MRS. LITA WATSON
520 W. CLARA
IOWA PARK TX 76367 112

CATFISH FOR LAKE GORDON - Debbie Cattell and Mark Stacell, of the Texas Parks and Wildlife Department, finish unloading 900 Channel Catfish, four inches in length, and putting them in Lake Gordon Tuesday afternoon. "They should be good eating in a couple of years," the two specialists said.

School opening nears

The final phase of preparations for the Sept. 1 start of schools here gets underway Monday, when teachers begin in-service training.

Students who did not attend classes here last year and have not yet enrolled should report to their respective schools by Wednesday, or contact the administration office for instructions.

IN-SERVICE SCHEDULE

Following a coffee and doughnut gathering which is to begin at 8:30 a.m., all faculty and administration will meet in the high school auditorium for a general session, which will be followed by a principal's meeting.

The annual faculty luncheon will be held in the high school cafeteria, at which announcements will be made and a short welcome speech by Kenneth Via, first vice president of the Iowa Park Chamber of Commerce.

A motivational speaker will be heard 1:30-3 p.m. in the auditorium, and the final hour individual building meetings will be held.

Individual training sessions will be held Tuesday and Wednesday at the high school. Morning sessions will be 9-12 and afternoon 1-3.

Teachers will be at their individual campuses 8-12 a.m. Thursday, and then hold subject meetings 1-3 p.m. at the high school.

The final two days of in-service, Monday and Friday, will be devoted to workdays at individual campuses for the teachers.

HIGH SCHOOL

All Iowa Park High School students will need to pick up class schedules next week: seniors, 8:30-11:30 a.m. Thursday; juniors, 1-3:30 p.m. Thursday; sophomores, 8:30-11:30 a.m. Friday, and freshmen, 1-3:30 p.m. Friday.

Any students with necessary Herman Escue, counselor, either Thursday or Friday, according to Richard Davis, principal.

On the first day of school, Davis said the entire student body is to report to the auditorium at 8:05 a.m., prior to going to class.

BUS SCHEDULES

Bus routes and times have not been changed from 1987-88, according to Robert Palmer, assistant superintendent.

Students will ride the same buses they rode last year.

New students should contact their principal or the administration office, 592-4193, for assignments.

Bus passes will be passed out to returning students as they load onto their respective buses the first day of school, Palmer said.

SUBSTITUTE TEACHERS

The district will conduct an in-

service program for substitute teachers Aug. 28. While not mandatory, attendance is encouraged, Palmer said.

Persons interesting in doing substitute teaching this year are asked to contact Palmer at the administration building.

In-serve program for substitute teachers will include "Requirements,

Application, Salary;" "Reading and Using a Lesson Plan;" "Discipline Problems and School Policies;" "Improving Teaching Technique;" "Using Audio/Visual Equipment."

Speaking at the program will be Palmer, central office staff, principals, Linda Escue, select teachers and assistant high school principal Randy Lovelady.

season by opening a week-long bank camp at Chambers on the Assembly Monday. Part of the organization is shown being directed by Greg Miller.

Chamber directors plan shirt, cap purchases

Members of the Iowa Park Chamber of Commerce will be more easily identified at special events.

The Chamber's board of directors Monday voted to special order shirts and caps and visors with the organization's name on them.

Orders for the items can be placed by any Chamber member by contacting the office, at which time size of shirt will be noted.

Danny Coffman, who was asked to head a promotions project, said the cost of the cap or visor is \$3.50 and the knit shirt is \$12.

Directors also approved purchase

of two advertisements in the Leader this fall, one for promotion of the annual Whoop-T-Do and the other to identify all members of the organization.

A drive to enlist more members is in the planning. President Robert Palmer said a list of prospective businesses and individuals will be prepared for contact.

A suggestion that members be contacted to volunteer work at the Whoop-T-Do was made by Jan Clapp and will be done, Palmer said.

Two resignations of long-time directors were noted.

Wayne House, who recently retired as manager of the local TU Electric office, submitted his resignation and proposed Harold Smith, his replacement at the office, also take his place on the Chamber board.

The proposal was approved.

The other resignation was made by Charlie Lee, former manager of Cryovac who has also retired and will move in September to Cedar Rapids, Iowa.

Palmer told the board that a concentrated program for crime and drug abuse prevention will soon be started in the community.

Local school costs studied

Last year trustees in the 1,061 local school districts adopted budgets totaling \$12.2-billion and levied local property taxes totaling \$5-billion to pay for it.

The state provided \$4.8-billion of foundation aid, and the remainder was funded by school lunch and other fees, federal aid, bond sales, and other revenue.

Locally, the Iowa Park Consolidated Independent School District's tax levy last year was increased by 6.7 percent (Burkburnett 20.5%, Electra -2.2%, Wichita Falls 4.1%, City View 24.4%, Holliday -1.4%) for 1986-87 as compared to a 8.2 percent increase for the average school district in Texas.

The figures come from the latest issue of "Bench Marks for 1987-88 School District Budgets in Texas," an annual publication of the Texas Research League, an Austin-based, educational corporation engaged in governmental research.

School budgets adopted last year called for spending an average of \$3,088 per student for current operations plus \$281 for interest and repayment of debt and \$464 per student for capital outlay.

Iowa Park's budget provided for \$2,765.88 (Burkburnett \$2,695.25, Electra \$4,219.18, Wichita Falls \$3,110, City View \$2,686.35, Holliday \$2,930.46) per student for current

operations, \$101.51 (Burkburnett \$124.94, Electra \$262.83, Wichita Falls \$226.41, City View \$148.41, Holliday \$185.42) for debt service, and \$120.97 (Burkburnett \$1,961.22, Electra \$39.31, Wichita Falls \$762.76, City View \$769.87, Holliday \$111.23) per student for capital outlay based on the 1,796 (Burkburnett 3,319, Electra 604, Wichita Falls 14,796, City View 761, Holliday 759) students enrolled in the fall semester of 1986.

