## AT BI-DISTRICT

# Hawk-Rocket battle to feature defenses

Iowa Park's Hawks will take on the high-flying Robinson Rockets in Area action Friday night at the Weatherford High School stadium.

Kickoff time will be 8 p.m. The Dist. 7-AAA champions went into Bi-District play with a healthy 9-1 record, and defeated Marble Falls 34-6 to advance into tomorrow's contest.

Coach Paul Hurst returned five two-way starters from last year's 5-5 club, and the team hadn't found its way in the first game. Turnovers led to the team's 27-7 loss.

But they rebounded the next week with a 43-14 win over Hillsboro and wound up non-conference play by defeating Groesbeck, 13-7.

The Rockets opened district play with a 20-9 win over Connally, another Waco suburb which finished runner-up to Robinson in the final loop standings.

A defensive battle followed, with Robinson edging perennial power McGregor by a narrow 6-2 margin.

The Rockets shut out their next two opponents, Whitney and West, 42-0 and 48-0 respectively, before another defensive battle with Marlin. Coach Hurst rated Marlin the toughest opponent of the year after beating them 7-3.

The club then wound up the regular season with wins over Gatesville, 17-6, and La Vega, 14-0.

Coach Hurst is proud of his defensive platoon, pointing out only three touchdowns have been scored

from scrimmage against his club since the Midway game.

He backs his pride by pointing out the Rockets have allowed their 11 opponents only 6.7 points average through the season.

The "hoss" of the club is tailback Clifford Horne who uses his 205 pounds both to carry the ball and as linebacker. He has been timed in the 40-yard dash in 4.6 seconds.

Brad Boozer, who plays split receiver and defensive halfback is also the team's kicking and punting specialist. Hurst credited Boozer with having won several games with his long soccer kicks.

The Rocket offensive line ranges in size from 175 to 215 pounds, according to Hurst.

But despite their lack of size, he said the team stays on the ground mostly with a highly successful running attack.

The Rockets run the veer and "I" offensive formations.

Asked how his team feels about meeting the Hawks tomorrow, Coach Hurst, contacted yesterday afternoon, said "Our kids feel good about it. We feel we have a chance to win, anyway, and that's half of it."

Hawk scouts feel good about the game, also, indicating the Rockets should prove no more an obstacle than did Ballinger, if Iowa Park plays the same brand of ball as last week.

The Hawks are now 8-2-1, and will be playing in the Area game for the second consecutive year. They

were knocked out of the playoffs last year, 21-14, by Ballinger, at Weatherford.

Other than the usual sore minor sprains and sore muscles, both teams are expected to be at full strength Friday night.

The winner of the game will meet the winner of the Kermit-Friona game next week in Region.

### Facts about the football game

Iowa Park will be the home team, and fans will sit in the north stands.

