Company Agrees To Lease Hospital, Hendricks Extends 15 Days

County Commissioners and Dr. Lawrence Gayao met with James Reese and Ron Hand, representatives of United/McKenzie, a hospital management corporation based in Memphis, Tennessee, to negotiate leasing the Callahan County Hospital. Also present at the meeting was Bill McKennon, Hendrick Medical Center representative, and Larry Beam present hospital administrator.

Provisions in the lease requires United to pay in advance \$12,000 for a six months lease which the county will match

one time. This money and future rent will go into an escrow and be used to buy equipment to update the existing services, such as lab equipment.

All purchases made will remain at the hospital as property of the county.

Mr. Hand stresses that there would be no drastic changes in personnel, except those that are not properly licensed. The hospital has lacked the proper personnel to perform some of the duties that are required for surgery. It is a possibility a surgical team could be brought in on a once a week basis.

One of the first changes that will be made, will be to remove 6 beds from rooms that don't meet forage requirements for two beds. Rooms will be renovated and possibly electric beds installed.

Changes that are made or equipment installed will comply with the needs of the hospital and doctors.

City attorney, Robert McCool, suggested some redefinitions to be made in the lease before Commissioners sign.

Mr. Hand asked Hendricks to extend their stay 15 days in order for the hospital to stay open and operating until proper license could be obtained.

As it stands now, United will take over operation of the hospital October 1, 1982.

Shooting Spree Leaves Two Dead, One Critical

Bobby N. Williams, 49, of Dudley shot and fatally wounded his Common-law wife and young step-daughter. A nephew of the dead woman was also shot and was at press time in critical condition at Hendrick Medical Center.

Linda King, 32, and her daughter, Nikki King, 9 were pronounced dead at the scene by Justice of Peace, Lee Savell at 1:06 p.m. Tuesday afternoon. Mrs. King suffered a chest wound and the child received the fatal shot in the head.

Michael Haney, 17, a step-son, of the dead woman's sister, of Dosset, Texas, ran to a neighbors house, Betty Johnson, and reported the slaying to her, himself critically wounded.

Callahan County Sheriff's Department received a call from Mrs. Johnson at 12:10 p.m. at which time officers responded to the murder scene. APB was put through to Abilene on the suspect at 1:06 to all law enforcement officers.

At approximately 1:12 p.m., Williams drove by the scene of the crime and

neighbors pointed him out to deputies. After a short pursuit county deputies apprehended the suspect at 1:15 p.m.

Williams told deputies that he had been given only 6 months to live by Dr. Gayao about six months ago, and due to family problems and cancer he was fed up with it all. After driving around Potosi trying to purchase more shells for the 22 automatic rifle he had used earlier, and being unable to buy more he then drove back by the Dudley residence.

Charges of 2 counts of murder and 1 count of attempted murder have been brought against Williams. Bail bond for the murder charges is \$50,000 each and \$30,000 for the attempted murder. Subject is in custody at Callahan County jail at this time.

Officers assisting Sheriff Bill Skinner were: Mack West, Jess Henley, Frank Thumbsuden, Phillip Dean, David Parkhill and Glen Smith.

Instructions Noted For Students- Report On School Organizations

As most of you already know, the 1982-83 school year draws near, classes will begin on Thursday, August 26, 1982 at 8:20 a.m. So far, about 145 students are expected to attend High School here in Baird this year.

Upon arrival to school on the first day, students are being asked to report to a specific room as follows:

- Seniors--Room 1
- Juniors--English Room
- Sophomores--Room 3
- Freshmen--Room 4

While in these rooms, students will register, fill out AGR cards, work on their schedules and discuss school rules.

The different organizations of the school have been meeting for their regular summer meetings.

The football team has been practicing

since August 9. So far, the team looks good. Positive points include: speed, agility, quickness, power, & desire, plus very strong personnel at key positions.

The high school band has been holding its summer rehearsals since August 2. So far, Baird can look forward to the biggest band in recent years with an estimated total of 75 students. The band has some new music this year, some of the tunes you can expect to hear are: "Fame", "Theme From The Greatest American Hero", "Black Saddles", and many many more. Director, Mike Devenport, commented that rehearsals have been very spirited this year and that he is looking forward to a very successful year.

