Six arrests reported by police during week

When police were responding to an apartment complex on Mary Drive Wednesday afternoon of last week, an automobile was stopped in the area and two men were arrested on unrelated charges.

After stopping the suspected vehicle in the 1300 block of Johnson Road, police found a pistol and Gary Joe Fischer, 32, was arrested on a charge of unlawfully carrying a weapon.

A passenger, Joel Wesley Gideon, 31, was found to have an outstanding warrant against him from Fort Worth.

Both were transported to Wichita County jail.

Wayland Stewart, 34, was taken into custody in the 500 block of East Alameda at 1:38 p.m. Thursday on a charge of criminal trespass warrant.

He also was transported to county jail.

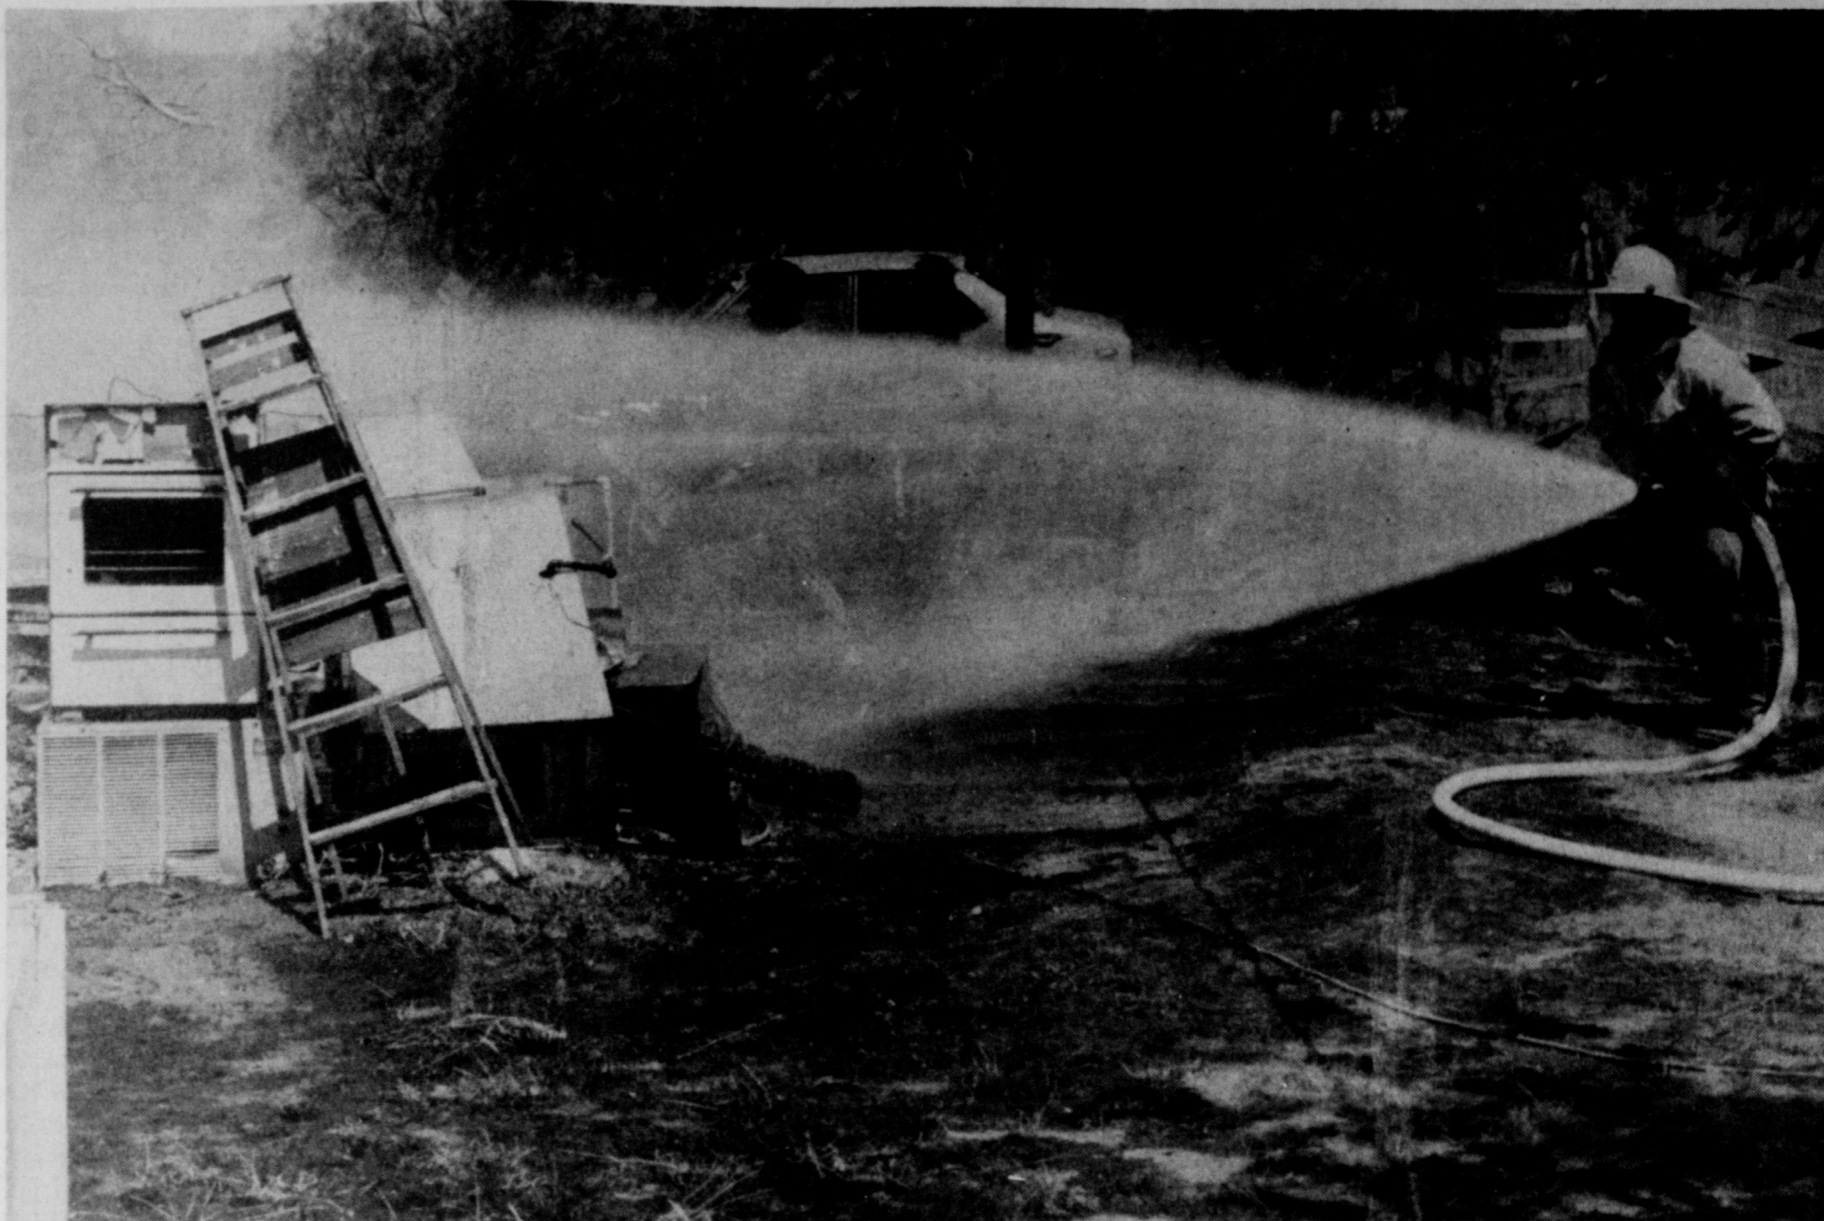

Arrested Friday afternoon on an outstanding local traffic warrant was Lonnie Gene Kinnett. He was released after signing an order to appear.

