## Food bank cabinet runs dry

"When Pres. Reagan started the commodity distribution program a few years ago, to cut down on the surplus milk products the government was storing, he did it well," commented a local food bank worker.

"It's (primarily cheese) apparently all gone, except for what will be used in the schools," added Marilyn Andersen.

The Iowa Park Ministerial Alliance started the local food bank some four years ago, but this month had nothing for distribution.

And it appears the food bank, at least on the local level, is out of business.

Mrs. Andersen said local volun-

teers will not be asked to work in the future, unless the USDA has at least three food items for distribution.

There were some commodities passed out at the food bank last month in Wichita Falls, but none was available for local distribution, she said.

And if the local food bank does not function in the future, recipients will still be eligible to receive whatever is distributed in the neighboring city, she emphasized.

Churches providing volunteers to man the local food bank included First Baptist Church, Faith Baptist Church, First United Methodist Church, First Presbyterian Church, Christ the King Catholic Church,

First Christian Church and Lakeview Church of God.

Normally, four or five men would be required to unload a shipment of commodities delivered here, and as many as eight women worked with recipients.

When the food bank began working a little more than four years ago, about 47 families were served each month.

But that was during the oil boom, when jobs were plentiful. The past couple of years, 300 or more families were served on commodity distribution day. And just prior to Christmas, 350 families picked up commodities, Mrs. Andersen said.

## City to tackle water distribution problems

A major move toward correcting water distribution problems in the city will be considered Monday night when the city council meets.

Two items on the agenda, to be taken up at 7 p.m. in council chambers, are authorizing the city administrator to advertise for bids to construct a new water tower or move the tower at Lake Gordon, and advertise for bids for the renovation of the Buffalo Lake pump station.

Estimated cost of the two projects is \$350,000, according to James Barrington, city administrator.

City leaders have been aware of the water distribution problems the past few years, but have awaited an engineering study of how best to correct them.

The major problem is the fact that when the overhead tower on Johnson Road was constructed, its elevation is higher than the other two existing towers.

Because of the automated system of refilling the towers is activated only by the one on Johnson Road, due to its height, no water is ever used from the other towers, the engineer explained, rendering them both useless as they stand.

The water that reaches all houses north of the expressway never reaches the tower, aldermen were told, but is pumped directly into the line northward from ground storage. That is the cause of low pressures residents experience in that area.

A location along Johnson, north of the expressway, is where a new or relocated tower would be placed, the engineer proposed.

A renovation of the pump station at Lake Buffalo would improve flow to the water treatment plant, aldermen were told. Eventually, another similar project would be considered at Lake Iowa Park.

Three other topics are on the agenda concerning bid action.

One would authorize the city

## Seven arrests reported

Iowa Park Police arrested three drivers within a nine-hour period Friday for the same offense, "driving while license suspended."

Chief Allan Sheffield explained there was no particular effort to make the arrests, rather it was just an unusual chain of events.

Arrested were David West, 30, on West Highway at 4:07 p.m.; Jose Angel Guillen, 27, at Bell and East Highway at 11:08 p.m., and Bobby Ray Wade, 26, at 1:54 a.m. at Bell Road and US 287.

All three were transported to county jail following the arrests.

Larry Harris, 38, turned himself in at the police station at 3:09 p.m. Wednesday of last week and was charged with indecency with child.

The case was referred to police by the Child Protective Service in Wichita Falls. Harris was transported to county jail.

Three persons were arrested at 11:46 p.m. Monday sitting in a pickup at Colorado and Crystal, and charged with minor in possession, according to the police blotter.

Released after posting bonds were Tracy Dean Young, 20, Ronald Edward Patterson, 20, and Kelly Ann Dwire, 17.

## Iowa Park's parks plentiful, adequate

By KARI COLLINS

Putting the "Parks Back In Iowa Park" has never been an option here. We've never had a fund-raiser or a "ParksFest." Instead we've had, in the 100 years Iowa Park has been in existence, an abundance of parks.

When General Dodge, David C. Kolp and Andrew Kolp, originally from Iowa, began promoting the early-day town, they had envisioned it with many parks, hence the name Iowa Park.

The original platt of Iowa Park had eight parks planned, many of which never came into existence, but Iowa Park has lived up to its namesake.

Today, Iowa Park has eight parks in the city limits in which children can play, families can picnic and anyone can play most any sport of his choice. The parks are located in various locations in the city, making them accessible to anyone living here.

There are also parks and lakes outside Iowa Park's city limits which are easily accessible to residents.

For those who say there is nothing to do in this town - think again. Parks aside, Iowa Park also boasts organized sports fields, unorganized sports fields, a public swimming pool, tennis courts, public picnic areas with grills, fishing, boating, trap shooting, a jogging trail, an outdoor fitness center and some hunting acreage.

**PACE PARK** - Located in the

600 block of West Clara, this park has available to the public various playground equipment, a picnic table and barbecue grill, and a basketball court. Tennis courts currently sit to the east of the park, but plans are being made by the Knights of Columbus to remove the dilapidated courts and replace them with a public pavillion.

