Formal Opening Sunday for Methodist Addition

Sunday, Feb. 2, will find a large number of former pastors and members besides the regular members and friends of the Methodist church in attendance for the formal opening of the new Education building. Bishop Paul E. Martin will deliver the sermon.

Ground breaking services for the annex were held in April 1957, and the major portion is now complete and ready for use.

This is the first major building program that has been done for several years. Included in the project is the air-conditioning of the sanctuary in addition to erection of the 5,600 square feet of new building, which will house church offices, the pastor's study, two nurseries, four classrooms, a chapel, a choir room, a large kitchen and the fellowship hall which will seat approximately 200 persons.

Estimated cost is \$65,000 with brick and concrete blocks used in the contemporary design. Planning committee for the building was composed of the late C. W. Coppock, chairman, Mmes. Gordon G. Clark, T. J. Pace, D. O. Smith; and Messrs. W. M. Owens and Herman Mahler.

Soft coloring and subdued lighting are effectively used throughout the building to add to its attractiveness.

One of the outstanding features of the building will be the Randolph Duval Clark Memorial chapel, which will be completed during February.

Fellowship hall, which occupies a large portion of the addition, will fill a long felt need for space to accommodate the activities of the church. One end of the room has a large stage, and facilities are available for public address.

At 2:00 p.m. the formal ceremony for the laying of the cornerstone will be conducted, with Mr. Cole presiding.

First Methodist church of Iowa Park dates back to 1889 when the church was organized. Rev. R. M. Kerr supplied the charge that year with Rev. W. S. May as presiding elder of the Montague district in which Wichita county was included. This new charge was called Red River Mission and included all Wichita county missions except Wichita Falls and Allendale.

Iowa Park Mission remained as such until 1907 when it became self supporting.

In 1918 Iowa Park became a station and the church building which had consisted of a one room frame structure was torn down. A new church was located on virtually the site of the present church.

In 1926 the congregation dedicated the present building, having added to the old structure. The building has two cornerstones. The cornerstone of the building erected in 1910 was replaced and the new cornerstone was added.

The first shovel of dirt for the latest addition to the building was turned by C. C. Davis, who was then here as pastor in 1900.

History of the church has been truly marvelous in many respects. It has enjoyed consistent growth; former pastors have gone far in their respective fields of work; it has produced numerous boys and girls who have also acquired recognition in church circles.

Bishop Martin served the church as pastor beginning in 1930. J. Daniel Barron, present superintendent of Wichita Falls district, is also a former pastor.

The public is invited to join in this service of worship and fellowship and for the lunch.

Mrs. Lucy Birk Dies after Long Illness; Came Here as Bride in '91

Mrs. Lucy Birk, 95, died in a Wichita Falls hospital Wednesday morning after an extended illness. About four years ago she suffered a stroke and was confined to the hospital for a period of three years. She spent nine months at home and was admitted to the hospital again two weeks ago.

A resident of Iowa Park since 1891, Mrs. Birk was born in Dallas county July 19, 1862. She was one of eight children of Dr. and Mrs. G. A. Kilbourn. When her father located in the vicinity that is now Dallas, there were only a few log cabins along the Trinity river. The county was not organized; consequently the deed to the first land he bought was recorded at McKinney. The family bought groceries and supplies at Lancaster and attended church at Ferris in Ellis county.

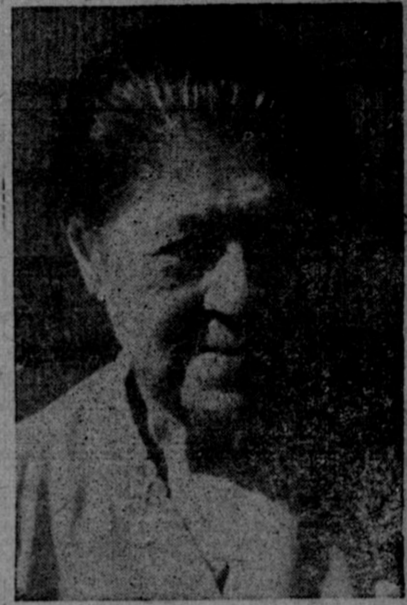

Mrs. Birk recalled a grasshopper plague which hit their section not many years after the Civil War. For two years the insects devoured the wheat crops. Flour had to be hauled from Shreveport, La., and cost \$15 a barrel. She remembered the people could not afford that price, so they ate cornbread for two years.