The average salary for classroom teachers paid by Iowa Park in 1985-86 was \$22,406 (Burkburnett \$22,206, Electra \$26,218, Wichita Falls \$23,000, City View \$20,274, Holliday \$21,723). The average among all school districts in Texas was \$24,487 per classroom teacher.

In Iowa Park the average salary for administrators was \$41,857 (Burkburnett \$35,032, Electra \$40,238, Wichita Falls \$39,883, City View \$37,658, Holliday \$40,501), and \$24,439 (Burkburnett \$25,715, Electra \$25,715, Wichita Falls \$28,711, City View not available, Holliday, \$26,705) for other professional support employees (librarians, counselors, nurses, supervisors, etc.).

Four dollars in five were spent for salaries. Statewide payroll expense averaged \$2,506 per student, as compared to \$2,060.66 paid by Iowa Park (Burkburnett \$3,300.79, Electra

\$3,322.26, Wichita Falls \$2,522.30, City View \$1,707.59, Holliday \$2,060.96). Payroll expense is a combination of salary levels and staffing patterns.

Taxpayers provided one teacher for 18.4 students in Iowa Park (Burkburnett 16.7, Electra 12.5, Wichita Falls 16.3, City View 19.3, Holliday 15.9), compared to a statewide pupil-teacher ratio of one to 17.4. Because of small classes, especially at the high school level, and abbreviated teaching schedules, many classes have more than the average number of students.

The average school district imposed a property tax at the rate of 79.3-cents per \$100 of appraised value, which value averaged 93.8 percent of market value (selling price). The "true tax rate" was 74.3-cents (79.3 times 93.82%) statewide.

Locally, the Iowa Park district imposed a rate of .750 (Burkburnett .780, Electra .940, Wichita Falls .824, City View .745, Holliday .859) while property was appraised at 97.5% (Burkburnett 98.2%, Electra 99.6%, Wichita Falls 97.0%, City View 96.8%, Holliday 97.6%) of its market value making the true rate .731 per \$100 of market value (selling price) (Burkburnett .766, Electra .936, Wichita Falls .799, City View .721, Holliday .839.)

News Briefs

Street dance is Saturday

The annual street dance put on by the Iowa Park Volunteer Fire Department will begin at 7 p.m. Saturday in the 100 block of West Park (in front of the bank).

The firemen are planning a full evening, complete with a hot dog

dinner being served by the Iowa Park MuleSkinners, and dance music provided by Eddie Music and the Sun-Downers.

The dance is free to the public, but proceeds from special events of the evening will be used to purchase additional equipment.

Commodity distribution today

USDA food commodities will be distributed from 12-noon to 6 p.m.

today at the First Christian Church. Types of foods were not reported.

FFA Boosters to meet tonight

Iowa Park FFA Booster Club will meet at 7:30 this evening in the Vocational Agriculture Building.

Gladys Chandler, president, said plans for the new school year will be discussed.

Week's rainfall measured 1.4

Iowa Park received 1.4 inch of precipitation from showers during the

past week, according to measurements taken by Virgil Woodfin.

Two thefts reported to police

Two thefts were reported this week to the Iowa Park Police Department.

Billy McNair told police Tuesday that two newspaper racks had

been taken from in front of the Dairy Queen.

Yesterday morning, Al Lawrence said a CB radio and cassette tapes had been taken overnight from his vehicle while parked at 124 Garden.

Toastmasters to organize here

An organizational meeting of Toastmasters International will be held between 9:30-11 a.m. Saturday at the TU Electric Reddy Room, according to Mrs. Louis Sefcik.

Besides organizing, a decision is to be reached on time and dates of

meetings to be held at the Iowa Park Recreational Activities Center.

Toastmaster officials from Wichita Falls, Burkburnett, Decatur, and the Fort Worth/Dallas area will be on hand for a demonstration meeting and information session.

Council sets budget workshop

Members of the Iowa Park city council are scheduled to meet at 6:30 p.m. Monday for a budget work ses-

sion.

The council's next regular business meeting will be Aug. 31.

Legion Post reactivated here

A decision was reached during a meeting Friday evening to reactivate the American Legion Post here.

Elected post commander was Leroy Threet, with David Davis adjutant and Wade Coffee finance officer.

The post was named the Charles E. Mann Post, in memory of a well-known and active local Legionaire.

The next meeting will be at 7:30 p.m. Sept. 21 in the TU Electric Reddy Room.

ACCEPTS DONATION - Mrs. Vern Mikkelson, left, president of the Iowa Park Recreational Activities Center, accepted a \$1,145 donation Monday from Ruth Todd, representing the Levi Strauss Foundation. The money will be used to purchase chairs and tables for the RAC, Mrs. Mikkelson said. The foundation is giving away \$17,500 this year to worthy community organizations.

Rwanda trip reviewed

Mark Thames gave highlights of a recent International Crusades trip that he and Dr. Derrell Monday made with 28 other people from Texas to Rwanda, Africa, Monday for the Nigh BW of First Baptist Church.

He was introduced by Mrs. Terrell Silvers, president.

He said that the population of Rwanda is now 6.3-million and the growth rate is 3.77 percent. The language is Kinyarwayda and French, and the literacy is only 37 percent.

Mark described the primitive living conditions and Dr. Wronya served. He said that they lived under the same conditions while they were there, walked miles each day from hut to hut witnessing to the natives through a record player that carried messages and testimonies in the people's languages.

Mark stated that through the efforts of the 30 Texans, missionaries and Christians in Rwanda, close to 5,000 people were won to the Lord during the crusade. He showed a New Testament in the Kinyarwayda language, coins and paper money of Rwanda to enhance interest in his talk.

Mr. and Mrs. Leo Thames, parents of Mark, were special guests.

A salad supper followed the program and preceded a business meeting conducted by Mrs. Silvers. Mrs. Bill Curry was in charge of the missionary birthday calendar.

Shower fetes bride-elect

Miss Kristi Cooley, bride-elect of Jeff Thompson, was honored at a bridal shower Sunday afternoon at the Tom Burnett Memorial Library.