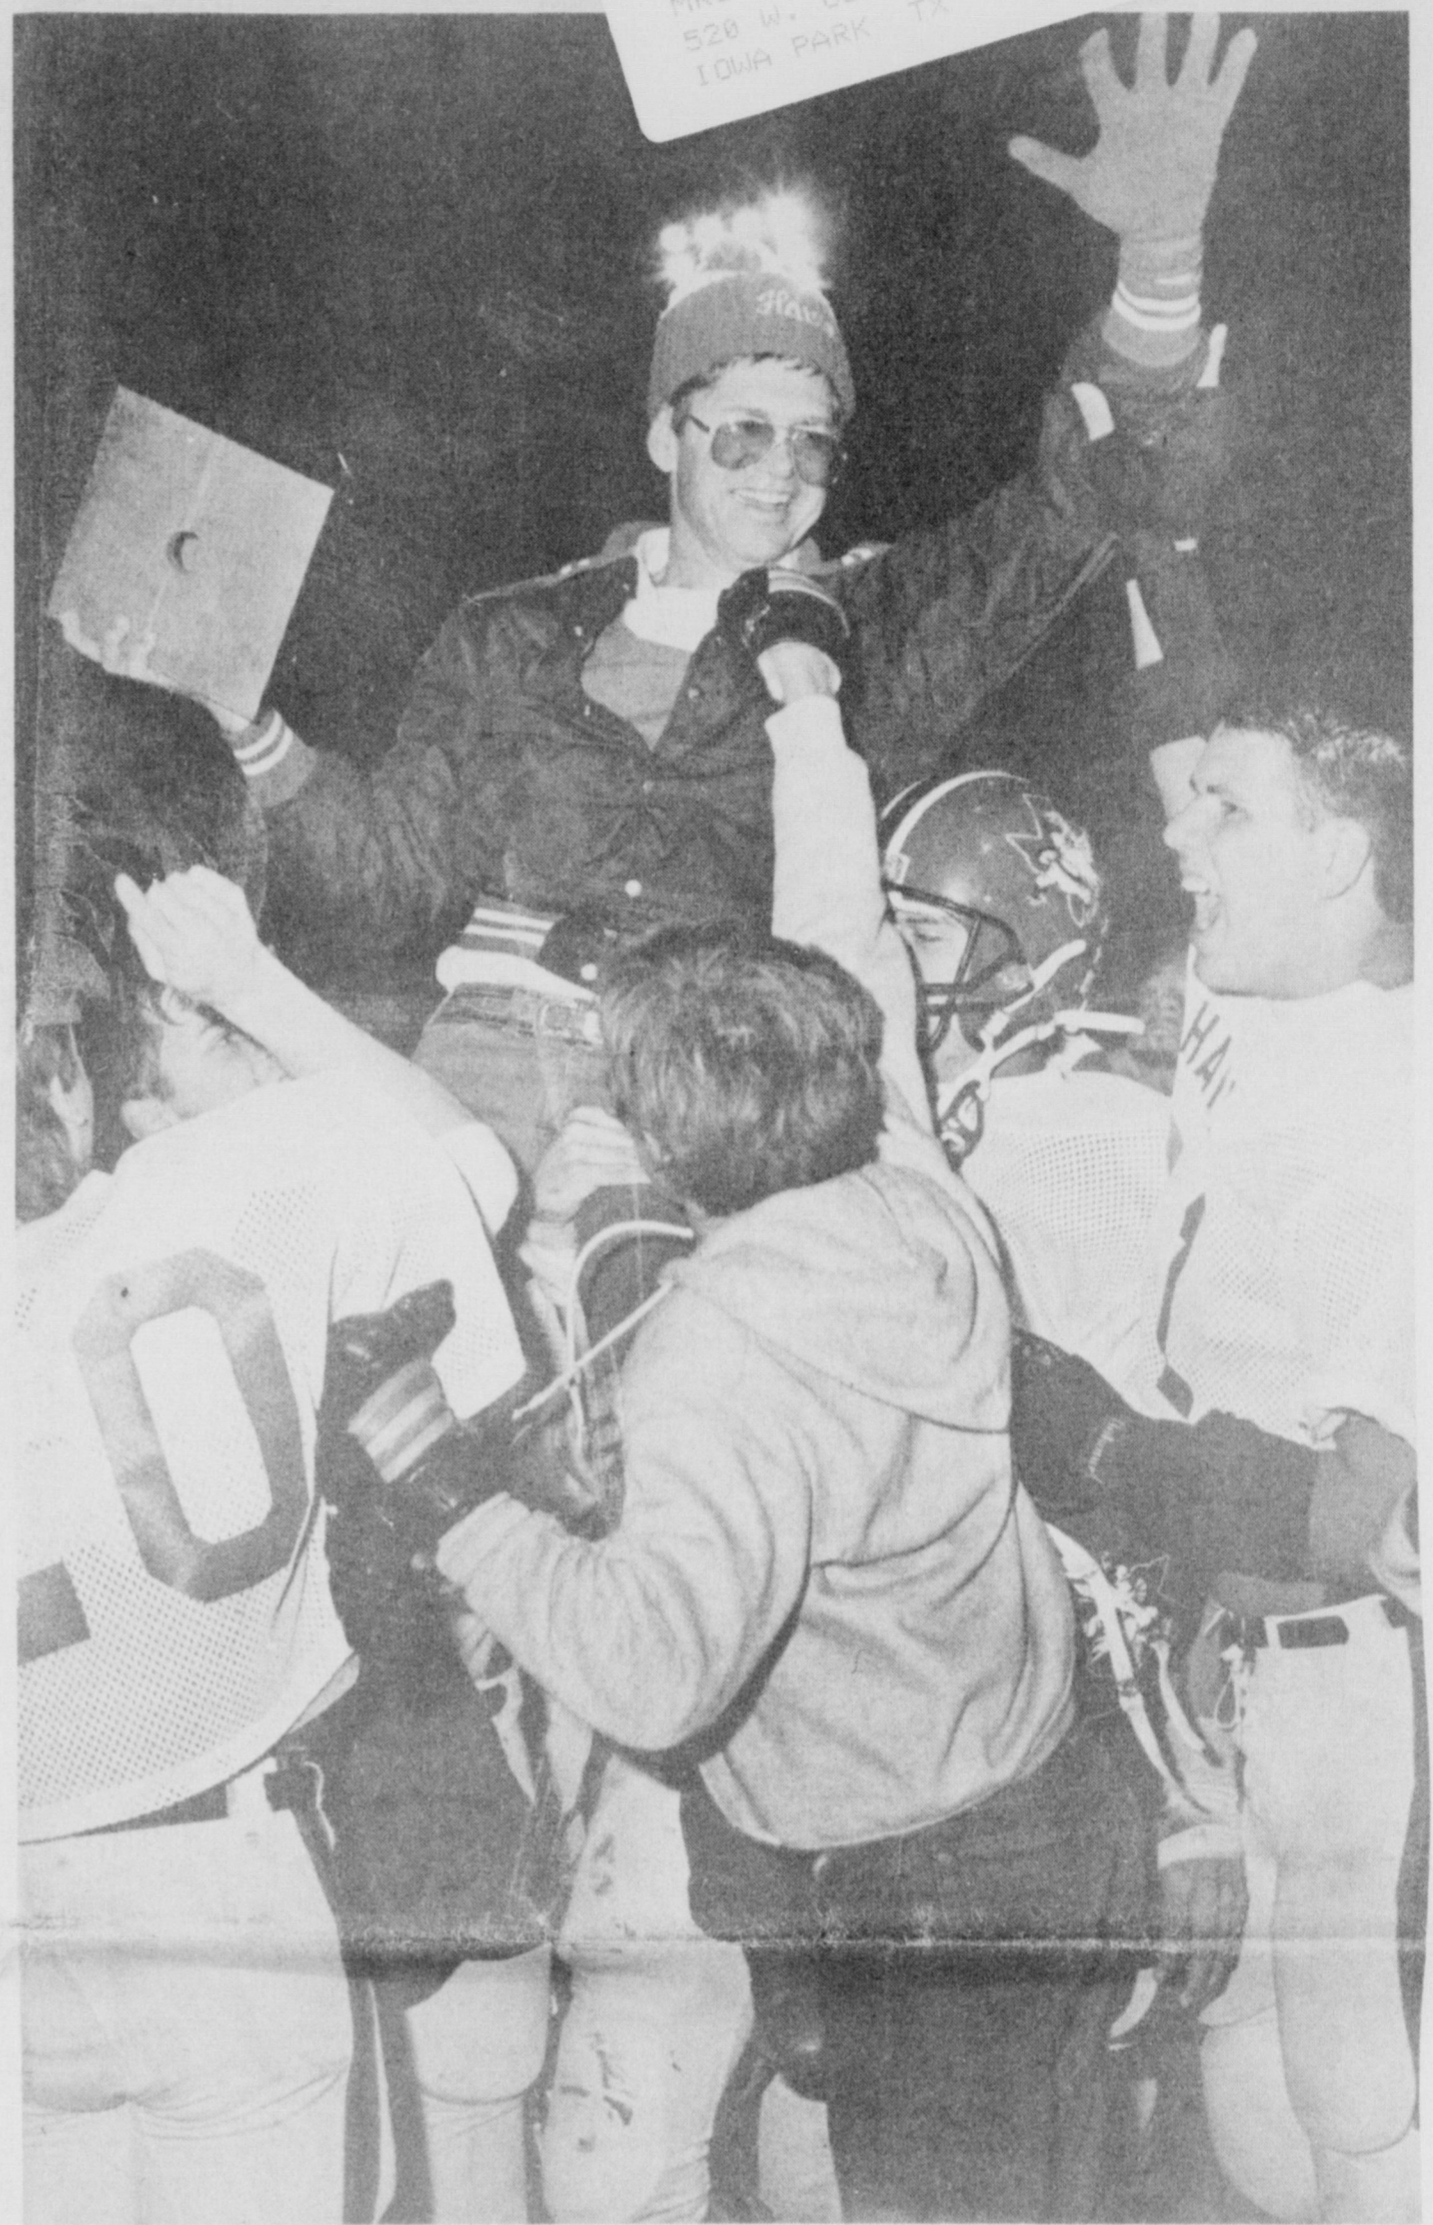

Tickets purchased in advance at the Iowa Park High School principal's office are \$4 for adults and \$2 for students. All tickets purchased at the gate will be \$5.

Tickets will remain on sale here until 3 p.m. Friday.

Schools will be dismissed one hour earlier than regular times Friday afternoon.

A giant pep rally and bonfire will be held at 7 this evening at the vacant lot north of Ken's Pizza, where the homecoming bonfire was held.

The Weatherford football field is about six blocks south of the courthouse.

## Burglaries, thefts keeping police busy

Burglaries and thefts continue to occupy Iowa Park police for the second consecutive week, as six such incidents were reported since last Wednesday.

Connie Hudson, 713 S. Wall, told police Thursday someone stole her stereo and equalizer.

That evening, David Williams reported to police that someone had burglarized his vehicle while it was parked at the high school.

Taken was a AM/FM cassette stereo. His chrome steering wheel was apparently damaged during the theft.

Hub caps were taken sometime Saturday night from the car of Darrell Jolly, while parked at 113 James. The loss was set at \$150.

Electrical supplies were taken from a garage at 1309 Mockingbird, Carolyn Ashford reported.

Two tires on rims, valued at

\$90, were reportedly taken from the yard at 314 E. Pecan, D.A. Hill reported.

Someone burglarized a mobile home last week at 309 W. Crystal. Mary Messer said only food items, such as canned goods and meats, were taken.

Two women were arrested on outstanding warrants from other cities during the past week.

Cynthia Louise Mertel, 19, was taken into custody at 2:49 a.m. Friday at the Access Road and Gordon Lake on warrants from Archer County.

She was released after posting \$72 in bonds for violating drivers license restriction and failure to

appear, according to the police blotter.

When Carolyn Frances Devillier, 47, was stopped for a traffic violation at 12:33 a.m. yesterday, officers learned she was not only wanted by the sheriff's office in Waco, but other charges were filed locally.

She was wanted for criminal mischief and had a cash-only bond set on her for \$1,000 by the Waco office.

To that, local officers charged her with public intoxication, \$112.50 bond, and unlawful carrying of a weapon, a highpowered .22 pistol.

Taken before Justice of the Peace Virgil Hill, she was put under \$1,500 bond and transported to Wichita County jail.

## Aldermen face lengthy agenda Monday night

A lengthy agenda faces the city council Monday evening, after not having met since Oct. 27.

The meeting, which will begin at 7 p.m. in council chambers, will include three resolutions, one ordinance, four bids, five requests for action, an appointment and an executive session.

One of the resolutions is connected with the appointment topic. Aldermen are expected to take the same action as the school board last week and appoint Alderman Bud Mercer to the Appraisal District Board.

The resolution will commend Stanley Williamson for his service on the Board, having represented the city and school since the Board's creation.

Another resolution authorizes

the city to participate in the Wichita County 911 Communication District, which was approved by voters in the general election.

The third resolution calls on the state legislature to fund mandates of the state imposed on municipalities.

Aldermen will be asked to consider purchasing of a sport/utility vehicle for the public works director and additional trash containers.

Council authorization will be sought to advertise for bids to construct a water line improvement along South Wall, and for sidewalks and parking facilities around city hall.

The ordinance to be considered is to rezone a portion of the city-owned property on the northwest corner of

Fourth Street and West Highway.

When that is done, consideration of a request from Daryl James to lease the property on a year-to-year basis for a used car sales lot will be requested.

A request from Bill Gilmore, as president of Highland Cemetery, will be considered. Gilmore will ask that the old concrete street markers be given to the cemetery for road markers at that facility.

Ira Hambricht will request that the small living quarters at the library be used for Boy Scout meetings.

Authorization for the city administrator to enter into a lease agreement with the Iowa Park Trap Club will be requested.

And authorization for an amendment to the group medical insurance to modify coverage to include cost containment provisions and reduce premiums will be asked.

### Leader to print early next week

The Iowa Park Leader will observe an early publication date next week, in order for readers to have their papers in time for Thanksgiving.

All deadlines will be moved up one day: news and display advertising 4 p.m. Monday; classified advertising noon Tuesday.

The paper will be printed Tuesday evening for distribution in the mail and on newsstands Wednesday.

### Thanksgiving service Sunday

The community-wide Thanksgiving Service will be held at 6 p.m. Sunday at Lakeview Church of God, sponsored by the Iowa Park Ministerial Alliance.

Michael Grubbs, pastor of First Christian Church, will be preaching.

An offering will be taken for the relief of local persons in need.

Lakeview Church of God seats over 400 people.

## SHOP IOWA PARK FIRST

### NO OTHER NEWSPAPER IN THE WORLD WOULD MAKE THAT STATEMENT

# Reeves, Hoye wedding vows solemnized Saturday

The sacredness of marriage characterized the ceremony, decorations and music, each phase lending itself to the general design to achieve a total effect of solemnity and beauty for the Saturday wedding of Miss Galynn Reeves and Joseph Stanley Hoye. The First Baptist Church was the setting for the wedding.

Rev. Howell Farnsworth, pastor of the First Baptist Church in Floydada, was the officiant for the double-ring service that united the daughter of Mrs. Donna Byrne of Wichita Falls and Raymond L. Reeves of Iowa Park and Mr. and Mrs. Stanley Hoye of Electra.

The setting for the ceremony was created by a brass archway traced with boxwood accented with white wild roses. Tall white candles glowed in seven-point candelabra on either side of the archway to provide soft illumination. The decorations in the lower altar featured arrangements of white and red mums, white daisies and snapdragons centered with large red satin bows raised by tall brass footed stands.

The three-branched candelabrum held the unity candle lighted by the bride and groom at the close of the ceremony with the outer candles that had been lighted by Kelly Reeves and Terry Hoye, brothers of the couple, after the mothers had been ushered and seated. Before lighting the candle to symbolize their union, the groom presented a rose to the bride's mother and she followed with the presentation of a rose to his mother.

The candles for the service were set ablaze by Christopher Wheeler, nephew of the bride, Jefferson Hoye, Eric Yunag and Justin Yunag, nephews of the groom.

As wedding guests entered the sanctuary, they were inspired by the organ music of Mrs. Kenneth Via,

Mrs. Joseph Hoye

her selections including "Thanks Be To Thee," "Jesu, Joy of Man's Desiring," "Fanfare," "We Pray Now to the Holy Spirit" and "Arioso." She included the traditional processional and recessional by Wagner and Mendelssohn in her offerings.

Mrs. Glenn Schell, pianist, Miss Cindy Harper and Buddy Mercer, vocalists, provided the other music featuring a solo "My Only Love" by Mercer, "Nobody Loves Me Like You Do," a duet number, and "A Time for Joy," a solo by Miss Harper.

The bride's father walked with her to the altar and presented her in marriage. She was an exquisite picture in a formal gown of white chiffon and cluny lace enhanced with Scarlett O'Hara sleeves and chiffon bows on the shoulders. A peplum pickup revealed a skirt of multi rows of cluny lace baby ruffles accented with hand-rolled organza flowers that flowed into a cathedral train.

The beauty of the bride's costume was brought to perfection in her headpiece and bouquet. She wore a white lace cap sparkling with iridescents featuring a bow at the back to secure her blusher, waist and full length illusion veils. She carried a cascade of red roses, white baby's breath with complementary ribbons.

The bride kept traditions by wearing a strand of pearls for "something new"; two pennies in her shoe, one dated the year of her mother's birth and the other the year of her father's for "something old"; her mother's ruby and diamond ring for "something borrowed"; and a garter for "something blue."

The bridal attendants wore splendid red sheer tea length dresses detailed with Schiffl embroidered bodices accented with scalloped bateau necklines, double layer ruffled sleeves and basque waists. They carried single long stem white roses to complete an imposing picture.

Mrs. Gerald Hohfeld was the matron of honor, Mrs. John Rasile and Mrs. Daniel Meissner, sister of the bride, were bridesmaids.

Mrs. Angela Wheeler, niece of the bride, the junior bridesmaid, was attired in a tea length white sheer dress trimmed in red, fashioned with a full skirt of tiered ruffles and carried a red rose.

Andrea Murray of Midland, niece of the bride, the flower girl, wore a white Chantilly lace eyelet dress with a distinctive apron effect. The bodice, styled with a slightly raised waist and sheer ruffled sleeves, topped a full flowing skirt. She carried a white Chantilly lace basket accented at the top with a ruffle trimmed with red rosebuds. In the basket were petals from the roses grown in the groom's parents' garden.

Jonathon Hoye of Dalhart, nephew of the groom, wore a white tuxedo with ruffled shirt as he served as ring bearer. He carried a white

satin pillow overlaid with lace centered with small red rosebuds and double wedding rings. The pillow and flower girl's basket were made by the groom's mother.

The groom wore a traditional black tuxedo with tails, white shirt, black cummerbund and bow tie. His boutonniere was a red rose with baby's breath and greenery.

His attendants, ushers, candle-lighters and fathers wore black tuxedos with red bow ties and cummerbunds and white rose boutonnieres.

Kevin Sindt of Lyman was the best man. The groomsmen were Terry Hoye of Dalhart, brother of the groom, and Greg Hawkins of South Lake. The junior groomsman was Aaron Murray of Midland.

The ushers were Kelly Reeves, brother of the bride, Doug Cassidy and Ezequiel Bernal, brother-in-law of the bride.

The brides' mother wore a mauve silk tea length dress and a corsage of white pixie carnations. The groom's mother chose a black crepe tea length dress accented with turquoise and gold designs and a peplum that dipped in the back. She wore a red rose corsage.