Miss Lucy Kilbourn was married to the late Charles Birk in Oct. 1891. They came to Iowa Park immediately and moved into a new home he had built that summer. Incidentally that honeymoon cottage is at present the home of Mr. and Mrs. Travis Hill.

In 1925 the Birks moved into their new brick home east of town.

Mrs. Birk was a constant source of inspiration and encouragement in her husband's business enterprises. For years he owned and operated a grocery and dry goods in Iowa Park. During the years he accumulated large land holdings. He was the first president of the First National Bank, serving in that capacity for 30 years until ill health forced him to retire.

Mrs. Birk was a faithful member of the Presbyterian church. She sang in the choir until a few years ago. She was a member of the Major Francis Grice chapter of

the Daughters of the Revolution. She was a granddaughter of a Revolutionary War soldier.

Mrs. Birk was also a member of the 23 Study club. Mother Birk, as she was affectionately known to her many friends, was the first president of the Mother's club from which the Parent-Teachers association later was formed.

In 1956 she was elected queen of the Texas-Oklahoma Fair.

Funeral rites will be conducted Friday afternoon, Jan. 31, at the Presbyterian church, with Rev. Harold E. Dykstra, pastor, in charge. Interment will be in Highland cemetery under direction of Tanner Funeral Home.

The body will lie in view at the church from 11:00 a.m. until time for the service.

Survivors include two daughters: Mrs. Gilbert Weeth of Vernon, Mrs. J. D. Hall of Wichita Falls; two sons: Ralph of Wichita Falls and C. E. of Iowa Park; eight grandchildren: Ralph Charles Birk of Wichita Falls, Mrs. John Hoover of Roswell, N.M., Mrs. Lloyd Osborne of Vernon, Mrs. Gene Gardner of Tulsa, Okla., Dudley Hall of Fort Worth, Mrs. Calvin Hanson of Laredo, Bob Birk of Lawton, Okla., Beverly Birk of Iowa Park; and 11 great-grandchildren.

MEMBERSHIP DRIVE
Morris Jacks, chairman of the membership committee, states the annual membership drive is on with two new members already. Lonnie Edwards and N. E. Grier Jr., whom we welcome.

If you are not a member of C of C, you may be contacted.

What? You say there are too many requests already, you cannot afford to contribute to the C of C.

For one thing, the C of C membership is not a contribution; it is an investment in business improvement and city development. The only city-wide organization working for increased trade from the immediate area, publicity for the city, new industries, better highways, streets and many other improvements.

Directly or indirectly, you benefit because your opportunity is greater in a growing town.

Also—did you know that Chamber dues are deductible as business expense on income tax returns, but they are not deductible as a donation or contribution?

The federal government recognizes your C of C as essential to the successful operation of your business just as are salaries, rent and other items. The regulation states: "Membership fees or dues paid by individuals and corporations to a C of C are deductible from gross income as a business expense, provided the membership is employed as a means of advancing the business interests of the individual or corporation."

STANDING COMMITTEES
All C of C committees are asked to have a meeting before Feb. 1 so the budget committee, which is dependent on the other committees in making their budgets may set up the budget for 1958 before the Feb. 18 directors meeting.

NEW BUSINESS
Congratulations and much success to the Park Typewriter Exchange, located in the Park hotel a service much needed in our town.

CAR LICENSES
This year you must have your current title and license record examined before you can renew the registration of your vehicle. 1958 licenses may be purchased after Feb. 1.

Pioneer Banker Dies in Wichita

Funeral services will be conducted for John Hirschi, 93, one of the best known pioneers of Wichita county, Friday, Jan. 31 at 2:30 in St. Paul Lutheran church of Wichita Falls, with Rev. H. R. Frerking, pastor, officiating.