The hostesses were Mmes. Denny Boland, Billy Castle, Cameron Honea, Randell Yarbrough, Ann Kelly and Miss Paige Watkins.

Bouquets of spring flowers were used in decorations in the party room.

Special guests were Mmes. Kay Cooley, mother of the bride-elect, Jack Thompson, mother of the groom elect, Ruby Lowry, grandmother of the honoree, and Lloyd Cooley, grandmother of the future groom.

The wedding will take place Sept. 12 at the University United Methodist Church in Wichita Falls.

Cook of the Week

Several factors contribute to people's eating habits, and time is one crucial element now in which they are dictated with many families, having two working parents instead of one.

That isn't to say, however, that the majority of households in this country are suffering from bad eating habits because advanced technology, microwave ovens and simple recipes, have given cooks the upper hand again.

Linda (Mrs. James) Rinehart is one of the busiest young matrons in the community, but she realizes that the health of her family is in her care and she spares no effort in planning the right kinds of food in the right amounts. She fits the description of a master home builder given by one who said, she was "a woman who is a good planner, a gracious hostess and excellent cook."

The former Linda Stewart was graduated from Wichita Falls High School, and was married to James Rinehart, who was in the Air Force, soon after graduation. They lived in Dallas for a short time and later lived in West Virginia for two years. They have lived in Iowa Park 13 years.

Linda decided to further her education several years ago so she entered Midwestern State Univ. and stayed until she received a BSE degree with magna cum laude honors. At the university, she was on the Dean's List, Dean's Honor roll, Who's Who Among American College and University Students, and a member of TSEA, ACE and Sigma Tau Delta. She taught third grade at City View last year and will be a first grade teacher at Kidwell Elementary this year.

James Rinehart is in charge of general maintenance at PPG. He and Linda and their children, David, a high school junior, and Jennifer, a seventh grader, are members of First Sunday School teacher of the four and five year olds and a member of the sanctuary choir.

SWEET POTATO CASSEROLE

1 large can sweet potatoes, mashed; use all juice
3/4 stick melted butter
2 eggs, well beaten
1 1/2 cup white sugar
2 tsp. cornstarch
1 cup milk
Dash cinnamon

Mix in large oven dish and bake 15-20 minutes at 400 degrees. Add topping and bake 15 or 20 minutes more.

TOPPING

1 cup crushed corn flakes
1/2 cup brown sugar
1 cup coconut
1/2 cup chopped nuts

Mrs. James Rinehart

Mix together in saucepan over low heat.

CHOCOLATE CHIP COOKIES

Mix together in order given:

1 cup sugar
1 cup brown sugar
1 cup softened butter
3 eggs, beaten
2 tsp. baking soda
1 tsp. cream of tartar
3 cups flour
1/2 cup oatmeal
1 tsp. vanilla
1 tsp. salt
1 package chocolate chips (16 oz.)
Bake at 375 degrees 12 minutes.

HOMEMADE BREAD

2 cups lukewarm water
2 Tbsp. shortening
1 package dry yeast
1/2 cup sugar
6 cups flour
1 tsp. salt

Mix water, yeast and sugar in hour, then add and beat in salt and shortening. Add the rest of the flour and knead dough 5 minutes. Place in greased bowl to rise until double. Punch down and shape into rolls on greased pan. Allow to rise and bake until done at 350 degrees.

Walsh graduates nursing school

Vonna (Mrs. Jerry) Walsh was graduated from Vernon Regional Junior College's licensed vocational nursing school Saturday night. She will take the state board examination in October.

She is the daughter of Leon Howe and Yvonne Howe of Wichita Falls. She and Jerry have two daughters, Tara, four years old, and Ericka, 15 months.

Missionary has program

Mrs. Eleanor Bell gave a program of slides, narration and music on the island of American Samoa Monday evening for a meeting of the Friendship Sunday School class of First Baptist Church. Mrs. Lloyd Lowe and Mrs. F.L. McCoy were hostesses.

Mrs. O.S. McLemore conducted the business before the program. It was voted to make a monetary gift and contributions of foods to the local food pantry for the August outreach project.

Mrs. Elmer Singleton gave the devotion using "Food for the Soul" for her topic.

The RDA's and You

The U.S. RDA's (U.S. Recommended Daily Allowances) are vitamin and mineral levels determined by the Food and Drug Administration to meet the daily needs of various categories of people for these nutrients. The U.S. RDA information regarding nutrients is listed on vitamin supplements. This tells you what percent of the U.S. RDA for each nutrient is contained in one dose. Your daily goal, of course, should be to eat the foods and/or take vitamin supplements which will add up to 100 percent of the U.S. RDA for each nutrient.

VITAMINS

WHY IT'S NEEDED

VITAMIN A

Helps in the formation and maintenance of healthy eyes, skin, hair, teeth, gums and various glands. Necessary for new cell growth and healthy tissues.

VITAMIN D

Aids in the absorption of calcium and phosphorus for building strong teeth and bones.

VITAMIN E

Helps in the formation of normal red blood cells, muscle and other tissue. Helps protect unsaturated fats from abnormal breakdown within the body.

VITAMIN C (Ascorbic Acid)

Helps keep bones, teeth and blood vessels healthy. Promotes growth and tissue repair including the healing of wounds.

FOLIC ACID

Assists in the formation of certain body proteins and genetic material for cell nuclei. Also helps in the formation of red blood cells.

THIAMINE (Vitamin B-1)

Helps create energy from food by promoting the proper metabolism of sugars in the body.

RIBOFLAVIN (Vitamin B-2)

Involved in the body's use of fats, carbohydrates and proteins, particularly to release energy to the cells. Oral contraceptives may reduce Vitamin B-2 levels in the body.

NIACIN

Present in all body tissues and is involved in the energy-producing reactions within the body cells.

VITAMIN B-6

Performs many important roles in protein metabolism and in the use of fats. Also aids in the formation of red blood cells. Oral contraceptives may reduce Vitamin B-6 levels in the body.

VITAMIN B-12

Helps in the building of nucleic acids (vital genetic material) for cell nuclei and in red blood cell formation. Aids in proper functioning of nervous system. Oral contraceptives may reduce Vitamin B-12 levels in the body.