Two other arrests were made by Iowa Park police over the weekend.

Larry Payton was taken into custody at 6:32 p.m. Saturday on a disorderly conduct charge and released after signing an order to appear.

Sunday, police arrested Larry Wayne Fortner, 35, on a warrant from Smith County charging him with theft by check. He was released to county deputies.

A resident in the 1300 block of Westridge registered a criminal mischief complaint with police last Wednesday that someone had damaged his pickup.

BUILDING DESTROYED - Firemen Jimmy Gilmore and Mark Wicks cool down the contents of a small structure that was burned to the ground Friday afternoon on FM 367, and also

guttled an economy car in the background. Firemen were, however, able to contain the resulting grassfire and keep it from spreading due to a strong breeze.

KofC fish fry set Saturday

The second annual "all you can eat" fish fry sponsored by the Christ the King Knights of Columbus will be held from 11 a.m. to 7 p.m. Saturday at the First United Methodist Church.

Prices for the meal, which is open to the public, are \$5 adults, \$3 children under 12, and children under four years of age free.

Besides fish, the menu consists of beans, cole slaw, fries and drinks.

IOWA PARK LEADER

30 Cents

Vol. 19, No. 45 IOWA PARK, WICHITA COUNTY, TEXAS 76367 Thursday, July 21, 1988

Community center meeting topic for city council Monday night

The on-going topic of building a community center is on the city council's meeting agenda again.

Aldermen are to meet at 7 p.m. Monday in council chambers.

Council members did not discuss a bonding plan to finance construction of a center at their last meeting after it was pointed out a \$1.2-million project would raise the tax rate by 14-cents.

However, members said they

still felt the need for such a building was present, and felt a more "bare bones" structure would meet the need.

Should the council decide to build a less expensive structure, the entry on the agenda would permit them to take action, since it is noted on the agenda as required by state law.

The city purchased and cleared more than a block area between Third

and Fourth streets as the designated site of a community center, if and when it is built.

Also on Monday's agenda is a public hearing on the proposed annexation of a 28.17-acre tract of land known as the Wigley Addition.

The land is on the west side of the road between US 287 access road and Lake Iowa Park.

Aldermen will also begin working on the 1988-89 city budget.

Ball teams scoring well in tournaments

13-Year-Olds

Iowa Park's 13-Year-Old Little League All Stars will play their first game in the sectional tournament Monday at Sherman.

The locals, District 6 champions, will take on the winners of District 7 at 6 p.m. The winner of that game will have to turn around and take on the District 8 champ at 8:30.

Tuesday, the losers of the first two games will play at 6 p.m., and at 8:30 the winners of the second and third games will play for the title.

Should a fifth game be necessary it will be played Wednesday.

Iowa Park earned the district title by edging Sheppard 5-4 Friday at Olney.

Jason Miller scattered seven hits while walking four and striking out six, for the victory. Joey Boyd (three hits, three runs), Ralph Dillard (two hits), and Patric Kennedy (three RBIs) packed the punch for the offense.

Leading 3-2 going into the seventh inning, Iowa Park fell behind 4-3 as Sheppard scored twice on two

hits and an error.

But Iowa Park scored twice in the bottom of the frame for the win.

With one out, Dillard doubled to left center, followed by Boyd's infield single. Boyd stole second to put two runs in scoring position.

Kennedy sacrificed to deep right field to tie the score.

Then Scott McNeely stepped to the plate, took a high-right pitch, and Boyd stole home for the victory.

Chad Thompson pitched a four-hit, two-walk, eight-strike-out game in the opener to beat Sheppard 7-3,

and McNeely allowed only four hits while walking six and striking out five as Iowa Park demolished Olney 20-3 to get into the championship game.

Brazos Valley was the other participant in the tournament.

Majors

The Major all stars defeated host Burkburnett twice in the tournament last week, and as of Tuesday evening stand 1-1 in the district tourney at Munday.

After losing the first round of the tourney at Burkburnett, 8-5, Iowa Park bounced back to shut out Sheppard AFB 2-0, with David Hollis on the mound.

Thursday the all stars beat Burkburnett 9-1, and Friday did it again, 7-3, for the title. B.J. Murray pitched Thursday and Brent Brown Friday.

Brown, Jason Maxwell and Tony Lozipone were the big bats in the four games.

At the district tournament on Munday, Iowa Park opened play with a 5-0 win Monday over Haskell.

But Tuesday night, Graham broke a tie with a two-run homer in the bottom of the fifth inning and went on to win 3-1.

Clint Scobee's home run was Iowa Park's only score.

10-Year-Olds

Going into last night's third round of the invitational tournament for 10-year-olds at Sheppard AFB, Iowa Park was 1-1.

Iowa Park is the defending champion of the tournament, which has eight teams entered.

Iowa Park lost in a rain-shorten-

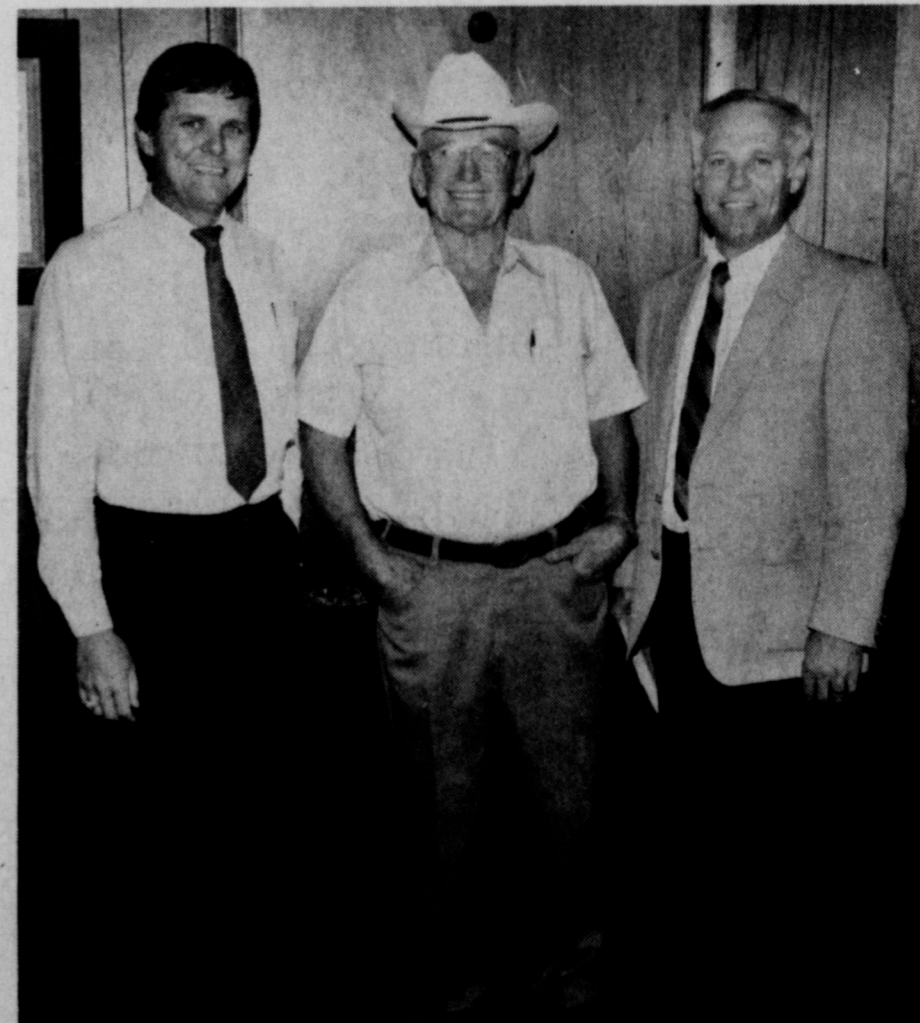

ed game Monday, 7-5, to the Colts, Wichita Falls city champions. Coy Thompson pitched for the locals.

