleries. All proceeds will go to InterFaith Ministries, The Salvation Army and Faith City Mission. Auction expenses will be donated. You will be given an opportunity to view all merchandise prior to the auction. If you cannot attend, sealed bids will be accepted. Each item will be marked with a minimum opening bid. All profit will be divided equally between the designated recipients. All bids are a firm commitment to purchase, and we urge you to examine items of interest carefully.

Brothers Goetze are graduated

Brothers Jim and Tim Goetze were among 296 undergraduates receiving degrees Sunday afternoon at Tarleton State Univ. in Stephenville.

Both received Bachelor of Science degrees in agricultural education, and both graduated with honors.

Prior to the commencement exercises for undergraduates, a separate ceremony was held for 55 graduate students. Combined, the 351 graduates made the largest graduating class in the school's history.

Dale takes part in joint exercise

Second Lt. D. Wayne Dale, son of H. and Nelda F. Dale of Rural Route 1, Iowa Park, has participated in Global Shield 84, an exercise involving U.S. Air Force, Air Force Reserve, Air National Guard, Navy and Marine Corps units, and elements of the Canadian forces.

The exercise, coordinated by the Air Force Strategic Air Command (SAC), was designed to enhance readiness and the ability of SAC to carry out orders should deterrence fail.

Dale is a missile launch officer with the 91st Strategic Missile Squadron at Minot Air Force Base, N.D.

He is a 1982 graduate of the University of Oklahoma at Norman.

His wife, Tina, is the daughter of Bill E. and Doreia Edgin of 1425 Tanbark, Wichita Falls.

"It's a steal, alright, but you'll have to carry it out."

Peterson, Parnell wed in double-ring ceremony Saturday evening

The altar of the First Baptist Church at Electra was elegantly decorated and illuminated for a double-ring ceremony performed Saturday evening to unite Miss Connie Jane Peterson, daughter of Mr. and Mrs. Clarence Peterson of Electra, and Steven Darryle Parnell, son of Mr. and Mrs. Terry Parnell of Holliday, and the grandson of Mrs. Charlotte Hood of Wichita Falls and Mr. and Mrs. Herman Parnell of Kamay. Rev. William Etheredge of Wichita Falls was the officiating minister.

The setting was lighted by candles arranged to present a beautiful array of light. A fifteen-branched candelabra in the center of the altar was flanked by seven-branched candelabra with spiral candelabra rising above to create an unusual effect of illumination. Each candlestick was decorated with boxwood greenery and scattered maroon and rose silk flowers, the bride's chosen colors.

The unity candelabrum, symbolizing the couple's life together, was placed at the right of the altar, and each church pew was bedecked with maroon and rose satin bows, silk flowers and baby's breath.

The flowers for the altar and reception were designed and made by Mrs. Linda Lozipone as a special gift to the bride.

The prenuptial music was presented by Miss Gayla Harwell, pianist. During the lighting of the candles by Rickey Peterson and Joey Kincaid, she played "Endless Love" and "You and I," then continued her performance with "Evergreen." After the bride and groom had lighted the unity candle, Bradley Stroud of Wichita Falls sang "The Lord's Prayer." The traditional marches were played by Gene Fraker, organist.

The bride was escorted and given in marriage by her father. She chose a formal gown of white organza enriched with Chantilly and Venise laces. The slightly raised bodice fashioned of the two laces sprinkled with pearls and iridescents was designed with a Queen Anne neckline and long styled-and-cuffed accordion pleated chiffon sleeves. The full skirt was graced with lace appliques, a Chantilly lace-trimmed hemline and a semi-cathedral train.

She wore a matching lace cap made to complement her gown and hold her bridal illusion veil. She carried a delicate cascade bouquet composed of white roses, gypsophila, stephanotis, rose lilies and maroon sweetheart roses and matching satin streamers. Keeping bridal traditions, she wore "something new, something old, something borrowed and something blue."