BIOTIN

Involved in the formation of certain fatty acids and energy production from the metabolism of glucose. Necessary for working of many body chemical systems.

PANTOTHENIC ACID

Necessary in body metabolism involved in converting fats, carbohydrates and proteins into molecular forms needed by the body. Required in the formation of certain hormones.

CHOLINE

A lipotropic agent necessary to prevent accumulation of fat in the liver and degenerative changes in the kidneys.

WINNER - Brittany Taylor, daughter of Mr. and Mrs. Ron Taylor, was crowned America's Miss Aug. 7 in Arlington. She had won the Texas title earlier this summer. Besides the trophies, robe, crown, diamond necklace, she received a \$1,000 scholarship, cruise to the Bahamas, and a trip to Disney World.

Law enforcement explorer post to be organized by police

A Law Enforcement Explorer Post will be formed next month at the Iowa Park Police Dept. for boys and girls at least 14 years of age. Chief Allan Sheffield said the post will be for students interested in law enforcement and other areas of the criminal justice system.

A "mini" law enforcement academy as well as community projects and service will be included in the

program. Guest speakers and advisors will be available in all areas of criminal justice, Sheffield said.

Enrollment will be limited, and students interested can contact Officer John Cross or Sheffield at the police department.

Speakers available for organizations

As a service to local communities, the public affairs office at Sheppard AFB has a speakers bureau program.

Professionals at Sheppard will speak about their field of expertise. Volunteers are listed in the speakers bureau and are available to speak on various topics representing typical activities on an Air Force base.

The public affairs staff helps find the right person to speak to requesting organizations. Speakers can talk about foreign lands, professions, hobbies, travel, medical topics that affect everyday life, and Sheppard's mission, to name a few.

Anyone needing a speaker may contact the speakers bureau for help, and can be contacted by calling 851-2734.

By TONI LUTZ

ART EXHIBIT

The Tom Burnett Memorial Library will be hosting an Art Exhibit from 7 to 9 p.m. on Friday, August 28, in the upstairs room of the library. The work of the 1987 summer art class students will be displayed and refreshments will be available. The public is welcome to attend and admission is free.

FIDDLER'S CONTEST

The final program of the "Summer In The Park" series will be a Fiddler's Contest along with live music from the Friendly Door Band and the Red River Blue Grass Band at 6 p.m. Sept. 3 in the City Park.

The Friendly Door members will be selling homemade ice cream and goodies, while displaying quilts they have made.

Those who would like to enter the Fiddler's Contest must register at the public library by Aug. 29. There will be an entry fee of \$5. Trophies and cash prizes will be given to the first and second place winners, and trophies to the third place winners.

LIBRARY HOURS CHANGING

Hours:
Sunday & Monday - closed
Tuesday & Thursday - 12-8 p.m.
Wednesday & Friday - 10-4 p.m.
Saturday 9 - 1 p.m.

On Sept. 1, these regular library hours will take effect and the summer hours will resume in June of 1988.

The Library will be closed on Saturday, Sept. 5, in observance of Labor Day.

Our new storytime schedule will also take effect on Sept. 1

Tuesday, preschool, 2:15 - 3 p.m.

Thursday, preschool, 10 - 10:45 a.m.

Friday Toddlers (2-3 yrs. old), 10-10:30 a.m.

Saturday, children's hour (preschool-6th grade), 10:30-11:30 a.m.

Christian Church plans nation-wide observance

Members of the Christian Church will host a nation-wide church celebration of the bicentennial of the constitution of the United States and freedom of religion.

To begin at 11:55 a.m. Sunday, Sept. 13, the nation-wide coordinated event will be open to the public, according to Rev. Michael Grubbs, minister.

The services being planned by an estimated 4,200 congregations across the country are being coordinated by National City Christian Church, the national cathedral for the Disciples of Christ, located in Washington, D.C.

In addition to study and program materials, National City Christian Church has provided "Scrolls of Reaffirmation," expressing gratitude for the constitution and freedom of religion in the United States, that will be signed by local people and preserved in the church's archives in Washington, Rev. Grubbs said.

As I See It...

By BOB HAMILTON

Where did the summer go? I've been asking myself that question the past couple of weeks, and all of a sudden, others are making the same observation.

Teachers are reporting for in-service in only four days, and school starts eight days later. That, friends, signals the end of summer.

Actually, the entire year has seemed to be only a few weeks in duration. Sitting in on the school board's budget workshop recently, I had the distinct feeling the 1986-87 budget had been held only six weeks earlier.

It was wierd. I felt I could actually recall figures and comments made during that budget discussion, and here it was an entire year later.

I can always tell when the start of school is nearing, because the sun hits me right in the eyes as I drive to work on West Highway, just about the time I round the curve at Park Ford.

Besides the few slack hours during the week when I've been able to slip off and get in a round of golf, there's one other thing about summer that I'm going to miss.

I enjoy the summer time when I

can turn onto West Highway at Fourth Street, without having to wait for dozens of cars to pass on their way to the high school.

But as much as I enjoy the summer time, I enjoy the months when school is in session even more. This town comes alive with activities, and that's what makes life, and newspaper work, interesting.

But, back to the shortness of summer, I guess that has something to do with age. And before long, it will be confusing to have graduation and start of school all happening at the same time!

AREA OIL & GAS NEWS

At a location four miles north-northwest of Kamay, Sage Energy has finaled a new oil producer in Wichita County's K-M-A Field.

The well is designated as the No. 73 J&J Waggoner KMA Unit, pumping 61 barrels of oil per day, plus 25 barrels of water. Bottomed at 3,993 feet, production will be from perforations in the KMA Sand Formation, 2,784 to 3,792 feet into the wellbore.

Drillsite is in a 1,705-acre lease in the BS&F Survey, A-387. The well is located 1,585 feet from the south line and 1,535 feet from the west line of the survey.

Marshall Energy of Dallas has filed first production figures on an oil producer in the K-M-A Field. The No. 4-M J.A. Kemp Estate "2" showed potential to pump 22 barrels of oil per day, plus 240 barrels of water.