Robert Klinkerman and Chris Norris hurled Iowa Park to victory Tuesday, when the locals defeated the City View Falcons 12-2.

Games will continue in the double elimination tournament until Saturday night.

IOWA PARK emergency medical technicians assisted an injured man following a Friday morning accident involving a van and pickup at the intersection of Wellington Road and Old Iowa Park Road.

READY FOR AUCTION - Iowa Parkans Barry Mahler, left, and Gene Jordan, right, get with general chairman Joe Parker to plan the 20th annual Cripple Children's Livestock Auctions that will be held today and tomorrow. Animals will be sold today at Arrowhead Livestock Sales Barn, and tomorrow, merchandise will be auctioned, both silent and sound, at the Wichita Falls Activities Center. Stanley Williamson is Wichita County chairman.

Three donors reach plateaus

Three blood donors reached new gallon plateaus Monday when the Red River Bloodmobile was in Iowa Park.

Vern Horsky completed his ninth gallon, Charles Lee Jr. his third and Margaret Burks her first.

Jim Grove, project chairman for the sponsoring Optimist Club, said 22 units were collected.

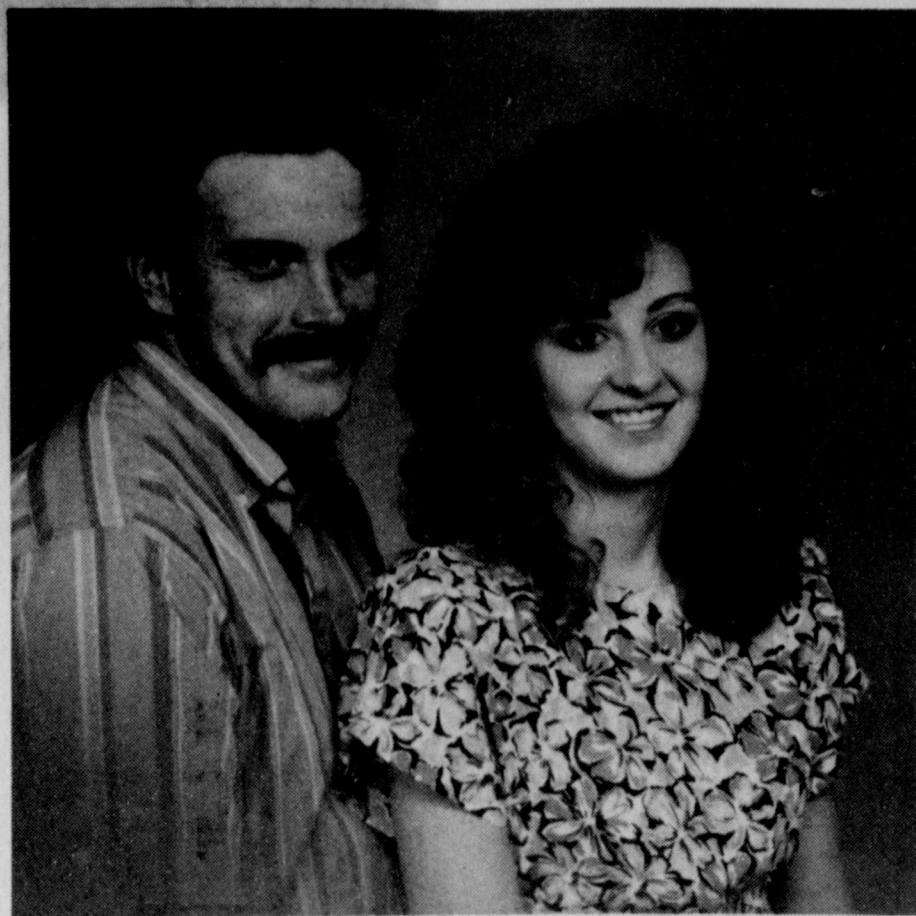

Articles for patients topic

The Night BW of First Baptist Church met with Mrs. Glen Mitchell Monday with 14 members in attendance. Mrs. J.T. Parker was the co-hostess.

Mrs. Elmer Singleton, vice president, conducted the business following the period of prayer for missionaries on the birthday calendar for the day led by Mrs. E.T. Patterson. It was voted to cooperate with the Friendship Class to send clothing and miscellaneous articles to the Wichita Falls State Hospital for the July missions in action project.

Mrs. Riley Thompson was leader for the program taken from the Royal Service magazine on "Souvenirs from Summer Camps." The setting was in Nigeria and featured some of the souvenirs Dale Moore, a missionary, had brought back from the country and from summer camps held there.

She was assisted by Mmes. Parker, O.S. McLemore, Patterson and Miss Helen Reed as they discussed souvenirs of changed lives, support, witnessing and the future.

KERI NANETTE KNECHT AND JEFFREY KYLE WATTS

Couple sets October date

Mr. and Mrs. Bob Knecht, and Vickye Reaves, all of Iowa Park, announce the engagement and forthcoming marriage of their daughter, Keri Nanette, to Jeffrey Kyle Watts.

Miss Knecht is a graduate of Iowa Park High School and is a hair stylist at JC Penney Salon. Watts was also graduated from I.P.H.S. and is employed at Midway Fish Farm.

The couple will exchange vows Oct. 1 at Lakeview Church of God.

FFA Boosters meet tonight

The Iowa Park FFA Booster Club will meet at 7:30 tonight in the Vocational Agriculture building.

The remaining summer activities will be discussed, as well as preparations for the animal projects being purchased, according to Gladys Chandler, president.

Class of 1983 plans reunion

Iowa Park High School Class of 1983 is holding its five-year reunion Saturday, with a picnic and dance planned.

Activities will begin with a picnic for class members and their families from noon to 4 p.m. at the Don Daugherty residence. Hot dogs will be provided and class members should bring chips or a dessert, and a beverage.

A dance for class members and their dates will be held from 8 p.m. to midnight at KC Hall in Wichita Falls.

Cost for all activities is \$8.50 per adult and late reservations can be made by calling Shawnee Henderson Raines, 592-9645; Darla Flick Inglish, 592-5157; or Kari Hamilton Collins, 592-4431.

Look Who's New

A seven pound, nine ounce son, Wesley Ryan, was born July 18 at Wichita General Hospital to Mr. and Mrs. Marc Newman of Iowa Park. He is the couple's first child.

Mrs. Newman is the former Janice Harris of Iowa Park.

Grandparents are Mr. and Mrs. Jo C. Harris of Iowa Park and Mr. and Mrs. Harvey Newman of Port St. Lucie, Fla. Mrs. Myrtle F. Williams of Iowa Park is a great-grandmother.

SUMMER READING

We had a "Half Way Through" party for the Summer Reading Children last week. Thirty children came to enjoy cake, ice cream, and a magic show.

Thursday - 11 a.m. - 6 p.m.
Friday - 9 a.m. - 3 p.m.
Saturday - 9 a.m. - 3 p.m.

STORYTIME HOURS

Pre-School (4-6 Yrs.) Thursday, 10-10:30 a.m.
Elementary (1st-3rd grade) Wednesday, 11-11:45
Toddlers (2-3 Yrs.) Friday 10-10:30 a.m.