Burial will be in the family plot in Highland cemetery of Iowa Park.

Mr. Hirschi died Tuesday night in a Wichita Falls hospital.

John Hirschi was born at Highland, Ill., May 27, 1864 of Swiss parents. When he was 21 and engaged to Miss Schrupf, who was born in the same town, John and his brother Christian came West to seek their fortune.

They settled first on 160 acres near Liberal, Kans., but a killing drouth finished their crops the second year and they came to Texas. Hirschi came to Wichita county in 1888. He and his fiancée were married Aug. 27, 1889, in Illinois, and she came here with him.

It was not long before his ability was recognized and he became president of the First National Bank of Iowa Park and of the Wichita National Bank in Wichita Falls.

After oil was discovered on the Hirschi land, he and his wife became interested in the real estate business. Mrs. Hirschi died in Wichita Falls Dec. 27, 1953.

Father Dies

Mr. Thomas Marion Hale, 69, died Thursday morning, Jan. 16, in a Vernon hospital. The body was brought to Iowa Park by Tanner Funeral Home and shipped Friday morning to Waldron, Ark. Funeral services were held Saturday afternoon at Dutch Creek, Ark., with interment in the Mt. Moriah cemetery.

Mr. Hale was born Jan. 20, 1885 in Arkansas and was a retired logger. He had made his home in Iowa Park the past two years.

Survivors are two sons: Jack Wayne Hale of Portersville, Calif.; Homer Paul Hale of Ripon, Ark.; four daughters: Mrs. Vera Hunt of Bakersfield, Calif.; Mrs. Evaline Williams and Mrs. Geraldine Bonner, both of Iowa Park; Mrs. Joann Richmond of Waldron; 15 grandchildren, which includes Phyllis, Gary and Debra Williams and Susan Bonner, all of Iowa Park; a brother Jake Hale of Gravelly, Ark.; a sister Mrs. Lucy Bates of Ft. Smith, Ark.

Mother Dies

Mrs. Mabel French, 83, died at her home, 3331 Gibsondale, Dallas, Monday morning following a brief illness. She was the mother of Mrs. John Clapp of Iowa Park.

Funeral services were conducted Tuesday afternoon with Dr. Lewis N. Stuckey, pastor of Tyler Street Methodist church officiating. Interment was in Grove Hill Memorial Park.

Mrs. French had resided in Dallas 80 years, moving there from Waxahachie with her parents. Her father was Dallas' first water engineer and turned the valve that brought Dallas its first purified water. Her husband drove one of the first horse-drawn street cars in Dallas. He died in 1933.

Mrs. French had visited here several times and made a number of friends here, whom she always remembered at Christmas time with gifts of her own handiwork. She took special delight in making such articles as aprons, potholders and the like and donating them to the Navy Mothers' club and to church bazaars and giving them to relatives and friends.

Survivors include three daughters: Mrs. Clapp of Iowa Park, Mrs. Gregg Johnson of Palestine, Mrs. George Shannon of Dallas; a son Leslie French Jr. of Dallas; two sisters Mrs. Dovie Zachery of Torrance, Calif., and Mrs. Zed Coston of Forney; two brothers: Raymond Selby and Eugene Selby of Dallas; seven grandchildren and 10 great-grandchildren.

Two of the grandsons Leslie and Johnnie and their wives, of Iowa Park, attended the funeral service.

Be Ready for Mothers March Monday at 7:00

Monday, Feb. 3, at 7:00 p.m. the 1958 March of Dimes will begin in Iowa Park and all of Wichita county.

Chairman Rollins Woodall has announced at 7:00 o'clock sharp the Texas Electric Service company will turn on the street lights and the fire siren will be sounded to remind residents to turn on porchlights or light candles in the windows. The Mothers March on Polio will begin at that time and close at 8:00.

Epsilon Sigma Alpha members will serve as chairmen for the city limits. They will be assisted by block mothers. The Noon Lions club will canvass the Valley Farms and other outlying homes.

Woodall asks that all folk have their donations ready so the workers can complete their jobs in a minimum of time. Then when the mother leaves, turn off the light so other workers will not stop.