The operator has 48 acres leased, with drillsite in Wichita County's F. Peterswick Survey, A-243, one mile west of Kamay.

The well will produce from perforations in the KMA Formation at 3,771 to 3,775 feet into the wellbore. Total drilling depth was 3,820 feet.

The well is located 1,705 feet from the north line and 330 feet from the east line of the lease.

Jack L. Story of Wichita Falls has filed for permit to drill the No. 1 Lee Miks, a 5,400-ft. developmental well in the Wichita Falls townsite. Location is in a 40-acre lease in the J. Goodwin Survey, A-83. The well will be drilled in Wichita County's K-L-B Field, 467 feet from the north line and 467 feet from the west line of the survey.

West Landrum of Burkburnett is planning to drill six new developmental wells in the Wichita Regular Field. The wells have been designated as the Nos. 1-W, 2-W and 3-W Bertha Ramming and the Nos. 4-L, 5-L and 6-L Bertha Ramming. The first three wells are projected to 1,900-ft. total depth, while the other three wells carry permits for 1,00-ft. total drilling depth.

Locations are three-quarters mile south of Clara in a 70-acre lease in the HT&B Survey, A-474.

The 1-W well will be located 2,490 feet from the west line and 2,490 feet from the west line of the lease; the No. 2-W will be 2,420 feet from the north line and 2,200 feet from the west line of the lease; the No. 3-W well will be drilled, 2,340 feet from the north line and 1,800 feet from the west line of the lease; the 4-L well will be located 1,500 feet from the north line and 2,490 feet from the west line of the lease; the 5-L will be situated 1,200 feet from the north line and 2,490 feet from the west line of the lease; and the No. 6-L well will be drilled 900 feet from the north line and 2,490 feet from the west line of the lease.

The No. 37 Tidewater, a 2,000-ft. developmental well, is scheduled to be drilled in the Wichita Regular Field. Williams Petroleum of Burkburnett is the operator. The well will be spudded in a 158-acre lease two miles southeast of Fowlkes in the SA&MG Survey, A-430.

Drillsite is 1,865 feet from the north line and 1,285 feet from the east line of the lease.

Drillsite has been staked for the No. 10 Hugh Reilly "A", a 1,700-ft. developmental well in the Wichita Regular Field. The operation will be located six miles southwest of Burkburnett in a 140-acre lease in the J.B. Johnson Survey, A-169. The operator is Century Resources of Wichita Falls.

The well will be located 300 feet from the north line and 1,870 feet from the west line of the survey.

The No. 168 S.M.A. Unit "B" has been finaled by Mobil producing of Midland.

It is a developmental well in the Wichita Regular Field, one mile southeast of Clara. Drillsite is in a 1,748-acre lease in the HT&B Survey, A-127.

Daily potential of six barrels of oil, plus 96 barrels of water was posted with the Railroad Commission. The well went to a 2,000-ft. bottom, and production will be from perforations in the Gunsight Formation, 1,645 to 1,744 feet into the wellbore.

Drillsite is 1,670 feet from the south line and 2,118 feet from the west line of the lease.

Tri Core Oil & Gas of Irving has given up on its efforts to make producers out of the Nos. 42 and 43 Dickinson, developmental ventures in Wichita County.

The wells were located three miles north-northeast of Clara in a 79-acre lease in the Specht Colony S/D Land Survey, Blk. 19. The No. 42 well was in the Tricore Field, while the No. 43 was in the Wichita Regular Field. Total drilling depths were 1,950 and 1,700 feet, respectively.

Drillsite for the No. 42 well was 3,450 feet from the south line and 1,710 feet from the east line of the lease, and the No. 43 well was located 3,300 feet from the south line and 1,480 feet from the east line of the lease.

Plug-and-abandon orders were issued for the No. 2 Obenhaus, a developmental venture of Thomas S. Schalk in the Wichita Regular Field. The well was located 5.5 miles northeast of Electra in a 50-acre lease in the Waggoner Colony S/D Survey, Blk. 326.

The well probed to a dry bottom at 2,000 feet.

Location was 1,169 feet from the north line and 300 feet from the west line of the lease.

Two 2,000-ft. developmental wells are planned by Black Jack Oil of Holliday at drillsites two miles south of Fowlkes, Wichita County. The locations are in a 33-acre lease in the H&GN Survey, A-432. Wells' designations are the Nos. 15 and 16 Burnett "C." They will be drilled in the Wichita Regular Field.

The No. 15 well will be drilled 150 feet from the south line and 1,035 feet from the east line of the lease. Drillsite for the No. 16 well is 150 feet from the south line and 150 feet from the east line of the lease.

Frank Holcomb of Wichita Falls is planning to conduct a re-entry operation at the No. 20 F.P. Warren, a developmental well in the Wichita Regular Field. The well is located five miles southwest of Burkburnett in a 122-acre lease in the W.J. Smith Survey, A-678.

The well was originally completed April 2, 1963, by L.V. Hunt. The original total depth was 656 feet, and Holcomb plans to seek production at approximately 1,475 feet.

The well is located 700 feet from the south line and 700 feet from the east line of the survey.

A Wichita Falls-based operator has staked location for the No. 1 Dillman, a 2,500-ft. developmental well to be located nine miles south of Vernon. The well will be drilled in a 148-acre lease in Wilbarger County's H&TC Survey, A-1066, Kem Field. The operator is Kem-Gem Inc.

Drillsite is 330 feet from the south line and 2,790 feet from the west line of the lease.

No commercial shows have been logged at the No. 6 W.T. Waggoner Estate "A", a developmental venture of Freddie Crampton of Holliday. The well was located six miles southwest of Harrold in a 44-acre lease in the H&TC Survey, A-119, Wilbarger Regular Field.

The operation was spudded June 14, and has been bottomed at 1,900 feet.

Worth Quoting

You know you have a major drug problem in a community when the state drug agents recognize you from covering the last drug raid in your community.