**OSCAR PARK, GORDON LAKE** - Located in northeast part of the town, this public park and lake offers picnicking in both sheltered and unsheltered areas, barbecue grills, playground equipment, bank fishing, a basketball court, sports field, a jogging trail and fitness center. Boating is allowed on the lake, but only those with non-combustible engine, such as a trolling motor. No swimming is allowed.

**MURPHREE PARK** - This park, located on North Bond, offers picnic shelters and tables and playground equipment.

**CITY PARK** - This park, located behind Iowa Park City Hall on East Cash, is primarily used for the city-planned series of "Summer in the Park," a summer-long agenda of a variety of planned activities and programs. The park has a picnic shelter and table, a pavillion, a restroom and park benches.

**FOLEY PARK** - This park, with picnic tables, barbecue grills, playground equipment, a basketball court, a sports field and a practice field, is located in the 700 block of Park Plaza.

**CRAWFORD PARK** - Located on West Highway, this park is equipped with playground equipment and a lot of room to play.

**ROTARY PARK** - Those using this park on East Diamond will find a pavillion with two picnic tables,

playground equipment, a basketball court, sports field and a practice field. **HOPE PARK** - On Valley Drive, playground equipment and a basketball court is available. Residents in this area, along with the Iowa Park Optimist Club and the City of Iowa Park recently installed the basketball court.

**LAKE IOWA PARK** - This lake is located two miles northwest of Iowa Park and has a developing park, Hammonds Park, named for the late city councilman George Hammonds. A pavillion is being built here as a joint effort of the Iowa Park Trap Club and the Wichita County Young Farmers. The Iowa Park Trap Club, just inside the entrance to the lake, has set up a shooting range. Those spending the day at Lake Iowa Park will find available to them bank fishing, boating, swimming and picnic tables. There is also 95 acres approved for bird hunting in season, with shotguns and bird shot only.

**LAKE BUFFALO** - With 1,500 acres of water, this lake is five miles northwest of Iowa Park. Swimming, bank fishing and boating are allowed here and 1,467 acres of land have been approved for bird hunting in season, with shotguns and birdshot only.

**BURNETT PARK** - Located off FM 368 on the Wichita River, this park offers picnic tables and bank fishing.

**BRADFORD AND KIDWELL ELEMENTARY SCHOOLS** - Both schools have playgrounds with various playground equipment, available to the public after school hours and during the summer.

**SWIMMING** - The Bicentennial Swimming Pool is a public pool located at the high school. It is open

## Keahey, Cowley exchange vows Saturday

Miss Carol Elaine Keahey became the bride of James Brice Cowley during a candlelight ceremony Saturday afternoon at the Emory United Methodist Church. Rev. Michael R. Proctor officiated the double-ring ceremony.

The new Mrs. Cowley is the daughter of Mr. and Mrs. Dellas Keahey of Colfax. The bridegroom is the son of Mr. and Mrs. Harold Cowley of Bogata.

Vows were repeated before a graceful brass fifteen-branch candelabras holding burning white tapers and highlighted with sprays of greenery and mauve and blue satin bows.

A point of interest above the altar was a wreath of greenery upon which two white doves were perched. The wreath was accented by a blue and mauve bow with mauve and white streamers. Matching bows designated pews marked for family seating, and accented the garland-draped altar rail.

Mrs. Horace Click, organist, played the traditional wedding march and soloist Bruce Minchey offered "Only God Could Love You More" and "Savior, Like a Shepherd Lead Us."

The bride was escorted to the altar by her father and given in marriage by her parents. She was radiant in a formal gown of white bridal taffeta highlighted with a sweetheart neckline, and a bodice adorned with imported French lace and pearls and crystals. The double-puffed sleeves were accented with an elegant fabric rose. The full skirt flowed into a chapel-length train with

a deep border of French lace beaded with clusters and swirls of seed pearls and crystals. Her headpiece was a matching tiara with pearls and crystals securing the fingertip-length illusion veil.

She carried a white Bible topped with a bouquet of mauve, blue and white roses.

Elaine Proctor of Emory served the bride as matron of honor. Bridesmaids were Debra Rutledge of College Station and Anita King of Arlington.

The attendants wore tea-length, cornflower blue amourette taffeta dresses with scooped necklines and puffed bell sleeves. The set-in waistlines, attached to full gathered skirts, had pleated cummerbunds with four-button closures in back.

Each carried a nosegay bouquet of blue, mauve and white flowers with flowing streamers.

Myron Malone of Greenville served as best man to the groom. Groomsmen were Ken Fisher of Irving and Marion Houff of Terrell.

Michael Horn of Sulphur Springs, cousin of the groom, Mark Keahey of Greenville, brother of the bride, and Joe Christian of Irving were ushers. Keahey and Horn were candlelighters.

The groom was attired in an all-white tuxedo and wore a mauve and white rosebud boutonniere.

Groomsmen and ushers wore silver shadow gray tuxedos with blue bow ties, cummerbunds and mauve boutonniere.

