THE STATE OF TEXAS

To: John Robert Barry, if deceased, his unknown heirs, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 89th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 21st day of May A.D. 1956 then and there to answer Plaintiff's Petition filed in said Court, on the 16th day of February A.D. 1956, in this cause, numbered 57-154-C on the docket of said court and styled Regina Elizabeth Macha and husband, George J. Macha, et al, Plaintiffs, vs. John Robert Barry, if deceased, his unknown heirs, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiffs, Regina Elizabeth Macha, Martha Ann Brown, Mary Margaret Jones and Melvin W. Lewis, allege that they are the owners of the following described land situated in Wichita Falls, Wichita County, Texas, to-wit: All of Lot No. 10 of the J. M. Isley Subdivision of a part of Block No. 251 of the Original townsite to the City of Wichita Falls, being in the J. A. Scott

Survey No. 16, Abstract 306, Wichita County, Texas;

that John Robert Barry, a single man, named Defendant herein, formerly held an undivided 1/3 interest in the above described property; that he is dead; that he died intestate; that he left Wichita Falls, Texas, on or about April 10, 1931, with the intention of returning and has never been heard of since and under the facts alleged Plaintiffs assert that he is dead, and judgment is sought decreeing the said John Robert Barry to be dead and also decreeing title to the above described property to be good in Regina Elizabeth Macha, Martha Ann Brown, Mary Margaret Jones, and Melvin W. Lewis.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this 2nd day of April A.D. 1956.

Attest: (SEAL)
FLORA COBB, Clerk,

THE STATE OF TEXAS
To: Charles Azlin, Defendant,

Greeting: You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas, at or before 10:00 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 28th day of May, A.D. 1956, then and there to answer Plaintiff's Petition filed in said Court, on the 12th day of April,

A.D. 1956, in this cause, numbered 57,437-B on the docket of said court and styled Cleo Lewis Azlin, Plaintiff, vs. Charles Azlin, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: After alleging jurisdiction, plaintiff further alleges that she and defendant were married on or about January 4, 1956 and continued to live together as husband and wife until on or about March 28, 1956, when by reason of cruel, harsh and tyrannical treatment on the part of the defendant toward this plaintiff without cause or provocation, was of such a nature as to render their further living together insupportable; that there were no children born of this marriage and that there is no community property and that her former name was Cleo Lewis.

Wherefore, plaintiff prays that defendant be cited to appear and answer herein, and that upon trial hereof, she have judgment for divorce, restoration of her former name of Cleo Lewis, and for such other and further relief, in law or in equity, to which she may show herself justly entitled.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 12th day of April, A.D. 1956.

Iowa Park Pair Wed in Hospital At Bedside of Groom's Mother

Miss Christine Midaugh became the bride of Ronnie Coleman, Tuesday evening, April 10, in Wichita General hospital. She is daughter of Mrs. Ethredge Glover, and he is son of Mr. and Mrs. A. L. Coleman, all of Iowa Park.

Ronnie, just out of army basic training, came home on leave Monday intending to have a church wedding. His mother was admitted to the hospital about a week before and couldn't attend a formal ceremony, so the couple decided to carry the wedding to her.

Standing by the bed in Room 107 of the hospital, Christine and Ronnie made their vows as read to

them by Rev. L. H. Hood of Pleasant Valley church. About a dozen relatives and friends were in the room and hallway to watch the simple ceremony. Nurses helped Mrs. Coleman into a wheelchair so she could be moved into the hall for pictures following the marriage.

Ronnie was a freshman in high school here before he joined the army in January. His bride is a freshman here and plans to continue in school until the end of the school term.

Young Coleman took basic training at Fort Ord, Calif., and will report April 20 to Ft. Benning, Ga.

Maintain Order on Farm and at Home as Safety Measure

Ikard says

In addition to the farm bill, the House this week considered the authorization for military construction for the next fiscal year. This bill was favorably acted upon and among its other provisions it provided that to support the construction requirements of the air force in accordance with its present program, military construction at Sheppard AFB was authorized in the amount of \$6,842,000.

These funds will provide for a hospital and medical facilities and housing and community facilities at Sheppard. When the funds have been appropriated and the plans completed, detailed information will be announced by the Corps of Engineers of the army, which acts as construction agency of the air force.