It's gotten to that point here as state agents half-way joke about getting an apartment or rent house here to allow them to get some sleep before and after raids on amphetamine laboratories.

Last week's bust on another lab in Forestburg is the third major drug raid in the county in less than a year going back to the arrest of Monte and John Yowell near Bowie.

Strung before and after are almost a dozen other, smaller raids on smaller labs.

If there's anyone who doubts we have a major drug problem, think again.

The raid on the Yowell's lab last August confiscated more than \$4-million worth of drugs and equipment.

The raid on the Yowell's lake cabin on Lake Nocona netted more than \$2-million worth of marijuana and equipment.

And last week's "minor" lab north of Forestburg netted approximately \$900,000 worth of amphetamines and equipment.

We've got a problem in this county. A problem that won't be cured except through harsh punishment and persistent, dogged pursuit and prosecution.

The cutting of deals letting first degree felony suspects off with suspended sentences can't be allowed by county jurists, and shouldn't be approved by county prosecutors.

TRACY MESLER
Nocona News

We received in the mail this week a "fact sheet" from the Texas Democratic Party which informs us that we Texans should not be com-

plaining about the whopping tax boost given us by the state legislature but instead we should be thankful that our legislators have done so well in passing a "bare bones, lean budget." The Democratic leadership says that Texans pay \$243 less per person annually in state taxes than does the average American. Maybe so. But before we throw our arms around our Democratic legislators and thank them for being so frugal, let's look at the record. No matter how you phrase it, Texans got the biggest tax increase this year in the history of the United States. Maybe our Democratic leaders are proud of it, but I for one am not.

The thrust of the message from the Texas Democratic Party was that those Republicans and conservative Democrats who consistently voted against the tax increase were irresponsible and voted the way they did purely in order to increase their chances of re-election next year. I prefer to think that that small band of legisla-

tors who stood firm under the pressure of Democratic leaders were voting their convictions and believe that the state can get by without increasing the tax bill of everybody living in this state. It is not much comfort to me to be told that people in other states pay less in state taxes than I do. In fact, I have yet to have this fact proven to me.

There is continuing talk about a state income tax and it may be that it is inevitable. As far as a business goes, it may not be all that bad since the tax burden keeps going up anyway. If an income tax could replace some of these other taxes, it might be good for a business.

HAROLD HUDSON
Perryton Herald

Costs

Continued from page 1
65 years or older, the tax on an \$80,000 house in this district would have averaged \$444 (Burkburnett \$502, Electra \$533, Wichita Falls \$521, City View \$429, Holliday \$543), or less if subject to a tax freeze.

Revenue lost from exemptions exceeded a billion dollars. To balance school budgets, the revenue loss from exemptions was imposed upon other taxpayers in the school district.

Local property taxes plus state aid was \$2,555 per student in the Iowa Park district (Burkburnett \$2,581, Electra \$3,852, Wichita Falls \$2,951, City View \$2,770, Holliday \$3,198) as compared to \$3,075 statewide.

The primary purpose of state aid is to equalize state and local tax resources among schools. In 1986-87 tax resources ranged from less than \$2,500 per student in 30 districts to more than \$10,000 in eight districts.

Elect administrator

Dear Mr. Hamilton,

I am concerned about the Government of Iowa Park because I am a property owner in Iowa Park. The public officials in a democracy should be elected by the people. The Office of City Administrator of Iowa Park should come up for election every 2 years.

Yours sincerely,
Joe Harry Bower

HEY FOOL!

Drugs aren't cool.

And if you think they are then you're just fooling yourself. They'll destroy your mind, ruin your health and drain your bankroll... and that's only if you're one of the lucky ones. The not-so-lucky drug users don't live to tell about it. It doesn't take a college education to get smart about staying away from drugs. So wise up and put your foot down. Drugs are bad news, and anyone with a head on his shoulders can figure it out. Don't let drugs play you for a fool.

A message from

IOWA PARK LEADER

DWIGHT PARKER

Parker new pastor here

Dwight Parker became pastor of the Iowa Park Church of Christ in June, moving here from Leedey, Okla.

The native of Wewoka, Okla. received his education at Oklahoma Christian College, Oscar Rose Junior College and Northwestern State Univ., majoring in Bible and minoring in speech, psychology and history.

His wife, Annette, has worked the past four years as a school librarian. They have two children, Geoff, 10, and Jeremy, 7.

Having preached the past 17 years in Oklahoma churches, the Sooner native commented, "I didn't think they'd ever get me south of the Red River."

But he quickly announced he was

most impressed with the friendliness of Iowa Parkans and the cleanliness of the community.

His first pastorate was at Cherokee, followed by Amorita and Burns Flat before going to Leedey in 1982.

Although he was very active in Lions Clubs six years, serving as president, vice president and a zone chairman, he joined the Iowa Park Rotary Club soon after his arrival.

Living in an area where oil is a major industry is not new to Parker. His father is a retired production manager for Continental Oil.

Among his other civic activities have been the Boy Scouts, blood donor program (21 donations), First Responder and Medical Emergency Technician, speech and debate coach as well as school bus driver, and Special Olympics.

Obituaries

Erma Davidson

Services for Erma Davidson, 61, will be at 2 p.m. today at Lunn's Funeral Home in Wichita Falls with Rev. James Pounds, pastor of Holliday United Pentecostal Church, officiating. Burial will be in the Bowman Cemetery.

She was born Nov. 19, 1925, and was a lifelong resident of Wichita Falls. She and Billy J. Davidson were married Dec. 25, 1942, in Quanah.

Survivors include her husband; six sons, Jackie, Michael, Jeremiah, Ricky, Nathan and Timmy of Wichita Falls, David Kestler and Robert Kestler of Holliday; three sisters, Iris Crawford of Wichita Falls, Pebble Dulin of Fort Worth, and Melba Hill of Mesquite; 30 grandchildren; and seven great-grandchildren.

L.D. Smith

Services for L.D. "Doc" Smith, 85, were held Monday morning at Faith Baptist Church with Revs. William G. Etheredge and Jerry Miller officiating. Burial was in Highland Cemetery under the direction of Tanner-Aulds Funeral Home.