Mother of the bride chose a street-length blouson mauve dress with a lace collar. Mrs. Cowley selected a slate blue street-length dress with lace trim.

The bride's parents hosted the reception held in the fellowship hall of the church following the wedding.

The bride's table, attended by Rhonda Thomas of Emory and Susan West of Lindale, featured a four-tiered wedding cake. The table was covered with white lace over blue tablecloth.

White lace over blue covered the groom's table which held the groom's chocolate cake, monogrammed with his initials. Focal point of the table was a miniature bride and groom dressed in crocheted bridal attire. The piece was made by Louella Rawson, great-grandmother of the groom, and given to the groom's parents at their wedding in 1954.

A rehearsal dinner was hosted by the groom's parents the evening before the wedding at Knights Head Inn in Sulphur Springs.

The bride is a graduate of Van High School and East Texas State Univ., and is employed by Rains Independent School District.

Cowley is a graduate of Iowa Park High School and East Texas State Univ., and is employed by Lone Oak Independent School District.

After a wedding trip to the Smokey Mountains, the couple will make their home in Sulphur Springs.

**Apple seeding parable used**

Seventeen members of the Night BW of First Baptist Church attended a meeting Monday at the church. The hostesses were Mmes. H.E. Cummings and Elmer Singleton.

Mrs. Riley Thompson directed the program taken from Royal Service titled "Start With One Seed," based on the parable of the sower in the New Testament.

She used a basket of apples and a picture of a large apple tree in the interest center emphasizing the thought that "Only God knows the apples in one seed." The program showed how the seed of the gospel when carefully planted can result in the salvation of many souls.

She was assisted by Mmes. Sam Hill, W.F. Booher, J.A. Berg, J.T. Parker and Roy Smith, who represented women who planted seed in five diversified gardens.

These were in a prison in Indianapolis, Inc.; "hub and wheel" concept in Corpus Christi; New Orleans waterfront; the "envelope please," a letter-writing ministry in Birmingham, Ala., and 911 work with police department in Anchorage, Alaska.

Mrs. Thompson pinned the participants with apple-shaped name tags and gave each a fresh apple after giving her part.

Mrs. V.I. Woodfin conducted the business meeting preceding the program when members voted to furnish home baked cookies for the Vacation Bible School. Mrs. E.T. Patterson led the period of prayer for missionaries on the birthday calendar for the day.

MRS. JOE VAN WINKLE

**Taylor, Van Winkle wed in recent ceremony**

Miss Tracy Lee Taylor and Joe Michael Van Winkle were married May 21 at the Tom Burnett Memorial Library. Justice of the Peace Bill Robinson officiated.

Parents of the bride are Mr. and Mrs. Darrell Taylor of Iowa Park. The groom is the son of Jimmy Van Winkle of Olney and Jo Ann Davis of Royce City.

Miss Terry Taylor was maid of honor for her sister and best man was Randy Van Winkle, brother of the groom.

Music during the service was provided by Miss Cindy Harper.

The bride's parents were hosts for the reception following the service. Bryan Taylor passed out rice bags to the guests before the bride and groom departed.

The new Mrs. Van Winkle is a graduate of Iowa Park High School and attends Midwestern State Univ. She is employed by United Supermarkets. The groom attended Coppell High School and is employed by Production Equipment. They will make their home in Iowa Park.

# As I See It... By BOB HAMILTON

These people who run all those "sweepstakes" promotions know full well about human nature and a desire to get something for nothing.

I think it's called greed. As far as the promoter's concerned, it's purely a numbers game. The more people they contact, the more they get to participate.

And to hold down their costs, they use computers to scan mailing lists in order to reach as many as possible, at the lowest possible cost.

But, being aware less and less mail addressed to "Occupant" is being opened, they want to "personalize" it these days.

In the past, we've received mail addressed to "Ms. Iowa" and "Ms. Park" and even "Ms. I.P. Leader." More recently, we were informed "Iowa Inc." was a winner.

"If the certificate below is returned as the grand prize winning entry IOWA SHALL BE PAID ONE MILLION DOLLARS!"

There's more: "If the certificate below is returned as the grand prize winning entry before July 30, 1988 IOWA'S MILLION DOLLARS WILL BE DOUBLED TO TWO MILLION DOLLARS!"

"This is to certify that Iowa now residing at Iowa Park Leader in the town of Iowa Park has been issued SIX (6) Personal Prize Claim Numbers in the Double Your Million Sweepstakes and that no one else has any of the IOWA Prize Claim Numbers. If one of the IOWA numbers appearing on the Free Gift & Entry Certificate below is returned as the grand prize winning number...."

And they like to throw in catch words like "guaranteed TWO MILLION DOLLARS"

Former Leader editor Lewis Simmons, now editing the paper at Henrietta, recently wrote about one such guarantee, a woman there was notified she was a "first round" prize money winner in a sweepstakes. Her prize was FORTY (40) CENTS.