Miss Cathy Lalk served as maid of honor, and the bridesmaids were Miss Carla Flusche, Miss Dora Menchaca of Wichita Falls, Miss Penny Parnell and Miss Amanda Parnell, both of Holliday. The flower girl was Miss Scharles Ann Peterson of Harker Heights. Each wore a rose chiffon gown over matte taffeta fashioned with a fitted bodice, puffed sleeves, matching chiffon sash, full flowing skirt with a hemline ruffle. Their hairpieces were made of delicate rose

MRS. STEVEN PARNELL

and maroon silk flowers. The attendants carried long stemmed maroon roses tied with rose and maroon satin ribbons.

Bud Davy of Wichita Falls was the groom's best man. The groomsmen were Tim Parnell of San Angelo, Barry Lawson of Lakeside City, Rickey Peterson of Harker Heights, and Joey Kincaid of Holliday, who assisted Gary W. Jones II of Austin with the ushering duties.

The groom's formal attire was a black tuxedo with tails, pin-tucked white shirt, vest and black bow tie, and he wore with it a boutonniere of a rose-colored silk rose and baby's breath. His attendants and ushers wore less formal black tuxedos, white tuckered shirts, vests and bow ties and boutonnieres to match the groom's.

Mrs. Peterson, mother of the bride, wore a frost rose chiffon two-piece

jacket dress styled with a pull over jacket trimmed in Chantilly lace at the bodice and low peplum, full sleeves elasticated at the wrists. A long satin ribbon sash tied in a large bow at the waist, and the full skirt was trimmed with lace at the hemline. Her corsage was formed with maroon and white baby roses.

Mrs. Parnell, mother of the groom, wore a white orchid with her accordion pleated peach chiffon gown over matte taffeta. The dress was patterned with a loose fitted bodice, peach-colored waistline sash and pleated skirt.

The rehearsal dinner was hosted by the groom's parents at Frontier Steak House. The tables were decorated with maroon candles in candelabra surrounded by fresh flowers in the bride's colors. The favors were long-stemmed rose-colored satin roses.

The bride's parents hosted the wedding reception.

The bride's table was draped with lined net and featured a fully gathered skirt trimmed with Chantilly lace. The three-tiered cake was decorated with small rose and maroon hearts and topped with a bride and groom standing under an archway. The table centerpiece was an artistic floral arrangement in the bride's colors flanked by silver candelabra.

Mrs. Edgar Eakin and Miss Kelly Jones, assisted by Mrs. Edna Talley

and Mrs. Carroll, served the cake and punch.

The groom's table was covered with a maroon silk cloth with a pleated skirt. It held a silk flower arrangement in a silver container, a double-ring chocolate cake on a silver platter, and silver coffee service. Presiding at the table were Mrs. Joe Lalk and Mrs. Sylvia Flusche. Mrs. Larry Malone registered guests, and Miss Kari Bentley of Wichita Falls and master David Jones of Austin passed out the rice bags.

Following the reception, Doyle Bentley of Wichita Falls, uncle of the

groom, flew the couple to Dallas and they left the next day for a wedding trip to Hawaii. They will live in Holliday when they return.

The bride was graduated from Electra High School and Midwestern State Univ. with honors. She is a three-year employee of Engelman General Inc. with responsibilities in cost analysis. The groom was graduated from Holliday High School where he was in National Honor Society and named Mr. Holliday High School. He attended MSU and is employed by Parnell Trucking Co. at Kadane Corner.

People Who Care About People

Caring for people you love is at the very heart of all we do. We are constantly striving to improve the quality of life for our residents by providing only the best of everything. That's why our facility has recently been remodeled. It's the reason behind the new whirlpool bath and the new chair lift. It's why we offer our residents the best physical therapists and physical speech consultants. And it's the reason why our food is prepared by some of the county's best cooks under the supervision of professional dieticians. Our health care costs are among the lowest. Here, they are based on specific individual needs and may be financed privately or by Medicaid. We're the people who care about people because it's the best way we know to enhance the lives, health and happiness of those we serve and love. Come by soon for a visit with administrator, **Oneta Gregg** and tour our beautiful facility.

PAT CAPPS VISITS WITH BILL McCHESNEY AT START OF STATE HIGH JUMP

AT STATE

Capps is third, but disappointed

Going into Saturday's high jump finals in Class AA at Austin, Holliday

High School senior Patrick Capps looked to have an edge on the competition, with everything falling into place nicely enough to win him his first state title in three attempts.

