Little interest shown in April 6 elections

If interest in elections is indicated by the number of absentee votes cast, there likely won't be many voters turn out at the polls April 6 to vote in the city and school elections.

As of yesterday, only three ballots had been turned in at the city and school absentee polls.

Tuesday will be the last day absentee voting can be done in person, and next Thursday morning is the deadline absentee ballots can be received by mail.

Absentee voting poll in the city election is the city hall, and the administration building is the school's

absentee voting poll.

Four candidates are on the city ballot, though only three places are open. Candidates in the at-large race are newcomers Andy Arrington and Diane Robnett, and incumbents Johnny Coker and George Hammonds. Lita Watson decided not to seek re-election.

The three receiving the greatest number of votes will be declared the winners.

There are five candidates in this year's school trustee election, and this will be the first year candidates will seek a numbered position on the board. In other words, one candidate

will oppose another candidate, instead of the old system of at-large voting.

Incumbent Ray Hicks is being challenged by James Richter for place one. Martha Dudley is seeking re-election for place three, and Bob Goodnight is attempting to unseat her.

Roy Boutwell is unopposed for place two.

Also on the city's ballot is an unbinding referendum, seeking voters' opinions on whether handicapped property owners should be given a tax deduction on their homes.

News in Brief

Community Easter Service Sunday

The Ministerial Alliance will have a Community Easter Service at 4 p.m. Sunday at the First Baptist Church. David Jones, new pastor of the First Baptist Church, will speak. The service is open to the public.

Sacred music concert set Sunday

The Modern Music Study Club will sponsor a sacred music concert by the Iowa Park High School A Cappella Choir at 2 p.m. Sunday at the First Baptist Church. The public is invited.

Easter Seal telethon this weekend

The Easter Seal Telethon benefitting North Texas Rehab Center at Wichita Falls will be Saturday and Sunday. The satellite pledge center for Iowa Park will be at the home of Mrs. Bud Mercer, with members of Epsilon Sigma Alpha sorority in charge. All money pledged to the Telethon from the North Texas area remains with the Rehab Center, which does not receive United Way funds. The Telethon is a major fund raising event for the center.

Father arrested after chase

Two charges have already been filed, and more possibly will be made, as the result of an early-morning domestic disturbance that ended with a 27-minute high-speed chase involving three law enforcement

vehicles. Terry Lee Ratcliff, 29, was placed in Wichita County jail Tuesday on charges of evading and wreckless driving, which were filed by the sheriff's department.

Choir earns sweepstakes

Iowa Park High School A Cappella Choir won its sixth consecutive sweepstakes award, earning a division one rating in both concert and sightreading in UIL school Tuesday.

The group was able to win despite the fact that six students were ineligible due to new rulings that bars extra-curricular activities if a student fails one or more subjects.

The high school ladies' choir also won sweepstakes while the men's choir rated division one in Concert and division two in sight reading. The high school Chorale, with 14 students ineligible, rated a two in concert and a three in sight reading.

The junior high choir earned a division two in concert and a one in sight reading although there were 18 students ineligible to participate.

Officer John Cross was approaching 500 W. Washington at 2:02 a.m. in response to a report of a domestic disturbance. As he neared the

DEEP WATER FISHING - A father and his son sat on Lake Iowa Park dam Friday afternoon fishing in water so deep, it was overflowing. Recent rains exceeded the lake's capacity for the first time since 1979. Lake Buffalo is about at its record height, but still has a few feet before going over its spillway.

Aldermen give approval on donations billing

City aldermen Monday night formally approved collections of donations for a Christmas decorations fund, heard final plans for the new library renovation and took a stand on proposed legislation affecting signs and billboards.

A resolution was approved permitting city hall to put a voluntary assessment of at least 10-cents on each monthly water bill. The money will be used in the future to purchase, maintain and replace Christmas decorations.

Proposal of the project was made earlier this month by Mrs. Phil Welch, who said it had been outstanding and successful in Dumas.

Collection of the 10-cents on water bills must be voluntarily paid by water customers of the city. That is a

requirement, according to legal research by city staff. Persons not wishing to donate the 10-cents can contact city hall and it will not be included on the billing.

Administrator James Barrington told the council he has a problem printing the words "voluntary assessment" on the bill forms currently used, but it can be done on future printings of the forms. Possibly an adjustment in the computer program will allow such an entry when bills are prepared, he told the council.

Voluntary donations are not limited to 10-cents monthly. Residents wishing to make regular donations to the fund can also inform city hall and the agreed amount will be printed on the bill.

Architect Don Daugherty showed final drawings and plans for renovation of the Burnett home for use as a library. Advertisement was begun last week for bids on the project by contractors. Six contractors had already picked up plans, he said.

The original cost estimate of \$262,000 has been raised to about \$300,000, Daugherty told the council.

Numerous items listed in the project will be included as alternates in the bidding, such as the parking lot and 50 chairs for the upstairs meeting room.

Anticipated completion of the project is early October.

The state legislature is considering drafting a state law limiting the use of billboards.

Aldermen adopted a resolution stating, in part, "The proposed billboard legislation is not in the best interest of the citizens of Texas because of the threat it poses to the doctrine of local self determination," meaning such restrictions should be left up to the cities themselves.