A few years ago, while on an outing at Possum Kingdom Lake, Rusty Spruiell proudly exhibited and demonstrated his "guaranteed" fishing boat he had received in a similar promotion.

It was an extremely cheap rubber craft that could hold two people, providing one was small and you didn't have any fishing gear with you.

It was also a "power" boat, meaning two even cheaper plastic paddles were provided.

I've seen some of these "prize" cameras companies have given to "winners," and they also were dandies: plastic lenses, plastic bodies and a "genuine" nylon wrist strap.

I suggest any promotions you might receive, be it sweepstakes or lakeside developments, whathaveyou, just treat it as a joke and toss it into the trash after you've had your laugh.

But if you want to be greedy, bite the hook and be disappointed. Then you'll know what a fish feels like.

# Trustees meet tonight

The first of two Iowa Park school board of trustee meetings this month will be held at 7:30 p.m. this evening in the administration building.

Another meeting later in the month will be basically to work on the 1988-89 budget, according to Supt. Glen Mitchell.

One of this evening's topics will be to appoint Robert Palmer, assistant superintendent, to set prices on items the school will offer in a "garage sale" June 18 at the Valley View campus.

Excess items stored at the Valley View school including student desks, library books and shelves will be on display for sale in the school parking lot, starting at 9 a.m. on that date.

A public hearing will be held at tonight's meeting on expenditures of Chapter Two funds next year, a requirement of the federal government.

Trustees will hear a report on the Texas Education Assessment of Min-

imum Skills tests administered last year, and accept or reject bids to repair roof damage sustained in the March 1 hail storm.

The meeting agenda, under the topic of "personnel," will be asked to accept resignations and employ new personnel.

A presentation of the board's special recognition awards to students who have competed in state-level competition will be made.

Besides consideration of two board policies concerning changes in physical examination requirements and extended sick leave, Supt. Mitchell will report on classroom construction at Bradford Elementary; Valley View facilities; high school cafeteria; effective schools plan and board basics, according to the agenda.

administrator to enter into a contract for the construction and installation of a sewer lift station and eight-inch gravity flow sewer line west of the city.

Another would authorize the administrator to enter into a contract for repairs to roofs of city buildings damaged by the March 1 hailstorm.

The third is to authorize the administrator to advertise for proposals for construction of a liner for the landfill.

Two personal appearances are on the meeting's agenda: Mike Grubbs regarding a "Crop Walk," and Deryl James requesting a water tap at his car lot at Fourth and West Highway.

An ordinance adopting a police mutual aid agreement will be considered by the council, and a resolution thanking Jesse McCullough for use of his home at Lake Kickapoo for the council's goal-setting workshop will be presented.

Also to be considered by the council will be plans for the Chamber of Commerce office building and the Little League senior league ball-field.

# Mahler moves to Fort Worth

A new institution in Fort Worth called Botanical Research Institute of Texas, Inc., is directed by Iowa Park native William F. Mahler, Ph.D.

The Institute has been moved from Southern Methodist Univ. to Fort Worth, and Mahler, as herb-arium curator, with it.

Mahler is the son of Mr. and Mrs. Herman Mahler and a 1947 graduate of W.F. George High School.

He has been the curator since 1971, and has been an assistant or associate professor at SMU since 1968.

Mahler, 58, received his Bach-

elor of Science degree in agriculture from Midwestern State Univ. in 1955, after serving three years in the U.S. Army.

He earned his Masters' in botany from Oklahoma State Univ. in 1960 and his Ph.D., also in botany, in 1968 from the Univ. of Tennessee.

He was an assistant professor at Hardin-Simmons Univ. 1960-66.

Mahler has authored 10 books and 35 articles, including "Shinner's Manual of the North Central Texas Flora."

Mahler and his wife, Lorene, have two children, Brenda and Shawn, both of whom are married.

# Worth Quoting

Frank Lorenzo  
President  
Texas Air Holding Co.  
Houston, Texas:

Dear Mr. Lorenzo:

Let us suggest a bold move for your company's operation of Continental and Eastern Airlines.

Why not go Northwest Airlines, who stopped smoking on all flights, one better. Why not install on all your airlines the ultimate step -- the first all pollution free, antiseptically clean, fully sanitized commercial flight.

It's the next logical step for any airline concerned with pollution of air aboard commercial flights.

Simply stop smoking aboard a flight is a halfway measure. Outlawing perfume, hair spray, deodorants, after shave lotion, cosmetics, chlor-septic mints, and chewing gum is not enough.

Why not carry this ban against smoking to its ultimate conclusion -- a complete antiseptic atmosphere aboard every airplane.

You could have all passengers arrive an extra thirty minutes early, check their luggage and provide each passenger with a handy plastic bag, and shunt all passengers into the shower area.

They could leave their clothes on this side of the shower room, enter the fumigated room and receive a generous dose of antiseptic spray.

Passengers then could shower and inspectors could make sure that all hair spray, cosmetics, perfume, and other nose-sensitive odors were completely washed away.

Then each could be handed a sterile surgical gown complete with surgical cap and sterile booties to go over previously cleaned shoes. No pockets allowed.