The bride's family hosted the wedding reception held in the Fellowship Hall of the church where Mr. and Mrs. Bob Dawson assumed host and hostess duties.

The artistic and effective decorations presented the red, white and black wedding colors at their best.

The bride's table was covered with a white lace cloth brought from Germany over red satin, the lace accented with large satin bows at intervals. The distinguishing mark of the table was the cake in the center decorated in a restrained style pleasing to the most refined taste. The white confection was pettily tiered with four layers, each circled with cascades of red roses with pale green leaves, garlands and shells. Two sets of Grecian columns sifted layers to show tops decorated with clusters of the flowers, and the top ornament provided a romantic touch with a porcelain bride and groom standing under a lacy heart.

The collector's Westmoreland red glass trophy bowl and Argonaut serving dish that held the rose and heart-shaped mints added special

interest to the table. The red was repeated in candle holders with tall white candles on either side of the cake and in the rim of the crystal punch bowl. The white napkins were marked with a red rose design, "Our Life Our Beginning, Galynn and Joe, November 15, 1986."

A large framed portrait of the bride stood on an easel between the bride's and groom's tables.

The groom's table was covered with white lace over black. His horseshoe-shaped white cake was covered with strawberry cream frosting dotted with colorful candied fruit and surrounded with sugared grapes. The table also held red Mosser glassware, V candlestick holders, silver coffee service and the napkins.

Refreshments were served by Deana Lewis, Leigh Ann Bernal and Mrs. R.W. Koehler.

Houseparty members were Mmes. Clyde Patterson, Pete Hughes, Robert McIlroy and Cloyd Dodd.

Miss Rayna Echols of Holliday directed signatures of wedding guests in the foyer before the ceremony. She sat at a round table covered with white satin accented with a lace ruffle around the top. It held the book and red plume pen.

The groom's parents hosted the rehearsal dinner Friday evening at K-Bob's in Wichita Falls.

When the newlyweds departed from the church for Jamaica, two hundred helium balloons were released. The bride was wearing a white winter suit with a red blouse.

The bride was graduated from Hirschi High School and Midwestern State Univ. with a degree in business administration. The groom attended Iowa Park High School two years and was graduated from Gridwell, Iowa High School. He attended Iowa State Univ. at Ames and received a degree in agronomy from Texas A&M Univ. They will live at Grant, Iowa where they will be working for Hoye, Inc.

A large host of relatives and friends from Iowa and towns in Texas were out-of-town wedding guests. These included Messrs. and Mmes. D.V. Yeager, Harold Vaughn, Wallace Hoye, Terry Hoye, Jeff and John, Steve Murray, Andrew and Andrea, James Yunag, Eric and Justin, Pat Hoye, Kevin Osborne and Dave Hoye.

A son, Cameron Vance, was born to Mr. and Mrs. Vance Nault Nov. 14. He weighed seven pounds, three ounces and has a sister, Shae Lynn, five years old. Mrs. Nault is the former Debbie Washburn.

Grandparents are Mr. and Mrs. Terry Nault and Mr. and Mrs. Larry Washburn, all of Iowa Park. Great-grandparents are Mr. and Mrs. E.C. Epps of Chattanooga, Ok., Mrs. W.H. Washburn of Whitesboro and R.T. Stevenson of Sacul.

Amy Leigh, a 10 pound, four ounces daughter, was born to Mr. and Mrs. Charles Beggs Nov. 18. She has a sister, Amanda, three years of age.

The grandparents are Mr. and Mrs. Jerry Beggs of Iowa Park and Mr. and Mrs. Joe Carroll of Wichita Falls. The great-grandparents are Mrs. Eva McBroom of Iowa Park and Rev. and Mrs. G.E. Emberson of Wichita Falls.

## BW study continues

Mrs. V.I. Woodfin continued the study of a "Measure of Success" by Roberta McBride Damon for the night BW of First Baptist Church in a meeting held Monday at the church. Mrs. C.L. McKinnon and Mrs. Homer Blalock served as hosts.

The foreign mission book from which the study was taken deals with the lives and experiences of Wally and Betty Poor, a missionary couple serving in Monte Video, Uruguay. The theme of the study Monday stressed how visitation was the key to their success.

It also emphasized how their efforts had been responsible for starting Bible correspondence courses, religious radio programs,

building a new church building "New Dawn" after having held meetings in a building that once was a shoe factory and a storehouse for lumber.

Mrs. Terrel Silvers directed the business and Mrs. E.T. Patterson was in charge of the missionary birthday calendar. Members brought articles of clothing for the Wichita County Welfare outreach project.

During the social hour, refreshments were served from a table decorated in the holiday theme with Thanksgiving baskets filled with fresh bronze and gold chrysanthemums and turkey and pilgrim accessories.

Fifteen members were present.

## Cook of the Week

It seems that people either like or dislike eggplant. Those who like it probably prefer it in casseroles or fried. It seems that it has never played an important part of the American diet, though it has gained a little ground in recent years.

The people who do like eggplant will probably like Mrs. Clyde Cole's Eggplant Parmigiana recipe in this week's Leader.

The humble eggplant has been introduced in at least two countries, France and the United States under illustrious auspices. Louis XIX liked to see rare and unknown foods on his table, and the one in charge of the royal gardens gratified him by being the first to plant eggplant in northern France.

Thomas Jefferson, a tireless searcher for new foods, had seeds and cuttings of plants unknown to the New World sent to him regularly from abroad. Among these which he experimented with at Monticello was the eggplant.

The eggplant is a native of southeastern Asia, probably India, where it is believed to have been cultivated several thousand years ago. It cannot be said that it was received with enthusiasm where it spread to. It appeared on a menu given by Pope Pius V in 1570 though it did not attain the gastronomic peaks in that country it has reached in the Middle East.

Delores Cole, who has been employed at PPG for 10 years, was graduated from Hirschi High School. She is a member of Grace Baptist Church, and her hobbies are canning, cooking, crocheting and collecting chickens. She and Clyde have one son, Charles, a junior high student.

**EGGPLANT PARMIGIANA**  
1 eggplant, cubed, boiled for about 10 minutes and drained, (do not peel)

In a skillet, cook 1/2 onion in butter, add 1 1/2 cup bread crumbs and mix well, add 1 can whole tomatoes. Over low heat add eggplant, 1 tsp. dried basil leaves and 1 tsp. dried crushed oregano leaves.

In a greased baking dish, put in half of eggplant mixture, top with

Mrs. Clyde Cole

and ham cubes separately in a fry pan and set aside. When rice is tender add all ingredients. Cover and let simmer about 5 minutes.

### STRAWBERRY CAKE

1 box strawberry cake mix  
1 large carton Cool Whip  
2 small pkgs. frozen sliced strawberries, thawed

1 cup pecans, chopped

Bake cake according to package directions in large oblong pan. Let cool completely. Spread strawberries over cake, juice and all, then spread with Cool Whip and sprinkle with pecans. Refrigerate.

### CHICKEN NOODLE CASSEROLE

1 chicken, boiled and cut into pieces  
1-12 oz. pkg. noodles, cooked in leftover chicken broth, drain and save broth

1 can cream of mushroom soup

3/4 cup diced celery

1/2 onion, diced

1 small jar sliced pimiento

8 slices cheese, grated

Mix all ingredients together, reserving half the broth and cheese. Put into a large baking dish and top with remaining cheese. If it seems dry add a little broth. Bake about 30 minutes at 350 degrees.

### BUTTERMILK PIE

3 cups sugar

6 T flour

1 cup buttermilk

Mix above ingredients, then add:

4 well beaten eggs

1/2 cup melted oleo

1 tsp vanilla

1 1/2 cup coconut or 1 small can crushed pineapple, drained

1/2 cup lemon juice

Pour into two unbaked pie shells. Bake at 350 degrees for about an hour.

layer of Mozzarella cheese and sprinkle a layer of Parmesan cheese over it.

Add remaining eggplant, layer of Mozzarella cheese and layer of Parmesan cheese. Bake at 350 degrees 30 minutes.

### BROCCOLI-RICE

1 pkg. frozen chopped broccoli, cooked. Saute in:

1 T butter

1/3 cup chopped celery

1/3 cup chopped onion

In a skillet over low heat, heat 1 can cream of mushroom soup until creamy. Add 1/2 cup Minute rice and 1/2 of an 8 oz. jar of Cheese-Whiz, stir in other ingredients.

Pour in greased casserole dish and bake uncovered 30 to 35 minutes. You may add a little water or milk before baking it if you think it needs it.

### HAM IN FRIED RICE

Salt and pepper

6 green onions, chopped

Garlic to taste

Soy sauce to taste

6 scrambled eggs

1 large bell pepper, diced

3 cups ham cubed

1 small bag rice

3 T. butter

In a wok, brown rice in butter, add enough water to make rice tender. Cook the onions, eggs, bell pepper

## Craft ideas offered for Christmas

Mrs. Suzaan Rogers of Wichita Falls presented a program on Christmas craft ideas for the Iowa Park Garden Club Friday morning.

She showed several gift ideas and gave instructions on how to make them. She explained that all of the items could be easily and inexpensively made and were great for party favors, table, package or tree decorations.

Mrs. Rogers said one of the joys of the season was giving baked goods to friends and relatives, and since purchasing containers was rather expensive she used plain brown paper lunch sacks and sticks a holiday pattern on each of them.

She showed several sweat shirts with cross stitch, splatter and puff paint on them stating that they were in vogue now and made nice Christmas gifts.

During the business, Mrs. Jimmy Gilmore, president, read the thought

for the day "No Garden Is Complete, Of Course, Without Turnips." Nineteen members answered roll call with their favorite Thanksgiving foods.

A nominating committee composed of Mmes. Frank Harlin, Don Owens and China B. Smith was elected.

Mrs. Harlin announced that each member is to bring a Christmas ornament to the library by Dec. 1 and that they would be used to decorate the tree there. Mrs. Don Owens, Arbor Day chairman, appointed a committee to choose a live Christmas tree which will be used in the children's section of the library during the holidays.

Mrs. David Davis, conservation chairman, gave a report on Austin's Wild Basin Wilderness Preserve, the 200 acres classified as the tenth and most important urban natural area in the state. She said that it was on the eastern edge of Edward Plateau six

miles from downtown Austin, and has been dedicated to environmental education of both children and adults.

Mrs. Davis said that Wild Basin will soon be enhanced by the addition of 5,000 square feet interpretive center and that native trails will lead from the center, including a handicapped accessible trail. The Texas Garden Club, Inc. will fund native landscaping when the center is complete.

Mrs. Owens and Mrs. Joe Kennedy were hostesses for the meeting held in Texas Electric Reddy Room.

The Dec. 12 meeting will be a covered-dish luncheon in the home of Mrs. Don Decker.

# As I See It....

By BOB HAMILTON

Before you start thinking I've left off part of the school's name we're playing tomorrow night, in my front page story about the Hawks, don't.

The school district's name is Robinson, not Waco Robinson. The Waco is dropped in for location purposes, not because it's part of Waco.

It would be like saying Wichita Falls Iowa Park. And how would you feel about that?

There are a lot of similar school names, such as Lubbock Cooper and Abilene Wylie. Both are independent school districts.