MOVIE DAY

We had a film presentation on Friday with popcorn and Sprite for refreshments. Ten children enjoyed the half hour. We will do this again later in the summer so watch for announcements.

SUMMER IN THE PARK

July 30th, Summer in the Park presents World of Records Day. These record setting activities will begin at 10 a.m. We will break for lunch from 12:00-1:30. The Mule-Skinners will be serving brisket sandwiches and iced tea.

First, second and third place ribbons will be given for these events: Brick Throwing, Bubble Gum Blowing, Card Throwing, Knot Tying, Spitting Contest, Frisbee Throwing, Apple Bobbing, Pea In The Wind, Whistling, Harmonica, Lip Sync, Water Balloon Fight, Tug of War, and Hoola Hoop Contest.

LIBRARY HOURS

Sunday and Monday - Closed
Tuesday - 11 a.m. - 6 p.m.
Wednesday - 11 a.m. - 6 p.m.

Look Who's New

A son, Jay Robert, was born July 10 to Mr. and Mrs. Dan Williams of Wichita Falls. He weighed six pounds, 12 ounces. The new baby has sister, Danielle, three and one half years old, and his mother is the former Tandra Wilkerson of Iowa Park.

Grandparents are Mr. and Mrs. A.J. Williams and Mr. and Mrs. R.B. Wilkerson, all of Iowa Park. The great-grandparents are Ruie Wilkerson and Beulah Garner, both of Iowa Park.

SHE SHOULD BE COMING TO US AND SO SHOULD YOU!

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

WHEN: Friday, July 26
TIME: 9 a.m. - 7 p.m.
WHERE: Parking Lot across from Friendly Door
COSTS: \$50 payable at time of service (includes mammogram and radiologist interpretation of mammogram) The unit accepts cash, checks, Visa, Mastercard and American Express.

FOR APPOINTMENT - Call 592-9311 or 592-4932 after 3 p.m.

Walk-ins accepted per availability.

A Service of Iowa Park Friendly Door

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography before a lump can be felt, has a 97% five year survival rate and 90% 10 year survival rate.

A mammogram can detect a cancer this small • even before it can be felt. Appointments may be made by calling 592-9311 or 592-4932 after 3.

The Mobile Breast Cancer Detection Unit will be in Iowa Park, on Tuesday, July 26.

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American

College of Radiology. Those guidelines are:

1. 35-40 years of age - One baseline mammogram.
 2. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
 3. 50 years of age and over - An annual physical examination and annual mammogram.
 4. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.
 5. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.
- A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers. A female technologist who is highly trained in mammography will perform the examination. The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

As I See It... By BOB HAMILTON

The Leader staff is starting work on the historical edition to be included in the Oct. 20 issue, commemorating Iowa Park's 100th anniversary.

I'm committing a minimum of 100 pages for that issue, which is no small undertaking for a newspaper our size.

Lita Watson, Iowa Park's most devoted historian, will do most of the community's history. She picked up where Bertha McDonald left off and has been working hard on it several years.

Lita was disappointed when it was determined the history would not be published in the form of a book. That, however, was impossible, because book publishers want a big, big chunk of money up front. And there was not that kind of money available.

We hope, however, that the

special issue will suffice.

Compiling a history of a town is made especially difficult when there are no newspaper files from which to draw. All the town's past newspapers have been destroyed by fires.

One very important part of the issue will be histories of families. Some of our pioneer family histories are already in hand, held either by Lita or the Chamber of Commerce.

We need these family histories, so if you've not done yours, please update what you have and turn it into the Chamber, Lita or the Leader.

Also needed are old pictures. If you have some you'd like to share, please write on the back as much information as possible, along with your name. We will have them copied for publication and return

them.

Organizations and churches are also asked to have their histories put in written form and turned in.

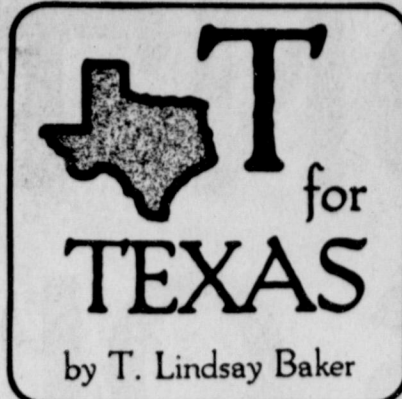

An edition of this size is not put together in a week or two. We're starting now, and need your input as soon as possible.

The edition will be printed in several sections. As a section comes off the presses, it will be stored for assembly the week of Oct. 20.

Subscribers will get a bonus in the issue, because it will have to sell on the newsstands for at least \$1 per copy.

We want to make this issue a collector's item, feeling our town's history is something everyone will want to keep.

After all, you don't have a centennial very often.

by T. Lindsay Baker

By T. Lindsay Baker

Burkburnett is an oil town through and through. When you drive down its streets, you see all around the evidence of historic oil production, from the remains of steam-powered drilling rigs to fences made out of steel pipe and sucker rods.

So frenzied was the exploration, drilling and production at Burkburnett in its heyday in 1918-19 that the town was recreated years later in Hollywood as the setting for the famous "Boom Town" motion picture starring Clark Gable and Spencer Tracy.

Just north of the intersection of East 9th Street and North Avenue E on the north side of present-day Burkburnett stands a two-story white frame farmhouse. It doesn't look particularly impressive, and it's not identified by any historical markers. It was here, nevertheless, on S.W. Fowler's farm, that the Burkburnett Oil Field was discovered in 1918, starting one of the most famous of all Texas oil booms.

In summer 1918 S.W. Fowler had become discouraged by drought conditions that had shriveled his cotton crop away to almost nothing, and he had decided to leave Wichita County for greener fields elsewhere. His wife, however, wasn't ready to move.

Mrs. Fowler had observed oil production in other areas of Wichita County, most notably around Electra about 20 miles away. When her husband broached the idea of moving, she disagreed. "I believe there's oil under our land," she stated, "and I won't agree to dispose of the farm until a test is drilled."

Consequently S.W. Fowler asked several of his friends to meet with him at a Burkburnett cafe to discuss the possibility of their jointly drilling a test oil well on his property. Fowler agreed to provide the site for the well plus \$500 in cash, and W.D. Cline volunteered to contribute an idle cable-tool well drilling rig, his own personal services and those of one of his "tool pushers." Two other men, one of them Fowler's brother, each added \$500 to fund the test.

When the teamsters started hauling in rig materials, the first wagon bogged down in deep sand about 50 yards before reaching the proposed well site. Since Mr. Fowler didn't expect to find any oil on his property anyway, he declared, "Oh, well, unload'her here." The site was located about 1,000 feet north northeast of the farmhouse. From her vantage point at the house, Mrs. Fowler could watch the daily drilling progress. Her husband hoped that she would be satisfied.

Down the well went. A few signs of oil appeared a little below

1,600 feed depth, but no one thought very much about it. So convinced was everyone that another dry hole would result that no scouts from the major oil companies even bothered to investigate the test. Neighbors exclaimed, "Fowler has gone crazy."

The minds all changed, however, on the morning of July 26, 1918. While the Fowler family was still asleep, driller "Red" McDonald ran into their yard from the well. To the amazement of the family, he proclaimed, "The well came in big during the night, and she's filled the 800-barrel tank and the 1,400 barreler too." He added, "Now the oil is running down the cotton rows."

At 1,734 feet underground, the Fowlers had struck it rich, and so had the whole town of Burkburnett. Within days the sleepy little Red River community became an incredible boom town. The *Wichita Weekly Times* on Aug. 2, 1918, noted, "To say that Burkburnett presents a busy scene does not begin to express the conditions in that little city, where all is activity and where the main street is thronged with visitors."