All passengers could board the plane wearing only sterile surgical gowns, gloves, caps, and shoes. Clothes bags could be stored in the regular luggage area.

Once aboard, passengers would be prohibited from coughing, sneez-

ing, snoring, or talking. Talking could spread germs not killed by the overhead, blue, sanitized and sterilizing lamps over each passenger seat.

No alcohol, beverages or food would be served since the odors arriving therefrom might trigger allergies on the part of some passengers.

No briefcases, magazines, newspapers, or other reading material would be allowed since all carry inks that might contaminate sensitive skin.

Movies would be taboo since some passengers might take offense at either the language or the flickering of the picture.

Finally, if passengers found such restrictions bothersome, perhaps a calming Valium might be given all passengers in order to introduce a comatose state while the plane is in the air.

We realize its a bold and drastic step for any airline. Perhaps it might be wise, before installing such an antiseptic measure, you might want to have several trial runs.

You might want to select your passengers for those test runs. Perhaps you could invite members of the Sierra Club, the officials of the Environmental Protection Agency, those non-smoking members of Congress, and all employees of the Federal Aviation Agency.

If those first passengers love the test runs, then the process could be installed on all your planes.

The only drawback to this proposal is the knee-jerk reaction by some competitor.

A competing airline might throw caution and sensitivity to the wind and advertise flights that permit drinking, reading, movie watching, talking, outlandish dress and exotic perfumes and sprays, and even serve tantalizing, aromatic foods aboard.

The insensitive clods might even allow smoking.

Let us know if we can provide further exhilarating details.

Sincerely,  
JAMES ROBERTS

CHECKING DAMAGE - Iowa Park volunteer firemen check damage to their truck Monday after wheat straw caught afire under the cab. The straw collected as they raced through a field to a burning combine owned by Ed Holder, who was harvesting a field off FM 369 owned by Glenn Miller. Damage to the truck will require a few hours, but Holder's combine is likely out of commission for the season, he said.

## Chester Dowell

Funeral services for Chester Dowell, 54, were May 31 at First United Methodist Church of Sunray with Rev. Scott Latham, former pastor, and Rev. Jim Pickens of First United Methodist Church of Dumas officiating. Burial was in Lane Memorial Cemetery in Sunray.

Dowell was born in Rotan and finished high school there before entering West Texas State Univ. where he earned his bachelor and master degrees.

During his 30 years in education, he taught in Lubbock, Valley View Robert Lee and Boys Ranch. He served as teacher and coach at Dumas Elementary and Junior High, and later as counselor and assistant principal. He held the position of principal of Sunray Elementary and Junior High from 1978 to 1986, leaving to enter into private business.

A member of First United Methodist Church of Sunray, he had served on the administrative board and the board of trustees of the church. He was also a member of the Dumas Noon Lions and Sunray Lions clubs.

Dowell served in the army during the Korean conflict.

Survivors include his wife, Mary Dowell; three daughters, Tracie Monroe of Edmond, Okla.; Amy Kirk of Lubbock and Jamie Dowell of Amarillo; a son, Barry Dowell of Carrollton; a brother, Eldon Dowell of Iowa Park; and two granddaughters.

## Ruthie Collier

Funeral services for Ruthie Collier, 89, of Jacksboro were Monday at Jacksboro Church of Christ with Joe Williams, pastor, officiating. Burial was in Oakwood Cemetery.

Mrs. Collier was born March 2, 1899, in Davis, Okla. She was a homemaker and a member of the Church of Christ.

She is survived by her husband, John; two sons, Bill Briscoe of Bowie and Milton Briscoe of Holliday; two daughters, Geneva Stevens

of Gordonville and Bell Revek of Holliday; three stepsons, Charles and Steve Collier, both of Wichita Falls and James Collier of Bakersfield, Calif.; three stepdaughters, Emma Cheirton and Charlene Martin, both of Wichita Falls and Mary Isacs of Belton; four brothers, Oliver Damron of Kansas, Tex Damron of De Leon, and Doc and Wes Damron, both of Jacksboro; one sister, Viva Kizzah of Jacksboro; 11 grandchildren; 27 great-grandchildren; and several great-great-grandchildren.

## Dr. James Slaughenhop

Services for Dr. James Jay Slaughenhop, 67, of Vernon were Friday at Grace Episcopal Church with Rev. Staley Hackley, rector, officiating. Burial was in Eastview Memorial Park under the direction of Sullivan Funeral Home.

Slaughenhop was born July 4, 1920, in Nowata, Okla. He and Ann Henderson were married Oct. 24, 1944, in Wichita, Kan. He was a longtime resident of Wilbarger County and had practiced medicine there since 1945. He attended Lutheran School, graduated from Vernon High School, attended Vanderbilt Univ. and graduated from Tulane Medical School.

A 32nd degree Mason, he was a member of Royal Order of Jesters and Grace Episcopal Church.

He is survived by his wife; a son, Jamie of Vernon; a daughter Mary Carlton, of Iowa Park; and two grandchildren.