For now, students just enjoy what's left of the summer vacation, and we'll see you at 8:20 a.m. on August 26.

Parade And Pep Rally Featured At Baird Homecoming

One of the features of the Homecoming this year will be the parade and pep rally. Formation will be in front of the Nursing Home. Callahan County Sheriff Bill Skinner will lead the parade down main street and bring it back around to the bank where the pep rally will take place. The parade will consist of several cars and floats carrying BHS royalty and the EX'es Queen and King. The Baird Bears football team will be on hand. Come on Baird EX'es!! Support your Homecoming!!! Join in on the fun that the school and the 82 officers of homecoming have planned for you. Lots of time has been donated to making this a success.

Time: Saturday, Sept. 4, 1982 at 5 p.m.

County Cities Recieve Tax Share Refund, All Show Increase

State Comptroller Bob Bullock Monday sent checks totaling \$97.9 million to 967 Texas cities as their share of the one-percent city sales tax for August.

"So far, these monthly rebates of local taxes are running nearly 12% ahead of last year's totals," Bullock reported. "As we predicted last month, the oil glut has slowed down the pace of this growth

markedly, especially in the places that were experiencing oil booms. But the general state growth rate is still strong and healthy."

Cross Plains received the biggest share of the one-cent local tax with a check for \$10,730.10. So far in 1982 Cross Plain's payment are up 20.04% over 1981.

A check for \$9,791.09 was received by

Clyde giving them a 35.38% increase over last year's.

Baird received a check for \$5,982.08, with a 16.88% change.

Putnam with a 5.24%, received a check for \$2,038.36.

Bullock also forwarded August rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received

\$22.1 million, bringing the total received this year to \$115.1 million, up nearly 10% over last year. The San Antonio MTA got a check for \$2.9 million, bringing the 1982 total to \$14.2 million.

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

Allsup's Kicks-off Fund Raising Drive For MD

Allsup's Convenience Stores will again participate in the Annual Muscular Distrophy Fund Raising Drive. Allsup's Stores will be displaying the Muscular

Distrophy Collection Canisters in all of the stores in New Mexico, Texas and Oklahoma in order to help meet the goals of this worthwhile association, whose

programs are funded almost entirely by private contributions, corporations and the Labor Day Telethon.

The Muscular Distrophy Association is looking for cures and causes of a group of diseases, marked by

progressive weakness and wasting of the skeletal muscles which control body movement. Neuromuscular disease can strike anyone at any age, they afflict an estimated one million Americans.

In addition to the "in-store" canisters, Allsup's will also be conducting the "Allsup's Doorbell Brid-

gage". Area youngsters are encouraged to visit their local Allsup's Store on Sept. 5 & 6 and pick up a collection packet for the door to door campaign. After collecting donations for "Jerry's Kids" and returning them to the store, Allsup's will give the youngsters a free fountain drink of their choice.

It's our way of saying thanks to the kids for caring.

From Jack Crow, Director of Public Relations, "thanks to all of our customers for your generosity in this fight against neuromuscular diseases, and we at Allsup's are looking forward to working with area youngsters to help the Muscular Distrophy Associations."

Putnam Writer Reports On Weekly Community Happenings

The weather report is just a broken record. Hot and Dry, Hot and Dry, and here August is 1/2 gone. Maybe when September gets here we will have a change. Gardens are about gone, so about all we have to look forward to

is the pecans.

Mrs. Sunderman came Thursday to visit her aunt Mrs. Ruie Sunderman. She brought word of the death of Mrs. Sunderman's brother, Mr. Jake Hinds. Mr. Hinds lived with his sister a lot and has many

friends in the Putnam area. Mr. Hinds was 86 years old. Our deepest sympathy goes to Mrs. Sunderman and the rest of the family.

Mrs. Ida Mae Waddell and Mrs. R.B. Taylor attended graveside rites

Thursday for Mrs. Jim Simons of Cisco.

Mr. & Mrs. I.G. Mobley entertained most members of the Green family Sunday.

Ronald Green has spent the week with his brother Buford and wife at Perryton.

Visiting Maxie Soloman this past week have been

Mr. & Mrs. Bud Taylor and Glenna, Mr. & Mrs. Billy Soloman and family, Glenna Taylor, Sheila and Shannon Soloman spent all week with their grandmother.