Next week the House will consider two pieces of legislation that we have previously discussed. One of which is the bill that would expand the upstream flood control program which was introduced by Congressman Bob Poage of Waco. This bill would expand an already effective program for better conservation of water. It has provisions in it that will also be most helpful to municipalities seeking new sources of water.

The other bill that will be considered provides for a great expansion of the federal highway system and the bill of limited access highways through the country. There is no doubt we need a more enlightened and better highway program to improve our highways to a point where they can accommodate modern vehicles.

Jewel Thornton, student nurse at Wichita General hospital and former student of Iowa Park High School, was the nursing school's representative for the "Nurse of the Year" title at the Texas Nursing Students association convention held recently in Lubbock.

\$824 in Drive

Iowa Park staged its annual cancer crusade this Thursday evening with a house to house fund drive. T. M. Clark directed the drive with assistance of members of Epsilon Sigma Alpha.

Approximately \$825 was collected in the one hour campaign. It is expected special donations and returns from those who have not yet reported will bring the total to above \$1,000.

All persons who were missed in the drive and who wish to contribute are asked to send their money to the State National Bank or to Mr. Clark.

Ready Reserves

"Now is the time for all good men to come to the aid of their country." These familiar words are applicable to the young men of today, says Maj. Gen. Lewis S. Griffing, chief of the Texas military district. "Armed Forces Reserve has a program whereby all the qualified young men can come to the aid of their country," he explained, "and with the least interruption to their civilian careers."

The army is implementing a program designed especially for the youths of America. This program permits a boy to fulfill his military obligation while completing his education or while working at a civilian job.

Here's the way it works—he joins a Ready Reserve unit or a National Guard unit. He can finish high school (if he doesn't reach the age of 20 first), then go on six months active duty for training. He is then prepared for Ready Reserve.

Normally he will have 7 1/2 years left. During this 7 1/2 years if he trains satisfactorily, he will not have to worry about a draft call. In most instances he can train with a unit in his own hometown. The only time he is called away from home is for two weeks each summer to attend training camp. All of this is designed to interrupt to the smallest degree his schooling or his work.

"Every young Texan should think seriously about his future military obligation," Griffing said. "If he doesn't, Uncle Sam is likely to point a finger at him sooner or later. He should consider this program from a standpoint of how it benefits him as an individual. But most important of all, he should consider it from a patriotic point of view."

The army will pay him for his participation and at the same time prepare him to defend his country in the event of an emergency.

Military Reserve Week, April 22-28, has been designated especially to present the provisions of this program to young men and their parents. This special drive has been endorsed by the president and is supported by many active civic and veterans organizations. They understand and see the immediate need for a strong and ready reserve.

TELEPHONE TALK

by Norman S. Stuckey, Manager

YOU'RE INVITED

It's Open House at the Telephone Office over in Wichita Falls on April 25-26-27 at 2-5 p.m. and 7-9 p.m. All of our Iowa Park customers are invited to come. You will see:

1. Your long distance operators at work actually placing long distance calls.
2. The amazing new Solar Battery.
3. Hear your own voice. Plus several other interesting exhibits.

There will be guides available to take you through. Treat yourself to an entertaining evening, free of charge.

IOWA PARK NEWS

Mr. and Mrs. P. L. Leath recently moved to Iowa Park. They attend the First Baptist Church. P. L. is a station installer; has been with the company five years.

Mrs. Willa Gilbreath, an operator who makes her home in Iowa Park, was recently on jury duty in Wichita Falls.

SUN POWER

Probably all of us can remember flashing messages with a mirror on a bright, sunny day. Or maybe you burned holes in dry leaves.

Well, we were all using "sun power." A simple form of it, yes. But it was still power from the greatest source of energy man has ever known—the sun.

For years, we've been reading about how men have been trying to capture and put to work the sun's energy. And telephone scientists, just in the past few months, have come up with the first workable device to do the job. It's called the Bell Solar Battery.

Believe it or not, the heart of the Bell Solar Battery is common, ordinary sand. From this sand, silicon disks are made which can convert sunlight into electrical power.

