## RAC, police major topics of meeting

Additional work on the Recreational Activities Center and personnel for the police department required most of Monday's city council meeting time.

After approving a lease contract, with revisions, for the city-owned RAC building with the RAC board, aldermen turned their attention to the on-going project of completing the structure.

To get the structure to a point where RAC programs can be moved from the old building into the new structure, an expenditure of approximately \$35,000 will be required, Alderman Johnny Crawford estimated.

However, to reach that point, part of the materials, such as ceiling tiles and insulation, will be sought by RAC volunteers through donations.

Crawford based his estimate on a plan of the city serving as its own contractor for the completion work, but pointed out the estimates do not include floor finishing and additional restroom fixtures.

The motion, made by Alderman Diane Robnett and seconded by Alderman Johnny Coker, was to "advertise for bids for materials to complete the interior of the building, and all labor go through city payroll as temporary employees."

The motion was unanimously approved.

During the lengthy discussions concerning the RAC, Mayor Wayne House said, "We're treating the RAC as a stepchild of the city."

His comment had to do with the amount of money, approximately \$16,000, received from United Way to fund its entire operation.

House said the council needed to talk with United Way officials, because most of the RAC expenses, including structure, utilities and insurance, are carried by the city.

He later said he felt the RAC should possibly be brought into the city as

another department, similar to the library.

Police Chief Wayne Parsons asked council permission to hire another patrolman and a fifth full-time radio dispatcher.

He explained the hiring would bring the department "back to the level it was funded by the current budget."

Both House and Crawford questioned the chief's scheduling of officers during the night shifts: two in the evenings and three in early morning hours.

Parsons replied having three on duty, designed to give potential burglars problems with trying to keep up with their locations, had apparently been working. "We've not had a home or business burglary since the first of December."

Explaining his practice of having three patrol cars on duty at once, Parsons said, "They can keep up with two, but they never know where the third one is."

The additional officer will take the force of officers back to 10, Parsons explained.

House told the chief, "I always felt we were overstaffed and we could cut by attrition. I feel we should keep it that way."

Parsons responded such a cut would necessitate elimination of providing escorts for funerals, house checks, security at football games and other situations where violations of law were not involved.

An ordinance was approved which provides for borrowing money to pay for the purchase of a slurry application machine and new sanitation truck, over a four-year period.

Another ordinance approved amends a section "...to bring our policies in line with the laws, statutes, and will help insure personnel who apply

## Work to close Wagonwheel

Street Dept. workers will begin rebuilding a section of Wagonwheel Monday, and for a few days motorists will be inconvenienced.

Public Works Director Mike Price said workers will begin excavating the street surface from Johnson Road to the Surrey intersection about 9 a.m.

Taking out the asphalt and about six inches of base will require approximately a day and a half, and replacing all but the new surface another day and a half, he said.

When the base is replaced, the unsurfaced portion of the street will remain that way approximately two weeks, during which time traffic and equipment will be developing the necessary compaction.

Then a two-inch layer of asphalt

overlay will be applied.

That portion of the street has undergone considerable deterioration over the years, due both to heavy traffic and moisture undermining the pavement's base, Price explained.

While equipment is not working in the area, motorists will be able to cross it in their vehicles, Price said.

The only time crossing will not be permitted is when barricades are in place or equipment is blocking traffic.

When the area is closed off from Johnson Road to traffic, a bladed dirt road can be used that extends between the west end of Yucca and Quail Valley, Price said.

The bladed road was earlier used, when Johnson Road was being reconstructed.

A LASTING PROJECT - Students of George Brandt last week poured the concrete foundation for a flag pole in front of Iowa Park Junior High School, in preparation for next week's open house.

## Open house Monday at Junior High

Taxpayers will have an opportunity to see the results of their support of the bond issue that was overwhelmingly approved two years ago, when open house is held Monday at Iowa Park Junior High School.

Principal Randy Lovelady has issued an invitation to the general public to attend the open house from 7:30 to 8:30 p.m.