Other business attended to by the council included:

* heard a report by Barrington concerning legal action to have the old Overbey House removed from city property at Fourth and West Highway;

* approved a testing of new parking lane markers to determine if concrete parking blocks might be removed;

* received a request from Bill Spruiell to permit a tap on the water transmission line from Wichita Falls, to serve future homes to be built on the Grozier Farm east of town;

* and heard a report by Barrington on the second of three required public hearings in Austin on a request to permit affluent from the city's sewage treatment plant as irrigation on a proposed golf course north of town.

Kindergarten pre-registration

Pre-registration for 1985-86 kindergarten is underway at Kidwell Elementary School, according to Ron Woods principal.

"To aid in planning the total program for the 1985-86 year we are not pre-registering children three to five years of age on or before Sept. 1, 1985," Woods said.

Forms have been distributed to students attending school, which should be returned by April 9. Parents who have not received a form are asked to call the school, 592-4322.

Youths raise \$1,100 for MDA

A Hop-A-Thon held recently at King's Kids Christian Day Care Center raised about \$1,100 for the Muscular Dystrophy Association.

Approximately 50 children participated in the Hop-A-Thon and were sponsored by pledges of one cent or more per hop.

Mrs. Chandler, director and owner of King's Kids, reported that the day care center is leading in this area and has been invited to appear on the Jerry Lewis Telethon at Sikes Center Mall on Labor Day.

Underwood, Loggins place at district

Two Iowa Park High School students placed in the District 5-AAA literary competition held last weekend at Vernon Regional Junior College.

Laurie Underwood and Clinton Loggins placed second and third, respectively, in the typing competition, and qualified for the regional meet.

FRIENDLY DOOR BAZAAR - The major fund-raising project of the Friendly Door, Iowa Park's senior citizen organization, will be held Saturday at 100 West Park.

Starting at 9 a.m. and continuing until 3 p.m., home-baked goods, Easter decorations and other arts and crafts will be sold.

Baker, Wright ceremony held Friday in Wichita Falls

A double-ring ceremony was solemnized Friday evening at the Eden Hills Baptist Church in Wichita Falls by Rev. Charles Miller, pastor, to unite Miss Vicki Lynn Baker and Charles David Wright.

The bride's parents are Mrs. Sue Cryer of Wichita Falls and Paul E. Baker of Scotland. The groom's parents are Mr. and Mrs. Charles Delaine Wright of Wichita Falls.

Lavender and white, the bride's colors, were emphasized in the wedding decorations in arrangements of gladioli on pillars on either side of the altar. White carnations tied with lavender satin ribbon marked the church pews.

Mrs. Carmen Frederici, pianist, and Miss Kay Hamilton, soloist, presented the wedding music. The pianist played "Evergreen," "You Needed Me," "Truly," "Open Arms," and "Lady" for pre-nuptial selections, furnished accompaniment for solos by the vocalist, and included the traditional marches in her offerings.

Miss Hamilton sang "The Rose" while mothers of the couple were being ushered and seated, "If" when the couple were lighting the unity candle, and "When I Need You" after the minister had pronounced them husband and wife.

The bride was given in marriage by her brother, Steve Baker. She presented a lovely picture in an original formal gown of white Qiana and Venise lace. The body was distinguished with a high Victorian neckline and a see-through yoke adorned with sequins and tube pearls ending in a scalloped ruffle of Chantilly lace. The long full sleeves of English net were cuffed at the wrists. The pleated Qiana skirt tapered in the back to a chapel length train.

She wore a matching tulle veil that cascaded from a headpiece of pearls and net. The bridal bouquet featuring an orchid surrounded with lavender and white carnations added fresh and enchanting charm to the bride's costume. Sentiment was noted in her mother's heirloom pearl earrings that she wore for "something old," the

MRS. CHARLES DAVID WRIGHT

matron of honor's Bible that she used for "something borrowed;" her gown and garter, the "something new" and "something blue" accessories.

Mrs. James McGee, the matron of honor, wore a lavender taffeta gown styled with V-neckline, matching sash and full skirt.

The bridesmaids, Mrs. Ricky Tyler, Miss Stacy Sharp, Mrs. Barry Bernstein and Mrs. Joe Vela were attired in light lavender Qiana gowns designed with scoop necks, lace collars, empire waists, matching sashes and pleated skirts.

Each attendant wore a bandeau headpiece of lavender silk flowers and carried a nosegay of lavender carnations and daisies.

The groom wore a white rose boutonniere with his black tuxedo with tails, white dress shirt, black vest, cummerbund and bow tie and matching trousers with satin side stripes.

The groom's father served as best man. The groomsmen were James McGee, Barry Bernstein, David Watson and Joe Vela. They wore grey tuxedo dinner jackets with matching vests and trousers, white dress shirts, lavender cummerbunds, bow ties and carnation boutonnieres.

Mrs. Cryer, mother of the bride, chose a deep lavender chiffon over satin gown designed with boat neck, long full sleeves, and angled tier of ruffles around the bottom of the long skirt. An orchid and baby's breath corsage gave the gown an added touch of beauty.

Mrs. Wright, the groom's mother, was attired in a Liz Claiborne designer grey silk tea length dress fashioned with a full bodice, princess collar, long full sleeves and pleated skirt. Her corsage consisted of white miniature roses and baby's breath.