Those who happen not to be at home or are missed will please call the City Hall, or bring their contributions to the State National Bank, or get in touch with Woodall at a later time.

Gale Lowrance was in the Herald office this week and reminded us the North Texas Sheep and Goat Raising association meets each 1st Tuesday of the month at the Valley Farms Community House. It is hoped the state president can be here next Tuesday night for a discussion.

Mr. and Mrs. Henry Mason of Wichita Falls were guests of Mr. and Mrs. Dave O. Harbour, Sunday.

Reflections from the Bible

By Ray Marcum, Minister
Iowa Park Church of Christ

Did you ever hear a man say, "You can prove anything by the Bible"? Usually a giver of such words has not the ability to prove anything by the Bible. Not that he is a person of no intelligence, but he is ignorant of the Word of God only because he has not studied God's Word.

How would you like to have it said about you that people can prove anything by you? Even so, it is an insult to the Lord and a slap in the face of God to say, "You can prove anything by the Bible."

Look closely. Those who make the statement have not proved that disunity is right by the Bible. They have never proved that a man is justified by faith alone, to the exclusion of love for God, repentance from sin, and obedience to the gospel of Christ. They contend that one can be saved out of the church as well as in it; but the Bible, a book which they say you can prove anything by, does not prove it.

Here are some things you can prove by the Bible. Baptism is essential to salvation from sin (Mark 16:16; Acts 2:38). Baptism is not sprinkling or pouring, but immersion (Romans 6:3-4; Col. 2:12).

It is just as easy to prove by the Bible that Christians are to partake of the Lord's Supper upon the first day of the week (Acts 20:7), and that the churches that Paul dealt with while on earth were "churches of Christ" (Romans 16:16).

That which is true and right can be proved by the Bible. adv

Safety Rules For "No Man's Land"

By Jeanne Smith, Dodge Safety Consultant

ACCORDING TO STUDIES by a Los Angeles taxicab company, about 90 percent of all collisions occur at intersections—that "No Man's Land" where anything can happen, and often does.

These statistics indicate that many drivers don't identify crossings as major traffic danger zones.

Think for a moment how many times each day you drive through intersections, and you'll realize how important the following tips are for your safety, and the safety of other motorists:

1. As you approach an intersection, reduce your speed, have your foot ready for braking, and be alert.

2. Remember, a green light is not an automatic signal to "go." Curb that desire for a quick getaway and make sure the intersection is clear before proceeding.

3. Don't attempt to beat a changing signal by speeding into an intersection. This is the most dangerous time to cross.

4. Never pass other cars when approaching an intersection or when driving through one.

5. Be particularly careful when driving on one-way streets. On approaching "T" intersections, drivers often change lanes suddenly to be in the proper position for a left or right hand turn.

Signal lights and stop signs are not barricades—they are traffic controls installed for your convenience and safety. They must be obeyed fully in order to be effective.

Writes "Right Ticket" For Teenage Car Fans

By Jeanne Smith, Dodge Safety Consultant

AN UNUSUAL off-duty assignment was accepted recently by a Detroit police officer when he became sponsor of a teenage custom "Hot Rod" club. The unusual angle? The request came from a group of boys, all of whom had been ticketed by him for violating traffic laws!

Patrolman William H. Tomlinson accepted the club sponsorship on one condition — the boys would have to adhere to certain safety rules which he would enforce as strictly as he does traffic laws when he is riding his motorcycle.

The boys promptly agreed, and the Detroit Modified Rod and Custom Club was born. To the now more than 100 members, between the ages of 16 and 22, Tomlinson has become an ardent counselor, a good listener and one of the few adults actually trying to do something about their problems.

Weekly meetings are held at homes of the boys and each meeting brings a number of new members. A nine-member board

governs the group with rules set up from suggestions from Tomlinson and the charter group.

To become a member, a youth must be 16 years old and own an automobile which meets certain specifications in style, interior or engine.

A portion of new business at every meeting is provided for members to declare any traffic tickets they have received since the last meeting. Besides paying the fine to Detroit's Traffic Court, they must also pay a fine to the club fund.