Included in the bond issue was \$737,000 with which to construct the new wing that includes eight classrooms and a new science laboratory, new administration offices, add a second

restroom in the old wing, replacing the heat pump air-conditioning system, and remodeling of the band hall.

At the beginning of open house, a dedication ceremony will be held on the front steps of the new wing.

Part of the brief ceremony will be the presentation of a painting of W.F. George, for whom the original building was named, to his son, W.A.

Plans also call for the structure's cornerstones that were salvaged when the building was torn down, be placed in the area between the circle drive and street, at the base of a new flag pole.

Prior to the 7:30 ceremony, a meeting will be held in the school's cafeteria, starting at 7, to organize a Parent-Teacher-Student Association.

Lovelady is encouraging all parents of current and future junior high pupils to attend the organizational meeting.

Citizens who made up the Key Communicator Committee that worked on the bond election are to meet at the junior high at 6 p.m., and be transported by bus to each campus for a view of work financed by the bonds.

The group is to return to the junior high campus by 7:30.

## FILING DEADLINE NEARS

### Races develop for school board

Two races have developed for positions on the school board, but thus far only two candidates have filed for the three positions on the city council.

Wednesday, Mar. 20, is the deadline for both school board and city council elections to be held on May 4.

Place Two school board incumbent Wendall House is being challenged by Max Henderson.

Place One, being vacated by John Sibley who has reported he will not seek reelection, has drawn the candidacies of Carmen Lozpone and former trustee Martha Dudley.

Place Three incumbent Sherri Kennedy thus far remains unchallenged.

In the city election, senior council member Johnny Coker announced Wednesday he would not seek reelection to Place Three.

Filing the same day for Place Three was Bob Hamilton.

The first to file in the city election was Place One incumbent Virgil Woodfin.

Coker was appointed to fulfill the unexpired term of Charlie Lee after Lee was elected mayor. He has since been elected to five terms, making 11 years in

all Coker has served on the council.

As of Wednesday afternoon, no candidate had filed for Place Five, which is being vacated by Diane Robnett, who announced she would not be a candidate this year.

Prospective candidates for either the school or city elections have until the closing of offices Wednesday to file for places on the ballots.

Applications for the school board are at the school administration building, while alderman forms are at city hall.

## Teacher contracts on agenda

Teacher contracts, salary increases for cafeteria workers and guidelines concerning religion in the school will highlight Tuesday's regular meeting of the school board.

The meeting, which was postponed from last week due to conflicts, is to begin at 7:30 p.m. and will be held in the junior high library.

February's meeting is traditionally when contracts for all faculty personnel are considered. All teachers in the Iowa Park system have one-year contracts, and action Tuesday would extend the current contracts through the 1991-92 school year.

As Assistant Superintendent Robert Palmer has been telling the board since early fall, salaries of all food service employees must be increased.

He said the increases are mandated by congressional legislation concerning minimum wages. Though many of the workers are above minimum wage, their salaries need to be increased in relation with the lowest of salaries, he explained.

Recommendations from the Iowa Park Ministerial Alliance proposing guidelines for the churches and school district to follow concerning anything relating to religion in school will be received and considered by trustees.

Other business items listed on the tentative agenda include:

- \* act on proposed school calendar for 1991-92 school year.
- \* act on two school policies, one of

which concerns "visitors to the schools."

\* act on career ladder plan concerning amount to be paid to levels two and three, as well as naming of a committee and method and date of payment.

\* cast ballots for Region Nine Educational Service Center board of

directors.

\* act on bids for purchasing of a steamer/cooker for the high school cafeteria, and welding supplies.

Reports on taxes, transportation and by Supt. Glen Mitchell also are listed on the agenda.

## News Briefs

### Victory rally planned March 24

A victory rally is being planned here Sunday, Mar. 24, to honor all military personnel who served in the Persian Gulf crisis, and especially to remember those who died and those still missing in the action.

The event is to begin at 6 p.m. on the lawn of Tom Burnett Memorial Library.

Persons with family members who served in Operation Desert Storm are asked to contact Leslie Johnson at either 592-5402 or 676-7340, or Jo Lynn Cockrum at 592-4436.