And while we're talking about tomorrow's game, even if you don't care about football, the halftime show will be worth the trip to Weatherford.

We'll have two of the top five Class AAA marching bands in Texas appearing.

Iowa Park's Mean Green Marching Machine, you will recall, placed second in the state marching contest. Robinson placed fourth.

I doubt there'll be another field with that kind of talent on it for a halftime show anywhere in the state tomorrow night.

Now that the Hawks have their revenge with Ballinger, it's time to overcome last year's loss in the playoffs another way: to win at Weatherford.

Last year was the first time ever for Iowa Park to lose on that field. We played the Weatherford Kangaroos several times there, and never lost.

Seems like everyone's walking about six inches taller, following that big Bi-District win over Ballinger. And the coffee talk is all about football, rather than the weather.

Boy, it's great to be in the playoffs again, and getting Iowa Park

back on the state map in football. Shades of '69 and '70.

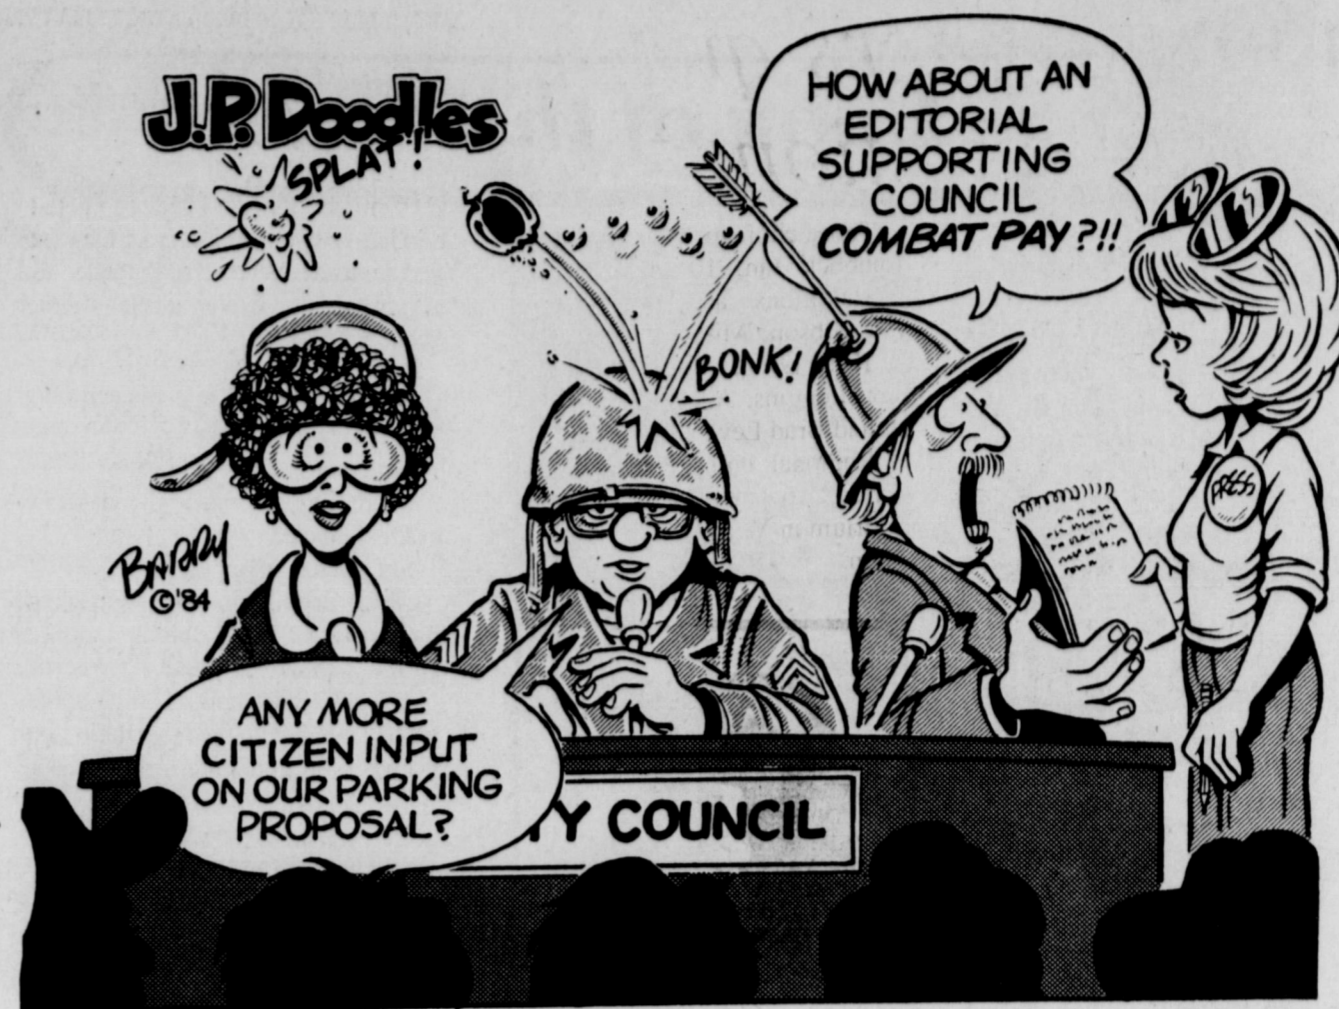

If you've never been to Weatherford before, I'll tell you the easiest way both there and to the field.

I've found that traveling to Springtown and turning south at the traffic light is the easiest. It's a nice road all the way into Weatherford.

Stay on that road all the way to the circle around the courthouse. Take the circle to the opposite side, and continue south. You'll pass a number of eating places before reaching the high school, which will be on your left.

The stadium is behind the high school, and parking is available in front of the high school and both on the side and behind the stadium. There is also a ticket window on the back side of the stadium, if you park back there.

We'll see you at Weatherford!

## Apology from Gen. Sheridan

A.C. GREENE TEXAS SKETCHES

One of the most famous remarks ever made about Texas came from Union Army General Philip Sheridan, military governor of Texas and Louisiana for a period during the Reconstruction era following the Civil War, who bitterly compared Texas and Hell as places of residence. The remark has achieved such legendary status that some historians, in and out of Texas, have questioned whether it was actually made by Sheridan or was only words put in his mouth by later writers.

But in 1880, on a visit to Galveston accompanying former President U.S. Grant, Little Phil, as he was called, admitted making the quip, but attempted to explain it away. Sam Acheson's book, *35,000 Days in Texas*

describes how it happened. Speaking at a public dinner at the Tremont Hotel honoring him and President Grant, Sheridan's talk was filled with sentiments flattering enough for any Texan, and in conclusion he told his (mostly) ex-Confederate hosts, "Speaking so kindly of Texas — and I speak from my heart —

and day. It was in August and, need I say, very warm. I arrived here covered with dust, my eyes and ears and throat filled with it. I went to a little hotel in that condition and had just gone up to the register when one of these newspaper men rushed up to me and said, 'General, how do you like Texas?'

"I was mad and I said, 'If I owned Texas and all Hell, I would rent out Texas and live in Hell.' Needless to say, that did not represent my true opinion of this magnificent State." Sheridan was given a standing ovation.

Distributed by The Dallas Morning News

### Misunderstanding

Dear Sirs,  
I am concerned that there has been a misunderstanding about the support that the volunteer fire departments in Wichita County are receiving from the County Commissioners.

I have been in the volunteer fire service for the last 8 years. I am a certified volunteer firefighter, certified by the State Firemen's and Firemarshalls Association of Texas. I am a past president of the Wichita County Volunteer Firefighters Association, also sat as a representative for that association for 2 years; past president of West Texas Firemen and Firemarshalls Association and sat as vice-president for 4 years for that association. So I feel that I am qualified to address this subject. Maybe you should ask Mr. Darrell Wallander his qualifications.

In the past 8 years the County Commissioners have done nothing but totally support the volunteer fire service. Money and equipment have been appropriated every year and I know of no request that has been completely rejected by the Commission.

The request made for 16 air packs was NOT turned down but cut down to 12. Do not be misled that the Wichita East Department does not have air packs, because they do. These 12 air packs will be distributed to the 4 rural fire departments (Cameron Gardens, Wichita East, Wichita West and Kamay). I know of no business or government agency in North Texas that has not cut back on spending in the last year. The Commissioners did not say they would not buy 12 more next year to add to these 12. But, Mr. Wallander has tried to embarrass and harass these men to the point of checking to see if they will spend any money on volunteer fire services because of the liability of being in fire service business.

If this happens I can name at least 4 departments that will be severely hampered by this. This man is not a representative of the volunteer firefighters of Wichita County. I have called all but 2 Department Chiefs and discussed this with them and they all said he is NOT representing their departments. If this man is representing his department, he needs to address this issue for only his department and not concern himself with the rest of the departments in Wichita County and go through the proper procedures to request their equipment. I feel sure they will receive nearly anything they request that is in reason. It would be nice for every department to have all new trucks and equipment they desire, but that would cost millions of dollars to acquire.

In the last five years, the County has spent in excess of \$400,000 in support of volunteer fire services and Mr. Wallander is putting all of this in jeopardy because of his constant harassment of these gentlemen.

A request for equipment has always been made to the Wichita County Volunteer Fire Coordinator, Sidney Smith, put into the budget

and presented to the Commissioners for approval. Anything from rescue equipment to new fire trucks have been approved and received. Now all this has been put into jeopardy because of this one man not following the way all of this has been acquired but, appointed himself to go before the Commissioners, voice his opinion. The air packs have been in the County budget since January 1, after 10 months he decides to appoint himself to get these bought. What was he doing the first 10 months?

You can be assured that Wichita County has the finest, best equipped and best trained volunteer fire service in North Texas and Southern Oklahoma and possibly in the State. These men spend more hours in training (rescue and firefighting) for free. There is not a more dedicated bunch of men and women anywhere in any volunteer service that will leave their families, day or night, hot or cold, to help someone. These people deserve to be congratulated for their efforts, but not be put into jeopardy by this one man. Be assured, the people of Wichita County are protected and the Cities and County will do their best to keep it that way.

Gret Lynn  
Electra Volunteer Firefighter

### Column appreciated

Dear Mr. Hamilton,  
Your column about the school district was greatly appreciated by the personnel of the Iowa Park School District. We too are proud of our students' accomplishments.

I would like to take this opportunity to thank you and your staff for the fine coverage we have received in your newspaper. Community support is a critical factor in the success of any school district and the people of Iowa Park stand tall in this regard.

We are eagerly anticipating the coming events of this year and the years to come because we know with your support, community support, and the efforts of our students and teachers, Iowa Park Schools will remain Number One.

Sincerely yours,  
Robert Palmer  
Assistant Superintendent

### Likes positive articles

Dear Bob:  
Your November 13, 1986 issue was the best and most enjoyable one you folks have published! Maybe having the election out of the way has cleared the air and your paper of so much negativity; its fun to read all the positive articles about our home town. The Hawks are winning, the Junior Varsity is unbeatable, the Holliday Eagles are at state level, the P-wk Band is tops and everyone is happy, including the City Administrator. Iowa Park is the only city in the county with a sales tax increase (thanks, Wal-Mart!) Even your editorial was positive this time, bragging on the school, the F.F.A. and the choral department. It certainly is

Youth Appreciation Week. You're right to also brag on parents who are interested in their children. The Iowa Park school system is why I chose to move here instead of another town.