The bride was graduated from Iowa Park High School. She attended Midwestern State Univ. and is currently employed at Papillon Salon. The groom, a graduate of Burkburnett High School, also attended MSU and is currently a conductor for Burlington Northern Railroad.

The wedding reception, given by the bride's family, was held in the Fellowship Hall of the church.

Miss Stephanie Frazier sat at an attractively-appointed guest book table to secure signatures of the guests. It held a bud vase with lavender and white carnations, wedding book lavender quill pen, lavender plastic rice buttercups trimmed with lavender net and white satin ribbon.

The bride's table, where her bridesmaids served, stood out beautifully in the setting and emphasized her chosen colors at their best. Draped with a ruffled-bordered white lace cloth over white satin, the corners and center front of the lace cloth were accented with fluffy lavender satin bows. The centerpiece consisted of the bride's bouquets encircled with her attendants' nosegays.

The four-tiered cake featured three Grecian pillars between the first and second tiers, and a bride and groom standing against a lace heart for the top ornament.

Other bits of table interest included the silver punch bowl and coffee service, crystal containers of mints and nuts, and lavender napkins marked with "David and Vicki, March 22, 1985."

Miss Karen Wright and Miss Rebecca Whisnand served at the groom's table which held a crystal punch bowl, a German chocolate cake trimmed with lavender decorations and grapes, lavender and white napkins, and tiny white boxes tied with white satin ribbon bearing the names of the bride and groom that contained slices of the groom's cake.

The groom's parents hosted the rehearsal dinner in the banquet room with a fireplace at Western Sizzlin Steak House.

ABOUT TOWN

Nicole Renea Guy, daughter of Mr. and Mrs. Alan Joe Guy of Iowa Park, won Beauty Queen and Most Photogenic in the baby division competition of "The Silhouettes of America Pageant" held recently in Siles Senter Mall. Nicole, who has participated in several area pageants, also qualified to compete in state competition for "The Silhouettes of America Pageant" to be held later this summer in Arlington. The 21-month-old was sponsored by Darrel's Construction.

Book review is program for study club guest day

Margaret (Mrs. Henry) Dvorken of Wichita Falls gave a delightful review of "Wills" by Wm. Newbury Lewis, to highlight the entertainment for the 23 Study Club's annual guest day meeting Thursday afternoon.

The meeting was held at the First Presbyterian Church. The hostesses were Mes. B.G. House, Travis Smith, John Rentschler, Keith Aulds, Joe Singer and Miss Betty Meadows.

Mrs. C.E. Birk welcomed guests and served as program leader.

The beauty of the spring season was emphasized in an inspirational talk and fine arts number that prefaced the review.

Mrs. Homer Blalock chose "A Lesson from Springtime" for the theme of the devotion, and Mrs. Michael Sargent, guest pianist, played selections from Schumann's "Papillons" (Butterflies).

The book reviewed by Mrs. Dvorken of a girl from a town called Dallas, Texas (the author) features reminiscences of her 92 years, majoring on her life as a young girl and after her marriage to a rancher from Clarendon. These were recalled sometimes with humor, but more often with pathos and frustration.

During the last 10 years of their 45 years of marriage, the couple with different interests and aspirations, who had four children grown and married finally reached a rapport for a happy ending to the book.

During the social hours, refreshments were served from a table laid with Quaker lace and appointed with silver and antique services. The attractive centerpiece was an antique pitcher filled with silk delphinium and baby's breath.

Rare glass is program

E.B. Robinson gave a program on coin glass for the Evening Lions Club Tuesday. He first gave a brief history of glassware in the United States before 1850 and of press glass during the 1870s.

The coin glass, of which there are very few pieces in the nation at present, was made between 1891-92 by Central Glass and was first shown at the World's Fair in Chicago. During the fair when it was discovered that the imprint of the coins on the glass was illegal, all of the glass items were destroyed.

Fortunately, some of the pieces had been sold, and Robinson recently came into possession of a sauce dish that had been given to his grandmother for a wedding present. The dish that he has shows the seated coins instead of the liberty coins.

Gordon Callahan conducted the business when names of new officers were read for the first time.

The word April comes from aperire, Latin for "to open."

Obituaries

C.C. McClurg

Funeral services for C.C. McClurg of Bridgeport were held March 14 at the First Baptist Church in Bridgeport, with Brother J.I. Clinton officiating. Burial was in Bridgeport Cemetery.

McClurg was a 75-year resident of Wise County and a deacon of the First Baptist Church.

He is survived by one daughter, Linda Garner of Mabank; one son, Clarence E. McClurg of Iowa Park; three grandchildren; and one great-grandson.

Mary Jane Andrews

Services for Mary Jane Andrews, 94, were Monday afternoon at Hampton-Vaughan Funeral Home with Rev. T.L. Wilborn, pastor of the First Assembly of God Church, officiating. Burial was in Crestview

Memorial Park.

She was born Jan. 26, 1891, in Montague County. She was a homemaker and member of the Assembly of God.

She is survived by a daughter, Mildred Drury of Iowa Park; a son, C.R. of Chandler; two grandchildren; five great-grandchildren; and one great-great-grandchild.

Revival planned here next week

The First Assembly of God is hosting a revival to begin at 7 p.m. Sunday and continue nightly through April 5.