Hordes of outsiders bustled down Burkburnett streets, while rooming houses, hotels and private homes were unable to accommodate the crowds. Gusher after gusher increased

the feverish business deals. The newspaper reported, "Oil companies are being formed on the sidewalk or in the middle of the street."

As a result of the Fowler Farm discovery, Burkburnett became a forest of derricks, with some of its town lots supporting two and even more rigs. Lots leased for as much as \$1,000 plus royalties.

S.W. Fowler and his family remained in their two-story farmhouse another five years, but in 1923 he succeeded in moving away. This move, however, was as a wealthy man. He purchased a ranch between Fort Worth and Weatherford and lived there to a ripe old age. R.B. "Bob" Helton of Wichita Falls became his acquaintance in these later years, and he told me that "Mr. Fowler died at age 105 and was actively riding horseback at age 102. I met him the first time when he was 102."

In telling the story I almost forgot to mention that the bogged-down freight wagon was the reason for S.W. Fowler's sudden riches. The initially proposed test well site 50 yards beyond the actual location was outside the oil-producing zone, and had the well been drilled where Fowler had first intended, it would have been a dry hole.

Worth Quoting

It is almost embarrassing to watch night after night the coverage of the Winter Olympics. The United States competitors are given a big build up before each event and, with a few exceptions, they finish well out of the first three places.

I know that the Olympics are not supposed to be a contest pitting nation against nation in the race for the highest medal count, but it would be nice if we could win one once in a while.

The thought occurred to me one night, while watching the U.S. bobsled team finish 28th or something, that we are competing in the wrong sports at the Winter Olympics. Each of the sports, downhill skiing, figure skating, speed skating, bobsled, and all the others, all have their cultural roots in Europe. They've been skating in Holland, skiing in Norway, luge in Switzerland and curling in Sweden for centuries.

What we need are some new winter sports that would have their roots in the American culture. For the consideration of the Olympic committee here are a few suggestions:

PARKING LOT ICE DANCING - Each contestant is given two fully loaded grocery bags and must travel across a frozen parking lot to a waiting car. Each contestant must wear leather soled shoes with no spikes or blades. Points will be given for originality, grace and style. Bonus points for proceeding to the car with door keys in hand. Falls will deduct points, unless they are of highly original and amusing nature.

DOG COAXING - A team will consist of the contestant and his dog. Each team will stand inside a door and outside the wind will be blowing at least 30 mph and the temperature will be below zero. The object is to talk the dog into going outside for a morning constitutional. Points will be based on the total time it takes for the dog to pass through the door. Points will be deducted if the owner loses patience and boots the canine through the doorway.

NEWSPAPER SPRINT - Clad only in a bathrobe and slippers, the contestant must run across a yard covered with three feet of snow and find two newspapers in the yard.

Points will be awarded for the fastest total time to find the papers and return to the starting point. Points will be deducted for returning with an old newspaper left by the contestant the previous day.

THERMOSTAT WRESTLING (Mixed Couples Only) One team member attempts to turn the heating thermostat up while the opposite team member turns the thermostat down. The winner is decided when either the thermostat breaks or one team gives up in desperation. The loser must pay the gas bill for the remainder of the winter.

These simple contests would add some life to the Winter Olympics and give Jim McKay entirely new material for his commentary. Also, it would give Americans a good chance to bring home the gold in these new sports.

JIM HUDSON
Perryton Herald

OK, Mrs. Dison, it's official. Michael Dukakis has chosen Texas Senator Lloyd Benson as his vice-presidential running mate and has sent the ball rolling to George Bush's end of the court.

Everyone out there knows Mrs. Dison don't you? Well, for those of you who don't, let me remind you that Mrs. Dison is Reagan County's resident Yellow Dog democrat...that is, she would vote democratic even if an old yellow dog was on the ticket.

I myself am withholding judgment. I was sort of, you know, sort of, looking forward to Dukakis picking Jesse. I know Mrs. Dison is disappointed, but hey, a south Texan as vice president would be great.

The only thing better would be to have a former West Texan to be president.

We Texans have a choice. Would we like to see a Texan vice-president. Or, would we like to see a Texan president.

Columnist George Will put it this way. He said there were only two things that come from Massachusetts and those two things are Liberals and Lobsters. Will added that Dukakis did not look like a lobster to him.

DAVID WERST
Big Lake Wildcat

Carl Rowan, a black, liberal newspaper columnist, has written many times about the need for tighter gun control laws in this country.

In October, 1985, he wrote that there should be a "complete and universal federal ban on sale, manufacture, importation and possession of handguns."

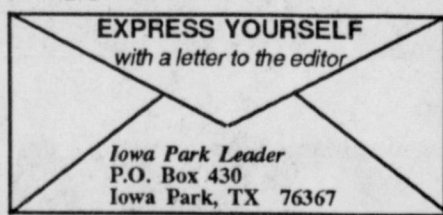

Back about the middle of June he shot a teenager who, along with some other people, went for a late night swim in Rowan's back yard pool.

Indications are that the gun was not registered as required by law, according to police.

When questioned about his stand on gun controls, Rowan said "I believe when you are getting threats you have to be prepared to protect yourself."

I guess what he is trying to say is that he thinks there should be a complete and universal ban on sale, manufacture, importation and possession of handguns, unless someone thinks he might need one.

W.R. Grace reports increase in earnings

W.R. Grace & Co. announced last Thursday in New York second quarter results which are strongly ahead of the period year.

Income from continuing operations for the quarter increased by 62 percent. Net income for the same period, which included the results of discontinued operations, soared 91 percent.

Grace is the parent company of Cryovac.

The advance was led by the company's world-wide specialty chemicals business. All of Grace's other business lines -- health care, energy and general business -- contributed to the improvement.

For the second quarter ended June 30, income after taxes from continuing operations totalled \$58,231,000, or 68-cents per share, compared with \$35,986,000, or 42-cents per share, in the second quarter of 1987, an increase of 62 percent.

Net income in the same period of 1988, including results of discontinued operations, was \$64,368,000, or 76-cents per share, versus \$33,777,000, or 40-cents per share for the 1987 second quarter.

Sales for the quarter rose to \$1,447,009,000, up 26 percent from 1987. The sales gain was due in part to the consolidation of National Medical Care in 1988.

For the first six months of 1988, after-tax income from continuing operations was

\$96,883,000, an increase of 103 percent from the first half of 1987.

On a per-share basis, Grace reported earnings of \$1.14 from continuing operations for the first half of 1988, versus 56 cents in last year's period. First half net income rose 26 percent to \$102,673,000, or \$1.21 per share. Sales for the half increased 30 percent this year.

In commenting on the results and the balance of the year, J. Peter Grace, chairman, president and chief executive, said, "The company's performance for the second quarter and first half reflects the inherent strengths of our operating business segments. We are confident that the company's earnings per share from our continuing business lines for the balance of 1988 will continue to outpace the comparable periods of 1987."

Grace Specialty Chemicals Co., the world's largest specialty chemicals producer and Grace's most significant contributor to earnings, recorded operating income after taxes of \$64-million for the second quarter, an 11-percent increase.

Sales rose 14 percent to nearly \$800-million.

Grace's specialty chemical products continue to demonstrate broad strength in a number of industries including packaging, oil and gas, construction, graphic arts and water treatment in both domestic and foreign markets.

Obituaries

Darren Hazelwood

Graveside services for Darren Hazelwood, 5, were Friday afternoon in Petrolia Cemetery with Rev. Bobby Christmas, pastor of Jefferson Street Baptist Church, officiating. Hazelwood was born Nov. 18, 1982, in Wichita Falls. He was a member of Jefferson Street Baptist Church and was a lifelong resident of Iowa Park.

