

YOUR CHAMBER OF COMMERCE —

RUTH HILL TEARGAN

At this time we are doing a land-office business, so to speak, in receiving payment of property taxes for the county.

One of the services the Chamber of Commerce renders the community is that of helping to maintain a sub-station tax office.

From available records, it is estimated that approximately \$35,000 worth of car license and title business was done, and property taxes of approximately \$7,500 were collected during the past year by this office.

Besides being able to pay your taxes in comfort (if anyone can), there are available Drivers' renewal forms for operators, commercial and chauffeurs, and Drivers Handbooks. After the car rush, we heard of a man who went to a nearby town to get his car license plates. He looked over the five long lines of persons waiting impatiently to be served and after some study chose the one with, what he considered, the most intelligent-looking people. His line advanced at a satisfactory rate of speed and he was congratulating himself on his choice, when a man without proper car papers reached the window and there was a deadlock.

After waiting some time, the Iowa Park man broke rank and headed for his home town and the sub-station, where he relaxed comfortably (we hope) in a chair while his business was being transacted.

Having a sub-station in connection with your Chamber of Commerce is a two-way advantage: it relieves somewhat the congestion in the county office, and makes it more convenient for the home folk.

Call your Chamber of Commerce when you need anything (besides money) and perhaps we can help you, or perhaps we can be like the hostess who, on bidding her guest goodnight said: "If there's anything you want, just let us know. If we have it, you're more than welcome to it, and if we haven't it, we'll show you how to get along without it."

All Day Program Held by Baptist Ladies

A mission program, luncheon and business session were included in the activities of the Women's Missionary Society of the First Baptist church Monday. The meeting was opened with the singing of "We've a Story to Tell to the Nations," after which Mrs. E. W. Sumrall introduced the program, "The Jew Today," and explained the purpose of the program.

Mrs. J. A. Berg, Mrs. Sam Hill, Mrs. L. E. Brooks and Mrs. Della Price assisted Mrs. Sumrall in a dialogue answering questions about The Reformed Jew, the Jewish People as a Whole, and each gave some particular interesting information concerning their holidays, customs and the methods the missionaries are using today among the Jews. The program was concluded with a devotional by Mrs. Ada Curry, who used as her subject "Measure Your Love by Paul's," based on Romans 9:1-5 and II Cor. 3:14-18.

A luncheon and social hour was enjoyed at noon, followed by the business session conducted by the president, Mrs. Jim Miller, who led the devotional from the 6th chapter of Ephesians.

In conclusion Mrs. Miller urged all to attend the meeting of the United Council of Church Women on Nov. 5 and each circle was asked to pack a kit for a teenager to be sent overseas.

The W.M.S. will meet as circles next Monday. Mary-Martha at the church; Ruth with Mrs. Curtis Hill; and Sallee-Morgan with Mrs. Sam Ferguson.

Mrs. Williams has made her home here since 1925. She and Mrs. Maynard are sisters.

Following the closing of the chapter, delicious pumpkin pie, whipped cream and coffee were served to about 35 members.

Members of the senior class are expressing this week their appreciation to various business men for the help given for the senior party last Saturday night. Al Reed lent them a record player and helped operate it; Bradford's furnished a part of the decorations, the Famous store some, and the Park Feed Store sent over bales of hay to make the decorations more complete.

Mr. and Mrs. Charles Murphy of Electra are tops with the class and the youngsters cannot say enough to express their appreciation for their coaching and demonstrations.

The senior mothers of course contributed greatly to the success of their party, and thanks are in order to F. E. Hill and the owner of the bakery building for letting them use it.

WARRIORS CLASH WITH HAWKS HERE FRIDAY NIGHT, 8:00

By Jonesie

There's going to be lots of football for Hawks fans this week when the Valley View Warriors and Iowa Park Hawks meet in a district 9-A contest on the home grounds.

The Warriors have trained hard and fast this week and are out to get the Hawks this year after last season's 7-7 tie. Coach Sutherland of Valley View said this week that his boys have the pep and are really ready to take on the Iowa Park team.