Smith was born April 27, 1902, in Gorman and had lived in Iowa Park 20 years. He was a retired oil field worker and a member of the Baptist Church. He and Catherine Bylee were married Nov. 7, 1949, at Electra.

Survivors include his wife; three daughters, Kitty Lou Lynch of Frederick, Okla., Beverly Shank of Vancouver, Wash. and Fay Whitecotton of Electra; three brothers, Roy of Wichita Falls, W.W. of Fayetteville, Ark. and Ledford of Odessa; two sisters, Mrs. Alton Holbrook of Electra and Lorene Barnett of Midland; 11 grandchildren; and 12 great-grandchildren.

Palbears were Billy Beavers, James Beavers, Donald Hill, Eskal Rice, Ray Copening, Joe Gantt and Jerry Whitecotton.

Fred Norman

Services for Fred Norman, 70, were Saturday at the Tenth and Broad Church of Christ in Wichita Falls with Larry Suttle, minister, officiating. Burial was in Crestview Memorial Park under direction of Hampton-Vaughan Funeral Home.

He was born Feb. 28, 1917, in Childress and had lived in Wichita Falls 40 years. He was a mechanic and a member of the Tenth and Broad Church of Christ.

Survivors include his wife, Eva; three daughters, Carol LaFon of San Angelo, Judy Mitchell of Iowa Park and Jan Gant of Wichita Falls; three sons, Freddie Ray, David and Steve, all of Wichita Falls; one brother, Roy of Marysville, Utah; 11 grandchildren; and one great-grandchild.

Wendell Wilson

Services for Wendell Wilson, 37, were held Tuesday morning at Tanner-Aulds Funeral Home with Rev. H.E. Allen, pastor of the Wichita Falls Assembly of God church, officiating. Burial was in Highland Cemetery.

He was born July 31, 1950, in Wichita Falls, and had lived in Iowa Park 29 years. He was a truck driver for John B. Barbour Trucking Co. and a member of the Assembly of God Church.

He is survived by his parents, Mr. and Mrs. Woodrow Wilson of Iowa Park; a daughter, Wendy Lynn of Burkburnett; two brothers, Donald Wayne and David, both of Iowa Park; and a sister, Linda Pearl Chamney of El Cajon, Calif.

HOLLIDAY CHURCH OF GOD'S "GOD SQUAD" 'God Squad' makes trek

HOLLIDAY - Several area youth from the Holliday Church of God journeyed 40 miles on foot recently carrying an eight foot cross to spread the word of God.

The "God Squad," a youth group from the church, walked from Henrietta to Holliday where a youth rally was held that evening.

Led by Pastor Lonnie Stewart and his wife Monica, members of the

group included from Holliday, Nina Stewart, Tammy Stewart, Brad Thompson, Mindy Stewart, Kenny Nyburg and Patty Johnson; from Iowa Park, Bryan Hoodenpyle, Tammy Hill, and Darrell Johnson; and from Kamay, Kim Warren, Ray Admire, Vivian Admire, Lynn Brumeloe and Donnie Lewis.

The God Squad meets at 7:30 p.m. each Thursday at the Holliday Church of God.

Ronald Ewing, violate Ord. 4-40 (allow dog roam at large), \$50;
James Allen Ostrowski, public intoxication, \$49.

AREA OIL & GAS NEWS

The Wichita Regular Field gained a new producer when James I. Billingsley completed the No. 9 Fred Thom seven miles southwest of Burkburnett.

The well indicated ability to pump 20 barrels of oil per day. It was taken to a 2,012-ft. bottom, and was plugged back to 1,800 feet. Production will be from perforations in the Cisco Formation, 1,694 to 1,698 feet into the wellbore.

The operation is in a lease in the HT&B Survey, A-480, 400 feet from the north line and 150 feet from the east line of the lease.

Three new producers were brought on line in the Wichita Regular Field, with Krot Oil of Burkburnett as the operator.

Located two miles west of Burkburnett, the wells are in a 156-acre lease in the RRVL S/D Survey, Blk. 40. They are designated as the Nos. 13, 14 and 15 West Bear.

The operations indicated potential to pump oil at the combined rate of 22 barrels per day. Total drilling depths ranged from 1,871 to 1,890 feet, and production will be from perforations in the Gunsight Formation, ranging from 1,824 to 1,843

feet into the wellbore.
The No. 13 well is located 1,100 feet from the south line and 1,774 feet from the west line of the lease; the No. 14 well is situated 1,100 feet from the south line and 2,074 feet from the west line of the lease; and the No. 15 well is located 1,400 feet from the south line and 1,774 feet from the west line of the lease.

A Vernon-based operator has staked location for the No. 1 K. Gilbert, a wildcat well to be located 4.5 miles northwest of Electra. With projected total depth of 6,000 feet, the well will be in a 120-acre lease in Wichita County's Waggoner Colony S/D Survey, Blk. 172. The operator is the W.T. Waggoner Estate.

Drillsite is 467 feet from the south line and 467 feet from the east line of the lease.

TEXAS GARDENER TIPS

How To Control Tomato Pinworms

The summer of 1985 saw our tomato crop devastated by a horde of small caterpillars, *keiteria lycopersicella*, or tomato pinworms. This problem was virtually unknown in our Central Texas area a few years ago, but has recently become increasingly severe.
The adult, a small tan moth, is busiest just at dusk each day after the weather warms laying numerous eggs, usually on the underside of the leaf on the upper half of the plant. After a few days, the eggs hatch and the small larva (light green, turning purplish-black) burrows into the leaf and lives as a leafminer the first half of its life. As a miner in the leaf, it leaves tan or brown colored areas in the leaf where the green has been eaten out from between the leaf surfaces. These areas of the leaf die and become brittle. The larva then emerges from the leaf, rolls together a portion of the leaf and webs up the area, living and feeding here

under the calyx, after which the fruit is a total loss.