A candlelight vigil and display of flags will end the rally, and participants are asked to bring candles, flags and wear patriotic clothing.

### New business to open here Friday

The newest business in town, Iowa Park Recycling Center, will open its doors Friday at the northeast corner of Pacific and Bank.

Owner George Roy will be providing a regular receiving point for glass and aluminum cans.

Roy, who says he will be offering the same prices as found in neighboring Wichita Falls, proposes his service will be a major saver for the growing expense of operating a sanitary landfill.

The Center will remain open each Friday and Saturday.

DOING THEIR PART - Members of the Shining Hearts Star Flight Club of Camp Fire planted a tree at the Chamber of Commerce Tuesday afternoon as their show of support to the military troops that served in Operation Desert Storm. They had purchased the tree with funds raised in their annual candy sale. Members are Amy Rust, Jenna and Tori Crawford, Melonie Bradberry, Chelsea Wicks and Lori Chronister; Cheryl Rust and Kathy Crawford, leaders.

## Mrs. Hyde presents program for Iowa Park Garden Club

Sharon Hyde, a member of the Red River Orchid Society, was the speaker for the Iowa Park Garden Club, which met Friday morning at TU Electric Reddy Room. She was introduced by Mrs. Charlette Kennedy.

Mrs. Hyde and her husband have been growing orchids at their home for over six years. She stated that the orchid family is the largest single group of flowers in the world. "Orchids grow in every part of the world except the desert regions and Antarctica," she said.

She explained that most tropical orchids, which grow around the equator, can be grown by hobbyists, and have been grown as houseplants since the 1800's, especially in England.

She said that in order to grow orchids at home, the plants need plenty of bright light; a nighttime temperature of 55 to 60 degrees and a daytime temperature not to exceed 85 degrees; a humidity level of 60 percent, and a regular watering and fertilizing schedule.

Mrs. Hyde displayed several blooming orchid plants from her greenhouse, and said that it is not unusual for some of these plants to bloom for up to eight months of the year. "Therefore, growing orchids is a gratifying experience," she said.

During the business session, Mrs. John Clapp, president, thanked members for their help with the food drive.

## Miss Williams honored with shower

Necia Williams, bride-elect of Michael Munsch, was honoree at a miscellaneous pre-nuptial shower Sunday.

Hostesses were Susie Bates, Joyce McNeely, Ruth Welch, Donna Chandler, and Sandy Pepper. Elizabeth McNeely assisted the hostesses.

White satin with antique bride and groom dolls and a centerpiece of peach silk roses decorated the refreshment table.

The cake was decorated with the bride-elect's chosen wedding colors of peach and silver gray. Large double hearts were inscribed with "Wedding Wishes--Necia and Michael," lilies of the valley and a miniature champagne glass with peach ribbon trim, added to the decor.

Nuts and peach wedding bell mints were served from a crystal bowl. The punch service and peach napkins, printed with the wedding date of April 11, 1991, the betrothed couple's names, and heart decorations completed the decor of the table. A white lace cloth over peach covered the gift table.

The honoree was presented a peach silk corsage made by Mrs. Chandler.

Special guests included mothers of the couple, Mrs. DeWayne Williams, Iowa Park and Mrs. Boyd

She said that the collection boxes at both local grocery stores were running over with canned goods before the end of the day.

In other business, members voted to spend this year's project money on constructing and planting a flower bed around the rock memorial at Kidwell Elementary. With the help of the high school horticulture class, the bed will be dug out and planted with summer flowers. This area at Kidwell is a memorial to the late Miss Ethyl Kidwell, who was a member of the local club for many years and a past president.

It was also voted to contribute \$300 to the Iowa Park Recreational Activities Center.

Mrs. Jim Gilmore announced that the conservation posters on recycling has been completed, judged and were on display at the local library.

These posters were done by first grade students at Kidwell Elementary. She said that the club had been asked to judge the Kidwell PTA environmental posters which were done by kindergarten through second grade students.