"What a boy did before he became a member of the club doesn't matter," Tomlinson said. "What he does while he is a member, however, is of interest to all the group. I think a boy will straighten out much quicker when friends his own age put on a little pressure."

"I would say that 50 percent of all the members were ticketed by me before joining this club. I really am proud that they have chosen me to help them keep the club on the right track."

Holiday Pair Celebrate 60th Wedding Anniversary

Mr. and Mrs. L. O. Johnson of Holliday were honored on their 60th wedding anniversary Sunday afternoon, Jan. 19, with an elaborate reception in the home of their daughter Mrs. Cecil Holler at 3009 Avenue L in Wichita Falls.

The other daughter and sons of the honored couple joined Mrs. Holler as hosts for the occasion.

Mrs. Holler greeted guests at the door. Miss Billie Weatherall of Petrolia alternated with Miss Paula Stevenson of Wichita Falls at the guest register, where a unique arrangement of a pink hourglass and a wedding band denoting the passing of time and marking the 60th wedding anniversary captured each guest's interest as he signed at the antique marble-topped table.

In the receiving line with the honorees were two sons and a daughter: J. D. Johnson and Austin Johnson of Healdton, Ok., and Mrs. Ed Stevenson of Pampa.

Three granddaughters provided music: Mrs. Joe Marook of Steubenville, Ohio, remembered as the former Miss Mary Holler, played appropriate wedding music at the organ and accompanied Misses Paula Stevenson of Wichita Falls and Nancy Stevenson of Pampa as they sang "Always" and "When I Grow too Old to Dream." A twin mural arrangement depicted wedding bells and two hearts with the

dates 1898 and 1958 and a violin with floating streamers inscribed "I Love You Truly" and "Because."

The serving table was elaborately decorated with pink satin covered with pink nylon tulle, draped and caught in clusters with pink rosebuds. A huge three-tiered cake topped with a miniature bridal couple centered the table, with hand painted china tea and coffee services at either extremity.

Mrs. J. F. Willis of Electra, sister-in-law of Mrs. Johnson, and Mrs. Clyde Alderman jr., granddaughter, of Wichita Falls, poured coffee; Mrs. Hardy L. Gage jr. of Kamay, granddaughter, alternated with Mrs. Charles Trout of Tokio, who had made her home with the Holler family.

Mrs. J. D. Johnson alternated with Mrs. Austin Johnson in cutting and serving the cake. Mrs. E. W. Stevenson jr. also assisted in serving. Favors were miniature wedding bells tied with pink forget-me-nots.

Arranging gifts for display were Terry Johnson of Healdton, grandson; Marvin Willis of Electra, a nephew of Mrs. Johnson; Glenn Morgan of Wichita Falls, Misses Nancy and Paula Stevenson assisted in the gift display room.

Feminine members of the house party wore pink or white carnations. The men wore white carnation boutonnieres. Mrs. Johnson

wore an orchid.

The honorees surprised each other with a gift. Hers was a rhinestone necklace and his was a tieclasp.

Pink carnations predominated throughout the house. Pot plants and cut flowers sent by friends in honor of the occasion were in profusion.

Only member of the family absent was the oldest son W. L. (Bill) Johnson of Hawkins, who was unable to be present because of illness in his immediate family.

Approximately 125 guests came from Shawnee and Healdton, Ok., Tyler, Pampa, Electra, Petrolia, Olney, Harold, Holliday, Kamay, Bowie, Burkburnett, Tokio, Jacksboro and Wichita Falls.

Quote: "Even if money did grow on trees, some people wouldn't shake a limb to get it." Every normal man has two great ambitions. First, to own his own

home. Second, to own a car to get away from his home. A miser grows rich by seeming poor. An extravagant man grows poor by seeming rich.