Survivors include his mother, Laurel Moore; a brother, Gary of Midland; a sister, Jenny of Iowa Park; his grandparents, Mr. and Mrs. James Hazelwood of Iowa Park; his great-grandmother, Iva Pepper of Wichita Falls; and his great-grandfather, J.W. Hazelwood of Eastland.

John M. Doyle

Graveside services for John M. Doyle, 74, were Saturday afternoon at Burk Burnett Cemetery with Rev. Johnny Dowell, pastor of Calvary Baptist Church, officiating.

Doyle was born Aug. 19, 1913, in Charlie. He lived most of his life in Burk Burnett, and was a retired oil field worker and a Baptist.

Survivors include four daughters, Jackie O'Neal of Iowa Park, Dorothy Derow of Randlett, Okla., Sue Hardin of Lubbock, and Robbie Hill of Wichita Falls; two sons, Mike and Johnny, both of Wichita Falls; two brothers, Junior of Dallas and Morris of Iowa Park; 19 grandchildren; and three great-grandchildren.

Willie Henson

Services for Willie "Bill" Henson, 78, formerly of Iowa Park, were Monday morning at Lucas Moore Funeral Home in Fort Worth. Burial was in Moore Memorial Gardens in Arlington.

He died Thursday in a Fort Worth hospital.

Henson was born Feb. 1, 1910, in Waxahachie, and grew up in Iowa Park. He moved to Fort Worth and worked for General Dynamics 29 years, retiring in 1965. He was a former member of the White Settlement Masonic Lodge and East Meadow Baptist Church.

Survivors include his wife Merle of Fort Worth; a daughter, Pencie Franklin of Weatherford; a brother, Earl Henson of Iowa Park, three sisters, Georgie Pugh of Pardeville, Wis., Edith Lawhorn of Spring Valley, Calif., and Dorothy Beisch of Randlett, Okla.; two grandchildren and five great-grandchildren.

Nolene Ackley

Funeral services for Nolene Ackley, 51, were held Friday, July 15, in the David Clayton Funeral Home Chapel in Duncanville, and burial in Little Bethel Memorial Park.

Mrs. Ackley, who died July 12, had resided in Iowa Park the past six years and moved to Duncanville the last week in July. She was born May 28, 1937 in Vernon. She was a member of the Baptist Church.

She is survived by five children: Cheryl Russell, Allen, Alvin and David, all of Duncanville, and Carolyn Hurley of Cumbly; two sisters, Catherine Whitt of Iowa Park and Geraldine Shelton of Crescent City, Ca., and two brothers, Norman of Quinnesee, Mich., and O.L. of Dayton, Tex.

W.E. Hale

Services for W.E. (Ervin) Hale, 74, were Saturday morning at the Weatherbee Funeral Home in Rotan with Rev. Steve Peace officiating. Burial was in Rotan Cemetery.

He died Thursday in a Rotan hospital.

Hale was born Sept. 8, 1913, in Stonewall County, Texas. He moved to Fisher County when he was a few months old and had lived there ever since. He was a farmer and rancher, and served for many years on the board of directors of the Farmers Gin.

He and Bessie Lee Henderson were married Nov. 11, 1931, in Lovington, N.M.

Survivors include his wife; three sons, Jimmy of Midland, Darrell of Iowa Park and Larry of Byers; two daughters, Sharon Waggoner of Wichita Falls and Carolyn Williamson of Iowa Park; 12 grandchildren; and one great-grandchild.

Gertrude Wheeler

Gertrude Wheeler, sister of Loraine Via of Iowa Park, died Tuesday in Bell Plain, Ka. Services are pending at Owens and Brumley Funeral Home.

Wheeler was born Nov. 18, 1911, in Clay County and had lived in Bell Plain over 25 years.

She is survived by three sisters, Via of Iowa Park; Mauricee Roseburn and Margaret Slay, both of Wichita Falls.

PUTTING MARRIAGE BACK AGAIN
People often ask, how can we put our marriage back together again? To put a marriage back together, I would suggest that you: Forgive. No matter what one spouse has done there are many things that both need to forgive in each other. Usually the only way this can be done is to be motivated with how much God through Christ has forgiven us.
Commit. You must re-commit you lives to God, to each other, and to you children. You must re-commit to the original purpose of God for marriage, one man for one woman for life. Go back to the Word of God and build a marriage on what you find there. You cannot go wrong on this approach.
Experiment. This means try new ways of relating and behaving. The old ways did not work, maybe new ones will. There is nothing more miserable than an old stale, absolutely predictable relationship. Get good advice, good information, and try new things.
Faith. The faith or trust will be rebuilt slowly. Have faith that things will be better. Have faith in that person with whom you originally fell in love. Though perhaps buried those original attributes that dew you together in the first place are still there. Try to rediscover and enhance them.
Expect. This is talking about a mindset. Expect improvements to be made. Work for them. Reinforce them in each other as they occur. Expect, like a broken bone, the broken relationship to heal and be stronger where it was weak before.

ARE YOU WALKING ALONE?
We invite you to join people who care

Cook of the Week

Mrs. Larry Beutel and Benjamin

This week's Cook of the Week, DeLayne (Mrs. Larry) Beutel, shares with readers some out of the ordinary recipes that also promise to be welcome additions to many cooks' recipe files.

DeLayne is a homemaker and the mother of a son, Benjamin, 14 months old. She says her mother taught her to cook and is the source, along with her mother-in-law, of most of her recipes.

The former DeLayne Davis has lived in Iowa Park 18 years and graduated Iowa Park High School. She has worked at the Bargain Bin and National Linen Service. Her husband, Larry, is a sales representative for National Linen Service.

In her spare time, DeLayne enjoys volleyball, softball, camping and biking. The couple are Christadelphians, and she teaches three year old Sunday school.

PARMESAN MEATBALLS

- 1 1/2 lb. ground beef
- 2/3 cup Bisquick
- 1/2 c. tomato juice
- 1 egg, beaten
- Parmesan cheese
- Dash pepper
- 3/4 tsp. salt
- 1/2 tsp. dill weed
- Garlic salt
- Dash nutmeg

Combine and mix all ingredients except Parmesan cheese. Let stand 10 minutes. Shape into balls and place in greased, flat dish. Bake 20 to 30 minutes at 400. Remove and sprinkle with cheese. Return to oven and bake two more minutes. Serve on bed of buttered noodles.

IMPOSSIBLE PIE

- 4 eggs
- 1/2 c. flour
- 2 c. milk
- 1 c. sugar
- 1 stick margarine
- 1 tsp. vanilla
- Pinch nutmeg
- 1 c. coconut flakes

Place chicken in greased 9" X 13" casserole. Place cheese slices on chicken pieces. Mix soup and milk and pour on top. Place dressing over all and drizzle with melted butter. Bake one hour at 350 degrees.

SESAME BAKED CHICKEN

- 2 eggs, beaten
- 1 Tbsp. water
- 1 Tbsp. soy sauce
- 1/4 tsp. pepper
- 1 tsp. salt
- 6 chicken breasts
- 1/4 c. flour
- 1/2 c. sesame seeds
- 1/2 c. melted butter

Combine and mix first five ingredients. Coat chicken with flour, dip in egg mixture, then in sesame seeds. Melt butter in Pyrex, put chicken in and coat. Bake uncovered 40 to 50 minutes at 400.