Hostesses were Mrs. Vern Mikkelsen and Mrs. Gala Mikkelsen-Pinnix. They used a St. Patrick's Day theme for the serving table, and the centerpiece was an ornamental Kale plant in a decorative asparagus clay pot.

Munsch of Wichita Falls; Mrs. Andy Arrington, the honoree's grandmother, and Mrs. Ursula Munsch, the groom-elect's grandmother, both of Nocona, and Mrs. Andy Anderson of Iowa Park, the bride-elect's sister.

## Mrs. Yarbrough feted at courtesy

Mrs. Randell Yarbrough was guest of honor Sunday afternoon from 2 until 4 o'clock for a "pink and blue" shower.

The courtesy was held at Tom Burnett Memorial Library. Hostesses were Mmes. Denny Boland, Russ Hayley, Mark Hayworth, Cameron Honea, Michael Jordan, Vance Nault, and Mrs. Anthony York.

Colors of pink, blue and mint green were used in the room decor. The refreshment table was centered with a covered bassinet filled with baby items, ranging from lotion and wash cloths to clothing and toys.

Special guests included the honoree's sister, Cathy Brock of Baird, her mother, Mrs. Daniel York and mother-in-law, Mrs. James Yarbrough, and grandmothers, Mrs. Fred Toler and Mrs. Dovie Yarbrough.

# As I See It. . .

By Bob Hamilton

My wife and kids are about ready to cut my head off ... at least that part that hasn't yet been coughed off.

I caught a heck of a cold during the Hawk Relays, to start with.

Then it was aggravated with all the dust those two nights at the Project Show barn, as well as getting another hard and deep chill sitting there.

Following that came the high, spring-like winds that have carried almost as much dirt as the old Dust Bowl days.

I very likely could have avoided the latter part, had I started taking cough syrup. That would likely have soothed my throat, saving a lot of this hacking.

But I like cough syrup almost as much as I like yard work!

Spring seems to always be more of a problem for folks as any time of the year. It apparently has to do with the wind, dust and dried weeds.

Thank goodness I'm not affected, or at least don't think I am, by pollen from growing things in the late spring

and summer.

Now folks who suffer from that kind of situation really have my pity.

With my voice as it is, I'm lucky to be a writer and not a radio or television announcer.

But if allergies ever get to the point that they affect my fingers, or make my eyes tear to the point I can't see the computer keyboard, I guess I'll just have to find some other way of making a living.

## Wanted driver 'stops' police

Usually, a person with outstanding warrants against them avoid peace officers as best they can.

Thursday evening, such a driver stopped an Iowa Park patrol car -- but it was unintentional.

The patrol car was passing through the Sonic parking lot shortly after 10 p.m., when a pickup backed out of one of the service areas and struck the police car, according to the blotter entry.

Damage was very minor, but the officer decided to run a computer check on the offending operator.

It was determined Shawn Lee Chambers, 24, had outstanding war-

rants issued on him by the DPS in Archer County for two offenses of driving without a seat belt and two offenses of failure to report to court.

Total fines were \$466.

When contacted, the DPS declined to pick up Chambers here, so the local officer released him after Chambers promised to contact the DPS Friday, according to the blotter entry.

Two thefts were reported during the past week, but one was resolved after an hour after it was reported.

A resident in the 300 block of West Alameda reported two concrete red birds had been taken from the property. The case remains under investigation.

Sunday evening, a vehicle owner

in the 300 block of West Lafayette reported his vehicle's stereo had been stolen.

Police were notified an hour later by the owner that a neighbor had found the stereo and returned it.

An officer took a complaint in the police department Tuesday morning from a housewife who alleged her husband had assaulted her, by rape.

Tuesday evening, an officer took a report from an apartment resident in the 1000 block of Mary Drive, alleging someone was making terroristic threats against him over the telephone.

The week's blotter contained numerous entries of calls for the fire department, concerning grassfires.