How will the Bell Solar Battery affect your telephone service? Really, we don't know yet. But right now, an experimental installation of solar batteries is supplying power on rural telephones in another part of the country. This experiment may give us some answers.

Regardless of the future of the Bell Solar Battery, it is already proof of one thing. Telephone scientists will go to any lengths to find ways of improving your service.

This time they've even brought the sun into the act.

THE MILES FLASH BY

When you pick up the receiver of your telephone to make a Long Distance call, you're turning hours or days into seconds.

That's because a Long Distance call puts you in touch almost instantly with friends or relatives in a distant city.

As well as being the best way to keep in touch any time, a Long Distance call is also a happy thought for a special occasion—such as a birthday, anniversary, wedding, or just a family get-together. You can talk as long as you like because Long Distance rates are low, especially if you call station-to-station. Remember, also, to call by number. Your calls will go through twice as fast.

WELCOME MAT IS OUT

From time to time, individuals or groups stop in at the telephone company to learn how we do things—and to see what's behind their telephone service.

If you'd like to do the same with friends or a business or social group, just call me. I'll be happy to plan a visit for you.

From where I sit... by Joe Marsh

They Travel "In Class"

Our high school correspondent says that Economics and Geography students are going in for "grass roots" studying.

They're going to charter buses and take off on Operation See-For-Yourself—have a ten-day look at some of the things they've been studying about.

As I remember, it was hard to keep your mind on schoolbooks at this time of year. Today's kids can give in to that old urge to bust out of the classroom—with a clear conscience. Wish they'd take me along.

Joe Marsh

Blue Birds 'Fly-Up' to Camp Fire

Sunday afternoon a Fly-Up ceremony was held at the Methodist church. Groups taking active parts were Merry Blue Birds, Happy Blue Birds and Al-Ku-La-Na Camp Fire girls.

Mrs. Dwain Holmes' Singing Blue Birds, Mrs. Floyd Merriman's Cheery Blue Birds, and Mrs. L. P. Adams' Busy Bee Blue Birds made up a singing chorus.

Mrs. Fern Corder opened the ceremonial with a few words about Camp Fire, and introduced the leaders.

Members of Camp Fire removed the suspenders and placed the Camp Fire tie around the necks of Dorris Gard, Diane Gard, Linda Allen, Bobby Hall, Linda Brubaker, Joyce Holloway, Sheryl Estes, Rita Barron, Doreene Roach, Sandra Spain, Merry Blue Birds; and Carolyn Fox, Nancy McMullen, Donna Stockton, Judy Callaway, Barbara Hadley, Karen Keeter, Beverly Birk, Barbara Thompson, Diane Watson, Sally Garrison, Mary Helen Wallis, Donna Childres, Happy Blue Birds.

Mrs. Burk Scott, guardian of the Camp Fire girls, placed a tie on the necks of leaders of the Blue Birds: Mmes. S. B. Keeter and Geo. McMullen of the Happy unit, and R. D. Roach and W. J. Hall of the Merry Blue Birds.

The Camp Fire girls gave each of the Blue Birds flying up a lighted candle with which to start their own Camp Fire group.

The girls then repeated the law and sang the prayer.

Trail Seekers certificates were issued to Sherye Compton, Angela Scott, Linda Robertson, Jo Ellen Cowden, Suzy Short, Elaine Sawyer, Donna Reid, Betty Engledow, members of Al-Ku-La-Na.

All girls stood and closed the program by singing "Green Trees and Taps," followed with Jo Ellen Cowden playing "Silver Taps."

Parents and friends joined the girls in the church fellowship room for punch and birthday cake, furnished by their sponsors, the Evening Lions club. George Trammell and Mr. and Mrs. Arch Hughes represented the Lions at the Fly-Up.

Conservation Is Study Topic

The 23 Study club met recently in the home of Mrs. James Sewell, with Mrs. L. E. Brooks as leader of the program "Conservation of Natural Resources."

Mrs. Homer Blalock gave the meditation, using Bible scriptures showing that God commands us to practice conservation of all natural resources.

Fine arts numbers were brought by Mrs. Charlie Coppock singing "Trees" and "Hills of Home." She was accompanied at the piano by Mrs. Sewell.