Thanks for giving the directions to the out of town football stadium. Even if we have gone there in years past it is good to have reminders of the best routes, and I found Holliday's game site listed in two places this time.

I appreciate the front page emphasis on the cooperation between Iowa Park and Wichita Falls in the Chamber of Commerce activities. We do better to consider ourselves part of the North Texas area rather than whine about there being other municipalities in our county. When it comes to competition, we can be proud of ourselves here in Iowa Park. Way to go Bob!

Earl  
E.F. Watson, M.D.

(EDITOR'S NOTE: Earl, the news business is kinda like health care. We love to write about good news as you like to tell of a good diagnosis to one of your patients. But when the news is bad, we both must tell it, however painful.)

## Worth Quoting

Why is it that federal spending cannot be brought under control? One small example can be found in Fort Worth where Rep. Jim Wright has engineered another \$7.5 million gift from the U.S. taxpayers to spend on restoring the Fort Worth Stockyards. The stockyards area has a history in Fort Worth and is still a popular place to go because of Billy Bob's honky-tonk and the Cattleman restaurant. But it hasn't handled cattle for a while and the last packing plant there closed in 1965.

Local developers bought up a lot of this property and by calling upon friend Jim, have now received about \$20 million from the federal government through the Economic Development Administration to restore this area and promote tourism there. Well, \$20 million is not much by government standards, but it ain't hay, either. The money from Uncle Sam is going to pave streets, build roads, lay water lines and convert former horse and mule barns into restaurants.

The Stockyards are no doubt good for Fort Worth. But why should we in Perryton be called upon to pay for all this?

If anyone wonders why federal spending is out of control, this is one small example, multiplied by similar projects across the land where influential Congressmen take care of their home districts. HAROLD HUDSON  
Perryton Herald

## Choir for s...

The Iowa Cappella Choir proud after qualified for the seven of those auditions at a day in Abilene. Soprano Tina Escue, Donna Gibson, Altos were Mrs. Sheri Cravens, John Te Jacobi and among the qualifiers were Thames, Clint Ward. The top vocal position spot to audition

## Members to give

The Modern met Thursday Mrs. Kay Col was the co-host. The busi conducted by The hymn of Madest Earth Reginald Hebe House and sung Plans for were discussed members to br the Wichita Fa for guests to meeting. During refreshments centered with out fruit, appointed the

## Recognition for eight

Eight students will night by the Club, in observation week. Those to abilities and Amy Berry, d Ronnie Berry of Mr. and Steve Catlin, Steve Berry, daughter of Hedrick. Also, Lis Mr. and Mrs Galloway, son Galloway; G of Mr. and M Robert Adams N.E. Adams. The band Iowa Park Center.

## Choir members qualify for state auditions

The Iowa Park High School A Cappella Choir has reason to be proud after 16 of 21 members qualified for the Region 2 Choir and seven of those qualified for state auditions at competition held Saturday in Abilene.

Sopranos qualifying include Tina Escue, Shelly McQuerry, Donna Gibson and Dee Ann Todd. Altos were Missy Logan, Lisa Cook, Sheri Cravens and Alicia Forsyth.

John Teel, Kyle Long, Andy Jacobi and Randall Elliott were among the qualifying tenors. Bass qualifiers were Brad Lewis, Phillip Thames, Clinton Loggins and Wes Ward.

The top four chairs in each vocal position automatically earns a spot to audition for the state choir.

## Members plan to give money

The Modern Music Study Club met Thursday evening in the home of Mrs. Kay Cole. Mrs. Cecilia House was the co-hostess.

The business meeting was conducted by Mrs. William La Brier. The hymn of the month "God That Madest Earth and Heaven" by Reginald Heber was played by Mrs. House and sung by the club.

Plans for the Dec. 11 meeting were discussed. It was voted for members to bring monetary gifts for the Wichita Falls State Hospital, and for guests to be invited to the meeting.

During the social hour, refreshments were served from a table centered with a cornucopia spilling out fruit, and seasonal napkins appointed the table.

## Recognitions set for eight youths

Eight Iowa Park High School students will be honored Saturday night by the Iowa Park Optimist Club, in observance of Youth Appreciation Week.

Those to be recognized for their abilities and achievements include: Amy Berry, daughter of Mr. and Mrs. Ronnie Berry; Jimmy Duggins, son of Mr. and Mrs. Jimmy Duggins; Steve Catlin, son of Mr. and Mrs. Steve Berry, and Valerie Hedrick, daughter of Mr. and Mrs. Lewis Hedrick.

Also, Lisa Cook, daughter of Mr. and Mrs. Jimmy Cook; Joel Galloway, son of Mr. and Mrs. Joe Galloway; Gaylene Sorey, daughter of Mr. and Mrs. Dennis Sorey, and Robert Adams, son of Mr. and Mrs. N.E. Adams.

The banquet will be held at the Iowa Park Recreational Activities Center.

Those choir members traveling to Lubbock Jan. 10 for the state choir auditions are Tina Escue, Donna Gibson, Missy Logan, John Teel, Kyle Long, Andy Jacobi and Clinton Loggins. Alternates are Lisa Cook and Brad Lewis.

Regional choir activities will be Dec. 6 at the Memorial Auditorium in Vernon with a concert at 7 p.m.

Justin Heath, the first child of Mr. and Mrs. Julio Gonzales III of Iowa Park, was born Nov. 8 at the Wichita General Hospital. He weighed eight pounds and 10 ounces.

Mrs. Gonzales is the former Lisa Lane.

Grandparents are Mr. and Mrs. Fred Lane of Iowa Park and Mr. and Mrs. Margarito Chavez of Wichita Falls. Great-grandparents are Paula Everette of Wichita Falls, Mr. and Mrs. Kenneth Hollar and Virginia Lane, all of Iowa Park.

A nine pound son, Shawn Ryan, was born Nov. 11 to Mr. and Mrs. Larry Sauls at the Wichita General Hospital. He has a sister, Sheena, 4 years old; and a brother, Shane, one year old.

Mrs. Sauls is the former Janet Daniels.

Grandparents are Mr. and Mrs. Weldon H. Daniels of Iowa Park and Mrs. Mary Sauls of Wichita Falls. Great-grandparents are Mr. and Mrs. Lawrence Sisk of Fort Worth and Mrs. Ben Maxwell of Visalia, Calif.

Barbara Woods of Fort Worth is a great-great-grandmother.

Mr. and Mrs. Bruce Gibbs of Orth are the parents of a son, Chance Payton, born Nov. 14 at Wichita General Hospital. He weighed seven pounds, 13 ounces. Mrs. Gibbs is the former Carolyn Copas of Iowa Park.

Grandparents are Mr. and Mrs. Perry E. Copas of Iowa Park and Mr. and Mrs. Raymond Gibbs of Orth. Great-grandparents are Mrs. J.L. Copas of Iowa Park, Claude Hardin of Fort Belknap, and Mrs. Johanna Lewis of Brigus Junction, Newfoundland, Canada.

## 4-H CLUB NEWS

### 4-H'ERS COMPETE AT DISTRICT

Wichita County 4-H'ers competed at the Dist. 3 Judging Contest Saturday at Guthrie.

The Junior Livestock Judging Team received first place. Members of the team were Dell Blackwell, Amy Greenwade, Justin Ransom and Robert Horton. Greenwade and Blackwell received first and ninth place individuals in the Junior category.

In the Senior individual livestock judging, Walt Greenwade placed 2nd and Chad Wood was 7th.

In the Consumer Decision Making Judging Contest, the team of Leslie Schulz, Staci Huffines and Joiese Hanson. Leslie Schulz was 3rd high individual in the contest.

In the Horse Judging Contest, the Junior team composed of Micha Wittmer, Stephanie Jackson, Beverly Mannen and Brandon Lane placed 3rd. Stephanie Jackson was 5th high individual, while Micha Wittmer was 7th high.

The Senior Horse Judging team placed 8th. Members of the team were Brooke Eager, Kandie Talley, Jenny Shelton and Danny Taylor.

DANNY FORMAN USES BIG HOLE TO SCORE FIRST TOUCHDOWN FROM 3 YARD LINE

# HOW SWEET IT IS!!

## Hawks 27, Bearcats 12

The Hawks got their revenge Friday night. They knocked off Ballinger, 27-12, at Stamford for the Bi-District title and shortened the Bearcats' season, avenging the Area game of 1985. And the Mean Green did it in grand style. They were so dominating that they let their Junior Varsity players finish the final two minutes of the game. It was the first loss of the season for Ballinger, which was ranked third in the state by the Associated Press, and was the pre-season third-ranked Class AAA team in the state by Texas Football magazine. The "underdog" Hawks amassed 24 first downs to Ballinger's 12, and used 10 backs to gain 348 net yards rushing against a team that had shut out five opponents this season. Iowa Park's 27 points was within seven of the 34 points Ballinger's defense had allowed all season. And the Bearcats, who had 329 points going into the game were held to only seven by the Mean Green defense. The other seven points was against the Junior Varsity group. Fullback Danny Forman scored three touchdowns in the game, two on running plays of three and nine yards, and the other on a six-yard pass from Jeff Huff.

He finished with 56 yards rushing on 15 carries. Tailback Scott Weaver had one of his best nights of the season, though he didn't score a point. He carried 12 times, all in the first three quarters, for 89 yards; caught three passes for 33 yards, and averaged 37 yards on three punts. Joet Galloway's number was called 11 times, and he gained 73 yards rushing. The other touchdown was scored by junior fullback Jim Cummings. He carried only three times, but gained 39 yards. His score was an 18-yarder up the middle, and he left a trail of six red-shirted defenders lying in his wake. Another indication of Iowa Park's domination was the fact that the Hawks lost the ball twice on fumbles and were penalized 11 times for 104 yards, and still won the game. Ballinger lost the ball three times, all in the second half. Two were on fumbles, covered by Greg Feltman and David Meissner, and the other a pass interception by Eric Whitman. The tone of the game was set early, when Ballinger took the opening kickoff and marched all the way

to the Hawk eight yard line, and stalled three yards short of a first down. Iowa Park scored on its second possession, which began on their own 45 yard line late in the opening period. Three passes by quarterback Scott Davis, a pair of 12-yarders to Weaver and one for 16 to Stan Coker, were featured in the drive to the Bearcat three, from where Forman lit the scoreboard and Robert Adams followed with an extra point kick. Later in the period, Ballinger covered a Galloway fumble on the Hawk 47, and scored four plays later on a 30-yard pass. But the Bearcats failed on their extra point try, even after two tries. They took a five-yard penalty for delaying the game, and attempted a pass for the two-point conversion. It was intercepted by Whitman, but the Hawks were penalized on a holding penalty. Then a bad snap to the kick holder snuffed that attempt, and Ballinger trailed 7-6 with 4:22 remaining in the half. Weaver returned the following kickoff from his own 15 to the Bearcat 40, using the Hawks' starburst return play. Six plays later, Huff started to roll out to his right from the six, was cut off and lobbed the ball over the defenders to Forman at the one, and he bulled his way into the end zone. Adams' kick with 1:37 remaining in the half gave the Hawks all the points they were to need the rest of the evening, 14-6. Taking the second half kickoff, Iowa Park marched 65 yards in seven plays, with a pair of penalties against Ballinger assisting, and Forman racked up his third TD of the night. Adams' kick missed the up-rights, however. A Bearcat muffed the following kickoff, and Feltman covered the ball on the opponent's 29. A pass fell incomplete, Davis scampered 11 yards, and then Cummings made his 18-yard scoring run, only 57 seconds after Forman's last touchdown, and winding up the scoring for the Hawks. The JV offense made itself felt by Ballinger, when Andy Jacobi carried twice for 13 yards, Bill Kenyon once for 12 and Jerry Fleshner three times for 13. Ballinger's 50-yard scoring pass against the younger Hawks came with 51 seconds left on the clock, and the two-point run failed.