Two boys who have set the Warriors on fire at Valley View are the co-captains, J. T. Thomas and Joe McDonald. They are a tackle and the center and are in better shape for the Hawk game than ever before this season.

At the other tackle position will be either James Breazeale, 220 lbs., or Donald Rains, 185. Coach Sutherland has not named the starter, but whoever he is, Valley View fans say the Hawks will have trouble on their hands.

In at guard will be the Wright boys, Earl and Bill, two hard hitting men to give Iowa Park's backs a bad time. Pete Solio and Glyndel Williams are two wide awake ends who are expected to be ready for all the end around plays Iowa Park can throw at them.

Sutherland says his back are all looking pretty good in practice this week and will be ready to go. In at fullback he plans to have Kenneth Mann, a hard hitting player who has been out of the games with an injury. Running, blocking and passing with Mann will be J. C. Young, Jimmie Williams and Bailey.

Coronation of the 1948 football queen of Iowa Park High School will take place on the field at 7:30, Friday evening just preceding the Valley View game.

Queen is Miss Billye Jean Girard, a senior. She and her attendants were chosen by the football team. Attendants to the queen are Virginia Partney, junior, escorted by Jackie Banks; Mary Ella Farris, sophomore, escorted by Billy Joe Russell; Janice Kight, freshman, escorted by Jerry Cope; and Sally Easterwood, junior high, escorted by Travis Neal Hines. The queen will have as her escorts Don Paul Lemons and Jimmy McDonald, co-captains of the team. Everyone is urged to be on hand early and see the coronation.

Probable starting lineup for the Valley View Warriors in their game with Iowa Park, Friday night are Solis and G. Williams at end; Breazeale and Thomas at tackle; McDonald and B. Wright at guard; with Harrison at center. Backfield positions will be filled by Young, Bailey, J. Williams, Mann.

Coach Ernest Sutherland will have in reserve D. Rains, Bob White, Jerry Holmes, Jerry Thomason, Wayne Henderson and E. Wright.

Well, we have at last discovered the class sot! Lucy Lee, I'd be ashamed! Imagine being with such nice company and then ordering what you did! Oh well, after we told her she couldn't have it she sulked and wouldn't even drink her nice lime. Lucy, you must learn to control yourself.

Saturday night was a great event for the seniors. We had a wonderful party which was unbeatable. Benton and Pete proved their ability in square dancing very well. Frankie Smith and Mrs. Owens didn't do badly either. The rest followed along and tried to accommodate their partners. Hoyt and Jug layed three people out. Seems their technique was terrific. Betty and Billye Joyce made out Okay whether they could dance or not.

Tuesday noon found some people wondering about the juniors and seniors. Between Ring Around the Rose, Stitch starching, Patty Cake and Pat Pat. . . who wouldn't wonder! Especially when dainty Burk, Tom and John were trying a hand at it.

Booger and I, after one nice zero apiece, never did find out what "habeas corpus" was. Life gets tedious, doesn't it. Anyway we got a big chuckle out of it.

Jan's going to have to marry a politician to represent him in something. She'll probably raise about five little communists.

Benton and Ava Nell are still looking in mirrors every chance they get. Benton even has a personally engraved compact!

Jimmy hasn't come down off that soapbox long enough even to eat, and Tom took all the candy bag he gave the little innocent kids in junior high to vote for him. His soda supply is gone, but with pockets bulging, he's happy.

Miss Linton found out that Regina Cage knew more about book-keeping than she thought. He's happy too (little idiot).

I hope we all turn out for the game Friday night. Those Warriors might get surprised too. Anyway, we'll all get a "large charge" out of it.

Juanelle's new home sure got a good breaking in Sunday. Nothing like company to keep up the spirits.

Boy howdy! Those football boys are really getting picked at and I mean. Everyone wants to walk with the same few persons. Hope we get it all cleared up, cause a good hair pulling might end it all. Although it might pep up our boys.