Living In Mid Air

This cantilever house in Caracas illustrates the dynamic progress Venezuela has made in recent years. Registering a 3,000 per cent increase in imports from the U. S. during the last twenty years, Venezuela has become the leading South American purchaser of U. S. products; it is also next to the largest per capita customer of the U. S. in the world, according to a study prepared for the Creole Petroleum Corporation, a U. S. company and Venezuela's largest oil producer. Last year Venezuela, whose population numbers six million, spent over one billion dollars for U. S. goods and services. This healthy commerce with Venezuela benefits many U. S. citizens. Out of the more than 5 million U. S. jobs that depend on foreign trade, it is estimated that more than 170,000 result from trade with this good neighbor and good customer of the United States.

Hirschi Home Destroyed

Members of the Iowa Park Volunteer Fire department were called from their beds early Wednesday by the fire which destroyed the home of R. H. Banner, which was located on the Wichita Falls highway, four miles east of here.

The two-story brick veneered structure was destroyed by fire believed to have started in the basement. No one was at home when the blaze started. It was discovered at about 2:20 a.m. by J. B. Cissell, a neighbor.

The fire had a good start when the Iowa Park fireboys reached it, and shortage of water hampered them in trying to save the house. Firemen from Wichita Falls arrived later and helped them keep the fire from spreading to other structures in the neighborhood.

Hirschi, who died in Wichita Falls the same morning, built the house to replace the original Hirschi home built on the site in the 1890's.

Busy 91 Years

Sanford Denny celebrated his 91st birthday Tuesday, Jan. 28.

Mr. Denny, brother of the late L. C. and S. L. Denny, has made his home with a niece Mrs. Jack Callon and Mr. Callon since 1950, moving here from Los Angeles, Calif., where he had been associated with Warner Brothers studio for 24 years.

Born at Harrodsburg, Mercer county, Lexington, Ky., Denny came to Texas at the age of 18 and settled at Van Alstyne where he worked as cashier in the railroad station. He later moved to Dallas where he was employed as secretary to the superintendent and receiver of the Texas Trunk railroad which ran from Dallas to Kemp. The railroad is now the Texas-New Orleans, a branch of Southern Pacific.

Later, Mr. Denny served as temporary paymaster of the line.

He was married to Miss Ida Slaton while living in Dallas. Shortly after her death he moved to Phoenix, Ariz., where he worked as cashier of Melzer Wholesale Grocery company, then the largest in the Middle West. During his residence in Phoenix he was married to Miss Mary Dwyer.

The couple moved to Los Angeles. Mr. Denny was employed by an accounting firm which audited the records of Los Angeles county.

When he started with Warner Bros. he was to do office work. He later was promoted to the position as manager of the receiving department.

Other nieces and nephews of Mr. Denny residing in the Iowa Park area are Mmes. Will Burnett, O. E. Lochridge, D. H. Ford, Charles Tucker, Elmo Traylor, Emma Gauntt; and Messrs. L. C. Denny jr., Earle Denny and Elgin Denny.

Iowa Park Chamber of Commerce, the Evening Lions and the Noon Lions combined Tuesday evening to make a delightful event. The occasion was a joint meeting of the two Lions clubs with their ladies as guests.

City beautification committee of the C of C was responsible for an interesting program, starting with reports from members of that committee.

In the absence of Mrs. Taylor George, Mrs. C. J. Thurber told of the work of the committee during the past year, and called on other members for comments. The committee includes Mrs. F. E. Hill, Mrs. E. E. Wallis, Mrs. L. C. Hill, Mrs. W. E. Karstetter and Mrs. Oscar E. Lochridge.

Further to inform householders in this area concerning gardening and landscaping, an informative and interesting program was presented by Curtis Sewell.

First, Elvy Sargent, soil conservationist, gave a discussion of soil and explained how plants get sustenance and growth producing materials from soil, water and air.

Second, Virgil Woodfin discussed the plants which do well in this climate.

Third, F. M. Wilson told of the troubles encountered when plants are kept in the homes and offices.

Finally, Lester Brooks showed colored slides of the gardens and lawns which unlimited use of money and labor have produced on the Santa Rosa ranch near Vernon.

Wesleyan Guild

Wesley Service Guild met Monday night, Jan. 27, in the home of Mrs. C. J. Thurber with Mrs. S. E. Watson as co-hostess.