Evangelist and Mrs. Max Alley of Tulsa, Okla. will conduct the services. The public is invited to attend.

Floral arrangements Garden Club program

The meeting of the Iowa Park Garden Club Friday morning was highlighted by a program given by Ruanne Morgan.

She demonstrated how to make a single flower corsage and boutonniere and how to best display a single rose in a bud vase by using baby's breath and fern for a background. She gave the members tips for using fresh flowers in arrangements, showed how to wire fresh flowers, and demonstrated how to make bows to compliment an arrangement or corsage.

She concluded the program by making a round arrangement using yellow maxi daisies, daffodils and two different types of fern for filler.

Following the program, Mrs. Vernon Gilbert, president, presided over the business meeting.

Mrs. D.O. James, chaplain, gave the thought for the day. In keeping with the program, she stated that the flowers of tomorrow are in the seeds of today.

Mrs. Frank Gossett gave a report on the care of azaleas. She stated that since the main enemies of the plant are wind, cold and dry weather they are best grown as pot plants in this area.

In other business, Mrs. R.L. Good announced that the Yard of the Month will resume in April. Mrs. Charlie Lee reported on the tree to be planted at Kidwell Elementary School, and Mrs. James reported on changes made in the bylaws.

Mrs. Michael Hodson, chairman of

the annual flower show, stated that the show entitled "Visions of Beauty" would be held April 6 from 10 a.m. until 4 p.m. in the Texas Electric Reddy Room.

Mrs. Gilbert gave a report of the District II Convention held March 13 in Denton where the club received a second place award for the 1984-85 yearbook. In addition to Mrs. Gilbert, Mrs. Marvin Klinkerman and Mrs. Jimmy Gilmore attended from the local club.

Mrs. Lee and Mrs. Gilbert were hostesses for the meeting held in the Texas Electric Reddy Room. Sixteen members attended.

Boulwares home from Venezuela

Mr. and Mrs. Everett Boulware of Iowa Park were visited recently by their son and daughter-in-law, Mr. and Mrs. Mark Boulware and their children, while they were on leave from a two-year assignment in Maracaibo, Venezuela.

The Boulwares are scheduled to spend five months in Washington for training at the Department of State's Foreign Service Institute before going on to their next assignment in Ouagadougou, Burkina Faso in West Africa.

CONNIE KAY HEARD

Receives scholarship

Connie Kay Heard, senior at Midwestern State Univ. and daughter of Mr. and Mrs. Floyd Heard of Iowa Park, was recently awarded the Travis A. White Student Teaching Scholarship.

The award is presented to an elementary student teacher and a secondary student teacher each semester.

During her college career, Miss Heard has also been the recipient of the Akiem Education Scholarship, and been nominated for the Clark Scholar and Outstanding Woman of the Year.

She is a 1982 graduate of Iowa Park High School and will graduate Midwestern in June with a bachelor's degree in elementary education.

Amity members know national monuments

The Amity Study Club met Tuesday evening in the home of Mrs. Randy Brown with Mrs. Robert Mellroy serving as co-hostess. Sixteen members answered roll call with the name of a national monument.

"Americanism" was the title of the program coordinated by Mrs. Lee Hale. She introduced the program by discussing Yellowstone National Park, the first national park so designated in 1872, and the Devil's Tower which was established in 1906.

Mrs. Jim Bob Merrick discussed the Petrified Forest, a natural wonder of the world, telling how the trees were turned into stone.

Mrs. Leo Thames described Mount Rushmore, which was built in the 1930s during the depression. She said that the monument which features the heads of four presidents, Washington, Jefferson, Lincoln and Roosevelt, each 60 feet tall, took 14 years to complete but only six and one-half years of actual work.

Mrs. Joe Ward's topic was the Thomas Jefferson National Memorial dedicated in April 1943. The circular stone figure of the third president was built at a cost of \$3-million.

Mrs. Eddie Worthy described Devil's Postpile in northeastern Calif. She said that the blue-gray six-sided basaltic columns were established in 1911, and that the hard, dark-colored

rock is crystallized lava and splits into columns around 60 feet high.

Mrs. Bob Hamilton told of the San Jose Mission established in San Antonio in 1720, the second one established there. She said that it is located five miles from the Alamo and is often called the "Queen of the Missions."

Mrs. Joe Vickers presented the meditation on "Joy of Spring," taken from Home Life.

Mrs. Randy Brown gave the federation counselor's report, and Mrs. Jerry Denton conducted the business and reported on the recent Santa Rosa District Convention and the awards that the Amity Study Club won.

Cook of the Week

Mrs. Robert Cook, the former Sherry Smith, a busy young homemaker, wife and mother, takes advantage of casserole cookery which enables her to serve nutritious meals to her family. She also likes to prepare foods that can be made a day ahead of time and kept in the refrigerator.

A graduate of Iowa Park High School, she worked as a secretary for Burk Royalty Co. three years after graduation. An active member of the Church of God, she is presently the church secretary, sings solos and in trios. She taught a class in Sunday school many years.

Robert is co-owner of Easy Living Manufactured Homes, manager of Prestige Apartments and a corporate pilot with 12 years experience.

