Little by little, contributions to the 1947 Christmas seal sales campaign still were dribbling into Wichita County Tuberculosis association

headquarters this week.

Mrs. Joella Terrill Butler, president of the TB association, said that upon the response of more than 4,000 persons to whom seals were sent during the holiday season and from whom no word has been received to date, the success of the drive now hinges. A total in excess of \$9,100 has been received thus far, and at least \$10,000 are needed to carry on the type of intensive anti-TB program in Wichita county in 1948 to stamp out the dread disease

n this area. Mrs. Butler pointed out that more than 13,000 residents of the county were mailed seals during the pre-Christmas season. A checkup this week showed that some 4,000 have neither sent in contributions nor returned seals. She urged that seal recipients send in their one- and two-dollar donations for the TB stamps to aid in shoving the lagging

W.S.C.S. Work in Berlin And in Japan Is Topic For Women's Study

Three articles from the Methodist Woman, "Woman's Society Meeting, Berlin Style," "Spiritual Vacuum in Japan," and "News Flashes from Japan," given by Mmes. S. L. Denny, M. O. Cheves and E. B. Taylor, made a program of interest and information at the meeting of the Woman's Society of Christian Service, Monday afternoon at the Iowa

Park Methodist church. The president, Mrs. Gene Stockton, was in charge of the session. Reports of officers were indicative of a good start on the new year's program. The group voted to accept the offer of the women of the Christian church to serve the Lions luncheon the fourth Tuesday of each month, the Methodist ladies continuing with all the other luncheons during the year. Mrs, Herman Mahler was elected secretary of student work and Mrs. Gordon Clark was asked to serve as chairman of citizenship in the Christian Social Relations Department.

Others present were Mesdames J. W. Craft, A. D. Butcher, D. O. Smith, Miles Thompson, Miles L. Hines, Arch Hughes, J. N. George, Neil Johnson, C. J. Simpson, Richey Abernathy and J. H. Hatten.

Methodist Men and Boys See Film and Have Fun

"Your America" is the title of a wholesome as well as thought-provoking film which was shown Wednesday evening at the Methodist Men's Brotherhood when 25 braved the elements to spend an evening

together in fellowship and fun. Tables set for dominoes enticed the group during the first hour and teen-age boys beat their pops at a game the elders considered their specialty. Group singing was an enjoyable part of the program, with Rev. Floyd Boulware leading and Travis Neal Hines as piano accom-

Herman Mahler and Taylor George headed a committee which served cake, donuts and coffee until all had at least three helpings. "We sure had fun" was the parting remark given as a unanimous chorus by men and boys when the activities were closed down at ten o'clock.

Mrs. Harvey Patterson was at Holliday, Wednesday to attend a covered dish luncheon in the Bishop the Phillips women's club.

The initial business following the lesson was a report of the nominating committee given by Mrs. T. A. Uhrich. According to custom, a president and a treasurer were elected this year to serve two years. Mrs. Gale Lowrance was nominated and elected president, and Mrs. May Turner Turner was made treasurer. Miss Clara Lowrance, vice-president, and Mrs Fred Myers, secretary, hav-

ing been elected to two year terms in 1947, have another year to serve. Mrs. Myers, dressed in Chinese costume, made a splendid talk on missions in China followed by prayer for that country. Mrs. Park followed with a talk on Mexico and also a prayer. Miss Lowrance presented Korea. Both were dressed costumes of the countries of which they spoke, which made most effective their talks.

Mrs. Yeargan displayed curios from Japan, China, Korea, Mexico and other foreign mission fields.

Mrs. C. Birk brought the devotional after which Mrs. C. E. Birk spoke on the work of the church and distributed slips with questions—What do you suggest for improvement in your church, and will you help? Many helpful suggestions were

received.

The meeting closed with Mizpah.

They are a bit Warehouse Worn. Have been setting around on the floor since early last Fall.

They will be OK, though, for some person who doesn't care for such a messy affair placed in his floor.

And of course you will have to look at the little old Thermostat (some people call them NIGGER BOYS) stuck up on your wall. You see it goes with the Furnace to control the temperature of the room.

How does it do that? Well, you see it just hangs there — like a little Nigger Boy setting there. When the temperature of the room gets hot enough, it cuts the gas off, and when the room becomes cool, it turns the gas on.

They are yours, Nigger Boy and Furnace, for \$98.00 each

REXALL DRUG

A lot of the neighbors were suddenly annoyed by Jeb Crowell's hammering at night. Jeb was building himself a new front porch-and the only time that he could give to it was after sundown.

Finally we decided the best thing to do was all pitch in and helpand get the carpentry over with as soon as possible. We did. Finished the porch next evening—and Jeb gratefully treated us to ice cold

beer and cider. From where I sit, that's what being a good neighbor means. Instead of complaining about the other fellow's habits, try to under stand and share his interests

So if my practising on thatute annoys you, come on over, neighbor, with your fiddle or guitar and join me! Maybe it will end up in our knowing and appreciating one another better . . . in an evening of good fellowship. And I'll promise to provide the beer that goes with evenings of good fellowship!