## Letter to the Editor

### Thanks for support

Dear Mr. Hamilton,

I am writing this letter to thank all of those in North Central Texas for their support. I am currently on deployment on board the USS Denver in the Persian Gulf. We have received thousands of cards and letters from all across America stating support of our efforts for world peace. The smallest of gestures is greatly appreciated. It may just be "tying a yellow ribbon" but it counts. If anyone would like to correspond, my address is Cpl. T.J. Allen 463512896 USMC BSSG-5, Comm. Det. 5th MEB, Det. O FPO San Francisco, CA 96693-8540 Thank you again. Sincerely, T.J. Allen

### Likes his newspaper

Dear Editor Bob:

When I read the enclosed column in the *Claremore* paper, I wanted to share it with you, since *Dave Story* so aptly expresses what makes community newspapers interesting and effective parts of our lives.

In my own case, although I don't recognize many of the names of Iowa Park's folks mentioned in your paper, I remain one of your most avid readers - it still seems like "home" when I read it.

You'll be happy to know that Oklahoma is still perking along on the heels of pretty tough recession, but on the way up!

However, we'll always envy Texas the great road system, and cuss our local lawmakers who only know how to build a road with a coin slot at each end and haven't found out how to keep them smooth like Texas.

(One trick they've tried is naming them after governors -- that don't help a bit.)

Best wishes for continued success from the wrong side of the "Ragin' Red!" Hope to drop in soon for a personal visit.

Ted Overbey

### Letters to Editor policy explained

The *Leader* receives numerous letters which cannot, for one reason or another, be published.

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

Letters also must be free of libel. If not, they will not be published, because we will not edit their content.

Corrections will not be made if they change the message in any way, but will be edited to enhance their content.

In letters supporting political candidates or issues, the *Leader* reserves the right to limit their lengths.

We encourage your Letters to the Editor, and offer the paper as your forum for discussions of ideas and observations.

Sharon Davis

It is doubtful that Sharon Davis, this week's featured cook, has ever met a stranger. The manager of Iowa Park's Allsup's, she treats everyone who comes into the store as if they are a friend.

Sharon is a single mother of four children, Tabatha, 14; Shane, 13; Amber 11, and Nathan, eight.

She was born in Waltham, Mass., but considers herself a native of upper state New York where she lived 12 years. Because her father was in the Air Force, he is now a retired colonel, the family moved around quite a bit.

Sharon has lived in this area almost 13 years. She was manager at the Allsup's store in Holliday before moving here two and one half years ago to manage the local store.

Recently she moved her family to a larger house on the outskirts of Holliday, because she needed "more room for four children, two dogs, and 17 puppies."

A devoted mother, Sharon spends most of her spare time doing things with the children. But she also likes to draw, read, and has started a garden.

The entire family shares in the cooking duties, and the recipes we are using this week are favorites picked by the children.

**Methodist Circles have meetings**

The Jessie Mae Circle of First United Methodist Women met Tuesday in the home of Mary Rinehart. Ten members, one visitor, and the president, Jo Gilbert, were present.

Carlene Bennett, leader, conducted the business meeting in which plans were made to take cookies and small gifts to all the residents of Heritage Manor in April. Each member also brought a gift to take to Jane Hoffman in Heritage Manor for her birthday.

The devotional entitled "Easter Thoughts," was also given by Bennett.

Rowena Miller presented an inspirational program, "Women Differently Able," and the "Beattitudes of the Disabled" was read by Bennett.

The Bertha McDonald Circle met Tuesday morning at the home of Mrs. Gerry Thurlo.

The program led by Mrs. Miles Thompson was "Our Common Heritage; Our Common Future," taken from The Seasons of Life.

Others assisting were Mmes. Gene Owens, Roy Childers and T.C. Berry.

The purpose was to explore the meaning of the Purpose of United Methodist Women. The purpose has three major components: nurturing, constituency education and leadership development and action.

**Epsilon Eta pledge center helps Easter Seal Drive**

Epsilon Eta Chapter of Epsilon Sigma Alpha Sorority members who manned a satellite pledge center here during the annual Easter Seal Telethon received \$190 in pledges from Iowa Park donors.