# 4-H CLUB NEWS

## 'BUILDING WINNING KIDS'

"Building Winning Kids" will be the program topic at a free seminar, sponsored by the Wichita County 4-H Program Development Committee, from 10 a.m. to 12-noon June 16 at the 4-H Auditorium in Wichita Falls.

Dr. Lynne Thibodeaux, Extension 4-H/Youth Specialist from Texas A&M, known state-wide, will discuss building positive self-esteem in youth as a preventative method of substance abuse, teen pregnancy, juvenile delinquency, teen suicide and other critical youth issues which plague modern teens.

Mrs. Helen Farabee, director of public policy for Benedictine Health Resource, will address the "paybacks" of building a positive self-esteem.

The program is targeted toward parents, teachers, ministers, youth leaders and others interested in the welfare of youth today, explained Bethann Oswald, Extension Agent.

Reservations can be made by calling 766-0131.

## 4-H FASHIONS

Wichita County 4-H Club members will demonstrate expertise in clothing construction and consumerism at the annual Wichita County 4-H Fashion Show Saturday.

The event will be open to the public, beginning at 3 p.m. at Dillard's Court of Sikes Senter Mall in Wichita Falls.

Competitors will be interviewed by a panel of judges prior to the show. Construction techniques and appearance will be judged for each of three age divisions.

"We are especially excited about the new Buying Division for 4-H members who choose not to sew," said Bethann Oswald, County Agent. "Participants are now able to compete with purchased garments being judged on quality, maintenance required, fit, etc. for a specified budget," she explained.

All participants will receive ribbons and a possible 18 4-Hers may advance to the District 4-H Fashion Show June 29 in Albany.

## ME

"Thou God seest me..." (Genesis 16:13). A child smashes a vase. Why? Possibly to get attention. "Notice me!" he cries. As he grows older he may resort to other forms of unacceptable behavior. Drugs, reckless driving, profanity. "Notice me!"

Over 4 billion people live on this earth. I know God is concerned about man - the human race. I need something more personal than that. It can be very lonely in a crowd. I want to know God is concerned about me, Dwight Parker, individual.

This is the vitamin to strengthen God's servants. Call the roll of the spiritually valiant. What sustained them? Confidence that God was personally concerned for them. Armed with this confidence they marched fearlessly into the jaws of conflict. Each victory strengthened the muscles of faith.

We're numbered to death. Zip code, area code, house number, telephone number, social security number, account number. Stop it! I'm not a number, I'm a person. When you notice me as a person of feeling and worth I like you.

I don't want a God who is so busy with administration of the universe he has no time for me. I don't want him to delegate me to some lesser being - shoving me off on some subordinate.

God knows me. God sees me. God is concerned for me. I suppose God has my number. I know God knows my name. His eye is on the sparrow, and I know He watches me!

# Eagles return to state

The Holliday Eagle baseball team is back in Austin this week for the state University Interscholastic League baseball tournament.

Holliday, now 18-4, will take on Blanco (22-5) at 8 this evening at Burger Center, following the other Class AA game between Pottsboro (19-3) and Shelbyville (23-7).

The winners will meet at 10:30 a.m. Friday at Disch-Falk Field for the state championship.

Holliday won a rain-delayed play-off for the Region I championship Saturday by defeating the Dist. 9-AA runner-up, Archer City, 4-1. That game, played in Wichita Falls, was carried over after a rain interruption Friday, and resumed in the third inning.

The Eagles lost the semi-final game at state last year.

NEWEST RECREATION AREA IN THE CITY IS BEING PREPARED BY CITY . . . two sand-surfaced volleyball courts off Fourth Street and north of Ken's Pizza.

## In The Military

### In Western Pacific

Navy Petty Officer 1st Class Rowland D. Ketchersid, son of Mr. and Mrs. C.S. Ketchersid of Iowa Park, recently departed for a six-month deployment to the Western Pacific while serving aboard the guided missile cruiser USS Vincennes, homeported in San Diego.

During the deployment he will participate in various exercises and make port calls to several foreign countries.

A 1982 graduate of Iowa Park High School, he joined the Navy in October 1983. His wife, Phyllis, is the daughter of Mr. and Mrs. Ron Forsgren, also of Iowa Park.

## Parks

seven days a week during the summer season.

**TENNIS** - The Iowa Park High School and Junior High Schools each have tennis courts that may be used by the public after school hours and during the summer. Both courts have lighting for evening matches, and windbreaks.

**SOCCER** - The Iowa Park Soccer Assoc. maintains two fields located on the east side of Gordon Lake and north of the city barn on Kamay Road.

**VOLLEYBALL** - Sand surface volleyball courts are being constructed off West Highway behind Ken's Pizza. They will be used primarily by the newly-formed Iowa Park Volleyball League.

**BASEBALL** - Iowa Park boasts two areas in which organized baseball can be played. W.F. George Baseball Field on West Magnolia has

fields designated for Iowa Park Minor and Major League, Five-pitch and T-Ball action. Senior League baseball is played at the Will Burnett Field at the end of E. Texas, across from the Recreational Activities Center.