The president Mrs. Bertha McDonald introduced Mrs. Gordon G. Clark who brought a filmstrip on World Day of Prayer, showing countries taking part and receiving help from financial contributions.

Mrs. Clark announced that World Day of Prayer for our community will be on Feb. 21 in the Methodist church.

Subject of the program for the evening was "The March of Missions in Japan," and was presented by Mrs. Kathleen Hatten as leader. This program provided facts both about the country and about the United Church of Christ in Japan.

Taking part were Mrs. George Trammell, Mrs. S. E. Watson, Mrs. M. O. Cheves, Mrs. McDonald, Mrs. Otis Gay and Miss Mary Butcher.

A special guest Mrs. James Milliron who has returned to Iowa Park after living two years in Japan, brought some interesting and first-hand information on present-day Japan. She was dressed in native costume and showed colored movies of farming activities, the shrines and interesting landscapes.

Those present in addition to the above mentioned were Miss Ethyle

Bags of Clothing Sent Overseas

Seven duffel bags of used clothing and shoes weighing 350 pounds, were recently packed and shipped to Church World Service in St. Louis, Mo., for overseas relief by the United Church Women of Iowa Park. At St. Louis the clothes will be sorted and baled and sent to countries suffering from the ravages of war.

Mrs. S. T. Buzzard is chairman of the good will committee of UCW. Serving with her are Mrs. W. E. Stockton and Miss Mina Troutman.

The committee reports the quality of clothing sent this year was the best the local unit ever has sent. A number of women from churches affiliated with UCW met at the First Presbyterian church to make repairs on the clothing.

This year a minimum amount of repair was necessary, which seems to indicate the people are becoming educated to the fact that the clothing they contribute should be in good condition.

Lige Reed sustained painful back injuries Tuesday when he was hit by a barn door as he was working on the Burnett ranch west of town. Lige is manager of the ranch.

ABUNDANT LIFE by ORAL ROBERTS

WHAT TO DO ABOUT A SCANDAL

Are you one who has really made a misstep or else has the name of doing so because of wagging tongues? If so, there are two things you must remember: (1) You are not the first to suffer like this and (2) Such a mistake need not ruin your life.

So do not allow it to ruin your spirit, neither let it unfit you for usefulness and happiness tomorrow. If someone is really your enemy, nothing would please him any more than that. Even if it is true, the thing which has occurred is in the past. It is water over the dam. You can yet live a useful and wonderful life. Now let me suggest certain things for you to do.

First, decide with a spirit of humility that you can make good in spite of everything. And you can! People from every walk of life have done so. In fact, some have done it so well that their community has come to regard them as some of their chosen and best people.

Second, realize what caused you to go in the wrong direction. Cut completely away from that cause. Last, do not brag or make a show. Simply demonstrate in a quiet way that you have what it takes to live a good life. Then proceed quietly and honestly to build it.

Emma C. lives in a small city in one of the Carolinas. She is the mother of two daughters although she is not married and has never been.

When Emma was a young girl of 16, she allowed herself to become entangled with an older man. Not realizing the seriousness

of her mistake, she continued on until she found herself with child. Her lover laughed at her and told her that it was none of his concern. "After all," he said, "how do I know the child is mine?"

After the baby was born, she felt that she was ruined. And so she plunged into a wild life of careless abandon. The shock of the realization that another child was coming brought her to a stop. What would she do? Where would she go? Her parents had washed their hands of her. For several days she thought of taking her own life.

Then a good Christian woman took her aside. Gaining her confidence, she persuaded the young girl that all was not lost. She could recover herself. She informed Emma that the road might be rather long, but there were many people who would be willing to help her.

That day Emma turned her life over to God. She gave him her past, her present and her future. Today she is some 30 years older. Her older daughter is one of the most respected young ladies in the city. She is known for her strength of character and has a very fine position with one of the largest firms in the Carolinas. Her younger daughter is married. The grandchild is one of Emma's greatest delights. But Emma herself is not known as "the former streetwalker." She is known as Miss Emma C., the wonderful Christian lady whose kindness, goodness and excellent character have become an example to everyone.