The pledges helped raise more than \$115,714 from the greater Wichita Falls area, which included 11 satellite centers.

Pledges help fund services provided to clients in over 15 counties at the North Texas Rehab Center.

The local pledge center was held at the home of Mr. and Mrs. Bud Mercer.

**Cook of the Week**

**Easy Cook Lasagna**

Amber's favorite  
Cook lasagna noodles. If meat is used in the sauce, brown at this time.  
Cheese Filling:

- 1/2 lb. Ricotta cheese or 1 ctn. cottage cheese
- 1/2 lb. pkg. Mozzarella cheese, sliced or crumbled
- 1/2 - 3/4 cup Parmesan cheese

Mix together in bowl. When noodles are done, drain and lay flat singly on a cookie sheet. Spread cheese filling on top. Roll each noodle up and place either in a 13x9x2" baking pan or small single-serving pan. Cover with favorite spaghetti sauce, with or without hamburger meat mixed in.

Bake in 350 degree oven for approximately 30 minutes. Can be frozen in single containers for future use.

**Chicken or Turkey Nuggets**

Nathan's favorite  
Breeding:  
1 1/2 cup flour  
Salt & pepper  
1 tsp. baking powder  
2 eggs, beaten  
1/2 to 3/4 cup milk  
Combine ingredients and mix well.  
Chicken or turkey, cooked  
Remove meat from bones. Size and shape doesn't matter. Drop each

piece into batter mixture, making sure it is completely covered. Put into hot grease and fry until golden brown, 2-3 minutes depending on size.  
Can also be set on cookie sheet and frozen singly and then put in freezer containers.

**Kids Snack Attack**

Tabatha's favorite  
1 pkg. hamburger buns  
1 jar spaghetti sauce  
Cheese  
Leftover meat: ground beef, ham, bacon, franks, etc.

Open buns, white side up. Cover with spaghetti sauce, top with leftover meat and criss-cross cheese on top. Place under broiler, or microwave until cheese melts.

**Doughnuts**

Shane's favorite  
2 Tbsp. butter  
1/4 cup sugar  
1/2 cup milk  
1 can biscuits  
Combine first three ingredients in pan and let boil up. When it sets down from boil, remove from heat.  
Cut each biscuit into quarters or cut hole into each. Fry in deep fryer until golden brown. Pour topping over them, or roll in cinnamon and sugar.

**Clearing up a Stuffy Nose**

- Some stuffy noses are unavoidable, but you can reduce your risk of infection and discomfort by following these tips.
- Avoid irritating air pollutants such as tobacco smoke.
- Exercise every day; it stimulates your body's production of adrenaline, which is a natural decongestant.
- Minimize exposure to allergy-producing substances such as tree and grass pollens, animal danders (including woolen fabrics and feather pillows), mildew and mold.
- Change the filters monthly in your air conditioning and heating system.
- Don't overheat your house, and be sure it is well humidified in the cold dry months.
- Keep your head elevated two to four inches when you are sleeping by raising the head of your bed with bricks.
- Use decongestants if you do not have high blood pressure or irregular heart rhythms.
- Use antihistamines if allergy is a problem.
- Wash your hands after close contact with people who have colds. Nose-to-hand, hand-to-nose is the way most colds are transmitted.

For more information about stuffy noses, decongestants, or antihistamines...

**Dental Health topic of Amity program**

Dawn Coffman presented a program on "Dental Health" when members of Amity Study Club met Monday in the home of Janice Gray. Annetta Reusch served as co-hostess.  
Roll call was answered by each member telling when she made the last visit to the dentist.

Judy Brown gave the meditation entitled "God Bless America," regarding the troops coming home. Dorothy Palmer led members in the Pledge of Allegiance to the American Flag.

Mrs. Coffman explained proper tooth brushing and flossing and explained stages of periodontal diseases.

For gums to be healthy, they should have a pink color, the gum line should hug the teeth tightly and there should be no bleeding.

When a person has gingivitis, gums bleed easily when brushed, or probed during examination. Also the gums are inflamed and sensitive and gums between teeth are red. The person may also have bad breath and a bad taste.