The couple's two daughters are Misty, nine, and Tammy, six. Asked about her hobbies, Sherry said that she does a lot of crocheting, but most of the time is spent taking care of the needs of her family and in her church.

SODA-JELLO CAKE

Bake a white cake mix. When cool, punch holes every two inches with handle of a wooden spoon. Pour prepared Jello and one can of soda pop (any flavor) on top of cake. Put in refrigerator.

ICING

Mix package of instant vanilla pudding with 1 cup milk and bowl of Cool Whip with mixer.

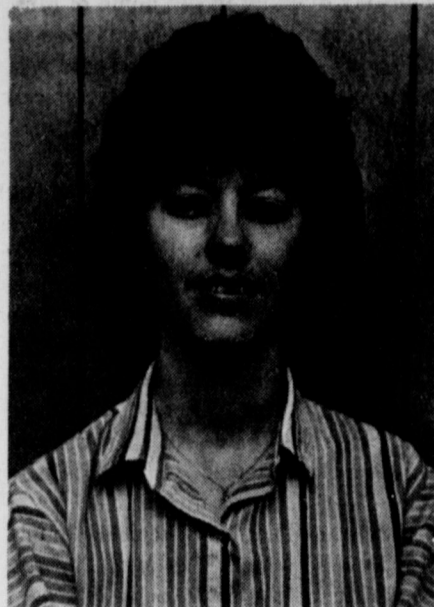

This is especially easy because it can be made a day ahead and kept in the refrigerator.

EASY CHICKEN CASSEROLE

4 boned chicken breasts
3 medium potatoes
5 carrots

1 can green beans
1 onion
2 cans cream of chicken soup

Salt chicken breasts and place in oblong pan. Slice potatoes and carrots in 1/2 inch slices. Then put potatoes, carrots, green beans and onion on chicken breasts. Pour soup over all ingredients (do not dilute soup). Cover pan with foil and place in oven. Bake at 400 degrees an hour and 15 minutes.

Mrs. Robert Cook

FAST FIXIN FRUIT N' CAKE

1 pkg. white cake mix
1/4 cup oil
2 eggs
1/2 cup water

1 can pie filling (any kind)

Preheat oven to 350 degrees. Pour oil into a 13x9x2 inch pan covering the bottom. Put cake mix, eggs and water into pan. Stir with a spoon or fork until blended. Spoon pie filling onto batter and make a marble effect. Bake 35-45 minutes. Cover with powdered sugar.

GREEN BEAN CASSEROLE

2 cans cut green beans, drained
3/4 cup milk

1 can cream of mushroom soup
1/8 tsp. black pepper
1 can French fried onions

Combine beans, milk, soup, pepper and 1/2 can of onions. Spray 1 1/2 qt. casserole with Pam. Pour in bean mixture. Bake uncovered at 350 degrees 30 minutes. Top with remaining onions and bake 5 minutes longer.

BEEF ROLL-UPS

2 cups soft bread crumbs

1/2 cup grated cheese

1/4 cup melted butter

1/2 tsp. salt

6 cube steaks

1 cup brown gravy

Combine bread crumbs, cheese, butter and salt. Top each steak with

mixture. Roll up steak like a jelly roll and fasten with toothpick. Brown in oil; add gravy, cover and simmer 20 minutes. Serve with rice or noodles.

CREAM CHEESE SWIRL BROWNIES

1 pkg. Fudge Brownie Mix

1 pkg. cream cheese, softened

2 tbsps butter or margarine, softened

1/4 cup sugar

1 tbsps flour

1/2 tsp vanilla

1 egg

Heat oven to 350 degrees. Grease oblong pan, 13x9x2 inches. Prepare Brownies as directed, except spread 3/4 of the dough in pan. Beat cream cheese and butter in small mixer bowl on medium speed until fluffy, beat in sugar gradually; beat in remaining ingredients until smooth. Spread over dough in pan. Drop remaining by tablespoons onto cream cheese mixture; swirl lightly with spatula for marble effect. Bake 35 to 40 minutes. Cool. Cut into 1 1/2 inch squares

Wineinger, Key vows exchanged

Mr. and Mrs. Murray Leffingwell are announcing the marriage of their daughter, Cathy Jean Wineinger of Iowa Park, to George Norman Key of Guthrie, at a ceremony held Saturday evening in Iowa Park.

Rev. Bennie Compton performed the ceremony.

The bride wore a dove gray, waltz length dress and carried a bouquet of white sweetheart roses tipped in mauve and surrounded by baby's breath and white carnations.

The couple was attended by Desiree Jacobson and George Key, Sr.

A reception was held shortly after the ceremony.

The bride is a graduate of Hirsch High School and is employed at the Wichita Falls State Hospital. The groom is a graduate of Guthrie High

School and is employed at Dresser Atlas of Wichita Falls.

The couple plans to establish residence in Iowa Park.

SHAWN PRICE IS SAFE ON BASE WHEN FIRST BASEMAN MISSES BALL ... AND GETS RBI in first inning Saturday against Rider.

INPK RELAYS

Boys fourth, girls eighth

The Hawks placed fourth in their division Saturday at Graham's Possum Kingdom Relays, and the Hawkettes placed eighth.

This Saturday, the varsity and junior varsity boys' teams will compete at Olney, but the girls will have the week off.

Vernon won both the boys' and girls' divisions at the PK.