**SOFTBALL** - The Iowa Park Girls' Softball League utilizes the Gary Compton Softball Field for games and practice. It is located on Bell Road, north of the Old Iowa Park Road.

Practice fields for softball, baseball, T-Ball and five-pitch can also be found on North Pacific and on the grounds of Kidwell Elementary School.

Before going to a neighboring community for summer fun, look around at what is offered virtually in your own back yard - clean, well-maintained parks, and recreational activities suitable for the whole family.

# Cook of the Week

Mrs. Jason Blair

### QUICK & EASY YEAST ROLLS

1 pkg. active dry yeast  
3/4 cup warm water  
2 T sugar  
2 T vegetable oil  
1/2 t salt  
1 egg  
2 1/2 - 2 3/4 cups flour  
Soft butter

Dissolve yeast in water in 2 1/2 qt. bowl. Add sugar, oil, salt and egg. Stir to dissolve sugar and salt. Stir in 1 cup flour until smooth. Cover with cloth and place on rack over bowl of hot water; let rise 15 minutes. Grease pan. Stir down batter and add 1 1/2 cup flour. Stir until mixed and turn onto floured board. Knead three minutes. If sticky knead in 1/4 cup flour. Divide dough into 16 pieces and shape quickly into balls. Arrange in pan and brush tops with butter. Cover and let rise over hot water 25 minutes. Bake 12 to 15 minutes in pre-heated 425 degree oven.

### MOM'S HOMEMADE NOODLES

1 egg  
1 T milk  
1/2 t salt  
2/3 cup flour

Put aabove in a small bowl and work together until it forms small ball. Work in as much flour as dough will take - must be very dry and stiff. Roll out as thin as possible. Cook until tender in chicken or beef broth.

### ITALIAN DELIGHT

2 lbs. ground meat  
1 lb. pkg. spaghetti  
1 can whole kernel corn  
4 small cans tomato sauce  
1 onion, chopped  
Salt and pepper to taste  
1 lb. grated cheese  
Garlic salt

Brown meat and onion. Set aside. Cook spaghetti in salted water. Drain and stir in half of grated cheese into hot spaghetti. Stir in rest of ingredients except for remaining cheese. Pour into casserole and put rest of cheese on top. Bake at 350 degrees one hour or until cooked through and cheese is melted on top. Serves 12-16.

### PICNIC CASSEROLE

1 lb. wieners  
2 cans pork 'n beans  
3 slices bacon, crumbled  
2 T. bacon drippings  
1 med. onion, chopped  
1 green pepper, chopped  
1 cup catsup  
2 Tbsp. brown sugar  
2 Tbsp. Worcestershire sauce  
Salt and pepper to taste

Cut wieners into bite size pieces. Place in a greased 1 1/2 qt. casserole. Add beans and bacon. Mix well, set aside. Combine bacon drippings, onion and pepper in a heavy skillet. Cook over medium heat five minutes or until lightly browned. Add remaining ingredients. Mix until blended. Pour over wieners. Mix well. Cover and bake one hour at 350 degrees.

### SNICKERDOODLES

1/2 cup butter, soft  
1/2 cup shortening  
1 1/2 cup sugar  
2 eggs  
2 3/4 cups flour  
2 t. cream of tartar  
1 t soda  
1/4 t salt  
2 T sugar  
2 t cinnamon

Mix thoroughly butter, shortening, 1 1/2 cup sugar and eggs. Blend in dry ingredients. Shape by rounded teaspoonful into balls. Roll balls in sugar and cinnamon mixture. Place 2 inches apart on baking sheet. Bake 8-10 minutes in 400 degree oven.

### MILLIONAIRES

1-14 oz. pkg. caramels  
2 T milk  
Dash of salt  
1/2 t vanilla  
2 cups pecan halves  
4 to 8 Hershey bars  
1/3 bar of wax

Melt caramels in double boiler. When melted, add milk, salt and vanilla. Stir well. Add 2 cups pecans and mix. Drop by teaspoonful on wax-buttered paper. Cool for 1 hour or until firm. Melt Hershey bars and wax in double boiler. Dip pecan mix in melted chocolate. Place on wax paper and cool.

### MEXICAN PECAN CANDY

1 1/2 c. sugar  
1/2 cup brown sugar  
1/2 cup canned milk  
1/8 t salt  
3 T white karo syrup

Mix and cook above ingredients together to a soft ball stage. Remove from fire and quickly add:  
4 marshmallows, cut up  
1/3 stick oleo  
1 t vanilla  
1 1/2 cup chopped pecans

Beat until marshmallows and oleo are dissolved. Pour into lightly greased pan. Mark into squares. Cut when cool.

## Hatcher competes for junior rodeo queen title

Iowa Parkan Jamie Hatcher will be vying for the title of Junior Queen of the 31st Red River Rodeo this weekend.

The annual rodeo got underway yesterday and will continue through Saturday at the arena on FM 369.