SWISS CHEESE CHICKEN

- 6-8 chicken breasts
- 6-8 Swiss cheese slices
- 2 (or 1) can cream of chicken soup
- 1/2 cup milk
- 1 pkg. Pepperidge Farm Stuffing
- 1 stick melted butter

Mr. and Mrs. Marvin Brandt and Mr. and Mrs. David Vestal and Mr. and Mrs. Jimmy Bradberry request the honour of your presence at a reception to celebrate the Fiftieth Anniversary of their parents Mr. and Mrs. W.D. Vestal, Jr. Sunday, the twenty-fourth of July nineteen hundred and eighty-eight two until five in the afternoon Tom Burnett Library Iowa Park

Our parents request no gifts, please

Beat one minute on high speed in the blender. Pour into a greased and floured 10-inch pie plate. Bake 45 minutes at 350 degrees. No longer.

FAJITAS

- 1 lb. beef skirt
- Juice of 2 or 3 limes
- 1 tsp. garlic salt
- 1/2 tsp. pepper
- 4 flour tortillas, warmed
- 1 tomato, chopped
- 3 green onion, chopped
- Guacamole
- Sour cream

Pound steak to 1/4-inch thickness. Place steak in plastic bag. Sprinkle both sides of meat with lime juice, garlic salt and pepper. Tie bag and marinate in refrigerator six to eight hours. Discard marinade. Broil steak over medium to high mesquite coals two to three minutes on each side. Carve into thin slices. Serve steak in warmed flour tortillas. Add pico de gallo sauce, guacamole and sour cream. Makes four to six servings.

CARD OF THANKS

We would like to thank those who donated clothing and shoes through the Iowa Park Church of Christ for the State Hospital. The donations are greatly appreciated.

Football physicals nearing

High school football players have less than two weeks to have their physical examinations taken.

All players are to report Aug. 3 with completed examination forms, as well as medical history, acknowledgment of rules forms and permits signed by parents or guardians.

Coach Len Williams recently sent out letters of that information to all players expected to play this fall.

Physical examination forms are available both at the fieldhouse and at Park Clinic. The other forms are at the fieldhouse.

Seniors are to report at 4 p.m.; juniors at 4:45; sophomores at 5:30 and freshmen at 6:15, followed by a full team meeting at 7. Lockers will be assigned and helmets and shoes issued.

Two-a-day workouts will begin

Aug. 8, with morning sessions between 7:30 and 9:30 and evening 6:30-8:30.

Coach Williams commented that players had been making good use of the fieldhouse weight room, which has been open daily to the general public, and added he had seen several athletes running in the evenings.

The season opens six weeks from Friday, when the Hawks travel to Burkburnett on Sept. 2.

Municipal Court Records

Results of municipal court held here Tuesday were:

- Adrie Elaine Smith, no drivers license, \$75;
- Cindy Kay Raasch, speeding, \$60;

- Beth Ann Wood, speeding, \$50;
- Mario Domiguez, failure to identify, \$65;
- Larry David Payton, disorderly conduct, \$65.

4-H CLUB NEWS

District record book winners are named

Winners of the District 4-H record judging were selected July 7, when screening groups met at the Texas A&M Univ. Research and Extension Center at Vernon, according to Ed Garnett and Elaine Huston, district directors for the 21 Rolling Plains counties.

There were 134 junior records, 40 intermediate and 60 senior records scored in 29 different subject matter areas.

Junior and intermediate records were placed in blue, red and white groups with no specific winners in the first place categories.

First place senior records will be submitted for state judging, where they will compete for thousands of dollars in educational trips to the National 4-H Congress, as well as other various scholarships and awards.

Wichita County participants included:

Junior
Dog care and training: Lindsey Turlington, blue; Stephen Phillips, white.

Food and nutrition: LaDonna Brooks, Jamie Kay Hanson and Christal Kliewer, blue.

Health: Chris Lewis, blue.
Horse: Tracy Turlington, blue.
Rabbit: Marc Womble, blue; Matt Phillips, red.

Sheep: Jana Campbell, blue.

Intermediate
Beef: Amy Greenwade, blue.
Clothing: Joiese Hanson, Jolene Hodges and Staci Hufhines, blue.
Horse: Lori Kyle, blue.

Senior
Beef: Walt Greenwade, participant ribbon.
Clothing: Cynthia Mitchell, first place.

Dairy goat: Katrena Mitchell, first place.
Dog care and training: Kim Walker, second place.
Horse: Kent Kyle, participant ribbon.

Sales taxes still ahead of last year

The city of Iowa Park received a check in the amount of \$12,952.33 recently, reflecting sales taxes collected during May, according to the state comptroller's office.

While that was only a 10.88-percent increase over the same month in 1987, collections are thus far running at a 12.02-percent increase for the year.

To date, Iowa Park has received \$98,422.92 in sales taxes, as compared to \$87,858.84 by this time in 1987.

Electra collections are up 11.72 percent and Burkburnett 8.54, but Wichita Falls is down .06 percent.

An indication that business is on the comeback at Holliday is that city is 45.58 percent over last year, having received \$36,059.83 in sales taxes.

Statewide, year-to-date payments are 10.8 percent higher than the same period last year, according to the comptroller's office.

LORETTA SHEFFIELD
... with award.

Local woman recognized for dedication to work

An Iowa Park woman received recognition from her fellow employees Tuesday in Wichita Falls.

Loretta Sheffield was named recipient of the Frist Humanitarian Award at Red River Hospital.

The hospital is an affiliate of Hospital Corporation of America, and the award is in recognition of employees whose outstanding job performance and community activities distinguish them from their peers.

She was among 11 of the 102 hospital employees nominated.

The award is given each year in honor of HCA's founder, Thomas Frist Sr., and the recipient is then eligible for consideration on the regional and national levels of the corporation.

A therapist secretary, Mrs. Shef-

field began work at Red River Hospital in February 1987. She became an integral part of the hospital family, assisting not only staff and patients but their families and friends as well, according to William E. Turner, hospital administrator who announced the award at a reception.

"Loretta is the informal leader. She is one of the unsung heroes who tend to people's needs each minute. She embodies HCA and Red River's high standards," said Teresa Pontius, marketing and community relations representative.

Mrs. Sheffield, wife of the Iowa Park chief of police, Alan, is a native of South Dakota. She has coached girls' softball and is a member of the Iowa Park centennial committee.

Besides a special lucite award, she also received a cash bonus.

Sports

Shorts

Think getting a football team into the state playoffs isn't important to a school's athletic budget? Consider: McGregor's share of its six playoff games was \$49,410.39, according to the McGregor Mirror. That included receipts of \$1,266.07 for the Burnet game; \$2,147.50 Iowa Park; \$2,415.20 Kermit; \$17,127.40 LaVega; \$11,111.30 Southlake Carroll, and \$15,342.92 Cuero.

DRIVING WITH
LLUMAR®
ON YOUR
WINDOWS IS
NO SWEAT.

It's a hot, muggy day, and you're stuck inside your car. Your air conditioner runs full blast, but you're still hot under the collar. And if all that isn't bad enough, the blinding glare hurts your eyes and hampers your vision. Keep your cool with LLumar®. LLumar solar-control window film from Martin Processing reduces the sun's fury to raise your driving pleasure. Ideal for all types of vehicles, the film allows light in but keeps a considerable amount of heat and glare out. The result: You stay cooler. Your air conditioner works easier. And your car wastes less gas.

Protects your car. Protects your life.

But these are just a few of the reasons to drive with LLumar. Available in a variety of eye-appealing tints, the film adds a stylish, custom tint to your windows. It makes a sporty car look more expensive. And an expensive car look priceless. LLumar stops the sun from fading your upholstery and carpet by screening out up to 99% of harmful ultraviolet rays. It keeps the sun out of your baby's eyes. Softens jarring headlights at night. Affords more privacy, particularly for vans or RVs. And works like a steel curtain across your windows to protect your vehicle from vandalism—and you from flying glass in case of an accident. You can get LLumar only at an authorized dealer.