The Lions had 131 points, followed by Breckenridge 111, Munday 70½, Iowa Park 58¼, Graham 50¼, Seymour 50, Olney 30, Cedar Hill 8 and Decatur 4.

Vernon's girls had 165½ points, Breckenridge 133, Olney 68, Decatur 45, Graham 42, Aledo 38½, Seymour 25½, Iowa Park 21 and Jacksboro 20.

Some athletes on both Iowa Park teams missed the competition because of spring break vacations. In other cases, several made it to the meet, but hadn't practiced all week due to vacations.

Charles Perry provided the Hawks with their only gold medal, winning the discus with a 159-2 toss. He also placed second in the shot put, 50-0½.

Bret Hale placed third in both distance events, being timed in

4:57.05 in the 1600 meters and 10:28.70 in the 3200 meters.

Phillip Davis ran a 16.12 in the high hurdles for second place; Scott Weaver was third in the long jump, 20-6; David Meissner fourth in the high hurdles; Stephen Bidy fifth in the high jump, and the mile relay

team placed fourth after being clocked at 3:35, five seconds under the previous week.

Heading the Hawkettes in scoring was Lori Allen, who won the shot put with a heave of 32-2. Cindy Clanton placed third in the high jump, clearing the bar at 5-foot even.

Tight strike zone costs Hawks opener

If the umpire tightened the strike zone in the sixth inning, as Hawk Coach Daryl Frazier says, it cost Iowa Park their district baseball opener Tuesday at Vernon.

Frazier said the strike zone was tightened that one inning, and relaxed in the seventh.

The Hawks led 12-5 going into the sixth, but only 12-10 when it was over, and the host Lions rallied in the seventh to pull it out 13-12.

Senior hurler Van Hedrick relieved

Robert Adams after innings and the Hawks leading 7-5. He hadn't given up a score and only two hits through the next two frames.

But in the sixth, he walked six batters, gave up two hits and had two outs before Ray Sefcik was sent in to relieve him. Three of the five scores that inning were walk-forced.

Sefcik went in with a 12-10 lead and the bases loaded, and got the batter to ground out.

The top of the Hawks' batting order was up in the seventh inning, but was retired with one left on base and no score.

Vernon won the game when the first batter walked, the second was safe on an error, the third batter beat out a throw and scored the first batter, the fourth batter singled for an RBI and then scored on another poor throw when the sixth man got a hit.

Iowa Park out-hit Vernon 13-9. The loss followed an outstanding 7-2 win over Rider High Saturday in Wichita Falls. In that game, freshman pitcher Craig Rickman went the distance, giving up only three hits and four walks.

Iowa Park is now 4-4 on the season. Though 0-1 in district, the season is split into two halves, like basketball, and no team is out of the playoff picture until the second half is over.

NEXT GAME CHANGED

Saturday's game against Springtown has been changed to Friday. It will begin here at 4 p.m.

The Hawks travel to Bridgeport Tuesday, for another 4 o'clock start.

Iowa Parkan places third in nationals

Bobby Weston placed third in a national contest for three-wheel altered cycles over the weekend in Oklahoma City.

Qualifications were Saturday and finals Sunday in the 250 cc modified masters event.

Joey Bates all-region

Senior Hawk forward Joey Bates is adding more laurels to his outstanding basketball career.

Already a first-team all-district selection, the leading scorer of the Dist. 5-AAA champions was notified last week he had been named to the second team all-region team by vote of coaches in Region One.

Parker, Bergman wedding vows are exchanged here Friday

Miss Susan Carole Parker wore a beautiful wedding gown that will always be a special memory of her wedding day, when she met Stanley Marcus Bergman Friday evening at the altar of the First Baptist Church in Holliday to become his bride.

The gown, made by her mother, was fashioned of white matte taffeta and Chantilly lace. The lace bodice that extended into a waistline peplum featured a Victorian neckline adorned with pearls and glass beads and covered buttons in the back. The Juliet taffeta sleeves added a touch of special interest to the gown with their accents of lace inserts, pearls, beads and covered buttons at the wrists.

The full taffeta skirt that flowed into a long train was edged with a deep ruffle and fell from beneath a taffeta waistline sash with a nostalgic bustle-type bow in the back.

The grace of the gown was reflected in her floor length illusion veil with blusher that cascaded from a half wreath of white roses and baby's breath on the back of her head. Her complimentary bouquet, carried on her mother's lace-covered Bible, was a cascade of white roses, lilies of the valley and greenery accented with a scattering of blue roses.

The bride carried a lace handkerchief that had belonged to her late great-grandmother, Mrs. A.E. Randall of Sherman, to keep the "something old" tradition. She completed the rhyme by wearing her sister's earrings for "something borrowed," her dress for "something new" and a garter for "something blue."

MRS. STANLEY BERGMAN

Members of the wedding party entered the church to stand in the altar space illuminated by candles aflame in two brass spiral candelabra and a large brass fan candelabra, each piece decorated with greenery and white bows. Candles burned in the windows to provide soft lighting in the sanctuary, and pews for the mothers were marked with hurricane lanterns.

A program of piano prelude music was presented by Miss Beth Parker, sister of the bride. She played Rachmaninoff's "Rhapsody in Blue by Paganini," John Barry's "Theme

from Somewhere in Time," and Charles King's "The Hawaiian Wedding Song." Mrs. Rodney Moore, organist, played the wedding processional and recessional.