Elvy Sargent, soil conservationist with the Iowa Park work unit of Wilbarger-Wichita Soil Conservation District, was guest speaker. He stated that plants require air, water and food, but the soil must have these in the proper balance. To illustrate, he showed samples of soil taken in this vicinity. Sargent said, to maintain soil in the best condition, to prevent erosion and absorb water, the ground had to have cover. He showed slides of dry and irrigated land, illustrating different cover crops used in this section, also new implements and practices used in farming today.

He conducted a question and answer period at the close of his talk.

Mrs. Brooks and Mrs. O. E. Lochridge were co-hostesses with Mrs. Sewell for the meeting.

ESA Instals Officers

Mrs. Jessie McCullough was elected president of Epsilon Eta chapter of Epsilon Sigma Alpha at a meeting held Tuesday evening. Serving with the new president for the coming year will be Mrs. Glen Miller, first vice-president; Mrs. Bud Mitchell, second vice-president; Mrs. Bill Reeves, corresponding secretary; Mrs. Ray Rutherford, recording secretary; and Mrs. John Clapp Jr., treasurer.

Impressive jewel pin rituals were conducted by Mrs. Rollin Roberts, president, assisted by Mrs. John Mixon Jr. and Mrs. Jack Coleman, vice-presidents.

Mrs. Roberts presided at a table centered with ten burning tapers flanked by tall arrangements of yellow jonquills and iris. The pins were displayed on an opened Bible. Those becoming members by taking vows were Mrs. Raymond Cope and Miss Essie Caldwell.

Following the ceremony, members enjoyed a steak dinner in Wichita Falls. Special guest at the dinner was Miss Barbara Tatom.

WSCS

Methodist women held circle meetings Tuesday morning for a program on Christian discipleship. Subjects discussed were "Crossing the River," "An African Bible Woman" and "A Calling to Fulfill."

Circle I met with Mrs. Travis Smith. Mrs. C. C. Robinson was leader assisted by Mmes. Elden H. Cole, Riley Bomar and W. E. Stockton. Talks were made by Mesdames Gene Lowrey, Travis Smith and E. B. Taylor.

Others present were Mmes. C. J. Simpson, W. M. Owens, T. R. Horine, S. L. Denny, W. C. Albright.

Circle II met in the home of Mrs. Carl Sullivan with Mrs. Walter Willard as leader. Assisting on the program were Mmes. Gene Owens, Glen Miller and Will Spruelli. Others attending were Mesdames Richey Abernathy, Gordon Clark, Fenton Dale, Elgin Denny, W. F. George, Jay Laible, C. J. Thaurber, Fred Widmoyer.

Circle III met in the church using as program "Witnessing at Daily Work." Mrs. Ethel Willcutts was leader assisted by Mmes. Julia Berry, Ione Roberts, Betty Griffin. Hostesses were Carlene Bennett and Grace Hadley.

Also present were Mmes. Ada Christian, Velva Bell, Mary Mixon, Hilda Thompson.

Announcements were made of the fellowship luncheon at the Presbyterian church on May 4, and a district WSCS conference in Electra next Tuesday at 9:30 a.m.

Harry Sargent, son of Mr. and Mrs. Elvy Sargent, won second in the individual contest last Saturday in district 4-H club eliminations, a contest held in preparation for the state 4-H club round-up which will be held at College Station. Club members from 24 counties were on hand in Wichita Falls for the various contests.

'Pop' Music Is Club Feature

Mrs. W. J. Lacy and Mrs. Joe Bob Tyler, both of Burkburnett, were introduced as new members at the April meeting of the Modern Music Study club in the home of Mrs. Otis Gay.

Miss Ethyle Kidwell was chairman for the evening program on "American Popular Music." After an interesting background talk on introduced Mrs. Wayne House for music in the modern idiom, she in a vocal solo, Stephen Foster's "I Dream of Jeanie with the Light Brown Hair." Mrs. House was accompanied at the piano by Mrs. James Sewell.

Mrs. Gay played a piano solo, "Blue Tango" by Mills.

Club members joined in singing Irving Berlin's "God Bless America" and "It's a Grand Old Flag."

Concluding the program, Mrs. Joe Flannagan played Peter De Rose's "Deep Purple."