# Eagles jump all over Boyd for Bi-District

**HOLIDAY** - The Holliday Eagles downed the Boyd Yellow Jackets Friday night, 28-14, for a bi-district win.

Tallback Tim O'Brien was the big Red's mainstay as he scored four Eagle touchdowns and kicked all four extra points. On top of that, he rushed for 139 yards.

The Jackets were the first to score in the first quarter after driving the ball 65 yards to the Holliday one-yard line. A Boyd running back fumbled the ball in the end zone, only to have senior center Ronnie Shelby fall on it for the score. An extra point kick brought the score to Boyd's favor 6-7.

In the second period, though,

Holliday rallied to take a lead they never lost. With 2:12 to play in the half, O'Brien took a pass from quarterback Pat Maguire and on a 17-yard run broke the endzone and the score, 7-7.

Holliday scored again just 1:30 later when Holliday's Keith Nichols intercepted a Boyd pass at the 44-yard line. After moving the ball to the two-yard line, O'Brien dove in the endzone to take the lead, 14-7.

Boyd threatened the Eagle lead when the Jackets had the ball on the Holliday one-yard line with no time on the clock. But a Boyd receiver couldn't carry the ball, leaving Holliday in the lead in the half.

Holliday came back even stronger in the third quarter scoring two more O'Brien touchdowns to make a win.

David Hoepfer, who gained a total of 115 yards for the night, and Tim O'Brien alternated carrying the ball until O'Brien scored again from the one-yard line and also kicked the PAT, putting Holliday at 21-7.

On Holliday's next possession at the 45-yard line, Hoepfer carried twice for five yards each and O'Brien cut loose on a 32-yard run to the endzone. After another O'Brien extra point kick, the Eagles were in the lead 28-7.

Boyd came back with 1:05 to play in the third quarter and scored from 21 yards out to cut Holliday's lead to 14 points.

For the Area AA title, The Eagles will battle Pilot Point at 8 p.m. Friday at Memorial Stadium in Wichita Falls.

## Lady Hawks win opener

Iowa Park's Lady Hawks opened the season with a 48-42 win over Byers Tuesday night.

Host Byers took a 9-6 lead at the end of the opening quarter, but Iowa Park held Byers to only two points in the second period while scoring 16.

Scoring in the third frame was even more lopsided for Iowa Park, 19-7. Coach Ray Sefcik played his bench in the fourth, and Byers won that frame, 15-7.

Kristine Waters led Iowa Park with 18 points, and Lori Allen had 14.

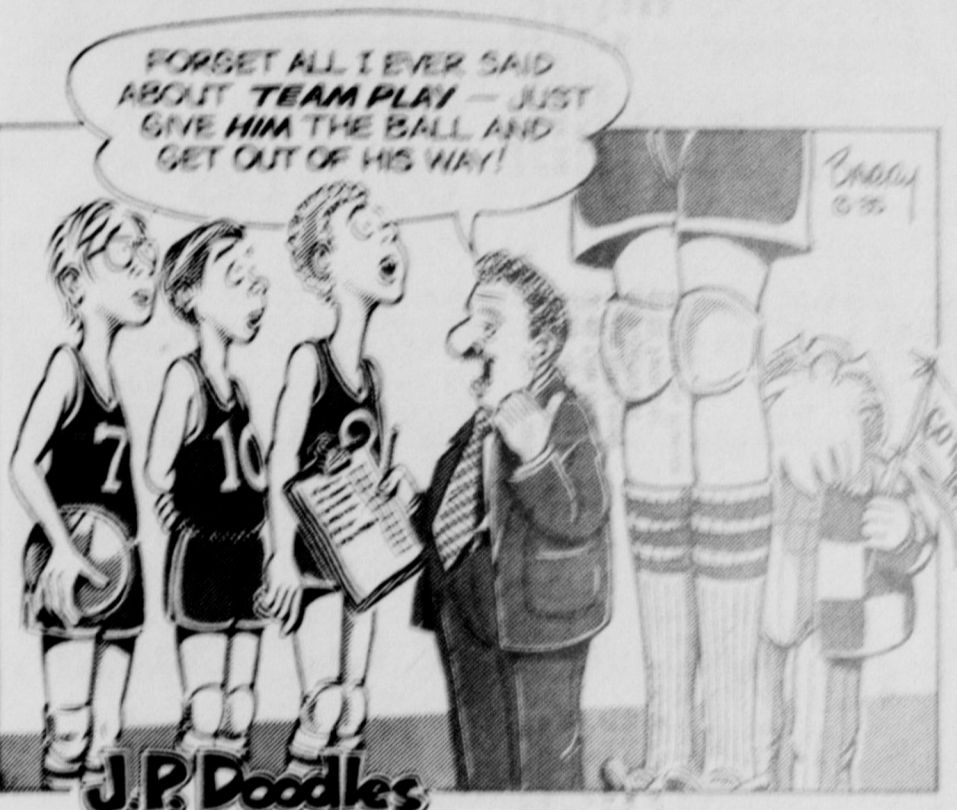

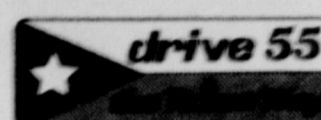

The Junior Varsity also won, 33-24.

## FACTS & FIGURES

There are over a million children missing each year in this country. Yet, any number describing this serious problem is meaningless without a clear understanding of what is at the center of the issue: who are these missing children? Categories of missing children include those who run away, "throw-aways," those kidnapped by non-custodial parents and children stolen by unknown persons. Each category of children has its own set of legal responsibilities for law-enforcement and social services; probabilities for recovery and physical and psychological dangers to the child. Regardless of these differences, all of these children are at very serious risk. The National Center for Missing and Exploited

Children was established to serve as a clearing-house assisting in recovery and prevention programs for all missing and exploited children. Since its inception in June 1984, it has been used as a resource in the recovery of 4,618 children.

Each day the Center receives hundreds of calls for information or assistance in addition to more than 300 toll-free hotline calls. Many of these calls from the public help locate missing children. If you have information on a missing child call toll-free to 1-800-543-5678.

**Lottie D. Lochridge**  
Funeral services for Lottie D. Lochridge, 88, were held Wednesday afternoon at First Baptist Church with Rev. Howell Farnsworth, pastor of the First Baptist Church of Floydada, officiating. He was assisted by Rev. Floyd Heard.

Burial was in Highland Cemetery with arrangements under direction of Tanner-Aulds Funeral Home.

She was born Jan. 24, 1898, in Iowa Park, the daughter of Mr. and Mrs. L.C. Denny, pioneer settlers of the area. She was graduated from Iowa Park High School and worked as a teller at Wichita National Bank 20 years and also for First State Bank in Iowa Park several years.

She was organist at First Baptist Church 30 years and staff organist for Tanner Funeral Home for many years. She was a life member of the 23 Study Club, a charter member of the Modern Music Study Club, Organ Club and Iowa Park Garden Club.

She is survived by a son, Oscar of Fort Worth; a daughter, Mrs. W.C. McDonald of Wichita Falls; a brother, Earle Denny; two sisters, Marie Callon and Kathryn Ford of Iowa Park; five grandchildren, and six great-grandchildren.

Pallbearers were Dr. Erwin Soell, C.E. Thompson, Charles Denny, Howard Morgan, George Denny and Louie McCarthy.

**Johnny S. Edmonson**

Graveside services for Johnny S. Edmonson, 81, were held Friday morning in the Riverside Cemetery at Wichita Falls with Rev. Bobby Christmas, pastor of Jefferson Street Baptist Church, officiating.

He was born Sept. 10, 1905, and had lived in Wichita Falls all of his life. He was a member of the Baptist church and a retired cement contractor.

Survivors include his wife, Virginia; four sons, Johnny S. Jr. and Billy Charles of Wichita Falls; Bobby Joe and Jackey Ray of Dallas; a sister, Mary Pierce of Iowa Park; 13 grandchildren; and eight great-grandchildren.

**James E. Evans**

Graveside services for James E. Evans, 56, of Colorado Springs, Colo. were held Saturday morning in Crestview Memorial Park with Bob Frazier, associate pastor of Tenth and Broad Church of Christ, officiating.

He was born Sept. 7, 1930, in Wichita Falls where he lived until 1947. He was retired from the Air National Guard and was a member of the Church of Christ. He attended public schools in Wichita Falls and lived in Dallas until last year. He was a Korean War veteran. He and Loise Gutmann were married Nov. 22, 1968.

Survivors include his wife; five sons, Dennis, Fritz Williamson and Walter Williamson, all of Dallas, Randy of Colorado Springs and Robert of Kennedale; a brother, Cornell Evans of Iowa Park; and two grandchildren.

**Lela Mae McDaniel**

Services for Lela Mae McDaniel, 65, were held Wednesday at Owens and Brumley Funeral Home in Wichita Falls with Rev. Dave Hardage, pastor of the First Baptist Church of Holliday, officiating.

She was born March 3, 1921, in Judson, Ark. and had lived in Wichita Falls 36 years.

Survivors include a son, Louis L. Jr. of Houston; four daughters, Louisa Mann of Medicine Park, Okla., Fran Blackmon of Lakeside City, Jo Yarbrough of Wichita Falls and Deloris Kucinski of Holliday; a brother, William Baker of Wichita Falls; 18 grandchildren; and 10 great-grandchildren.

**J.D. Pennycuff**

Services for J.D. "Penny" Pennycuff, 70, were held Monday at Gray-Kiesau Funeral Home in Frederick, Okla. with Rev. Jerry Reed, pastor of the Liberty Baptist Church in Wichita Falls, officiating. Burial was in the Frederick Memorial Cemetery.

He was born Sept. 9, 1916, in Temple, Okla. and died Saturday in a Comanche, Okla. hospital. He moved to Frederick in 1941 and to Comanche in 1983. He and Muandona Parsons were married in 1968 in Vernon.

He is survived by his wife; three sons, David of Comanche, Gary of Dallas and Ricky of Iowa Park; a daughter, Patsy Throneberry of Elliot; a sister, Lela Lee of Oklahoma City; a stepdaughter, Ruthie Long of Roosevelt, Okla.; 25 grandchildren and 16 great-grandchildren.

## 'Giving' topic of program

The Tuesday morning meeting of the United Methodist Women was highlighted by the impressive Pledge Service and World Thanksgiving offering. Mrs. Vernon Gilbert, the leader, was assisted by Mrs. Gene Owens and Mrs. Eldon Thompson.