Billy Wagley and children spent two days at Six Flags last week. They reported a most delightful time.

Anita Buchanan hosted an art show at the Com-

munity Center last Friday night.

Ida Mae Waddell and Ruby Weathermon hosted a Tupperware Party at the Community Center Tuesday afternoon.

Charla Brown spent the past week with her grandmother Ollie Burnam.

Mr. & Mrs. Le Roy Nettles and family are visiting his parents the Benny Nettles.

Grain Producers & Calf Operators Invited To Meeting

Small grain producers and stocker calf operators are invited to attend a meeting on Monday, August 23, at 8:00 p.m. in the Baird Community Center located one block east of the Courthouse.

Various topics relating to small grain production including varieties, seed treatment for prevention of smut, variety rating as to yield, rust resistance and wild oat control will be discussed by Dr. Willis Gass, Area Agronomist

from the San Angelo Research and Extension Center.

De. Jerry Cowley, Area Livestock Specialist, will present information on stocker calf health for producers who buy light calves to run on wheat fields and pastures.

Also there will be information on the 1983 wheat program available to producers.

All producers in the area are invited to attend.

Baird Cemetery Association To Hold Membership Meeting

The Baird Cemetery Association Inc., will hold its Annual Membership meeting Thursday, Sept. 2, 1982, Baird Civic Center, 7:30 p.m. for the purpose of electing board members and any other business that might be presented. Any person having contributed to the Endowment Fund has full voting privileges but we urge all who are interested in the welfare of Ross Cemetery Annex to be present. Your suggestions are welcomed for the success of a Self-Supporting Maintenance program.

Clyde Couple Set Sept. Date

Mr. & Mrs. Charles A. Steph have announced the engagement of their daughter, Stephanie Ann, to John Price Dugan son of Mr. & Mrs. Paul Dugan.

The bride-elect graduated from Clyde High School and Texas Tech University, with a B.A. degree in economics. She is employed by the Bank of Commerce in Abilene.

Also a graduate of Clyde High School, the prospective bridegroom is a senior accounting major at Abilene Christian University.

The couple plans a Sept. 11 wedding in Clyde Church of Christ.

THANK YOU

Ray and Judy Maxwell and James & Dixie Partar wish to express their heartfelt thanks to the people of Putnam for the many kindnesses shown them during the illness and death of their mother, Mrs. Irene Maxwell of Cisco. For the food, flowers and the contributions given at the Community Center. You will always hold a special place in their hearts.

Free Trees For New Members Offered By National Foundation

The National Arbor Day Foundation is giving three free American Redbud trees to all new Foundation members joining during August, 1982.

The free Redbud trees are part of the Foundation's effort to promote fall tree planting.

"Fall is an excellent time to plant trees because the roots establish themselves over the winter and support faster tree growth in the spring," John Rosenow, foundation executive director, said. "However the advantages of fall planting are often overlooked. That is why the National Arbor Day Foundation is making

this special offer.

The American Redbud is an extremely hardy flowering tree with pink blossoms in the early spring.

Three three-to four feet trees will be shipped this fall, postage paid, with enclosed planting instructions. The trees are guaranteed to grow, or they will be replaced free by the Foundation.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give three free Redbud trees to new members contributing \$10.00 or more during August.

To become a member of the Foundation, and to receive the free trees, a \$10.00 membership contribution should be sent to FREE REDBUD TREES,

National Arbor Day Foundation, Arbor Lodge 100,

Nebraska City, NE 68410, by August 31, 1982.

Son Of Pioneer Family Celebrates 90th

A quiet dinner with just his immediate family marked the 90th birthday of E.L. Jones of Colorado City.

Mr. Jones, the only living child of 9, was the son of Mr. and Mrs. Claxton Jones, a pioneer family of Callahan County.

E.L., who attended school at Admiral with his 5 brothers and three sisters, was born and raised in

Callahan County and worked at the Carbon Black Plant until he retired at the age of 82.

After the death of his first wife, former Lucille Brown of Cottonwood, he married Daisey Smith of Baird. He and Daisey live in Colorado City with their daughter Elsie.

He is the uncle of Rosie Hass, who is with the Callahan County Nutritional Project here in Baird.