After the program the members sang "Rock of Ages," the Federation Hymn of the Month. They were led by Mrs. Sewell and accompanied by Mrs. Gay.

During the serving of refreshments Mrs. Bob Covington sang "No, Not Much" and "Mr. Wonderful." She was accompanied by Mrs. Flannagan.

Mrs. Gay was assisted by Mrs. Preston Pace and Mrs. Arch Hughes in serving those previously mentioned and Mmes: Paul Zink, Lester Hawkins, W. G. Steele, Chauncey Weiler, Gayle Park, Oscar Lochridge, Henry Jones; Miss Helen Reed and Miss Mary Butcher.

Seek Lost Dog

A search is on for a collie-type, medium size, steel-gray dog in Wichita Falls that is suspected of having rabies. Two weeks ago the dog bit Carla Sue, 2 year old daughter of Mr. and Mrs. Clarence Fischer of Iowa Park.

The parents thought little about the incident until Monday, when it began acting "wild and queer" and leaped from Mr. Fischer's truck in Wichita Falls on Fifth street. The pet would not let him approach and finally got away.

Anyone knowing anything of the dog is asked to contact Fischer at 401 East Jefferson, phone 8152, in Iowa Park.

"Who Knows What We'll Find!"

Dear Friends

As a part of their work in Humble's Refining Research Laboratory, Humble scientists bombard petroleum hydrocarbons with electrons in a 2-million volt Van de Graaff Accelerator.

But if you ask one of these scientists what he expects to find, he'll answer, who knows!

For this is fundamental research: Results may be quick or they may be a long time developing. Who knows?

... Perhaps the scientists will find a way to increase the yield of useful products from a barrel of crude oil.

... Perhaps they'll be able to make improvements in the fine products already supplied you.

... Perhaps they'll develop an entirely new group of petroleum products.

Who knows!

This much, however, is certain: Humble research scientists at Baytown use every device of physics, chemistry, mathematics and mechanics to provide you with more and better petroleum products.

Two quick examples: The specifications for Esso Extra gasoline, the formula for Humble Uniflo motor oil. These, without question, are the finest products you can use in your car.

Sincerely
HUMBLE OIL & REFINING CO.

Flag Raising Ceremony at UN

Flags of the 16 new Member States of the United Nations were raised for the first time at UN Headquarters during a recent ceremony presided over by Secretary-General Dag Hammarskjöld. The white flagpoles on the UN Plaza now carry the colors of all 76 UN Members. The new Member States are: Albania, Jordan, Ireland, Portugal, Hungary, Italy, Austria, Rumania, Bulgaria, Finland, Ceylon, Nepal, Libya, Cambodia, Laos and Spain.

Delores Langford, James Vestal Exchange Vows in Church of Christ

Iowa Park Church of Christ was the scene Saturday evening for the candlelight ceremony which united in marriage Miss Delores Langford and James Vestal. Boyd Taylor, former local minister now at the Lincoln Street Church of Christ in Wichita Falls, officiated in the double ring ceremony.

The bride is daughter of Mr. and Mrs. G. B. Langford of Iowa Park, and James is a son of Mr. and Mrs. W. D. Vestal sr. of Petrolia.

Miss Doylene Morgan was soloist for the occasion, singing "Because," and a chorus from the church provided traditional music for the service.

The church was decorated with white gladiolas and an archway of greenery provided the central interest in the nuptial space. When given in marriage by her father the bride wore a floor length gown of white satin fashioned with fitted bodice and full skirt which formed a chapel length train. The imported illusion veil was held in place by a small hat trimmed in pearls and rhinestones. Her bouquet was made of purple orchid and fringed carnations.

Matron of honor to the bride was Mrs. Jeanette Millard, her sister.

She was attired in ballerina length dress of blue taffeta, and carried a bouquet of daisies.

Wearing dresses similar to that of the matron of honor were the bridesmaids Miss Ann Vestal and Miss Earbra Walker. Junior bridesmaids, also dressed in pastel gowns fashioned after those of the bridesmaids, were Misses Marjorie Griffith of Electra, Christie Bonner and Karen Sue Vestal, both of Iowa Park.