The bride was attended by her three sisters, Mrs. Loyd Ashley of Holliday, Mrs. Richard Arnold of Altus, Okla. and Miss Beth Parker of Holliday. They wore modish floor length gowns of silver blue polyester crepe delicately designed with blue lace bodices and short sleeves and blue ribbon at the waistlines.

They wore blue roses, baby's breath and pearls fashioned into sprays in their hair and carried harmonizing bouquets consisting of two shades of blue roses and baby's breath.

Hillary Ashley served as flower girl in her aunt's wedding. Her dress was of the same blue crepe and lace in the bridesmaids' gowns modified for age with lots of ruffles on the bodice and floor length skirt. She carried a white basket trimmed with flowers and ribbons and wore flowers in her hair.

The groom, ring bearer, masculine members of the wedding party, and fathers wore black tuxedos with cummerbunds, white shirts and black ties.

Jason Beesinger was the ring bearer and John Horton of Broken Arrow, Okla. was the best man. The groomsmen were Jerry Webster of Pryor, Okla., and John Stryker of Wichita Falls. Duties of ushering were handled by DeWayne Welborn

of Tulsa, Okla. and Riley Buchanan of Oklahoma City.

Mrs. Parker wore a grey crepe dress and Mrs. Bergman wore a pink chiffon dress for their children's wedding, each wearing a corsage of silver blue roses for a complimentary accent.

The bride's parents honored the newlyweds at a reception at the church following the wedding. They were assisted with duties of serving by Mmes. Jodie Bennett, Joe Leary, Tommy Johnson, Miss Kathy Welch and Miss Cookie Ezzell. Miss Bobette BeeSinger presided at the wedding book.

Members of the houseparty were Mmes. Robert Simmons, Jake Cottrell, Ben Ezzell, Irvin Smith and Alvin Parrish.

The reception room was decorated with white bells, streamers and plants.

All features of the bride's table, where the cake clearly dominated the decorations, combined to make it a thing of beauty in the setting. It was gracefully draped to the floor with white lace trimmed swags of white net accented with bows and greenery.

The three-tiered cake featured bride and groom figurines standing between the second and third tiers separated with pillars. A bouquet of flowers on top cascaded down one side to the first tier to make the decorative pattern especially attractive. The crystal appointments on the table included candelabra holding

blue candles and the punch service.

The groom's table was covered with a silver blue cloth. It held a chocolate cake trimmed with chocolate roses and the lettering "Best Wishes, Stanley and Susan."

The center of interest on the table where guests registered was a crystal basket that had belonged to the bride's great-grandmother holding a blue and white flower arrangement. The wedding book and plume pen completed the decorations.

The rehearsal dinner was given by the groom's parents at K-Bob's Steak House.

When the bride and groom left for a Hawaiian Cruise wedding trip, she was wearing a blue and grey spring cotton dress with white accessories. They will live in Wichita Falls when they return. She was graduated from Holliday High School and is working

as a secretary at the Wichita Falls Clinic. He was graduated from Pryor, Okla. High School, Oklahoma State Univ. and is employed as a pharmaceutical representative for Glaxo.

Special wedding guests were Mrs. Monnie Bradford of Pryor, Okla., grandmother of the groom, and Mr. and Mrs. W.R. Patrick of Wichita Falls, grandparents of the bride.

In addition to the groom's parents and wedding participants from out-of-town, others included Messrs. and Mmes. Joe Arric, Jerry Dennis and Kent Bergman, all of Pryor, Okla. Mrs. Augusta Randall of Fort Worth, Mrs. Elva Brown of Garland, Mrs. Jean Baugh of Midwest City, Okla., Mr. and Mrs. Vollie Randall of Sherman, Mr. and Mrs. John Rodgers, Midwest City, Okla., and Dale Bradford, Old Ocean, Tex.

Tips On Dental Health

RICHARD CARVER, D.D.S.

TORI

Tori are bony bumps or projections from the sides of the gums, or they may be found at the center of the roof of the mouth.

Many times the patient has had these for years and never noticed - then one day when they see them they become excited and think they probably have a cancer. Tori are not cancerous or malignant tumors. They are similar to a knot on a log and made up of very hard white bone. The gum tissue is very thin when stretched over the tori and usually appears whitish and hard.

Tori may be very small or very large. Sometimes they project toward the tongue at the front of the lower jaw and can actually touch each other. Sometimes they hang down from the roof of the mouth and can interfere with speech.

Tori are easy to abrade or skin and many people have trouble when they eat hard things like tortilla or potato chips. If they are too large the tori must be removed in order for the patient to wear dentures.

If you check your mouth and find a swelling that is softened or whitish colored and perhaps ulcerated-see your dentist - it's not a tori.

Prepared in the interest of better dental health. RICHARD CARVER D.D.S., Phone 592-5141.

Information about your changing telephone service from Dan Adams, Manager-Community Relations

Contest set for Texas directory cover

How would you like to see your painting on nine million telephone books in Texas?

Now's your chance. Southwestern Bell Telephone is sponsoring a statewide contest to select a painting for use on its directory covers during 1986.