R. Vicars Dies After Short Illness

Services for Robert L. Vicars, 71, of Clyde, who died about 5:20 p.m. Tuesday at West Texas Medical Center in Abilene after a short illness, were at 2:30 p.m. Thursday at Bailey Funeral Home.

The Rev. Harold Watson of Whitesboro officiated. Burial was at Clyde Cemetery.

Born May 24, 1911, in Bell County, he married Margaret Seidenberger in 1941 in Abilene. He came to Clyde in the 1940's from Abilene and worked for Powell Planning Mill in Abilene for 30 years. An Army veteran of World War II, he was a Baptist.

His parents and a sister preceded him in death.

He is survived by his wife; a daughter; a son; three brothers including A. H. and John, both of Clyde; five grandchildren; and several nieces, nephews and cousins.

Pallbearers were Dennis Rogers, Jess Edmonson, Don Boles, Jack LaRoe, Ward Hardy and Bill Powell.

Vets Meeting Postponed- New Date Set

Postal Services Gives Tips For Mail Fraud Prevention

Theft of mail is a violation of Title 18, United States Code, Section 1708, which carries a maximum penalty of five years imprisonment and/or a \$2000 fine. Unfortunately, criminals pay little attention to the consequences of their immediate actions.

The Postal Inspection Service is attempting to

prevent theft of mail from all sources by informing and educating as many elements of society as possible. The United States Postal Service is a principle victim but the ultimate victim is a business or individual who depends on mail for their livelihood and existence. The loss of a social security or retirement check addressed to an elderly or retired person can have devastating emotional and financial significance.

Mail is most vulnerable at the point of delivery. An extra effort should be made by mail recipients to know their carrier's schedule and make every effort to be at home to personally accept delivery of valuable mail. Retirement and social security checks are delivered on a fixed schedule which is known by the addressee and criminals as well. Have a neighbor retrieve your mail if you cannot be available and do the

same for your neighbor. Also, deposit your mail for collection at a post office or collection box. If this is inconvenient, place letters on your house letterbox for collection shortly before your carrier arrives. Your personal mail can be used most effectively to defraud your bank, consequently creating a very inconvenient situation. Make every effort to protect your incoming as well as outgoing mail by using these common sense suggestions.

Crime prevention can be a community effort. Everyone receives mail almost on a daily basis. This provides common grounds for neighbors to become better acquainted and watch out for each others mail and mailbox. If a concentrated effort is made to protect your mail, potential mail thieves will not be given the opportunity to make you a victim.

If you have information regarding theft of mail, contact your local Postal Inspector or Postmaster.

Rocket Sighted, Resident Alerts Media

A Clyde resident reported sighting what was thought to be a rocket, traveling northeast to southwest Thursday night at 9:15 p.m., to the Abilene Reporter News.

An official with the Abilene Approach control at Dyess Air Force Base said they didn't show anything out of the ordinary.

Astronomers have projected that it may have been a meteor from the Persid shower, the second heaviest of the year to brush the earth's atmosphere.

Normally, a ground observer can glimpse five to ten meteors an hour, but a maximum average of 68 was predicted for the meteors that appear to radiate from the constellation Perseus, from where Perseid derives its name.

Baird Nursing Home

We want to say welcome to our home to Nell Curtis this week. Nell is well known here in Baird and is a member of the Baptist Church. Please come down and visit with her in our home anytime.

Our prayers and get well soon wishes are sent to our residents in the hospital this week, James Walker, Minnie Purdue and Exa Hutchins.

Our sympathy is extended to Ruie Sunderman in the loss of her brother Jake Hinds.

Our home is saddened this week because of the loss of Katie Lee Smedley. May God bless and give comfort to her daughters and family.

Bro. Dan Wooldridge came Wednesday morning for Bible Study. Bob Williams was here last week and will teach for us when Bro. Dan is unable to come.

Carol Maddy and Ora Mae Wilson came to help 12 residents play bingo. Each resident won at least one game this week.

James Radford came Thursday morning for his regular Bible Study and on Thursday afternoon Ila Shrader came to play dominoes with our residents.

Dorothy Reynolds and Glyndol Asbury came Saturday afternoon to sing and play the piano for us.