Ima Jean marveled at her newly discovered haunted Kleenex. Says it's full of boogers. Who'd a think it?

Do-see-do to you too. —Billye Jean Gerard, reporter.

Valley View to Elect Two School Queens

The annual queen race at Valley View started last Friday and is to run until the 3:00 assembly on Friday, Nov. 5, according to Supt. C. C. Wilkes.

Purpose of the contest is to raise funds for the activities program of the school. The contest has been split this year so that grade school contestants will not have to compete with the high school aspirants for honor. This year the elementary school will have its own queen.

High school candidates are June Smith, senior; Verla Barrick, junior; Mary Steed, sophomore; and Bernice Lee Kent, freshman.

Primary grades will work in the interest of Karen Kirkpatrick of the fourth grade; while the older children will back Shirley Willeford of the eighth. A great deal of interest is being shown this year in the various candidates.

West Texas Chamber Urges Passage of All Eight Amendments

Support of each of the Constitutional Amendments to be voted on at the general election Nov. 2 is recommended by the West Texas Chamber of Commerce.

The organization points out that the amendments are non-political in nature and will enhance the efficiency and economy of our government.

Two of the amendments have been on the agenda of WTCC for many years and their passage is stressed by Manager D. A. Bandeen. First of these is SJR 2, which occupies second place on the ballot, calling for the redistricting of Texas. This amendment provides that the legislature shall redistrict after each decennial. If this is not done, then an automatic board is set up, and if this board fails to function, it can be mandamus by the supreme court.

Although West Texas stands to lose some votes in redistricting, there is at present an imbalance in our legislative redistricting which will be corrected," Bandeen said.

The organization also strongly recommends passage of HJR 24, which is No. 7 on the ballot and provides for abolishing the state ad valorem tax and enables counties to relieve the tax for local revenue purposes. The measure would permit the counties, which do not at present receive tax remissions, to have the 30 cents for flood control and farm-to-market road purposes.

This would make additional funds available to local governments which they do not now have.

Twenty-Three Club Studies Legislation
A highly interesting program, rich in informative value, was enjoyed by members of the Twenty-three study club Thursday when Mrs. Gayle Park was hostess. The program featured a combined legislative and citizenship theme.
The home was decorated with autumn flowers. Of special interest was a striking bouquet of yellow mums. In keeping with the club colors of purple and gold, arrangements of petunias in velvety purple shades were also used. Numerous pot plants added attractiveness to the rooms.
Members responded to roll call with assigned citizenship topics to create a consciousness within the club that all people have become world citizens as well as local and national citizens.
Discussion of two bills now pending in Congress by two outstanding speakers characterized the meeting and indications are that it will be one of the top-ranking of the year.
Edgar Mann, lawyer of Wichita Falls, gave a discussion of the bill to abolish the electoral college system. Introduced by Mrs. John B. Barbour, the speaker described the bill as the most important since adoption of the Bill of Rights. In discussing the unfairness of present procedures, Mr. Mann disclosed that approximately 35% of the voters are disfranchised.
Second featured speaker was Mrs. Martha Lou McSteen, who addressed the members on the pending social security bill. The new measure will provide: coverage of all workers; increase the maximum amount of earnings taxable; increase the amount of earnings a beneficiary may receive in covered employment without suspension of benefits; reduction of the qualifying age for women to 60 years; greater uniformity in defining conditions that qualify the family for benefits; payment of a lump sum in the case of every insured wage earner's death; and payments of benefits during periods of extended or permanent total disability.
Mrs. James Sewell directed the group in singing "America the Beautiful" to conclude the program.
Dainty refreshment plates were served to Mesdames Florence Sherwood, Fred Widmoyer, S. L. Denny, C. Birk, Richey Abernathy, Martha Lou McSteen, Sam Hill, H. W. Weaver, Herman Mitchell, L. E. Brooks, May Turner, J. A. Sewell, C. W. Coppock, Carroll Duke, C. J. Simpson, King Abernathy, M. C. Yeargan, Taylor George, Earle Denny, John B. Barbour, C. E. Birk, Homer Blaock and Edgar Mann.