The painting should depict in some way the Texas Sesquicentennial. It might portray significant events or sites in the state's history. It may even include faces of Texas' heroes. You are only limited by your imagination.

In announcing the contest, our Texas Division president, Jim Adams, summed it up this way: "Southwestern Bell has played an active role in the state's history and its growth. It just seemed like a natural for us to be involved in celebrating the Sesquicentennial."

Texas roots go back to 1880s

"We're a Texas company with roots going back to the 1880s. You might say we have grown up together. That partnership continues today. Our 34,000 employees are involved on-and-off-the-job in serving 4½ million Texans in more than 450 communities."

A purchase award of \$5,000 will be paid to the artist whose painting is selected. In addition, the artist will be identified in every phone book which carries the covers. That's about 160 directories with a distribution of almost nine million copies.

Deadline for contest entries is July 1, 1985. No actual paintings are to be submitted. All initial judging will be done from color slides of the artwork.

The contest is open to all Texas residents with the exception of employees and families of Southwestern Bell Corporation and its subsidiaries. School children, college-age students, professional artists and amateurs alike are encouraged to enter.

No restrictions on artist's medium

There's no restriction on the medium the artists uses — it can be oils, acrylics, water colors, tempera, even crayon. That should make it easy for anyone to enter.

An entry form and contest rules may be obtained by writing to:

Art Contest
One Bell Plaza
Post Office Box 225521
Dallas, Texas 75265.

Send today for all the information. And remember, the contest ends July 1. Good luck!

Look for information in your local newspaper about our Tele-Help booklets. There are five new booklets available at no charge by calling this toll free number: 800-325-2686, extension 86.

Topics for the new booklets were suggested by customers and employees. They include information on: establishing local telephone service ... using the telephone to make your home more secure ... handling annoying phone calls ... choosing among local service options ... and, installing home telephone wiring.

The company's Tele-Help program was launched last year to help customers cope with the changes caused by divestiture. To date, almost 2 million booklets have been distributed to Texas customers.

Mostly we've heard positive comments about the program. Customers tell us they want as much information as possible about the changes, especially those which touch their service. That's the reason we're extending the program through the end of this year.

If you're confused about our services or some of the industry changes, chances are we have a booklet that will help. Call today and find out.

HOLLIDAY EMERGENCY volunteers extract Mrs. James Tubbs from the wreckage of her car in preparation for transporting her in Holliday's ambulance to Wichita General Hospital. She reportedly received multiple bone fractures when her car failed to stop at Cook's Corner, FM 368 and 258, shortly after noon Friday and ran into a heavily-loaded truck belonging to Kamay Electric and driven by Tim Ewing. To the side, Mrs. Marie Cravens comforts two-year-old Diana Ruth Weeks, Mrs. Tubbs' niece and only passenger in the car. Her injuries were limited to a cut mouth and small knot on the head. Mrs. Tubbs was cited by the Department of Public Safety for running a stop sign and understrain child under four, a new law.

Finnell in seminar

After completing lengthy work as a member of the House Appropriations Committee, Rep. Charles Finnell will participate today in a Harvard University study entitled, "Policy Implications for the Future of Oil and Gas" in Houston. A participant in the Harvard Study on the Future of Natural Gas Policy in Cambridge, Mass. last October, Finnell moved that the next meeting be held in Texas and that Texas Railroad Commissioner Jim Nugent be designated moderator. Nugent will preside over panels which focus on international and domestic oil and gas.

A gubernatorial appointee to the Interstate Oil Compact Commission, Finnell serves the 80th House District, a significant oil and gas producing region of Texas.

PUBLIC NOTICE

ADVERTISEMENT FOR GRANT CONSULTANT PROPOSAL

The City of Iowa Park is requesting proposals from grant and management consulting firms to prepare an application for a community development grant under the 1985 Community Development Program funded by the Texas Department of Community Affairs and to assist the city in administration of the program should the grant application be approved for funding. Selection will be based upon the firm's previous experience under the Community Development Program, previous experience with the City, and knowledge of the City's operation and needs. Interested consultants should submit a proposed agreement to provide such services to the City Secretary prior to 5:00 p.m., April 5, 1985 along with a list of cities for which the consultant has obtained and administered such grants in the past. The City reserves the right to reject any or all proposed agreements.

Fund established for ailing baby

Friends and Iowa Park residents are being asked to donate to a fund to help defray medical expenses of the two-month-old son of Bruce and Sherry Smith.

An account has been set up "Cathy Price for B.J. Smith Fund" at State National Bank.

Bruce Justin "B.J." Smith was rushed Mar. 17 to Wichita General Hospital with an apparent lung ailment. The boy was transferred the following day to Fort Worth

Children's Hospital after one of his lungs collapsed, and it was there determined he also had a congenital heart condition.

The baby is listed in stable condition following open heart and lung surgery last Thursday to repair an artery, according to reports.

The parents have no medical insurance on the baby, which is the reason for the fund being established.

Look who's new

A son, Marvin Deemes, was born March 15 to Mr. and Mrs. Marvin Deemes Cogdell III at Wichita General Hospital. He weighed nine pounds and 10 ounces and is their fourth child.

Grandparents of the baby are Mr. and Mrs. Blackie Cogdell of Iowa Park and Mr. and Mrs. John Kent of Wichita Falls.