Glyndol came back on Sunday morning to play

the piano for singing before Sunday School. Louise Joy visited and taught Sunday School for 19 of

our residents this week.

It was good to have the Brewer family back in our home Monday night to sing gospel songs for us.

Church of Christ at Baird members were in charge of our Sunday afternoon worship service this week.

FREE EDUCATION AND THE UNDOCUMENTED WORKER

On June 15, 1982, The Supreme Court ruled, 5-4, that Texas and other states must provide free public education for the children of undocumented workers—people in this country illegally.

Our current Lt. Governor, Mr. Hobby, was happy with the decision, praising it as the "only rational decision" the court could have made.

On the contrary, I think it was a wrong decision that defied both law and logic.

One of the principal underpinnings of an orderly society is that one should not benefit from breaking the law. All around the world, thousands of people stand patiently in line at our embassies, waiting for legal entry into this country. By its recent ruling, the Supreme Court told these people that, if they are smart, they will ignore our immigration laws, find some other way to enter, and then there's a good likelihood all manner of taxpayer-supported benefits

will be open to them and their families.

We can all feel sympathy for people driven to emigrate by desperate economic conditions. And I believe we should be compassionate toward the children of undocumented workers who are here through no fault of their own. We have been told we must educate these children and we will: it is our duty.

But I am deeply concerned about the effect this will have on our school systems and the quality of education. We have only a certain amount of desks and dollars with which to address the problems of educating Texas' children.

The court was essentially establishing social policy under the guise of ruling on a constitutional question. The result was bad law and bad social policy. It should now be up to the Federal Government to help pay for the mess they have created by not properly policing our borders.

Public Safety Gives Accident Report

The Texas Department of Public Safety reports that for the first six months of 1982, 65 persons have been killed in traffic accidents in the Abilene District of the D.P.S. The Abilene District comprises 25 counties in this West Texas area including Callahan County. These 65 deaths were the result of 53 fatal accidents. For the same period in 1981, records indicate that 66 deaths resulted from 56 fatal accidents.

In Callahan County for the first 6 months of 1982, the D.P.S. has recorded 4 deaths out of one fatal

accident and 67 injuries as the result of 89 injury accidents. D.P.S. troopers in Callahan County have investigated a total of one hundred-twenty-three traffic accidents for the first 6 months of 1982.

For the same period in 1981, in Callahan County, D.P.S. records indicate that 4 deaths resulted from 4 fatal accidents and 32 injury accidents occurred with 56 persons injured. A total of 106 accidents occurred during the same period last year.

A survey of the fatal reports for the District shows that driving while intoxicated and speeding was listed as the contributing factor on more of the reports than any other single factor.

NRA Wins First Round Legal Battle In San Francisco

The California Court of Appeals today granted a National Rifle Association legal request and ordered the city of San Francisco to prove that it's newly passed handgun ban is not illegal. The court set September 22 for a hearing date.

In Washington, NRA officials were jubilant over their first round victory.

"It's a major step towards knocking out the ban," said J. Warren Cassidy, executive director of the NRA Institute for Legislative Action. "Our attorneys maintained the ban violated several provisions of California law, including the state's gun control preemption statute.

Now it is up to San Francisco to legally justify this atrocious ordinance."

The court did not issue a temporary stay against enforcement of the ban, which technically took effect today, since the statute gives citizens 90 days to surrender their handguns. A decision on the ban's legality is expected prior to that time.

The NRA brought suit against the ban July 19 on behalf of city residents George Soracco, William Capilos, Beau Hickory and the San Francisco Gun Exchange, a federally licensed firearms dealer. The San Francisco firm of Pillsbury, Madison and Sutro is handling the case.

Coleman Holds Areas First Ranch Rodeo

During "Fiesta De La Paloma" Coleman will hold the first Ranch Rodeo to be held in this area. The first one was held in Wichita Falls in 1981. It was such a success with the audience and the participants that Alpine, Tx. included Ranch Rodeo in their Centennial Celebration. Along with the rodeo Fiddling Frenchie Burke will play for the dance Saturday night. The Queen's contest will be held in the afternoon. It will be a full day of fun for all ages.