When gums pull away from the teeth it is an early sign of periodontitis. Mrs. Coffman said bleeding, puffiness and inflammation, bad breath, or bad taste and pockets of 3-4mm between the teeth and gums in one or more areas of the mouth is another sign.

Signs of moderate periodontitis, Mrs. Coffman explained, is when a person develops gum boils or abscesses; teeth look longer as gums begin to recede; front teeth may begin to drift, showing spaces; bad breath, bad taste, or pockets between teeth and gums range from 4-6mm deep.

The speaker continued to explain symptoms of advanced periodontitis. When teeth become mobile or loose; bad breath and bad taste are constant; roots are exposed and may be sensitive to hot and cold; pockets between teeth and gum now is in excess of 6mm deep.

Mrs. Coffman concluded the program by giving a list of some of the new advances and products, including sealants, fluoride rinses and plaque

rinses, rotadent, home bleaching and dental implants.

A "thank you" note was read from the Heritage Manor.

Items were received from members for M.D. Anderson Tumor Institute

Marilyn Hale discussed final details for the Santa Rosa District Convention to be held Saturday.

## GOSSIP AND RUMORS!

The coffin of President Abraham Lincoln was opened twice after he had been laid to rest. The first time was in 1887 and the second time in 1901. On both occasions the reason was rumors were filling the country that the coffin was empty. The remains of the former President were exhumed in spite of the strong protest of Robert Lincoln, his son.

I am sympathetic toward Robert Lincoln because of the cruelty of those rumors and the actions it caused bringing back very painful memories. Such is the nature of rumors that create unrest and harm. Rumors are created by busybodies who cater to sick suspicious souls. The rumor spreader usually used these phrases, "They say...have you heard?" I would like to share some thoughts to silence gossips and rumormongers.

Request people to identify sources by name. The source of information specially needs to be named if hurtful things are said. Support evidence with facts. Refuse to listen to hearsay evidence. For some reason rumors fade away when truthful facts are presented. Tell an individual you are going to quote them on the words they have uttered. Watch with amusement how quickly they back up stuttering and stammering! Plainly tell an individual, "I do not appreciate that at all." This phase in all honesty will probably put up a wall between you and the rumormonger. I guarantee you one thing it will do! It is a guaranteed way to stop gossip and rumors from being delivered to your doorstep!

"The tongue of the wise uses knowledge; but the mouth of fools pours out of foolishness. The eyes of the Lord are in every place, beholding the evil and the good. A wholesome tongue is a tree of life; but perverseness therein is a breach in the spirit." (Proverbs 15:2-4).

United Methodist Women have served as hostesses for special courtesies the past two Sunday afternoons.

The first on March 3 was a church-wide baby shower given to honor Rev. and Mrs. Karl Klaus in Fellowship Hall of First United Methodist Church.

A cake, made and decorated by Mrs. John Van Natta graced the refreshment table.

Centerpieces and the guest book were made by Mrs. Harold Smith in primary colors to depict the theme of "baby" and were presented to the couple for the parsonage nursery.

Several gift certificates and monetary gifts from Sunday School classes were among the many brightly wrapped baby gifts.

A monetary corsage was presented to Mrs. Klaus from United Methodist Women.

Sunday, UMW members were hostesses for a Spring Tea for all women of the Methodist Church. Surrounding area United Methodist Women units also were invited.

UMW president, Jo Gilbert, introduced Capt. and Mrs. Turner of the Salvation Army. They presented an impressive program from the legend of "The Three Trees."

Members of Bertha Fellowship took care of clean-up and kitchen duties and the newly formed Maggie Fellowship furnished the cookies, punch, mints, and nuts for both functions.

# Hawks, Lady Hawks take titles at Electra

Two meets, four trophies. That's the results earned thus far this season by Iowa Park's varsity track teams.

Fresh from their season-opening victories of the Iowa Park Lions Club Hawk Relays a week earlier, the Hawks and Lady Hawks each won championships Saturday at Electra.