Mrs. Gilbert announced "The Sea of Giving" for the theme of the service quoting, "Just as the sea continues to give more and more of itself to those who explore its possibilities, so we, in gratitude to God, give more of ourselves and material possessions to all the arid lands of suffering and need around the world."

She said that Christianity is challenged today more than ever before by the dire need of so many people all over the world, both physically and spiritually, and people cannot fail to respond.

The conclusion of the program was given over to the World Thanksgiving offering which offers individuals an opportunity to respond with grace and gratitude for the gift of life and the abundance with which God has filled their lives. Each member gave a monetary gift as a symbol of gratitude.

Mrs. S.B. Keeter presided during the business and reminded members that the UMW is an organization for member participation by giving, prayer, study and service. She said that membership is open to all women who desire to participate in this type of work.

Mrs. Don Owens was elected president to replace Mrs. David Davis and Mrs. Tom Compton was elected chairperson of Christian Personhood to replace Mrs. Owens.

# Holidays And Cookies Go Way Back

In many kitchens, "holidays" and "cookies" are nearly synonymous, each carrying over many traditions from one generation to the next.

Cookies are generally defined as small sweet cakes, usually flat and unleavened. The first cookies, it is said, were called Simmel Cakes and were baked in England during the sixteenth century. Leafing through old cookbooks, one can find recipes for "small cakes," which are similar to modern cookie recipes.

European immigrants to America brought rolling pins and wooden boards which were divided into squares carved in the shapes of birds, animals and flowers. The boards were pressed into cookie dough and the finished cookies were called "springerles" or "little jumpers."

The word, "koekje" or "little cake," first appeared in print in 1703 and came from the Dutch people who had settled in New York. In the British Isles the term "cookie" was popular in the nineteenth century. Anthony Trollope mentioned cookies several times in his novels, but today the term has

dropped out of use in England in favor of "sweet biscuit."

One reason for the popularity of cookies throughout their history has been the fact that they are so easy to vary and personalize. Competition at agricultural fairs has always stimulated cooks to develop their own special cake and cookie recipes in anticipation of winning blue ribbons. "Bake sales," sponsored for one's favorite charity, have been another stimulus.

Before the development of baking powder and soda, eggs were used as

the leavening agent. A Southern favorite, the sugar cookie or "tea cake" was made with fresh butter, flour, sugar and eggs. It was rolled paper thin and cut in favorite shapes to decorate the family Christmas tree.

Butter has always been an important ingredient in cookies not only because of its natural flavor but because the flavor improves with age; an advantage when quantities of cookies are baked in advance of the holiday season. Even dried-out cookies can be freshened in a warm oven.

Today the variety of cookies from public or private stock seems endless. Whether large or small, filled or unfilled, sweet or semi-sweet, flat or mounded, cookies enjoy an enduring popularity that renews itself without fail every holiday season.

## LOOK WHO'S NEW

Dr. and Mrs. Gene E. Todd of Ponchatoula, La. are the parents of a daughter, Lauren Marie, born Nov. 2 at 7th Ward General Hospital in Hammond, La. She weighed five pounds, 14 1/2 ounces. The mother is the former Susan McPherson. The father is formerly of Iowa Park.

Paternal grandparents are the late Mr. and Mrs. James Todd, and the maternal grandparents are Bonnie McPherson of Paris, Tenn., and the late Dr. Donald McPherson.

## Library News

By TONI LUTZ

Have you made your new Christmas ornaments yet? If you have, you may possess the winning ornament for the Christmas Ornament Contest that is being held by the library. Your ornaments may be brought to the library anytime during the library hours. The deadline for entering is Dec. 16. The winners of the contest will be announced at the library Christmas play which will be held on Dec. 20 at 7:00 p.m.

The Christmas play is called "Born in Bethlehem." There will not be a fee for admittance, but any donations given will be much appreciated. The children are practicing diligently on their parts. If there are any children interested in participation in the play, practice sessions begin on Sunday afternoons at 2:00 in the upstairs room of the library.

HEY KIDS!! Don't forget to bring a food item to the "FOOD GATHERING" on Saturday at 10:30 a.m. during Children's Hour.

New juvenile books: Football Series by Rathous, Us & Uncle Fraud by Lowry, Babysitting is a Dangerous Job by Roberts, Sarah, Plain & Tall by MacLachlan, Surprises by Hopkins, The Hot & Cold Summer by Hurwitz, and Belinda's Hurricane by Winthrop.

New adult books: The Two Mrs. Greavilles by Dunne, Prince of Tides by Cooney, Through a Glass Darkly by Koen, Seasons of the Heart by Freeman.

# Roberts is Sing Song host

Kent Roberts, son of Mr. and Mrs. Ross Roberts, has been selected to host Abilene Christian University's 1987 Sing Song.

Sing Song is an annual musical production involving more than 1,800 ACU students. This year's show is scheduled for Feb. 20-21.

The hosts and hostesses will perform during the opening and finale of the production and between the group numbers presented by the competing clubs and classes.

A 1983 graduate of Iowa Park High School, Roberts is a senior history education major. He was involved in the 1985 Homecoming Musical, "Seven Brides for Seven Brothers," and served as junior class Sing Song director in 1986. Roberts has been involved in the Big Purple Marching Band, Symphonic Band and the Acappella Chorus of ACU.

# Iowa Parkans are initiated

Three Iowa Parkans, Tracey Hall, Melissa Hatcher and James Rohrbaugh, all students at Midwestern State Univ. have been initiated recently into national scholastic honor societies.

Each were initiated into Phi Eta Sigma and Alpha Lambda Delta, both national scholastic honor societies for freshman college and university students.

Membership in Phi Eta Sigma is limited to students who have a cumulative grade point average of 3.5 or better at the end of their freshman year in college.

Eligibility for membership in Alpha Lambda Delta is based solely on scholarship. Students who earn a scholarship average of 3.5 or better during the freshman year are eligible.

Breakfast: Oatmeal, toast, fruit juice, milk  
Lunch: Soup & sandwich, Sloppy Joe, potato chips, sweet relish, pork & beans, fruit, cookies, milk

**Tuesday, November 25**  
Breakfast: Waffle, syrup, fruit, milk  
Lunch: Soup & sandwich, Italian spaghetti, combination salad, spinach, garlic toast, pudding, milk

**Wednesday, November 26**  
Breakfast: Cinnamon toast, fruit, milk  
Lunch: Soup & sandwich, cheeseburgers, French fries, lettuce, tomatoes, pickles, onions, fruit, ice cream, milk

**Thursday & Friday - Thanksgiving Holidays.**

## FFA News

The Iowa Park High School chapter of Future Farmers of America sent several chapter members as representatives to the National FFA Convention held last week in Kansas City.

Chapter President George Howell, Carla Pool, reporter, Dana Gray, secretary, Lewis Johnson, Cody Franks and instructor George Martin attended the convention to receive a National Chapter Rating and a plaque. Iowa Park's chapter was named in the top 200 chapters nationally.

While attending the State Convention at Amarillo in July, they were named twelfth among Texas state chapters.

The last time Iowa Park attended the Nation FFA Convention was in 1981.

## TEXAS GARDENER TIPS

Peanuts in Texas are not only an important commercial crop, but a favorite with many home gardeners. Peanuts rank high in nutrition (raw peanuts are loaded with vitamins B, C and G), and are an interesting crop to raise.

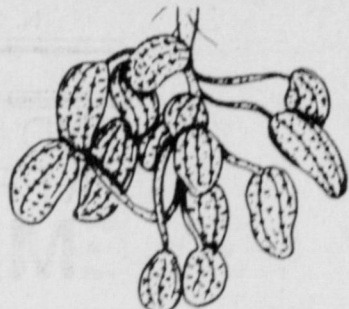

Actually, peanuts are not a nut at all, but a member of the pea family. Botanically, they are called *Arachis hypogaea*. Many old-timers still refer to them as "groundnut" and "goober pea."

Peanuts do best with a long, warm growing season and, therefore, are ideal for Texas gardens.

Peanuts prefer a well-drained, sandy soil. Light soils allow the peanuts to burrow without resistance and result in an easy, clean harvest.

Most gardeners break open the shell and individually plant each nut inside. Nuts should be planted 3 to 4 inches deep in drier areas; 2 to 3 inches deep in humid areas. Although they

## Peanuts In Texas Can Be The Heat

as they would potatoes, when the plants reach 12 inches high. The freshly turned hill provides an ideal place for the pegs to burrow and form the pods.

There are three main types of peanuts grown today. The jumbo, or large, podded type produces one or two extra large kernels to a pod and is characterized by a spreading growth habit, reaching up to 3 1/2 feet across.

The runner type is smaller than the jumbo and is grown in all peanut-producing states. In fact, most states have their own strain of runner peanut.

The Spanish type peanut is characterized by small sweet kernels numbering two or three to a pod. The plants are short and bushy.

can be planted as close as 6 inches apart, some gardeners plant 8 to 10 inches apart in order to hoe between plants. Rows should be spaced 36 to 42 inches apart.

Plants grow to 12 to 18 inches high and produce two kinds of yellow flowers. One set is showy, but makes little contribution; the other is plain, but does the work of producing the peanuts by growing downward into the soil where the nuts develop.

Because of this unusual growing pattern, some gardeners hill the row,

**The Eyes Of Texans**

THE LATEST CONTACT LENS RELATED EYE DISEASE

There has been a sudden increase in the number of cases of Acanthamoeba Keratitis (infection of the cornea) linked with the wearing of soft contact lenses. It should be emphasized that, while this "new" disease is serious, it is also very rare. There have been only 20 cases reported so far which makes it present in only three out of a million cases! However, certain contact lens patients are more at risk than others. The organism that causes Acanthamoeba Keratitis has been found in the salt water solutions of patients who use salt tablets and make their own solutions using tap water. It has also been found in bottles of distilled water (which is not sterile). The "bug" is found in the soil so farmers and gardeners should be careful to wash their hands religiously. Especially if they wear contacts. Once established in the cornea, it is very hard to treat because the spore form of the organism has a "double wall" making it difficult to get medicine in to it. Also, the most effective drug, BROLONE, is not available in this country. But it is readily available in England as an over-the-counter drug (1)

**Balloon Help**

A new technique, called balloon valvuloplasty, has been developed at Boston's Beth Israel Hospital to treat patients with blocked heart valves.

The balloon treatment is still experimental, but if proven safe and effective, could substitute open heart surgery and heart valve replacement.

The procedure requires less than half of the hospital stay and costs only a third as much as surgery.

Approximately 20,000 Americans undergo heart valve replacement every year.

# AREA OIL & GAS NEWS

Landrum West has completed three developmental wells in the Wichita Regular Field. The wells are designated as the Nos. 51-L and 52-L. Hugh Reilly and the No. 3 Roller Estate "F". The Reilly wells are located five miles southwest of Burkburnett in a 2,114-acre lease in the DR&K Survey, A-714. Drillsite for the Roller well is four miles south of Burkburnett in a 63-acre lease in the W.A. Grady Survey, A-357.

The Reilly wells indicated ability to pump oil at the combined rate of 145 barrels per day. Total drilling depths were 1,670 and 1,685 feet, respectively. Production will be from perforations in the Gunsight Formations, ranging from 760 to 1,618 feet into the wellbore.