Jimmy Joy, Sallye and Ruth Mary report that Lenial G. and Barbara B. were seen on the corner talking.

Mrs. C. J. Simpson is visiting her daughter Mrs. Marvin Hawkins in Galveston. She plans to be gone two weeks.

A lot of things besides repairing Chevrolets have been going on at the Hill Motor company in Iowa Park the past two or three weeks. For one thing, a new roof has been installed, and for another the lot adjoining the building on the south has been fenced to make a safe place for customers' automobiles. Curtis Hill and his sons Donald and Richard plan to have also some high grade used cars from time to time.

Pat Horn, Jimmy Don Bates, Ann Ralston and Caroline Gay have blossomed out in some mighty purt sports shirts lately. Look 'em over.

Mrs. S. J. Reed and daughter Kay entertained Captain Reed on his birthday Saturday with a lovely dinner. Those celebrating with the family were Major and Mrs. C. Ralpier, Captain and Mrs. Joseph Calder and daughter Lourie, and Mrs. C. Birk. The Reeds live at the Birk home on the Wichita road.

Mrs. T. M. Clark went to Fort Worth, Saturday where her daughter Helen Dale is enrolled in T.C.U. The two then went to Dallas where they met another daughter Polly Faye, and all attended the Fair.

Mr. and Mrs. Ben Levinson are in Dallas this week buying merchandise for the Famous Store of Iowa Park. Mr. Famous told the Herald before he left that he was going to lay in a large supply of the most lovely gifts obtainable for Christmas gifts and for the coming winter season's wear.

From where I sit... by Joe Marsh.
Want To Join Our Club?
Newcomers to our town are puzzled when they hear talk of "The Barbecue Club." Want to know who can join, and what the purpose is. Well, the answer is: any one can join who's neighborly inclined. The purpose is simply to enjoy good food, good beer and ale, good conversation—all towards getting to know one another better. Every other Saturday, at one farm or another, the pit is dug, and the fire started. And by sundown, neighbors from miles around have come together—the women contributing cakes, pies, and coffee, the men contributing the meat for barbecuing, and the beer or ale.
From where I sit, it's this simple wholesome side of country life in America—its spirit of good-fellowship—that makes for tolerance and better understanding between neighbors.
As I say, Neighbor, any one can join up! So come along a week from this Saturday.
Joe Marsh

Junior Red Cross to Open Enrolment Drive In Wichita County

The annual membership drive of the American Junior Red Cross in Wichita County schools will begin Nov. 1, according to Miss Ethyle Kidwell, grade school principal of the Iowa Park system.

Conducted on a county wide basis, the membership drive will be opened as Junior Red Cross members sign up fellow students in class room units, at a regular fee of 50 cents for each classroom in elementary schools and \$1 for a group of 100 or less in secondary schools. No individual fees are required, Miss Kidwell said, and no one is excluded because he does not contribute toward group enrollment. All funds over enrollment fees go into Junior Red Cross service fund used to finance local, national, and international Junior Red Cross membership.

Chairman of the Wichita county Junior Red Cross is Mrs. Charles P. McGaha. We want to see 100 per cent enrollment in all of the county's schools," Mrs. McGaha said, "and we believe that our children, realizing the many accomplishments of young Red Cross members in the past, will want to join in the Youth Organization that has achieved such a fine record."

Mrs. McGaha said that through the National Children's Fund, Junior Red Cross members have contributed to the health of children abroad and in addition to \$100 contributed locally to the Fund last year, members have packed many gift boxes with educational and health supplies for war-impooverished children overseas.

Junior Red Cross members in the county have planned local projects to be executed this coming school term.