Ranch Cowboys will contest ranch events, included in these will be Team Roping, Saddle Bronc Riding, Team Penning, Wild Cow Milking, Team Branding, and Horse Catching. Each event will be a timed event. There will be four members to the team. \$1,000 will be added to the \$200.00 per team entrance fee for the purse. All cowboys will be in full ranch regalia, boots, spurs, leggins' etc. This causes a few mishaps in the arena since it is a timed event and some events include some running.

Anyone interested in bringing a team or in tickets, call Gloria Haas, 915-625-2329 at the Chamber of Commerce in Coleman.

but a clean filter
saves energy, money.

The purpose of a filter on your air conditioning or heating air blower is to help catch dust and dirt before it can enter your unit. In time, the filter will accumulate dust and dirt . . . if it gets clogged, it can't do the cleaning job it's supposed to and uses more electricity. To avoid damage to your unit and to save energy and money, be sure filters are clean. Permanent types can be cleaned according to the manufacturer's instruction. Non-permanent types should be replaced. It is wise to check filters every 30 days.

Lambert Services Wednesday

Jane Ivy Lambert, 77, of Lueders died at 11:20 a.m. Monday at Teakwood Manor Nursing Home after an illness. Services were at 2 p.m. Wednesday at First Baptist Church, directed by Stanford Funeral Home.

The Rev. Ron Carroll, pastor, officiated. Burial was at Mount Hope Cemetery.

Born March 21, 1905, in Wellington, she married Julian Lambert in 1938 in

Baird. They moved to Lueders in 1942 from R-home and owned Lueders Telephone Co. from 1942 to 1976. He died Nov. 21, 1971.

She was a member of First Baptist Church and the Order of the Eastern Star.

Survivors include three sons; a daughter; two stepdaughters including Mrs. Inez Wiley of Baird; two sisters; 10 grandchildren and four great-grandchildren.

Dates Set For La Jet Classic

Tournament dates for the 1983 La Jet Classic are September 22-25, announced tournament director Steve Threkeld.

"We are very pleased with our dates for 1983," Threkeld said. "The inaugural event in 1981 was opposite the Ryder Cup, and there was some question as to whether we would be opposite the Ryder Cup every other year. I am happy to say that we will not be

opposite the Ryder Cup in 1983, which will be played October 14-16."

The 1982 LaJet Classic is October 4-10, preceded by the Texas Open in San Antonio. In 1983 the Texas Open will follow the La Jet Classic.

Proceeds from the LaJet Classic go to the West Texas Rehabilitation Center, a facility totally funded by donations to benefit the handicapped of the Southwest.

**USDA Soil Conservation Service
Plant Is Site For Field Day**

Congressman Jack E.
Hightower of Vernon will
be the principal speaker at
a field day to be held at
the USDA Soil Conserva-
tion Service Plant Materials
Center at Knox City on Au-
gust 25, 1982.

Congressman Hightower
serves on the conservation,
credit, and rural develop-
ment subcommittee within
the Committee on Ap-
propriations. He will speak
about 12:30 p.m.

Jim Boykin, district con-
servationist for SCS at
Baird, said the public
is being invited to the
event. The center serves
both Texas and Oklahoma.

Guided tours will be con-
ducted through the 90-acre
center from 9:00 a.m. to
2:30 p.m. The center is

located on FM 1292, 2 miles
north and 2½ miles west
of Knox City.

A barbeque lunch will
be available on a prepaid
basis at \$4.50 per plate.
Payment should be sent
to Ms. Doris Crownover,
Chamber of Commerce,
Box 91, Knox City, Texas
79529 by August 20.

Seed or rootstock from
native plants that show
potential for solving spe-
cific soil and water con-
servation problems are col-
lected, then grown and eva-
luated at the Knox City
Center. The more promis-
ing ones are then tested
under field conditions by
farmers and ranchers co-
operating with local soil
and water conservation dis-
tricts. Selections which pro-

ve superior to commercial
varieties are then released
to seed growers. These
producers then grow seed
and sell it to the public.

Several hundred strains
of grasses, legumes, forbs,
and woody plants are being
tested at Knox City.

SCS also operates a plant
materials center at Kings-
ville in cooperation with the
Caesar Kleberg Wildlife
Research Institute, Texas
A&I University, and the
South Texas Association of
Soil and Water Conserva-
tion Districts. The South
Texas center was establish-
ed in 1981.