## Carroll All-District

Junior Jeremy Carroll was the only member of the Hawk basketball team named to the 4-AAA All-District squad by conference coaches.

Champion Bowie dominated with four players named, including Most Valuable Player, 6-5 senior Chris Cornelison.

New Jackrabbit Coach David Hanebutt received Coach of the Year honors.

Graham's Toby Dollar received the Sophomore of the Year recognition, and his teammate Robb Thetford was named Defensive Player of the Year.

Unanimous All-District selections were Chad Harrison, 5-10 junior, Breckenridge; Brady Fitzner, 6-4 junior, Bowie; Staley Heatley, 6-4 senior, and Jason Cherry, 6-1 junior, both of Vernon; and Brandon Brown, 6-4 senior, Bridgeport.

Also available for home use is a video entitled "Drug Free Kids," an excellent parent's guide that has been donated by Wal-Mart.

This is a 70-minute video and is hosted by actor Ken Howard especially designed to help parents identify and deal with the problem of childhood drug abuse.

# Hawks win consolation

The Hawks defeated Duncan Saturday to win consolation of the Wichita Falls Classic Tournament large school division.

Iowa Park had won the small school division last year and opted to compete this year in the large school division.

The Hawks were knocked out of the championship bracket in the first round by Hirschi, 4-2.

They came back Friday with a commanding 11-1 victory over Bowie, and Saturday earned the consolation trophy by defeating Duncan 7-5.

Against Hirschi, J'Bill Merrick and Tony Lozipone gave up a combined five hits. Hirschi scored twice in the second inning and two more in the fifth.

Both Iowa Park scores were in a seventh-inning rally.

Lozipone, Lewis Skinner and Jeremy Carroll accounted for Iowa Park's three hits.

Chad Thompson gave up only two hits against Bowie, while the Hawks' hot bats pounded out 12.

Leading hitters were Todd Pulley, two for three, and Lozipone and Carroll each went two-for-four. One of Carroll's hits was a triple.

Merrick gave up seven hits to earn his win on the mound against Duncan, and had a lot of hitting help from his teammates who countered with 10.

Lozipone had two hits in four at

bats, one for an RBI, and scored a run. Skinner, who was named to the All-Tournament team, had a pair of hits in three at-bats, one for a double, scored a run and was credited with an RBI.

Duncan had made it to the consolation finals by first losing 16-2 to eventual champion Rider, and coming back for a 11-5 win over Graham.

A final-inning rally by Iowa Park fell short Tuesday at Childress, where the Hawks lost 5-4.

The Hawks are scheduled to play in a three-day tournament, that starts today, at Burkburnett, and next Tuesday play host to Burkburnett at Hawk field.

## Junior High teams compete at Munday

Hawk Stadium will be host to the 1991 Iowa Park Junior High Track Meet Friday.

Boys and girls seventh and eighth grade teams will begin competition in field events at 3:30 p.m., and running events will start at 4.

The local teams competed in a lengthy meet last Friday at Munday, with 13 schools represented in the Seventh Grade and 15 in the Eighth Grade girls' divisions and 14 in the two boys'.

The teams left Munday before the running of the boys' 1600-meter relay event, at 12:30 a.m.

Because they left before complete results were posted, it is not known where the two boys' teams placed in the team standings.

The Seventh Grade girls finished third and the Eighth Grade girls placed fifth.

## Sales tax picture continues bright

Business apparently continued almost as strong during January as it was in December in Iowa Park, according to this month's report on sales tax receipts.

Iowa Park's sales tax rebate check this month from Austin was \$11,318.19, a 7.84-percent increase over the same month in 1990.

This month's rebate check reflects taxes collected by businesses during January.

For the year, the city's receipts are

3.28-percent above the same time last year, with 43,893.61.

Burkburnett is a plus 2.74-percent, but both Electra and Wichita Falls are down.

Wichita Falls' check this month was 40.73-percent less than the March check in 1990, and for the fiscal year the neighboring city is a minus 14.30-percent.

Electra is down only 0.73-percent for the year.