Lions Do Business, Hear Rev. Grounds

Lion George Jones took over in the absence of President W. R. Pastuszek and conducted a lively business session Tuesday at the luncheon meeting. Introduction of guests, Bill Burnett of Hamlin, Joe Grubbe, and Lion Magers of Burkburnett, was followed by appointment of E. E. Wallis as treasurer pro tem. This appointment was made necessary by resignation of Miles Hines, who will be out of town.

Third vice-presidency of the Lions club was filled by election of Scott Ralston. This vacancy was created by resignation of Ed Clark from the club. Although he still lives here Ed is in charge of a grocery store in Wichita Falls and cannot make the daytime meetings.

The Lions voted \$200 to be used in co-operating with the Iowa Park Chamber of Commerce on a street marking project. The markers are to be of aluminum and will be placed on many intersections over the city.

The Lions voted to put on an entertainment in the near future somewhat like the Negro Minstrel which was so successful last year.

Announcement was made by Lion Albert Reed of a Community Chest drive, scheduled for next Thursday, Nov. 4. This is a three-way co-operative effort which will consume only the one day. Others taking part in the drive are the Iowa Park Council of Church Women and the Chamber of Commerce. Particulars are in another story of this week's Herald.

Substituting for Mrs. R. A. Tanner was Mrs. Otis Gay, who accompanied Sweetheart Harriett Coppock as she sang for the assembly.

Introduced by the Rev. Mr. Kirk M. Beard, chairman of the day's program, the Rev. Mr. Hargrove Grounds of the Grace Methodist church, Wichita Falls, made the principal talk of the day.

Mr. Grounds chose for his topic, "The Honor and Responsibility of Being a Man," and quoted from the eighth Psalm as text for his remarks. "When man was honored by being created just a little below the angels, he was also given the responsibilities that go with such an honor," said Mr. Grounds.

"As head of his house, he also must protect the home. Now a home needs very little actual protection in the present day from actual physical dangers. But men, as heads of their households must provide moral and spiritual influences that protect the family from disintegration.

"Because every man, be he a father or not, is an example to someone, he must be ever alert to make sure that example is a worthy one."

OES MEMBERS ATTENDING GRAND CHAPTER IN FORT WORTH THIS WEEK

★ Soil Conservation

A stock pond has been staked out on Wilbur Prechel's farm north of Clara this week.

A terrace outlet channel has been completed on V. I. Sieler's farm of the Barwise conservation group. The channel has been sodded to bermuda grass for erosion control. Terraces will be constructed to empty into the channel after sufficient growth of grass is present.

About two miles of terraces are now in process of being constructed on L. F. Miller's farm east of Iowa Park. The lines were run by technicians of the Soil Conservation Service assigned to the Wilbarger-Wichita soil conservation district.

One mile of terraces has been completed on Bill Overbey's farm the past week, and 1.5 miles on Van Lesley's farm.

Jerry Vinson has increased the growth and improved his grass or range over 50% the past two years by proper stocking. Two years ago this ranch was one of the most overgrazed in Wichita county. Today conditions have changed by properly stocking according to capability of soil to produce. Over 90% of pastures in this soil conservation district are overgrazed and erosion is occurring on pasture land as on cultivated fields. A simple rule to follow to improve rangeland is to take half and leave half.

C. M. Thompson of Burkburnett has purchased a new type terracing machine called a Hancock Terracer. It is a modified type of elevating grader and is pulled by a large grain type tractor. In good moist soil it should build approximately one mile of terraces a day.

Approximately 500 additional acres of alfalfa have been planted on district co-operators' farm in the Wichita Valley this fall. Most of this was planted on land leveled and bordered on the contour, and prepared for best irrigation. Alfalfa is one of the best soil improving crops.

ELECTRIC HOME LAUNDRIES ARE KEYS TO BETTER LIVING!

Doing the family washing is not the all-day job it used to be—when electric home laundry equipment takes over. Even on rainy days, the electric washer, drier and ironer speed the washing right on through, with time left over. An electric home laundry means more leisure and less effort on washdays.

Electric washers, driers and ironers are available now in many styles. See your electrical dealer for the home laundry equipment of your choice.