But that is what competition sports are all about these days; don't count anyone out until the final jump is made. Underdogs develop super-human strength when the proper mood hits them. Likewise, the best in any sport can have an off day, making the going a lot tougher than predictions depict.

As the competition wound down to the last few jumpers left, it became apparent that Nocona's Billy McChesney, three times District 11-AA high jump champ, three-times choker in the regional meets, was in tune with his unorthodox tempo, using no mark and never approaching the bar the same way twice. The senior Indian had that extra extension it takes, and good timing put him on the winner's stand with a state title over Capps and Tim McCain of Somerville. His winning jump was 6-8.

At the regional meet in Stephenville two weeks earlier, Capps set a record with a jump

measured at 6-feet-7 and 3/4 inches, which the Eagle thinclad cleared on his first attempt. McChesney followed over the bar on his second attempt, but both jumpers failed at 6-10, a personal best for both this season.

Capps appeared to be having trouble with his form early in the contest, missing his first attempt at 6-2, while McChesney and McCain made it on their first attempts. With the bar at 6-5, Capps looked to be moving in on his competitors by clearing the bar on his first attempt. But at 6-6, Capps bumped the bar on each of his three attempts with his back, missing the height and the gold in his final high school meet.

McChesney's win gave Nocona its first state title in recent memory, and Capps' third place finish was a personal best.

Police telephone number unchanged

Holliday residents wishing to contact Police Chief Bill Oliver should use the same telephone number as the previous chief.

The number, according to Mayor Mike Parker, is 586-1566.

Trustees work on budget, approve graduation plan

Holliday School Board Tuesday approved budgets for athletes, vocational agriculture and band for the 1984-85 school year, among several important topics covered during the trustee's monthly meeting.

Meeting Tuesday night because of Monday's Junior/Senior Banquet at Holliday High School, the board busied itself with insurance, personnel, exemptions, and policies for the 1984-85 school year.

BUDGETS APPROVED

All three budgets approved Tuesday, as submitted by their respective department heads, show a seven to eight percent increase over last year's figures but superintendent Dan Owen was quick to point out that, not only were the budgets in line with inflation, but, in addition, they are compared to budgets that were cut drastically last year to help ease the financial strain on the school district.

The band budget, submitted by director Gary Cartwright, totals \$21,058.58. Vocational Agriculture advisor Cal Gaulden submitted a budget calling for \$16,958.97 in expenditures, while the athletic budget, proposed by director Don Lucy, amounts to \$62,623.

INSURANCE DISCUSSED

In a change of policy, the board voted to withdraw cash amounts paid to teachers not participating in the Employees Hospitalization Plan, but instead, dictated that all teachers not taking the group plan must take out a personal plan covering either hospital insurance, annuity or loss.

The board also selected Texas Student Insurance Co. as the insurer for athletic and student insurance for the 1984-85 school year.

PERSONNEL

Trustees granted first grade teacher Paula Hall a one-year leave of absence, and hired Donna Alderman for one year. Alderman has taught previously in the Holliday Schools.

In other action, the board approved Don Brewer as director of special education for West Wichita Co-op, and accepted participation next year in the Cooperative's policies and

procedures. Homestead exemptions for 1984-85 were set at 20-percent, down 10-percent from the previous year, the board agreed that the increased revenues would place the school in a sounder financial condition.

POLICY AMENDMENTS

The board adopted Senate Bill 346, also referred to as HB 246 or Chapter 75, dealing with policies and curriculum beginning the Fall of 1984.

Trustees revised the grading system with grades ranging from 0-100 with 70 and above passing. In previous years, 65 and above was deemed "passing."

Beginning next year, entering freshmen will have to accumulate 25 credits to graduate under the advanced plan, and 24 credits under the regular high school plan. The new policy will effect the Class of 1989.

Some people don't know their electric bills can be about the same all year round.

Some do.

The Average Payment Plan will put you in the know; and just in time to take the heat off your hot weather bills. You'll still pay for all the electricity you use. But under the Average Payment Plan, your bills will be more even all year round. The plan is based on a 12-month average that's refigured each month. So you can pay less during the months you use the most electricity, by paying more during the months you use less. The Average Payment Plan is available to Texas Electric residential customers. So look into it today. It's definitely worth knowing about.