Lorre Donn Moser of Iowa Park ends her year's reign as Mounted Patrol Sweetheart and Becky Kimbrel of Kamay her year as Petite Queen.

Jennifer Schenk of Wichita Falls is the current Junior Queen.

The 16-year-old daughter of Mr. and Mrs. Ronnie Hatcher is a junior at Iowa Park High School. She is a member of the FFA, Texoma All Breeds Horse Show Association, American Paint Horse Association, and was a member of the Iowa Park FFA horse judging team that placed seventh this year at the state contest.

Jamie Hatcher

Her hobbies include rodeoing, training horses, FFA, raising and showing hogs, basketball, and attending and coaching bare-buckouts.

Her sponsor is Wichita Stationed Feeds.

**JANIS CASTLE HAS AN EXCELLENT MIND. BUT IT'S HER HEART WE WANT TO TALK ABOUT.**

As a Customer Representative for TU Electric, Janis seems to thrive on a heavy workload. Yet she still finds time to go beyond the call of duty for many of her customers. Such as the time a local orphanage was damaged by fire, and Janis coordinated donations of everything from clothing, blankets and furniture to sports equipment and toys. She says she just likes people. But we have a feeling it's because she's all heart. And Janis, like so many of our employees, is helping make A Commitment To Service have a very special meaning indeed.

Sheriff's Report

Wichita County Sheriff's Department reported three incidents of criminal activity in the surrounding area during the past week. Burial of a building was reported a week ago Wednesday by Wilkes Garage, located on Hwy. 92. Taken were a battery charged batteries and assorted tools. The battery charger and batteries were valued at just over \$100, and value of the tools had not yet been estimated. Several items were reported taken from a building equipment storage and salvage on US 287 1/2 mile east of Holt Road sometime between Thursday and Monday. Valued at about \$1,000, the items taken include motorcycles, a

truck tire, pickup tires, a socket set, air hammer, saw, sander, an compressor, a wash pump with an electric motor and various other tools.

Saturday, Mary E. Couch of Hwy. 238 and Headquarters Road, reported to deputies that someone had broken into her home and taken a color television, VCR and microwave. She valued the items at about \$1,500.

**AREA OIL & GAS NEWS**

Ray Craighead Petroleum of Wichita Falls has filed first production figures on a new developmental oil well in Wichita County's Regular Field. The No. 3-A Mrs. E.D. Collett showed potential to pump 16 barrels of oil and 10 barrels of water per day.

The operator has 251-acre lease, with drillsite in the GC&SF A-767 Survey five miles south-southeast of Electra.

The well will produce from perforations in the Megargel Formation at 1,826 feet to 1,830 feet into the wellbore.

Total drilling depth was 1,929 feet.

The No. A-1 Red River Oil Co. Et Al, has been finalized by J.L. Waggoner, Jr., of Electra.

It is a developmental well in the Wichita County's Regular Field, Wichita County. Drillsite is three miles east of Electra. Location is in a 145-acre lease in the SA&MG A-275 Survey.

Daily potential of one barrel of oil was posted with the Railroad Commission. The well went to 2,014-ft. bottom and plugged back to 475 feet, and production will be from perforations in the Cisco Sand Formation 430 feet to 445 feet into the hole.

Start Operating of Dallas has revealed plans to drill a 1,600-ft. developmental well in the Wichita County's Regular Field. The operator has an 80-acre lease with drillsite in the James A. Walker A-327 Survey 450 feet from the north line and 150 feet from the west line, and has designated the venture as the No. 5-A Jackson "A". Drillsite is six miles southeast of Burkburnett.

Drillsite has been staked for the No. 1104 Kelly, a 2,000-ft. developmental well in the Wichita County's Regular Field. The operation will be located three miles north-northeast of Clara in a 228-acre lease in the Lewis Powell A-242 Survey. The operator is Tri Core Oil & Gas of Irving.

Flowing 109 barrels of oil per day, along with 35,000 CF casinghead gas, the No. 1 McClellan "B" was completed in Hardeman County's Lawler Field by Paul DeCleva, Inc., of Wichita Falls.

It was drilled to a 8,026-ft. total depth and will produce from a perforated interval in the Chappel Formation 8,014 feet to 8,026 feet into the wellbore. Production tests were run on a 6/64 inch choke, and flowing tubing pressure was 720 PSI.

The location is in a 40-acre lease in the H&TC A-850 Survey.

Trio Operating of Wichita Falls has revealed plans to drill an 8,500-ft. deeper pool wildcat in Hardeman County. The operator has 574 acres leased, with drillsite in the H&TC A-850 Survey, and has designated the venture as the No. 1 RPC-Pursley. Drillsite is four miles southeast of Medicine Mounds.

S.M. Ferguson, Jr., Inc., of Wichita Falls has given up on its efforts to make a producer out of the No. 2 Ferguson Unit. It was a wildcat try in the H&TC A-1773 Survey, Wilbarger County. The location was 2.5 miles northwest of Tolbert. Spudded Mar. 18, it had reached a 8,275-ft. bottom.