The operator revealed the Roller well pumped four barrels of oil per day. It bottomed at 664 feet, and produces from perforations in the Cisco Formation at 538 to 547 feet into the wellbore.

The No. 51-L well is located 1,035 feet from the south line and 795 feet from the east line of the survey. Drillsite for the No. 52-L well is 480 feet from the north line and 735 feet from the east line of the survey.

The Roller well is located 750 feet from the most northerly north line and 947 feet from the northwest line of the survey.

The No. 9 Alpha-Doyle, a 1,300-ft. developmental well, is scheduled to be drilled in the Wichita Regular Field. Thorn Oil of Wichita Falls is the operator. The well will be spudded in a 75-acre lease eight miles southeast of Burkburnett in the Wheelwright Survey, A-320.

The well will be situated 563 feet from the south line and 1,540 feet from the east line of the survey.

The Wichita Regular Field gained a new producer when Curtis R. Inman completed the No. 7 J&J Waggoner "A" 4.5 miles north of Kamay.

The well indicated ability to pump 16 barrels of oil per day. It was taken to a 1,542-ft. bottom, and will produce from perforations in the Cisco Formation, 1,385 to 1,393 feet into the wellbore.

The operation is located in a 40-acre lease in the H. George Survey, A-454. Drillsite is 3,252 feet from the north line and 1,524 feet from the east line of the survey.

Monroe Well Service has suspended operations at the No. 13 Bickley "A-GMK", a developmental well in the Wichita Regular Field. The well is located three miles north-east of Electra in a 293-acre lease in the J.F. Torrey Survey, A'313. It was spudded April 6 of this year, and has been bottomed at 1,999 feet.

Location is 1,300 feet from the north line and 900 feet from the east line of the lease.

The No. 20 Burnett "E" has been finished by Tom Swanson.

It is a developmental well in the Wichita Regular Field, three miles south of Fowlkes. Drillsite is in a 90-acre lease in the F.R. Meade Survey, A-464.

Daily potential of five barrels of oil was posted with the Railroad Commission. The well went to a 2,006-ft. bottom, and will produce from perforations in the Cisco Formation, 1,738 to 1,752 feet into the wellbore.

Locations is 750 feet from the north line and 1,770 feet from the east line of the lease.

Swanner Properties has given up on its efforts to make a producer out of the No. 35.B. Parker, a developmental try in the Wichita Regular Field. The well was located seven miles east of Kamay in the Palo Pinto CSL Survey, Blk. 5. The well was spudded Sept. 12, 1985, and bottomed at 2,000 feet with no commercial potential.

The well was located 367 feet from the northline and 2,200 feet from the east line of the lease.

Pumping 154 barrels of oil per day, plus 109,000 CF casinghead gas, the No. 1 Turbett Unit was completed in Wilbarger County's Berry Field by Ben J. Fortson.

Drillsite is two miles north of Farmers Valley.

The well was drilled to 8,416-ft. total depth and will produce from a perforated interval in the Mississippi Formation at 8,248 to 8,308 feet into the wellbore. The well bottomed at 8,416 feet, and was plugged back to 8,356 feet.

The location is in a 40-acre lease in the H&TC Survey, A-1880. Drillsite is 2,423 feet from the north line and 141 feet from the west line of the lease.

Drillsite has been staked for the o. 2 W. Schoppa "B", a 7,000-ft wildcat well in Wilbarger County.

The operation will be located eight miles north-northeast of Harrold in an 889-acre lease in the Waggoner Colony S/D Survey, Blk. 99. The operator is Trio Operating of Wichita Falls.

The well will be drilled 4,914 feet from the south line and 762 feet from the west line of the lease.

Finnell Oil of Wichita Falls has revealed plans to drill an 8,900-ft. wildcat well in Hardeman County. The operator has 100 acres leased, with drillsite in the W&NW Survey, A-432. The well has been designated as the NO. 2 Brandon. Drillsite is four miles north-northeast of Quannah.

The well will be drilled 2,772 feet from the south line and 1,694 feet from the west line of the lease.

A Dallas-based operator has staked location for the No. 1 Hunter-Wells, a wildcat well to be located four miles north-northeast of Quannah. With projected total depth of 6,000 feet, the well will be drilled in an 80-acre lease in Hardeman County's W&NW Survey, Sec. 121, Blk. H.

The operator is Walter Exploration.

Drillsite is 2,372 feet from the north line and 2,059 feet from the east line of the lease.

No commercial shows have been logged at the No. 1 Cato-McLennan Unit, a wildcat well in Hardeman County. The operation was spudded Sept. 24, and has been bottomed at 8,139 feet. Drillsite was four miles south-southwest of Medicine Mounds. The operator was Ben J. Fortson.

Locations was 1,180 feet from the south line and 2,135 feet from the west line of the lease.

## Tickets on sale

**HOLLIDAY** - Tickets for the Holliday-Pilot Point Area AA game are on sale at the Holliday High School and Junior High School offices as well as Holli-Tex in Holliday and Bobby Evans Sporting Goods in Wichita Falls.

Pre-game tickets will sell for \$3 for students and \$4 for adults. All tickets at the gate will cost \$5.

The Eagles will play Pilot Point at 8 p.m. Friday at Memorial Stadium in Wichita Falls.

### Adult 4-H Leaders Meet

The 4-H promotion committee gave a general summary of their proposed methods for making 4-H more visible in the community, during the Wichita County 4-H Adult Leaders Association meeting here last week.

Some of the ideas proposed were: the 4-H slide show, radio public service announcements, and the display used at the county fair.

After some discussion, it was decided that the number of projects that a 4-Her can enter at the county project show would remain at three.

A budget was presented and approved for the fiscal year. New items include \$200 for miscellaneous adult training, \$75 for home designer project and \$500 for a Promotion Task Force.

### Friday, November 21

Breakfast: Cereal, fruit, milk.  
Lunch: Steak sandwich platter, pickle spears, vegetable rings, chocolate cake, milk.

### Monday, November 24

Breakfast: Pancakes, syrup, bacon, juice, milk.  
Lunch: Frito chili pie, or sandwich, cheese, peas, tater tots, applesauce cake, milk.

### Tuesday, November 25

Breakfast: Cereal, fruit, milk.  
Lunch: Hamburger, corn chips, lettuce, tomatoes, mustard, mayonnaise, pudding.

### Wednesday, November 26

Breakfast: Cinnamon roll, peaches, milk.  
Lunch: Pizza, pinto beans, French fries, peanut butter cookies, milk.

### Thursday & Friday - Thanksgiving Holidays.

## Brown Hudson quits post

**HOLLIDAY** - Holliday City Administrator Brown R. Hudson announced his resignation to be effective Nov. 30 during a regular city council meeting Monday night.

Hudson, 66, said he resigned to spend more time with his family.

The council accepted Hudson's resignation and voted to give him weeks vacation pay. As yet, no decision to fill the position has been made.

Hudson began his job as city administrator on Aug. 20, 1985.

**Let's talk.**  
Information about your changing telephone service from Dan Adams, Manager-Community Relations

**A look at phone services of the future**  
It may be hard to believe but 1987 is a little more than a month away. I don't know about you, but every year about this time, I start to think about the future. It's as if the passage from one year to the next is a window, and every November I get the urge to step up to that window to look at the images on the other side of the glass.

As an employee of Southwestern Bell Telephone, I am naturally inclined to think about the changes that will be taking place in the telecommunications industry. Certainly, this industry has had more than its share of changes in the last few years. However, when I look to the future, I see technological advancements that will literally change — no, revolutionize — our way of life.

*Business Week* recently published an excellent article on the future of the telecommunications industry, titled, "The Rewiring of America." It told of how current research is working toward forming one compatible coast-to-coast network, called the Integrated Services Digital Network or ISDN. This system would simultaneously carry voice and data messages over one line, acting as a sort of telecommunications super-highway.

Before ISDN can become a reality, however, new types of equipment must be installed nationwide. Especially critical to ISDN is the digital switch, which Southwestern Bell Telephone is installing at an aggressive pace in its central offices across the state. This year alone it is estimated that we will spend \$253 million on this project.

As part owner of Bellcore, the research wing of the seven regional Bell operating companies, Southwestern Bell Telephone is participating in experiments relating to the ISDN. The developments initiated in the coming years will not only improve the quality of your call transmission, but will expand the ways in which you use your phone.

**Technology permits new uses for your phone**  
For example, your phone line will be able to serve as a home security system, mail carrier and, with the help of your personal computer, a video newspaper. You will also be able to use your phone to check the status of your bank account in another city. The new technology will make your phone even more reliable than it is now. Among the service-related developments on the horizon is a computer system that will detect trouble on your line — even before you do — and automatically make the necessary repairs.

What's more, you will have a wide choice of phone features — far beyond what you may have ever imagined. For example, our network will know the originating location of an incoming call. Then, as the phone is ringing, a computer-generated voice will announce the caller's name so you can decide if you would like to answer it or not.

Farfetched? Not at all. Austin customers have been trialing early versions of similar services for nearly two years. One of the most popular, Automatic Recall, addresses a frustration we have all experienced. Inevitably, when you rush to answer a ringing telephone, it stops just as you pick it up. With this phone feature, you can call that number back by simply dialing a two digit code.

Another feature being tested allows you to block certain numbers from ringing through to your phone. Another still, enables you to forward only certain calls to a third number. And perhaps one feature that could have the greatest impact of all, will allow you to trace annoyance calls.

The ultimate winner in this technological explosion will be you, the phone customer. You will have advanced telecommunication systems at your fingertips. And if you prefer only to use your phone for that most basic of reasons — to make a call — you will have faster, more dependable phone service than ever before.

We are proud of the research under way at Southwestern Bell Telephone. It is part of our pledge to provide you with the best possible phone service — today and in the future.

**PUBLIC NOTICE**

**SHERIFF'S SALE**  
THE STATE OF TEXAS  
County of Wichita  
NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable 89th District Court of Wichita County, on the 8th day of October 1986 by Wayne Wiggins, District Clerk of said 89th District Court for the sum of Seven hundred forty seven dollars and 68/100 DOLLARS plus 10% interest from day of judgment and costs of suit, under a certain judgment, in favor of Iowa Park consolidated independent School District, Et Al. in a certain cause in said Court, No. 36,211-C and styled Iowa Park Independent School District Et Al vs. Willard and Davis and placed in my hands for service, I W.L. Burrow as Sheriff of Wichita County, Texas, did, on the 24th day of October 1986 levy on certain Real Estate, situated in Wichita County, Texas, described as follows, to-wit:  
Lot 4, Block 159. Original Townsite of the city of Iowa park, Wichita Co. Texas. (Commonly known as 207 W. Emerald and levied upon as the property of H.P. Willard, J.O. Davis, and unknown owner or heirs of Property, and that on the first Tuesday in December 1986, the same being the 2nd day of said month, at the Court House door, of Wichita County, in the City of Wichita Falls, Texas at 10 A.M. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said H.P. Willard, J.O. Davis and all unknown owners or heirs of property.  
And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Iowa Park Leader a newspaper published in Wichita County.  
Witness my hand, this 3rd day of November 1986  
W.L. Burrow  
Sheriff, Wichita County, Texas

By Melvin Scott Deputy.  
NOTE: "Please be registered at the time of the Sale with the Sheriff, deputy Sheriff, or agent conducting the Sale."