Little League Results
T-B ALL DIVISION
Mets 39, Braves 29
In game played Friday, the Braves turned in a good fielding performance, and excellent batting by Robby Taylor, Casey Moser, and Skooter Winter. Winning pitcher was James Armstrong, while Brent Peeler and Skooter Winter took the loss.

Bears 27 - Braves 25
Fine fielding done by Francie Hodson and Tyson Spruiell. Billy White and Jodi Young turned in good hitting performances.

Soccer teams to tourneys

Three local soccer teams will play in tournaments in Lawton and Dallas in the next two weeks, with the Spring League Champions in the under-eight division Hawks '76 travelling to the Dr. Pepper Invitational in Lawton over the Memorial Day Weekend, and the Dr. Pepper Open in Dallas June 2 and 3.

Also attending the Dr. Pepper Open in Dallas will be the Iowa Park Wildcats of Division 2, and the Iowa Park Chiefs of Division 3. Both the Wildcats and the Chiefs ended spring league action with respective records.

The delegation from Iowa Park will number enough to require reserving an entire floor of the Marriott Hotel in Dallas.

Team members and coaches are as follows -

HAWKS '76
Clayton Ellis, coach; Jerry Inman, assistant coach. Players are Ryder Parkerson, Gina Inman, Jason Maxwell, Derek Shewmake, David Ohm, Cody Beavers, Kyle Thompson, Don Ellis, Keith McDonald, Clay Carillo-Miranda, David Warren, Justin Gafford, Mandy LaBrier, DeQayne Gruber, Brian Spruiell, and Clint Sobee.

IOWA PARK WILDCATS
Players are Greg Carrillo-Miranda,

Jeff Franklin, Todd Pulley, Corey Bridwell, T.J. Bean, Chris McKee, Chris Noel, Lon Holloway, Lane Holloway, Michael Smith, Skip Drissel, Ralph Hollenbeck, Ryan Stowe, Bobby Van Spreybraeck, Darrin Langford and Erin Bolin.

IOWA PARK CHIEFS
Coach Danny Skinner. Players are Louis Skinner, Justin Inman, Aaron Smith, Eric Smith, Eric Rutledge, Brian Luney, A.D. Sparlin, Jason Hamilton, David Lyons, Chris Briscoe, Brent Winienger, Shawn Kauffhold, Joey Sheppard and Kevin Smith.

'76 team a winner

The Hawks '76 Soccer Team gave Iowa Park a first recently, capturing back-to-back division championships in the Greater Wichita Falls Soccer Association (G.W.F.S.A.) under-eight division.

Winning its division last fall, the Hawks '76 bunch rallied to capture the crown again in the spring league, and the accomplishment brought the team and coach Clayton Ellis the coveted "Sam Lister Award" for performance and dedication to soccer in the Greater Wichita Falls area.

The award, given on a rotating basis each year, has been presented the past six years, but the '76 team is the first from Iowa Park to be awarded.

Phillip Johnson completes CPA

Phillip Johnson, son of Mr. and Mrs. Roy Johnson, completed requirements for CPA May 12 and was sworn in at the Erwin Special Events Center in Austin. He was graduated from Iowa Park High School and Midwestern State Univ. with a degree in business administration. He is employed by Engelman-General as a controller.

His wife is the former Vicki Thompson, daughter of Mr. and Mrs. Eldon Thompson and is a teacher in the Iowa Park School System. They are members of First United Methodist Church where he is a member of the Board of Trustees and a youth group sponsor.

Taylor on VJRC President's list

Iowa Parkan David L. Taylor was named to the President's honors list for the spring semester at Vernon Regional Junior College.

Students named to the President's list must make straight "As" for the semester and carry a minimum course load of 12 hours.

Joyce heads MuleSkinners

New MuleSkinner officers elected at the organization's annual meeting held Saturday at Lake Kiwapoo are: Reil Joyce, president; Jim Whitaker, first vice president; Marvin Robertson, second vice president; Kenny Jones, treasurer, and Joe Foerysthe, secretary.