Engineered to resist scratching, the film cleans easily with a milk liquid detergent. An authorized dealer will help you select the right tint, then install it for you. And LLumar is covered by a limited warranty. So test drive our film today. Because LLumar takes the heat so you don't have to.

Drive over for a free estimate.

And ask about LLumar for your home and office.

AREA OIL & GAS NEWS

Operating out of Tyler, Helmer Exploration has revealed plans to drill the No. 1 Proud Estate-Brockreide in Wichita County, a wildcat to be spudded about four miles north-northwest of Electra.

It will be a 4,999-ft. maximum test, with drillsite in a 40-acre unit in the Waggoner Colony Subdivision, Block 189, 350 feet from the north line and 330 feet from the west line of the block.

Dallas-based Marshall Energy has filed for permit to drill the No. 3 M-Bank in the KMA Field, Wichita County, two miles west-southwest of Kamay. The 4,000-ft. venture is in a 98-acre lease in the W.H. Spillers Survey A-258. It is 4,328 feet from the south line and 350 feet from the west line of the survey.

Tom Swanson of Electra has given up on his efforts to make a producer out of the No. 13 Burnett "F", a developmental bid in the Wichita Regular Field. Located two miles south of Fowlkes, the well was spudded on May 8 and probed to a dry bottom at 2,000-ft. TD. It will be plugged and abandoned.

West Landrum of Burkburnett has abandoned two undrilled locations in the Wichita Regular Field, about 5.5 miles southwest of Burkburnett. The wells had been designated as the No. 67 and 68 Reilly "L". They had both carried permit for 1,900 feet of hole making.

Tri-core Oil and Gas of Irving has filed for permit to drill the 1201 Kelly in the Wichita Regular Field, three miles north-northeast of Clara. Location is in a 228-acre lease in the Specht Colony Subdivision, Lewis Powell Survey A-242. It is 4,150 feet north and 1,025 feet east of the centerpoint of southeast corner of section 19.

Total drilling depth is projected to 2,000 feet.

Atapco Inc. of Midland has staked locations for a total of six developmental wells in the Wichita Regular Field, from four to five miles southwest of Burkburnett.

The wells will be known as the Nos. 64 through 69 Reilly "A". Projected total depths range from 1,750 to 1,950 feet. They are in a 2,100-acre lease in the J. Ellis, L.C. Dennison and SPRR Surveys. The first three wells are in the Ellis Survey, the next two in the Dennison and the final well in the SPRR Survey.

Locations, respectively, are 550 feet from the north line and 1,100 feet from the east line, 2,300 feet from the south line and 1,900 feet from the west line, 1,050 feet from the south line and 150 feet from the

west line, 400 feet from the north line and 1,140 feet from the westerly west line, 2,530 feet from the westerly south line and 1,250 feet from the westerly west line, and 2,500 feet from the south line and 250 feet from the east line of the surveys.

A total of five 1,700-ft. developmental wells are scheduled to be drilled in the Wichita Regular Field, about 3.5 miles northeast of Clara with Commonwealth Production of Dallas as the operator. The locations are in a 160-acre unit in the P. Huseman Survey A-93.

The wells will be designated as the Nos. 11 through 15 Birk "C".

Locations are 835 feet from the south line and 800 feet from the west line, 920 feet from the south line and 240 feet from the west line, 1,000 feet from the south line and 1,250 feet from the east line, 1,290 feet from the south line and 1,135 feet from the west line and 750 feet from the south line and 1,110 feet from the west line of the survey, respectively.

Drilling is nearing the 6,500-ft. mark at the No. 1 Kennedy Unit, a Hardeman County wildcat located two miles east-southeast of Medicine Mounds. The well is under permit for 8,800-ft. maximum drilling depth. EP Operating of Dallas is the operator.

An 8,500-ft. Wilbarger County wildcat is scheduled to be spudded two miles south-southwest of Farmers Valley by Trio Operating Inc. of Wichita Falls.

It will be known as the No. 1 Kempf-HBJV Unit. Drillsite will be in an 80-acre unit in the H&TC Survey, A-427. Location is 87 feet from the south line and 811 feet from the east line of Section 61 Block 16.

L&S Drilling of Wichita Falls has abandoned an undrilled location in the Wilbarger Regular Field, about six miles southwest of Harrold. The well had been designated as the No. 5 W.T. Waggoner Estate with total depth projected to 1,999 feet.

Locations have been staked for two 2,750-ft. developmental ventures in the Wilbarger Regular Field, about five miles south of Lockett, with Wills Oil of Wichita Falls as the operator. The wells are designated as the No. 6 and 17 Fluhman "A".

The No. 6 well is in a 40-acre unit in the W.A. McKinney Survey A-1758, while the No. 17 is in a 219-acre lease in the H&TC Survey A-1668. The No. 6 is 490 feet from the south line and 4,100 feet from the west line of the Survey, while the No. 17 is 175 feet from the north line and 330 feet from the west line of Section 108 Block 14.

Sheriff's Report

Wichita County Sheriff's Department reported one incident of criminal activity during the past week in the area surrounding Iowa Park.

Ken Watts of Rt. 1, Iowa Park, reported to deputies that several items, valued at \$2,610, were taken from his property last Thursday. Among the stolen items were a 1965 Massey-Ferguson tractor, 10-foot grain drill, two iron wheels, seven-foot shank chisel, four-wheel tractor with no bed, transmission fluid and tractor wheels with tires.

Sat. 8 a.m. - 4 p.m.

Drilling operations have been concluded at a wildcat venture in Hardeman County, about 2.5 miles south of Chillicothe. Cranford Operating has bottomed its No. 1 Oscar B. Hampton at a depth of 8,518 feet after spudding the well on May 21 of this year. No details on commercial prospects have been disclosed.

Madison Oil of Wichita Falls and Michel Halbouty of Houston have started making for the No. 1 Georgia-Pacific Unit in the Quannah Field, Hardeman County, about three miles north of Quannah. The well will be seeking pay in the Chappel Formation and carries permit for 9,000 feet of hole.

Storm damage reported near Valley View Monday

Several reports of damage were noted, including that of a roof being torn off a home, after spotted showers apparently produced strong winds near Valley View around 8:30 Monday evening.

Ronnie Cravens, fire chief of Kamay Volunteer Fire Department, said a home on Hacker Road, south off FM 1206, had "the roof rolled back" after the strong winds hit the area. He said the storm produced varied amounts of rain in the area and water was standing on Hacker Road and in a nearby cotton field.

A utility pole belonging to TU Electric and also located on Hacker Road was damaged during the storm, leaving some Valley View residents without electricity for up to three and a half hours.

The same storm evidently took the roof off a storage shed and damaged an electrical pole behind a mobile home on FM 1206, and broke high line wires on an oil lease off FM 258, according to Cravens.

Cravens believes the damage was caused by straight winds, and ruled out the possibility of a tornado.

AWARDS PRESENTED - Iowa Park High School students, along with state FFA president Toby Miller, were among some 7,000 members and guests attending the 60th annual state FFA convention recently in San Antonio. Pictured are, back left, Cory Loudermilk, state vice president from Area Four; Cody Franks, Eric Goodwin, James Davis, Ken Schlaud, Kent Kyle and Miller; front row, Reisa Byrd, Brandie East, LaDonna Chandler and Kami Wynn. The awards they hold include Superior Award for chapter safety; Superior National Chapter rating, and Bronze Award in the State Building Our America Communications Program.

HONOR RECOGNITION - Three Iowa Park FFA members were selected to the Courtesy Corps during the state convention. They are Cody Franks, left, Eric Godwin and Kent Kyle, with Ray Dillard, Area Four Courtesy Corps Advisor and new Vocational Agriculture teacher at Iowa Park High. The Courtesy Corps was responsible for controlling and assisting the 7,000 members and guests at the convention.