Miss Linda Langford, sister of the bride, dressed in white nylon net over satin, was flower girl. Bill Bonner was ringbearer. Candles were lighted by Jug Davis and Pat A. Ross. Acting as best man was W. D. Vestal jr. of Iowa Park, brother of the groom.

Mrs. Vestal is a 1954 graduate of Iowa Park High School where she was active as a cheerleader during her high school career. James is a 1949 graduate of Petrolia high school and was active in sports there. He has recently returned from a two year stint in the army.

The newlyweds have established residence in Iowa Park where the groom is employed with Vestal Well Service company.

Jackie: My teacher said I would get along better if I had more spunk. What is spunk?
Johnnie: Well, I'm not quite sure, but I think it is the past participle of spank.

SOME FACTS

Average age in Texas reform school is 15 1/2 years. There are four boys to one girl in the Texas reform schools. Only one-third of the parents of those in reform school are living together. In the vast majority of cases, girls are led into delinquency by grown men who suffer no consequences.

Band Notes

Beginners band nayride and picnic held last Friday evening was termed a huge success by all who attended. The outing was held in a pasture belonging to Rex Lenman and the band is indebted to both Mr. Lehman and Laverne Thompson for the use of his truck and float.

Approximately 100 students, parents and teachers attended, with all the children riding out on the truck.

Menu consisted of hotdogs and all the trimmings, potato chips, cold drinks and roasted marshmallows. Everybody enjoyed the picnic and looking forward to doing it again soon.

Dates for the annual summer round-up school which the PTA sponsors have not been set, but is health chairman for the past year, Mrs. Lowell Short is urging parents of children who will start school in the fall to attend the meeting in May and learn all details. Mrs. Short has received literature from the state office in Austin which these parents in particular will find interesting. It will be available at this meeting.

All children expecting to start school in September will be required to have immunization records for smallpox, whooping cough and diphtheria, and are required to bring a birth certificate.

Teen-Town sponsors for this month have announced "Country Capers" for Saturday night in the Fair auditorium.

Bluejeans will be the main attire and an evening of fun, games and contests is planned.

Teen-Town is for all between the ages of 13 and high school, and all are welcome to come and enjoy ping pong, shuffleboard, dominoes, checkers and maybe a little square dancing and other folk dancing.

Tom Hall of Davidson, Okla., father of Tots Hall of Iowa Park, is in the Frederick, Okla., hospital with a heart ailment.

Seniors.....

All the Srs wish to thank everyone who made the Baptist banquet possible Tuesday night. We all realize the trouble the WMU went to in preparation for such a lovely banquet. We wish to show our appreciation by saying "Thanks to everyone."

Mrs. Owens was admitted to the hospital Tuesday. We all miss you, Maude, and hope you will get well in a hurry and return to school.

BONNIE CALLAWAY

*SMETTANICK (Czecho-Slovakian Jam and Sour Cream Pie)

- 1 1/2 cups blanched almonds
- 1/4 cup sour cream
- 1/4 cup milk
- 1 egg, beaten
- 1/4 cup cherry jam
- 1/4 teaspoon cinnamon
- 1/4 cup raspberry jam
- 1/4 teaspoon salt
- 1 9-inch unbaked pastry shell

Grind the almonds to make a paste. Combine almonds with the remaining ingredients and pour into pastry shell. Bake in hot oven (450° F.) 10 minutes, then reduce to moderate oven (350° F.) 20 to 25 minutes. 6 to 8 servings.

CHIROPRACTIC

FOR LOW BACK PAINS

Many human ills have several distressing symptoms in common such as headache, nervousness, insomnia and pain in one or more parts of the body. One of the most common of these is "LOW BACK PAIN." Slipped disc, sacro-iliac slip, lumbago, prostate trouble and female disorders are just a few of the conditions that may underlie "LOW BACK PAIN."

Case No. 655, male, age 38 and a former resident of Holliday had obtained a diagnosis of herniated or slipped disc. This person sought our help and a spinal analysis was made to determine the CAUSE of his trouble. X-ray revealed a severe spinal fault and correction was undertaken at once.

After a few weeks his "LOW BACK PAIN" was an unpleasant memory and the X-ray showed a definite reduction in spinal distortion. Realizing the importance of his spine to his health, this man continues to maintain his good health by periodic spinal analysis and adjustment.