Control is actually not difficult, but requires a rigid and thorough dusting or spraying program. Four or five applications of Sevin, Malathion, Diazinon or *Bacillus Thuringiensis* at four-day intervals will break up the cycle and eliminate this extremely damaging small worm.

Crop rotation, frequent plowing and destruction of old plants also helps. Should spider mites be a problem at the same time, two applications of kelthane (Dicofol) added to the spray will give control of the mites.

for a period of time and causing much foliage damage.

The next move of this small worm, which is about 1/4 inch in length, is to bore into the fruit right at the stem scar

Tatum in Germany

Army Pvt. Billy Tatum, foster son of Mr. and Mrs. Ralph Finney of 1607 Yucca, Iowa Park, has arrived for duty with the 45th Support Battalion, West Germany.

Tatum, a tracked-vehicle mechanic, is a 1986 graduate of Iowa Park High School.

ABOUT TOWN

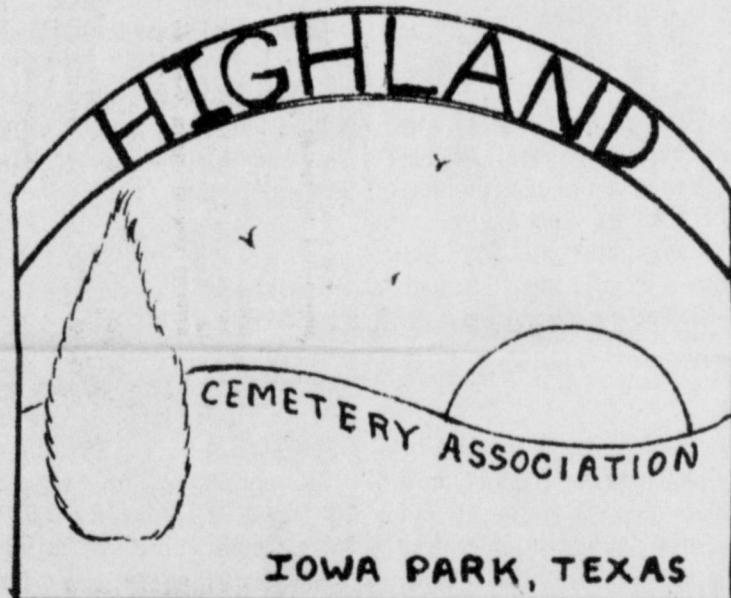

Among the items to be discussed when the Nortex Regional Planning Commission executive committee meets at noon today in the Trade Winds Motor Hotel in Wichita Falls will be an application from the City of Iowa Park to the Texas Parks and Wildlife Dept., requesting financial assistance to construct a boat ramp at Lake Iowa Park.

CARD OF THANKS

Special thanks to my wonderful family. It's been a tough 13 months, but we made it with crossed fingers and answered prayers. It's all because of our love for each other. It was worth all the confidence you've shown in me. I Love You.

Coach Baugh: 'Hawks bigger, stronger, slower'

The Hawks aren't as fast as they were in 1986, but they're bigger and stronger.

That assessment was made Tuesday when Coach David Baugh spoke to the Noon Lions Club, when he was asked to compare the two teams.

Replacing key players lost to graduation is the major problem of the Hawk coaching staff. They only have three defensive and two offensive starters back from the club that surprised the "experts" and went all the way to the state quarterfinals.

"To reach the playoffs again, we will have to do a good job coaching the younger players replacing those seniors," the Head Hawk said. He added that those being counted on this year got extra experience by getting into the playoff games last season.

He said he would "have to rate us a little weaker at defense" when comparing this year's club with the '86 team.

That was evident during the intersquad scrimmage Saturday morning.

After the scrimmage, Baugh said he felt the offense was ahead of the defense, at that point. Last year his assessment was just the opposite.

"It should be an interesting year, and a challenge to get the players back to the same level," he said.

Like the '86 season, Baugh felt the team would probably start slow, but gain in momentum along with experience.

Depth in certain positions was a major concern to the veteran coach, who said there were some key posts where quality fell off rapidly after the first team players.

Size will be a key this season, though Baugh admitted he didn't really know how many players he had who were over 200 pounds.

He singled out Greg Young as the largest on the team, standing at 6-5 and weighing over 240 pounds.

The senior was all-district both offensively and defensively last year.

On the opposite side of the line at the other tackle position is another all-district performer, Jimmy Kirkman, who is another 200-plus.

Looking at his pre-season schedule, he said Burkburnett and Graham

will both probably be tougher than last season, because both have new coaches and will be wanting to prove themselves against the Hawks.

Also, Springtown is picked by some as the third-best Class AAA club in the state this season, and Vernon "is always tough," he said.

Seymour will likely not be as good a team as last year, Baugh figured.

In Dist. 6-AAA play, Brecken-

ridge, the defending champion and host of their game this year, Decatur and possibly Bridgeport will be the major competition this season.

However, Baugh observed that all the conference teams, including Bowie and Jacksboro, will be improved over last year.

SCRIMMAGE

The Hawks will get a good test against a good club here tomorrow

night, when they host Holliday in a pre-season scrimmage.

Baugh said Coach Don Lucy has a good team of experienced players on the field and will provide plenty of competition for his Hawks.

Iowa Park's freshmen will hold a short scrimmage, starting at 6 p.m., against Holliday's smaller JV players, because the Eagles don't field a freshman club.

That will be followed by play

between the two JV clubs, and the varsities are expected to take the field about 7:30.

The following week, the Hawks will travel to Olney for the final pre-season scrimmage.

COACH EARNE REUSCH GIVES SOME INDIVIDUAL INSTRUCTIONS DURING WORKOUT

Graduates with honors

Robert Charles (Robby) Hausler III received a BS degree in civil engineering Saturday morning from the College of Engineering at Texas A&M Univ.

He was graduated with cum laude honors and was one of the 72 honor graduates.

He was in the Marine Reserves four years, on the Dean's List throughout college, and a member of Chi Epsilon two years. He was graduated from Iowa Park High School in 1983.

He is the son of Mrs. Dave Johnson of Iowa Park and Robert Hausler of Houston.
